At a minimum, the advisory committee shall consist of representatives of the State Board of Community Colleges, the North Carolina Association of Community College Trustees, the North Carolina Association of Community College Presidents, and the System Office, and each party shall appoint its representative to the advisory committee.

(c) The trustees may by rules, regulations, or ordinances provide for a system of registration of all motor vehicles where the owner or operator does park on the campus or keeps said vehicle on the campus. The trustees shall cause to be posted at appropriate places on campus notice to the public of applicable parking and traffic rules, regulations, and ordinances governing the campus over which it has jurisdiction. The trustees may by rules, regulations, or ordinances establish or cause to have established a system of citations that may be issued to owners or operators of motor vehicles who violate established rules, regulations, or ordinances. The financial officer or agent shall use the funds derived from the reduction in the salary of the officer, agent or employee to purchase a nonforfeitable annuity or retirement income contract for the benefit of said officer, agent or employee. An officer, agent or employee who has agreed to a salary reduction for this purpose shall not have the right to receive the amount of the salary reduction in cash or in any other way except the annuity or retirement income contract. Funds used for the purchase of an annuity or retirement income contract shall not be in lieu of any amount earned by the officer, agent or employee before his election for a salary reduction has become effective. The agreement for salary reductions referred to in this section shall be effected under any necessary regulations and procedures adopted by the State Board of Community Colleges and on forms prepared by the State Board of Community Colleges. Notwithstanding any other provisions of this section or law, the amount by which the salary of an officer, agent or employee is reduced pursuant to this section shall not be excluded, but shall be included, in computing and making payroll deductions for social security and retirement system purposes, and in computing and providing matching funds for retirement system purposes.

The State Board may authorize constituent institutions to enter into annual agreements with employees who elect to participate in the program to provide for a reduction in salary. With the approval of the Director of the Budget, savings in the employer's share of contributions under the Federal Insurance Contributions Act on account of the reduction in salary may be used to pay some or all of the administrative expenses of the program. Should the State Board decide to contract with a third party to administer the terms and conditions of a program of dependent care assistance, it may select a contractor only upon a thorough and completely competitive procurement process. (1989, c. 458, s. 2; 1991 (Reg. Sess., 1992), c. 1044, s. 14(c); 1993, c. 561, s. 42; 1993 (Reg. Sess., 1994), c. 769, s. 7.28A; 1997-443, s. 33.20(a); 1999-237, s. 28.27(a).)

This plan shall not include those benefits provided to employees under Articles 1, 3B, and 6 of Chapter 135 of the General Statutes nor any vacation leave, sick leave, or any other leave that may be carried forward from year to year by employees as a form of deferred compensation. If a plan of flexible compensation is offered, then a TRICARE supplement shall be offered. In providing a plan of flexible compensation, the State Board may authorize constituent institutions to enter into agreements with their employees for reductions in the salaries of employees electing to participate in the plan of flexible compensation provided by this section. With the approval of the Director of the Budget, savings in the employer's share of contributions under the Federal Insurance Contributions Act on account of the reduction in salary may be used to pay some or all of the administrative expenses of the program. Should the State Board decide to contract with a third party to administer the terms and conditions of a plan of flexible compensation as provided by this section, it may select such a contractor only upon a thorough and completely advertised competitive procurement process. (1989 (Reg. Sess., 1990), c. 1059, s. 2; 1991 (Reg. Sess., 1992), c. 1044, s. 14(g); 1993, c. 561, s. 42; 1993 (Reg. § 115D-25.4. Department of State Treasurer-sponsored 403(b) option.

(a) In addition to the opportunities for local boards of trustees to offer section 403(b) of the Internal Revenue Code of 1986 retirement annuities and/or mutual funds to their employees under G.S. 115D-25, local boards of trustees may also offer the "North Carolina Public School Teachers' and Professional Educators' Investment Plan" as operated by the Department of State Treasurer.

Because of the administrative and record-keeping duties enumerated in subdivision (1) of this subsection, any existing vendor of a 403(b) with a participating employer must either agree to share data with the State's 403(b) vendor under this provision (so as to permit oversight over contribution limits, loans, and hardship withdrawals) or be directed by the participating employer to cease accepting new contributions, loans, and hardship withdrawals.

(d) If the Department of State Treasurer and the Supplemental Retirement Board of Trustees elect to discontinue offering the North Carolina Public School Teachers' and Professional Educators' Investment Plan, participating local boards of trustees that continue sponsoring their 403(b) plan shall designate another investment provider in their 403(b) plan to receive any assets remaining in their 403(b) plan upon the discontinuation of the North Carolina Public School Teachers' and Professional Educators' Investment Plan. In the event that a local board of trustees fails to designate another investment provider, the Department of State Treasurer and the Supplemental Retirement Board of Trustees may transfer the remaining assets, on behalf of the local board of trustees, to an individual retirement account selected in a vendor solicitation pursuant to subsection (e) of G.S. 135-96. § 115D-55. Budget management.

(a) **Approval of Budget by Local Tax-Levying Authority.** – By a date fixed by the local tax-levying authority, the budget shall be submitted to the local tax-levying authority for approval of that portion within its authority as stated in G.S. 115D-54(b). On or before July 1, or such later date as may be agreeable to the board of trustees, but in no instance later than September 1, the local tax-levying authority shall determine the amount of county revenue to be appropriated to an institution for the budget year. The local tax-levying authority may allocate part or all of an appropriation by purpose, function, or project as defined in the budget manual as adopted by the State Board of Community Colleges.

The local tax-levying authority shall have full authority to call for all books, records, audit reports, and other information bearing on the financial operation of the institution except records dealing with specific persons for which the persons' rights of privacy are protected by either federal or State law.

Nothing in this Article shall be construed to place a duty on the local tax-levying authority to fund a deficit incurred by an institution through failure of the institution to comply with the provisions of this Article or rules and regulations issued pursuant hereto.

(b) **Approval of Budget by State Board of Community Colleges.** – After notification by the local tax-levying authority of the amount appropriated, the budget shall be submitted to the State Board of Community Colleges on a date designated by the State Board of Community Colleges for approval of that portion within its authority as stated in G.S. 115D-54(b). The State Board of Community Colleges shall approve the budget for each institution in such amount as the State Board decides is available and necessary for the operation of the institution.

The State Board of Community Colleges shall have authority to call for all books, records, audit reports and other information bearing on the financial operation of the institution except records dealing with specific persons for which the persons' rights of privacy are protected by either federal or State law.

Nothing in this Article shall be construed to place a duty on the State Board of Community Colleges to fund a deficit incurred by an institution through failure of the institution to comply with the provisions of this Article or rules and regulations issued pursuant hereto. (1981, c. 157, s. 1; 2001-112, s. 2; 2007-484, s. 29(d).)

§ 115D-56. Final adoption of budget.

Upon notification of approval by the State Board of Community Colleges, the board of trustees shall adopt a budget resolution as defined in the budget manual as adopted by the State Board of

Community Colleges, which shall comply with the resolution of the State Board and the appropriations of the tax-levying authorities and all other funding agencies. (1981, c. 157, s. 1.)

§ 115D-57. Interim budget.

In case the adoption of the budget resolution is delayed until after July 1, the board of trustees shall authorize the president, through interim provisions, to pay salaries and the other ordinary expenses of the institution for the interval between the beginning of the fiscal year and the adoption of the budget resolution. Interim provisions so made shall be charged to the proper allocations in the budget resolution. (1981, c. 157, s. 1.)

§ 115D-58. Amendments to the budget; budget transfers.

(a) The State Board of Community Colleges shall adopt rules and regulations governing the amendment of the budget for an institution. The board of trustees may amend the budget at any time after its adoption pursuant to the rules and regulations of the State Board.

(b) If the local tax-levying authority allocates part or all of an appropriation pursuant to G.S. 115D-55, the board of trustees must obtain approval of the local tax-levying authority for an amendment to the budget which increases or decreases the amount of that appropriation allocated to a purpose, function, or project by twenty-five percent (25%) or more from the amount contained in the budget ordinance adopted by the local tax-levying authority or such lesser percentage as specified by the local tax-levying authority in the original budget ordinance, so long as such percentage is not less than ten percent (10%).

(c) The board of trustees may, by appropriate resolution, authorize the president to transfer moneys from one appropriation to another within the same fund, subject to any limitations established by regulations adopted pursuant to this section, and subject to any limitations and procedures prescribed by the board of trustees or State for federal laws or regulations. Any such transfer shall be reported to the board of trustees at its next regular meeting and entered into its minutes. (1981, c. 157, s. 1.)

§ 115D-58.1. Federal contracts and grants.

The board of trustees of any institution may apply for and accept grants from the federal government or any agency thereof, in order to carry out the institution's mission. In exercising this authority, the board of trustees may enter into and carry out contracts with the federal government or any agency thereof, may agree to and comply with any lawful and reasonable condition attached to such a grant including, in the case of a grant from the Economic Development Administration, the granting of a security interest to the Economic Development Administration in any real property or equipment purchased with the grant, limiting the sale or use of the real property or equipment as prescribed by regulations of the Economic Development Administration, and may make expenditures from any funds so granted. The State Board of Community Colleges shall adopt rules and regulations governing the application for and the acceptance of grants under this section. (1981, c. 157, s. 1; 2001-211, s. 1.)

§ 115D-58.2. Allocation of revenue to the institution by the local tax-levying authority.

(a) The local tax-levying authority of each institution shall provide, as needed, funds to meet the monthly expenditures, including salaries and other necessary operating expenses, as set forth in a statement prepared by the board of trustees and in accordance with the approved budget. Upon the basis of the approved budget, the county finance officer shall make available to the

institution the moneys requested by the board of trustees no later than the fifteenth day of the month for which funds are requested.

(b) Funds received by the trustees of an institution from insurance payments for loss or damage to buildings shall be used for the repair or replacement of such buildings, or, if the buildings are not repaired or replaced, to reduce proportionally the institutional indebtedness borne by the counties of the administrative area of the institution receiving the insurance payments. If such payments, which are not used to repair or replace institutional buildings, exceed the total institutional indebtedness borne by all counties of the administrative area, such excess funds shall remain to the credit of the institution and shall be applied to the next succeeding plant fund budget until the excess funds shall be expended. Funds received by the trustees of an institution for loss or damage to the contents of buildings shall be divided between the board of trustees and the State Board of Community Colleges in proportion to the value of the lost contents owned by the board of trustees and the State, respectively. Until these funds shall have been expended, they shall either be used for repair or replacement of lost contents or be credited to the institution for succeeding plant and current expense budgets as appropriate. (1963, c. 448, s. 23; 1979, c. 462, s. 2; c. 896, s. 13; 1979, 2nd Sess., c. 1130, s. 1; 1981, c. 157, s. 1.)

§ 115D-58.3. Provision for disbursement of State money.

The deposit of money in the State treasury to the credit of the institution shall be made in monthly installments, and additionally as necessary, at such time and in such manner as may be convenient for the operation of the community college system. Before an installment is credited, the institution shall certify to the Community Colleges System Office, the expenditures to be made by the institution from the State Current Fund during the month.

The Community Colleges System Office shall determine whether the moneys requisitioned are due the institution, and upon determining the amount due, shall cause the requisite amount to be credited to the institution. Upon receiving notice from the Community Colleges System Office that the amount has been placed to the credit of the institution, the institution may issue State warrants up to the amount so certified. Money in the State Current Fund and other moneys made available by the State Board of Community Colleges shall be released only on warrants drawn on the State Treasurer, signed by two officials of the institution designated for this purpose by the board of trustees. (1963, c. 448, s. 23; 1965, c. 448, s. 2; 1979, c. 462, s. 2; c. 896, s. 13; 1979, 2nd Sess., c. 1130, s. 1; 1981, c. 157, s. 1; 1999-84, s. 13.)

§ 115D-58.4. Provisions for disbursement of local money.

All local public funds received by or credited to an institution shall be disbursed on checks signed by the two officials of the institution who shall have been designated by the board of trustees. The officials so designated shall countersign a check only if the funds required by such check are within the amount of funds remaining to the credit of the institution and are within the unencumbered balance of the appropriation for the item of expenditure according to the approved budgets of the institution. Each check shall be accompanied by an invoice, statement, voucher, or other basic document which indicates, to the satisfaction of the signing officials, that the issuance of such check is proper. (1963, c. 448, s. 23; 1965, c. 488, s. 2; 1979, c. 462, s. 2; c. 896, s. 13; 1979, 2nd Sess., c. 1130, s. 1; 1981, c. 157, s. 1.)

§ 115D-58.5. Accounting system.

(a) Each institution shall establish and maintain an accounting system consistent with procedures as prescribed by the Community Colleges System Office and the State Controller, which shows its assets, liabilities, equities, revenues, and expenditures.

(b) Each institution shall be governed in its purchasing of all supplies, equipment, and materials by contracts made by or with the approval of the Purchase and Contract Division of the Department of Administration except as provided in G.S. 115D-58.14. No contract shall be made by any board of trustees for purchases unless provision has been made in the budget of the institution to provide payment thereof. In order to protect the State purchase contracts, it is the duty of the board of trustees and administrative officers of each institution to pay for such purchases promptly in accordance with the contract of purchase. Equipment shall be titled to the State Board of Community Colleges if derived from State or federal funds.

(c) The operations of each institution shall be subject to oversight of the State Auditor pursuant to Article 5A of Chapter 147 of the General Statutes.

(d) Repealed by Session Laws 1983, c. 913, s. 18. (1963, c. 448, s. 23; 1979, c. 462, s. 2; c. 896, s. 13; 1979, 2nd Sess., c. 1130, s. 1; 1981, c. 157, s. 1; 1983, c. 913, s. 18; 1998-68, s. 1; 1999-84, s. 14; 2000-67, s. 7(c).)

§ 115D-58.6. Investment of idle cash.

(a) Definitions. – As used in this section, the following definitions apply:

(1) Cash balance. – The amount equal to all moneys received into institutional fund accounts minus all expenses and withdrawals from those accounts in an official depository of the institution as designated by the local board of trustees consistent with G.S. 115D-58.7.

interest any local funds with the State Treasurer for investment as special trust funds pursuant to the provisions of G.S. 147-69.3, and the interest thereon shall accrue to the institution as local funds.

- (2) The investment securities listed in G.S. 159-30(c) may be bought, sold, and traded by private negotiation, and the institutions may pay all incidental costs thereof and all reasonable costs of administering the investment and deposit program from local funds. The institution shall be responsible for their safekeeping and for keeping accurate investment accounts and records.

(e) Interest earned on deposits and investments shall be credited to the fund whose cash is deposited or invested. Cash of several funds may be combined for deposit or investment if not otherwise prohibited by law; and when such joint deposits or investments are made, interest earned shall be prorated and credited to the various funds on the basis of the amounts thereof invested, figured according to an average periodic balance or some other sound accounting principle. Interest earned on the deposit or investment of bond funds shall be deemed a part of the bond proceeds.

(f) Registered securities acquired for investment may be released from registration and transferred by signature of the official designated by the board of trustees.

(g) The board of trustees shall appoint an Investment Committee which shall consist of a minimum of three people who have sufficient financial background to review and evaluate investment options. These individuals should have experience in institutional or retail investment management with knowledge of fixed income and public equities. This committee shall make recommendations to the Board on those investment options, as well as monitor the performance of investments once made.

(h) The board of trustees shall discharge their duties with respect to the management and investment of college funds as follows:

- (4) Investment decisions shall be made impartially, taking into account the best interest of the college, with special attention to conflicts of interest or potential conflicts of interest.
- (5) Investments shall incur only costs that are appropriate and reasonable. (1981, c. 157, s. 1; c. 612, s. 1; 2005-394, s. 3; 2011-145, s. 8.20(a); 2013-305, s. 2.)

§ 115D-58.7. Selection of depository; deposits to be secured.

(a) Each board of trustees shall designate as the official depositories of the institution one or more banks, savings and loan associations or trust companies in this State. It shall be unlawful for any money belonging to an institution, other than moneys required to be deposited with the State Treasurer, to be deposited in any place, bank, savings and loan associations, or trust company other than an official depository except as permitted in G.S. 115D-58.6(a1). However, public

moneys may be deposited in official depositories in Negotiable Order of Withdrawal (NOW) accounts where permitted by applicable federal or State regulations.

(b) Money deposited in an official depository or deposited at interest pursuant to G.S. 115D-58.6(a1) shall be secured in the manner prescribed in G.S. 159-31(b). When deposits are secured in accordance with this subsection, no public officer or employee may be held liable for any losses sustained by an institution because of the default or insolvency of the depository. (1981, c. 157, s. 1; c. 612, s. 1; 2011-145, s. 8.20(b).)

§ 115D-58.8. Facsimile signatures.

The board of trustees may provide by appropriate resolution for the use of facsimile signature machines, signature stamps, or similar devices in signing checks and drafts. The board shall charge some bonded officer or employee with the custody of the necessary machines, stamps, plates, or other devices, and that person and the sureties on his official bond are liable for any illegal, improper, or unauthorized use of them. Rules and regulations governing the use and control of the facsimile signature shall be adopted by the State Board of Community Colleges. (1981, c. 157, s. 1.)

§ 115D-58.9. Daily deposits.

All moneys regardless of source or purpose collected or received by an officer, employee, or agent of an institution shall be deposited intact in accordance with this section. Each officer, employee and agent of an institution whose duty it is to collect or receive any moneys shall deposit his collections and receipts daily. If the board of trustees gives its approval, deposits may be required only when the moneys on hand amount to as much as two hundred fifty dollars (\$250.00), but in any event, a deposit shall be made on the last business day of the month. All deposits shall be made in an official depository. Tuition and all revenues declared by law to be State moneys or otherwise required to be deposited with the State Treasurer shall be deposited pursuant to the rules of the State Treasurer pursuant to G.S. 147-77. (1981, c. 157, s. 1.)

§ 115D-58.10. Surety bonds and related insurance.

The State Board of Community Colleges shall determine what State employees and employees of institutions shall give bonds or be insured for the protection of State funds and property and the State Board is authorized to place the bonds, determine adequate insurance coverage, and pay the premiums thereon from State funds.

The board of trustees of each institution shall require all institutional employees authorized to draw or approve checks or vouchers drawn on local funds, and all persons authorized or permitted to receive institutional funds from whatever source, and all persons responsible for or authorized to handle institutional property, to be bonded by a surety company authorized to do business with the State in such amount as the board of trustees deems sufficient for the protection of such property and funds. In lieu of a bond, the board of trustees may obtain and maintain adequate insurance coverage sufficient for the protection of institutional funds and property. The tax-levying authority of each institution shall provide the funds necessary for the payment of the premiums of the bonds or for insurance coverage. (1963, c. 448, s. 23; 1979, c. 462, s. 2; c. 896, s. 13; 1979, 2nd Sess., c. 1130, s. 1; 1981, c. 157, s. 1; 2019-139, s. 1.1.)

§ 115D-58.11. Fire and casualty insurance on institutional buildings and contents.

(a) The board of trustees of each institution, in order to safeguard the investment in institutional buildings and their contents, shall:

- (1) Insure and keep insured each building owned by the institution to the extent of not less than eighty percent (80%) of the current insurable value, as determined by the insured and insurer, against loss by the perils embraced in broad form coverage to include fire, lightning, windstorm, hail, explosion, aircraft or vehicles, riot or civil commotion, smoke, vandalism, sprinkler leakage, sinkhole collapse, volcanic action, falling objects, weight of snow, ice or sleet, or water damage to institutional buildings and properties.
- (2) Insure and keep insured equipment and other contents of all institutional buildings that are the property of the institution or the State or which are used in the operation of the institution.
- (3) Provide to the Commissioner of Insurance a list of all of its institution's insurable buildings, the equipment and contents of the buildings, and their insurable values by October 1 of each year.

(b) The tax-levying authority of each institution shall provide the funds necessary for the purchase of the insurance required in subsection (a) of this section.

(c) Boards of trustees may purchase insurance from companies duly licensed and authorized to sell insurance in this State or may obtain insurance in accordance with the provisions of Article 31A of Chapter 58 of the General Statutes, "State Insurance of Public Education Property." If the board of trustees of an institution purchases insurance from a company duly licensed and authorized to sell insurance in this State for any insurable building, its equipment, or its contents, the board of trustees shall provide the Commissioner with a copy of the policy of insurance. If the policy of insurance is cancelled, terminated, or changed for any reason, the board of trustees shall notify the Commissioner within five days of the effective date of the cancellation, termination, or change.

(d) If the Commissioner of Insurance determines that any person has willfully failed to comply with the provisions of subsections (a), (b), and (c) of this section, the Commissioner of Insurance may order, for each separate violation, a civil penalty under the procedures in G.S. 58-2-70(d). Every 24 hours without such insurance constitutes a separate offense violation. (1963, c. 448, s. 23; 1979, c. 462, s. 2; 1981, c. 157, s. 1; 2019-176, s. 2(a); 2022-46, s. 6(c).)

§ 115D-58.11A. Flood insurance.

(a) The board of trustees of each institution, in order to safeguard the investment in institutional buildings and their contents, shall insure and keep insured to the extent of not less than eighty percent (80%) of the current insurable value, as determined by the insurer and the insured, of each of its insurable buildings against flood when that property is located, or becomes located in, an area identified on the latest Flood Insurance Rate Map produced by the Federal Emergency Management Agency as area that will be inundated by the flood event having a one percent (1%) chance of being equaled or exceeded in any given year. The board of trustees of each institution shall provide to the Commissioner of Insurance a list of all of its institution's insurable buildings against flood and their insurable values by October 1 of each year.

(b) The tax-levying authority for each institution shall appropriate funds necessary for compliance with the provisions of subsection (a) of this section.

(c) The board of trustees may purchase insurance from companies duly licensed and authorized to sell insurance in this State or may obtain insurance in accordance with the provisions

of Article 31A of Chapter 58 of the General Statutes, "State Insurance of Public Education Property." If the board of trustees of an institution purchases insurance from a company duly licensed and authorized to sell insurance in this State for any insurable building against flood, the board of trustees shall provide the Commissioner with a copy of the policy of insurance. If the policy of insurance is cancelled, terminated, or changed for any reason, the board of trustees shall notify the Commissioner within five days of the effective date of the cancellation, termination, or change.

(d) If the Commissioner of Insurance determines that any person has willfully failed to comply with the provisions of subsections (a), (b), and (c) of this section, the Commissioner of Insurance may order, for each separate violation, a civil penalty under the procedures in G.S. 58-2-70(d). Every 24 hours without such insurance constitutes a separate violation. (2019-176, s. 2(b); 2022-46, s. 6(d).)

§ 115D-58.12. Liability insurance; tort actions against boards of trustees.

(a) Boards of trustees may purchase liability insurance only from companies duly licensed and authorized to sell insurance in this State or from other qualified companies as determined by the Department of Insurance. Each contract of insurance must, by its terms, adequately insure the board of trustees against any and all liability for any damages by reason of death or injury to person or property proximately caused by the negligence or torts of the agents and employees of such board of trustees or institution when acting within the scope of their authority or the course of their employment. Any company which enters into such a contract of insurance with a board of trustees by such act waives any defense based upon the governmental immunity of such board.

(b) Any person sustaining damages, or in case of death, his personal representative, may sue a board of trustees insured under this section for the recovery of such damages in any court of competent jurisdiction in this State, but only in a county of the administrative area of the institution against which the suit is brought; and it shall be no defense to any such action that the negligence or tort complained of was in pursuance of a governmental, municipal, or discretionary function of such board of trustees, to the extent that such board is insured as provided by this section.

(c) Nothing in this section shall be construed to deprive any board of trustees of any defense whatsoever to any action for damages, or to restrict, limit, or otherwise affect any such defense; and nothing in this section shall be construed to relieve any person sustaining damages or any personal representative of any decedent from any duty to give notice of such claim to the board of trustees or commence any civil action for the recovery of damages within the applicable period of time prescribed or limited by law.

(d) No part of the pleadings which relate to or allege facts as to a defendant's insurance against liability shall be read or mentioned in the presence of the trial jury in any action brought pursuant to this section. Liability shall not attach unless the plaintiff shall waive the right to have all issues of law and fact relating to insurance in such action determined by a jury, and such issues shall be heard and determined by the judge without resort to a jury, and the jury shall be absent during any motions, arguments, testimony, or announcements of findings of fact or conclusions of law with respect thereto, unless the defendant shall request jury trial thereon.

(e) The board of trustees of all institutions in this Chapter is authorized to pay as a necessary expense the lawful premiums of liability insurance provided in this section. (1963, c. 448, s. 23; 1979, c. 462, s. 2; 1981, c. 157, s. 1; 1985, c. 489.)

§ 115D-58.13. Vending facilities.

Moneys received by an institution on account of operation of vending facilities shall be deposited, budgeted, appropriated, and expended in accordance with the provisions of this Article. (1983 (Reg. Sess., 1984), c. 1034, s. 170.)

§ 115D-58.14. Purchasing flexibility.

(a) Community colleges may purchase supplies, equipment, and materials from noncertified sources that are available under State term contracts, subject to the following conditions:

- (1) The purchase price, including the cost of delivery, is less than the cost under the State term contract;
- (2) The cost of the purchase shall not exceed the bid value benchmark established under G.S. 143-53.1; and
- (3) The items are the same or substantially similar in quality, service, and performance as items available under State term contracts.

(a1) Notwithstanding the provisions of this section, a community college may purchase, in any lawful manner, an item that is neither available under State term contracts nor substantially similar to an item available under State term contracts.

(b) The State Board of Community Colleges and the Department of Administration shall jointly adopt policies and procedures for monitoring the implementation of this section, including without limitation (i) definitions of substantial similarity, (ii) the content and frequency of reports and audits of such purchases, and (iii) a process for identifying any term contract existing as of October 1, 2009, with respect to which the exercise of purchasing flexibility could constitute a breach of that contract.

In the formation of each new term contract entered into after October 1, 2009, the Department of Administration shall, in its discretion, either provide in the contract for the purchasing flexibility set out in this section or make the term contract inapplicable to community colleges.

(c) The State Board of Community Colleges, in consultation with the Department of Administration, shall review the purchasing process for community colleges and may increase or decrease the purchasing/delegation benchmark for each community college based on the college's overall capabilities, including staff resources, purchasing compliance reviews, and audit reports. The State Board may, in its discretion, reduce a community college's purchasing/delegation benchmark at anytime. The State Board shall not increase a community college's purchasing/delegation benchmark by more than fifteen percent (15%) in any calendar year without the concurrence of the Department of Administration within 60 days of submission. The maximum purchasing/delegation benchmark for a community college shall be one hundred thousand dollars (\$100,000). (1998-68, s. 2; 2005-103, s. 5; 2009-132, s. 1.)

§ 115D-58.15. Lease purchase and installment purchase contracts for equipment and real property.

(a) Authority. – Notwithstanding any other provision of law to the contrary, the board of trustees of a community college may use lease purchase or installment purchase contracts to purchase or finance the purchase of equipment or real property as provided in this section. A college shall not have more than five State-funded contracts in effect at any one time.

(b) Contract Approval. – Contracts for more than one hundred thousand dollars (\$100,000) or for a term of more than three years shall be subject to review and approval as provided in this subsection. If the source of funds for payment of the obligation by the community college is

intended to be local funds, the contract must be approved by resolution of the tax-levying authority, and the authority must acknowledge in writing its understanding that the community college may require appropriations from the tax-levying authority in order to meet the college's obligations under the contract. The tax-levying authority may in each fiscal year appropriate sufficient funds to meet the amounts to be paid during the fiscal year under the contract. The source of funds for lease purchase or installment purchase contracts for real property shall be local funds. If the source of funds for payment of the obligation by the community college is intended to be State funds, the contract must be approved by resolution of the State Board of Community Colleges. The State Board may in each fiscal year allocate sufficient funds to meet the amounts to be paid during the fiscal year under the contract.

(c) Local Government Commission. – A contract that is subject to approval by the tax-levying authority also shall be subject to approval by the Local Government Commission as provided in Article 8 of Chapter 159 of the General Statutes if the contract:

- (1) Extends for five or more years from the date of the contract;
- (2) Obligates the board of trustees to pay sums of money to another, regardless of whether the payee is a party to the contract; and
- (3) Obligates the board of trustees to pay five hundred thousand dollars (\$500,000) or more over the full term of the contract.

(d) Application of Section. – When determining whether a contract is subject to approval under this section the total cost of exercising an option to upgrade property shall be taken into consideration. The term of a contract shall include periods that may be added to the original term through the exercise of an option to renew or extend.

(e) Nonsubstitution Clause. – No contract entered into under this section may contain a nonsubstitution clause that restricts the right of a board of trustees to:

- (1) Continue to provide a service or activity; or
- (2) Replace or provide a substitute for any property financed or purchased by the contract.

§ 115D-94: Repealed by Session Laws 1983 (Regular Session, 1984), c. 995, s. 17.

§ 115D-95. Bonds required.

(a) Requirement. – An applicant for a license must comply with the bond requirements in this section. The bond covers the potential loss by students of the school of prepaid tuition and other payments made by them to a school licensed under this Article by reason of the school ceasing to operate for any reason, including the suspension, revocation, or nonrenewal of a school's license, bankruptcy, or foreclosure.

(b) Amount. – An applicant for a license must file a bond with the North Carolina State Board of Community Colleges executed by the applicant as a principal and by a bonding company authorized to do business in this State. The bond must be payable to the State Board of Community Colleges, must be conditioned on fulfillment of the school's obligations, and must remain in effect until cancelled by the bonding company. The bonding company may cancel the bond upon 30 days' notice to the State Board of Community Colleges.

The application must set out calculations made by the applicant to determine the amount of bond required with the application. The required amount is determined as follows:

- (1) Initial licensure. – For an applicant for initial licensure of a school, the bond amount is the amount determined by the State Board that is adequate to provide indemnification to any student, or the student's parent or guardian who has suffered a loss of tuition, fees, or any other instructional-related expenses paid to the school. A bond amount shall be at least twenty-five thousand dollars (\$25,000).
- (2) First four renewals. – For a school that has been licensed for one year but less than six years, the bond shall be in an amount equal to the greatest amount of unearned paid tuition in the school's possession at anytime during the prior fiscal year. The bond amount shall be evaluated by the school quarterly and reported to the State Board or its representative. A quarterly evaluation requiring an increase of five percent (5%) or more in the amount of the bond held by the school shall require an immediate increase in the bond amount. Bond amounts also shall be evaluated pursuant to this subdivision and the rules of the State Board of Community Colleges and State Board of Proprietary Schools at the time of the school's annual license renewal and increased if necessary regardless of the amount of the change.
- (3) Schools in operation more than five years. – A guaranty bond shall be required for license renewal for a school that has been continuously licensed to operate for more than five years in the State, as follows:
 - a. If the balance of the Student Protection Fund in G.S. 115D-95.1 is below the catastrophic loss amount, the school shall file a guaranty bond in an amount equal to the maximum amount of prepaid tuition held by the school during the prior fiscal year multiplied by the percentage amount the fund is deficient.

- b. If the school held prepaid tuition in excess of the Student Protection Fund catastrophic loss amount during the prior fiscal year, in addition to any bond amount required by sub-subdivision a. of this subdivision, the school shall file a guaranty bond for the difference between the prepaid tuition amount held in the previous fiscal year and the Fund catastrophic loss amount.

(c) An applicant that is unable to secure a bond may seek a waiver of the guaranty bond from the State Board of Community Colleges and approval of one of the guaranty bond alternatives set forth in this subsection. With the approval of the State Board, an applicant may obtain in lieu of a bond:

- (1) An assignment of a savings account in an amount equal to the bond required (i) which is in a form acceptable to the State Board of Community Colleges; (ii) which is executed by the applicant; and (iii) which is executed by a state or federal savings and loan association, state bank, or national bank, that is doing business in North Carolina and whose accounts are insured by a federal depositors corporation; and (iv) for which access to the account in favor of the State of North Carolina is subject to the same conditions as for a bond in subsection (b) of this section.
- (2) A certificate of deposit (i) which is executed by a state or federal savings and loan association, state bank, or national bank, which is doing business in North Carolina and whose accounts are insured by a federal depositors corporation; and (ii) which is either payable to the State of North Carolina, unrestrictively endorsed to the State Board of Community Colleges; in the case of a negotiable certificate of deposit, is unrestrictively endorsed to the State Board of Community Colleges; or in the case of a nonnegotiable certificate of deposit, is assigned to the State Board of Community Colleges in a form satisfactory to the State Board; and (iii) for which access to the certificate of deposit in favor of the State of North Carolina is subject to the same conditions as for a bond in subsection (b) of this section. (1955, c. 1372, art. 30, s. 5; 1957, c. 1000; 1961, c. 1175, s. 9; 1981, c. 423, s. 1; 1987, c. 442, ss. 1, 2; 1989 (Reg. Sess., 1990), c. 824, s. 1; 2009-562, s. 2; 2011-308, s. 8.)

§ 115D-95.1. Student Protection Fund.

(a) Definitions. – As used in this section:

- (1) "Catastrophic loss amount" means the amount of funds required to protect prepaid student tuition in case of a large-scale event that would draw against the Student Protection Fund. The amount is one million dollars (\$1,000,000).
- (2) "Fund cap amount" means the catastrophic loss amount plus a reserve amount. The amount is one million five hundred thousand dollars (\$1,500,000).

(b) Student Protection Fund. – The Student Protection Fund is established in the Department of State Treasurer as a statewide fee-supported fund. Interest accruing to the Fund is credited to the Fund. The State Board of Proprietary Schools administers the Fund. The purpose of the Fund is to compensate students enrolled in a proprietary school licensed under this Article who have suffered a loss of tuition, fees, or any other instructional-related expenses paid to the school by reason of the failure of the school to offer or complete student instruction, academic services, or other goods and services related to course enrollment if the school ceases to operate for any reason,

including the suspension, revocation, or nonrenewal of a school's license, bankruptcy, or foreclosure.

(c) Student Protection Fund Advisory Committee. – The State Board of Proprietary Schools shall serve as the Student Protection Advisory Committee. The Committee shall advise the State Board of Community Colleges on matters related to the Fund, including, but not limited to, the adjustment of the catastrophic loss amount and Fund cap amount.

(d) Initial Payment. – Prior to its first year of operation in the State, each proprietary school shall pay an initial amount of one thousand two hundred fifty dollars (\$1,250) into the Fund.

(e) Annual Revenue Payment. – Each proprietary school operating in the State shall pay annually into the Fund an amount based on its annual gross tuition revenue generated in the State as follows:

Annual Gross Tuition Revenue	Amount of Assessment
\$1.00 – \$25,000	\$200.00
\$25,001 – \$50,000	\$250.00
\$50,001 – \$100,000	\$300.00

\$300,001 – \$400,000	\$600.00

\$750,001 – \$1,000,000	\$1,250
\$1,000,001 – \$1,500,000	\$1,500
\$1,500,001 – \$2,000,000	\$2,000
Greater than \$2,000,000	\$2,000 plus one-twentieth of one percent (.05%) of annual gross tuition revenue over \$2,000,000.

(f) Suspension of Payments. – If the Student Protection Fund balance is equal to or exceeds the Fund cap amount, the State Board of Proprietary Schools shall suspend payments into the Fund for schools that have been continuously licensed in the State for more than eight years. The State Board of Proprietary Schools shall require schools to resume payments into the Fund if the balance of the Fund is less than the catastrophic loss amount.

(g) Catastrophic Assessments. – If claims against the Student Protection Fund exceed the catastrophic loss amount, the State Board of Proprietary Schools may assess additional fees to the extent necessary to compensate students qualified for repayment under the Fund. The amount of the catastrophic assessment shall not exceed one-half of the amount of the annual revenue payment required by subsection (e) of this section. If the amount of the catastrophic assessment will be insufficient to cover qualified claims, the State Board shall develop a method of allocating funds among claims.

(h) Payment Required for Proprietary School Licensure. – The full and timely payment into the Fund pursuant to this section is a condition of licensure.

(i) Payments Nonrefundable. – No payment to the Student Protection Fund shall be refunded in the event that a school's license application is rejected or a school's license is suspended or revoked.

(j) Student Repayment. – A student, or the student's parent or guardian, who has suffered a loss of tuition, fees, or any other instructional-related expenses paid to a proprietary school licensed under this Article by reason of the school ceasing to operate for any reason, including the

suspension, revocation, or nonrenewal of a school's license, bankruptcy, or foreclosure, may qualify for repayments under the Student Protection Fund. The State Board of Community Colleges first must issue repayment from the bonds issued under G.S. 115D-95. If the Student Protection Fund is insufficient to cover the qualified claims, the State Board must develop a method of allocating funds among claims.

(k) Rules. – The State Board of Proprietary Schools shall adopt rules for the implementation of this section. (2009-562, s. 4; 2011-308, s. 9.)
