§ 105-164.4B. Sourcing principles.

(a) General Principles. – The following principles apply in determining where to source the sale of an item for the seller's purpose and do not alter the application of the tax imposed under G.S. 105-164.6. Except as otherwise provided in this section, a service is sourced where the purchaser can potentially first make use of the service. These principles apply regardless of the nature of the item, except as otherwise noted in this section:

- (1) When a purchaser receives an item at a business location of the seller, the sale is sourced to that business location.
- (2) When a purchaser or purchaser's donee receives an item at a location specified by the purchaser and the location is not a business location of the seller, the sale is sourced to the location where the purchaser or the purchaser's donee receives the item.
- (3) When subdivisions (1) and (2) of this subsection do not apply, the sale is sourced to the location indicated by an address for the purchaser that is available

from the business records of the seller that are maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith.

- (4) When subdivisions (1), (2), and (3) of this subsection do not apply, the sale is sourced to the location indicated by an address for the purchaser obtained during the consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith.
- (5) When subdivisions (1), (2), (3), and (4) of this subsection do not apply, including the circumstance in which the seller is without sufficient information to apply the rules, the location will be determined based on the following:
 - a. Address from which tangible personal property was shipped,
 - b. Address from which the digital good or the computer software delivered electronically was first available for transmission by the seller, or
 - c. Address from which the service was provided.

(b) **Periodic Rental Payments.** – When a lease or rental agreement requires recurring periodic payments, the payments are sourced as follows:

- (1) For leased or rented property, the first payment is sourced in accordance with the principles set out in subsection (a) of this section and each subsequent payment is sourced to the primary location of the leased or rented property for the period covered by the payment. This subdivision applies to all property except a motor vehicle, an aircraft, transportation equipment, and a utility company railway car.
- (2) For leased or rented property that is a motor vehicle or an aircraft but is not transportation equipment, all payments are sourced to the primary location of the leased or rented property for the period covered by the payment.
- (3) For leased or rented property that is transportation equipment, all payments are sourced in accordance with the principles set out in subsection (a) of this section.
- (4) For a railway car that is leased or rented by a utility company and would be transportation equipment if it were used in interstate commerce, all payments are sourced in accordance with the principles set out in subsection (a) of this section.

(c) **Transportation Equipment Defined.** – As used in the section, the term "transportation equipment" means any of the following used to carry persons or property in interstate commerce: a locomotive, a railway car, a commercial motor vehicle as defined in G.S. 20-4.01, or an aircraft. The term includes a container designed for use on the equipment and a component part of the equipment.

(e) Accommodations. – The rental of an accommodation, as defined in G.S. 105-164.4F, is sourced to the location of the accommodation.

(f) Certain Digital Property. – A purchaser receives certain digital property when the purchaser takes possession of the property or makes first use of the property, whichever comes first.

(g) Prepaid Meal Plan. – The gross receipts derived from a prepaid meal plan are sourced to the location where the food or prepared food is available to be consumed by the person.

(h) Admissions. – The gross receipts derived from an admission charge, as defined in G.S. 105-164.4G, are sourced in accordance with G.S. 105-164.4G.

(i) Computer Software Renewal. – The gross receipts derived from the renewal of a service contract for prewritten software is generally sourced pursuant to subdivision (a) of this section. However, sourcing the renewal to an address where the purchaser received the underlying prewritten software does not constitute bad faith provided the seller has not received information from the purchaser that indicates a change in the location of the underlying software. (2001-347, s. 2.9; 2002-16, s. 5; 2003-284, s. 45.3; 2004-170, s. 20; 2006-33, s. 3; 2006-66, s. 24.13(a); 2008-187, s. 42; 2009-445, s. 12; 2010-31, s. 31.6(b); 2010-123, s. 10.2; 2011-330, s. 29; 2012-79, s. 2.8; 2013-414, s. 23(b); 2014-3, ss. 4.1(c), 5.1(b); 2016-5, s. 3.3; 2017-204, s. 2.3; 2018-5, s. 38.5(d); 2019-169, s. 3.3(a).)

(a) General. – The gross receipts derived from providing telecommunications service or ancillary service in this State are taxed at the rate set in G.S. 105-164.4(a)(4c). Telecommunications service is provided in this State if the service is sourced to this State under the sourcing principles set out in subsections (a1) and (a2) of this section. Ancillary service is provided in this State if the telecommunications service to which it is ancillary is provided in this State. The definitions and provisions of the federal Mobile Telecommunications Sourcing Act apply to the sourcing and taxation of mobile telecommunications services.

(a1) General Sourcing Principles. – The following general sourcing principles apply to telecommunications services. If a service falls within one of the exceptions set out in subsection (a2) of this section, the service is sourced in accordance with the exception instead of the general principle.

- (1) Flat rate. – A telecommunications service that is not sold on a call-by-call basis is sourced to this State if the place of primary use is in this State.
- (2) General call-by-call. – A telecommunications service that is sold on a call-by-call basis and is not a postpaid calling service is sourced to this State in the following circumstances:
 - a. The call both originates and terminates in this State.
 - b. The call either originates or terminates in this State and the telecommunications equipment from which the call originates or terminates and to which the call is charged is located in this State. This applies regardless of where the call is billed or paid.
- (3) Postpaid. – A postpaid calling service is sourced to the origination point of the telecommunications signal as first identified by either the seller's telecommunications system or, if the system used to transport the signal is not the seller's system, by information the seller receives from its service provider.

(a2) Sourcing Exceptions. – The following telecommunications services and products are sourced in accordance with the principles set out in this subsection:

- (1) Mobile. – Mobile telecommunications service is sourced to the place of primary use, unless the service is prepaid wireless calling service or is air-to-ground radiotelephone service. Air-to-ground radiotelephone service is a postpaid calling service that is offered by an aircraft common carrier to passengers on its aircraft and enables a telephone call to be made from the aircraft. The sourcing principle in this subdivision applies to a service or product provided as an adjunct to mobile telecommunications service if the charge for the service or product is included within the term "charges for mobile telecommunications services" under the federal Mobile Telecommunications Sourcing Act.
 - (2) Prepaid. – Prepaid telephone calling service is sourced in accordance with G.S. 105-164.4B.

- (e) Private Line. – The gross receipts derived from private telecommunications service are sourced as follows:
- (1) If all the customer's channel termination points are located in this State, the service is sourced to this State.
 - (2) If all the customer's channel termination points are not located in this State and the service is billed on the basis of channel termination points, the charge for each channel termination point located in this State is sourced to this State.
 - (3) If all the customer's channel termination points are not located in this State and the service is billed on the basis of channel mileage, the following applies:
 - a. A charge for a channel segment between two channel termination points located in this State is sourced to this State.
 - b. Fifty percent (50%) of a charge for a channel segment between a channel termination point located in this State and a channel termination point located in another state is sourced to this State.
 - (4) If all the customer's channel termination points are not located in this State and the service is not billed on the basis of channel termination points or channel mileage, a percentage of the charge for the service is sourced to this State. The percentage is determined by dividing the number of channel termination points in this State by the total number of channel termination points.
- (f) Call Center Cap. – The gross receipts tax on telecommunications service that originates outside this State, terminates in this State, and is provided to a call center that has a direct pay permit issued by the Department under G.S. 105-164.27A may not exceed fifty thousand dollars (\$50,000) a calendar year. This cap applies separately to each legal entity.

A postpaid calling service includes a service that meets all the requirements of a prepaid telephone calling service, except the exclusive use requirement.
- (6) Prepaid telephone calling service. – Defined in G.S. 105-164.3.
- (7) Private telecommunications service. – Telecommunications service that entitles a subscriber of the service to exclusive or priority use of a communications channel or group of channels.

§ 105-164.4D. Bundled transactions.

(a) Tax Application. – Tax applies to the sales price of a bundled transaction unless one of the following applies:

- (1) Fifty percent (50%) test. – All of the items in the bundle are tangible personal property, the bundle includes one or more of the exempt items listed in this subdivision, and the price of the taxable items in the bundle does not exceed fifty percent (50%) of the price of the bundle:

In this circumstance, tax applies to the allocated price of each taxable item in the bundle.

A retailer may not use a combination of purchase price and sales price to make this determination. If a bundled transaction subject to subdivision (a)(3) of this section includes a service contract, the retailer must use the full term of the contract in determining whether the transaction meets the threshold set in the subdivision. (2006-151, ss. 4, 5; 2007-244, s. 2; 2014-3, s. 4.1(d); 2016-5, s. 3.7(a); 2016-94, s. 38.5(f); 2017-204, s. 2.5(a); 2019-169, s. 3.3(b).)

§ 105-164.4E. Direct Mail.

(a) Advertising and Promotional Direct Mail. – The following sourcing principles apply to advertising and promotional direct mail.

- (1) To the location where the direct mail is delivered if it is purchased pursuant to a direct pay permit issued under G.S. 105-164.27A(a1), or if it is purchased with an exemption certificate claiming direct mail and bearing the direct mail permit number issued under G.S. 105-164.27A(a1).
- (2) To the location where the direct mail is delivered if the purchaser provides the seller with information to show the jurisdictions to which the direct mail is to be delivered.
- (3) To the location from which the direct mail was shipped if subdivision (1) or (2) of this subsection does not apply.

(b) Other Direct Mail. – The following sourcing principles apply to other direct mail:

- (1) To the location indicated by an address for the purchaser that is available from the business records of the seller that are maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith.
- (2) To the jurisdictions where the direct mail is delivered if it is purchased pursuant to a direct pay permit issued under G.S. 105-164.27A(a1), or if it is purchased with an exemption certificate claiming direct mail and bearing the direct mail permit number issued under G.S. 105-164.27A(a1).

(c) Relief From Liability. – In the absence of bad faith, a seller is relieved of:

- (1) All obligations to collect, pay, or remit any tax on any direct mail transaction where the purchaser issues a direct pay permit issued under G.S. 105-164.27A(a1), or if it is purchased with an exemption certificate claiming direct mail and bearing the direct mail permit number issued under G.S. 105-164.27A(a1).

- (2) Further obligation to collect any additional tax on the sale of advertising and promotional direct mail where the seller sourced the sale according to delivery information provided by the purchaser. (2013-414, s. 23(c).)

§ 105-164.4F. Accommodation rentals.

(a) Repealed by Session Laws 2019-246, s. 4(e), effective February 1, 2020, and applicable to sales occurring on or after that date.

(b) Tax. – The gross receipts derived from the rental of an accommodation are taxed at the general rate set in G.S. 105-164.4. Gross receipts derived from the rental of an accommodation include the sales price of the rental of the accommodation. The sales price of the rental of an accommodation is determined as if the rental were a rental of tangible personal property. The sales price of the rental of an accommodation made by an accommodation facilitator includes any charges or fees, by whatever name called, charged by the accommodation facilitator to the purchaser of the accommodation that are necessary to complete the rental. The tax is due and payable by the retailer in accordance with G.S. 105-164.16.

(b1) Retailer. – Except as otherwise provided in subsection (c) of this section, the retailer of the rental of an accommodation is one or more of the persons listed below that collects the payment, or a portion of the payment, for the rental of the accommodation. In the event the person who collects the payment cannot be determined or is a third party that is not listed in this subsection, and subsection (c) of this section does not apply, the provider of the accommodation shall be considered the retailer of the transaction. The retailer is liable for reporting and remitting the tax due on the portion of the gross receipts derived from the rental of the accommodation that the retailer collects. The retailer may be one or more of the following:

- (1) The provider of the accommodation.
- (2) An accommodation facilitator.

(c) Certain Accommodation Facilitator Transactions. – This subsection applies only to an accommodation facilitator that is operated by or on behalf of a hotel or a hotel corporation, that facilitates the rental of hotel accommodations solely for the hotel or the hotel corporation's owned or managed hotels and franchisees, and that collects payment, or a portion of the payment, for the rental of an accommodation. An accommodation facilitator subject to this subsection is not considered the retailer of the rental of the accommodation. The accommodation facilitator must send the retailer the tax due on the sales price, or the portion of the sales price, the accommodation facilitator collected no later than 10 days after the end of each calendar month. An accommodation facilitator that does not send the retailer the tax due on the sales price, or the portion of the sales price the accommodation facilitator collected, is liable for the amount of tax the accommodation facilitator fails to send. An accommodation facilitator is not liable for tax sent to a retailer but not remitted by the retailer to the Secretary. Tax payments received by a retailer from an accommodation facilitator are held in trust by the retailer for remittance to the Secretary. A retailer that receives a tax payment from an accommodation facilitator must remit the amount received to the Secretary. A retailer is not liable for tax due but not received from an accommodation facilitator.

(c1) Repealed by Session Laws 2022-13, s. 3.4, effective June 29, 2022.

(d) Repealed by Session Laws 2019-246, s. 4(e), effective February 1, 2020, and applicable to sales occurring on or after that date.

(e) Exemptions. – The tax imposed by this section does not apply to the following:

- (1) A private residence, cottage, or similar accommodation that is rented for fewer than 15 days in a calendar year unless the rental of the accommodation is made by an accommodation facilitator.
- (2) An accommodation supplied to the same person for a period of 90 or more continuous days.
- (3) An accommodation arranged or provided to a person by a school, camp, or similar entity where a tuition or fee is charged to the person for enrollment in the school, camp, or similar entity. (2014-3, s. 8.1(b); 2019-246, s. 4(e); 2022-13, s. 3.4.)

§ 105-164.4G. Entertainment activity.

(a) Repealed by Session Laws 2019-246, s. 4(i), effective February 1, 2020, and applicable to sales occurring on or after that date.

(b) Tax. – The gross receipts derived from an admission charge to an entertainment activity are taxed at the general rate set in G.S. 105-164.4. The tax is due and payable by the retailer in accordance with G.S. 105-164.16. For purposes of the tax imposed by this section, the retailer is the applicable person listed below:

- (1) The operator of the venue where the entertainment activity occurs, unless the retailer and the admission facilitator have a contract between them allowing for dual remittance, as provided in subsection (d) of this section.
- (2) The person that provides the entertainment and that receives admission charges directly from a purchaser.
- (3) A person other than a person listed in subdivision (1) or (2) of this subsection that receives gross receipts derived from an admission charge sold at retail.

(c) Admission Facilitator. – An admission facilitator must report to the retailer with whom it has a contract the admission charge a consumer pays to the admission facilitator for an entertainment activity. The admission facilitator must send the retailer the portion of the gross receipts the admission facilitator owes the retailer and the tax due on the gross receipts derived from an admission charge no later than 10 days after the end of each calendar month. An admission facilitator that does not send the retailer the tax due on the gross receipts derived from an admission charge is liable for the amount of tax the admission facilitator fails to send to the retailer. An admission facilitator is not liable for tax sent to a retailer but not remitted by the retailer to the Secretary. Tax payments received by a retailer from an admission facilitator are held in trust by the retailer for remittance to the Secretary. A retailer that receives a tax payment from an admission facilitator must remit the amount received to the Secretary. A retailer is not liable for tax due but not received from an admission facilitator. The requirements imposed by this subsection on a retailer and an admission facilitator are considered terms of the contract between the retailer and the admission facilitator.

(d) Dual Remittance. – The tax due on the gross receipts derived from an admission charge may be partially reported and remitted to the operator of the venue for remittance to the Department and partially reported and remitted by the admission facilitator directly to the Department. The portion of the tax not reported and remitted to the operator of the venue must be reported and remitted directly by the admission facilitator to the Department. An admission facilitator that elects to remit tax under the dual remittance option is required to obtain a certificate of registration in accordance with G.S. 105-164.29. An admission facilitator is subject to the provisions of Article 9 of this Chapter.

- (e) Exceptions. – The tax imposed by this section does not apply to the following:
- (1) An amount paid solely for the right to participate, other than to be a spectator, in sporting activities. Examples of these types of charges include bowling fees, golf green fees, and gym memberships.
 - (2) Tuition, registration fees, or charges to attend instructional seminars, conferences, or workshops for educational purposes, notwithstanding that entertainment activity may be offered as an ancillary purpose of an event listed in this subdivision.
 - (3) A political contribution.
 - (4) A charge for lifetime seat rights, lease, or rental of a suite or box for an entertainment activity, provided the charge is separately stated on an invoice or similar billing document given to the purchaser at the time of sale.
 - (5) An amount paid solely for transportation.
 - (6) An amount paid for the right to participate, other than to be a spectator, in the following activities:
 - a. Rock climbing, skating, skiing, snowboarding, sledding, zip lining, or other similar activities.
 - b. Instruction classes related to the activities included in sub-subdivision a. of this subdivision.
 - c. Riding on a carriage, boat, train, plane, horse, chairlift, or other similar rides.
 - d. Amusement rides, including a waterslide.

(f) Exemptions. – The sale at retail and the use, storage, or consumption in this State of the following gross receipts derived from an admission charge to an entertainment activity are specifically exempt from the tax imposed by this Article:

- (1) The portion of a membership charge that is deductible as a charitable contribution under section 170 of the Code or that is described in section 170(I)(2) of the Code.
- (2) A donation that is deductible as a charitable contribution under section 170 of the Code or that is described in section 170(I)(2) of the Code.
- (3) Charges for an amenity. If charges for amenities are separately stated on a billing document given to the purchaser at the time of the sale, then the tax does not apply to the separately stated charges for amenities. If charges for amenities are not separately stated on the billing document given to the purchaser at the time of the sale, then the transaction is a bundled transaction and taxed in accordance with G.S. 105-164.4D except that G.S. 105-164.4D(a)(3) does not apply.
- (4) An event that is sponsored by an elementary or secondary school. For purposes of this exemption, the term "school" is an entity regulated under Chapter 115C of the General Statutes.
- (5) An event sponsored solely by a nonprofit entity that is exempt from tax under Article 4 of this Chapter if all of the following conditions are met:
 - a. The entire proceeds of the activity are used exclusively for the entity's nonprofit purposes.
 - b. The entity does not declare dividends, receive profits, or pay salary or other compensation to any members or individuals.

c. The entity does not compensate any person for participating in the event, performing in the event, placing in the event, or producing the event. For purposes of this subdivision, the term "compensate" means any remuneration included in a person's gross income as defined in section 61 of the Code.

(6) An event sponsored by a farmer that takes place on farmland and is related to farming activities, such as a corn maze or a tutorial on raising crops or animals. For purposes of this exemption, a farmer is a person who holds a qualifying farmer sales tax exemption certificate and farmland is land that is enrolled in the present-use value program under G.S. 105-277.3.

(g) Sourcing. – An admission charge to an entertainment activity is sourced to the location where admission to the entertainment activity may be gained by a person. When the location where admission may be gained is not known at the time of the receipt of the gross receipts for an admission charge, the sourcing principles in G.S. 105-164.4B(a) apply. (2014-3, s. 5.1(c); 2015-6, s. 2.11; 2016-5, s. 3.4; 2017-204, s. 2.10(a); 2018-5, s. 38.5(e), (u); 2019-169, s. 3.3(c); 2019-246, s. 4(i).)

§ 105-164.4H. Real property contract.

(a) Applicability. – A real property contractor is the consumer of the tangible personal property or certain digital property that the real property contractor purchases, installs, or applies for others to fulfill a real property contract and that becomes part of real property or used to fulfill the contract. A retailer engaged in business in the State shall collect tax on the sales price of an item sold at retail to a real property contractor unless a statutory exemption in G.S. 105-164.13 or G.S. 105-164.13E applies. Where a real property contractor purchases tangible personal property or certain digital property for storage, use, or consumption in this State, or a service sourced to this State, and the tax due is not paid at the time of purchase, the provisions of G.S. 105-164.6 apply except as provided in subsection (b) of this section.

(a1) Substantiation. – Generally, services to real property are retail sales of or the gross receipts derived from repair, maintenance, and installation services and subject to tax in accordance with G.S. 105-164.4(a)(16), unless a person substantiates that a transaction is subject to tax as a real property contract in accordance with subsection (a) of this section, subject to tax as a mixed transaction in accordance with subsection (d) of this section, or the transaction is not subject to tax. A person may substantiate that a transaction is a real property contract or a mixed transaction by records that establish the transaction is a real property contract or by receipt of an affidavit of capital improvement. The receipt of an affidavit of capital improvement, absent fraud or other egregious activities, establishes that the subcontractor or other person receiving the affidavit should treat the transaction as a capital improvement, and the transaction is subject to tax in accordance with subsection (a) of this section. A person that issues an affidavit of capital improvement is liable for any additional tax due on the transaction, in excess of tax paid on related purchases under subsection (a) of this section, if it is determined that the transaction is not a capital improvement but rather the transaction is subject to tax as a retail sale. A person who receives an affidavit of capital improvement from another person, absent fraud or other egregious activities, is not liable for any additional tax on the gross receipts from the transaction if it is determined that the transaction is not a capital improvement.

The Secretary may establish guidelines for transactions where an affidavit of capital improvement is not required, but rather a person may establish by records that such transactions are subject to tax in accordance with subsection (a) of this section.

(b) Retailer-Contractor. – This section applies to a retailer-contractor as follows:

- (1) Acting as a real property contractor. – A retailer-contractor acts as a real property contractor when it contracts to perform a real property contract. A retailer-contractor that purchases tangible personal property or certain digital property to be installed or applied to real property to fulfill the contract may purchase those items exempt from tax under a certificate of exemption pursuant to G.S. 105-164.28 provided the retailer-contractor also purchases inventory or services from the seller for resale. When the property is withdrawn from inventory and installed or applied to real property, use tax must be accrued and paid on the retailer-contractor's purchase price of the property. Property that the retailer-contractor withdraws from inventory for use that does not become part of real property is also subject to the tax imposed by this Article.
- (2) Acting as a retailer. – A retailer-contractor is acting as a retailer when it makes a sale at retail.

(b1) Repealed by Session Laws 2017-204, s. 2.4(a). For effective date and applicability, see Editor's note.

(c) Erroneous Collection if Separately Stated. – An invoice or other documentation issued to a person by a real property contractor shall not separately state any amount for tax for a real property contract. Any amount for tax separately stated on an invoice or other documentation given to a person by a real property contractor is an erroneous collection and must be remitted to the Secretary.

(d) Mixed Transaction Contract. – A mixed transaction contract is taxable as follows:

- (1) If the allocated sales price of the taxable repair, maintenance, and installation services included in the contract is less than or equal to twenty-five percent (25%) of the contract price, then the repair, maintenance, and installation services portion of the contract, and the items used to perform those services, are taxable as a real property contract in accordance with this section.
- (2) If the allocated sales price of the taxable repair, maintenance, and installation services included in the contract is greater than twenty-five percent (25%) of the contract price, then sales and use tax applies to the sales price of or the gross receipts derived from the taxable repair, maintenance, and installation services portion of the contract. The person must determine an allocated price for the taxable repair, maintenance, and installation services in the contract based on a reasonable allocation of revenue that is supported by the person's business records kept in the ordinary course of business. Any purchase of tangible personal property or certain digital property to fulfill the real property contract is taxed in accordance with this section.

(e) Repealed by Session Laws 2017-204, s. 2.4(a). For effective date and applicability, see Editor's note. (2014-3, s. 7.1(c); 2015-6, s. 2.1(b); 2016-5, s. 3.5; 2016-94, s. 38.5(c), (g); 2016-123, ss. 11.2, 11.3(b), 11.4(a), 11.5; 2017-204, s. 2.4(a), (b); 2018-5, s. 38.5(s); 2019-169, s. 3.3(d).)

§ 105-164.4I. Service contracts.

(a) Tax. – The sales price of or the gross receipts derived from a service contract or the renewal of a service contract sold at retail is subject to the general rate of tax set in G.S. 105-164.4 and is sourced in accordance with the sourcing principles in G.S. 105-164.4B. The retailer of a service contract is required to collect the tax due at the time of the retail sale of the contract and is liable for payment of the tax. The tax is due and payable in accordance with G.S. 105-164.16.

The retailer of a service contract is the applicable person listed below:

- (1) When a service contract is sold at retail to a purchaser by the obligor under the contract, the obligor is the retailer.
- (2) When a service contract is sold at retail to a purchaser by a service contract facilitator on behalf of the obligor under the contract, the service contract facilitator is the retailer unless the provisions of subdivision (3) of this subsection apply.
- (3) When a service contract is sold at retail to a purchaser by a service contract facilitator on behalf of the obligor under the contract and there is an agreement between the service contract facilitator and the obligor that states the obligor will be liable for the payment of the tax, the obligor is the retailer. The service contract facilitator must send the retailer the tax due on the sales price of or gross receipts derived from the service contract no later than 10 days after the end of each calendar month. A service contract facilitator that does not send the retailer the tax due on the sales price or gross receipts is liable for the amount of tax the service contract facilitator fails to send. A service contract facilitator is not liable for tax sent to a retailer but not remitted by the retailer to the Secretary. Tax payments received by a retailer from a service contract facilitator are held in trust by the retailer for remittance to the Secretary. A retailer that receives a tax payment from a service contract facilitator must remit the amount received to the Secretary. A retailer is not liable for tax due but not received from a service contract facilitator. The requirements imposed by this subdivision on a retailer and a service contract facilitator are considered terms of the agreement between the retailer and the service contract facilitator.

(a1) Mixed Service Contract. – A service contract for real property that includes two or more services, one of which is subject to tax under this Article and one of which is not subject to tax under this Article, is taxable in accordance with this subsection. Tax applies to the sales price of or gross receipts derived from a mixed service contract unless one of the following applies:

- (1) Allocation. – The person determines an allocated price for the taxable portion of the service contract based on a reasonable allocation of revenue that is supported by the person's business records kept in the ordinary course of business. In this circumstance, tax applies to the allocated price of the taxable portion of the service contract.
- (2) Ten percent (10%) test. – The allocated price of the taxable portion of the service contract does not exceed ten percent (10%) of the price of the contract.

(b) Repealed by Session Laws 2017-204, s. 2.5(a). For effective date and applicability, see editor's note.

(c) Repealed by Session Laws 2018-5, s. 38.5(f), effective June 12, 2018.

(d) Basis of Reporting. – A retailer who sells or derives gross receipts from a service contract must report those sales on an accrual basis of accounting, notwithstanding that the retailer reports tax on the cash basis for other sales at retail. The tax on the sales price of or the gross

receipts derived from a service contract is due at the time of the retail sale, notwithstanding any portion that may be financed. If the sales price of or the gross receipts derived from the service contract is financed in whole or in part, the financed amount of the sales price of or the gross receipts derived from the service contract included in each payment is exempt from sales tax if the amount is separately stated in the contract and on the billing statement or other documentation provided to the purchaser at the time of the sale.

(e) Repealed by Session Laws 2019-246, s. 4(k), effective February 1, 2020, and applicable to sales occurring on or after that date. (2014-3, s. 6.1(c); 2015-241, s. 32.18(c); 2015-259, ss. 4.2(c), 5(a), 6(c); 2016-5, s. 3.24(a); 2016-94, s. 38.5(h); 2017-57, s. 38.8(b); 2017-204, s. 2.5(a), (b); 2018-5, s. 38.5(f); 2019-246, s. 4(k).)

§ 105-164.4J. Marketplace-facilitated sales.

(a) Scope. – This section applies to a marketplace facilitator engaged in business in this State.

(b) Payment of Tax. – A marketplace facilitator subject to this section is considered the retailer of each marketplace-facilitated sale it makes and is liable for collecting and remitting the sales and use tax on all such sales. A marketplace facilitator is required to comply with the same requirements and procedures as all other retailers registered or who are required to be registered to collect and remit sales and use tax in this State. A marketplace facilitator is required to collect and remit sales tax as required by this section regardless of whether a marketplace seller for whom it makes a marketplace-facilitated sale meets any of the following conditions:

- (1) Has a physical presence in this State.
- (2) Is required to be registered to collect and remit sales and use tax in this State.
- (3) Would have been required to collect and remit sales and use tax in this State had the sale not been made through a marketplace.
- (4) Would not have been required to collect and remit sales and use tax in this State had the sale not been made through a marketplace.

(c) Report. – A marketplace facilitator must provide or make available to each marketplace seller the information listed in this subsection with respect to marketplace-facilitated sales that are made on behalf of the marketplace seller and that are sourced to this State. The information may be provided in any format and shall be provided or made available no later than 10 days after the end of each calendar month. The required information to be provided or made available to each marketplace seller is as follows:

- (1) Gross sales.
- (2) The number of separate transactions.

(d) Liability Relief. – The Department shall not assess a marketplace facilitator for failure to collect the correct amount of tax due if the marketplace facilitator can demonstrate to the Secretary's satisfaction that all of the circumstances listed in this subsection apply. This subsection does not apply with regard to a marketplace-facilitated sale for which the marketplace facilitator is the marketplace seller or if the marketplace facilitator and the marketplace seller are affiliates. If a marketplace facilitator is not assessed for tax due under this section, the marketplace seller is liable for the tax due under this section provided the marketplace seller is engaged in business in this State. The circumstances that a marketplace facilitator must demonstrate are as follows:

- (1) The failure to collect the correct amount of tax was due to incorrect information given to the marketplace facilitator by the marketplace seller.

(2) The marketplace facilitator did not receive specific written advice from the Secretary for the transaction at issue.

(e) Refund of Tax. – If a purchaser receives a refund on any portion of the sales price from a marketplace facilitator who collected and remitted the tax on the retail sale, the provisions of G.S. 105-164.11A(a) apply.

(f) Class Actions. – No class action may be brought against a marketplace facilitator in any court of this State on behalf of customers arising from or in any way related to an overpayment of sales or use tax collected on facilitated sales by a marketplace facilitator, regardless of whether that claim is characterized as a tax refund claim. Nothing in this subsection affects a customer's right to seek a refund as provided under G.S. 105-164.11.

(g) Agreements. – Nothing in this section shall be construed to interfere with the ability of a marketplace facilitator and a marketplace seller to enter into an agreement with each other regarding the fulfillment of the requirements of this Article, except that an agreement may not require a marketplace seller to collect and remit sales and use tax on marketplace-facilitated sales.

(h) Use Tax Obligation. – Nothing in this section affects the obligation of any purchaser to remit use tax for any taxable transaction for which a marketplace facilitator does not collect and remit sales or use tax.

(i) Limitation. – This section does not apply to an accommodation facilitator, an admission facilitator, or a service contract facilitator whose collection and remittance requirements are set out in G.S. 105-164.4F, 105-164.4G, and 105-164.4I, respectively.

(j) Grace Period. – The Department shall take no action to assess a person for any tax due for a filing period beginning on or after February 1, 2020, and ending prior to October 1, 2020, with respect to any of the circumstances listed in this subsection. This subsection does not apply to (i) a person that received specific written advice from the Secretary for the transactions at issue for the laws in effect for the applicable period, (ii) a person that collected tax and failed to remit it to the Department, or (iii) the retail sale of inventory that was held for resale. The applicable circumstances are:

(1) The person sells tangible personal property on behalf of the owner of the tangible personal property, or the owner's estate, whether by auction or through the pricing of items, and the sale was conducted at the owner's home or farm.

(2) The person sells fixtures and equipment held for use in operating a retail or wholesale business on behalf of a business, whether by auction or through the pricing of items, and the sale is conducted at the business location.

(k) Efficient Administration. – When the Secretary finds it necessary for the efficient administration of this Article to regard any sales representatives, solicitors, representatives, consignees, peddlers, or truckers as agents of the dealers, distributors, consignors, supervisors, employers, or persons under whom they operate or from whom they obtain the items sold by them regardless of whether they are making sales on their own behalf or on behalf of these dealers, distributors, consignors, supervisors, employers, or persons, the Secretary may so regard them and may regard the dealers, distributors, consignors, supervisors, employers, or persons as "marketplace facilitators" for the purpose of this Article and may treat the sales they make as "marketplace-facilitated sales" and the sellers as "marketplace sellers." (2019-246, s. 4(c); 2020-6, s. 1(d); 2020-58, s. 3.3(a); 2023-12, s. 2.2.)

§ 105-164.4K. Property management contracts.

(a) Taxability of Services under a Property Management Contract. – Repair, maintenance, and installation services taxable under this Article and provided by a real property manager under a property management contract are subject to sales and use tax in the following circumstances:

- (1) Repair, maintenance, installation services provided by the real property manager for an additional charge.
- (2) The real property manager arranges for a third party to provide the repair, maintenance, and installation services and the real property manager imposes an additional contract amount or charge for the arranging of these services.
- (3) More than twenty-five percent (25%) of the time spent managing the real property for a billing or invoice period is attributable to repair, maintenance, and installation services taxable under this Article and not excluded by subsection (b) of this section. The tax applies to the sales price of or the gross receipts derived from the taxable repair, maintenance, and installation services portion of the property management contract. The real property manager must determine an allocated sales price for the repair, maintenance, and installation services portion of the property management contract based on a reasonable allocation of revenue that is supported by the person's business records kept in the ordinary course of business. The charges for the taxable repair, maintenance, and installation services must be separately stated on the invoice or similar billing document given to the customer at the time of the sale.

(b) Exclusions. – The tax imposed by this Article does not apply to the following repair, maintenance, and installation services if the services are provided by the real property manager pursuant to a property management contract:

- (1) To troubleshoot, identify, or attempt to identify the source of a problem for the purpose of determining what is needed to restore the real property to working order or good condition.
- (2) To inspect or monitor the real property, including the normal operation of all systems that are part of the real property.

(c) Substantiation. – Generally, repair, maintenance, and installation services are subject to tax in accordance with G.S. 105-164.4(a)(16), unless a person substantiates that the services are not taxable as real property management services provided under a property management contract in accordance with subsection (a)(3) of this section, excluded from tax in accordance with subsection (b) of this section, or not subject to tax. A real property manager may substantiate that no more than twenty-five percent (25%) of the time spent managing the real property for a billing or invoice period is attributable to repair, maintenance, and installation services taxable under this Article and not excluded by subsection (b) of this section. The substantiation must be based on a reasonable approximation of the real property management services provided and supported by the person's business records kept in the ordinary course of business. The substantiation must be contemporaneously provided for each billing or invoice period and maintained in the business records.

(d) Real Property Management Services. – This subsection applies when repair, maintenance, and installation services otherwise taxable under this Article are not subject to sales and use tax. A real property manager is the consumer of the items that the real property manager purchases, installs, applies, or otherwise uses to fulfill a property management contract. A retailer engaged in business in the State shall collect tax on the sales price of an item sold at retail to a real property manager unless a statutory exemption in G.S. 105-164.13 applies.

(e) Real Property Manager Acting as Retailer. – This subsection applies when repair, maintenance, and installation services provided by a real property manager are subject to sales and use tax under this section. A real property manager acts as a retailer and makes a sale at retail when it provides repair, maintenance, and installation services taxable under this section unless a statutory exemption in G.S. 105-164.13 applies.

(f) Grace Period. – The Department shall take no action to assess any tax due for a filing period beginning on or after January 1, 2019, and ending prior to January 1, 2021, if the retailer failed to collect sales tax on repair, maintenance, and installation services taxable under this section. This subsection does not apply if the retailer received specific written advice from the Secretary for the transactions at issue for the laws in effect for the applicable period. The limitations in G.S. 105-244.3 apply to this subsection. (2019-169, s. 3.9(e); 2019-246, s. 7(a).)

§ 105-164.4L. Prepared food.

(a) Prepared Food Definition. – The term "prepared food" means food that meets at least one of the following conditions:

- (1) It is sold in a heated state, or it is heated by the retailer.
- (2) It consists of two or more foods mixed or combined by the retailer for sale as a single item. This does not include:
 - a. Food containing raw eggs, fish, meat, or poultry that requires cooking by the consumer as recommended by the Food and Drug Administration in chapter 3, part 401.11 of its Food Code so as to prevent foodborne illnesses.
 - b. Food that is only sliced, repackaged, or pasteurized by the retailer.
- (3) It is sold with eating utensils provided by the retailer, such as plates, knives, forks, spoons, glasses, cups, napkins, and straws. A plate does not include a container or packaging used to transport the food. An eating utensil placed in a package with the food items by a person other than the retailer, if that other person's NAICS classification code is that of a manufacturer, sector 311, is not treated as an eating utensil provided by the retailer. For a packager with any other NAICS classification code, the retailer is considered to have provided the eating utensil.

(b) Utensils Provided by the Retailer. – Based on a retailer's prepared food sales percentage, determined in accordance with subsection (c) of this section, the phrase "provided by the retailer," as described in subdivision (3) of subsection (a) of this section, has the following meanings:

- (1) Sales percentage of greater than seventy-five percent (75%). – If a retailer has a prepared food sales percentage of greater than seventy-five percent (75%), "provided by the retailer" means the retailer makes eating utensils available to purchasers, except that an item sold by the retailer containing four or more servings packaged as one item and sold for a single price does not become prepared food because the retailer makes utensils available to the purchaser of the item, but is prepared food if the retailer physically gives or hands utensils to the purchaser of the item. Serving sizes are determined based on the label of an item sold. If no label is available, a retailer must reasonably determine the number of servings in an item.

- (2) Sales percentage of seventy-five percent (75%) or less. – If a retailer has a prepared food sales percentage of seventy-five percent (75%) or less, "provided by the retailer" means the retailer's business practice is to physically give or hand eating utensils to purchasers, except that plates, bowls, glasses, and cups necessary for the purchaser to receive the food need only be made available to purchasers.
- (c) Prepared Food Sales Percentage. –
 - (1) Definition. – A percentage determined by dividing the following described numerator by the following described denominator:
 - a. The numerator is the retailer's annual sales of prepared food described in subdivisions (1) and (2) of subsection (a) of this section and food sold when plates, bowls, glasses, or cups are necessary to receive the food. The numerator shall not include alcoholic beverages or food excluded from prepared food.
 - b. The denominator is the retailer's total annual sales of all food and prepared food, excluding alcoholic beverages.
 - (2) Administration of definition. –
 - a. A retailer must calculate the prepared food sales percentage for each tax year or business fiscal year based on the retailer's data from the prior tax year or business fiscal year, as soon as possible after accounting records are available, but not later than 90 days after the beginning of the retailer's tax year or business fiscal year.
 - b. A single prepared food sales percentage shall be determined annually for all of the retailer's establishments in this State.
 - c. A new retailer shall make a good-faith estimate of its prepared food sales percentage for its first year in business. The new retailer must adjust its good-faith estimate prospectively after the first three months of its business operation if actual prepared food sales percentages materially affect the seventy-five percent (75%) threshold described in subsection (b) of this section. (2023-12, s. 2.1(b).)

§ 105-164.5: Repealed by Session Laws 1998-121, s. 2, as amended by Session Laws 1998-217, s. 59.

§ 105-164.5A: Repealed by Session Laws 1961, c. 1213, s. 3.

§ 105-164.6. Complementary use tax.

(a) Tax. – An excise tax at the applicable rate and maximum tax, if any, set in G.S. 105-164.4 is imposed on the following items if the item is subject to tax under G.S. 105-164.4:

- (1) Tangible personal property purchased, leased, or rented inside or outside this State for storage, use, or consumption in this State. This subdivision includes tangible personal property that becomes part of a building or another structure.
- (2) Certain digital property purchased inside or outside this State for storage, use, or consumption in this State.
- (3) Services sourced to this State.

(b) Liability. – The tax imposed by this section is payable by the person who purchases, leases, or rents the items listed in subdivision (a) of this section. If an item purchased becomes a part of real property in the State, the real property contractor, the retailer-contractor, the subcontractor, the lessee, and the owner are jointly and severally liable for the tax, except as provided in G.S. 105-164.4H(a1) regarding receipt of an affidavit of capital improvement. The liability of a real property contractor, a retailer-contractor, a subcontractor, a lessee, or an owner who did not purchase the item is satisfied by receipt of an affidavit from the purchaser certifying that the tax has been paid.

(c) Credit. – A credit is allowed against the tax imposed by this section for the following:

(1) The amount of sales or use tax paid on the item to this State, provided the tax is stated and charged separately on the invoice or other document of the retailer given to the purchaser at the time of the sale, except as otherwise provided in G.S. 105-164.7, or provided the retailer remitted the tax subsequent to the sale and the purchaser obtains such documentation. Payment of sales or use tax to this State on an item by a retailer extinguishes the liability of a purchaser for the tax imposed under this section.

(2) The amount of sales or use tax due and paid on the item to another state. If the amount of tax paid to the other state is less than the amount of tax imposed by this section, the difference is payable to this State. The credit allowed by this subdivision does not apply to tax paid to a state that does not grant a similar credit for sales or use taxes paid in North Carolina.

(d), (e) Repealed by Session Laws 2005-276, s. 33.8, effective October 1, 2005.

(f) Registration. – A person must obtain a certificate of registration in accordance with G.S. 105-164.29 under any of the following circumstances:

(1) Before the person engages in business in this State selling or delivering items for storage, use, or consumption in this State.

(2) If the person is a facilitator that is liable for tax under this Article.

(g) Repealed by Session Laws 1995, c. 7, s. 1. (1957, c. 1340, s. 5; 1959, c. 1259, s. 5; 1961, c. 826, s. 2; 1967, c. 1110, s. 6; 1973, c. 476, s. 193; 1979, c. 17, s. 2; c. 48, ss. 3, 4; c. 179, s. 3; c. 527, s. 2; 1979, 2nd Sess., c. 1100, s. 1; c. 1175; 1981, cc. 18, 65; 1983, c. 713, s. 90; 1983 (Reg. Sess., 1984), c. 1065, s. 3; 1989, c. 692, s. 3.4; 1991, c. 689, s. 312; c. 690, s. 3; 1995, c. 7, s. 1; c. 17, s. 7; 1998-121, s. 4; 1999-438, s. 1.1; 2001-414, s. 15; 2003-416, ss. 17, 24(a); 2005-276, s. 33.8; 2006-162, s. 6; 2009-451, s. 27A.3(h); 2011-330, s. 25(a); 2013-414, s. 10; 2014-3, s. 14.9(a); 2017-39, s. 6; 2017-204, s. 2.4(c); 2018-5, s. 38.5(g); 2019-169, s. 3.3(e).)

§ 105-164.6A. Voluntary collection of use tax by sellers.

(a) Voluntary Collection Agreements. – The Secretary may enter into agreements with sellers pursuant to which the seller agrees to collect and remit on behalf of its customers State and local use taxes due on items the seller sells. For the purpose of this section, a seller is a person who is engaged in the business of selling items for use in this State and who does not have sufficient nexus with this State to be required to collect use tax on the sales.

(b) Mandatory Provisions. – The agreements must contain the following provisions:

(1) The seller is not liable for use tax not paid to it by a customer.

(2) A customer's payment of a use tax to the seller relieves the customer of liability for the use tax.

- (3) The seller must remit all use taxes it collects from customers on or before the due date specified in the agreement, which may not be later than 31 days after the end of a quarter or other collection period. The collection period cannot be more often than annually if the seller's State and local tax collections are less than one thousand dollars (\$1,000) in a calendar year.
 - (4) A seller who fails to remit use taxes collected on behalf of its customers by the due date specified in the agreement is subject to the interest and penalties provided in Article 9 of this Chapter with respect to the taxes to the same extent as if the seller were a retailer and were required to collect use taxes under this Article.
- (c) Optional Provisions. – The agreements may contain the following provisions:
- (1) The seller will collect the use tax only on items that are subject to the general rate of tax.
 - (2) The seller will collect local use taxes only to the extent they are at the same rate in every unit of local government in the State.
 - (3) The seller will remit the tax and file reports in the form prescribed by the Secretary.
 - (4) Other provisions establishing the types of transactions on which the seller will collect tax and prescribing administrative procedures and requirements. (1996, 2nd Ex. Sess., c. 14, s. 11; 2000-120, s. 4; 2003-284, s. 45.4; 2009-451, s. 27A.3(i); 2019-169, s. 3.3(f).)

§ 105-164.7. Retailer or facilitator to collect sales tax from purchaser as trustee for State.

The sales tax imposed by this Article is intended to be passed on to the purchaser of a taxable item and borne by the purchaser instead of by the retailer. A retailer must collect the tax due on an item when sold at retail. The requirements of this section apply to facilitators liable for tax under this Article. The tax is a debt from the purchaser to the retailer until paid and is recoverable at law by the retailer in the same manner as other debts. A retailer is considered to act as a trustee on behalf of the State when it collects tax from the purchaser on a taxable sale. The tax must be stated and charged separately on the invoices or other documents of the retailer given to the purchaser at the time of the sale except for either of the following:

- (1) Vending machine sales.
- (2) Where a retailer displays a statement indicating the sales price includes the tax. (1957, c. 1340, s. 5; 1973, c. 476, s. 193; 2000-19, s. 1.3; 2006-162, s. 7; 2009-451, s. 27A.3(j); 2012-79, s. 2.9; 2016-92, s. 2.4; 2018-5, s. 38.5(v); 2019-169, s. 3.3(g).)

§ 105-164.8. Retailer's obligation to collect tax; remote sales subject to tax.

(a) Obligation. – A retailer is required to collect the tax imposed by this Article notwithstanding any of the following:

- (1) That the purchaser's order or the contract of sale is delivered, mailed, or otherwise transmitted by the purchaser to the retailer at a point outside this State as a result of solicitation by the retailer through the medium of a catalogue or other written advertisement.
- (2) That the purchaser's order or the contract of sale is made or closed by acceptance or approval outside this State, or before any tangible personal

property or certain digital property that is part of the order or contract enters this State.

- (3) That the purchaser's order or the contract of sale provides that the property shall be or is in fact procured or manufactured at a point outside this State and shipped directly to the purchaser from the point of origin.
- (4) That the property is mailed to the purchaser in this State or a point outside this State or delivered to a carrier outside this State f.o.b. or otherwise and directed to the purchaser in this State regardless of whether the cost of transportation is paid by the retailer or by the purchaser.
- (5) That the property is delivered directly to the purchaser at a point outside this State.
- (6) Any combination in whole or in part of any two or more of the foregoing statements of fact, if it is intended that the property purchased be brought to this State for storage, use, or consumption in this State.

(b) Remote Sales. – A retailer who makes a remote sale is engaged in business in this State and is subject to the tax levied under this Article if at least one of the following conditions is met:

- (1) The retailer is a corporation engaged in business under the laws of this State or a person domiciled in, a resident of, or a citizen of, this State.
- (2) The retailer maintains retail establishments or offices in this State, whether the remote sales thus subject to taxation by this State result from or are related in any other way to the activities of the establishments or offices.
- (3) The retailer solicits or transacts business in this State by employees, independent contractors, agents, or other representatives, whether the remote sales subject to taxation by this State result from or are related in any other way to the solicitation or transaction of business. A retailer is presumed to be soliciting or transacting business by an independent contractor, agent, or other representative if the retailer enters into an agreement with a person of this State under which the person, for a commission or other consideration, directly or indirectly refers potential customers, whether by a link on an Internet Web site or otherwise, to the retailer. This presumption applies only if the cumulative gross receipts from sales by the retailer to purchasers in this State who are referred to the retailer by all persons with this type of agreement with the retailer is in excess of ten thousand dollars (\$10,000) during the preceding four quarterly periods. This presumption may be rebutted by proof that the person with whom the retailer has an agreement did not engage in any solicitation in the State on behalf of the seller that would satisfy the nexus requirement of the United States Constitution during the four quarterly periods in question.
- (4) Repealed by Session Laws 1991, c. 45, s. 16.
- (5) The retailer, by purposefully or systematically exploiting the market provided by this State by any media-assisted, media-facilitated, or media-solicited means, including direct mail advertising, distribution of catalogs, computer-assisted shopping, television, radio or other electronic media, telephone solicitation, magazine or newspaper advertisements, or other media, creates nexus with this State. A nonresident retailer who purchases advertising to be delivered by television, by radio, in print, on the Internet, or by any other

medium is not considered to be engaged in business in this State based solely on the purchase of the advertising.

- (6) Through compact or reciprocity with another jurisdiction of the United States, that jurisdiction uses its taxing power and its jurisdiction over the retailer in support of this State's taxing power.
- (7) The retailer consents, expressly or by implication, to the imposition of the tax imposed by this Article. For purposes of this subdivision, evidence that a retailer engaged in the activity described in subdivision (5) is prima facie evidence that the retailer consents to the imposition of the tax imposed by this Article.
- (8) The retailer is a holder of a wine shipper permit issued by the ABC Commission pursuant to G.S. 18B-1001.1.
- (9) The retailer makes remote sales sourced to this State, including sales as a marketplace seller, for the previous or the current calendar year that meet either of the following:
 - a. Gross sales in excess of one hundred thousand dollars (\$100,000).
 - b. Two hundred or more separate transactions.
- (10) The retailer is a marketplace facilitator that makes sales, including all marketplace-facilitated sales for all marketplace sellers, sourced to this State for the previous or the current calendar year that meet either of the following:
 - a. Gross sales in excess of one hundred thousand dollars (\$100,000).
 - b. Two hundred or more separate transactions.

(c) Local Tax. – A retailer who is required to collect the tax imposed by this Article must collect a local use tax on a transaction if a local sales tax does not apply to the transaction. The sourcing principles in G.S. 105-164.4B determine whether a local sales tax or a local use tax applies to a transaction. A "local sales tax" is a tax imposed under Chapter 1096 of the 1967 Session Laws or by Subchapter VIII of this Chapter, and a local use tax is a use tax imposed under that act or Subchapter. (1957, c. 1340, s. 5; 1987 (Reg. Sess., 1988), c. 1096, s. 4; 1991, c. 45, s. 16; 2001-347, s. 2.10; 2003-402, s. 13; 2003-416, s. 24(b), (c); 2009-451, s. 27A.3(a); 2019-6, s. 5.2; 2019-169, s. 3.3(h); 2019-246, s. 4(b).)

§ 105-164.9. Advertisement to absorb tax unlawful.

Any retailer who shall by any character or public advertisement offer to absorb the tax levied in this Article or in any manner directly or indirectly advertise that the tax herein imposed is not considered an element in the price to the purchaser shall be guilty of a Class 1 misdemeanor. Any violations of the provisions of this section reported to the Secretary shall be reported by him to the Attorney General of the State to the end that such violations may be brought to the attention of the solicitor of the court of the county or district whose duty it is to prosecute misdemeanors in the jurisdiction. It shall be the duty of such solicitor to investigate such alleged violations and if he finds that this section has been violated prosecute such violators in accordance with the law. (1957, c. 1340, s. 5; 1973, c. 476, s. 193; 1993, c. 539, s. 704; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 105-164.10. Retail tax calculation.

For the convenience of the retailer in collecting the tax due under this Article, the Secretary must prescribe tables that compute the tax due on sales. The Secretary must issue a separate table

for each rate of tax that may apply to a sale. A retailer is not required to collect tax due under this Article based on a bracket system.

In computing tax due under this Article, the tax computation must be carried to the third decimal place and must round up to the next cent whenever the third decimal place is greater than four. A person liable for tax under this Article may elect to compute the tax due on a transaction on an item or invoice basis and the rounding rule is applied to the aggregate tax due. (1957, c. 1340, s. 5; 1961, c. 826, s. 2; 1973, c. 476, s. 193; 1991, c. 689, s. 313; 2013-316, s. 5(e); 2014-3, s. 5.1(f); 2017-204, s. 2.9(h).)

§ 105-164.11. Excessive and erroneous collections.

(a) Remittance of Overcollections to Secretary. – When tax is collected for any period on a taxable sale in excess of the total amount that should have been collected or is collected on an exempt or nontaxable sale, the total amount collected must be remitted to the Secretary. If the Secretary determines that the seller overcollected the sales tax on a transaction, the Secretary shall take only one of the actions listed in this subsection. This subsection shall be construed with other provisions of this Article and given effect so as to result in the payment to the Secretary of the total amount collected as tax if it is in excess of the amount that should have been collected.

- (1) If the Secretary determines that the seller overcollected tax on a transaction, the Secretary may allow a refund of the tax. The Secretary may allow the refund only if the seller gives the purchaser credit for or a refund of the overcollected tax. The Secretary shall not refund the overcollected tax to the seller if the seller has elected to offset a use tax liability on a related transaction with the overcollected sales tax under subdivision (2) of this subsection.
- (2) If the Secretary determines that a seller who overcollected sales tax on a transaction is instead liable for a use tax on a related transaction, the Secretary may allow the seller to offset the use tax liability with the overcollected sales tax. The Secretary shall not allow an offset if the seller has elected to receive a refund of the overcollected tax under subdivision (1) of this subsection. The decision by a seller to receive an offset of tax liability rather than a refund of the overcollected tax does not affect the liability of the seller to the purchaser for the overcollected tax.
- (3) If neither subdivision (1) nor (2) of this subsection applies, the Secretary shall retain the total amount collected on the transaction.

(b) Refund Procedures First Remedy. – The first course of remedy available to purchasers seeking a refund of over-collected sales or use taxes from the seller are the customer refund procedures provided in this Chapter or otherwise provided by administrative rule, bulletin, or directive on the law issued by the Secretary. Where a person recovers tax under G.S. 105-164.11B, a refund or credit under this section is not allowed by the Secretary.

(c) Cause of Action Against Seller. – A cause of action against the seller for over-collected sales or uses taxes does not accrue until a purchaser has provided written notice to a seller and the seller has had 60 days to respond. The notice to the seller must contain the information necessary to determine the validity of the request.

(d) Presumption of Reasonable Business Practice. – In connection with a purchaser's request from the seller of over-collected sales or use taxes, a seller shall be presumed to have a reasonable business practice if, in the collection of sales and use taxes, the seller uses either a

provider or a system, including a proprietary system, that is certified by the State and the seller has remitted to the State all taxes collected less any deductions, credits, or collection allowances.

(e) **Reliance on Written Advice.** – A seller who requests specific written advice from the Secretary and who collects and remits sales or use tax in accordance with the written advice the Secretary gives the seller is not liable to a purchaser for any overcollected sales or use tax that was collected in accordance with the written advice. Subsection (a) of this section governs when a seller may obtain a refund for overcollected tax. (1957, c. 1340, s. 5; 1959, c. 1259, s. 5; 1961, c. 826, s. 2; 1973, c. 476, s. 193; 1991 (Reg. Sess., 1992), c. 1007, s. 4; 2004-22, s. 1; 2009-413, s. 1; 2011-293, s. 1; 2018-5, s. 38.5(i).)

§ 105-164.11A. Refund of tax paid on rescinded sale or cancellation of service.

(a) **Refund.** – A retailer is allowed a refund of sales tax remitted on a rescinded sale or cancelled service. A sale is rescinded when the purchaser returns an item to the retailer and receives a refund, in whole or in part, of the sales price paid, including a refund of the pro rata amount of the sales tax based on the taxable amount of the sales price refunded. A service is cancelled when the service is terminated and the purchaser receives a refund, in whole or in part, of the sales price paid, including a refund of the pro rata amount of the sales tax paid based on the taxable amount of the sales price refunded. A retailer entitled to a refund under this section may reduce taxable receipts by the taxable amount of the refund for the period in which the refund occurs or may request a refund of an overpayment as provided in G.S. 105-241.7, provided the tax has been refunded to the purchaser. The records of the retailer must clearly reflect and support the claim for refund for an overpayment of tax or adjustment to taxable receipts for the period in which the refund occurs.

(b) **Service Contract.** – When a service contract is cancelled and a purchaser receives a refund, in whole or in part, of the sales price paid for the service contract, the purchaser may receive a refund of the pro rata amount of the sales tax paid based on the taxable amount of the sales price refunded as provided in this subsection:

- (1) **Refund from retailer.** – If the purchaser receives a refund on any portion of the sales price for a service contract purchased from the retailer required to remit the tax on the retail sale of the service contract, then the provisions of subsection (a) of this section apply.
- (2) **Refund application.** – If the purchaser receives a refund on any portion of the sales price for a service contract from a person other than the retailer required to remit the tax on the retail sale of the service contract, then the amount refunded to the purchaser by the person does not have to include the sales tax on the taxable amount of the refund. If the amount refunded to the purchaser by the person does not include the sales tax paid, then the purchaser may apply to the Department for a refund of the pro rata amount of the tax paid based on the taxable amount of the service contract refunded to the purchaser. The application for a refund by a purchaser must be made on a form prescribed by the Secretary, supported by documentation on the taxable amount of the service contract refunded to the purchaser from the person who refunded that amount, and filed within 30 days after the purchaser receives a refund. An application for a refund filed by the purchaser after the due date is barred. Taxes for which a refund is allowed directly to the purchaser for sales tax paid on a service

contract are not an overpayment of tax and do not accrue interest as provided in G.S. 105-241.21. (2014-3, s. 6.1(d).)

§ 105-164.11B. Recover sales tax paid.

(a) Retailers. – A retailer who pays sales and use tax on an item that is separately stated on an invoice or similar billing document given to the retailer at the time of sale and subsequently resells the item at retail, without the item being used by the retailer, may recover the sales or use tax originally paid to a seller as provided in this subsection. A retailer entitled to recover tax under this subsection may reduce taxable receipts by the taxable amount of the purchase price of the item resold for the period in which the retail sale occurs. A recovery of tax allowed under this subsection is not an overpayment of tax and, where the recovery is taken, a refund of the tax originally paid may not be requested from the seller pursuant to the authority under G.S. 105-164.11. Any amount for tax recovered under this subsection in excess of tax due for a reporting period under this Article is not subject to refund. Any tax recovered under this subsection may be carried forward to a subsequent reporting period and taken as an adjustment to taxable receipts. The records of the retailer must clearly reflect and support the adjustment to taxable receipts for the period in which the adjustment is made.

(b) Marketplace Facilitators. – A marketplace facilitator may recover the sales or use tax originally paid to a marketplace seller as provided in this subsection when the marketplace facilitator pays sales and use tax to a marketplace seller on a marketplace-facilitated sale for which the marketplace facilitator is considered the retailer pursuant to G.S. 105-164.4J(b), and the tax is separately stated on an invoice or similar billing document given to the marketplace facilitator at the time of sale. A marketplace facilitator entitled to recover tax under this subsection may reduce taxable receipts by the taxable amount of the marketplace-facilitated sale that is taxed by the marketplace seller for the period in which the retail sale occurs. A recovery of tax allowed under this subsection is not an overpayment of tax and, where the recovery is taken, a refund of the tax originally paid may not be requested from the seller pursuant to the authority under G.S. 105-164.11. Any amount for tax recovered under this subsection in excess of tax due for a reporting period under this Article is not subject to refund. Any tax recovered under this subsection may be carried forward to a subsequent reporting period and taken as an adjustment to taxable receipts. The records of the retailer must clearly reflect and support the adjustment to taxable receipts for the period in which the adjustment is made. (2018-5, s. 38.5(h); 2019-169, s. 3.3(i); 2023-12, s. 2.3.)

§ 105-164.12: Repealed by Session Laws 2001-347, s. 2.11.

§ 105-164.12A. Electric golf cart and battery charger considered a single article.

The sale of an electric golf cart and a battery charger that is not physically attached to the golf cart is considered the sale of a single article of tangible personal property in imposing tax under this Article if the battery charger is designed to recharge the golf cart and is sold to the purchaser of the golf cart when the golf cart is sold. (1985 (Reg. Sess., 1986), c. 901.)

§ 105-164.12B. Tangible personal property sold below cost with conditional contract.

(a) Conditional Contract Defined. – A conditional contract is a contract in which all of the following conditions are met:

- (1) A seller transfers an item of tangible personal property to a consumer on the condition that the consumer enter into an agreement to purchase services on an ongoing basis for a minimum period of at least six months.
- (2) The agreement requires the consumer to pay a cancellation fee to the seller if the consumer cancels the contract for services within the minimum period.
- (3) For the item transferred, the seller charges the consumer a price that, after any price reduction the seller gives the consumer, is below the purchase price the seller paid for the item. The seller's purchase price is presumed to be no greater than the price the seller paid, as shown on the seller's purchase invoice, for the same item within 12 months before the seller entered into the conditional contract.

(b) Tax. – If a seller transfers an item of tangible personal property as part of a conditional contract, a sale has occurred. § 105-164.13A. Service charges on food, beverages, or prepared food.

When a service charge is imposed on food, beverages, or prepared food, so much of the service charge that does not exceed twenty percent (20%) of the sales price is considered a tip and is specifically exempted from the tax imposed by this Article if it meets both of the following conditions:

- (1) Is separately stated in the price list, menu, or written proposal and also in the invoice or bill.
- (2) Is turned over to the personnel directly involved in the service of the food, beverages, or prepared food, in accordance with G.S. 95-25.6. (1979, c. 801, s. 76; 1979, 2nd Sess., c. 1101; 1999-438, s. 13; 2013-414, s. 11(b).)

§ 105-164.13B. Food exempt from tax.

(a) State Exemption. – Food is exempt from the taxes imposed by this Article unless the food is included in one of the subdivisions in this subsection. The following food items are subject to tax:

(1998-212, s. 29A.1(b); 2001-347, s. 2.13; 2001-489, s. 3(b); 2003-284, ss. 45.6, 45.6A, 45.6B; 2003-416, s. 22; 2005-276, s. 33.10; 2008-107, s. 28.19(a); 2009-445, s. 42; 2015-6, s. 2.21.)

§ 105-164.13E. Exemption for farmers.

(a) Exemption. – A qualifying farmer is a person who has an annual income from farming operations for the preceding taxable year of ten thousand dollars (\$10,000) or more or who has an average annual income from farming operations for the three preceding taxable years of ten thousand dollars (\$10,000) or more. For purposes of this section, the term "income from farming operations" means sales plus any other amounts treated as gross income under the Code from farming operations. A qualifying farmer includes a dairy operator, a poultry farmer, an egg producer, and a livestock farmer, a farmer of crops, a farmer of an aquatic species, as defined in

G.S. 106-758, and a person who boards horses. A qualifying farmer may apply to the Secretary for an exemption certificate number under G.S. 105-164.28A. The exemption certificate expires when a person fails to meet the income threshold for three consecutive taxable years or ceases to engage in farming operations, whichever comes first.

Except as otherwise provided in this section, the items exempt under this section must be purchased by a qualifying farmer or conditional farmer and used by the qualifying or conditional farmer primarily in farming operations. For purposes of this section, an item is used by a farmer for farming operations if it is used for the planting, cultivating, harvesting, or curing of farm crops, in the production of dairy products, eggs, or animals, or by a person who boards horses. The items that may be exempt from sales and use tax under this section are:

- (1) Fuel, piped natural gas, and electricity that are measured by a separate meter or another separate device and used for a purpose other than preparing food, heating dwellings, and other household purposes.
- (2) Commercial fertilizer, lime, land plaster, plastic mulch, plant bed covers, potting soil, baler twine, compost, and seeds.
- (3) Farm machinery, attachment and repair parts for farm machinery, and lubricants applied to farm machinery. The term "machinery" includes implements that have moving parts or are operated or drawn by an animal. The term does not include implements operated wholly by hand or motor vehicles required to be registered under Chapter 20 of the General Statutes.
- (4) A container used in the planting, cultivating, harvesting, or curing of farm crops or in the production of dairy products, eggs, or animals or used in packaging and transporting the farmer's product for sale.
- (5) A grain, feed, or soybean storage facility and parts and accessories attached to the facility.
- (6) Any of the following substances when purchased for use on animals or plants, as appropriate, held or produced for commercial purposes:
 - a. Remedies, vaccines, medications, litter materials, and feeds for animals.
 - b. Rodenticides, insecticides, herbicides, fungicides, and pesticides.
 - c. Defoliant for use on cotton or other crops.
 - d. Plant growth inhibitors, regulators, or stimulators, including systemic and contact or other sucker control agents for tobacco and other crops.
 - e. Semen.
- (7) Any of the following animals:
 - a. Fowl.
 - b. Livestock.
- (8) Any of the following items concerning the housing, raising, or feeding of animals:
 - a. A commercially manufactured facility to be used for commercial purposes for housing, raising, or feeding animals or for housing equipment necessary for these commercial activities. The exemption also applies to commercially manufactured equipment, and parts and accessories for the equipment, used in the facility.
 - b. Building materials, supplies, fixtures, and equipment that become a part of and are used in the construction, repair, or improvement of an enclosure or a structure specifically designed, constructed, and used for

housing, raising, or feeding animals or for housing equipment necessary for one of these commercial activities. The exemption also applies to commercially manufactured equipment, and parts and accessories for the equipment, used in the enclosure or a structure.

- (9) A bulk tobacco barn or rack, parts and accessories attached to the tobacco barn or rack, and any similar apparatus, part, or accessory used to cure or dry tobacco or another crop.

- (10) Repair, maintenance, and installation services.

(a1) Zoo Exemption. – A qualifying farmer or conditional farmer who operates a zoo in addition to the farmer's farming operations is allowed a sales and use tax exemption under this subsection for the items used in the farmer's zoo operations. The income derived from the farmer's zoo operations is not included for purposes of determining if the farmer meets the qualifications for a qualifying farmer under subsection (a) of this section or the qualifications for a conditional farmer under subsection (b) of this section. The items that may be exempt from sales and use tax are the items listed under subsection (a) of this section that are purchased by a qualifying farmer or conditional farmer and used by the farmer primarily in zoo operations. The provisions of subsections (c) and (c1) of this section apply to the exemption provided in this subsection. For purposes of this subsection, an item is used in a farmer's zoo operations if it is used for the housing, raising, or feeding of animals for public display.

(b) Conditional Exemption. – A person who does not meet the definition of a qualifying farmer in subsection (a) of this section may apply to the Department for a conditional exemption certificate under G.S. 105-164.28A. A person with a conditional exemption certificate is allowed to purchase items exempt from sales and use tax to the same extent as a qualifying farmer under subsection (a) of this section. To receive a conditional exemption certificate under this subsection, the person must certify that the person intends to engage in farming operations, as that term is described in subsection (a) of this section, and that the person will timely file State and federal income tax returns that reflect income and expenses incurred from farming operations during the taxable years that the conditional exemption certificate applies.

A conditional exemption certificate issued under this subsection is valid for the taxable year in which the certificate is issued and the following two taxable years, provided the person to whom the certificate is issued is engaged in farming and provides copies of applicable State and federal income tax returns to the Department within 90 days following the due date of an income tax return for each taxable year covered by the conditional exemption certificate, including an extension of the due date granted by the Secretary under G.S. 105-263. A conditional exemption certificate issued under this subsection may not be extended or renewed beyond the original three-year period; provided that a person may request a one-year extension of their conditional exemption certificate if the person satisfies all of the following conditions:

- (1) The person holds a conditional exemption certificate that is scheduled to expire within 30 days of an extension request.
- (2) The person suffers a weather-related disaster that prevents the person from becoming eligible for a qualifying exemption certificate.
- (3) The person provides the Department all of the following:
 - a. Documents showing that, but for the disaster, the person would have earned ten thousand dollars (\$10,000) or more in gross sales for the year in which the disaster occurred.
 - b. Documentation of revenues and expenses relating to the damaged crop.

- c. An affidavit from a county extension director or FSA county committee that the disaster occurred in the area of the county in which the person farms.

The Department may not issue a conditional exemption certificate to a person who has had a conditional exemption certificate issued under this subsection during the prior 15 taxable years.

A person who purchases items with a conditional exemption certificate must maintain documentation of the items purchased and copies of State and federal income tax returns that reflect activities from farming operations for the period of time covered by the conditional exemption certificate for three years following the expiration of the conditional exemption certificate. The Secretary may require a person who has a conditional exemption certificate to provide any other information requested by the Secretary to verify the person met the conditions of this subsection. A person who fails to provide the information requested by the Secretary in a timely manner or who fails to meet the requirements of this subsection becomes liable for any taxes for which an exemption under this subsection was claimed. The taxes become due and payable at the expiration of the conditional exemption certificate, and interest accrues from the date of the original purchase. Additionally, where the person does not timely provide the information requested by the Secretary, the misuse of exemption certificate penalty in G.S. 105-236(a)(5a) applies to each seller identified by the Department from which the person made a purchase.

(c) Contract with a Farmer. – A qualifying item listed in subdivisions (5), (8), and (9) of subsection (a) of this section purchased to fulfill a contract with a person who holds a qualifying farmer exemption certificate or a conditional farmer exemption certificate issued under G.S. 105-164.28A is exempt from sales and use tax to the same extent as if purchased directly by the person who holds the exemption certificate. A contractor that purchases one of the items allowed an exemption under this section must provide an exemption certificate to the retailer that includes the name of the qualifying farmer or conditional farmer exemption certificate holder and the qualifying farmer or conditional farmer exemption certificate number issued to that holder.

(c1) Services for Farmer. – A qualifying item listed in subdivision (6) of subsection (a) of this section purchased to fulfill a service for a person who holds a qualifying farmer exemption certificate or a conditional farmer exemption certificate issued under G.S. 105-164.28A is exempt from sales and use tax to the same extent as if purchased directly by the person who holds the exemption certificate. A person that purchases one of the items allowed an exemption under this subsection must provide an exemption certificate to the retailer that includes the name of the qualifying farmer or conditional farmer and the exemption number issued to the qualifying farmer or conditional farmer by the Department pursuant to G.S. 105-164.28A. A person that purchases an item exempt from tax pursuant to this subsection must maintain records to substantiate that an item is used to provide a service for a person who holds a qualifying farmer exemption certificate or a conditional farmer exemption certificate.

(d) Definition. – For purposes of this section, the term "taxable year" has the same meaning as defined in G.S. 105-153.3. (2013-316, s. 3.3(a); 2013-363, s. 11.4; 2014-3, s. 3.1(a); 2015-6, s. 2.13(a); 2016-5, s. 3.12(a); 2016-94, s. 38.5(j); 2017-108, s. 20(a); 2018-5, s. 38.5(k); 2019-6, s. 5.4; 2019-169, s. 3.3(l), (m); 2020-6, s. 1(a); 2021-180, s. 42.13C(a); 2022-45, s. 1(a); 2023-63, s. 1.4(a).)

The exemption certificate expires when the wildlife manager ceases to engage in wildlife management activities or when the land no longer qualifies for classification and taxation under G.S. 105-277.15. A person who no longer qualifies for an exemption certificate under this section must notify the Secretary within 30 days to cancel the exemption number.

The records must be maintained for at least three years. (2022-45, s. 2(a).)

§ 105-164.14. Certain refunds authorized.

(a) Interstate Carriers. – An interstate carrier is allowed a refund, in accordance with this section, of part of the sales and use taxes paid by it on the purchase in this State of railway cars and locomotives, and fuel, lubricants, repair parts, accessories, service contracts, and repair, maintenance, and installation services for a motor vehicle, railroad car, locomotive, or airplane the carrier operates. An "interstate carrier" is a person who is engaged in transporting persons or property in interstate commerce for compensation. The Secretary shall prescribe the periods of time, whether monthly, quarterly, semiannually, or otherwise, with respect to which refunds may be claimed, and shall prescribe the time within which, following these periods, an application for refund may be made.

An applicant for refund shall furnish the following information and any proof of the information required by the Secretary:

(1) A list identifying the railway cars, locomotives, fuel, lubricants, repair parts, accessories, service contracts, and repair, maintenance, and installation services purchased by the applicant inside or outside this State during the refund period.

- (2) The purchase price of the taxable tangible personal property and services listed in subdivision (1) of this subsection. For purposes of this subdivision, the term "taxable" is based on the imposition of tax on the tangible personal property and services in the State.
- (3) The sales and use taxes paid in this State on the listed items.
- (4) The number of miles the applicant's motor vehicles, railroad cars, locomotives, and airplanes were operated both inside and outside this State during the refund period. Airplane miles are not in this State if the airplane does not depart or land in this State.
- (5) Any other information required by the Secretary.

For each applicant, the Secretary shall compute the amount to be refunded as follows. First, the Secretary shall determine the mileage ratio. The numerator of the mileage ratio is the number of miles the applicant operated all motor vehicles, railroad cars, locomotives, and airplanes in this State during the refund period. The denominator of the mileage ratio is the number of miles the applicant operated all motor vehicles, railroad cars, locomotives, and airplanes both inside and outside this State during the refund period. Second, the Secretary shall determine the applicant's proportional liability for the refund period by multiplying this mileage ratio by the purchase price of the tangible personal property and services identified in subdivision (1) of this subsection and then multiplying the resulting product by the tax rate that would have applied to the items if they had all been purchased in this State. Third, the Secretary shall refund to each applicant the excess of the amount of sales and use taxes the applicant paid in this State during the refund period on these items over the applicant's proportional liability for the refund period.

(a1) Repealed by Session Laws 2010-166, s. 1.17, effective July 1, 2010.

(a2) Utility Companies. – A utility company is allowed a refund, in accordance with this section, of part of the sales and use taxes paid by it on the purchase in this State of railway cars and locomotives and accessories for a railway car or locomotive the utility company operates. The Secretary shall prescribe the periods of time, whether monthly, quarterly, semiannually, or otherwise, with respect to which refunds may be claimed and shall prescribe the time within which, following these periods, an application for refund may be made.

An applicant for refund shall furnish the following information and any proof of the information required by the Secretary:

- (1) A list identifying the railway cars, locomotives, and accessories purchased by the applicant inside or outside this State during the refund period.
- (2) The purchase price of the items listed in subdivision (1) of this subsection.
- (3) The sales and use taxes paid in this State on the listed items.
- (4) The number of miles the applicant's railway cars and locomotives were operated both inside and outside this State during the refund period.
- (5) Any other information required by the Secretary.

For each applicant, the Secretary shall compute the amount to be refunded as follows. First, the Secretary shall determine the ratio of the number of miles the applicant operated its railway cars and locomotives in this State during the refund period to the number of miles it operated them both inside and outside this State during the refund period. Second, the Secretary shall determine the applicant's proportional liability for the refund period by multiplying this mileage ratio by the purchase price of the items identified in subdivision (1) of this subsection and then multiplying the resulting product by the tax rate that would have applied to the items if they had all been purchased in this State. Third, the Secretary shall refund to each applicant the excess of the amount of sales

and use taxes the applicant paid in this State during the refund period on these items over the applicant's proportional liability for the refund period.

(b) Nonprofit Entities and Hospital Drugs. – A nonprofit entity is allowed a semiannual refund of sales and use taxes paid by it under this Article on direct purchases of items for use in carrying on the work of the nonprofit entity. Sales and use tax liability indirectly incurred by a nonprofit entity through reimbursement to an authorized person of the entity for the purchase of tangible personal property and services for use in carrying on the work of the nonprofit entity is considered a direct purchase by the entity. Sales and use tax liability indirectly incurred by a nonprofit entity on building materials, supplies, fixtures, and equipment that become a part of or annexed to any building or structure that is owned or leased by the nonprofit entity and is being erected, altered, or repaired for use by the nonprofit entity for carrying on its nonprofit activities is considered a sales or use tax liability incurred on direct purchases by the nonprofit entity. The refund allowed under this subsection does not apply to purchases of electricity, telecommunications service, ancillary service, piped natural gas, video programming, or a prepaid meal plan. A request for a refund must be in writing and must include any information and documentation required by the Secretary. § 105-164.16A. Reporting option for prepaid meal plans.

This section provides a retailer that offers a prepaid meal plan subject to the tax imposed by G.S. 105-164.4 with an option concerning the method by which the sales tax will be remitted to the Secretary and a return filed under G.S. 105-164.16. When the retailer enters into an agreement with a food service contractor by which the food service contractor agrees to provide food or prepared food under a prepaid meal plan, and the food service contractor with whom the retailer contracts is also a retailer under this Article, the retailer may include in the agreement that the food service contractor is liable for reporting and remitting the sales tax due on the gross receipts derived from the prepaid meal plan on behalf of the retailer. The agreement must provide that the tax applies to the allocated sales price of the prepaid meal plan paid by or on behalf of the person entitled to the food or prepaid food under the plan and not the amount charged by the food service contractor to the retailer under the agreement for the food and prepared food for the person.

A retailer who elects this option must report to the food service contractor with whom it has an agreement the gross receipts a person pays to the retailer for a prepaid meal plan. The retailer must report the gross receipts on an accrual basis of accounting, as required under G.S. 105-164.20. The retailer must send the food service contractor the tax due on the gross receipts derived from a prepaid meal plan. Tax payments received by a food service contractor from a retailer are held in trust by the food service contractor for remittance to the Secretary. A food service contractor that receives a tax payment from a retailer must remit the amount received to the Secretary. A food service contractor is not liable for tax due but not received from a retailer. A retailer that does not send the food service contractor the tax due on the gross receipts derived from a prepaid meal plan is liable for the amount of tax the retailer fails to send to the food service contractor. (2014-3, s. 4.1(f); 2015-6, s. 2.14(a).)

§§ 105-164.17 through 105-164.18: Repealed by Session Laws 1993, c. 450, ss. 8, 9.

§ 105-164.19. Extension of time for making returns and payment.

The Secretary for good cause may extend the time for filing any return under the provisions of this Article and may grant additional time within which to file the return and pay the tax due pursuant to G.S. 105-263(b). (1957, c. 1340, s. 5; 1973, c. 476, s. 193; 1977, c. 1114, s. 10; 1985, c. 656, s. 30; 2007-491, s. 44(1)a; 2013-414, s. 1(f); 2018-5, s. 38.5(n).)

§ 105-164.20. Cash or accrual basis of reporting.

(a) **Basis Selected.** – Except as provided in subsection (b) of this section, a retailer may report sales on either the cash or accrual basis of accounting upon making application to the Secretary for permission to use the basis selected. Permission granted by the Secretary to report on a selected basis continues in effect until revoked by the Secretary or the taxpayer receives permission from the Secretary to change the basis selected.

(b) **Accrual Basis.** – For purposes of reporting and remitting sales tax under this Article, a retailer listed in this subsection must report the gross receipts it derives from the taxable transaction listed in this subsection on an accrual basis of accounting. The following retailers must report gross receipts as provided in this subsection:

- (1) A retailer who sells electricity, piped natural gas, or telecommunications service. A sale of electricity, piped natural gas, or telecommunications service is considered to accrue when the retailer bills its customer for the sale.
- (2) A retailer who derives gross receipts from a prepaid meal plan, notwithstanding that the retailer may report tax on the cash basis for other sales at retail and notwithstanding that the revenue has not been recognized for accounting purposes.
- (3) A retailer who sells or derives gross receipts from a service contract, as provided in G.S. 105-164.4I(d). (1957, c. 1340, s. 5; 1973, c. 476, s. 193; 1983 (Reg. Sess., 1984), c. 1097, s. 15; 1998-22, s. 7; 2001-430, s. 8; 2015-6, s. 2.14(b).)

§ 105-164.21. Repealed by Session Laws 1987, c. 622, s. 10.

§ 105-164.21A: Repealed by Session Laws 2013-316, s. 4.1(a), effective July 1, 2014, and applicable to gross receipts billed on or after that date.

§ 105-164.21B: Repealed by Session Laws 2006-151, s. 9, effective January 1, 2007.

Part 5. Records Required to Be Kept.

§ 105-164.22. Record-keeping requirements, inspection authority, and effect of failure to keep records.

(a) **Record Keeping Generally.** – Retailers, wholesale merchants, facilitators, real property contractors, and consumers must keep records that establish their tax liability under this Article. The Secretary or a person designated by the Secretary may inspect these records at any reasonable time during the day.

(b) **Retailers.** – A retailer's records must include records of the retailer's gross income, gross sales, net taxable sales, all items purchased for resale, and any reports or records related to transactions with a facilitator with whom it has a contract as provided in this Article. Failure of a retailer to keep records that establish a sale is exempt under this Article subjects the retailer to liability for tax on the sale.

(c) **Wholesale Merchants.** – A wholesale merchant's records must include a bill of sale for each customer that contains the name and address of the purchaser, the date of the purchase, the item purchased, and the sales price of the item. A wholesale merchant must also keep records that establish a sale is exempt from tax and any reports or records related to transactions with a

facilitator with whom it has a contract as provided in this Article. Failure of a wholesale merchant to keep records that establish a sale is exempt from tax under this Article subjects the wholesale merchant to liability for tax at the rate that applies to the retail sale of the item.

(d) Facilitators. – A facilitator's records must include records of the facilitator's gross income, gross sales, net taxable sales, all items purchased for resale, any reports or records related to transactions with a retailer with whom it has a contract as provided in this Article, and any other records that establish its tax liability. Failure of a facilitator to keep records that establish a sale is exempt from tax under this Article subjects the facilitator to liability for tax on the sale.

(e) Real Property Contractors. – A real property contractor's records must include substantiation that a transaction is a real property contract or a mixed transaction contract pursuant to G.S. 105-164.4H(a1). Failure of a real property contractor to keep records that establish a real property contract under this Article subjects the real property contractor to liability for tax on the sale.

(f) Consumers. – A consumer's records must include an invoice or other statement of the purchase price of an item the consumer purchased from inside or outside the State and any sales and use tax paid thereon. Failure of the consumer to keep these records subjects the consumer to liability for tax on the purchase price of the item, as determined by the Secretary. (1957, c. 1340, s. 5; 1973, c. 476, s. 193; 1998-98, s. 51; 2009-451, s. 27A.3(n); 2016-5, s. 3.15; 2018-5, s. 38.5(t); 2019-246, s. 4(l).)

§ 105-164.23: Repealed by Session Laws 2009-451, s. 27A.3(o), effective August 7, 2009.

§ 105-164.24: Repealed by Session Laws 2009-451, s. 27A.3(o), effective August 7, 2009.

§ 105-164.25: Repealed by Session Laws 2009-451, s. 27A.3(o), effective August 7, 2009.

§ 105-164.26. Presumption that sales are taxable.

For the purpose of the proper administration of this Article and to prevent evasion of the retail sales tax, the following presumptions apply:

- (1) That all gross receipts of wholesale merchants and retailers are subject to the retail sales tax until the contrary is established by proper records as required in this Article.
- (2) That tangible personal property sold by a person for delivery in this State is sold for storage, use, or other consumption in this State.
- (3) That tangible personal property delivered outside this State and brought to this State by the purchaser is for storage, use, or consumption in this State.
- (4) That certain digital property sold for delivery or access in this State is sold for storage, use, or consumption in this State.
- (5) That a service purchased for receipt in this State is purchased for storage, use, or consumption in this State. (1957, c. 1340, s. 5; 1998-98, s. 108; 2009-451, s. 27A.3(p); 2019-169, s. 3.3(q).)

§ 105-164.27. Repealed by Session Laws 1961, c. 826, s. 2.

§ 105-164.27A. Direct pay permit.

(a) General. – A general direct pay permit authorizes its holder to purchase certain items without paying tax to the seller and authorizes the seller to not collect any tax on a sale to the permit holder. A general direct pay permit may not be used for purposes identified in subsections (a1), (a2), (a3), or (b) of this section. A person who purchases an item under a direct pay permit issued under this subsection is liable for use tax due on the purchase. The tax is payable when the property is placed in use or the service is received. A direct pay permit issued under this subsection does not apply to taxes imposed under G.S. 105-164.4 on sales of electricity, piped natural gas, video programming, spirituous liquor, or the gross receipts derived from rentals of accommodations.

A person who purchases an item for storage, use, or consumption in this State whose tax status cannot be determined at the time of the purchase because of one of the reasons listed below may apply to the Secretary for a general direct pay permit:

- (1) The place of business where the item will be stored, used, or consumed in the State is not known at the time of the purchase and a different tax consequence applies depending on where the item is used in the State.
- (2) The manner in which the item will be stored, used, or consumed in the State is not known at the time of the purchase and one or more of the potential uses is taxable but others are not taxable in the State.

(a1) Direct Mail. – A person who purchases direct mail may apply to the Secretary for a direct pay permit for the purchase of direct mail. A direct pay permit issued for direct mail does not apply to any purchase other than the purchase of direct mail. A person who purchases direct mail under a direct pay permit must file a return and pay the tax due monthly or quarterly to the Secretary.

(a2) Qualified Jet Engine. – A person who purchases a qualified jet engine may apply to the Secretary for a direct pay permit for the purchase of a qualified jet engine. A direct pay permit issued for a qualified jet engine does not apply to any purchase other than the purchase of a qualified jet engine. The maximum use tax on a qualified jet engine is two thousand five hundred dollars (\$2,500). A person who purchases a qualified jet engine under a direct pay permit must file a return and pay the tax due monthly to the Secretary.

(a3) Boat and Aircraft. – A direct pay permit issued under this subsection authorizes its holder to purchase tangible personal property, certain digital property, or repair, maintenance, and installation services for a boat, an aircraft, or a qualified jet engine without paying tax to the seller and authorizes the seller to not collect any tax on the purchased items from the permit holder. A person who purchases the tangible personal property, certain digital property, or repair, maintenance, and installation services under a direct pay permit must file a return and pay the tax due to the Secretary in accordance with G.S. 105-164.16. A permit holder is allowed a use tax exemption on one or more of the following: (i) the installation charges that are a part of the sales price of tangible personal property or certain digital property purchased by the permit holder for a boat, an aircraft, or a qualified jet engine, provided the installation charges are separately stated and identified as such on the invoice or other documentation given to the permit holder at the time of the sale and (ii) the sales price of or gross receipts derived from repair, maintenance, and installation services provided for a boat or an aircraft.

In lieu of purchasing under a direct pay permit pursuant to this subsection, a purchaser may elect to have the seller collect and remit the tax due on behalf of the purchaser. Where the purchaser elects for the seller to collect and remit the tax, an invoice given to the purchaser bearing the proper amount of tax on a retail transaction extinguishes the purchaser's liability for the tax on the transaction. Where a seller cannot or does not separately state installation charges that are a part of

the sales price of tangible personal property or certain digital property for a boat, an aircraft, or a qualified jet engine on the invoice or other documentation given to the purchaser at the time of the sale, tax is due on the total purchase price.

The amount of the use tax exemption is the amount of the installation charges and the sales price of or gross receipts derived from the repair, maintenance, and installation services that exceed twenty-five thousand dollars (\$25,000).

(b) Telecommunications Service. – A direct pay permit for telecommunications service authorizes its holder to purchase telecommunications service and ancillary service without paying tax to the seller and authorizes the seller to not collect any tax on a sale to the permit holder. A person who purchases these services under a direct pay permit must file a return and pay the tax due monthly or quarterly to the Secretary. A direct pay permit issued under this subsection does not apply to any tax other than the tax on telecommunications service and ancillary service.

A call center that purchases telecommunications service that originates outside this State and terminates in this State may apply to the Secretary for a direct pay permit for telecommunications service and ancillary service. A call center is a business that is primarily engaged in providing support services to customers by telephone to support products or services of the business. A business is primarily engaged in providing support services by telephone if at least sixty percent (60%) of its calls are incoming.

(c) Application. – An application for a direct pay permit must be made on a form provided by the Secretary and contain the information required by the Secretary. The Secretary may grant the application if the Secretary finds that the applicant complies with the sales and use tax laws and that the applicant's compliance burden will be greatly reduced by use of the permit.

(d) Revocation. – A direct pay permit is valid until the holder returns it to the Secretary or the Secretary revokes it. The Secretary may revoke a direct pay permit if the holder of the permit does not file a sales and use tax return on time, does not pay sales and use tax on time, or otherwise fails to comply with the sales and use tax laws. (2000-120, s. 1; 2001-414, s. 20; 2001-430, s. 9; 2002-72, s. 18; 2003-284, s. 45.9; 2003-416, s. 16(b); 2006-33, s. 7; 2009-451, s. 27A.3(q); 2012-79, s. 2.12; 2013-414, s. 13; 2015-259, s. 4.2(e); 2016-94, s. 38.5(m); 2017-204, s. 2.11(a); 2018-5, s. 38.5(o); 2019-6, s. 5.5; 2019-169, s. 3.3(r).)

§ 105-164.28. Certificate of exemption.

(a) Relief From Liability. – Except as provided in subsection (b) of this section, a seller is not liable for the tax otherwise applicable if the Secretary determines that a purchaser improperly claimed an exemption, or if the seller within 90 days of the sale meets the following requirements:

- (1) For a sale made in person, the seller obtains a certificate of exemption or a blanket certificate of exemption from a purchaser with which the seller has a recurring business relationship. If the purchaser provides a paper certificate, the certificate must be signed by the purchaser and state the purchaser's name, address, certificate of registration number, reason for exemption, and type of business. For purposes of this subdivision, a certificate received by fax is a paper certificate. If the purchaser does not provide a paper certificate, the seller must obtain and maintain the same information required had a certificate been provided by the purchaser.
- (2) Repealed by Session Laws 2013-414, s. 43(a), effective August 23, 2013.
- (3) For a sale made over the Internet or by other remote means, the seller obtains the purchaser's name, address, certificate of registration number, reason for

exemption, and type of business and maintains this information in a retrievable format in its records. If a certificate of exemption is provided electronically for a remote sale, the requirements of subdivision (1) of this subsection apply except the electronic certificate is not required to be signed by the purchaser.

- (4) In the case of drop shipment sales, a third-party vendor obtains a certificate of exemption provided by its customer or any other acceptable information evidencing qualification for a resale exemption, regardless of whether the customer is registered to collect and remit sales and use tax in the State.

(b) **Substantiation Request.** – If the Secretary determines that a certificate of exemption or the required data elements obtained by the seller are incomplete, the Secretary may request substantiation from the seller. A seller is not required to verify that a certificate of registration number provided by a purchaser is correct. If a seller does one of the following within 120 days after a request for substantiation by the Secretary, the seller is not liable for the tax otherwise applicable:

- (1) Obtains a fully completed certificate of exemption from the purchaser provided in good faith. The certificate is provided in good faith if it claims an exemption that meets all of the following conditions:
 - a. It was statutorily available in this State on the date of the transaction.
 - b. It could be applicable to the item being purchased.
 - c. It is reasonable for the purchaser's type of business.
- (2) Obtains other information to establish the transaction was not subject to tax.

(c) **Fraud.** – The relief from liability under this section does not apply to a seller who does any of the following:

- (1) Fraudulently fails to collect tax.
- (2) Solicits purchasers to participate in the unlawful claim of an exemption.
- (3) Accepts an exemption certificate when the purchaser claims an entity-based exemption when the subject of the transaction sought to be covered by the exemption certificate is received by the purchaser at a location operated by the seller, and the claimed exemption is not available in this State.
- (4) Had knowledge or had reason to know at the time information was provided relating to the exemption claimed that the information was materially false.
- (5) Knowingly participated in activity intended to purposefully evade tax properly due on the transaction.

(d) **Purchaser's Liability.** – A purchaser who does not resell an item purchased under a certificate of exemption is liable for any tax subsequently determined to be due on the sale.

(e) **Renewal of Information.** – The Secretary may not require a seller to renew a blanket certificate of exemption or to update exemption certificate information or data elements when there is a recurring business relationship between the buyer and seller. For purposes of this section, a recurring business relationship exists when a period of no more than 12 months elapse between sales transactions. (1957, c. 1340, s. 5; 1973, c. 476, s. 193; 1991 (Reg. Sess., 1992), c. 914, s. 1; 2000-120, s. 6; 2005-276, s. 33.15; 2009-451, s. 27A.3(r); 2011-330, s. 28; 2013-414, s. 43(a).)

§ 105-164.28A. Other exemption certificates.

(a) **Authorization.** – The Secretary may require a person who purchases an item that is exempt from tax to obtain an exemption certificate from the Department to receive the exemption. The Department must issue a use-based exemption number to a person who qualifies for the

exemption. A person who no longer qualifies for a use-based exemption number must notify the Secretary within 30 days to cancel the number.

An exemption certificate issued by the purchaser authorizes a retailer to sell an item to the holder of the certificate and not collect tax on the sale. A person who no longer qualifies for an exemption certificate must give notice to each seller that may rely on the exemption certificate on or before the next purchase. A person who purchases an item under an exemption certificate is liable for any tax due on the purchase if the Department determines that the person is not eligible for the exemption certificate or if the person purchased items that do not qualify for an exemption under the exemption certificate. The liability is relieved when the seller obtains the purchaser's name, address, type of business, reason for exemption, and exemption number in lieu of obtaining an exemption certificate.

(b) Scope. – This section does not apply to a direct pay permit or a certificate of exemption. G.S. 105-164.27A addresses a direct pay permit, and G.S. 105-164.28 addresses a certificate of exemption.

(c) Administration. – This section shall be administered in accordance with G.S. 105-164.28. Additionally, the provisions of this section may also apply to a conditional exemption certificate issued to a person in accordance with G.S. 105-164.13E. (2002-184, s. 12; 2009-451, s. 27A.3(s); 2013-414, s. 43(b); 2014-3, s. 3.1(b); 2019-6, s. 5.6.)

§ 105-164.29. Application for certificate of registration by wholesale merchants, retailers, and facilitators.

(a) Requirement and Application. – Before a person may engage in business as a retailer or a wholesale merchant or when a facilitator is liable for tax under this Article, the person must obtain a certificate of registration. To obtain a certificate of registration, a person must register with the Department. A person who has more than one business is required to obtain only one certificate of registration for each legal entity to cover all operations of each business throughout the State. An application for registration must be signed as follows:

- (1) By the owner, if the owner is an individual.
- (2) By a manager, member, or company official, if the owner is a limited liability company.
- (2a) By a manager, member, or partner, if the owner is a partnership.
- (3) By an executive officer or some other person specifically authorized by the corporation to sign the application, if the owner is a corporation. If the application is signed by a person authorized to do so by the corporation, written evidence of the person's authority must be attached to the application.

(b) Issuance. – A certificate of registration is not assignable and is valid only for the person in whose name it is issued. A copy of the certificate of registration must be displayed at each place of business.

(c) Term. – A certificate of registration is valid unless it is revoked for failure to comply with the provisions of this Article or becomes void. A certificate issued to a person who makes taxable sales or a person liable for tax under this Article becomes void if, for a period of 18 months, the person files no returns or files returns showing no sales. A certificate of registration issued to a seller that contracts with a certified service provider pursuant to G.S. 105-164.42I and that is a model one seller as defined in the Streamlined Agreement does not become void if the certified service provider files returns for the seller showing no sales for a period for which a certificate could become void under this subsection.

(d) Revocation. – The failure of a wholesale merchant or retailer to comply with this Article or G.S. 14-401.18 or the failure of a facilitator to comply with this Article is grounds for revocation of the person's certificate of registration. Before the Secretary revokes a person's certificate of registration, the Secretary must notify the person that the Secretary proposes to revoke the certificate of registration and that the proposed revocation will become final unless the person objects to the proposed revocation and files a request for a Departmental review within the time set in G.S. 105-241.11 for requesting a Departmental review of a proposed assessment. The notice must be sent in accordance with the methods authorized in G.S. 105-241.20. The procedures in Article 9 of this Chapter for review of a proposed assessment apply to the review of a proposed revocation.

(e) Definition. – For purposes of this section, the term "person" means a wholesale merchant, a retailer, or a facilitator. (1957, c. 1340, s. 5; 1973, c. 476, s. 193; 1979, 2nd Sess., c. 1084; 1991, c. 690, s. 5; 1993, c. 354, s. 17; c. 539, s. 705; 1994, Ex. Sess., c. 24, s. 14(c); 1999-333, s. 8; 2000-140, s. 67(b); 2007-491, s. 19; 2009-451, s. 27A.3(t); 2014-3, s. 14.9(b); 2015-6, s. 2.15; 2017-39, s. 8.)

§ 105-164.29A. State government exemption process.

(a) Application. – To be eligible for the exemption provided in G.S. 105-164.13(52), a State agency must obtain from the Department a sales tax exemption number. The application for exemption must be in the form required by the Secretary, be signed by the State agency's head, and contain any information required by the Secretary. The Secretary must assign a sales tax exemption number to a State agency that submits a proper application. This section does not apply to any of the following State agencies:

- (1) An occupational licensing board, as defined in G.S. 93B-1.
- (2) An entity listed in G.S. 105-164.14(c).

(b) Liability. – A State agency that does not use the items purchased with its exemption number must pay the tax that should have been paid on the items purchased, plus interest calculated from the date the tax would otherwise have been paid. (2003-431, s. 4; 2004-170, s. 22; 2016-5, s. 3.22(a).)

§ 105-164.29B. Information to counties and cities.

The Secretary must give information on refunds of tax made under this Article to a designated county or city official within 30 days after the official makes a written request to the Secretary for the information. For a request made by a county official, the Secretary must give the official a list of each claimant that received a refund in the past 12 months of at least one thousand dollars (\$1,000) of tax paid to the county. For a request made by a city official, the Secretary must give the official a list of each claimant that received a refund in the past 12 months of at least one thousand dollars (\$1,000) of tax paid to all the counties in which the city is located. The list must include the name and address of each of these claimants and the amount of the refund received from each county covered by the request.

A claimant that has received a refund under this Article of tax paid to a county must give information on the refund to a designated official of the county or a city located in the county. The claimant must give the information to the county or city official within 30 days after the official makes a written request to the claimant for the information. For a request by a county or city official, the claimant must give the official a copy of the request for the refund and any supporting documentation requested by the official to verify the request. If a claimant determines that a refund

it has received under this Article is incorrect, the claimant must file an amended request for a refund.

For purposes of this section, a designated county official is the chair of the board of county commissioners or a county official designated in a resolution adopted by the Board, and a designated city official is the mayor of the city or a city official designated in a resolution adopted by the city's governing board. Information given to a county or city official under this section is not a public record and may not be disclosed except as provided in G.S. 153A-148.1 or G.S. 160A-208.1. (2010-166, s. 1.20.)

Part 6. Examination of Records.

§ 105-164.30. Secretary or agent may examine books, etc.

For the purpose of enforcing the collection of the tax levied by this Article, the Secretary or his duly authorized agent is authorized to examine at all reasonable hours during the day the books, papers, records, documents or other data of all retailers or wholesale merchants bearing upon the correctness of any return or for the purpose of filing a return where none has been made as required by this Article, and may require the attendance of any person and take his testimony with respect to any such matter, with power to administer oaths to such person or persons. If any person summoned as a witness fails to obey any summons to appear before the Secretary or his authorized agent, or refuses to testify or answer any material question or to produce any book, record, paper, or other data when required to do so, the Secretary or his authorized agent shall report the failure or refusal to the Attorney General or the district solicitor, who shall thereupon institute proceedings in the superior court of the county where the witness resides to compel obedience to any summons of the Secretary or his authorized agent. Officers who serve summonses or subpoenas, and witnesses attending, shall receive like compensation as officers and witnesses in the superior courts, to be paid from the proper appropriation for the administration of this Article.

In the event any retailer or wholesale merchant fails or refuses to permit the Secretary or his authorized agent to examine his books, papers, accounts, records, documents or other data, the Secretary may require the retailer or wholesale merchant to show cause before the superior court of the county in which said taxpayer resides or has its principal place of business as to why the books, records, papers, documents, or data should not be examined and the superior court shall have jurisdiction to enter an order requiring the production of all necessary books, records, papers, documents, or data and to punish for contempt any person who violates the order. (1957, c. 1340, s. 5; 1973, c. 476, s. 193; 1998-98, s. 52; 2013-414, s. 1(g); 2016-5, s. 3.16.)

§ 105-164.31: Repealed by Session Laws 2009-451, s. 27A.3(o), effective August 7, 2009.

§ 105-164.32. Incorrect returns; estimate.

If a retailer, a wholesale merchant, a facilitator, or a consumer fails to file a return and pay the tax due under this Article or files a grossly incorrect or false or fraudulent return, the Secretary must estimate the tax due and assess the retailer, the wholesale merchant, the facilitator, or the consumer based on the estimate. (1957, c. 1340, s. 5; 1973, c. 476, s. 193; 2001-414, s. 21; 2009-451, s. 27A.3(u); 2018-5, s. 38.5(p).)

Part 7. Failure to Make Returns; Overpayments.

§§ 105-164.33 through 105-164.34: Repealed by Session Laws 1963, c. 1169, s. 3.

§ 105-164.35: Repealed by Session Laws 2013-414, s. 14, effective August 23, 2013.

§ 105-164.36. Repealed by Session Laws 1959, c. 1259, s. 9.

§ 105-164.37. Bankruptcy, receivership, etc.

If any taxpayer subject to the provisions of this Article goes into bankruptcy, receivership or turns over his stock of merchandise by voluntary transfer to creditors, the tax liability under this Article shall constitute a prior lien upon such stock of merchandise and shall become subject to levy under execution and it shall be the duty of the transferee in any such case to retain the amount of the tax due from the first sales of such stock of merchandise and pay the same to the Secretary. (1957, c. 1340, s. 5; 1973, c. 476, s. 193.)

§ 105-164.38. Tax is a lien.

(a) The tax imposed by this Article is a lien upon all personal property of any person who is required by this Article to obtain a certificate of registration to engage in business and who stops engaging in the business by transferring the business, transferring the stock of goods of the business, or going out of business. A person who stops engaging in business must file the return required by this Article within 30 days after transferring the business, transferring the stock of goods of the business, or going out of business.

(b) Any person to whom the business or the stock of goods was transferred must withhold from the consideration paid for the business or stock of goods an amount sufficient to cover the taxes due until the person selling the business or stock of goods produces a statement from the Secretary showing that the taxes have been paid or that no taxes are due. If the person who buys a business or stock of goods fails to withhold an amount sufficient to cover the taxes and the taxes remain unpaid after the 30-day period allowed, the buyer is personally liable for the unpaid taxes to the extent of the greater of the following:

- (1) The consideration paid by the buyer for the business or the stock of goods.
- (2) The fair market value of the business or the stock of goods.

(c) Assessment. – The period of limitations for assessing liability against the buyer of a business or the stock of goods of a business and for enforcing the lien against the property expires one year after the end of the period of limitations for assessment against the person who sold the business or the stock of goods. Except as otherwise provided in this section, the assessment procedures in Article 9 of this Chapter apply to a person who buys a business or the stock of goods of a business to the same extent as if the person had incurred the original tax liability. (1957, c. 1340, s. 5; 1963, c. 1169, s. 3; 1973, c. 476, s. 193; 1991, c. 690, s. 6; 1991 (Reg. Sess., 1992), c. 949, s. 2; 2000-140, s. 67(c); 2007-491, s. 20.)

§ 105-164.39. Attachment.

In the event any retailer or wholesale merchant is delinquent in the payment of the tax herein provided for, the Secretary may give notice of the amount of such delinquency by registered mail to all persons having in their possession or under their control any credits or other personal property belonging to such retailer or wholesale merchant or owing any debts to such taxpayer at the time of the receipt by them of such notice and thereafter any person so notified shall neither transfer nor make any other disposition of such credits, other personal property or debts until the Secretary shall have consented to a transfer or disposition or until 30 days shall have elapsed from and after the receipt of such notice. All persons so notified must within five days after receipt of such notice

advise the Secretary of any and all such credits, other personal property or debts in their possession, under their control or owing by them as the case may be. The remedy provided by this section shall be cumulative and optional and in addition to all other remedies now provided by law for the collection of taxes due the State. (1957, c. 1340, s. 5; 1973, c. 476, s. 193.)

§ 105-164.40. Jeopardy assessment.

If the Secretary is of the opinion that the collection of any tax or any amount of tax required to be collected and paid to the State under this Article will be jeopardized by delay, he shall make an assessment of the tax or amount of tax required to be collected and shall mail or issue a notice of such assessment to the taxpayer together with a demand for immediate payment of the tax or of the deficiency in tax declared to be in jeopardy including interest and penalties. In the case of a tax for a current period, the Secretary may declare the taxable period of the taxpayer immediately terminated and shall cause notice of such finding and declaration to be mailed or issued to the taxpayer together with a demand for immediate payment of the tax based on the period declared terminated and such tax shall be immediately due and payable, whether or not the time otherwise allowed by law for filing a return and paying the tax has expired. Assessments provided for in this section shall be immediately due and payable and proceedings for the collection shall commence at once and if any such tax, penalty or interest is not paid upon demand of the Secretary, he shall forthwith cause a levy to be made on the property of the taxpayer or, in his discretion the Secretary may require the taxpayer to file such indemnity bond as in his judgment may be sufficient to protect the interest of the State. (1957, c. 1340, s. 5; 1973, c. 476, s. 193.)

- (9) Use tax. – The tax levied in G.S. 105-164.6. (2001-347, s. 1.3; 2005-276, ss. 33.16, 33.31; 2022-13, s. 3.3.)

§ 105-164.42C. Authority to enter Agreement.

The Secretary is authorized to enter into the Agreement with one or more states to simplify and modernize sales and use tax administration in order to substantially reduce the burden of tax compliance for all sellers and for all types of commerce. The Secretary may act jointly with other member states to establish standards for certification of a certified service provider and a certified automated system and to establish performance standards for multistate sellers.

The Secretary is authorized to represent this State before the other member states. The Secretary may take any other actions reasonably required to implement this Part, including the joint procurement with other member states of goods and services in furtherance of the Agreement. (2001-347, s. 1.3; 2005-276, s. 33.31.)

§ 105-164.42D. Relationship to North Carolina law.

No provision of the Agreement authorized by this Part invalidates or amends any provision of the law of this State. Adoption of the Agreement by this State does not amend or modify any law of this State. Implementation of a condition of the Agreement in this State must be made pursuant to an act of the General Assembly. (2001-347, s. 1.3; 2005-276, s. 33.31.)

§ 105-164.42E. Agreement requirements.

The Secretary may not enter into the Agreement unless the Agreement requires each state to abide by the following requirements:

- (1) Uniform state rate. – The Agreement must set restrictions to achieve more uniform state rates through the following:
 - a. Limiting the number of state rates.
 - b. Limiting maximums on the amount of state tax that is due on a transaction.
 - c. Limiting thresholds on the application of a state tax.
- (2) Uniform standards. – The Agreement must establish uniform standards for all of the following:
 - a. The sourcing of transactions to taxing jurisdictions.
 - b. The administration of exempt sales.
 - c. The allowances a seller can take for bad debts.
 - d. Sales and use tax returns and remittances.
- (3) Uniform definitions. – The Agreement must require states to develop and adopt uniform definitions of sales and use tax terms. The definitions must enable a state to preserve its ability to make policy choices not inconsistent with the uniform definitions.
- (4) Central registration. – The Agreement must provide a central, electronic registration system that allows a seller to register to collect and remit sales and use taxes for all signatory states.

- (5) No nexus attribution. – The Agreement must provide that registration with the central registration system and the collection of sales and use taxes in the signatory states will not be used as a factor in determining whether the seller has nexus with a state for any tax.
- (6) Local sales and use taxes. – The Agreement must provide for reduction of the burdens of complying with local sales and use taxes through one or more of the following:
 - a. Restricting variances between the state and local tax bases.
 - b. Requiring states to administer any sales and use taxes levied by local jurisdictions within the state so that sellers collecting and remitting these taxes will not have to register or file returns with, remit funds to, or be subject to independent audits from local taxing jurisdictions.
 - c. Restricting the frequency of changes in the local sales and use tax rates and setting effective dates for the application of local jurisdictional boundary changes to local sales and use taxes.
 - d. Providing notice of changes in local sales and use tax rates and of changes in the boundaries of local taxing jurisdictions.
- (7) Monetary allowances. – The Agreement must outline any monetary allowances that are to be provided by the states to sellers or certified service providers.
- (8) State compliance. – The Agreement must require each state to certify compliance with the terms of the Agreement before becoming a member and to maintain compliance, under the laws of the member state, with all provisions of the Agreement while a member.
- (9) Consumer privacy. – The Agreement must require each state to adopt a uniform policy for certified service providers that protects the privacy of consumers and maintains the confidentiality of tax information. (2001-347, s. 1.3; 2005-276, s. 33.31.)

§ 105-164.42F. Cooperating sovereigns.

The Agreement authorized by this Part is an accord among individual cooperating sovereigns in furtherance of their governmental functions. The Agreement provides a mechanism among the member states to establish and maintain a cooperative, simplified system for the application and administration of sales and use taxes under the laws of each member state. (2001-347, s. 1.3; 2005-276, s. 33.31.)

§ 105-164.42G. Effect of Agreement.

Entry of this State into the Agreement does not create a cause of action or a defense to an action. No person may challenge any action or inaction by a department, agency, or other instrumentality of this State, or a political subdivision of this State, on the ground that the action or inaction is inconsistent with the Agreement. No law of this State, or its application, may be declared invalid on the ground that the provision or application is inconsistent with the Agreement. (2001-347, s. 1.3; 2005-276, s. 33.31.)

§ 105-164.42H. Certification of certified automated system and effect of certification.

(a) Certification. – The Secretary may certify a software program as a certified automated system if the Secretary determines that the program correctly determines all of the following and that the software can generate reports and returns required by the Secretary:

- (1) The applicable combined State and local sales and use tax rate for a sale, based on the sourcing principles in G.S. 105-164.4B.
- (2) Whether or not an item is exempt from tax, based on a uniform product code or another method.
- (3) Repealed by Session Laws 2006-33, s. 12, effective June 1, 2006.
- (4) The amount of tax to be remitted for each taxpayer for a reporting period.
- (5) Any other issue necessary for the application or calculation of sales and use tax due.

(b) Liability. – A seller may choose to use a certified automated system in performing its sales tax administration functions. A seller that uses a certified automated system is liable for sales and use taxes due on transactions it processes using the certified automated system except for underpayments of tax attributable to errors in the functioning of the system. A person that provides a certified automated system is responsible for the proper functioning of that system and is liable for underpayments of tax attributable to errors in the functioning of the system. (2000-120, s. 2; 2001-347, ss. 1.1, 1.3; 2005-276, s. 33.31; 2006-33, s. 12.)

§ 105-164.42I. Contract with certified service provider and effect of contract.

(a) Certification. – The Secretary may certify an entity as a certified service provider if the entity meets all of the following requirements:

- (1) The entity uses a certified automated system.
- (2) The entity has agreed to update its program upon notification by the Secretary.
- (3) The entity integrates its certified automated system with the system of a seller for whom the entity collects tax so that the tax due on a sale is determined at the time of the sale.
- (4) The entity remits the taxes it collects at the time and in the manner specified by the Secretary.
- (5) The entity agrees to file sales and use tax returns on behalf of the sellers for whom it collects tax.
- (6) The entity enters into a contract with the Secretary and agrees to comply with all the conditions of the contract.

(b) Contract. – The Secretary may contract or authorize in writing the Streamlined Sales Tax Governing Board to contract on behalf of the Secretary with a certified service provider for the collection and remittance of sales and use taxes. A certified service provider must file with the Secretary or the Streamlined Sales Tax Governing Board one of the following in the amount set by the Secretary: (i) a bond; (ii) an irrevocable letter of credit; or (iii) evidence of a certificate of deposit. A bond, irrevocable letter of credit, or certificate of deposit must be conditioned upon compliance with the contract, be payable to the State or the Streamlined Sales Tax Governing Board, and be in the form required by the Secretary or the Streamlined Sales Tax Governing Board. The amount a certified service provider charges under the contract is a cost of collecting the tax and is payable from the amount collected.

(c) Liability. – A seller may contract with a certified service provider to collect and remit sales and use taxes payable to the State on sales made by the seller. A certified service provider with whom a seller contracts is the agent of the seller. As the seller's agent, the certified service

provider, rather than the seller, is liable for sales and use taxes due this State on all sales transactions the certified service provider processes for the seller unless the seller misrepresents the type of items it sells or commits fraud. A seller that misrepresents the type of items it sells or commits fraud is liable for taxes not collected as a result of the misrepresentation or fraud.

(d) **Audit and Review.** – In the absence of misrepresentation or fraud, a seller that contracts with a certified service provider is not subject to audit on the transactions processed by the certified service provider. A seller is subject to audit for transactions not processed by the certified service provider. The State may perform a system check of a seller and review a seller's procedures to determine if the certified service provider's system is functioning properly and the extent to which the seller's transactions are being processed by the certified service provider. A certified service provider is subject to audit. (2000-120, s. 2; 2001-347, ss. 1.1, 1.3; 2005-276, s. 33.31; 2013-414, s. 44; 2016-5, s. 3.18; 2019-169, s. 3.3(s).)

§ 105-164.42J. Performance standard for multistate seller.

The Secretary may establish a performance standard for a seller that is engaged in business in this State and at least 10 other states and has developed a proprietary system to determine the amount of sales and use taxes due on transactions. A seller that enters into an agreement with the Secretary that establishes a performance standard for that system is liable for the failure of the system to meet the performance standard. (2001-347, s. 1.3; 2005-276, s. 33.31.)

§ 105-164.42K. Registration and effect of registration.

Registration under the Agreement satisfies the registration requirements under this Article. A seller who registers under the Agreement within 12 months after the State becomes a member of the Agreement and who meets the following conditions is not subject to assessment for sales tax for any period before the effective date of the seller's registration:

- (1) The seller was not registered with the State during the 12-month period before the effective date of this State's participation in the Agreement.
- (2) When the seller registered, the seller had not received a letter from the Department notifying the seller of an audit.
- (3) The seller continues to be registered under the Agreement and to remit tax to the State for at least 36 months. (2005-276, s. 33.17.)

§ 105-164.42L. Liability relief for erroneous information or insufficient notice by Department.

(a) **Boundary and Rate Databases.** – The Secretary may develop databases that provide information on the boundaries of taxing districts and the tax rates applicable to those taxing districts. The databases may assign the proper tax rate and taxing district to each taxing area within the State. If more than one tax rate applies within a specific taxing area, the Secretary shall assign the lowest combined tax rate imposed within the specific taxing area. If the Secretary cannot determine the appropriate tax rate for a street address, the Secretary shall assign the lowest combined tax rate imposed within the street address's nine-digit zip code. But, if the Secretary cannot determine the appropriate tax rate for a street address's nine-digit zip code, the Secretary shall assign the lowest combined tax rate imposed within the street address's five-digit zip code.

A person who relies on the information provided in these databases is not liable for underpayments of tax attributable to erroneous information provided by the Secretary in those databases until 10 business days after the date of notification by the Secretary.

(b) Taxability Matrix. – The Secretary may develop a taxability matrix that provides information on the taxability of certain items or certain tax administration practices. A person who relies on the information provided in the taxability matrix is not liable for underpayments of tax attributable to erroneous information provided by the Secretary in the taxability matrix until 10 business days after the date of notification by the Secretary.

(c) Rate Changes. – A retailer is not liable for an underpayment of tax attributable to a rate change when the State fails to provide for at least 30 days between the enactment of the rate change and the effective date of the rate change if the conditions of this subsection are satisfied. However, if the State establishes the retailer fraudulently failed to collect tax at the new rate or solicited customers based on the immediately preceding effective rate, this liability relief does not apply. Both of the following conditions must be satisfied for liability relief:

- (1) The retailer collected tax at the immediately preceding rate.
- (2) The retailer's failure to collect at the newly effective rate does not extend beyond 30 days after the date of enactment of the new rate or the effective date applicable under G.S. 105-164.15A. (2005-276, s. 33.18; 2007-244, s. 5; 2013-414, s. 15; 2016-5, s. 3.17(a); 2019-169, s. 3.5(b).)

§ 105-164.43D. Applicable due date when due date falls on a weekend, holiday, or when the Federal Reserve Bank is closed.

(a) Weekends and Holidays. – When the last day for doing an act required or permitted by this Article or Subchapter VIII of this Chapter falls on a Saturday, Sunday, or holiday, the act is considered to be done within the prescribed time limit if it is done on the next business day.

(b) Federal Reserve Bank Closure. – If the Federal Reserve Bank is closed on a due date that prohibits a person from making a payment by ACH debit or credit as required by this Article or Subchapter VIII of this Chapter, the payment is timely if made on the next day the Federal Reserve Bank is open. (2014-3, s. 14.10.)

§ 105-164.44. Penalty and remedies of Article 9 applicable.

All provisions not inconsistent with this Article in Article 9, entitled "General Administration – Penalties and Remedies" of Subchapter I of Chapter 105 of the General Statutes, including but not limited to, administration, auditing, making returns, promulgation of rules and regulations by the Secretary, additional taxes, assessment procedure, imposition and collection of taxes and the lien thereof, assessments, refunds and penalties are hereby made a part of this Article and shall be applicable thereto. § 105-164.44D: Repealed by Session Laws 2015-241, s. 2.2(b), effective July 1, 2015.

§ 105-164.44E. (Repealed effective July 1, 2030) Transfer to the Dry-Cleaning Solvent Cleanup Fund.

(a) Transfer. – At the end of each quarter, the Secretary must transfer to the Dry-Cleaning Solvent Cleanup Fund established under G.S. 143-215.104C an amount equal to fifteen percent (15%) of the net State sales and use taxes collected under G.S. 105-164.4(a)(4) during the previous fiscal year, as determined by the Secretary based on available data.

(b) Sunset. – This section is repealed effective July 1, 2030. (2000-19, s. 1.1; 2009-483, ss. 6, 8; 2019-237, s. 6(b).)

§ 105-164.44F. Distribution of part of telecommunications taxes to cities.

(a) Amount. – The Secretary must distribute part of the taxes imposed by G.S. 105-164.4(a)(4c) on telecommunications service and ancillary service. The Secretary must make the distribution within 75 days after the end of each calendar quarter. The amount the Secretary must distribute is the following percentages of the net proceeds of the taxes collected during the quarter:

- (1) Eighteen and seventy one hundredths percent (18.70%) minus two million six hundred twenty thousand nine hundred forty-eight dollars (\$2,620,948), must be distributed to cities in accordance with this section. The deduction is one-fourth of the annual amount by which the distribution to cities of the gross receipts franchise tax on telephone companies, imposed by former G.S. 105-20, was required to be reduced beginning in fiscal year 1995-96 as a result of the "freeze deduction."
- (2) Seven and seven tenths percent (7.7%) must be distributed to counties and cities as provided in G.S. 105-164.44I.

(b) Share of Cities Incorporated on or After January 1, 2001. – The share of a city incorporated on or after January 1, 2001, is its per capita share of the amount to be distributed to all cities incorporated on or after this date. This amount is the proportion of the total to be distributed under this section that is the same as the proportion of the population of cities incorporated on or after January 1, 2001, compared to the population of all cities. In making the distribution under this

subsection, the Secretary must use the most recent annual population estimates certified to the Secretary by the State Budget Officer.

(c) Share of Cities Incorporated Before January 1, 2001. – The share of a city incorporated before January 1, 2001, is its proportionate share of the amount to be distributed to all cities incorporated before this date. A city's proportionate share for a quarter is based on the amount of telephone gross receipts franchise taxes attributed to the city under G.S. 105-116.1 for the same quarter that was the last quarter in which taxes were imposed on telephone companies under repealed G.S. 105-120. The amount to be distributed to all cities incorporated before January 1, 2001, is the amount determined under subsection (a) of this section, minus the amount distributed under subsection (b) of this section.

The following changes apply when a city incorporated before January 1, 2001, alters its corporate structure. When a change described in subdivision (2) or (3) occurs, the resulting cities are considered to be cities incorporated before January 1, 2001, and the distribution method set out in this subsection rather than the method set out in subsection (b) of this section applies:

- (1) If a city dissolves and is no longer incorporated, the proportional shares of the remaining cities incorporated before January 1, 2001, must be recalculated to adjust for the dissolution of that city.
- (2) If two or more cities merge or otherwise consolidate, their proportional shares are combined.
- (3) If a city divides into two or more cities, the proportional share of the city that divides is allocated among the new cities on a per capita basis.

(d) Share of Cities Served by a Telephone Membership Corporation. – The share of a city served by a telephone membership corporation, as described in Chapter 117 of the General Statutes, is computed as if the city was incorporated on or after January 1, 2001, under subsection (b) of this section. If a city is served by a telephone membership corporation and another provider, then its per capita share under this subsection applies only to the population of the area served by the telephone membership corporation.

(e) Ineligible Cities. – An ineligible city is disregarded for all purposes under this section. A city incorporated on or after January 1, 2000, is not eligible for a distribution under this section unless it meets both of the following requirements:

- (1) It is eligible to receive funds under G.S. 136-41.2.
- (2) A majority of the mileage of its streets is open to the public.

(f) Nature. – The General Assembly finds that the revenue distributed under this section is local revenue, not a State expenditure, for the purpose of Section 5(3) of Article III of the North Carolina Constitution. Therefore, the Governor may not reduce or withhold the distribution. (2001-424, s. 34.25(b); 2001-430, s. 10; 2001-487, s. 67(d); 2002-120, s. 4; 2004-203, s. 5(g); 2005-276, s. 33.19; 2005-435, s. 34(c); 2006-33, s. 8; 2006-66, ss. 24.1(d), (e), (f), (g); 2006-151, s. 7; 2007-145, s. 9(a); 2007-323, ss. 31.2(a), (b); 2009-451, s. 27A.2(c).)

§ 105-164.44G: Repealed by Session Laws 2013-316, s. 3.1(b), effective January 1, 2014, and applicable to sales made on or after that date.

§ 105-164.44H. Transfer to State Public School Fund.

Each fiscal year, the Secretary of Revenue shall transfer at the end of each quarter from the State sales and use tax net collections received by the Department of Revenue under Article 5 of Chapter 105 of the General Statutes to the State Treasurer for the State Public School Fund,

one-fourth of the amount transferred the preceding fiscal year plus or minus the percentage of that amount by which the total collection of State sales and use taxes increased or decreased during the preceding fiscal year. (2005-276, s. 7.51(b).)

§ 105-164.44I. Distribution of part of sales tax on video programming service and telecommunications service to counties and cities.

(a) Distribution. – The Secretary must distribute to the counties and cities part of the taxes imposed by G.S. 105-164.4(a)(4c) on telecommunications service and G.S. 105-164.4(a)(6) on video programming service. The Secretary must make the distribution within 75 days after the end of each calendar quarter. The amount the Secretary must distribute is the sum of the revenue listed in this subsection. From this amount, the Secretary must first make the distribution required by subsection (b) of this section and then distribute the remainder in accordance with subsections (c) and (d) of this section. The revenue to be distributed under this section consists of the following:

- (1) The amount specified in G.S. 105-164.44F(a)(2).
- (2) Twenty three and six tenths percent (23.6%) of the net proceeds of the taxes collected during the quarter on video programming, other than on direct-to-home satellite service.
- (3) Thirty-seven and one tenths percent (37.1%) of the net proceeds of the taxes collected during the quarter on direct-to-home satellite service.

(b) Supplemental PEG Channel Support. – G.S. 105-164.44J sets out the requirements for receipt by a county or city of supplemental PEG channel support funds distributed under this subsection. The Secretary must include the applicable amount of supplemental PEG channel support in each quarterly distribution to a county or city. The amount to include is one-fourth of the share of each qualifying PEG channel certified by the city or county under G.S. 105-164.44J. The share of each certified PEG channel is the sum of four million dollars (\$4,000,000) and the amount of any funds returned to the Secretary in the prior fiscal year under G.S. 105-164.44J(d) divided by the number of PEG channels certified under G.S. 105-164.44J. A county or city may not receive PEG channel support under this subsection for more than three qualifying PEG channels.

For purposes of this subsection, the term "qualifying PEG channel" has the same meaning as in G.S. 105-164.44J.

(c) 2006-2007 Fiscal Year Distribution. – The share of a county or city is its proportionate share of the amount to be distributed to all counties and cities under this subsection. The proportionate share of a county or city is the base amount for the county or city compared to the base amount for all other counties and cities. The base amount of a county or city that did not impose a cable franchise tax under G.S. 153A-154 or G.S. 160A-214 before July 1, 2006, is two dollars (\$2.00) times the most recent annual population estimate for that county or city. The base amount of a county or city that imposed a cable franchise tax under either G.S. 153A-154 or G.S. 160A-214 before July 1, 2006, is the amount of cable franchise tax and subscriber fee revenue the county or city certifies to the Secretary that it imposed during the first six months of the 2006-2007 fiscal year. A county or city must make this certification by March 15, 2007. The certification must specify the amount of revenue that is derived from the cable franchise tax and the amount that is derived from the subscriber fee.

(c1) Revised Certification. – If a county or city determines that the amount of cable franchise tax it imposed during the first six months of the 2006-2007 fiscal year differs from the amount certified to the Secretary under subsection (c) of this section, the county or city may submit a new certification to the Secretary revising the amount. For distributions for quarters beginning on

or after October 1, 2007, the Secretary must determine the proportionate share of a county or city based upon certifications submitted on or before October 1, 2007. For distributions for quarters beginning on or after April 1, 2008, the Secretary must determine the proportionate share of a county or city based upon certifications submitted on or before April 1, 2008. Certifications submitted after April 1, 2008, may not be used to adjust a county's or city's base amount under subsection (c) of this section.

(d) Subsequent Distributions. – For subsequent fiscal years, the Secretary must multiply the amount of a county's or city's share under this section for the preceding fiscal year by the percentage change in its population for that fiscal year and add the result to the county's or city's share for the preceding fiscal year to obtain the county's or city's adjusted amount. Each county's or city's proportionate share for that year is its adjusted amount compared to the sum of the adjusted amounts for all counties and cities.

(e) Use of Proceeds. – A county or city that imposed subscriber fees during the first six months of the 2006-2007 fiscal year must use a portion of the funds distributed to it each fiscal year under subsections (c) and (d) of this section for the operation and support of PEG channels. The amount of funds that must be used for PEG channel operation and support in fiscal year 2006-2007 is two times the amount of subscriber fee revenue the county or city certified to the Secretary that it imposed during the first six months of the 2006-2007 fiscal year. The amount of funds that must be used for PEG channel operation and support in subsequent fiscal years is the same proportionate amount of the funds that were distributed under subsections (c) and (d) of this section and used for this purpose in fiscal year 2006-2007.

A county or city that used part of its franchise tax revenue in fiscal year 2005-2006 for the operation and support of PEG channels or a publicly owned and operated television station must use the funds distributed to it under subsections (c) and (d) of this section to continue the same level of support for the PEG channels and public stations. The remainder of the distribution may be used for any public purpose.

(f) Late Information. – A county or city that does not submit information that the Secretary needs to make a distribution by the date the information is due is excluded from the distribution. If the county or city later submits the required information, the Secretary must include the county or city in the distribution for the quarter that begins after the date the information is received.

(g) Population Determination. – In making population determinations under this section, the Secretary must use the most recent annual population estimates certified to the Secretary by the State Budget Officer. For purposes of the distributions made under this section, the population of a county is the population of its unincorporated areas plus the population of an ineligible city in the county, as determined under this section.

(h) City Changes. – The following changes apply when a city alters its corporate structure or incorporates:

- (1) If a city dissolves and is no longer incorporated, the proportional shares of the remaining counties and cities must be recalculated to adjust for the dissolution of that city.
- (2) If two or more cities merge or otherwise consolidate, their proportional shares are combined.
- (3) If a city divides into two or more cities, the proportional share of the city that divides is allocated among the new cities on a per capita basis.
- (4) If a city incorporates after January 1, 2007, and the incorporation is not addressed by subdivisions (2) or (3) of this subsection, the share of the county in

which the new city is located is allocated between the county and the new city on a per capita basis.

(i) **Ineligible Cities.** – An ineligible city is disregarded for all purposes under this section. A city incorporated on or after January 1, 2000, is not eligible for a distribution under this section unless it meets both of the following requirements:

- (1) It is eligible to receive funds under G.S. 136-41.2.
- (2) A majority of the mileage of its streets is open to the public.

(j) **Nature.** – The General Assembly finds that the revenue distributed under this section is local revenue, not a State expenditure, for the purpose of Section 5(3) of Article III of the North Carolina Constitution. Therefore, the Governor may not reduce or withhold the distribution. (2006-151, s. 8; 2006-66, ss. 24.1(h), (i); 2007-145, s. 9(a); 2007-323, ss. 31.2(a), (b); 2007-527, s. 28; 2008-148, ss. 1, 2; 2009-451, s. 27A.2(d); 2010-158, s. 11(b); 2013-414, s. 45.)

§ 105-164.44J. Supplemental PEG channel support.

(a) **Definitions.** – The following definitions apply in this section:

- (1) Existing agreement. – Defined in G.S. 66-350.
- (2) PEG channel. – Defined in G.S. 66-350.
- (3) PEG channel operator. – An entity that does one or more of the following:
 - a. Produces programming for delivery on a PEG channel.
 - b. Provides facilities for the production of programming or playback of programming for delivery on a PEG channel.
- (4) Qualifying PEG channel. – A PEG channel that operates for at least 90 days during a fiscal year and that meets all of the following programming requirements:
 - a. It delivers at least eight hours of scheduled programming a day.
 - b. It delivers at least six hours and 45 minutes of scheduled, non-character-generated programming a day.
 - c. Its programming content does not repeat more than fifteen percent (15%) of the programming content on any other PEG channel provided to the same county or city.
- (5) Supplemental PEG channel support funds. – The amount distributed to a county or city under G.S. 105-164.44I(b).

(b) **Certification.** – A county or city must certify to the Secretary by July 15 of each year all of the qualifying PEG channels provided for its use during the preceding fiscal year by a cable service provider under either G.S. 66-357 or an existing agreement. A county or city may not certify more than three qualifying PEG channels. The certification must include all of the following:

- (1) An identification of each channel as a public, an education, or a government channel.
- (2) The name and signature of the PEG channel operator for each channel. If a qualifying PEG channel has more than one PEG channel operator, the county or city must include the name of each operator of the PEG channel. A PEG channel operator may be included on the certification of only one county or city for each type of PEG channel that it operates.
- (3) Any other information required by the Secretary.

(c) Use of Funds. – A county or city must use the supplemental PEG channel support funds distributed to it for the operation and support of each of the qualifying PEG channels it certifies by allocating the amount it receives equally among each of the qualifying PEG channels. A county or city must distribute the supplemental PEG channel support funds to the PEG channel operator of the qualifying PEG channel within 30 days of its receipt of the supplemental PEG channel support funds from the Department, or as specified in an interlocal agreement. If a qualifying PEG channel has more than one PEG channel operator, the county or city must distribute the amount allocated for that PEG channel equally to each PEG channel operator, or as specified in an interlocal agreement.

(d) Errors in Certification. – If a county or city determines that it certified a PEG channel in error, the county or city must submit a revised certification to the Secretary, and the county or city must return all supplemental PEG channel support funds distributed to it as a result of the error. The Secretary must add the funds returned to the total amount of supplemental PEG channel support funds to be allocated in the following fiscal year. (2008-148, s. 3; 2010-158, s. 11(c).)

§ 105-164.44K. Distribution of part of tax on electricity to cities.

(a) Distribution. – The Secretary must distribute to cities forty-four percent (44%) of the net proceeds of the tax collected under G.S. 105-164.4 on electricity, less the cost to the Department of administering the distribution. Each city's share of the amount to be distributed is its franchise tax share calculated under subsection (b) of this section plus its ad valorem share calculated under subsection (c) of this section. If the net proceeds of the tax allocated under this section are not sufficient to distribute the franchise tax share of each city under subsection (b) of this section, the proceeds shall be distributed to each city on a pro rata basis. The Secretary must make the distribution within 75 days after the end of each quarter.

(b) Franchise Tax Share. – The quarterly franchise tax share of a city is the total amount of electricity gross receipts franchise tax distributed to the city under repealed G.S. 105-116.1 or repealed provisions of G.S. 159B-27 for the same related quarter that was the last quarter in which taxes were imposed on electric power companies under repealed G.S. 105-116 or repealed provisions of G.S. 159B-27. The quarterly franchise tax share of a city includes adjustments made for the hold-harmless amounts under repealed G.S. 105-116. If the franchise tax share of a city, including the hold-harmless adjustments, is less than zero, then the amount is zero. The determination made by the Department with respect to a city's franchise tax share is final and is not subject to administrative or judicial review.

The franchise tax share of a city that has dissolved, merged with another city, or divided into two or more cities since it received a distribution under repealed G.S. 105-116.1 or repealed provisions of G.S. 159B-27 is adjusted as follows:

- (1) If a city dissolves and is no longer incorporated, the franchise tax share of the city is added to the amount distributed under subsection (c) of this section.
- (2) If two or more cities merge or otherwise consolidate, their franchise tax shares are combined.
- (3) If a city divides into two or more cities, the franchise tax share of the city that divides is allocated among the new cities in proportion to the total amount of ad valorem taxes levied by each on property having a tax situs in the city.

(c) Ad Valorem Share. – The ad valorem share of a city is its proportionate share of the amount that remains for distribution after determining each city's franchise tax share under

subsection (b) of this section. The prohibitions in G.S. 105-472(d) on the receipt of funds by a city apply to the distribution under this subsection.

A city's proportionate share is the amount of ad valorem taxes it levies on property having a tax situs in the city compared to the ad valorem taxes levied by all cities on property having a tax situs in the cities. The ad valorem method set out in G.S. 105-472(b)(2) applies in determining the share of a city under this subsection based on ad valorem taxes, except that the amount of ad valorem taxes levied by a city does not include ad valorem taxes levied on behalf of a taxing district and collected by the city.

(d) Nature. – The General Assembly finds that the revenue distributed under this section is local revenue, not a State expenditure, for the purpose of Section 5(3) of Article III of the North Carolina Constitution. The Governor may not reduce or withhold the distribution. (2013-316, s. 4.3(a); 2013-363, s. 11.2.)

§ 105-164.44L. Distribution of part of tax on piped natural gas to cities.

(a) Distribution. – The Secretary must distribute to cities twenty percent (20%) of the net proceeds of the tax collected under G.S. 105-164.4 on piped natural gas, less the cost to the Department of administering the distribution. Each city's share of the amount to be distributed is its excise tax share calculated under subsection (b) of this section plus its ad valorem share calculated under subsection (c) of this section. A gas city will also receive an amount calculated under subsection (b1) of this section as part of its excise tax share. If the net proceeds of the tax allocated under this section are not sufficient to distribute the excise tax share of each city under subsection (b) of this section and the gas city share under subsection (b1) of this section, the proceeds shall be distributed to each city on a pro rata basis. The Secretary must make the distribution within 75 days after the end of each quarter.

(b) Excise Tax Share. – The quarterly excise tax share of a city is the amount of piped natural gas excise tax distributed to the city under repealed G.S. 105-187.44 for the same related quarter that was the last quarter in which taxes were imposed on piped natural gas under repealed Article 5E of this Chapter. The determination made by the Department with respect to a city's excise tax share is final and is not subject to administrative or judicial review.

The excise tax share of a city that has dissolved, merged with another city, or divided into two or more cities since it received a distribution under repealed G.S. 105-187.44 is adjusted as follows:

- (1) If a city dissolves and is no longer incorporated, the excise tax share of the city is added to the amount distributed under subsection (c) of this section.
- (2) If two or more cities merge or otherwise consolidate, their excise tax shares are combined.
- (3) If a city divides into two or more cities, the excise tax share of the city that divides is allocated among the new cities in proportion to the total amount of ad valorem taxes levied by each on property having a tax situs in the city.

(b1) Gas Cities. – In addition to the excise tax share calculated under subsection (b) of this section, a gas city shall receive as part of its excise tax share a distribution calculated under this subsection. The Secretary must determine the amount the gas city would have received under repealed G.S. 105-187.44 for the last year in which taxes were imposed under repealed Article 5E of this Chapter if piped natural gas consumed by the city or delivered by the city to a customer had not been exempt from tax under repealed G.S. 105-187.41(c)(1) and G.S. 105-187.41(c)(2), excluding any amount received under subsection (b) of this section, and divide that amount by four

to calculate the quarterly distribution amount for a gas city under this subsection. A gas city must report the information required by the Secretary to make the distribution under this section in the form, manner, and time required by the Secretary. The determination made by the Department with respect to a gas city's share under this subsection is final and is not subject to administrative or judicial review. For purposes of this section, the term "gas city" is a city in this State that operated a piped natural gas distribution system as of July 1, 1998. These cities are Bessemer City, Greenville, Kings Mountain, Lexington, Monroe, Rocky Mount, Shelby, and Wilson.

(c) Ad Valorem Share. – The ad valorem share of a city is its proportionate share of the amount that remains for distribution after determining each city's excise tax share under subsection (b) of this section. Only cities that receive an excise tax share under subsection (b) of this section for any quarter of the year are eligible to receive an ad valorem share. The prohibitions in G.S. 105-472(d) on the receipt of funds by a city apply to the distribution under this subsection.

A city's proportionate share is the amount of ad valorem taxes it levies on property having a tax situs in the city compared to the ad valorem taxes levied by all cities on property having a tax situs in the cities. The ad valorem method set out in G.S. 105-472(b)(2) applies in determining the share of a city under this section based on ad valorem taxes, except that the amount of ad valorem taxes levied by a city does not include ad valorem taxes levied on behalf of a taxing district and collected by the city.

(d) Nature. – The General Assembly finds that the revenue distributed under this section is local revenue, not a State expenditure, for the purpose of Section 5(3) of Article III of the North Carolina Constitution. The Governor may not reduce or withhold the distribution. (2013-316, s. 4.3(a); 2014-3, s. 14.13(e); 2014-39, ss. 1(b)-(d).)

§ 105-164.44M. Transfer to Highway Fund.

(a) Aviation. – The net proceeds of the tax collected on aviation gasoline and jet fuel under G.S. 105-164.4 must be transferred within 75 days after the end of each fiscal year to the Highway Fund. This amount is annually appropriated from the Highway Fund to the Division of Aviation of the Department of Transportation for prioritized capital improvements to general aviation airports for time-sensitive aviation capital improvement projects for economic development purposes.

(b) Transportation Needs. – At the end of each quarter, the Secretary must transfer to the Funds listed below a percentage of the net proceeds of the tax collected under this Article at the State's general rate of tax set in G.S. 105-164.4(a). The percentages that must be transferred are as follows:

Fiscal Year	Percentage to Highway Fund	Percentage to Highway Trust Fund
2022-23	2%	0%
2023-24	1%	3%
2024-25 and thereafter	1.5%	4.5%.
