(a) The Department of Adult Correction may conduct a community service program. The program shall provide oversight of offenders placed under the supervision of the Division of Community Supervision and Reentry and ordered to perform community service hours for criminal violations, including driving while impaired violations under G.S. 20-138.1. This program shall assign offenders, either on supervised or on unsupervised probation, to perform

service to the local community in an effort to promote the offender's rehabilitation and to provide services that help restore or improve the community. The program shall provide appropriate work site placement for offenders ordered to perform community service hours. The Division may adopt rules to conduct the program. Each offender shall be required to comply with the rules adopted for the program.

(b) The Secretary of the Department of Adult Correction may assign one or more employees to each district court district as defined in G.S. 7A-133 to assure and report to the Court the offender's compliance with the requirements of the program. Each county shall provide office space in the courthouse or other convenient place, for the use of the employees assigned to that county.

(c) A fee of two hundred fifty dollars (\$250.00) shall be paid by all persons who participate in the program or receive services from the program staff. Only one fee may be assessed for each sentencing transaction, even if the person is assigned to the program on more than one occasion, or while on deferred prosecution, under a conditional discharge, or serving a sentence for the offense. A sentencing transaction shall include all offenses considered and adjudicated during the same term of court. Fees collected pursuant to this subsection shall be deposited in the General Fund. If the person is convicted in a court in this State, the fee shall be paid to the clerk of court in the county in which the person is convicted, regardless of whether the person is participating in the program as a condition of parole, of probation imposed by the court, or pursuant to the exercise of authority delegated to the probation officer pursuant to G.S. 15A-1343.2(e) or (f). If the person is participating in the program as a result of a conditional discharge or a deferred prosecution or similar program, the fee shall be paid to the clerk of court in the county in which the agreement is filed. Persons participating in the program for any other reason shall pay the fee to the clerk of court in the county in which the services are provided by the program staff. The fee shall be paid in full before the person may participate in the community service program, except that:

- (1) A person convicted in a court in this State may be given an extension of time or allowed to begin the community service before the person pays the fee by the court in which the person is convicted; or
- (2) A person performing community service pursuant to a conditional discharge, deferred prosecution or similar agreement may be given an extension of time or allowed to begin community service before the fee is paid by the official or agency representing the State in the agreement.

No person shall be required to pay the fee before beginning the community service unless the Commission orders the person to do so in writing.
- (4) A person performing community service as ordered by a probation officer pursuant to authority delegated by G.S. 15A-1343.2 may be given an extension of time to pay the fee by the probation officer exercising the delegated authority.

As used in this subsection, "person" includes any governmental unit or agency, nonprofit corporation, or other nonprofit agency that is supervising the individual, or for whom the individual is performing community service work, as well as any person employed by the agency or corporation while acting in the scope and course of the person's employment. This subsection does not affect the immunity from civil liability in tort

(e) The community service staff shall report to the court in which the community service was ordered, a significant violation of the terms of the probation, deferred prosecution, or conditional discharge related to community service, including a willful failure to pay any moneys due the State under any court order or payment schedule adopted by the Division of Community Supervision and Reentry. The community service staff shall give notice of the hearing to determine if there is a willful failure to comply to the person who was ordered to perform the community service. This notice shall be given by either personal delivery to the person to be notified or by depositing the notice in the United States mail in an envelope with postage prepaid, addressed to the person at the last known address available to the preparer of the notice and reasonably believed to provide actual notice to the person. The notice shall be mailed at least 10 days prior to any hearing and shall state the basis of the alleged willful failure to comply. The court shall then conduct a hearing, even if the person ordered to perform the community service fails to appear, to determine if there is a willful failure to complete the work as ordered by the community service staff within the applicable time limits. The hearing may be held in the county in which the order requiring the performance of community service was imposed, the county in which the violation occurred, or the county of residence of the person. If the court determines there is a willful failure to comply, it shall revoke any drivers license issued to the person and notify the Division of Motor Vehicles to revoke any drivers license issued to the person until the community service requirement has been met. In addition, if the person is present, the court may take any further action authorized by Article 82 of Chapter 15A of the General Statutes for violation of a condition of probation. (1983 (Reg. Sess., 1984), c. 1034, s. 102; 1985, c. 451; 1985 (Reg. Sess., 1986), c. 1012, s. 4; 1987 (Reg. § 143B-1492. Parole eligibility reports.

(a) Each fiscal year the Post-Release Supervision and Parole Commission shall, with the assistance of the North Carolina Sentencing and Policy Advisory Commission and the Department of Adult Correction, analyze the amount of time each inmate who is eligible for parole on or before July 1 of the previous fiscal year has served compared to the time served by offenders under Structured Sentencing for comparable crimes. The Commission shall determine if the person has served more time in custody than the person would have served if sentenced to the maximum sentence under the provisions of Article 81B of Chapter 15A of the General Statutes. The "maximum sentence", for the purposes of this section, shall be calculated as set forth in subsection (b) of this section.

(b) For the purposes of this section, the following rules apply for the calculation of the maximum sentence:

- (3) If a person is serving sentences for two or more offenses that are concurrent in any respect, then the offense with the greater classification shall be used to determine a single maximum sentence for the concurrent offenses. The fact that the person has been convicted of multiple offenses may be considered by the Commission in making its determinations under subsection (a) of this section.

(c) The Commission shall reinstate the parole review process for each offender who has served more time than that person would have under Structured Sentencing as provided by subsections (a) and (b) of this section.

(d) The Post-Release Supervision and Parole Commission shall report to the Chairs of the Joint Legislative Oversight Committee on Justice and Public Safety and the Chairs of the House of Representatives and Senate Appropriations Committees on Justice and Public Safety by April 1 of each year.
