(h) A majority of the actual membership, excluding vacancies, shall constitute a quorum.

(i) Upon being given written notice and an opportunity to respond, a member may be removed from office by the regional board of social services for any of the following:

(1) Commission of a felony or other crime involving moral turpitude.

(2) Violation of a State law governing conflict of interest.

(3) Violation of a written policy adopted by the county board of commissioners of each county in the region.

(4) Habitual failure to attend meetings.

(5) Conduct that tends to bring the office into disrepute.

(j) A member may receive a per diem in an amount established by the county commissioner members of the regional board of social services. Reimbursement for subsistence and travel shall be in accordance with a policy set by the county commissioner members of the regional board of social services.

(k) The board shall meet at least quarterly. The chairperson or three of the members may call a special meeting.

(l) A regional board of social services is authorized to provide liability insurance for the members of the board and the employees of the regional social services department. A regional board of social services is also authorized to contract for the services of an attorney to represent the board, the regional social services department, and its employees, as appropriate. The purchase of liability insurance pursuant to this subsection waives both the regional board of social services' and the regional social services department's governmental immunity, to the extent of insurance coverage, for any act or omission occurring in the exercise of a governmental function. By entering into a liability insurance contract with the regional board of social services, an insurer waives any defense based upon the governmental immunity of the regional board of social services or the regional social services department. (2017-41, s. 4.1.)

§ 108A-15.9. Dissolution of a regional social services department.

(a) Whenever the board of commissioners of each county constituting a regional social services department determines that the department is not operating in the best interests of the respective counties, they may direct that the regional social services department be dissolved.

(b) Whenever a board of commissioners of a county which is a member of a regional social services department determines that the department is not operating in the best interests of that county, it may withdraw from the regional social services department.

(c) Dissolution of a regional social services department or withdrawal from the regional social services department by a county shall be effective only at the end of the fiscal year in which the action of dissolution or withdrawal transpired.

(d) Notwithstanding the provisions of subsection (a) of the section, no regional social services department shall be dissolved without prior written notification to the Department.

(e) Any budgetary surplus available to a regional social services department at the time of its dissolution shall be distributed to those counties comprising the region on the same pro rata basis that the counties appropriated and contributed funds to the regional social services department budget during the current fiscal year. Distribution to the counties shall be determined on the basis of an audit of the financial record of the regional social services department. The regional board of social services shall select a certified public accountant or an accountant who is subsequently certified by the Local Government Commission to conduct the audit. The audit shall be performed in accordance with G.S. 159-34. The same method of distribution of funds described above shall apply when one or more counties of a regional social services department withdraw from a region. (2017-41, s. 4.1.)

§ 108A-15.10. Regional social services director.

A regional social services director appointed by a regional social services board shall have all the powers and duties of a director of social services provided by G.S. 108A-14 and other applicable laws. The director shall also have the authority to enter contracts, in accordance with the Local Government Finance Act, Chapter 159 of the General Statutes, on behalf of the regional social services department. (2017-41, s. 4.1; 2017-102, s. 40(d).)

§ 108A-15.20. (Effective January 1, 2025) Citizen review panels.

(a) The Department of Health and Human Services, Division of Social Services, shall ensure the existence of, at a minimum, three citizen review panels (panels) pursuant to requirements set forth in the federal Child Abuse Prevention and Treatment Act (CAPTA), under sections 106(b)(2)(A)(x) and (c) of 42 U.S.C. § 5101 et seq., as amended. The panels shall be operated and managed by a qualified organization that is independent from any State or county department of social services. The Division of Social Services shall assist any organization managing a panel with providing information, reports, and support the panel needs in carrying out its duties pursuant to this section.

(b) Panels shall consist of volunteer members who broadly represent the community in which the panel is established, including members who have expertise in the prevention and treatment of child abuse and neglect, and may include adult former victims of child abuse or neglect.

(c) Each panel shall evaluate the extent to which the State is fulfilling its child protection responsibilities in accordance with the Child Abuse Prevention and Treatment Act State Plan by examining the policies, procedures, and practices of State and local child protection agencies, and, when appropriate, reviewing specific cases. A panel may examine any other criteria the panel considers important to ensure the protection of children, including, but not limited to, any of the following:

- (1) The extent to which the State and local child protective services system is coordinated with the Title IV-E foster care and adoption assistance programs of the Social Security Act.
- (2) A review of child fatalities.
- (3) A review of near fatalities in this State. For purposes of this subdivision, a "near fatality" is an act that, as certified by a physician, places the child in serious or critical condition.

(d) A panel choosing to examine child fatalities may utilize information and reports about reviews of child fatalities that take place pursuant to Article 14 of Chapter 7B of the General

Statutes. The State Office of Child Fatality Prevention or Local Teams, as both are described under G.S. 143B-150.25, acting under that Article shall provide to the panel aggregate information about child death reviews or information about individual case reviews, as requested by the panel. A panel choosing to examine specific child protective services cases may do so based on a request for review of a case from a director of a county department of social services or as deemed necessary by the panel in carrying out its duties.

(e) Panels shall have access to information maintained by any State or local government entity where the panel has a need for the information to carry out its functions pursuant to this section. Panel members shall not disclose to any person or government official any identifying information about any specific child protection case in which the panel is provided information and shall not make public other information unless otherwise authorized by law.

(f) Panels shall provide for public outreach and comment to assess the impact of current procedures and practices on children and families.

(g) Panels shall prepare and make available to the State and the public an annual report containing a summary of the activities of the panels and recommendations to improve the child protection services system at the State and local levels. The report shall not contain any identifying information about any specific child protection case. No later than six months after the date the panels submit the report, the Division of Social Services shall submit a written response to State and local child protection systems and the citizen review panels that describes whether or how the State will incorporate the recommendations of the panels, when appropriate, to make measurable progress in improving the State and local child protection system. (2023-134, s. 9H.15(j).)
