

Chapter 153A.

Counties.

Article 1.

Definitions and Statutory Construction.

§ 153A-1. Definitions.

Unless otherwise specifically provided, or unless otherwise clearly required by the context, the words and phrases defined in this section have the meaning indicated when used in this Chapter.

- (1) "City" means a city as defined by G.S. 160A-1(2), except that it does not include a city that, without regard to its date of incorporation, would be disqualified from receiving gasoline tax allocations by G.S. 136-41.2(a).
- (2) "Clerk" means the clerk to the board of commissioners.
- (3) "County" means any one of the counties listed in G.S. 153A-10.
- (4) "General law" means an act of the General Assembly that applies to all units of local government, to all counties, to all counties within a class defined by population or other criteria, to all cities, or to all cities within a class defined by population or other criteria, including a law that meets the foregoing standards but contains a clause or section exempting from its effect one or more counties, cities, or counties and cities.
- (5) "Local act" means an act of the General Assembly that applies to one or more specific counties, cities, or counties and cities by name. "Local act" is interchangeable with the terms "special act," "special law," "public-local act," and "private act," is used throughout this Chapter in preference to those terms, and means a local act as defined in this subdivision without regard to the terminology employed in local acts or other portions of the General Statutes.
- (6) "Publish," "publication," and other forms of the verb "to publish" mean insertion in a newspaper qualified under G.S. 1-597 to publish legal advertisements in the county. (1973, c. 822, s. 1.)

§ 153A-2. Effect on prior laws and actions taken pursuant to prior laws.

The provisions of this Chapter, insofar as they are the same in substance as laws in effect as of December 31, 1973, are intended to continue those laws in effect and not to be new enactments. The enactment of this Chapter does not require the readoption of any county or city ordinance adopted pursuant to laws that were in effect as of December 31, 1973, and that are restated or revised in this Chapter. The provisions of this Chapter do not affect any act heretofore done, any liability incurred, any right accrued or vested, or any suit or prosecution begun or cause of action accrued as of January 1, 1974. (1973, c. 822, s. 1.)

§ 153A-3. Effect of Chapter on local acts.

(a) Except as provided in this section, nothing in this Chapter repeals or amends a local act in effect as of January 1, 1974, or any portion of such an act, unless this Chapter or a subsequent enactment of the General Assembly clearly shows a legislative intent to repeal or supersede that local act.

(b) If this Chapter and a local act each provide a procedure that contains every action necessary for the performance or execution of a power, right, duty, function, privilege, or immunity, the two procedures may be used in the alternative, and a county may follow either one.

(c) If this Chapter and a local act each provide a procedure for the performance or execution of a power, right, duty, function, privilege, or immunity, but the local act procedure does not contain every action necessary for the performance or execution, the two procedures may be used in the alternative, and a county may follow either one; but the local act procedure shall be supplemented as necessary by this Chapter's procedure. If a local act procedure is being supplemented in such a manner, and there is a conflict or inconsistency between the local act procedure and this Chapter's procedure, the local act procedure shall be followed.

(d) If a power, right, duty, function, privilege, or immunity is conferred on counties by this Chapter, and a local act enacted earlier than this Chapter omits or expressly denies or limits the same power, right, duty, function, privilege, or immunity, this Chapter supersedes the local act. (1973, c. 822, s. 1.)

§ 153A-4. Broad construction.

It is the policy of the General Assembly that the counties of this State should have adequate authority to exercise the powers, rights, duties, functions, privileges, and immunities conferred upon them by law. To this end, the provisions of this Chapter and of local acts shall be broadly construed and grants of power shall be construed to include any powers that are reasonably expedient to the exercise of the power. (1973, c. 822, s. 1.)

§ 153A-5. Statutory references deemed amended to conform to Chapter.

If a reference is made in another portion of the General Statutes, in a local act, or in a city or county ordinance, resolution, or order to a portion of Chapter 153, and the reference is to Chapter 153 as it existed immediately before February 1, 1974, the reference is deemed amended to refer to that portion of this Chapter that most nearly corresponds to the repealed or superseded portion of Chapter 153. (1973, c. 822, s. 1.)

§§ 153A-6 through 153A-9. Reserved for future codification purposes.

(b) Notwithstanding the provisions of G.S. 153A-158, 160A-240.1, 130A-55, or any other general law or local act conferring the power to acquire real property, before any county, city or town, special district, or other unit of local government which is located wholly or primarily outside another county acquires any real property located in the other county by exchange, purchase or lease, it must have the approval of the county board of commissioners of the county where the land is located.

(c) This section applies to Alamance, Alleghany, Anson, Ashe, Bertie, Bladen, Brunswick, Burke, Buncombe, Cabarrus, Caldwell, Camden, Carteret, Caswell, Catawba, Chatham, Cherokee, Clay, Cleveland, Columbus, Craven, Cumberland, Currituck, Dare, Davidson, Davie, Duplin, Durham, Edgecombe, Forsyth, Franklin, Gaston, Gates, Graham, Granville, Greene, Guilford, Halifax, Harnett, Haywood, Henderson, Hoke, Hyde, Iredell, Jackson, Johnston, Jones, Lee, Lenoir, Lincoln, Macon, Madison, Martin, McDowell, Mecklenburg, Montgomery, Nash, New Hanover, Northampton, Onslow, Orange, Pamlico, Pasquotank, Pender, Perquimans, Person, Pitt, Polk, Richmond, Robeson, Rockingham, Rowan, Rutherford, Sampson, Scotland, Stanly, Stokes, Surry, Swain, Transylvania, Union, Vance, Wake, Warren, Watauga, Wayne, Wilkes, and Yancey Counties only.

(1981, c. 134, ss. 1, 2; c. 270, ss. 1, 2; c. 283, ss. 1-3; c. 459, s. 1; c. 941, s. 1; 1981 (Reg. Sess., 1982), c. 1150, s. 1; 1989 (Reg. Sess., 1990), c. 973, s. 1; c. 1061, s. 1; 1991, c. 615, s. 3; 1991 (Reg. Sess., 1992), c. 790, s. 1; 1993 (Reg. Sess., 1994), c. 624, s. 1; c. 628, s. 1; 1995 (Reg. § 153A-15.1. Agreement to make payment in lieu of future ad valorem taxes required before wetlands acquisition by a unit of local government.

(a) Condemnation. – Notwithstanding the provisions of G.S. 153A-15, Chapter 40A of the General Statutes, or any other general law or local act conferring the power of eminent domain, before a final judgment may be entered or a final condemnation resolution adopted in an action of condemnation initiated by a unit of local government whose property is exempt from tax under Section 2(3) of Article V of the North Carolina Constitution, whereby the condemnor seeks to acquire land for the purpose of wetlands mitigation, the condemnor shall agree in writing to pay to the county where the land is located a sum equal to the estimated amount of ad valorem taxes that would have accrued to the county for the next 20 years had the land not been acquired by the condemnor.

(b) Purchase. – Notwithstanding the provisions of G.S. 130A-55, 153A-15, 153A-158, 160A-240.1, or any other general law or local act conferring the power to acquire real property, before any unit of local government whose property is exempt from tax under Section 2(3) of Article V of the North Carolina Constitution purchases any land for the purpose of wetlands mitigation, the unit shall agree in writing to pay to the county where the land is located a sum equal to the estimated amount of ad valorem taxes that would have accrued to the county for the next 20 years had the land not been acquired by the acquiring unit.

(c) Definition. – For purposes of this section, the "estimated amount of ad valorem taxes that would have accrued for the next 20 years" means the total assessed value of the acquired land excluded from the county's tax base multiplied by the tax rate set by the county board of commissioners in its most recent budget ordinance adopted under Chapter 159 of the General Statutes, and then multiplied by 20.

(d) Exception. – This section does not apply to any condemnation or acquisition of land by a city or special district if the land to be condemned or acquired is within the corporate limits of that city or special district or within the county where the city or special district is located.

(e) Application. – This section applies only to land acquired in counties designated as a development tier one area under G.S. 143B-437.08. (2004-188, s. 1; 2006-252, s. 2.17.)

§ 153A-16. Reserved for future codification purposes.

Article 3.

Boundaries.

§ 153A-17. Existing boundaries.

The boundaries of each county shall remain as presently established, until changed in accordance with law. (1973, c. 822, s. 1.)

§ 153A-18. Uncertain or disputed boundary.

(a) If two or more counties are uncertain as to the exact location of the boundary between them, the North Carolina Geodetic Survey (NCGS), on a cooperative basis, shall assist counties in defining and monumenting the location of the uncertain or disputed boundary as established in accordance with law. Upon receiving written request from all counties adjacent to the uncertain or disputed boundary, the NCGS may cause the boundary to be surveyed, marked, and mapped. The counties may appoint special commissioners to supervise the surveying, marking, and mapping. A commissioner so appointed or a person surveying or marking the boundary may enter upon private property to view and survey the boundary or to erect boundary markers. Upon ratification of the survey by the board of commissioners of each county, a map showing the surveyed boundary shall be recorded in the office of the register of deeds of each county in the manner provided by law for the recordation of maps or plats and in the Secretary of State's office. The map shall contain a reference to the date of each resolution of ratification and to the page in the minutes of each board of commissioners where the resolution may be found. Upon recordation, the map is conclusive as to the location of the boundary. Upon reestablishing all, or some portion, of a county boundary, and if after the NCGS submits the results of the survey to the requesting counties, and the requesting counties have not ratified the reestablished boundary within one year of receiving the (map) survey plat denoting the location of the reestablished boundary, the survey plat will become conclusive as to the location of the boundary and will be recorded in the Register of Deeds in each affected county and in the Secretary of State's office. The Chief of the NCGS (State Surveyor) will notify each affected party in writing of the action taken. As used in this subsection, an "affected party" means both (i) the governing body of a county that the reestablished boundary denotes the extent of its jurisdiction and (ii) a property owner whose real property has been placed in whole or in part in another county due to the reestablished boundary. The North Carolina Geodetic Survey maintained by the Division of Emergency Management of the Department of Public Safety is the authoritative source for North Carolina county and State boundary information.

(b) If two or more counties dispute the exact location of the boundary between them, and the dispute cannot be resolved pursuant to subsection (a) of this section, any of the counties may apply to a superior court judge who has jurisdiction pursuant to G.S. 7A-47.1 or 7A-48 in any of the districts or sets of districts as defined in G.S. 7A-41.1 in which any of the counties is located for appointment of a boundary commission. The application shall identify the disputed boundary and ask that a boundary commission be appointed. Upon receiving the application, the court shall set a date for a hearing on whether to appoint the commission. The court shall cause notice of the hearing to be served on the other county or counties. If, after the hearing, the court finds that the location of the boundary is disputed, it shall appoint a boundary commission.

The commission shall consist of one resident of each disputing county and a resident of some other county. The court may appoint one or more surveyors to assist the commission. The

commission shall locate, survey, and map and may mark the disputed boundary. To do so it may take evidence and hear testimony, and any commissioner and any person surveying or marking the boundary may enter upon private property to view and survey the boundary or to erect boundary markers. Within 45 days after the day it is appointed, unless this time is extended by the court, the commission shall make its report (which shall include a map of the surveyed boundary) to the court. To be sufficient, the report must be concurred in by a majority of the commissioners. If the court is satisfied that the commissioners have made no error of law, it shall ratify the report, after which the map shall be recorded in the office of the register of deeds of each county in the manner provided by law for the recordation of maps or plats and in the Secretary of State's office. Upon recordation, the map is conclusive as to the location of the boundary.

The disputing counties shall divide equally the costs of locating, surveying, marking, and mapping the boundary, unless the court finds that an equal division of the costs would be unjust. In that case the court may determine the division of costs.

(c) Two or more counties may establish the boundary between them pursuant to subsection (a) of this section. Those boundaries are defined by natural monuments such as rivers, streams, and ridgelines. The use of base maps prepared from orthophotography or Light Detection and Ranging may be used if said natural monuments are visible, which base maps are referenced and connected to the North Carolina State Plane Coordinate System established pursuant to Chapter 102 of the General Statutes. The orthophotography or Light Detection and Ranging shall be prepared in compliance with the State's adopted orthophotography Light Detection and Ranging standard, respectively. Upon ratification of the location of the boundary determined from orthophotography, Light Detection and Ranging, or a combination of both, by the board of commissioners of each county, the map showing the boundary and the monuments of the National Geodetic Survey and North Carolina Coordinate System shall be recorded in the Office of the Register of Deeds of each county and in the Secretary of State's office. The map shall contain a reference to the date of each resolution of ratification and to the page in the minutes of each board of commissioners where the resolution may be found and county boundary metadata and State plane coordinates of all county boundary points information. Upon recordation, the map is conclusive as to the location of the boundary. (1836, c. 3; R.C., c. 27; Code, s. 721; Rev., s. 1322; C.S., s. 1299; 1925, c. 251; 1973, c. 822, s. 1; 1987 (Reg. Sess., 1988), c. 1037, s. 121; 1997-299, s. 1; 2017-170, s. 2; 2023-92, s. 3.)

§ 153A-19. Establishing and naming townships.

(a) A county may by resolution establish and abolish townships, change their boundaries, and prescribe their names, except that no such resolution may become effective during the period beginning January 1, 1998, and ending January 2, 2000, and any resolution providing that the boundaries of a township shall change automatically with changes in the boundaries of a city shall not be effective during that period. The current boundaries of each township within a county shall at all times be drawn on a map, or set out in a written description, or shown by a combination of these techniques. This current delineation shall be available for public inspection in the office of the clerk.

(b) Any provision of a city charter or other local act which provides that the boundaries of a township shall change automatically upon a change in a city boundary shall not be effective during the period beginning January 1, 1998, and ending January 2, 2000.

(c) The county manager or, where there is no county manager, the chairman of the board of commissioners, shall report township boundaries and changes in those boundaries to the United States Bureau of the Census in the Boundary and Annexations Survey. In responding to the

surveys, each county manager or, if there is no manager, chairman of the board of commissioners shall consult with the county board of elections and other appropriate local agencies as to the location of township boundaries, so that the Census Bureau's mapping of township boundaries does not disagree with any county voting precinct boundaries that may be based on township boundaries. (1868, c. 20, s. 8; Code, s. 707; Rev., s. 1318; C.S., s. 1297; 1973, c. 822, s. 1; 1987, c. 715, s. 1; c. 879, s. 2; 1993, c. 352, s. 1; 1995, c. 423, s. 4.)

§ 153A-20. Map of electoral districts.

If a county is divided into electoral districts for the purpose of nominating or electing persons to the board of commissioners, the current boundaries of the electoral districts shall at all times be drawn on a map, or set out in a written description, or shown by a combination of these techniques. This current delineation shall be available for public inspection in the office of the clerk. (1973, c. 822, s. 1.)

§ 153A-21. Repealed by Session Laws 1973, c. 884.

§ 153A-22. Redefining electoral district boundaries.

(a) If a county is divided into electoral districts for the purpose of nominating or electing persons to the board of commissioners, the board of commissioners may find as a fact whether there is substantial inequality of population among the districts.

(b) If the board finds that there is substantial inequality of population among the districts, it may by resolution redefine the electoral districts.

(c) Redefined electoral districts shall be so drawn that the quotients obtained by dividing the population of each district by the number of commissioners apportioned to the district are as nearly equal as practicable, and each district shall be composed of territory within a continuous boundary.

(d) No change in the boundaries of an electoral district may affect the unexpired term of office of a commissioner residing in the district and serving on the board on the effective date of the resolution. If the terms of office of members of the board do not all expire at the same time, the resolution shall state which seats are to be filled at the initial election held under the resolution.

(e) A resolution adopted pursuant to this section shall be the basis of electing persons to the board of commissioners at the first general election for members of the board of commissioners occurring after the resolution's effective date, and thereafter. A resolution becomes effective upon its adoption, unless it is adopted during the period beginning 150 days before the day of a primary and ending on the day of the next succeeding general election for membership on the board of commissioners, in which case it becomes effective on the first day after the end of the period.

(f) Not later than 10 days after the day on which a resolution becomes effective, the clerk shall file in the Secretary of State's office, in the office of the register of deeds of the county, and with the chairman of the county board of elections, a certified copy of the resolution.

(g) This section shall not apply to counties where under G.S. 153A-58(3)d. or under public or local act, districts are for residence purposes only, and the qualified voters of the entire county nominate all candidates for and elect all members of the board. (1981, c. 795.)

§§ 153A-23 through 153A-24. Reserved for future codification purposes.

Article 4.

Form of Government.

Part 1. General Provisions.

§ 153A-25. Qualifications for appointive office.

The board of commissioners may fix qualifications for any appointive office, including a requirement that a person serving in such an office reside within the county. The board may not waive qualifications fixed by law for an appointive office but may fix additional qualifications for that office. (1973, c. 822, s. 1.)

§ 153A-26. Oath of office.

Each person elected by the people or appointed to a county office shall, before entering upon the duties of the office, take and subscribe the oath of office prescribed in Article VI, Sec. 7 of the Constitution. The oath of office shall be administered by some person authorized by law to administer oaths and shall be filed with the clerk to the board of commissioners.

On the first Monday in December following each general election at which county officers are elected, the persons who have been elected to county office in that election shall assemble at the regular meeting place of the board of commissioners. At that time each such officer shall take and subscribe the oath of office. An officer not present at this time may take and subscribe the oath at a later time. (1868, c. 20, s. 8; 1874-5, c. 237, s. 3; Code, ss. 707, 708; 1895, c. 135, ss. 3, 4; Rev., ss. 1316, 1318; C.S., ss. 1295, 1297; 1965, c. 26; 1973, c. 822, s. 1; 2015-24, s. 1.)

§ 153A-27. Vacancies on the board of commissioners.

(a) If a vacancy occurs on the board of commissioners, the remaining members of the board shall appoint a qualified person to fill the vacancy. If the number of vacancies on the board is such that a quorum of the board cannot be obtained, the chairman of the board shall appoint enough members to make up a quorum, and the board shall then proceed to fill the remaining vacancies. If the number of vacancies on the board is such that a quorum of the board cannot be obtained and the office of chairman is vacant, the clerk of superior court of the county shall fill the vacancies upon the request of any remaining member of the board or upon the petition of any five registered voters of the county. If for any other reason the remaining members of the board do not fill a vacancy within 60 days after the day the vacancy occurs, the clerk shall immediately report the vacancy to the clerk of superior court of the county. The clerk of superior court shall, within 10 days after the day the vacancy is reported to him, fill the vacancy.

(b) If the member being replaced was serving a two-year term, or if the member was serving a four-year term and the vacancy occurs later than 60 days before the general election for county commissioner held after the first two years of the term, the appointment to fill the vacancy is for the remainder of the unexpired term. Otherwise, the term of the person appointed to fill the vacancy extends to the first Monday in December next following the first general election for county commissioner held more than 60 days after the day the vacancy occurs; at that general election, a person shall be elected to the seat vacated, either to the remainder of the unexpired term or, if the term has expired, to a full term.

(c) To be eligible for appointment to fill a vacancy, a person must (i) be a member of the same political party as the member being replaced, if that member was elected as the nominee of a political party, and (ii) be a resident of the same district as the member being replaced, if the county is divided into electoral districts. The board of commissioners or the clerk of superior court, as the case may be, shall consult the county executive committee of the appropriate political party before filling a vacancy, but neither the board nor the clerk of the superior court is bound by the

committee's recommendation. (Code, s. 719; 1895, c. 135, s. 7; Rev., s. 1314; 1909, c. 490, s. 1; C.S., s. 1294; 1959, c. 1325; 1965, cc. 239, 382; 1967, cc. 7, 424, 439, 1022; 1969, cc. 82, 222; 1971, c. 743, s. 1; 1973, c. 822, s. 1; 1985, c. 563, ss. 7.3, 7.4; 2017-2, s. 1.)

§ 153A-27.1. Vacancies on board of commissioners in certain counties.

(a) If a vacancy occurs on the board of commissioners, the remaining members of the board shall appoint a qualified person to fill the vacancy. If the number of vacancies on the board is such that a quorum of the board cannot be obtained, the chairman of the board shall appoint enough members to make up a quorum, and the board shall then proceed to fill the remaining vacancies. If the number of vacancies on the board is such that a quorum of the board cannot be obtained and the office of chairman is vacant, the clerk of superior court of the county shall fill the vacancies upon the request of any remaining member of the board or upon the petition of any registered voters of the county.

(b) If the member being replaced was serving a two-year term, or if the member was serving a four-year term and the vacancy occurs later than 60 days before the general election for county commissioner held after the first two years of the term, the appointment to fill the vacancy is for the remainder of the unexpired term. Otherwise, the term of the person appointed to fill the vacancy extends to the first Monday in December next following the first general election for county commissioner held more than 60 days after the day the vacancy occurs; at that general election, a person shall be elected to the seat vacated for the remainder of the unexpired term.

(c) To be eligible for appointment to fill a vacancy, a person must (i) be a member of the same political party as the member being replaced, if that member was elected as the nominee of a political party, and (ii) be a resident of the same district as the member being replaced, if the county is divided into electoral districts.

(d) If the member who vacated the seat was elected as a nominee of a political party, the board of commissioners, the chairman of the board, or the clerk of superior court, as the case may be, shall consult the county executive committee of the appropriate political party before filling the vacancy, and shall appoint the person recommended by the county executive committee of the political party of which the commissioner being replaced was a member, if the party makes a recommendation within 30 days of the occurrence of the vacancy.

(e) Whenever because of G.S. 153A-58(3)b. or because of any local act, only the qualified voters of an area which is less than the entire county were eligible to vote in the general election for the member whose seat is vacant, the appointing authority must accept the recommendation only if the county executive committee restricted voting to committee members who represent precincts all or part of which were within the territorial area of the district of the county commissioner.

(f) The provisions of any local act which provides that a county executive committee of a political party shall fill any vacancy on a board of county commissioners are repealed.

(g) Counties subject to this section are not subject to G.S. 153A-27.

(h) This section shall apply only in the following counties: Alamance, Alexander, Alleghany, Avery, Beaufort, Brunswick, Buncombe, Caldwell, Carteret, Cherokee, Clay, Cleveland, Cumberland, Dare, Davidson, Davie, Forsyth, Graham, Guilford, Harnett, Haywood, Henderson, Hyde, Jackson, Lee, Lincoln, Macon, Madison, McDowell, Mecklenburg, Moore, Onslow, Pender, Polk, Randolph, Rockingham, Rutherford, Sampson, Stanly, Stokes, Transylvania, and Yancey. § 153A-28. Compensation of board of commissioners.

(a) The board of commissioners may fix the compensation and allowances of the chair and other members of the board by inclusion of the compensation and allowances in and adoption of the budget ordinance. In addition, if the chair or any other member of the board becomes a full-time county official, pursuant to G.S. 153A-81 or 153A-84, the compensation and allowances may be adjusted at any time during that person's service as a full-time official, for the duration of that service.

(b) In addition to any other enforcement available, the finance officer of the county shall garnish compensation paid under this section to any chair or other board member to collect any unpaid monies due to the county for county services until such debt is paid in full using the procedure for attachment and garnishment set forth in G.S. 105-368 as if unpaid monies due to the county for county services were delinquent taxes and that finance officer were the tax collector. The provision of G.S. 105-368(a) that limits the amount of compensation that may be garnished to not more than ten percent (10%) for any one pay period shall not apply to this subsection. (Code, s. 709; Rev., s. 2785; 1907, c. 500; C.S., s. 3918; 1969, c. 180, s. 1; 1971, c. 1125, s. 1; 1973, c. 822, s. 1; 2021-191, s. 2(a).)

§ 153A-29. Repealed by Session Laws 1975, c. 514, s. 17.

§ 153A-30. Withholding compensation; money judgment against board member.

In addition to any other enforcement available, the finance officer of a county that obtains a final judgment awarding monetary damages against an elected or appointed member of the board of commissioners, either individually or jointly, may enforce that final judgment using any of the remedies set forth in G.S. 105-366(b) or the procedure for attachment and garnishment set forth in G.S. 105-368 as if final judgment awarding monetary damages were delinquent taxes and that finance officer were the tax collector. The provision of G.S. 105-368(a) that limits the amount of compensation that may be garnished to not more than ten percent (10%) for any one pay period shall not apply to this section. Part 2. Structure of the Board of Commissioners.

§ 153A-34. Structure of boards of commissioners.

Each county is governed by a board of commissioners. The structure and manner of election of the board of commissioners in each county shall remain as it is on February 1, 1974, until changed in accordance with law. (Rev., s. 1311; C.S., s. 1292; 1973, c. 822, s. 1.)

§§ 153A-35 through 153A-38. Reserved for future codification purposes.

Part 3. Organization and Procedures of the Board of Commissioners.

§ 153A-39. Selection of chairman and vice-chairman; powers and duties.

On:

- (1) The first Monday in December of each even-numbered year; and
- (2) Its first regular meeting in December of each odd-numbered year,

the board of commissioners shall choose one of its members as chairman for the ensuing year, unless the chairman is elected as such by the people or otherwise designated by law. The board shall also at that time choose a vice-chairman to act in the absence or disability of the chairman. If the chairman and the vice-chairman are both absent from a meeting of the board, the members present may choose a temporary chairman.

The chairman is the presiding officer of the board of commissioners. Unless excused by rule of the board, the presiding officer has the duty to vote on any question before the board, but he has no right to break a tie vote in which he participated. (Code, s. 706; Rev., s. 1317; C.S., s. 1296; 1945, c. 132; 1951, c. 904, s. 1; 1961, c. 154; 1967, c. 617, s. 1; 1969, c. 349, s. 1; c. 1036; 1973, c. 822, s. 1; 1993, c. 95.)

§ 153A-40. Regular and special meetings.

(a) The board of commissioners shall hold a regular meeting at least once a month, and may hold more frequent regular meetings. The board may by resolution fix the time and place of its regular meetings. If such a resolution is adopted, at least 10 days before the first meeting to which the resolution is to apply, the board shall cause a copy of it to be posted on the courthouse bulletin board and a summary of it to be published. If no such resolution is adopted, the board shall meet at the courthouse on the first Monday of each month, or on the next succeeding business day if the first Monday is a holiday.

If use of the courthouse or other designated regular meeting place is made temporarily impossible, inconvenient, or unwise, the board may change the time or place or both of a regular meeting or of all regular meetings within a specified period of time. The board shall cause notice of the temporary change to be posted at or near the regular meeting place and shall take any other action it considers helpful in informing the public of the temporary change.

The board may adjourn a regular meeting from day to day or to a day certain until the business before the board is completed.

(b) The chairman or a majority of the members of the board may at any time call a special meeting of the board of commissioners by signing a written notice stating the time and place of the meeting and the subjects to be considered. The person or persons calling the meeting shall cause the notice to be delivered to the chairman and each other member of the board or left at the usual dwelling place of each at least 48 hours before the meeting and shall cause a copy of the notice to be posted on the courthouse bulletin board at least 48 hours before the meeting. Only those items of business specified in the notice may be transacted at a special meeting, unless all members are present or those not present have signed a written waiver.

If a special meeting is called to deal with an emergency, the notice requirements of this subsection do not apply. However, the person or persons calling such a special meeting shall take reasonable action to inform the other members and the public of the meeting. Only business connected with the emergency may be discussed at a meeting called pursuant to this paragraph.

In addition to the procedures set out in this subsection, a person or persons calling a special or emergency meeting of the board of commissioners shall comply with the notice requirements of Article 33B of General Statutes Chapter 143.

- (c) The board of commissioners shall hold all its meetings within the county except:
- (1) In connection with a joint meeting of two or more public bodies; provided, however, that such a meeting shall be held within the boundaries of the political subdivision represented by the members of one of the public bodies participating;
 - (2) In connection with a retreat, forum, or similar gathering held solely for the purpose of providing members of the board with general information relating to the performance of their public duties; provided, however, that members of the board of commissioners shall not vote upon or otherwise transact public business while in attendance at such a gathering;
 - (3) In connection with a meeting between the board of commissioners and its local legislative delegation during a session of the General Assembly; provided, however, that at any such meeting the members of the board of commissioners may not vote upon or otherwise transact public business except with regard to matters directly relating to legislation proposed to or pending before the General Assembly;
 - (4) While in attendance at a convention, association meeting or similar gathering; provided, however, that any such meeting may be held solely to discuss or deliberate the board's position concerning convention resolutions, elections of association officers and similar issues that are not legally binding upon the board of commissioners or its constituents.

All meetings held outside the county shall be deemed "official meetings" within the meaning of G.S. 143-318.10(d). (Code, s. 706; Rev., s. 1317; C.S., s. 1296; 1945, c. 132; 1951, c. 904, s. 1; 1961, c. 154; 1967, c. 617, s. 1; 1969, c. 349, s. 1; c. 1036; 1973, c. 822, s. 1; 1977, 2nd Sess., c. 1191, s. 6; 1985, c. 745.)

§ 153A-41. Procedures.

The board of commissioners may adopt its own rules of procedure, in keeping with the size and nature of the board and in the spirit of generally accepted principles of parliamentary procedure. (Code, s. 706; Rev., s. 1317; C.S., s. 1296; 1945, c. 132; 1951, c. 904, s. 1; 1961, c. 154; 1967, c. 617, s. 1; 1969, c. 349, s. 1; c. 1036; 1973, c. 822, s. 1.)

§ 153A-42. Minutes to be kept; ayes and noes.

The clerk shall keep full and accurate minutes of the proceedings of the board of commissioners, which shall be available for public inspection. The clerk shall record the results of each vote in the minutes; and upon the request of any member of the board, the ayes and noes upon any question shall be taken and recorded. (Code, s. 712; 1905, c. 530; Rev., s. 1325; C.S., s. 1310; 1953, c. 973, s. 3; 1973, c. 822, s. 1.)

§ 153A-43. Quorum.

(a) A majority of the membership of the board of commissioners constitutes a quorum. The number required for a quorum is not affected by vacancies. If a member has withdrawn from a meeting without being excused by majority vote of the remaining members present, he shall be counted as present for the purposes of determining whether a quorum is present. The board may compel the attendance of an absent member by ordering the sheriff to take the member into custody.

(b) Any member present by means of simultaneous communication in accordance with G.S. 166A-19.24 shall be counted as present for the purposes of whether a quorum is present only during the period while simultaneous communication is maintained for that member. (Code, s. 706; Rev., s. 1317; C.S., s. 1296; 1945, c. 132; 1951, c. 904, s. 1; 1961, c. 154; 1967, c. 617, s. 1; 1969, c. 349, s. 1; c. 1036; 1973, c. 822, s. 1; 2020-3, s. 4.31(e).)

§ 153A-44. Members excused from voting.

The board may excuse a member from voting, but only upon questions involving the member's own financial interest or official conduct or on matters on which the member is prohibited from voting under G.S. 14-234 or G.S. 160D-109. For purposes of this section, the question of the compensation and allowances of members of the board does not involve a member's own financial interest or official conduct. (Code, s. 706; Rev., s. 1317; C.S., s. 1296; 1945, c. 132; 1951, c. 904, s. 1; 1961, c. 154; 1967, c. 617, s. 1; 1969, c. 349, s. 1; c. 1036; 1973, c. 822, s. 1; 2001-409, s. 8; 2005-426, s. 5.1(b); 2013-126, s. 6; 2022-62, s. 39.)

§ 153A-45. Adoption of ordinances.

To be adopted at the meeting at which it is first introduced, an ordinance or any action having the effect of an ordinance (except the budget ordinance, any bond order, or any other ordinance on which a public hearing must be held before the ordinance may be adopted) must receive the approval of all the members of the board of commissioners. If the ordinance is approved by a majority of those voting but not by all the members of the board, or if the ordinance is not voted on at that meeting, it shall be considered at the next regular meeting of the board. If it then or at any time thereafter within 100 days of its introduction receives a majority of the votes cast, a quorum being present, the ordinance is adopted. (1963, c. 1060, ss. 1, 1 1/2; 1965, cc. 388, 567, 1083, 1158; 1967, c. 495, s. 2; 1969, c. 36, s. 1; 1971, c. 702, ss. 1-3; 1973, c. 822, s. 1.)

§ 153A-46. Franchises.

No ordinance making a grant, renewal, extension, or amendment of any franchise may be finally adopted until it has been passed at two regular meetings of the board of commissioners. No such grant, renewal, extension, or amendment may be made except by ordinance. (1973, c. 822, s. 1.)

§ 153A-47. Technical ordinances.

Subject to G.S. 143-138(e), a county may in an ordinance adopt by reference a published technical code or a standard or regulation promulgated by a public agency. A technical code or standard or regulation so adopted has the force of law in any area of the county in which the ordinance is applicable. An official copy of a technical code or standard or regulation adopted by reference shall be available for public inspection in the office of the clerk and need not be filed in the ordinance book. (1973, c. 822, s. 1.)

§ 153A-48. Ordinance book.

The clerk shall maintain an ordinance book, separate from the minute book of the board of commissioners. The ordinance book shall be indexed and shall be available for public inspection in the office of the clerk. Except as provided in this section and in G.S. 153A-47, each county ordinance shall be filed and indexed in the ordinance book.

The budget ordinance and any amendments thereto, any bond order, and any other ordinance of limited interest or transitory nature may be omitted from the ordinance book. However, the ordinance book shall contain a section showing the caption of each omitted ordinance and the page in the commissioners' minute book at which the ordinance may be found.

If a county adopts and issues a code of its ordinances, county ordinances need be recorded and indexed in the ordinance book only until they are placed in the codification. (1963, c. 1060, ss. 1, 1 1/2; 1965, cc. 388, 567, 1083, 1158; 1967, c. 495, s. 2; 1969, c. 36, s. 1; 1971, c. 702, ss. 1-3; 1973, c. 822, s. 1.)

§ 153A-49. Code of ordinances.

A county may adopt and issue a code of its ordinances. The code may be reproduced by any method that gives legible and permanent copies, and may be issued as a securely bound book or books with periodic separately bound supplements, or as a loose-leaf book maintained by replacement pages. Supplements or replacement pages should be adopted and issued at least annually, unless there have been no additions to or modifications of the code during the year.

A code may consist of two parts, the "General Ordinances" and the "Technical Ordinances." The technical ordinances may be published as separate books or pamphlets, and may include ordinances regarding the construction of buildings, the installation of plumbing and electric wiring, and the installation of cooling and heating equipment; ordinances regarding the use of public utilities, buildings, or facilities operated by the county; the zoning ordinance; the subdivision control ordinance; and other similar ordinances designated as technical ordinances by the board of commissioners. The board may omit from the code the budget ordinance, any bond orders, and other designated classes of ordinances of limited interest or transitory nature, but the code shall clearly describe the classes of ordinances omitted from it.

The board of commissioners may provide that ordinances (i) establishing or amending the boundaries of county zoning areas or (ii) establishing or amending the boundaries of zoning districts shall be codified by appropriate entries upon official map books to be retained permanently in the office of the clerk or some other county office generally accessible to the public. (1973, c. 822, s. 1; 2014-3, s. 12.3(e).)

§ 153A-50. Pleading and proving county ordinances.

County ordinances shall be pleaded and proved under the rules and procedures of G.S. 160A-79. References to G.S. 160A-77 and G.S. 160A-78 appearing in G.S. 160A-79 are deemed, for purposes of this section, to refer to G.S. 153A-49 and G.S. 153A-48, respectively. (1973, c. 822, s. 1.)

§ 153A-51. Reserved for future codification purposes.

§ 153A-52. Conduct of public hearing.

The board of commissioners may hold public hearings at any place within the county. The board may adopt reasonable rules governing the conduct of public hearings, including but not limited to rules (i) fixing the maximum time allotted to each speaker, (ii) providing for the designation of spokesmen for groups of persons supporting or opposing the same position, (iii) providing for the selection of delegates from groups of persons supporting or opposing the same positions when the number of persons wishing to attend the hearing exceeds the capacity of the hall, and (iv) providing for the maintenance of order and decorum in the conduct of the hearing.

The board may continue a public hearing without further advertisement. If a public hearing is set for a given date and a quorum of the board is not then present, the board shall continue the hearing without further advertisement until its next regular meeting. (1973, c. 822, s. 1.)

§ 153A-52.1. Public comment period during regular meetings.

The board of commissioners shall provide at least one period for public comment per month at a regular meeting of the board. The board may adopt reasonable rules governing the conduct of the public comment period, including, but not limited to, rules (i) fixing the maximum time allotted to each speaker, (ii) providing for the designation of spokesmen for groups of persons supporting or opposing the same positions, (iii) providing for the selection of delegates from groups of persons supporting or opposing the same positions when the number of persons wishing to attend the hearing exceeds the capacity of the hall, and (iv) providing for the maintenance of order and decorum in the conduct of the hearing. The board is not required to provide a public comment period under this section if no regular meeting is held during the month. (2005-170, s. 2.)

§ 153A-53. Ethics.

(a) The board of commissioners shall adopt a resolution or policy containing a code of ethics, as required by G.S. 160A-86.

(b) All members of the board of commissioners, whether elected or appointed, shall receive the ethics education required by G.S. 160A-87. (2009-403, s. 4.)

Part 4. Modification in the Structure of the Board of Commissioners.

§ 153A-58. Optional structures.

A county may alter the structure of its board of commissioners by adopting one or any combination of the options prescribed by this section.

- (1) Number of members of the board of commissioners: The board may consist of any number of members not less than three, except as limited by subdivision (2)d of this section.
- (2) Terms of office of members of the board of commissioners:
 - a. Members shall be elected for two-year terms of office.
 - b. Members shall be elected for four-year terms of office.
 - c. Members shall be elected for overlapping four-year terms of office.
 - d. The board shall consist of an odd number of members, who are elected for a combination of four-and two-year terms of office, so that a majority of members is elected each two years. This option may be used only if all members of the board are nominated and elected by the voters of the entire county, and only if the chairman of the board is elected by and from the members of the board.

- (3) Mode of election of the board of commissioners:
- a. The qualified voters of the entire county shall nominate all candidates for and elect all members of the board.
- For options b, c, and d, the county shall be divided into electoral districts, and board members shall be apportioned to the districts so that the quotients obtained by dividing the population of each district by the number of commissioners apportioned to the district are as nearly equal as practicable.
- b. The qualified voters of each district shall nominate candidates and elect members who reside in the district for seats apportioned to that district; and the qualified voters of the entire county shall nominate candidates and elect members apportioned to the county at large, if any.
 - c. The qualified voters of each district shall nominate candidates who reside in the district for seats apportioned to that district, and the qualified voters of the entire county shall nominate candidates for seats apportioned to the county at large, if any; and the qualified voters of the entire county shall elect all the members of the board.
 - d. Members shall reside in and represent the districts according to the apportionment plan adopted, but the qualified voters of the entire county shall nominate all candidates for and elect all members of the board.
- If any of options b, c, or d is adopted, the board shall divide the county into the requisite number of electoral districts according to the apportionment plan adopted, and shall cause a delineation of the districts so laid out to be drawn up and filed as required by G.S. 153A-20. No more than half the board may be apportioned to the county at large.
- (4) Selection of chairman of the board of commissioners:
- a. The board shall elect a chairman from among its membership to serve a one-year term, as provided by G.S. 153A-39.
 - b. The chairmanship shall be a separate office. The qualified voters of the entire county nominate candidates for and elect the chairman for a two-or four-year term. (1927, c. 91, s. 3; 1969, c. 717, s. 1; 1973, c. 822, s. 1.)

§ 153A-59. Implementation when board has members serving a combination of four-and two-year terms.

If the structure of the board of commissioners is altered to establish a board with an odd number of members serving a combination of four-and two-year terms of office, the new structure shall be implemented as follows:

At the first election all members of the board shall be elected. A simple majority of those elected shall be elected for two-year terms, and the remaining members shall be elected for four-year terms. The candidate or candidates receiving the highest number of votes shall be elected for the four-year terms.

At each subsequent general election, a simple majority of the board shall be elected. That candidate who is elected with the least number of votes shall be elected for a two-year term, and the other member or members elected shall be elected for four-year terms. (1927, c. 91, s. 3; 1969, c. 717, s. 1; 1973, c. 822, s. 1.)

§ 153A-60. Initiation of alterations by resolution.

The board of commissioners shall initiate any alteration in the structure of the board by adopting a resolution. The resolution shall:

- (1) Briefly but completely describe the proposed alterations;
- (2) Prescribe the manner of transition from the existing structure to the altered structure;
- (3) Define the electoral districts, if any, and apportion the members among the districts;
- (4) Call a special referendum on the question of adoption of the alterations. The referendum shall be held and conducted by the county board of elections. The referendum may be held only on a date permitted by G.S. 163-287.

Upon its adoption, the resolution shall be published in full. (1927, c. 91, s. 4; 1969, c. 717, s. 1; 1973, c. 822, s. 1; 1977, c. 382; 2013-381, s. 10.23; 2017-6, s. 3; 2018-146, ss. 3.1(a), (b), 6.1.)

§ 153A-61. Submission of proposition to voters; form of ballot.

A proposition to approve an alteration shall be printed on the ballot in substantially the following form:

"Shall the structure of the board of commissioners be altered? (Describe the effect of the alteration.)

YES

NO"

The ballot shall be separate from other ballots used at the election.

If a majority of the votes cast on the proposition are in the affirmative, the plan contained in the resolution shall be put into effect as provided in this Part. If a majority of the votes cast are in the negative, the resolution and the plan contained therein are void. (1927, c. 91, s. 4; 1969, c. 717, s. 1; 1973, c. 822, s. 1.)

§ 153A-62. Effective date of any alteration.

Any approved alteration shall be the basis for nominating and electing the members of the board of commissioners at the first succeeding primary and general election for county offices held after approval of the alteration; and the alteration takes effect on the first Monday in December following that general election. (1927, c. 91, s. 4; 1969, c. 717, s. 1; 1973, c. 822, s. 1.)

§ 153A-63. Filing copy of resolution.

A copy of a resolution approved pursuant to this Part shall be filed and indexed in the ordinance book required by G.S. 153A-48. (1927, c. 91, s. 4; 1969, c. 717, s. 1; 1973, c. 822, s. 1.)

§ 153A-64. Filing results of election.

If the proposition is approved under G.S. 153A-61, a certified true copy of the resolution and a copy of the abstract of the election shall be filed with the Secretary of State and with the Legislative Library. (1985 (Reg. Sess., 1986), c. 935, s. 1; 1989, c. 191, s. 1.)

§ 153A-76. Board of commissioners to organize county government.

The board of commissioners may create, change, abolish, and consolidate offices, positions, departments, boards, commissions, and agencies of the county government, may impose ex officio the duties of more than one office on a single officer, may change the composition and manner of selection of boards, commissions, and agencies, and may generally organize and reorganize the county government in order to promote orderly and efficient administration of county affairs, subject to the following limitations:

- (1) The board may not abolish an office, position, department, board, commission, or agency established or required by law.
- (2) The board may not combine offices or confer certain duties on the same officer when this action is specifically forbidden by law.
- (3) The board may not discontinue or assign elsewhere a function or duty assigned by law to a particular office, position, department, board, commission, or agency.
- (4) The board may not change the composition or manner of selection of a local board of education, the board of elections, or the board of alcoholic beverage control.

A board of county commissioners exercising the power and authority under this subsection may, notwithstanding G.S. 130A-25, enforce public health rules adopted by the board through the imposition of civil penalties. If a public health rule adopted by a board of county commissioners imposes a civil penalty, the provisions of G.S. 130A-25 making its violation a

misdemeanor shall not be applicable to that public health rule unless the rule states that a violation of the rule is a misdemeanor. The board of county commissioners may also appoint advisory boards, committees, councils and agencies composed of qualified and interested county residents to study, interpret and develop community support and cooperation in activities conducted by or under the authority of the board of county commissioners of said county.

- (3) Create a consolidated county human services agency having the authority to carry out the functions of any combination of commissions, boards, or agencies appointed by the board of county commissioners or acting under and pursuant to authority of the board of county commissioners, including the local health department, the county department of social services, or the area mental health, developmental disabilities, and substance abuse services authority; and

No member may serve more than two consecutive four-year terms. The county commissioner member shall serve only as long as the member is a county commissioner.

The initial board shall be appointed by the board of county commissioners upon the recommendation of a nominating committee comprised of members of the preconsolidation board of health, social services board, and area mental health, developmental disabilities, and substance abuse services board. In order to establish a uniform staggered term structure for the board, a member may be appointed for less than a four-year term. After the subsequent establishment of the board, its board shall be appointed by the board of county commissioners from nominees presented by the human services board. Vacancies shall be filled for any unexpired portion of a term.

- (12) The office to which the employee is currently assigned.

(b1) For the purposes of this subsection, the term "salary" includes pay, benefits, incentives, bonuses, and deferred and all other forms of compensation paid by the employing entity.

(b2) The board of county commissioners shall determine in what form and by whom this information will be maintained. Any person may have access to this information for the purpose of inspection, examination, and copying, during regular business hours, subject only to such rules and regulations for the safekeeping of public records as the board of commissioners may have adopted. Any person denied access to this information may apply to the appropriate division of the General Court of Justice for an order compelling disclosure, and the court shall have jurisdiction to issue such orders.

(c) All information contained in a county employee's personnel file, other than the information made public by subsection (b) of this section, is confidential and shall be open to inspection only in the following instances:

- (1) The employee or his duly authorized agent may examine all portions of his personnel file except (i) letters of reference solicited prior to employment, and (ii) information concerning a medical disability, mental or physical, that a prudent physician would not divulge to his patient.
- (2) A licensed physician designated in writing by the employee may examine the employee's medical record.
- (3) A county employee having supervisory authority over the employee may examine all material in the employee's personnel file.
- (4) By order of a court of competent jurisdiction, any person may examine such portion of an employee's personnel file as may be ordered by the court.
- (5) An official of an agency of the State or federal government, or any political subdivision of the State, may inspect any portion of a personnel file when such inspection is deemed by the official having custody of such records to be inspected to be necessary and essential to the pursuance of a proper function of the inspecting agency, but no information shall be divulged for the purpose of assisting in a criminal prosecution of the employee, or for the purpose of assisting in an investigation of the employee's tax liability. However, the official having custody of such records may release the name, address, and telephone number from a personnel file for the purpose of assisting in a criminal investigation.
- (6) An employee may sign a written release, to be placed with his personnel file, that permits the person with custody of the file to provide, either in person, by telephone, or by mail, information specified in the release to prospective employers, educational institutions, or other persons specified in the release.
- (7) The county manager, with concurrence of the board of county commissioners, or, in counties not having a manager, the board of county commissioners may inform any person of the employment or nonemployment, promotion, demotion, suspension or other disciplinary action, reinstatement, transfer, or termination of a county employee and the reasons for that personnel action. Before releasing the information, the manager or board shall determine in writing that the release is essential to maintaining public confidence in the administration of county services or to maintaining the level and quality of county services. This written determination shall be retained in the office of the manager or the county clerk, is a record available for public inspection and shall become part of the employee's personnel file.

(c1) Even if considered part of an employee's personnel file, the following information need not be disclosed to an employee nor to any other person:

- (1) Testing or examination material used solely to determine individual qualifications for appointment, employment, or promotion in the county's service, when disclosure would compromise the objectivity or the fairness of the testing or examination process.
- (2) Investigative reports or memoranda and other information concerning the investigation of possible criminal actions of an employee, until the investigation is completed and no criminal action taken, or until the criminal action is concluded.
- (3) Information that might identify an undercover law enforcement officer or a law enforcement informer.
- (4) Notes, preliminary drafts and internal communications concerning an employee. In the event such materials are used for any official personnel decision, then the employee or his duly authorized agent shall have a right to inspect such materials.

(c2) The board of county commissioners may permit access, subject to limitations they may impose, to selected personnel files by a professional representative of a training, research, or academic institution if that person certifies that he will not release information identifying the employees whose files are opened and that the information will be used solely for statistical, research, or teaching purposes. This certification shall be retained by the county as long as each personnel file so examined is retained.

(c3) Repealed by Session Laws 2016-108, s. 2(g), effective July 22, 2016.

(c4) Even if considered part of an employee's personnel file, the following information regarding any sworn law enforcement officer shall not be disclosed to an employee or any other person, unless disclosed in accordance with G.S. 132-1.4, or in accordance with G.S. 132-1.10, or for the personal safety of that sworn law enforcement officer or any other person residing in the same residence:

- (1) Information that might identify the residence of a sworn law enforcement officer.
- (2) Emergency contact information.
- (3) Any identifying information as defined in G.S. 14-113.20.

(c5) Notwithstanding the requirements of this section, information shall be provided to the State Board of Elections from employee personnel records as provided in G.S. 163-22.

(d) The board of commissioners of a county that maintains personnel files containing information other than the information mentioned in subsection (b) of this section shall establish procedures whereby an employee who objects to material in his file on grounds that it is inaccurate or misleading may seek to have the material removed from the file or may place in the file a statement relating to the material.

(e) A public official or employee who knowingly, willfully, and with malice permits any person to have access to information contained in a personnel file, except as is permitted by this section, is guilty of a Class 3 misdemeanor and upon conviction shall only be fined an amount not more than five hundred dollars (\$500.00).

(f) Any person, not specifically authorized by this section to have access to a personnel file designated as confidential, who shall knowingly and willfully examine in its official filing place, remove or copy any portion of a confidential personnel file shall be guilty of a Class 3

misdeemeanor and upon conviction shall only be fined in the discretion of the court but not in excess of five hundred dollars (\$500.00). Sess., c. 24, s. 14(c); 2007-508, s. 6; 2008-194, s. 11(d); 2010-169, s. 18(e); 2015-225, s. 1; 2016-108, s. 2(g); 2018-13, s. 3.2(b); 2018-146, s. 6.1.)

§ 153A-99. County employee political activity.

(a) Purpose. The purpose of this section is to ensure that county employees are not subjected to political or partisan coercion while performing their job duties, to ensure that employees are not restricted from political activities while off duty, and to ensure that public funds are not used for political or partisan activities.

It is not the purpose of this section to allow infringement upon the rights of employees to engage in free speech and free association. Every county employee has a civic responsibility to support good government by every available means and in every appropriate manner. Employees shall not be restricted from affiliating with civic organizations of a partisan or political nature, nor shall employees, while off duty, be restricted from attending political meetings, or advocating and supporting the principles or policies of civic or political organizations, or supporting partisan or nonpartisan candidates of their choice in accordance with the Constitution and laws of the State and the Constitution and laws of the United States of America.

(b) Definitions. For the purposes of this section:

- (1) "County employee" or "employee" means any person employed by a county or any department or program thereof that is supported, in whole or in part, by county funds;
- (2) "On duty" means that time period when an employee is engaged in the duties of his or her employment; and
- (3) "Workplace" means any place where an employee engages in his or her job duties.

(c) No employee while on duty or in the workplace may:

- (1) Use his or her official authority or influence for the purpose of interfering with or affecting the result of an election or nomination for political office; or
- (2) Coerce, solicit, or compel contributions for political or partisan purposes by another employee.

(d) No employee may be required as a duty or condition of employment, promotion, or tenure of office to contribute funds for political or partisan purposes.

(e) No employee may use county funds, supplies, or equipment for partisan purposes, or for political purposes except where such political uses are otherwise permitted by law.

(f) To the extent that this section conflicts with the provisions of any local act, local ordinance, resolution, or policy, this section prevails to the extent of the conflict. (1991, c. 619, s. 1; 1993, c. 298, s. 1.)

§ 153A-99.1. County verification of employee work authorization.

(a) Counties Must Use E-Verify. – Each county shall register and participate in E-Verify to verify the work authorization of new employees hired to work in the United States.

(b) E-Verify Defined. – As used in this section, the term "E-Verify" means the federal E-Verify program operated by the United States Department of Homeland Security and other federal agencies, or any successor or equivalent program used to verify the work authorization of newly hired employees pursuant to federal law.

(c) Nondiscrimination. – This section shall be enforced without regard to race, religion, gender, ethnicity, or national origin. (2011-263, s. 4.)

§ 153A-100. Reserved for future codification purposes.

Part 5. Board of Commissioners and Other Officers, Boards, Departments, and Agencies of the County.

§ 153A-101. Board of commissioners to direct fiscal policy of the county.

The board of commissioners has and shall exercise the responsibility of developing and directing the fiscal policy of the county government under the provisions and procedures of the Local Government Budget and Fiscal Control Act. (1777, c. 129, s. 4, P.R.; R.C., c. 28, s. 16; Code, s. 753; Rev., s. 1379; C.S., s. 1325; 1927, c. 91, s. 11; 1953, c. 973, s. 2; 1973, c. 822, s. 1.)

§ 153A-102. Commissioners to fix fees.

The board of commissioners may fix the fees and commissions charged by county officers and employees for performing services or duties permitted or required by law. The board may not, however, fix fees in the General Court of Justice or modify the fees of the register of deeds prescribed by G.S. 161-10 or the fees of the board of elections prescribed by G.S. 163-107. (1953, c. 1227, ss. 1-3; 1969, c. 358, s. 1; c. 1017; 1973, c. 822, s. 1; 2017-6, s. 3; 2018-146, ss. 3.1(a), (b), 6.1.)

§ 153A-102.1: Repealed by Session Laws 2019-111, s. 2.6(a), as amended by Session Laws 2020-3, s. 4.33(a), and Session Laws 2020-25, s. 51(a), (b), (d), effective June 19, 2020.

§ 153A-103. Number of employees in offices of sheriff and register of deeds.

Subject to the limitations set forth below, the board of commissioners may fix the number of salaried employees in the offices of the sheriff and the register of deeds. In exercising the authority granted by this section, the board of commissioners is subject to the following limitations:

- (1) Each sheriff and register of deeds elected by the people has the exclusive right to hire, discharge, and supervise the employees in his office. However, the board of commissioners must approve the appointment by such an officer of a relative by blood or marriage of nearer kinship than first cousin or of a person who has been convicted of a crime involving moral turpitude.
- (2) Each sheriff and register of deeds elected by the people is entitled to at least two deputies who shall be reasonably compensated by the county, provided that the register of deeds justifies to the Board of County Commissioners the necessity of the second deputy. Each deputy so appointed shall serve at the pleasure of the appointing officer.

Notwithstanding the foregoing provisions of this section, approval of the board of commissioners is not required for the reappointment or continued employment of a near relative of a sheriff or register of deeds who was not related to the appointing officer at the time of initial appointment. (1953, c. 1227, ss. 1, 2; 1969, c. 358, s. 1; 1973, c. 822, s. 1; 1977, c. 36; 1979, c. 551; 1987, c. 362.)

§ 153A-104. Reports from officers, employees, and agents of the county.

The board of commissioners may require any officer, employee, or agent of the county to make to the board, either directly or through the county manager, periodic or special reports concerning any matter connected with the officer's, employee's or agent's duties. The board may require that such a report be made under oath. If a person fails or refuses to obey a reasonable order to make a report, issued pursuant to this section, the board may apply to the appropriate division of the General Court of Justice for an order requiring that its order be obeyed. The court has jurisdiction to issue these orders. (1868, c. 20, s. 8; Code, s. 707; Rev., s. 1318; C.S., s. 1297; 1973, c. 822, s. 1.)

§§ 153A-105 through 153A-110. Reserved for future codification purposes.

Part 6. Clerk to the Board of Commissioners.

§ 153A-111. Appointment; powers and duties.

The board of commissioners shall appoint or designate a clerk to the board. The board may designate the register of deeds or any other county officer or employee as clerk. The clerk shall perform any duties that may be required by law or the board of commissioners. The clerk shall serve as such at the pleasure of the board. (Const., art. 7, s. 2; Code, s. 710; 1895, c. 135, s. 4; Rev., s. 1324; C.S., s. 1309; 1955, c. 247, s. 1; 1963, c. 372; 1969, c. 207; 1973, c. 822, s. 1.)

Article 6.

Delegation and Exercise of the General Police Power.

§ 153A-121. General ordinance-making power.

(a) A county may by ordinance define, regulate, prohibit, or abate acts, omissions, or conditions detrimental to the health, safety, or welfare of its citizens and the peace and dignity of the county; and may define and abate nuisances.

(b) This section does not authorize a county to regulate or control vehicular or pedestrian traffic on a street or highway under the control of the Board of Transportation, nor to regulate or control any right-of-way or right-of-passage belonging to a public utility, electric or telephone membership corporation, or public agency of the State. In addition, no county ordinance may regulate or control a highway right-of-way in a manner inconsistent with State law or an ordinance of the Board of Transportation.

(c) This section does not impair the authority of local boards of health to adopt rules and regulations to protect and promote public health. (1963, c. 1060, ss. 1, 1 1/2; 1965, cc. 388, 567, 1083, 1158; 1967, c. 495, s. 2; 1969, c. 36, s. 1; 1971, c. 702, ss. 1-3; 1973, c. 507, s. 5; c. 822, s. 1.)

§ 153A-122. Territorial jurisdiction of county ordinances.

(a) Except as otherwise provided in this Article, the board of commissioners may make any ordinance adopted pursuant to this Article applicable to any part of the county not within a city.

(b) The governing board of a city may by resolution permit a county ordinance adopted pursuant to this Article to be applicable within the city. In the resolution permitting the county ordinance to be applicable within the city, the governing board of the city may specify that any signage required by the county ordinance be in compliance with city ordinances. The city may by resolution withdraw its permission to such an ordinance. If it does so, the city shall give written notice to the county of its withdrawal of permission; 30 days after the day the county receives this notice the county ordinance ceases to be applicable within the city. (1963, c. 1060, ss. 1, 1 1/2; 1965, cc. 388, 567, 1083, 1158; 1967, c. 495, s. 2; 1969, c. 36, s. 1; 1971, c. 702, ss. 1-3; 1973, c. 822, s. 1; 2015-166, s. 1.)

§ 153A-123. Enforcement of ordinances.

(a) A county may provide for fines and penalties for violation of its ordinances and may secure injunctions and abatement orders to further insure compliance with its ordinances, as provided by this section.

(b) Except for the types of ordinances listed in subsection (b1) of this section, violation of a county ordinance may be a misdemeanor or infraction as provided by G.S. 14-4 only if the county specifies such in the ordinance. An ordinance may provide by express statement that the maximum fine, term of imprisonment, or infraction penalty to be imposed for a violation is some amount of money or number of days less than the maximum imposed by G.S. 14-4. Notwithstanding G.S. 153A-45, no ordinance specifying a criminal penalty may be enacted at the meeting in which it is first introduced.

(b1) No ordinance of the following types may impose a criminal penalty:

- (1) Any ordinance adopted under Article 18 of this Chapter, Planning and Regulation of Development or, its successor, Chapter 160D of the General Statutes, except for those ordinances related to unsafe buildings.
- (2) Any ordinance adopted pursuant to G.S. 153A-134, Regulating and licensing businesses, trades, etc.
- (3) Any ordinance adopted pursuant to G.S. 153A-138, Registration of mobile homes, house trailers, etc.
- (4) Any ordinance adopted pursuant to G.S. 153A-140.1, Stream-clearing programs.
- (5) Any ordinance adopted pursuant to G.S. 153A-143, Regulation of outdoor advertising or, its successor, G.S. 160D-912, Outdoor advertising.
- (6) Any ordinance adopted pursuant to G.S. 153A-144, Limitations on regulating solar collectors or, its successor, G.S. 160D-914, Solar collectors.
- (7) Any ordinance adopted pursuant to G.S. 153A-145, Limitations on regulating cisterns and rain barrels.
- (8) Any ordinance regulating trees.

(c) An ordinance may provide that violation subjects the offender to a civil penalty to be recovered by the county in a civil action in the nature of debt if the offender does not pay the penalty within a prescribed period of time after he has been cited for violation of the ordinance.

(c1) An ordinance may provide for the recovery of a civil penalty by the county for violation of the fire prevention code of the State Building Code as authorized under G.S. 143-139.

(d) An ordinance may provide that it may be enforced by an appropriate equitable remedy issuing from a court of competent jurisdiction. In such a case, the General Court of Justice has jurisdiction to issue any order that may be appropriate, and it is not a defense to the county's application for equitable relief that there is an adequate remedy at law.

(e) An ordinance that makes unlawful a condition existing upon or use made of real property may provide that it may be enforced by injunction and order of abatement, and the General Court of Justice has jurisdiction to issue such an order. When a violation of such an ordinance occurs, the county may apply to the appropriate division of the General Court of Justice for a mandatory or prohibitory injunction and order of abatement commanding the defendant to correct the unlawful condition upon or cease the unlawful use of the property. The action shall be governed in all respects by the laws and rules governing civil proceedings, including the Rules of Civil Procedure in general and Rule 65 in particular.

In addition to an injunction, the court may enter an order of abatement as a part of the judgment in the cause. An order of abatement may direct that buildings or other structures on the property be closed, demolished, or removed; that fixtures, furniture, or other movable property be removed from buildings on the property; that grass and weeds be cut; that improvements or repairs be made; or that any other action be taken that is necessary to bring the property into compliance with the ordinance. If the defendant fails or refuses to comply with an injunction or with an order of abatement within the time allowed by the court, he may be cited for contempt and the county may execute the order of abatement. If the county executes the order, it has a lien on the property, in the nature of a mechanic's and materialman's lien, for the costs of executing the order. The defendant may secure cancellation of an order of abatement by paying all costs of the proceedings and posting a bond for compliance with the order. The bond shall be given with sureties approved by the clerk of superior court in an amount approved by the judge before whom the matter was heard and shall be conditioned on the defendant's full compliance with the terms of the order of abatement within the time fixed by the judge. Cancellation of an order of abatement does not suspend or cancel an injunction issued in conjunction with the order.

(f) Subject to the express terms of the ordinance, a county ordinance may be enforced by any one or more of the remedies authorized by this section.

(g) A county ordinance may provide, when appropriate, that each day's continuing violation is a separate and distinct offense.

(h) Notwithstanding any authority under this Article or any local act of the General Assembly, no ordinance regulating trees may be enforced on land owned or operated by a public airport authority. (1973, c. 822, s. 1; 1985, c. 764, s. 34; 1985 (Reg. Sess., 1986), c. 852, s. 17; 1993, c. 329, s. 5; 2013-331, s. 1; 2021-138, s. 13(a).)

§ 153A-124. Enumeration not exclusive.

The enumeration in this Article or other portions of this Chapter of specific powers to define, regulate, prohibit, or abate acts, omissions, or conditions is not exclusive, nor is it a limit on the general authority to adopt ordinances conferred on counties by G.S. 153A-121. (1973, c. 822, s. 1.)

§ 153A-125. Regulation of solicitation campaigns, flea markets and itinerant merchants.

A county may by ordinance regulate, restrict, or prohibit the solicitation of contributions from the public for charitable or eleemosynary purposes, and also the business activities of itinerant merchants, salesmen, promoters, drummers, peddlers, flea market operators and flea market vendors and hawkers. These ordinances may include, but are not limited to, requirements that an

application be made and a permit issued, that an investigation be made, that activities be reasonably limited as to time and place, that proper credentials and proof of financial stability be submitted, that not more than a stated percentage of contributions to solicitation campaigns be retained for administrative expenses, and that an adequate bond be posted to protect the public from fraud. A county may charge a fee for a permit issued pursuant to such an ordinance. (1967, c. 80, ss. 1-2 1/2; 1973, c. 822, s. 1; 1987, c. 708, s. 7.)

§ 153A-126. Regulation of begging.

A county may by ordinance prohibit or regulate begging or otherwise canvassing the public for contributions for the private benefit of the solicitor or any other person. (1973, c. 822, s. 1.)

§ 153A-127. Abuse of animals.

A county may by ordinance define and prohibit the abuse of animals. (1973, c. 822, s. 1.)

§ 153A-128. Regulation of explosive, corrosive, inflammable, or radioactive substances.

A county may by ordinance regulate, restrict, or prohibit the sale, possession, storage, use or conveyance of any explosive, corrosive, inflammable, or radioactive substance or of any weapon or instrumentality of mass death and destruction. (1973, c. 822, s. 1.)

§ 153A-129. Firearms.

(a) Except as provided in this section, a county may by ordinance regulate, restrict, or prohibit the discharge of firearms at any time or place except in any of the following instances:

- (1) When used to take birds or animals pursuant to Chapter 113, Subchapter IV.
- (2) When used in defense of person or property.
- (3) When used pursuant to lawful directions of law-enforcement officers.

(b) A county may by ordinance prohibit hunting on Sunday as allowed under G.S. 103-2, provided the ordinance complies with all of the following:

- (1) The ordinance shall be applicable from January 1 until December 31 of any year of effectiveness.
- (2) The ordinance shall allow for individuals hunting in an adjacent county with no restriction on Sunday hunting to retrieve any animal lawfully shot from the adjacent county.
- (3) The ordinance shall be applicable to the entire county.
- (4) The ordinance shall not be effective unless approved by a majority of those voting in a county-wide referendum held as provided in G.S. 163-287. Such special election shall only be held at the time provided by G.S. 163-287(a)(1).

(c) A county may regulate the display of firearms on the public roads, sidewalks, alleys, or other public property.

(d) This section does not limit a county's authority to take action under Article 1A of Chapter 166A of the General Statutes. (1973, c. 822, s. 1; 2006-264, s. 16; 2012-12, s. 2(yy); 2015-144, s. 5(b); 2017-6, s. 3; 2017-182, s. 3(a); 2018-146, ss. 3.1(a), (b), 6.1.)

§ 153A-130. Pellet guns.

A county may by ordinance regulate, restrict, or prohibit the sale, possession, or use of pellet guns or any other mechanism or device designed or used to project a missile by compressed air or mechanical action with less than deadly force. (1973, c. 822, s. 1.)

§ 153A-131. Possession or harboring of dangerous animals.

A county may by ordinance regulate, restrict, or prohibit the possession or harboring of animals which are dangerous to persons or property. No such ordinance shall have the effect of permitting any activity or condition with respect to a wild animal which is prohibited or more severely restricted by regulations of the Wildlife Resources Commission. (1973, c. 822, s. 1; 1977, c. 407, s. 1.)

§ 153A-132. Removal and disposal of abandoned and junked motor vehicles; abandoned vessels.

(a) Grant of Power. – A county may by ordinance prohibit the abandonment of motor vehicles on public grounds and private property within the county's ordinance-making jurisdiction and on county-owned property wherever located. The county may enforce the ordinance by removing and disposing of abandoned or junked motor vehicles according to the procedures prescribed in this section.

(b) Definitions. – "Motor vehicle" includes any machine designed or intended to travel over land or water by self-propulsion or while attached to self-propelled vehicle.

(1) An "abandoned motor vehicle" is one that:

- a. Is left on public grounds or county-owned property in violation of a law or ordinance prohibiting parking; or
- b. Is left for longer than 24 hours on property owned or operated by the county; or
- c. Is left for longer than two hours on private property without the consent of the owner, occupant, or lessee of the property; or
- d. Is left for longer than seven days on public grounds.

(2) A "junked motor vehicle" is an abandoned motor vehicle that also:

- a. Is partially dismantled or wrecked; or
- b. Cannot be self-propelled or moved in the manner in which it originally was intended to move; or
- c. Is more than five years old and appears to be worth less than one hundred dollars (\$100.00); or
- d. Does not display a current license plate.

(c) Removal of Vehicles. – A county may remove to a storage garage or area an abandoned or junked motor vehicle found to be in violation of an ordinance adopted pursuant to this section. A vehicle may not be removed from private property, however, without the written request of the owner, lessee, or occupant of the premises unless the board of commissioners or a duly authorized county official or employee has declared the vehicle to be a health or safety hazard. Appropriate county officers and employees have a right, upon presentation of proper credentials, to enter on any premises within the county ordinance-making jurisdiction at any reasonable hour in order to determine if any vehicles are health or safety hazards. The county may require a person requesting the removal from private property of an abandoned or junked motor vehicle to indemnify the county against any loss, expense, or liability incurred because of the vehicle's removal, storage, or sale.

When an abandoned or junked motor vehicle is removed, the county shall give notice to the owner as required by G.S. 20-219.11(a) and (b).

(d) Hearing Procedure. – Regardless of whether a county does its own removal and disposal of motor vehicles or contracts with another person to do so, the county shall provide a hearing procedure for the owner. For purposes of this subsection, the definitions in G.S. 20-219.9 apply.

- (1) If the county operates in such a way that the person who tows the vehicle is responsible for collecting towing fees, all provisions of Article 7A, Chapter 20, apply.
- (2) If the county operates in such a way that it is responsible for collecting towing fees, it shall:
 - a. Provide by contract or ordinance for a schedule of reasonable towing fees,
 - b. Provide a procedure for a prompt fair hearing to contest the towing,
 - c. Provide for an appeal to district court from that hearing,
 - d. Authorize release of the vehicle at any time after towing by the posting of a bond or paying of the fees due, and
 - e. Provide a sale procedure similar to that provided in G.S. 44A-4, 44A-5, and 44A-6, except that no hearing in addition to the probable cause hearing is required. If no one purchases the vehicle at the sale and if the value of the vehicle is less than the amount of the lien, the county may destroy it.

(e), (f) Repealed by Session Laws 1983, c. 420, s. 10.

(g) No Liability. – No person nor any county may be held to answer in a civil or criminal action to any owner or other person legally entitled to the possession of an abandoned, junked, lost, or stolen motor vehicle for disposing of the vehicle as provided in this section.

(h) Exceptions. – This section does not apply to any vehicle in an enclosed building, to any vehicle on the premises of a business enterprise being operated in a lawful place and manner if the vehicle is necessary to the operation of the enterprise, or to any vehicle in an appropriate storage place or depository maintained in a lawful place and manner by the county.

(i) A county may by ordinance prohibit the abandonment of vessels in navigable waters within the county's ordinance-making jurisdiction, subject to the provisions of this subsection. The provisions of this section shall apply to abandoned vessels in the same manner that they apply to abandoned or junked motor vehicles to the extent that the provisions may apply to abandoned vessels. For purposes of this subsection, an "abandoned vessel" is one that meets any of the following:

- (1) A vessel that is moored, anchored, or otherwise located for more than 30 consecutive days in any 180 consecutive-day period without permission of the dock owner.
- (2) A vessel that is in danger of sinking, has sunk, is resting on the bottom, or is located such that it is a hazard to navigation or is an immediate danger to other vessels.

Shipwrecks, vessels, cargoes, tackle, and other underwater archeological remains that have been in place for more than 10 years shall not be considered abandoned vessels and shall not be removed under the provisions of this section without the approval of the Department of Natural and Cultural Resources, which is the legal custodian of these properties pursuant to G.S. 121-22 and G.S. 121-23. (1971, c. 489; 1973, c. 822, s. 1; 1975, c. 716, s. 5; 1983, c. 420, ss. 8-10; 1997-456, s. 27; 2013-182, s. 2; 2015-241, ss. 14.6(n), (o), 14.30(s); 2023-27, s. 1.)

§ 153A-132.1. To provide for the removal and disposal of trash, garbage, etc.

The board of county commissioners of any county is hereby authorized to enact ordinances governing the removal, method or manner of disposal, depositing or dumping of any trash, debris, garbage, litter, discarded cans or receptacles or any waste matter whatsoever within the rural areas of the county and outside and beyond the corporate limits of any municipality of said county. An ordinance adopted pursuant hereto may make it unlawful to place, discard, dispose, leave or dump any trash, debris, garbage, litter, discarded cans or receptacles or any waste matter whatsoever upon a street or highway located within that county or upon property owned or operated by the county unless such trash, debris, garbage, litter, discarded cans or receptacles or any waste matter is placed in a designated location or container for removal by a specific garbage or trash service collector.

Boards of county commissioners may also provide by ordinance enacted pursuant to this section, that the placing, discarding, disposing, leaving or dumping of the articles forbidden by this section shall, for each day or portion thereof the articles or matter are left, constitute a separate offense, and that a person in violation of the ordinance may be punished by a fine not exceeding fifty dollars (\$50.00) or imprisoned not exceeding 30 days, or both, for each offense. (1973, c. 952.)

§ 153A-132.2. Regulation, restraint and prohibition of abandonment of junked motor vehicles.

(a) A county may by ordinance regulate, restrain or prohibit the abandonment of junked motor vehicles on public grounds and on private property within the county's ordinance-making jurisdiction upon a finding that such regulation, restraint or prohibition is necessary and desirable to promote or enhance community, neighborhood or area appearance, and may enforce any such ordinance by removing and disposing of junked motor vehicles subject to the ordinance according to the procedures prescribed in this section. The authority granted by this section shall be supplemental to any other authority conferred upon counties. Nothing in this section shall be construed to authorize a county to require the removal or disposal of a motor vehicle kept or stored at a bona fide "automobile graveyard" or "junkyard" as defined in G.S. 136-143.

For purposes of this section, the term "junked motor vehicle" means a vehicle that does not display a current license plate and that:

- (1) Is partially dismantled or wrecked; or
- (2) Cannot be self-propelled or moved in the manner in which it originally was intended to move; or
- (3) Is more than five years old and appears to be worth less than one hundred dollars (\$100.00).

(a1) Any junked motor vehicle found to be in violation of an ordinance adopted pursuant to this section may be removed to a storage garage or area, but no such vehicle shall be removed from private property without the written request of the owner, lessee, or occupant of the premises unless the board of commissioners or a duly authorized county official or employee finds in writing that the aesthetic benefits of removing the vehicle outweigh the burdens imposed on the private property owner. Such finding shall be based on a balancing of the monetary loss of the apparent owner against the corresponding gain to the public by promoting or enhancing community, neighborhood or area appearance. The following, among other relevant factors, may be considered:

- (1) Protection of property values;
- (2) Promotion of tourism and other economic development opportunities;
- (3) Indirect protection of public health and safety;
- (4) Preservation of the character and integrity of the community; and
- (5) Promotion of the comfort, happiness, and emotional stability of area residents.

(a2) The county may require any person requesting the removal of a junked or abandoned motor vehicle from private property to indemnify the county against any loss, expense, or liability incurred because of the removal, storage, or sale thereof. When an abandoned or junked motor vehicle is removed, the county shall give notice to the owner as required by G.S. 20-219.11(a) and (b).

(a3) Hearing Procedure. – Regardless of whether a county does its own removal and disposal of motor vehicles or contracts with another person to do so, the county shall provide a prior hearing procedure for the owner. For purposes of this subsection, the definitions in G.S. 20-219.9 apply.

- (1) If the county operates in such a way that the person who tows the vehicle is responsible for collecting towing fees, all provisions of Article 7A, Chapter 20, apply.
- (2) If the county operates in such a way that it is responsible for collecting towing fees, it shall:
 - a. Provide by contract or ordinance for a schedule of reasonable towing fees,
 - b. Provide a procedure for a prompt fair hearing to contest the towing,
 - c. Provide for an appeal to district court from that hearing,
 - d. Authorize release of the vehicle at any time after towing by the posting of a bond or paying of the fees due, and
 - e. Provide a sale procedure similar to that provided in G.S. 44A-4, 44A-5, and 44A-6, except that no hearing in addition to the probable cause hearing is required. If no one purchases the vehicle at the sale and if the value of the vehicle is less than the amount of the lien, the city may destroy it.

(a4) Any person who removes a vehicle pursuant to this section shall not be held liable for damages for the removal of the vehicle to the owner, lienholder or other person legally entitled to the possession of the vehicle removed; however, any person who intentionally or negligently damages a vehicle in the removal of such vehicle, or intentionally or negligently inflicts injury upon any person in the removal of such vehicle, may be held liable for damages.

(b) Any ordinance adopted pursuant to this section shall include a prohibition against removing or disposing of any motor vehicle that is used on a regular basis for business or personal use. (1983, c. 841, s. 1; 1985, c. 737, s. 1; 1987, c. 42, s. 1, c. 451, s. 1; 1987 (Reg. Sess., 1988), c. 902, s. 1; 1989, c. 743, s. 1.)

§ 153A-133. Noise regulation.

A county may by ordinance regulate, restrict, or prohibit the production or emission of noises or amplified speech, music, or other sounds that tend to annoy, disturb, or frighten its citizens. (1973, c. 822, s. 1.)

§ 153A-134. Regulating and licensing businesses, trades, etc.

(a) A county may by ordinance, subject to the general law of the State, regulate and license occupations, businesses, trades, professions, and forms of amusement or entertainment and prohibit those that may be inimical to the public health, welfare, safety, order, or convenience. In licensing trades, occupations, and professions, the county may, consistent with the general law of the State, require applicants for licenses to be examined and charge a reasonable fee therefor. This section does not authorize a county to examine or license a person holding a license issued by an occupational licensing board of this State as to the profession or trade that he has been licensed to practice or pursue by the State.

(b) Repealed by Session Laws 2015-237, s. 4, effective October 1, 2015.

(c) Nothing in this section shall authorize a county to regulate and license a TNC service regulated under Article 10A of Chapter 20 of the General Statutes. (1868, c. 20, s. 8; Code, s. 707; Rev., s. 1318; C.S., s. 1297; 1973, c. 822, s. 1; 2013-413, s. 12.1(c); 2015-237, s. 4.)

§ 153A-134.1. Regulation of battery-charged security fences.

(a) No county may adopt an ordinance, rule, or regulation that does any of the following:

- (1) Requires any type of permit, fee, review, or approval for the installation or use of a battery-charged security fence in addition to a permit that may be required by an ordinance adopted by the governing board as authorized by G.S. 74D-11(c).
- (2) Imposes installation or operational requirements for battery-charged security fences that are inconsistent with the requirements and standards described in subsection (b) of this section.
- (3) Prohibits the installation or use of a battery-charged security fence on property that has been zoned for nonresidential use.

(b) For purposes of this section, the term "battery-charged security fence" means an alarm system and ancillary components, or equipment attached to that system, including a fence, a battery-operated energizer that is intended to periodically deliver voltage impulses to the fence, and a battery charging device used exclusively to charge the battery. A battery-charged security fence shall meet the following requirements:

- (1) Interfaces with a monitored alarm device enabling the alarm system to transmit a signal intended to summon the business or law enforcement in response to an intrusion or burglary.
- (2) Is located on property that is not designated by a county or city exclusively for residential use.
- (3) Has an energizer that is powered by a commercial storage battery that is not more than 12 volts of direct current.
- (4) Has an energizer that meets the standards established by the most current version of the International Electrotechnical Commission Standard 60335-2-76.
- (5) Is surrounded by a non-electric perimeter fence or wall that is not less than 5 feet in height.
- (6) Does not exceed 10 feet in height or 2 feet higher than the non-electric perimeter fence or wall, whichever is higher.
- (7) Is marked with conspicuous warning signs that are located on the battery-charged security fence at not more than 30-foot intervals and read: "WARNING-ELECTRIC FENCE". (2023-137, s. 44(a).)

§ 153A-135. Regulation of places of amusement.

A county may by ordinance regulate places of amusement and entertainment, and may regulate, restrict, or prohibit the operation of pool and billiard halls, dance halls, carnivals, circuses, or itinerant shows or exhibitions of any kind. Places of amusement and entertainment include coffeehouses, cocktail lounges, nightclubs, beer halls, and similar establishments, but any regulation of such places shall be consistent with any permit or license issued by the North Carolina Alcoholic Beverage Control Commission. (1963, c. 1060, ss. 1, 1 1/2; 1965, cc. 388, 567, 1083, 1158; 1967, c. 495, s. 2; 1969, c. 36, s. 1; 1971, c. 702, ss. 1-3; 1973, c. 822, s. 1; 1981, c. 412, ss. 4, 5.)

§ 153A-136. Regulation of solid wastes.

(a) A county may by ordinance regulate the storage, collection, transportation, use, disposal, and other disposition of solid wastes. Such an ordinance may:

- (1) Regulate the activities of persons, firms, and corporations, both public and private.
- (2) Require each person wishing to commercially collect or dispose of solid wastes to secure a license from the county and prohibit any person from commercially collecting or disposing of solid wastes without a license. A fee may be charged for a license.
- (3) Grant a franchise to one or more persons for the exclusive right to commercially collect or dispose of solid wastes within all or a defined portion of the county and prohibit any other person from commercially collecting or disposing of solid wastes in that area. The board of commissioners may set the terms of any franchise; provided, however, no franchise shall be granted for a period of more than 30 years, except for a franchise granted to a sanitary landfill for the life-of-site of the landfill pursuant to G.S. 130A-294(b1), which may not exceed 60 years. A franchise granted for a sanitary landfill shall be subject to all requirements pertaining thereto under G.S. 130A-294. No franchise by its terms may impair the authority of the board of commissioners to regulate fees as authorized by this section.
- (4) Regulate the fees, if any, that may be charged by licensed or franchised persons for collecting or disposing of solid wastes.
- (5) Require the source separation of materials prior to collection of solid waste for disposal.
- (6) Require participation in a recycling program by requiring separation of designated materials by the owner or occupant of the property prior to disposal. An owner of recovered materials as defined by G.S. 130A-290(a)(24) retains ownership of the recovered materials until the owner conveys, sells, donates, or otherwise transfers the recovered materials to a person, firm, company, corporation, or unit of local government. A county may not require an owner to convey, sell, donate, or otherwise transfer recovered materials to the county or its designee. If an owner places recovered materials in receptacles or delivers recovered materials to specific locations, receptacles, and facilities that are owned or operated by the county or its designee, then ownership of these materials is transferred to the county or its designee.

- (6a) Regulate the illegal disposal of solid waste, including littering on public and private property, provide for enforcement by civil penalties as well as other remedies, and provide that such regulations may be enforced by county employees specially appointed as environmental enforcement officers.

(7) Include any other proper matter.

(b) Any ordinance adopted pursuant to this section shall be consistent with and supplementary to any rules adopted by the Commission for Public Health or the Department of Environmental Quality.

(c) The board of commissioners of a county shall consider alternative sites and socioeconomic and demographic data and shall hold a public hearing prior to selecting or approving a site for a new sanitary landfill that receives residential solid waste that is located within one mile of an existing sanitary landfill within the State. The distance between an existing and a proposed site shall be determined by measurement between the closest points on the outer boundary of each site. The definitions set out in G.S. 130A-290 apply to this subsection. As used in this subsection:

- (1) "Approving a site" refers to prior approval of a site under G.S. 130A-294(a)(4).
- (2) "Existing sanitary landfill" means a sanitary landfill that is in operation or that has been in operation within the five-year period immediately prior to the date on which an application for a permit is submitted.
- (3) "New sanitary landfill" means a sanitary landfill that includes areas not within the legal description of an existing sanitary landfill as set out in the permit for the existing sanitary landfill.
- (4) "Socioeconomic and demographic data" means the most recent socioeconomic and demographic data compiled by the United States Bureau of the Census and any additional socioeconomic and demographic data submitted at the public hearing.

(d) As used in this section, "solid waste" means nonhazardous solid waste, that is, solid waste as defined in G.S. 130A-290 but not including hazardous waste.

(e) A county that has planning jurisdiction over any portion of the site of a sanitary landfill may employ a local government landfill liaison. No person who is responsible for any aspect of the management or operation of the landfill may serve as a local government landfill liaison. A local government landfill liaison shall have a right to enter public or private lands on which the landfill facility is located at reasonable times to inspect the landfill operation in order to:

- (1) Ensure that the facility meets all local requirements.
- (2) Identify and notify the Department of suspected violations of applicable federal or State laws, regulations, or rules.
- (3) Identify and notify the Department of potentially hazardous conditions at the facility.

(f) Entry pursuant to subsection (e) of this section shall not constitute a trespass or taking of property. (1955, c. 1050; 1957, cc. 120, 376; 1961, c. 40; c. 514, s. 1; cc. 711, 803; c. 806, s. 1; 1965, c. 452; 1967, cc. 34, 90; c. 183, s. 1; cc. 304, 339; c. 495, s. 4; 1969, cc. 79, 155, 176; c. 234, s. 1; c. 452; c. 1003, s. 4; 1973, c. 476, s. 128; c. 822, s. 1; 1989 (Reg. Sess., 1990), c. 1009, s. 1; 1991 (Reg. Sess., 1992), c. 1013, s. 1; 1993, c. 165, s. 1; 1997-443, s. 11A.123; 2001-512, s. 5; 2007-182, s. 2; 2007-550, s. 11(a); 2015-241, s. 14.30(u); 2017-10, s. 3.2(d); 2018-114, s. 21(c).)

A county may by ordinance provide for the annual registration of mobile homes, house trailers and similar vehicular equipment designed for use as living or business quarters and for the display of a sticker or other device thereon as evidence of such registration. No fee shall be charged for such registration. (1975, c. 693.)

§ 153A-139. Regulation of traffic at parking areas and driveways.

The governing body of any county may, by ordinance, regulate the stopping, standing, or parking of vehicles in specified areas of any parking areas or driveways of a hospital, shopping center, apartment house, condominium complex, or commercial office complex or any other privately owned public vehicular area, or prohibit such stopping, standing, or parking during any specified hours, provided the owner or person in general charge of the operation and control of that area requests in writing that such an ordinance be adopted. The owner of a vehicle parked in violation of an ordinance adopted pursuant to this subsection shall be deemed to have appointed any appropriate law-enforcement officer as his agent for the purpose of arranging for the transportation and safe storage of such vehicle. (1979, c. 745, s. 1.)

§ 153A-140. Abatement of public health nuisances.

A county shall have authority, subject to the provisions of Article 57 of Chapter 106 of the General Statutes, to remove, abate, or remedy everything that is dangerous or prejudicial to the public health or safety. Pursuant to this section, a board of commissioners may order the removal of a swimming pool and its appurtenances upon a finding that the swimming pool or its appurtenances is dangerous or prejudicial to public health or safety. The expense of the action shall be paid by the person in default, and, if not paid, shall be a lien upon the land or premises where the nuisance arose, and shall be collected as unpaid taxes. The authority granted by this section may only be exercised upon adequate notice, the right to a hearing, and the right to appeal to the General Court of Justice. Nothing in this section shall be deemed to restrict or repeal the authority of any municipality to abate or remedy health nuisances pursuant to G.S. 160A-174, 160A-193, or any other general or local law. This section shall not affect bona fide farms, but any use of farm property for nonfarm purposes is subject to this section. (1981 (Reg. Sess., 1982), c. 1314, s. 1; 2002-116, s. 2.)

§ 153A-140.1. Stream-clearing programs.

(a) A county shall have the authority to remove natural and man-made obstructions in stream channels and in the floodway of streams that may impede the passage of water during rain events.

(b) The actions of a county to clear obstructions from a stream shall not create or increase the responsibility of the county for the clearing or maintenance of the stream, or for flooding of the stream. In addition, actions by a county to clear obstructions from a stream shall not create in the county any ownership in the stream, obligation to control the stream, or affect any otherwise existing private property right, responsibility, or entitlement regarding the stream. These provisions shall not relieve a county for negligence that might be found under otherwise applicable law.

(c) Nothing in this section shall be construed to affect existing rights of the State to control or regulate streams or activities within streams. In implementing a stream-clearing program, the county shall comply with all requirements in State or federal statutes and rules. (2005-441, s. 1.)

(a) Notwithstanding the provisions of G.S. 113-131 or any other provision of law, a county may, by ordinance, define, prohibit, regulate, or abate acts, omissions, or conditions upon the State's ocean beaches and prevent or abate any unreasonable restriction of the public's rights to use the State's ocean beaches. In addition, a county may, in the interest of promoting the health, safety, and welfare of the public, regulate, restrict, or prohibit the placement, maintenance, location, or use of equipment, personal property, or debris upon the State's ocean beaches. In determining the liability of any taxpayer for a tax, a county may not employ an agent who is compensated in whole or in part by the county for services rendered on a contingent basis or any other basis related to the amount of tax, interest, or penalty assessed against or collected from the taxpayer. (d) With an approving vote of the people, any county may levy property taxes for any purpose for which the county is authorized by law to appropriate money. Any property tax levy approved by a vote of the people shall not be counted for purposes of the rate limitation imposed in subsection (c).

The county commissioners may call a referendum on approval of a property tax levy. The referendum may be held at the same time as any other referendum or election, but may not be otherwise held within the period of time beginning 30 days before and ending 10 days after any other referendum or election to be held in the county and already validly called or scheduled by law at the time the tax referendum is called. The referendum shall be conducted by the county board of elections. The clerk to the board of commissioners shall publish a notice of the referendum at least twice. The first publication shall be not less than 14 days and the second publication not less than seven days before the last day on which voters may register for the referendum. The notice shall state the date of the referendum, the purpose for which it is being held, and a statement as to the last day for registration for the referendum under the election laws then in effect.

The proposition submitted to the voters shall be substantially in one of the following forms:

- (1) Shall ___ County be authorized to levy annually a property tax at a rate not in excess of ___ cents on the one hundred dollars (\$100.00) value of property subject to taxation for the purpose of ___ ?
- (2) Shall ___ County be authorized to levy annually a property tax at a rate not in excess of that which will produce \$___ for the purpose of ___ ?
- (3) Shall ___ County be authorized to levy annually a property tax without restriction as to rate or amount for the purpose of ___ ?

If a majority of those participating in the referendum approve the proposition, the board of commissioners may proceed to levy annually a property tax within the limitations (if any) described in the proposition.

The board of elections shall canvass the referendum and certify the results to the board of commissioners. The board of commissioners shall then certify and declare the result of the referendum and shall publish a statement of the result once, with the following statement appended: "Any action or proceeding challenging the regularity or validity of this tax referendum must be begun within 30 days after (date of publication)." The statement of results shall be filed in the clerk's office and inserted in the minutes of the board.

Any action or proceeding in any court challenging the regularity or validity of a tax referendum must be begun within 30 days after the publication of the results of the referendum. After the expiration of this period of limitation, no right of action or defense based upon the invalidity of or any irregularity in the referendum shall be asserted, nor shall the validity of the referendum be open to question in any court upon any ground whatever, except in an action or proceeding begun within the period of limitation prescribed herein.

Except for supplemental school taxes and except for tax referendums on functions not included in subsection (c) of this section, any referendum held before July 1, 1973, on the levy of property taxes is not valid for the purposes of this subsection. Counties in which such referendums have been held may support programs formerly supported by voted property taxes within the general rate limitation set out in subsection (c) at any appropriate level and are not subject to the former voted rate limitation.

(e) With an approving vote of the people, any county may increase the property tax rate limitation imposed in subsection (c) and may call a referendum for that purpose. The referendum may be held at the same time as any other referendum or election, but may not be otherwise held within the period of time beginning 30 days before and ending 30 days after any other referendum or election. The referendum shall be conducted by the county board of elections.

The proposition submitted to the voters shall be substantially in the following form: "Shall the property tax rate limitation applicable to ___ County be increased from ___ on the one hundred dollars (\$100.00) value of property subject to taxation to ___ on the one hundred dollars (\$100.00) value of property subject to taxation?"

If a majority of those participating in the referendum approve the proposition, the rate limitation imposed in subsection (c) shall be increased for the county.

(f) With respect to any of the categories listed in subsections (b) and (c) of this section, the county may provide the necessary personnel, land, buildings, equipment, supplies, and financial support from property tax revenues for the program, function, or service.

(g) This section does not authorize any county to undertake any program, function, joint undertaking, or service not otherwise authorized by law. It is intended only to authorize the levy of property taxes within the limitations set out herein to finance programs, functions, or services authorized by other portions of the General Statutes or by local acts. (1973, c. 803, s. 1; c. 822, s. 2; c. 963; c. 1446, s. 25; 1975, c. 734, s. 17; 1977, c. 148, s. 5; c. 834, s. 3; 1979, c. 619, s. 4; 1981, c. 66, s. 2; c. 562, s. 11; c. 692, s. 1; 1983, c. 511, ss. 1, 2; 1985, c. 589, s. 57; 1987, c. 45, s. 2; c. 697, s. 2; 1989, c. 600, s. 5; c. 625, s. 25; c. 643, s. 1; 1989 (Reg. Sess., 1992), c. 764, s. 1; c. 896, s. 1; 1993, c. 378, s. 2; 1997-502, s. 6; 1999-366, s. 3; 2002-159, s. 50(a); 2002-172, s. 2.4(a); 2003-416, s. 2; 2009-281, s. 1; 2010-167, s. 4(b); 2022-62, s. 40; 2023-107, s. 6(c); 2023-134, s. 7.79.)

§ 153A-150. Reserve for reappraisal.

Before the beginning of the fiscal year immediately following the effective date of a reappraisal of real property conducted as required by G.S. 105-286, the county budget officer shall present to

the board of commissioners a budget for financing the cost of the next reappraisal. The budget shall estimate the cost of the reappraisal and shall propose a plan for raising the necessary funds in annual installments during the intervening years between reappraisals, with all installments as nearly uniform as practicable. The board shall consider this budget, making any amendments to the budget it deems advisable, and shall adopt a resolution establishing a special reserve fund for the next reappraisal. In the budget ordinance of the first fiscal year of the plan, the board of commissioners shall appropriate to the special reappraisal reserve fund the amount set out in the plan for the first year's installment. When the county budget for each succeeding fiscal year is in preparation, the board shall review the reappraisal budget with the budget officer and shall amend it, if necessary, so that it will reflect the probable cost at that time of the reappraisal and will produce the necessary funds at the end of the intervening period. In the budget ordinance for each succeeding fiscal year, the board shall appropriate to the special reappraisal reserve fund the amount set out in the plan as due in that year.

Moneys appropriated to the special reappraisal reserve fund shall not be available or expended for any purpose other than the reappraisal of real property required by G.S. 105-286, except that the funds may be deposited at interest or invested as permitted by G.S. 159-30. If there is a fund balance in the reserve fund following payment for the required reappraisal, it shall be retained in the fund for use in financing the next required reappraisal.

Within 10 days after the adoption of each annual budget ordinance, the county finance officer shall report to the Department of Revenue, on forms to be supplied by the Department, the terms of the county's reappraisal budget, the current condition of the special reappraisal reserve fund, and the amount appropriated to the reserve fund in the current fiscal year. (1959, c. 704, s. 6; 1971, c. 806, s. 4; c. 931, s. 2; 1973, c. 476, s. 193; c. 822, s. 1; 2008-146, s. 1.3.)

§ 153A-151. Sales tax.

A county may levy a local sales and use tax under the rules and according to the procedures prescribed by the Local Government Sales and Use Tax Act (Chapter 105, Subchapter VIII). (1973, c. 822, s. 1.)

§ 153A-152: Repealed by Session Laws 2014-3, s. 12.3(b), effective July 1, 2015.

§ 153A-152.1: Repealed by Session Laws 2014-3, s. 12.3(b), effective July 1, 2015.

§ 153A-153. Animal tax.

A county may levy an annual license tax on the privilege of keeping dogs and other pets within the county. (1973, c. 822, s. 1.)

§ 153A-154: Repealed by Session Laws 2006-151, s. 11, effective January 1, 2007.

§ 153A-154.1. Uniform provisions for local meals taxes.

(a) Scope. – This section applies to every county authorized by the General Assembly to levy a meals tax. To the extent this section conflicts with any provision of a local act, this section supersedes that provision.

(b) Collection. – A retailer who is required to remit to the Department of Revenue the State and local sales and use tax is required to remit the local meals tax on prepared food and beverages to the taxing county on and after the effective date of the levy of the local meals tax.

(c) Penalties. – The civil and criminal penalties that apply to State sales and use taxes under Chapter 105 of the General Statutes apply to local meals taxes. The governing board of a taxing county has the same authority to waive the penalties for a local meals tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

(d) Definitions. – The following definitions apply in this section:

(1) Meals tax. – A tax on prepared food and beverages.

(2) Prepared food and beverages. – The term means both of the following:

a. Prepared food, as defined in G.S. 105-164.3.

b. An alcoholic beverage, as defined in G.S. 18B-101, that meets at least one of the conditions of prepared food under G.S. 105-164.3. (2001-264, s. 1; 2020-58, s. 3.5(a).)

§ 153A-155. Uniform provisions for room occupancy taxes.

(a) Scope. – This section applies only to counties the General Assembly has authorized to levy room occupancy taxes.

(b) Levy. – A room occupancy tax may be levied only by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto. A room occupancy tax shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(c) Collection. – A retailer who is required to remit to the Department of Revenue the State sales tax imposed by G.S. 105-164.4(a)(3) on accommodations is required to remit a room occupancy tax to the taxing county on and after the effective date of the levy of the room occupancy tax. The room occupancy tax applies to the same gross receipts as the State sales tax on accommodations and is calculated in the same manner as that tax. An accommodation facilitator, as defined in G.S. 105-164.3, has the same responsibility and liability under the room occupancy tax as the accommodation facilitator has under the State sales tax on accommodations.

If a taxable accommodation is furnished as part of a package, the bundled transaction provisions in G.S. 105-164.4D apply in determining the sales price of the taxable accommodation. If those provisions do not address the type of package offered, the person offering the package may determine an allocated price for each item in the package based on a reasonable allocation of revenue that is supported by the person's business records kept in the ordinary course of business and calculate tax on the allocated price of the taxable accommodation.

A retailer must separately state the room occupancy tax. Room occupancy taxes paid to a retailer are held in trust for and on account of the taxing county.

The taxing county shall design and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. A retailer who collects a room occupancy tax may deduct from the amount remitted to the taxing county a discount equal to the discount the State allows the retailer for State sales and use tax.

(d) Administration. – The taxing county shall administer a room occupancy tax it levies. A room occupancy tax is due and payable to the county finance officer in monthly installments on or before the 20th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 20th day of each month, prepare and render a return on a form prescribed by the taxing county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A room

occupancy tax return filed with the county finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 or G.S. 160A-208.1.

(e) Penalties. – A person, firm, corporation, or association who fails or refuses to file a room occupancy tax return or pay a room occupancy tax as required by law is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The governing board of the taxing county has the same authority to waive the penalties for a room occupancy tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

(f) Repeal or Reduction. – A room occupancy tax levied by a county may be repealed or reduced by a resolution adopted by the governing body of the county. Repeal or reduction of a room occupancy tax shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the resolution was adopted. § 153A-156. Gross receipts tax on short-term leases or rentals.

(a) As a substitute for and in replacement of the ad valorem tax, which is excluded by G.S. 105-275(42), a county may levy a gross receipts tax on the gross receipts from the short-term

lease or rental of vehicles at retail to the general public. The tax rate shall not exceed one and one-half percent (1.5%) of the gross receipts from such short-term leases or rentals.

(b) If a county enacts the substitute and replacement gross receipts tax pursuant to this section, any entity required to collect the tax shall include a provision in each retail short-term lease or rental agreement noting that the percentage amount enacted by the county of the total lease or rental price, excluding highway use tax, is being charged as a tax on gross receipts. For purposes of this section, the transaction giving rise to the tax shall be deemed to have occurred at the location of the entity from which the customer takes delivery of the vehicle. The tax shall be collected at the time of lease or rental and placed in a segregated account until remitted to the county.

(c) The collection and use of taxes under this section are not subject to highway use tax and are not included in the gross receipts of the entity. The proceeds collected under this section belong to the county and are not subject to creditor liens against the entity.

(d) A tax levied under this section shall be collected by the county but otherwise administered in the same manner as the tax levied under G.S. 105-164.4(a)(2).

(e) The following definitions apply in this section:

(1) Short-term lease or rental. – Defined in G.S. 105-187.1.

(2) Vehicle. – Any of the following:

- a. A motor vehicle of the passenger type, including a passenger van, minivan, or sport utility vehicle.
- b. A motor vehicle of the cargo type, including cargo van, pickup truck, or truck with a gross vehicle weight of 26,000 pounds or less used predominantly in the transportation of property for other than commercial freight and that does not require the operator to possess a commercial drivers license.
- c. A trailer or semitrailer with a gross vehicle weight of 6,000 pounds or less.

(f) The penalties and remedies that apply to local sales and use taxes levied under Subchapter VIII of Chapter 105 of the General Statutes apply to a tax levied under this section. The county board of commissioners may exercise any power the Secretary of Revenue may exercise in collecting local sales and use taxes. (2000-2, s. 2; 2000-140, s. 75(b); 2019-69, s. 5.)

§ 153A-156.1. Heavy equipment gross receipts tax in lieu of property tax.

(a) Definitions. – The following definitions apply in this section:

(1) Heavy equipment. – Earthmoving, construction, or industrial equipment that is mobile, weighs at least 1,500 pounds, and meets any of the descriptions listed in this subdivision. The term includes an attachment for heavy equipment, regardless of the weight of the attachment.

- a. It is a self-propelled vehicle that is not designed to be driven on a highway.
- b. It is industrial lift equipment, industrial material handling equipment, industrial electrical generation equipment, or a similar piece of industrial equipment.

(2) Short-term lease or rental. – Defined in G.S. 105-187.1.

(b) Tax Authorized. – A county may, by resolution, impose a tax at the rate of one and two-tenths percent (1.2%) on the gross receipts from the short-term lease or rental of heavy equipment by a person whose principal business is the short-term lease or rental of heavy

equipment at retail. The heavy equipment subject to this tax is exempt from property tax under G.S. 105-275, and this tax provides an alternative to a property tax on the equipment. A person is not considered to be in the short-term lease or rental business if the majority of the person's lease and rental gross receipts are derived from leases and rentals to a person who is a related person under G.S. 105-163.010.

The tax authorized by this section applies to gross receipts that are subject to tax under G.S. 105-164.4(a)(2). Gross receipts from the short-term lease or rental of heavy equipment are subject to a tax imposed by a county under this section if the place of business from which the heavy equipment is delivered is located in the county.

(c) Payment. – A person whose principal business is the short-term lease or rental of heavy equipment is required to remit a tax imposed by this section to the county finance officer. The tax is payable quarterly and is due by the last day of the month following the end of the quarter. The tax is intended to be added to the amount charged for the short-term lease or rental of heavy equipment and paid to the heavy equipment business by the person to whom the heavy equipment is leased or rented.

(d) Enforcement. – The penalties and collection remedies that apply to the payment of sales and use taxes under Article 5 of Chapter 105 of the General Statutes apply to a tax imposed under this section. The county finance officer has the same authority as the Secretary of Revenue in imposing these penalties and remedies.

(e) Effective Date. – A tax imposed under this section becomes effective on the date set in the resolution imposing the tax. The date must be the first day of a calendar quarter and may not be sooner than the first day of the calendar quarter that begins at least two months after the date the resolution is adopted.

(f) Repeal. – A county may, by resolution, repeal a tax imposed under this section. The repeal is effective on the date set in the resolution. The date must be the first day of a calendar quarter and may not be sooner than the first day of the calendar quarter that begins at least two months after the date the resolution is adopted. - (1) Constructing, reconstructing, extending, or otherwise building or improving water systems;
- (2) Constructing, reconstructing, extending, or otherwise building or improving sewage collection and disposal systems of all types, including septic tank systems or other on-site collection or disposal facilities or systems;
- (3) Acquiring, constructing, reconstructing, extending, renovating, enlarging, maintaining, operating, or otherwise building or improving

 - (5) Providing street lights and street lighting in a residential subdivision, as provided in G.S. 153A-206.

A county may not assess property within a city pursuant to subdivision (1) or (2) of this section unless the governing board of the city has by resolution approved the project. (1963, c. 985, s. 1; 1965, c. 714; 1969, c. 474, s. 1; 1973, c. 822, s. 1; 1975, c. 487, s. 1; 1979, c. 619, s. 11; 1983, c. 321, s. 1; 1989 (Reg. Sess., 1990), c. 923, s. 1.)

§ 153A-186. Bases for making assessments.

(a) For water or sewer projects, assessments may be made on the basis of:

- (1) The frontage abutting on the project, at an equal rate per foot of frontage; or
- (2) The street frontage of the lots served, or subject to being served, by the project, at an equal rate per foot of frontage; or
- (3) The area of land served, or subject to being served, by the project, at an equal rate per unit of area; or
- (4) The valuation of land served, or subject to being served, by the project, being the value of the land without improvements as shown on the tax records of the county, at an equal rate per dollar of valuation; or
- (5) The number of lots served, or subject to being served, by the project when the project involves extension of an existing system to a residential or commercial subdivision, at an equal rate per lot; or
- (6) A combination of two or more of these bases.

(b) For beach erosion control or flood and hurricane protection works, watershed improvement projects, drainage projects and water resources development projects, assessments may be made on the basis of:

- (1) The frontage abutting on the project, at an equal rate per foot of frontage; or
- (2) The frontage abutting on a beach or shoreline or watercourse protected or benefited by the project, at an equal rate per foot of frontage; or
- (3) The area of land benefited by the project, at an equal rate per unit of area; or
- (4) The valuation of land benefited by the project, being the value of the land without improvements as shown on the tax records of the county, at an equal rate per dollar of valuation; or
- (5) A combination of two or more of these bases.

(c) Whenever the basis selected for assessment is either area or valuation, the board of commissioners shall provide for the laying out of one or more benefit zones according (i), in water or sewer projects, to the distance of benefited property from the project being undertaken and (ii), in beach erosion control or flood and hurricane protection works, watershed improvement projects, drainage projects and water resources development projects, to the distance from the shoreline or watercourse, the distance from the project, the elevation of the land, or other relevant factors. If more than one benefit zone is established, the board shall establish differing rates of assessment to apply uniformly throughout each benefit zone.

(d) For each project, the board of commissioners shall endeavor to establish an assessment method from among the bases set out in this section that will most accurately assess each lot or parcel of land according to the benefit conferred upon it by the project. The board's decision as to the method of assessment is final and not subject to further review or challenge. (1963, c. 985, s. 1; 1965, c. 714; 1973, c. 822, s. 1; 1983, c. 321, ss. 2, 3.)

§ 153A-187. Corner lot exemptions.

The board of commissioners may establish schedules of exemptions from assessments for water or sewer projects for corner lots when water or sewer lines are installed along both sides of the lots. A schedule of exemptions shall be based on categories of land use (residential, commercial, industrial, and agricultural) and shall be uniform for each category. A schedule may not allow exemption of more than seventy-five percent (75%) of the frontage of any side of a corner lot, or 150 feet, whichever is greater. (1963, c. 985, s. 1; 1973, c. 822, s. 1.)

§ 153A-188. Lands exempt from assessment.

Except as provided in this Article, no land within a county is exempt from special assessments except land belonging to the United States that is exempt under the provisions of federal statutes and, in the case of water or sewer projects, land within any floodway delineated by a local government pursuant to Chapter 143, Article 21, Part 6. In addition, in the case of water or sewer projects, land owned, leased, or controlled by a railroad company is exempt from assessments by a county to the same extent that it would be exempt from assessments by a city under G.S. 160A-222. (1963, c. 958, s. 1; 1973, c. 822, s. 1.)

§ 153A-189. State participation in improvement projects.

If a county proposes to undertake a project that would benefit land owned by the State of North Carolina or a board, agency, commission, or institution of the State and to finance all or a part of the project by special assessments, the board of commissioners may request the Council of State to authorize the State to pay its ratable part of the cost of the project, and the Council of State may authorize these payments. The Council of State may authorize the Secretary of Administration to approve or disapprove requests from counties for payment pursuant to this section, but a county may appeal to the Council of State if the Secretary disapproves a request. The Council of State may direct that any payment authorized pursuant to this section be made from the Contingency and Emergency Fund of the State of North Carolina or from any other available funds. Except as State payments are authorized pursuant to this section, state-owned property is exempt from assessment under this Article. (1973, c. 822, s. 1; 1975, c. 879, s. 46.)

§ 153A-190. Preliminary resolution; contents.

Whenever the board of commissioners decides to finance all or part of a proposed project by special assessments, it shall first adopt a preliminary assessment resolution containing the following:

- (1) A statement of intent to undertake the project;
- (2) A general description of the nature and location of the project;
- (3) A statement as to the proposed basis for making assessments, which shall include a general description of the boundaries of the area benefited if the basis of assessment is either area or valuation;

- (4) A statement as to the percentage of the cost of the work that is to be specially assessed;
- (5) A statement as to which, if any, assessments shall be held in abeyance and for how long;
- (6) A statement as to the proposed terms of payment of the assessment; and
- (7) An order setting a time and place for a public hearing on all matters covered by the preliminary assessment resolution. The hearing shall be not earlier than three weeks and not later than 10 weeks from the day on which the preliminary resolution is adopted. (1963, c. 985, s. 1; 1965, c. 714; 1973, c. 822, s. 1.)

§ 153A-191. Notice of preliminary resolution.

At least 10 days before the date set for the public hearing, the board of commissioners shall publish a notice that a preliminary assessment resolution has been adopted and that a public hearing on it will be held at a specified time and place. The notice shall describe generally the nature and location of the improvement. In addition, at least 10 days before the date set for the hearing, the board shall cause a copy of the preliminary assessment resolution to be mailed by first-class mail to each owner, as shown on the county tax records, of property subject to assessment if the project is undertaken. The person designated to mail these resolutions shall file with the board a certificate stating that they were mailed by first-class mail and on what date. In the absence of fraud, the certificate is conclusive as to compliance with the mailing requirements of this section. (1963, c. 985, s. 1; 1965, c. 714; 1973, c. 822, s. 1.)

§ 153A-192. Hearing on preliminary resolution; assessment resolution.

At the public hearing, the board of commissioners shall hear all interested persons who appear with respect to any matter covered by the preliminary assessment resolution. At or after the hearing, the board may adopt a final assessment resolution directing that the project or portions thereof be undertaken. The final assessment resolution shall describe the project in general terms (which may be by reference to projects described in the preliminary resolution) and shall set forth the following:

- (1) The basis on which the special assessments will be made, together with a general description of the boundaries of the areas benefited if the basis of assessment is either area or valuation;
- (2) The percentage of the cost of the work that is to be specially assessed; and
- (3) The terms of payment, including the conditions, if any, under which assessments are to be held in abeyance.

The percentage of cost to be assessed may not be different from the percentage proposed in the preliminary assessment resolution, nor may the project authorized be greater in scope than the project described in that resolution. If the board decides that a different percentage of the cost should be assessed than that proposed in the preliminary assessment resolution, or that the project should be greater in scope than that described in that resolution, it shall adopt and advertise a new preliminary assessment resolution as provided in this Article. (1963, c. 985, s. 1; 1965, c. 714; 1973, c. 822, s. 1.)

§ 153A-193. Determination of costs.

When a project is complete, the board of commissioners shall determine the project's total cost. In determining total cost, the board may include construction costs, the cost of necessary legal

services, the amount of interest paid during construction, the cost of rights-of-way, and the cost of publishing and mailing notices and resolutions. The board's determination of the total cost of a project is conclusive. (1963, c. 985, s. 1; 1965, c. 714; 1973, c. 822, s. 1.)

§ 153A-193.1. Discounts authorized.

The board of commissioners is authorized to establish a schedule of discounts to be applied to assessments paid before the expiration of 30 days from the date that notice is published of confirmation of the assessment roll pursuant to G.S. 153A-196. Such a schedule of discounts may be established even though it was not included among the terms of payment as specified in the preliminary assessment resolution or final assessment resolution. The amount of any discount may not exceed thirty percent (30%). (1983, c. 381, s. 1.)

§ 153A-194. Preliminary assessment roll; publication.

When the total cost of a project has been determined, the board of commissioners shall cause a preliminary assessment roll to be prepared. The roll shall contain a brief description of each lot, parcel, or tract of land assessed, the basis for the assessment, the amount assessed against each, the terms of payment, including the schedule of discounts, if such a schedule is to be established and the name of the owner of each lot, parcel, or tract as far as this can be ascertained from the county tax records. A map of the project on which is shown each lot, parcel, or tract assessed, the basis of its assessment, the amount assessed against it, and the name of its owner as far as this can be ascertained from the county tax records is a sufficient assessment roll.

After the preliminary assessment roll has been completed, the board shall cause the roll to be filed in the clerk's office, where it shall be available for public inspection, and shall set the time and place for a public hearing on the roll. At least 10 days before the date set for the hearing, the board shall publish a notice that the preliminary assessment roll has been completed. The notice shall describe the project in general terms, note that the roll in the clerk's office is available for inspection, and state the time and place for the hearing on the roll. In addition, at least 10 days before the date set for the hearing, the board shall cause a notice of the hearing to be mailed by first-class mail to each owner of property listed on the roll. The mailed notice shall state the time and place of the hearing, note that the roll in the clerk's office is available for inspection, and state the amount as shown on the roll of the assessment against the property of the owner. The person designated to mail these notices shall file with the board a certificate stating that they were mailed by first-class mail and on what date. In the absence of fraud, the certificate is conclusive as to compliance with the mailing requirements of this section. (1963, c. 985, s. 1; 1965, c. 714; 1973, c. 822, s. 1; 1983, c. 381, s. 2.)

§ 153A-195. Hearing on preliminary assessment roll; revision; confirmation; lien.

At the public hearing the board of commissioners shall hear all interested persons who appear with respect to the preliminary assessment roll. At or after the hearing, the board shall annul, modify, or confirm the assessments, in whole or in part, either by confirming the preliminary assessments against any lot, parcel, or tract described in the preliminary assessment roll or by cancelling, increasing, or reducing the assessments as may be proper in compliance with the basis of assessment. If any property is found to be omitted from the preliminary assessment roll, the board may place it on the roll and make the proper assessment. When the board confirms assessments for a project, the clerk shall enter in the minutes of the board the date, hour, and minute of confirmation. From the time of confirmation, each assessment is a lien on the property assessed

of the same nature and to the same extent as the lien for county or city property taxes, under the priorities set out in G.S. 153A-200. After the assessment roll is confirmed, the board shall cause a copy of it to be delivered to the county tax collector for collection in the same manner (except as provided in this Article) as property taxes. (1963, c. 985, s. 1; 1965, c. 714; 1973, c. 822, s. 1.)

§ 153A-196. Publication of notice of confirmation of assessment roll.

No earlier than 20 days from the date the assessment roll is confirmed, the county tax collector shall publish once a notice that the roll has been confirmed. The notice shall also state that assessments may be paid without interest at any time before the expiration of 30 days from the date that the notice is published and that if they are not paid within this time, all installments thereof shall bear interest as determined by the board of commissioners. The notice shall also state the schedule of discounts, if one has been established, to be applied to assessments paid before the expiration date for payment of assessments without interest. (1963, c. 985, s. 1; 1965, c. 714; 1973, c. 822, s. 1; 1983, c. 381, s. 3.)

§ 153A-197. Appeal to the General Court of Justice.

If the owner of, or any person having an interest in, a lot, parcel, or tract of land against which an assessment is made is dissatisfied with the amount of the assessment, he may, within 10 days after the day the assessment roll is confirmed, file a notice of appeal to the appropriate division of the General Court of Justice. He shall then have 20 days after the day the roll is confirmed to serve on the board of commissioners or the clerk a statement of facts upon which the appeal is based. The appeal shall be tried like other actions at law. (1963, c. 985, s. 1; 1965, c. 714; 1973, c. 822, s. 1.)

§ 153A-198. Reassessment.

When in its judgment an irregularity, omission, error, or lack of jurisdiction has occurred in any proceeding related to a special assessment made by it, the board of commissioners may set aside the assessment and make a reassessment. In that case, the board may include in the total project cost all additional interest paid, or to be paid, as a result of the delay in confirming the assessment. A reassessment proceeding shall, as far as practicable, follow the comparable procedures of an original assessment proceeding. A reassessment has the same force as if it originally had been made properly. (1963, c. 985, s. 1; 1965, c. 714; 1973, c. 822, s. 1.)

§ 153A-199. Payment of assessments in full or by installments.

Within 30 days after the day that notice of confirmation of the assessment roll is published, each owner of assessed property shall pay his assessment in full, unless the board of commissioners has provided that assessments may be paid in annual installments. If payment by installments is permitted, any portion of an assessment not paid within the 30-day period shall be paid in annual installments. The board shall in the assessment resolution determine whether payment may be made by annual installments and set the number of installments, which may not be more than 10. With respect to payment by installment, the board may provide

- (1) That the first installment with interest is due on the date when property taxes are due, and one installment with interest is due on the same date in each successive year until the assessment is paid in full, or
- (2) That the first installment with interest is due 60 days after the date that the assessment roll is confirmed, and one installment with interest is due on that

same day in each successive year until the assessment is paid in full. (1963, c. 985, s. 1; 1965, c. 714; 1973, c. 822, s. 1.)

§ 153A-200. Enforcement of assessments; interest; foreclosure; limitations.

(a) Any portion of an assessment that is not paid within 30 days after the day that notice of confirmation of the assessment roll is published shall, until paid, bear interest at a rate to be fixed in the assessment resolution. The maximum rate at which interest may be set is eight percent (8%) per annum.

(b) If an installment of an assessment is not paid on or before the due date, all of the installments remaining unpaid immediately become due, unless the board of commissioners waives acceleration. The board may waive acceleration and permit the property owner to pay all installments in arrears together with interest due thereon and the cost to the county of attempting to obtain payment. If this is done, any remaining installments shall be reinstated so that they fall due as if there had been no default. The board may waive acceleration and reinstate further installments at any time before foreclosure proceedings have been instituted.

(c) A county may foreclose assessment liens under any procedure provided by law for the foreclosure of property tax liens, except that (i) lien sales and lien sale certificates are not required and (ii) foreclosure may be begun at any time after 30 days after the due date. The county is not entitled to a deficiency judgment in an action to foreclose an assessment lien. The lien of special assessments is inferior to all prior and subsequent liens for State, local, and federal taxes, and superior to all other liens.

(d) No county may maintain an action or proceeding to foreclose any special assessment lien unless the action or proceeding is begun within 10 years from the date that the assessment or the earliest installment thereof included in the action or proceeding became due. Acceleration of installments under subsection (b) of this section does not have the effect of shortening the time within which foreclosure may be begun; in that event the statute of limitations continues to run as to each installment as if acceleration had not occurred. (1963, c. 985, s. 1; 1965, c. 714; 1973, c. 822, s. 1.)

§ 153A-201. Authority to hold assessments in abeyance.

The assessment resolution may provide that assessments made pursuant to this Article shall be held in abeyance without interest for any benefited property assessed. Water or sewer assessments may be held in abeyance until improvements on the assessed property are connected to the water or sewer system for which the assessment was made, or until a date certain not more than 10 years from the date of confirmation of the assessment roll, whichever event occurs first. Beach erosion control or flood and hurricane protection assessments may be held in abeyance for not more than 10 years from the date of confirmation of the assessment roll. When the period of abeyance ends, the assessment is payable in accordance with the terms set out in the assessment resolution.

If assessments are to be held in abeyance, the assessment resolution shall classify the property assessed according to general land use, location with respect to the water or sewer system (for water or sewer assessments), or other relevant factors. The resolution shall also provide that the period of abeyance shall be the same for all assessed property in the same class.

Statutes of limitations are suspended during the time that any assessment is held in abeyance without interest. (1963, c. 985, s. 1; 1965, c. 714; 1973, c. 822, s. 1.)

§ 153A-202. Assessments on property held by tenancy for life or years; contribution.

(a) Assessments upon real property in the possession or enjoyment of a tenant for life or a tenant for a term of years shall be paid pro rata by the tenant and the remaindermen after the life estate or by the tenant and the owner in fee after the expiration of the tenancy for years according to their respective interests in the land as calculated pursuant to G.S. 37-13.

(b) If a person having an interest in land held by tenancy for life or years pays more than his pro rata share of an assessment against the property, he may maintain an action in the nature of a suit for contribution against any delinquent party to recover from that party his pro rata share of the assessment, with interest thereon from the date of the payment; and in addition, he is subrogated to the right of the county to a lien on the property for the delinquent party's share of the assessment. (1963, c. 985, c. 1; 1965, c. 714; 1973, c. 822, s. 1.)

§ 153A-203. Lien in favor of a cotenant or joint owner paying special assessments.

Any one of several tenants in common or joint tenants (other than copartners) may pay the whole or any part of a special assessment made against property held in common or jointly. Any amount so paid that exceeds his share of the assessment and that was not paid through agreement with or on behalf of the other joint owners is a lien in his favor upon the shares of the other joint owners. This lien may be enforced in a proceeding for actual partition, a proceeding for partition and sale, or by any other appropriate judicial proceeding. This lien is not effective against an innocent purchaser for value until notice of the lien is filed in the office of the clerk of superior court in the county in which the land lies and indexed and docketed in the same manner as other liens required by law to be filed in that clerk's office. (1963, c. 985, s. 1; 1965, c. 714; 1973, c. 822, s. 1.)

§ 153A-204. Apportionment of assessments.

If a special assessment has been made against property that has been or is about to be subdivided, the board of commissioners may, with the consent of the owner of the property, (i) apportion the assessment among the lots or tracts within the subdivision, or (ii) release certain lots or tracts from the assessment if, in the board's opinion, the released lots or tracts are not benefited by the project, or (iii) both. Upon an apportionment each of the lots or tracts in the subdivision is released from the lien of the original assessment, and the portion of the original assessment assessed against each lot or tract has, as to that lot or tract, the same force as the original assessment. At the time the board makes an apportionment under this section, the clerk shall enter on the minutes of the board the date, hour, and minute of apportionment and a statement to the effect that the apportionment is made with the consent of the owners of the property affected, which entry is conclusive in the absence of fraud. The apportionment is effective at the time shown in the minute book. Apportionments may include past due installments with interest, as well as installments not then due; and any installment not then due shall fall due at the same date as it would have under the original assessment. (1963, c. 985, s. 1; 1965, c. 714; 1973, c. 822, s. 1.)

§ 153A-204.1. Maintenance assessments.

(a) In order to pay for the costs of maintaining and operating a project, the board of commissioners may annually or at less frequent intervals levy maintenance and operating assessments for any project purpose set forth in G.S. 153A-185(3) on the same basis as the original assessment. The amount of these assessments shall be determined by the board of commissioners on the basis of the board's estimate of the cost of maintaining and operating a project during the ensuing budget period, and the board's decision as to the amount of the assessment is conclusive. In

determining the total cost to be included in the assessment the board may include estimated costs of maintaining and operating the project, of necessary legal services, of interest payments, of rights-of-way, and of publishing and mailing notices and resolutions. References to "total costs" in provisions of this Article that apply to maintenance and operating assessments shall be construed to mean "total estimated costs." Within the meaning of this section a "budget period" may be one year or such other budget period as the board determines.

(b) All of the provisions of this Article shall apply to maintenance and operating assessments, except for G.S. 153A-190 through G.S. 153A-193. (1983, c. 321, s. 4.)

§ 153A-205. Improvements to subdivision and residential streets.

(a) A county may finance the local share of the cost of improvements made under the supervision of the Department of Transportation to subdivision and residential streets that are a part of the State maintained system located in the county and outside of a city and shall levy and collect pursuant to the procedures of Article 9 of Chapter 153A of the General Statutes special assessments against benefited property to recoup that portion of the costs financed by the county. The local share is that share required by policies of the Department of Transportation and may be paid by the county from funds not otherwise limited as to use by law. Land owned, leased, or controlled by a railroad company is exempt from such assessments to the same extent that it would be exempt from street assessments of a city under G.S. 160A-222. No project may be commenced under this section unless it has been approved by the Department of Transportation.

(b) A county may finance the local share of the cost of improvements made under the supervision of the Department of Transportation to subdivision and residential streets located in the county and outside of a city in order to bring those streets up to the standards of the Department of Transportation so that they may become a part of the State-maintained system and shall levy and collect pursuant to the procedures of Article 9 of Chapter 153A of the General Statutes special assessments against benefited property to recoup that portion of the costs financed by the county. The local share is that share required by policies of the Department of Transportation and may be paid by the county from funds not otherwise limited as to use by law. Land owned, leased, or controlled by a railroad company is exempt from such assessments to the same extent that it would be exempt from street assessments of a city under G.S. 160A-222. No project may be commenced under this section unless it has been approved by the Department of Transportation.

(c) Before a county may finance all or a portion of the cost of improvements to a subdivision or residential street, it must receive a petition for the improvements signed by at least seventy-five percent (75%) of the owners of property to be assessed, who must represent at least seventy-five percent (75%) of all the lineal feet of frontage of the lands abutting on the street or portion thereof to be improved. The petition shall state that portion of the cost of the improvement to be assessed, which shall be the local share required by policies of the Department of Transportation. A county may treat as a unit and consider as one street two or more connecting State-maintained subdivision or residential streets in a petition filed under this subsection calling for the improvement of subdivision or residential streets subject to property owner sharing in the cost of improvement under policies of the Department of Transportation.

Property owned by the United States shall not be included in determining the lineal feet of frontage on the improvement, nor shall the United States be included in determining the number of owners of property abutting the improvement. Property owned by the State of North Carolina shall be included in determining frontage and the number of owners only if the State has consented to assessment as provided in G.S. 153A-189. Property owned, leased, or controlled by railroad

companies shall be included in determining frontage and the number of owners to the extent the property is subject to assessment under G.S. 160A-222. Property owned, leased, or controlled by railroad companies that is not subject to assessment shall not be included in determining frontage or the number of owners.

No right of action or defense asserting the invalidity of street assessments on grounds that the county did not comply with this subsection in securing a valid petition may be asserted except in an action or proceeding begun within 90 days after the day of publication of the notice of adoption of the preliminary assessment resolution.

(d) This section is intended to provide a means of assisting in financing improvements to subdivision and residential streets that are on the State highway system or that will, as a result of the improvements, become a part of the system. By financing improvements under this section, a county does not thereby acquire or assume any responsibility for the street or streets involved, and a county has no liability arising from the construction of such an improvement or the maintenance of such a street. Nothing in this section shall be construed to alter the conditions and procedures under which State system streets or other public streets are transferred to municipal street systems pursuant to G.S. 136-66.1 and 136-66.2 upon annexation by, or incorporation of, a municipality. (1975, c. 487, s. 2; c. 716, s. 7; 1981, c. 768; 2014-115, s. 59.)

§ 153A-206. Street light assessments.

(a) Authorization. A county may annually levy special assessments against benefited property in a residential subdivision within the county and not within a city for the costs of providing street lights and street lighting pursuant to the procedures provided in this Article. The provisions of this Article, other than G.S. 153A-186, G.S. 153A-187 and G.S. 153A-190 through G.S. 153A-193, apply to street light assessments under this section.

(b) Basis of Assessment. The estimated costs of providing street lights and street lighting shall be apportioned among all benefited property on the basis of the number of lots served, or subject to being served, by the street lights, at an equal rate per lot.

(c) Amount of Assessment. The county shall determine the amount of the assessments on the basis of an estimate of the cost of constructing or operating the street lights during the ensuing year, and the board of commissioners' determination of the amount of the assessment is conclusive. In determining the total cost to be included in the assessment, the board may also include estimated costs of necessary legal services, projected utility rate increases, and the costs to the county of administering and collecting the assessment.

(d) Procedure. The county may approve the levy of street light assessments under this section upon petition of at least two-thirds of the owners of the lots within the subdivision. The request or petition shall include an estimate from the appropriate utility of the charge for providing street lights and street lighting within the subdivision for one year. Upon approval of the petition, the petitioning owner or owners shall pay to the tax collector the total estimated assessment amount for the ensuing year as determined by the county. This payment shall be set aside by the county tax office in escrow as security for payment of the assessments.

(e) Collection and Administration. The county shall levy the street light assessments on an annual basis and shall pay the costs of providing street lights and street lighting to the appropriate utility on a periodic basis. The assessment amount shall be adjusted on an annual basis in order to maintain in the escrow account an amount equal to the estimated cost of providing street lighting plus related expenses for the ensuing year. Article 9A.

Special Assessments for Critical Infrastructure Needs.

§ 153A-210.1. (Article has an expiration note – see note) Purpose; sunset.

(a) Purpose. – This Article enables counties that face increased demands for infrastructure improvements as a result of rapid growth and development to impose special assessments as provided in this Article on benefited property and to use the resulting revenues as provided in this Article. This Article supplements the authority counties have in Article 9 of this Chapter. The provisions of Article 9 of this Chapter apply to this Article, to the extent they do not conflict with this Article.

(a1) Purpose of Dam Repair. – The General Assembly finds that dam repair is a public purpose promoting flood control and public safety.

(b) Sunset. – This Article expires July 1, 2025, for projects that have not been approved under a final assessment resolution. For projects authorized in G.S. 153A-210.2(a1), this Article expires July 1, 2022. The expiration does not affect the validity of assessments imposed or to be imposed or bonds issued or authorized or to be issued or authorized under the provisions of this Article if a final assessment resolution has been adopted prior to the effective date of the expiration. (2008-165, s. 2; 2013-371, ss. 1(a), 3; 2014-89, ss. 1, 2; 2015-121, s. 1; 2017-40, s. 1; 2019-151, s. 15; 2019-190, s. 1; 2019-215, s. 3.)

§ 153A-210.2. (Article has an expiration date – see note) Assessments.

(a) Projects. – The board of commissioners of a county may make special assessments as provided in this Article against benefited property within the county for the purpose of assisting in arranging for payment of the capital costs of projects (i) for which project development financing debt instruments may be issued under G.S. 159-103 or (ii) for the purpose of the installation of distributed generation renewable energy sources or energy efficiency improvements that are permanently fixed to residential, commercial, industrial, or other real property.

(a1) Dam Repair Project. – The board of commissioners of a county may make special assessments as provided in this Article against property that is contiguous to a lake, and benefits from access to the same lake, for the purpose of repairing the dam of that lake. The provisions of this subsection only apply to the following:

- (1) A privately owned dam formerly used for textile mill purposes, forming a lake between 225 and 325 acres in area.
- (2) A privately owned dam formerly used for recreational and flood control purposes, forming a lake between 1,100 and 1,300 acres. The authority provided in this subdivision applies only if all of the following conditions are met:

- a. The board of county commissioners directs the county board of elections to conduct an advisory referendum on the question of whether to make the special assessment authorized in this subdivision.
- b. The election is held in accordance with the procedures of G.S. 163-287, and the form of the question to be presented on the ballot concerning the special assessment authorized by this subdivision is as follows:
" FOR AGAINST
Special assessment for repairing a dam formerly used for recreational and flood control purposes and forming a lake between 1,100 and 1,300 acres."
- c. A majority of those voting in the referendum vote for the special assessment authorized in this subdivision.
- d. The board of county commissioners, by resolution and after 10 days' public notice, makes the special assessment authorized in this subdivision.

(b) Costs. – The board of commissioners must determine a project's total estimated cost and the amount of costs to be paid from assessments. In addition to the costs allowed under G.S. 153A-193, the costs may include any expenses allowed under G.S. 159-84 and expenses for the administration of the assessments. A preliminary assessment roll may be prepared before the costs are incurred based on the estimated cost of the project.

(c) Method. – The board of commissioners must establish an assessment method that will, in the board's judgment, accurately assess each lot or parcel of land subject to the assessments according to the benefits conferred upon it by the project for which the assessment is made. In addition to other bases upon which assessments may be made under G.S. 153A-186, the board may select any other method designed to allocate the costs in accordance with benefits conferred. In doing so, the board may provide that the benefits conferred are measured on the basis of use being made on the lot or parcel of land and provide for adjustments of assessments upon a change in use, provided that the total amount of all assessments is sufficient to pay the portion of the costs of the project to be funded from assessments after the adjustments have been made. (2008-165, s. 2; 2008-187, s. 47.5(a); 2009-525, s. 1(a); 2013-371, ss. 1(b), 3; 2014-89, s. 3; 2017-40, s. 1; 2018-146, s. 6.1; 2019-190, s. 2.)

§ 153A-210.3. (Article has an expiration date – see note) Petition required.

(a) Petition. – The board of commissioners may not impose a special assessment under this Article unless it receives a petition for the project to be financed by the assessment signed by (i) at least a majority of the owners of real property to be assessed and (ii) owners who represent at least sixty-six percent (66%) of the assessed value of all real property to be assessed. For purposes of determining whether the assessed value represented by those signing the petition constitutes at least sixty-six percent (66%) of the assessed value of all real property to be assessed, an owner who holds title to a parcel of real property alone shall have the full assessed value of the parcel included in the calculation, and an owner who shares title to a parcel of real property with one or more other owners shall have their proportionate share

Not earlier than 10 days after the public hearing, the board may adopt a final assessment resolution directing that the project or portions thereof be undertaken. The final assessment resolution shall include all of the information provided for in subdivisions (1) through (4) of subsection (a1) of this section.

(b) Petition Withdrawn. – The board of commissioners must wait at least 10 days after the public hearing on the preliminary assessment resolution before adopting a final assessment resolution. The board may not adopt a final assessment resolution if it receives a timely notice of petition withdrawal.

(c) Validity of Assessment. – No right of action or defense asserting the invalidity of an assessment on grounds that the county did not comply with this section may be asserted except in an action or proceeding begun within 90 days after publication of the notice of adoption of the preliminary assessment resolution. Initial funding for the project may be provided by the public or private agencies. If no more than twenty-five percent (25%) of the estimated cost of a project is to be funded from the proceeds of general obligation bonds or general revenue, excluding assessments imposed pursuant to this Article, a private agency that enters into a contract with a county for the implementation of all or part of the project is subject to the provisions of Article 8 of Chapter 143 of the General Statutes only to the extent specified in the contract. In the event any contract relating to construction a substantial portion of which is to be performed on publicly owned property is excluded from the provisions of Article 8 of Chapter 143, the county or any trustee or fiduciary responsible for disbursing funds shall obtain certification acceptable to the county in the amount due for work done or materials supplied for which payment will be paid from such disbursement. - (5) The governing body may appeal an order of the Secretary or a final decision to the senior resident superior court judge. The governing body shall initiate the

appeal by giving by registered mail to the judge and to the Secretary notice of its intention to appeal. The notice must be given within 15 days after the day the Secretary's order or the final decision is received. If notice is not given within the 15-day period, the right to appeal is terminated.

- (6) The senior resident superior court judge shall hear the appeal. He shall cause notice of the date, time, and place of the hearing to be given to each interested party, including the Secretary, the governing body, and each other local official involved. The Office of Administrative Hearings, if a contested case hearing has been held, shall file the official record, as defined in G.S. 150B-37, with the senior resident superior court judge and shall serve a copy on each person who has been given notice of the hearing. The judge shall conduct the hearing without a jury. He shall consider the official record, if any, and may accept evidence from the Secretary, the governing body, and each other local official which he finds appropriate. The issue before the court shall be whether the facility continues to jeopardize the safe custody, safety, health, or welfare of persons confined therein. The court may affirm, modify, or reverse the Secretary's order. (1947, c. 915; 1967, c. 581, s. 2; 1973, c. 476, s. 138; c. 822, s. 1; 1981, c. 614, ss. 20, 21; 1983, c. 745, s. 8; 1987, c. 827, s. 1; 1987 (Reg. Sess., 1988), c. 1037, s. 123; 2011-398, s. 55; 2018-5, s. 17.1(a).)

§ 153A-224. Supervision of local confinement facilities.

(a) No person may be confined in a local confinement facility unless custodial personnel are present and available to provide continuous supervision in order that custody will be secure and that, in event of emergency, such as fire, illness, assaults by other prisoners, or otherwise, the prisoners can be protected. These personnel shall supervise prisoners closely enough to maintain safe custody and control and to be at all times informed of the prisoners' general health and emergency medical needs.

(b) In a medical emergency, the custodial personnel shall secure emergency medical care from a licensed physician according to the unit's plan for medical care. If a physician designated in the plan is not available, the personnel shall secure medical services from any licensed physician who is available. The unit operating the facility shall pay the cost of emergency medical services unless the inmate has third-party insurance, in which case the third-party insurer shall be the initial payor and the medical provider shall bill the third-party insurer. The county shall only be liable for costs not reimbursed by the third-party insurer, in which event the county may recover from the inmate the cost of the non-reimbursed medical services.

(c) If a person violates any provision of this section, he is guilty of a Class 1 misdemeanor. (1967, c. 581, s. 2; 1973, c. 822, s. 1; 1993, c. 510, c. 539, s. 1061; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 153A-225. Medical care of prisoners.

(a) Each unit that operates a local confinement facility shall develop a plan for providing medical care for prisoners in the facility. The plan:

- (1) Shall be designed to protect the health and welfare of the prisoners and to avoid the spread of contagious disease;
- (2) Shall provide for medical supervision of prisoners and emergency medical care for prisoners to the extent necessary for their health and welfare;

- (3) Shall provide for the detection, examination and treatment of prisoners who are infected with tuberculosis or venereal diseases; and
- (4) May utilize Medicaid coverage for inpatient hospitalization or for any other Medicaid services allowable for eligible prisoners, provided that the plan includes a reimbursement process which pays to the State the State portion of the costs, including the costs of the services provided and any administrative costs directly related to the services to be reimbursed, to the State's Medicaid program.

The unit shall develop the plan in consultation with appropriate local officials and organizations, including the sheriff, the county physician, the local or district health director, and the local medical society. The plan must be approved by the local or district health director after consultation with the area mental health, developmental disabilities, and substance abuse authority, if it is adequate to protect the health and welfare of the prisoners. Upon a determination that the plan is adequate to protect the health and welfare of the prisoners, the plan must be adopted by the governing body.

As a part of its plan, each unit may establish fees of not more than twenty dollars (\$20.00) per incident for the provision of nonemergency medical care to prisoners and a fee of not more than ten dollars (\$10.00) for a 30-day supply or less of a prescription drug. In establishing fees pursuant to this section, each unit shall establish a procedure for waiving fees for indigent prisoners.

(b) If a prisoner in the custody of a local confinement facility dies, the medical examiner and the coroner shall be notified immediately, regardless of the physical location of the prisoner at the time of death. Within five days after the day of the death, the administrator of the facility shall make a written report to the local or district health director and to the Secretary of Health and Human Services. The report shall be made on forms developed and distributed by the Department of Health and Human Services.

(b1) Whenever a local confinement facility transfers a prisoner from that facility to another local confinement facility, the transferring facility shall provide the receiving facility with any health information or medical records the transferring facility has in its possession pertaining to the transferred prisoner.

(c) If a person violates any provision of this section (including the requirements regarding G.S. 130-97 and 130-121), he is guilty of a Class 1 misdemeanor. (1967, c. 581, s. 2; 1973, c. 476, ss. 128, 138; c. 822, s. 1; 1973, c. 1140, s. 3; 1989, c. 727, s. 204; 1991, c. 237, s. 2; 1993, c. 539, s. 1062; 1994, Ex. Sess., c. 24, s. 14(c); 1995, c. 385, s. 1; 1997-443, s. 11A.112; 2003-392, s. 1; 2004-199, s. 46(a); 2011-145, s. 31.26(f); 2011-192, s. 7(n); 2013-387, s. 2; 2013-389, s. 1; 2018-76, s. 1.)

§ 153A-225.1. Duty of custodial personnel when prisoners are unconscious or semiconscious.

(a) Whenever a custodial officer of a local confinement facility takes custody of a prisoner who is unconscious, semiconscious, or otherwise apparently suffering from some disabling condition and unable to provide information on the causes of the condition, the officer should make a reasonable effort to determine if the prisoner is wearing a bracelet or necklace containing the Medic Alert Foundation's emergency alert symbol to indicate that the prisoner suffers from diabetes, epilepsy, a cardiac condition or any other form of illness which would cause a loss of consciousness. If such a symbol is found indicating that the prisoner suffers from one of those conditions, the officer must make a reasonable effort to have appropriate medical care provided.

(b) Failure of a custodial officer of a local confinement facility to make a reasonable effort to discover an emergency alert symbol as required by this section does not by itself establish negligence of the officer but may be considered along with other evidence to determine if the officer took reasonable precautions to ascertain the emergency medical needs of the prisoner in his custody.

(c) A prisoner who is provided medical care under the provisions of this section is liable for the reasonable costs of that care unless he is indigent.

(d) Repealed by Session Laws 1975, c. 818, s. 2. (1975, c. 306, s. 2; c. 818, s. 2.)

§ 153A-225.2. Payment of medical care of prisoners.

(a) Counties shall reimburse those providers and facilities providing requested or emergency medical care outside of the local confinement facility the lesser amount of either a rate of seventy percent (70%) of the provider's then-current prevailing charge or two times the then-current Medicaid rate for any given service. Each county shall have the right to audit any provider from whom the county has received a bill for services under this section but only to the extent necessary to determine the actual prevailing charge to ensure compliance with this section.

(b) Nothing in this section shall preclude a county from contracting with a provider for services at rates that provide greater documentable cost avoidance for the county than do the rates contained in subsection (a) of this subsection or at rates that are less favorable to the county but that will ensure the continued access to care.

(c) The county shall make reasonable efforts to equitably distribute prisoners among all hospitals or other appropriate health care facilities located within the same county and shall do so based upon the licensed acute care bed capacity at each of the hospitals located within the same county. Counties with more than one hospital or other appropriate health care facility shall provide semiannual reports conspicuously posted on the county's Web site that detail compliance with this section, including information on the distribution of prisoner health care services among different hospitals and health care facilities.

(d) For the purposes of this section, "requested or emergency medical care" shall include all medically necessary and appropriate care provided to an individual from the time that individual presents to the provider or facility in the custody of county law enforcement officers until the time that the individual is safely transferred back to the care of county law enforcement officers or medically discharged to another community setting, as appropriate. (2013-387, s. 1.)

§ 153A-226. Sanitation and food.

(a) The Commission for Public Health shall adopt rules governing the sanitation of local confinement facilities, including the kitchens and other places where food is prepared for prisoners. The rules shall address, but not be limited to, the cleanliness of floors, walls, ceilings, storage spaces, utensils, ventilation equipment, and other facilities; adequacy of lighting, water, lavatory facilities, bedding, food protection facilities, treatment of eating and drinking utensils, and waste disposal; methods of food preparation, handling, storage, and serving; and any other item necessary to the health of the prisoners or the public.

(b) The Commission for Public Health shall prepare a score sheet to be used by local health departments in inspecting local confinement facilities. The local health departments shall inspect local confinement facilities as often as may be required by the Commission for Public Health. If an inspector of the Department finds conditions that reflect hazards or deficiencies in the sanitation or food service of a local confinement facility, he shall immediately notify the local health

department. The health department shall promptly inspect the facility. After making its inspection, the local health department shall forward a copy of its report to the Department of Health and Human Services and to the unit operating the facility, on forms prepared by the Department of Environmental Quality. The report shall indicate whether the facility and its kitchen or other place for preparing food is approved or disapproved for public health purposes. If the facility is disapproved, the situation shall be rectified according to the procedures of G.S. 153A-223. (1967, c. 581, s. 2; 1973, c. 476, s. 128; c. 822, s. 1; 1989, c. 727, s. 205; 1993, c. 262, s. 5; 1997-443, ss. 11A.113, 11A.118(a); 2007-182, s. 2; 2015-241, s. 14.30(u).)

§ 153A-227: Repealed by Session Laws 1983, c. 745, s. 9.

§ 153A-228. Separation of sexes.

Male and female prisoners shall be confined in separate facilities or in separate quarters in local confinement facilities. (1967, c. 581, s. 2; 1973, c. 822, s. 1.)

§ 153A-229. Jailers' report of jailed defendants.

The person having administrative control of a local confinement facility must furnish to the clerk of superior court a report listing such information reasonably at his disposal as is necessary to enable said clerk of superior court to comply with the provisions of G.S. 7A-109.1. (1973, c. 1286, s. 23; 1981, c. 522.)

 - e. Single-cell accommodations provided at the request of the incarcerated person.
- (11) State of undress. – A situation when an incarcerated person is partially or fully naked, either in the shower, toilet areas, a medical examination room, or while having a body cavity search conducted. (2021-143, s. 3(a).)

§ 153A-229.2. Care for female incarcerated persons related to pregnancy, childbirth, and postpartum recovery.

(a) Limitation on Use of Restraints. – Except as otherwise provided in this subsection, facility employees shall not apply restraints on a pregnant female incarcerated person during the second and third trimester of pregnancy, during labor and delivery, and during the postpartum recovery period.

A female incarcerated person who is in the postpartum recovery period may only be restrained if a facility employee makes an individualized determination that an important circumstance exists. In this case, only wrist handcuffs held in front of the female incarcerated person's body may be used and only when she is ambulatory. The facility employee ordering use of restraints on any female incarcerated person while in the postpartum recovery period shall submit a written report to the sheriff or administrator of the local confinement facility within five days following the use of restraints. The report shall contain the justification for restraining the female incarcerated person during postpartum recovery.

Nothing in this subsection shall prohibit the use of handcuffs or wrist restraints held in front of the female incarcerated person's body when in transport outside of the local confinement facility, except that these restraints shall not be used in transport when the female incarcerated person is in labor or is suspected to be in labor.

Nothing in this subsection shall prohibit the use of medical restraints by a licensed health care professional to ensure the medical safety of a pregnant female incarcerated person.

(b) **Body Cavity Searches.** – No facility employee, other than a certified health care professional, shall conduct body cavity searches of a female incarcerated person who is pregnant or in the postpartum recovery period unless the facility employee has probable cause to believe that the female incarcerated person is concealing contraband that presents an immediate threat of harm to the female incarcerated person, the fetus, or another person. In this case, the facility employee shall submit a written report to the sheriff or administrator of the local confinement facility within five days following the body cavity search, containing the justification for the body cavity search and the presence or absence of any contraband.

(c) **Nutrition.** – The sheriff or the administrator of the local confinement facility shall ensure that pregnant female incarcerated persons are provided sufficient food and dietary supplements and are provided access to food at appropriate times of day, as ordered by a physician, a physician staff member, or a local confinement facility nutritionist in accordance with the guidelines for women who are pregnant or lactating as set forth in the most recent edition of Dietary Guidelines for Americans published by the United States Department of Health and Human Services and the United States Department of Agriculture. Orders by a physician or physician staff regarding dietary needs or restrictions for any particular pregnant incarcerated person shall take precedence over the Dietary Guidelines for Americans. While in the hospital, pregnant female incarcerated persons and female incarcerated persons in the postpartum recovery period shall have access to the full range of meal options provided by the hospital to ensure that each meal meets the female incarcerated person's nutritional needs.

(d) **Restrictive Housing.** – The sheriff or the administrator of the local confinement facility shall not place any pregnant female incarcerated person, or any female incarcerated person who is in the postpartum recovery period, in restrictive housing unless a local confinement facility employee makes an individualized determination that an important circumstance exists. In this case, the facility employee authorizing the placement of the female incarcerated person in restrictive housing shall submit a written report to the sheriff or administrator of the local confinement facility within five days following the transfer. The report shall contain the justification for confining the female incarcerated person in restrictive housing.

(e) **Bed Assignments.** – The sheriff or the administrator of the local confinement facility shall not assign any female incarcerated person who is pregnant or in postpartum recovery to any bed that is elevated more than 3 feet from the floor of the local confinement facility.

(g) **Bonding Period.** – Following the delivery of a newborn by a female incarcerated person, the administrator of the local confinement facility shall permit the newborn to remain with the female incarcerated person while the female incarcerated person is in the hospital, unless the medical provider has a reasonable belief that remaining with the female incarcerated person poses a health or safety risk to the newborn.

(h) **Nutritional and Hygiene Products During the Postpartum Period.** – During the period of postpartum recovery, the sheriff or administrator of the local confinement facility shall make available the necessary nutritional and hygiene products, including sanitary napkins, underwear, and hygiene products for the postpartum female incarcerated person. The products shall be provided at no cost to the female incarcerated person.

(i) Reporting. – The sheriff or administrator of the local confinement facility shall compile a monthly summary of all written reports received pursuant to this section and G.S. 148-25.3. (2021-143, s. 3(a); 2022-74, s. 9K.2(b).)

§ 153A-229.3. Inspection by facility employees.

(a) Inspections When a Female Incarcerated Person is in the State of Undress. – To the greatest extent practicable and consistent with safety and order in a local confinement facility, there shall be a limitation on inspections by male facility employees when a female incarcerated person is in a state of undress. Nothing in this section shall limit the ability of a male facility employee from conducting inspections when a female incarcerated person may be in a state of undress if no female facility employees are available within a reasonable period of time.

(b) Documentation Requirement. – If a male facility employee deems it is appropriate to conduct an inspection or search while a female incarcerated person is in a clear state of undress in an area such as the shower, the medical examination room, toilet areas, or while a female incarcerated person is having a body cavity search, the male local confinement facility employee shall submit a written report to the sheriff or administrator of the local confinement facility within five days following the inspection or search, containing the justification for a male facility employee to inspect the female incarcerated person while in a state of undress. (2021-143, s. 3(a).)

§ 153A-229.4. Access to menstrual products.

Access to Menstrual Products. – The sheriff or the administrator of the local confinement facility shall ensure that sufficient menstrual products are available at the local confinement facility for all female incarcerated persons who have an active menstrual cycle. Female incarcerated persons who menstruate shall be provided menstrual products as needed at no cost to the female incarcerated person. (2021-143, s. 3(a).)

Part 3. Satellite Jail/Work Release Units.

§ 153A-230. Legislative policy.

The policy of the General Assembly with respect to satellite jail/work release units is:

- (1) To encourage counties to accept responsibility for incarcerated misdemeanants thereby relieving the State prison system of its misdemeanor population;
- (2) To assist counties in providing suitable facilities for certain misdemeanants who receive active sentences;
- (3) To allow more misdemeanants who are employed at the time of sentencing to retain their jobs by eliminating the time involved in processing persons through the State system;
- (4) To enable misdemeanants to pay for their upkeep while serving time, to pay restitution, to continue to support their dependents, and to remain near the communities and families to which they will return after serving their time;
- (5) To provide more appropriate, cost effective housing for certain minimum custody misdemeanants and to utilize vacant buildings where possible and suitable for renovation;
- (6) To provide a rehabilitative atmosphere for non-violent misdemeanants who otherwise would face a substantial threat of imprisonment; and
- (7) To encourage the use of alternative to incarceration programs. (1987, c. 207, s. 1.)

§ 153A-230.1. Definitions.

Unless otherwise clearly required by the context, the words and phrases defined in this section have the meanings indicated when used in this Part:

- (1) "Office" means the Office of State Budget and Management.
- (2) "Satellite Jail/Work Release Unit" means a building or designated portion of a building primarily designed, staffed, and used for the housing of misdemeanants participating in a work release program. These units shall house misdemeanants only, except that, if he so chooses, the Sheriff may accept responsibility from the Division of Prisons of the Department of Adult Correction for the housing of felons who do not present security risks, who have achieved work release status, and who will be employed on work release, or for felons committed directly to his custody pursuant to G.S. 15A-1352(b). These units shall be operated on a full time basis, i.e., seven days/nights a week. (1987, c. 207, s. 1; 1987, (Reg. Sess., 1988), c. 1106, s. 1; 2000-140, s. 93.1(a); 2001-424, s. 12.2(b); 2011-145, s. 19.1(h); 2017-186, s. 2(ggggggggg); 2021-180, s. 19C.9(p).)

§ 153A-230.2. Creation of Satellite Jail/Work Release Unit Fund.

(a) There is created in the Office of State Budget and Management the County Satellite Jail/Work Release Unit Fund to provide State grant funds for counties or groups of counties for construction of satellite jail/work release units for certain misdemeanants who receive active sentences. A county or group of counties may apply to the Office for a grant under this section. The application shall be in a form established by the Office. The Office shall:

- (1) Develop application and grant criteria based on the basic requirements listed in this Part,
- (2) Provide all Boards of County Commissioners and Sheriffs with the criteria and appropriate application forms, technical assistance, if requested, and a proposed written agreement,
- (3) Review all applications,
- (4) Select grantees and award grants,
- (5) Award no more than seven hundred fifty thousand dollars (\$750,000) for any one county or group of counties except that if a group of counties agrees to jointly operate one unit for males and one unit for females, the maximum amount may be awarded for each unit,
- (6) Take into consideration the potential number of misdemeanants and the percentage of the county's or counties' misdemeanor population to be diverted from the State prison system,
- (7) Take into consideration the utilization of existing buildings suitable for renovation where appropriate,
- (8) Take into consideration the timeliness with which a county proposes to complete and occupy the unit,
- (9) Take into consideration the appropriateness and cost effectiveness of the proposal,

- (10) Take into consideration the plan with which the county intends to coordinate the unit with other community service programs such as intensive supervision, community penalties, and community service.

When considering the items listed in subdivisions (6) through (10), the Office shall determine the appropriate weight to be given each item.

(b) A county or group of counties is eligible for a grant under this section if it agrees to abide by the basic requirements for satellite jail/work release units established in G.S. 153A-230.3. In order to receive a grant under this section, there must be a written agreement to abide by the basic requirements for satellite jail/work release units set forth in G.S. 153A-230.3. The written agreement shall be signed by the Chairman of the Board of County Commissioners, with approval of the Board of County Commissioners and after consultation with the Sheriff, and a representative of the Office of State Budget and Management. If a group of counties applies for the grant, then the agreement must be signed by the Chairman of the Board of County Commissioners of each county. Any variation from, including termination of, the original signed agreement must be approved by both the Office of State Budget and Management and by a vote of the Board of County Commissioners of the county or counties.

When the county or group of counties receives a grant under this section, the county or group of counties accepts ownership of the satellite jail/work release unit and full financial responsibility for maintaining and operating the unit, and for the upkeep of its occupants who comply with the eligibility criteria in G.S. 153A-230.3(a)(1). The county shall receive from the Division of Prisons of the Department of Adult Correction the amount paid to local confinement facilities under G.S. 148-32.1 for prisoners which are in the unit, but do not meet the eligibility of requirements under G.S. 153A-230.3(a)(1). (1987, c. 207, s. 1; 1987 (Reg. Sess., 1988), c. 1106, ss. 2, 3; 1989, c. 761, s. 2; 2000-140, s. 93.1(a); 2001-424, s. 12.2(b); 2009-372, s. 7; 2011-145, s. 19.1(h); 2017-186, s. 2(hhhhhhhh); 2021-180, s. 19C.9(p).)

§ 153A-230.3. Basic requirements for satellite jail/work release units.

(a) Eligibility for Unit. – The following rules shall govern which misdemeanants are housed in a satellite jail/work release unit:

- (1) Any convicted misdemeanor who:
 - a. Receives an active sentence in the county or group of counties operating the unit,
 - b. Is employed in the area or can otherwise earn his keep by working at the unit on maintenance and other jobs related to upkeep and operation of the unit or by assignment to community service work, and
 - c. Consents to placement in the unit under these conditions, shall not be sent to the State prison system except by written findings of the sentencing judge that the misdemeanor is violent or otherwise a threat to the public and therefore unsuitable for confinement in the unit.
- (2) The County shall offer work release programs to both male and female misdemeanants, through local facilities for both, or through a contractual agreement with another entity for either, provided that such arrangement is in reasonable proximity to the misdemeanor's workplace.
- (3) The sentencing judge shall make a finding of fact as to whether the misdemeanor is qualified for occupancy in the unit pursuant to G.S. 15A-1352(a). If the sentencing judge determines that the misdemeanor is

qualified for occupancy in the unit and the misdemeanor meets the requirements of subdivision (1), then the custodian of the local confinement facility may transfer the misdemeanor to the unit. If at any time either prior to or after placement of an inmate into the unit the Sheriff determines that there is an indication of violence, unsuitable behavior, or other threat to the public that could make the prisoner unsuitable for the unit, the Sheriff may place the prisoner in the county jail.

- (4) The Sheriff may accept work release misdemeanants from other counties provided that those inmates agree to pay for their upkeep, that space is available, and that the Sheriff is willing to accept responsibility for the prisoner after screening.
- (5) The Sheriff may accept work release misdemeanants or felons from the Division of Prisons of the Department of Adult Correction provided that those inmates agree to pay for their upkeep, that space is available, and that the Sheriff is willing to accept responsibility for the prisoner after screening.

(a1) Non-eligible for unit. – If the sentencing judge finds that the misdemeanor does not meet the eligibility criteria set forth in G.S. 135A-230.3(a)(1)b, but is otherwise eligible for placement in the unit, then the Sheriff may transfer the misdemeanor from the local confinement facility to the unit if the misdemeanor meets the eligibility criteria at a later date. The Sheriff may also transfer prisoners who were placed in the unit pursuant to G.S. 148-32.1(b) to the local confinement facility when space becomes available.

(b) Operation of Satellite Jail/Work Release Unit. – A county or group of counties operating a satellite jail/work release unit shall comply with the following requirements concerning operation of the unit:

- (1) The county shall make every effort to ensure that at least eighty percent (80%) of the unit occupants shall be employed and on work release, and that the remainder shall earn their keep by working at the unit on maintenance and other jobs related to the upkeep and operation of the unit or by assignment to community service work, and that alcohol and drug rehabilitation be available through community resources.
- (2) The county shall require the occupants to give their earnings, less standard payroll deduction required by law and premiums for group health insurance coverage, to the Sheriff. The county may charge a per day charge from those occupants who are employed or otherwise able to pay from other resources available to the occupants. The per day charge shall be calculated based on the following formula: The charge shall be either the amount that the Division of Prisons of the Department of Adult Correction deducts from a prisoner's work-release earnings to pay for the cost of the prisoner's keep or fifty percent (50%) of the occupant's net weekly income, whichever is greater, but in no event may the per day charge exceed an amount that is twice the amount that the Division of Prisons of the Department of Adult Correction pays each local confinement facility for the cost of providing food, clothing, personal items, supervision, and necessary ordinary medical expenses. The per day charge may be adjusted on an individual basis where restitution and/or child support has been ordered, or where the occupant's salary or resources are insufficient to pay the charge.

The county also shall accumulate a reasonable sum from the earnings of the occupant to be returned to him when he is released from the unit. The county also shall follow the guidelines established for the Division of Prisons of the Department of Adult Correction in G.S. 148-33.1(f) for determining the amount and order of disbursements from the occupant's earnings.

- (3) Any and all proceeds from daily fees shall belong to the county's General Fund to aid in offsetting the operation and maintenance of the satellite unit.
- (4) The unit shall be operated on a full-time basis, i.e., seven days/nights a week, but weekend leave may be granted by the Sheriff. In granting weekend leave, the Sheriff shall follow the policies and procedures of the Division of Prisons of the Department of Adult Correction for granting weekend leave for Level 3 minimum custody inmates.
- (5) Earned time shall be applied to these county prisoners in the same manner as prescribed in G.S. 15A-1340.20 and G.S. 148-13 for State prisoners.
- (6) The Sheriff shall maintain complete and accurate records on each inmate. These records shall contain the same information as required for State prisoners that are housed in county local confinement facilities. (1987, c. 207, s. 1; 1987 (Reg. Sess., 1988), c. 1106, ss. 4, 5; 1989, c. 761, ss. 4, 7; 1993 (Reg. Sess., 1994), c. 767, s. 3; 2011-145, s. 19.1(h); 2017-186, s. 2(iiiiiiii); 2021-180, s. 19C.9(p).)

§ 153A-230.4. Standards.

The county satellite jail/work release units for misdemeanants shall not be subject to the standards promulgated for local confinement facilities pursuant to G.S. 153A-221. The Secretary of Health and Human Services shall develop and enforce standards for satellite/work release units. The Secretary shall take into consideration that they are to house only screened misdemeanants most of whom are on work release and therefore occupy the premises only in their off-work hours. After consultation with the North Carolina Sheriff's Association, the North Carolina Association of County Commissioners, and the Joint Legislative Commission on Governmental Operations, the Secretary of Health and Human Services shall promulgate standards suitable for these units by January 1, 1988, and shall include these units in the Department's monitoring and inspection responsibilities. Further, the North Carolina Sheriffs' Education and Training Standards Commission shall include appropriate training for Sheriffs and other county law enforcement personnel in regard to the operation, management and guidelines for county work release centers pursuant to its authority under G.S. 17E-4. (1987, c. 207, s. 1; 1987 (Reg. Sess., 1988), c. 1106, s. 6; 1997-443, s. 11A.118(a).)

§ 153A-230.5. Satellite jails/work release units built with non-State funds.

(a) If a county is operating a satellite jail/work release unit prior to the enactment of this act, the county may apply to the Office of State Budget and Management for grant funds to recover any verifiable construction or renovation costs for those units and for improvement funds except that the total for reimbursement and improvement shall not exceed seven hundred fifty thousand dollars (\$750,000). Any county accepting such a grant or any other State monies for county satellite jails must agree to all of the basic requirements listed in G.S. 153A-230.2 and G.S. 153A-230.3.

(b) If a county operates a non-State funded satellite jail/work release unit that does not comply with the basic requirements listed in G.S. 153A-230.2 and G.S. 153A-230.3, then the

satellite jail shall be subject to the standards, rules, and regulations to be promulgated by the Secretary of Health and Human Services pursuant to Part 2 of Article 10 of Chapter 153A. If a county is reimbursed for the cost of a prisoner's keep from an inmate's work release earnings in an amount equal to or greater than that paid by the Division of Prisons of the Department of Adult Correction to local confinement facilities under G.S. 148-32.1, the county may not receive additional payments from the Division for the cost of a prisoner's keep. However, if reimbursement to the county for the cost of a prisoner's keep is less than the amount allowed under G.S. 148-32.1, the county may receive from the Division of Prisons of the Department of Adult Correction the difference in the amount received from work release earnings and the amount paid by the Division to local confinement facilities. The Division may promulgate rules regarding such payment arrangements. (1987, c. 207, s. 1; 1987 (Reg. Sess., 1988), c. 1106, s. 7; 1989, c. 761, s. 5; 1997-443, s. 11A.118(a); 2000-140, s. 93.1(a); 2001-424, s. 12.2(b); 2011-145, s. 19.1(h); 2017-186, s. 2(jjjjjjjj); 2021-180, s. 19C.9(p).)

A county shall ensure that any county, city or other unit of local government, or nonprofit volunteer fire department with whom the county contracts for fire-fighting or prevention services shall obtain a criminal history record check for an applicant prior to offering that applicant a paid or volunteer position providing fire-fighting or prevention services. The criminal history record check shall be conducted and evaluated as provided in G.S. 143B-1209.23 [G.S. 143B-1209.24]. The county may also designate fire districts or parts of existing districts and prescribe the boundaries thereof for insurance grading purposes. § 153A-234. Fire marshal.

(a) A county may appoint a fire marshal and employ persons as his assistants. A county may also impose any duty that might be imposed on a fire marshal on any other officer or employee of the county. The board of commissioners shall set the duties of the fire marshal, which may include but are not limited to:

- (1) Advising the board on improvements in the fire-fighting or fire prevention activities under the county's supervision or control.
- (2) Coordinating fire-fighting and training activities under the county's supervision or control.
- (3) Coordinating fire prevention activities under the county's supervision or control.
- (4) Assisting incorporated volunteer fire departments in developing and improving their fire-fighting or fire prevention capabilities.

- (5) Making fire prevention inspections, including the periodic inspections and reports of school buildings required by Chapter 115 and the inspections of child care facilities required by Chapter 110. A fire marshal shall not make electrical inspections unless he is qualified to do so under G.S. 153A-351.

(b) The fire marshal shall obtain a criminal history record check for an applicant prior to offering that applicant a paid or volunteer position with the fire department. The criminal history record check shall be conducted and evaluated as provided in G.S. 143B-1209.23 [G.S. 143B-1209.24]. (1959, c. 290; 1969, c. 1064, s. 2; 1973, c. 822, s. 1; 1997-506, s. 62; 2022-8, s. 3(c); 2023-104, s. 3; 2023-134, s. 19F.4(v).)

Article 12.

Roads and Bridges.

§ 153A-238. Public road defined for counties.

(a) In this Article "public road" or "road" means any road, street, highway, thoroughfare, or other way of passage that has been irrevocably dedicated to the public or in which the public has acquired rights by prescription, without regard to whether it is open for travel, except that in G.S. 153A-239.1, the word "road" means both private roads and public roads.

(b) Repealed by Session Laws 1993, c. 62, s. 1. (1979, 2nd Sess., c. 1319, s. 1; 1981, c. 568; 1983, cc. 98, 299; 1987 (Reg. Sess., 1988), cc. 900, 906; 1989, c. 335, s. 1; 1989 (Reg. Sess., 1990), cc. 836, 854, 911; 1991, c. 9, s. 1; 1991 (Reg. Sess., 1992), c. 778, s. 1, c. 849, ss. 1, 2.1, c. 936, s. 1; 1993, c. 62, s. 1.)

§ 153A-239: Repealed by Session Laws 1993, c. 62, s. 2.

§ 153A-239.1. Naming roads and assigning street numbers in unincorporated areas for counties.

(a) A county may by ordinance name or rename any road within the county and not within a city, and may pursuant to a procedure established by ordinance assign or reassign street numbers for use on such a road. In naming or renaming a road, a county may not:

- (1) Change the name, if any, given to the road by the Board of Transportation, unless the Board of Transportation agrees;
- (2) Change the number assigned to the road by the Board of Transportation, but may give the road a name in addition to its number; or
- (3) Give the road a name that is deceptively similar to the name of any other public road in the vicinity.

A county shall not name or rename a road or adopt an ordinance to establish a procedure to assign or reassign street numbers on a road until it has held a public hearing on the matter. At least 10 days before the day of the hearing to name or rename a road, the board of commissioners shall cause notice of the time, place and subject matter of the hearing to be prominently posted at the county courthouse, in at least two public places in the township or townships where the road is located, and shall publish a notice of such hearing in a newspaper of general circulation published in the county. At least 10 days before the day of the hearing to adopt an ordinance to establish a procedure to assign or reassign street numbers on a road, the board of commissioners shall publish a notice of such hearing in a newspaper of general circulation in the county. After naming or renaming a road, or assigning or reassigning street numbers on a road, a county shall cause notice of its action to be given to the local postmaster with jurisdiction over the road, to the Board of Transportation, and to any city within five miles of the road. Names may be initially assigned to new roads by recordation of an approved subdivision plat without following the procedure established by this section.

(b) Repealed by Session Laws 1993, c. 62, s. 3. (1979, 2nd Sess., c. 1319, s. 2; 1981, c. 568; 1983, cc. 98, 299; 1987 (Reg. Sess., 1988), cc. 900, 906; 1989, c. 335, s. 1; 1989 (Reg. Sess., 1990), cc. 836, 854, 911; 1991, c. 9, s. 2; 1991 (Reg. Sess., 1992), c. 778, s. 2; c. 849, ss. 2, 2.2; c. 936, s. 2; 1993, c. 62, s. 3; 2001-145, s. 1.)

§ 153A-240: Repealed by Session Laws 1993, c. 62, s. 4.

§ 153A-241. Closing public roads or easements.

A county may permanently close any public road or any easement within the county and not within a city, except public roads or easements for public roads under the control and supervision of the Department of Transportation. The board of commissioners shall first adopt a resolution declaring its intent to close the public road or easement and calling a public hearing on the question. The board shall cause a notice of the public hearing reasonably calculated to give full and fair disclosure of the proposed closing to be published once a week for three successive weeks before the hearing, a copy of the resolution to be sent by registered or certified mail to each owner as shown on the county tax records of property adjoining the public road or easement who did not join in the request to have the road or easement closed, and a notice of the closing and public hearing to be prominently posted in at least two places along the road or easement. At the hearing the board shall hear all interested persons who appear with respect to whether the closing would be detrimental to the public interest or to any individual property rights. If, after the hearing, the board of commissioners is satisfied that closing the public road or easement is not contrary to the public interest and (in the case of a road) that no individual owning property in the vicinity of the road or in the subdivision in which it is located would thereby be deprived of reasonable means of ingress and egress to his property, the board may adopt an order closing the road or easement. A certified copy of the order (or judgment of the court) shall be filed in the office of the register of deeds of the county.

Any person aggrieved by the closing of a public road or an easement may appeal the board of commissioners' order to the appropriate division of the General Court of Justice within 30 days after the day the order is adopted. The court shall hear the matter de novo and has jurisdiction to try the issues arising and to order the road or easement closed upon proper findings of fact by the trier of fact.

No cause of action founded upon the invalidity of a proceeding taken in closing a public road or an easement may be asserted except in an action or proceeding begun within 30 days after the day the order is adopted.

Upon the closing of a public road or an easement pursuant to this section, all right, title, and interest in the right-of-way is vested in those persons owning lots or parcels of land adjacent to the road or easement, and the title of each adjoining landowner, for the width of his abutting land, extends to the center line of the public road or easement. However, the right, title or interest vested in an adjoining landowner by this paragraph remains subject to any public utility use or facility located on, over, or under the road or easement immediately before its closing, until the landowner or any successor thereto pays to the utility involved the reasonable cost of removing and relocating the facility. (1949, c. 1208, ss. 1-3; 1957, c. 65, s. 11; 1965, cc. 665, 801; 1971, c. 595; 1973, c. 507, s. 5; c. 822, s. 1; 1977, c. 464, s. 34; 1995, c. 374, s. 1.)

§ 153A-242. Regulation or prohibition of fishing from bridges.

A county may by ordinance regulate or prohibit fishing from any bridge within the county and not within a city. In addition, the governing board of a city may by resolution permit a county to regulate or prohibit fishing from any bridge within the city. The city may by resolution withdraw its permission to the county ordinance. If it does so, the city shall give written notice to the county of its withdrawal of permission; 30 days after the date the county receives this notice the county ordinance ceases to be applicable within the city. An ordinance adopted pursuant to this section shall provide for signs to be posted on each bridge affected, summarizing the regulation or prohibition pertaining to that bridge.

No person may fish from the drawspan of a regularly attended bridge, and no county may permit any person to do so.

The authority granted by this section is subject to the authority of the Department of Transportation to prohibit fishing from any bridge on the State highway system. (1971, c. 690, ss. 1, 6; 1973, c. 507, s. 5; c. 822, s. 1; 1977, c. 464, s. 34.)

§ 153A-243. Authorizing bridges over navigable waters.

A county may grant to persons who between them own or occupy real property on both sides of a body of navigable water lying wholly within the county the right to construct and maintain across the body of water a bridge connecting the property. The board of commissioners shall first adopt a resolution declaring its intent to grant the right and calling a public hearing on the question. The board shall cause the resolution to be published once a week for four successive weeks before the hearing. At the hearing the board shall hear all interested persons who appear with respect to whether the grant would be in the public interest. If, after the hearing, the board finds that the grant is not contrary to the public interest, it may adopt an order granting the right to construct the bridge. The board may place reasonable terms and conditions, including time limitations, on the grant.

A person aggrieved by a grant may appeal the board of commissioners' order to the appropriate division of the General Court of Justice within 30 days after the day it is adopted. The court shall hear the matter de novo and has jurisdiction to try the issues arising and to grant the right to construct the bridge.

Before construction may be commenced on any bridge authorized pursuant to this section, the bridge's location and plans must be submitted to and approved by the Chief of Engineers of the United States Army and the Secretary of the Army. (Pub. Loc. 1191, c. 227; C.S., s. 1297; 1973, c. 822, s. 1.)

§ 153A-244. Railroad revitalization programs.

Any county is authorized to participate in State and federal railroad revitalization programs necessary to insure continued or improved rail service to the county, as are authorized in Article 2D of Chapter 136 of the General Statutes. County participation includes the authority to enter into contracts with the North Carolina Department of Transportation to provide for the nonfederal matching funds for railroad revitalization programs. Such funds may be comprised of State funds distributed to the counties under the provisions of G.S. 136-44.38 and of county funds. County governments are also authorized to levy local property tax for railroad revitalization programs subject to G.S. 153A-149(d). County funds for any project may not exceed ten percent (10%) of total project costs. (1979, c. 658, s. 4.)

§ 153A-245. Regulation of golf carts on streets, roads, and highways.

(a) Notwithstanding the provisions of G.S. 20-50 and G.S. 20-54, a county may, by ordinance, regulate the operation of golf carts, as defined in G.S. 20-4.01(12b), on any public street, road, or highway where the speed limit is 35 miles per hour or less within the county that is located in any unincorporated areas of the county or on any property owned or leased by the county.

(b) By ordinance, a county may require the registration of golf carts, charge a fee for the registration, specify who is authorized to operate golf carts, and specify the required equipment, load limits, and the hours and methods of operation of golf carts. No person less than 16 years of age may operate a golf cart on a public street, road, or highway. (2009-459, s. 1.)

The amount of such penalty shall be four hundred dollars (\$400.00) for the first offense, seven hundred fifty dollars (\$750.00) for the second violation, and one thousand dollars (\$1,000) for each subsequent violation of the ordinance.
- (6) If a registered owner provides an affidavit that the vehicle was, at the time of the violation, in the care, custody, or control of another person or company, the

For purposes of calculating the time within which any action must be taken to meet procedural requirements of the appeal, the date upon which the person contesting the citation is served with the adverse decision shall be deemed to be the date of entry of judgment.

 - a. The charging law enforcement agency shall provide written notice to the county office responsible for processing civil citations pursuant to subdivision (7) of subsection (b) of this section containing the name and address of the person charged with violation of G.S. 20-217 and the date of the violation.

 - c. The county shall issue a full refund of any civil penalty payment received from a person who was charged in a criminal pleading with a violation of G.S. 20-217 if the civil penalty arose out of the same facts as those for which that person was charged in the criminal pleading, together with interest at the legal rate as provided by G.S. 24-1 from the date the penalty was paid until the date of refund.
- (13) If a citation is not contested pursuant to subdivision (3) of this subsection, payment of the civil penalty is due within 30 days after receipt of the citation. If the citation is contested, and the result of the administrative hearing held pursuant to subdivision (10) of this subsection is a decision adverse to the citation recipient, then payment is due within 30 days after receipt of the adverse decision, unless the citation recipient appeals the adverse decision pursuant to subdivision (11) of this subsection. If the adverse decision is appealed, and if the final decision on appeal is adverse to the citation recipient, then payment of the civil penalty is due within 30 days after the citation recipient receives notice of the final adverse decision on appeal.
 - (14) If the registered owner of a motor vehicle who receives a citation fails to pay the civil penalty when due, the Division of Motor Vehicles shall refuse to register the motor vehicle for the owner in accordance with G.S. 20-54(11). The county may establish procedures for providing notice to the Division of Motor Vehicles and for the collection of these penalties and may enforce the penalties by civil action in the nature of debt.
 - (15) The county shall provide each law enforcement agency within its jurisdiction with the name and address of the county official to whom written notice of persons charged with violation of G.S. 20-217 should be given pursuant to subdivision (12) of this subsection.

(e) Criminal Prosecution Encouraged. – The General Assembly of North Carolina encourages criminal prosecution for violation of G.S. 20-217 whenever photographs or videos recorded by an automated school bus safety camera provide evidence sufficient to support such prosecution.

(f) A county that adopts an ordinance as provided in this section, shall maintain records of all violations of that ordinance for which a civil penalty is assessed. Upon request, the county shall provide at least five years of those records to the North Carolina Child Fatality Task Force and the North Carolina General Assembly. (2017-188, ss. 1, 5)

§ 153A-248. Health-related appropriations.

(a) A county may appropriate revenues not otherwise limited as to use by law to any of the following:

- (1) A licensed facility for individuals with intellectual or other developmental disabilities, whether publicly or privately owned, to assist in maintaining and developing facilities and treatment, if the board of commissioners determines that the care offered by the facility is available to residents of the county. The facility need not be located within the county.
- (2) A sheltered workshop or other private, nonprofit, charitable organization offering work or training activities to individuals with physical disabilities or intellectual or other developmental disabilities, and may otherwise assist the organization.
- (3) An orthopedic hospital, whether publicly or privately owned, to assist in maintaining and developing facilities and treatment, if the board of commissioners determines that the care offered by the hospital is available to residents of the county. The hospital need not be located within the county.
- (4) A training center or other private, nonprofit, charitable organization offering education, treatment, rehabilitation, or developmental programs to individuals with physical disabilities or intellectual or other developmental disabilities, and may otherwise assist the organizations. Such action, however, shall be with the concurrence of the county board of education. Within 30 days after receipt of the request for concurrence, the county board of education shall notify the board of county commissioners whether it concurs, and should it fail to so notify the board of county commissioners within this period, it shall be deemed to have concurred.

(b) The ordinance making the appropriation shall state specifically what the appropriation is to be used for, and the board of commissioners shall require that the recipient account for the

appropriation at the close of the fiscal year. (1967, cc. 464, 1074; 1969, c. 802; 1973, c. 822, s. 1; 1977, c. 474; 1979, c. 1074, s. 2; 2019-76, s. 31.)

§ 153A-249. Hospital services.

A county may provide and support hospital services pursuant to Chapters 122C, 131 and 131E of the General Statutes. (1868, c. 20, s. 8; Code, s. 707; Rev., s. 1318; C.S., s. 1297; 1923, c. 81; 1973, c. 822, s. 1; 1985, c. 589, s. 59.)

§ 153A-250. Ambulance services.

(a) A county may by ordinance franchise ambulance services provided in the county to the public at large, whether the service is based inside or outside the county. The ordinance may:

- (1) Grant franchises to ambulance operators on terms set by the board of commissioners;
- (2) Make it unlawful to provide ambulance services or to operate an ambulance in the county without such a franchise;
- (3) Limit the number of ambulances that may be operated within the county;
- (4) Limit the number of ambulances that may be operated by each franchised operator;
- (5) Determine the areas of the county that may be served by each franchised operator;
- (6) Establish and from time to time revise a schedule of rates, fees, and charges that may be charged by franchised operators;
- (7) Set minimum limits of liability insurance for each franchised operator;
- (8) Establish other necessary regulations consistent with and supplementary to any statute or any Department of Health and Human Services regulation relating to ambulance services.

Before it may adopt an ordinance pursuant to this subsection, the board of commissioners must first hold a public hearing on the need for ambulance services. The board shall cause notice of the hearing to be published once a week for two successive weeks before the hearing. After the hearing the board may adopt an ordinance if it finds that to do so is necessary to assure the provision of adequate and continuing ambulance service and to preserve, protect, and promote the public health, safety, and welfare.

If a person, firm, or corporation is providing ambulance services in a county or any portion thereof on the effective date of an ordinance adopted pursuant to this subsection, the person, firm, or corporation is entitled to a franchise to continue to serve that part of the county in which the service is being provided. The board of commissioners shall determine whether the person, firm, or corporation so entitled to a franchise is in compliance with Chapter 131E, Article 7; and if that is the case, the board shall grant the franchise.

(b) In lieu of or in addition to adopting an ordinance pursuant to subsection (a) of this section, a county may operate or contract for ambulance services in all or a portion of the county. A county may appropriate for ambulance services any revenues not otherwise limited as to use by law, and may establish and from time to time revise schedules of rates, fees, charges, and penalties for the ambulance services. A county may operate its ambulance services as a line department or may create an ambulance commission and vest in it authority to operate the ambulance services.

(c) A city may adopt an ordinance pursuant to and under the procedures of subsection (a) of this section and may operate or contract for ambulance services pursuant to subsection (b) of this

section if (i) the county in which the city is located has adopted a resolution authorizing the city to do so or (ii) the county has not, within 180 days after being requested by the city to do so, provided for ambulance services within the city pursuant to this section. Any action taken by a city pursuant to this subsection shall apply only within the corporate limits of the city.

If a city is exercising a power granted by this subsection, the county in which the city is located may thereafter take action to provide for ambulance service within the city, either under subsection (a) or subsection (b) of this section, only after having given to the city 180 days' notice of the county's intention to take action. At the end of the 180 days, the city's authority under this subsection is preempted by the county.

(d) A county or a city may contract with a franchised ambulance operator or with another county or city for ambulance service to be provided upon the call of a department or agency of the county or city. A county may contract with a franchised ambulance operator for transportation of indigents or persons certified by the county department of social services to be public assistance recipients.

(e) Each county or city operating ambulance services is subject to the provisions of Chapter 131E, Article 7 ("Regulation of Emergency Medical Services"). (1967, c. 343, s. 5; 1969, c. 147; 1973, c. 476, s. 128; c. 822, s. 1; 1997-443, s. 11A.118(a); 2002-159, s. 51.)

Part 2. Social Service Provisions.

§ 153A-255. Authority to provide social service programs.

Each county shall provide social service programs pursuant to Chapter 108A and Chapter 111 and may otherwise undertake, sponsor, organize, engage in, and support other social service programs intended to further the health, welfare, education, employment, safety, comfort, and convenience of its citizens. (1868, c. 20, s. 8; Code, s. 707; Rev., s. 1318; C.S., s. 1297; 1973, c. 822, s. 1; 1981, c. 562, s. 12; 1997-443, s. 12.13.)

§ 153A-256. County home.

A county may establish, erect, acquire, lease as lessor or lessee, equip, support, operate, and maintain a county home for aged and infirm persons and may appropriate funds for these purposes.

The superintendent of each county home shall make an annual report on its operation to the board of commissioners of the county operating the home and to the Department of Health and Human Services. The report shall contain any information that the board of commissioners and the Department of Health and Human Services, respectively, require, and the Department may provide forms for this report. (1876-7, c. 277, s. 3; Code, ss. 3541, 3543; 1891, c. 138; Rev., ss. 1328, 1329; 1919, c. 72; C.S., ss. 1336, 1337, 1338; 1961, c. 139, s. 1; 1973, c. 476, s. 138; c. 822, s. 1; 1997-443, s. 11A.118(a).)

§ 153A-257. Legal residence for social service purposes.

(a) Legal residence in a county determines which county is responsible (i) for financial support of a needy person who meets the eligibility requirements for a public assistance or medical care program offered by the county or (ii) for other social services required by the person.

Legal residence in a county is determined as follows:

- (1) Except as modified below, a person has legal residence in the county in which he resides.

- (2) If a person is in a hospital, mental institution, nursing home, boarding home, confinement facility, or similar institution or facility, he does not, solely because of that fact, have legal residence in the county in which the institution or facility is located.
- (3) A minor has the legal residence of the parent or other relative with whom he resides. If the minor does not reside with a parent or relative and is not in a foster home, hospital, mental institution, nursing home, boarding home, educational institution, confinement facility, or similar institution or facility, he has the legal residence of the person with whom he resides. Any other minor has the legal residence of his mother, or if her residence is not known then the legal residence of his father; if his mother's or father's residence is not known, the minor is a legal resident of the county in which he is found.

(b) A legal residence continues until a new one is acquired, either within or outside this State. When a new legal residence is acquired, all former legal residences terminate.

(c) This section is intended to replace the law defining "legal settlement." Therefore any general law or local act that refers to "legal settlement" is deemed to refer to this section and the rules contained herein.

(d) If two or more county departments of social services disagree regarding the legal residence of a minor in a child abuse, neglect, or dependency case, any one of the county departments of social services may refer the issue to the Department of Health and Human Services, Division of Social Services, for resolution. The Director of the Division of Social Services or the Director's designee shall review the pertinent background facts of the case and shall determine which county department of social services shall be responsible for providing protective services and financial support for the minor in question. (1777, c. 117, s. 16, P.R.; R.C., c. 86, s. 12; Code, s. 3544; Rev., s. 1333; C.S., s. 1342; 1931, c. 120; 1943, c. 753, s. 2; 1959, c. 272; 1973, c. 822, s. 1; 2003-304, s. 7.)

Part 3. Health and Social Services Contracts.

§ 153A-259. Counties authorized to contract with other entities for health and social services.

A county is authorized to contract with any governmental agency, person, association, or corporation for the provision of health or social services provided that the expenditure of funds pursuant to such contracts shall be for the purpose for which the funds were appropriated and is not otherwise prohibited by law. (1979, 2nd Sess., c. 1094, s. 2.)

Article 15.

Public Enterprises.

Part 1. General Provisions.

§ 153A-274. Public enterprise defined.

As used in this Article, "public enterprise" includes:

- (1) Water supply and distribution systems.
- (2) Wastewater collection, treatment, and disposal systems of all types, including septic tank systems or other on-site collection or disposal facilities or systems.
- (3) Solid waste collection and disposal systems and facilities.
- (4) Airports.
- (5) Off-street parking facilities.
- (6) Public transportation systems.
- (7) Stormwater management programs designed to protect water quality by controlling the level of pollutants in, and the quantity and flow of, stormwater and structural and natural stormwater and drainage systems of all types. (1965, c. 370; 1957, c. 266, s. 3; 1961, c. 514, s. 1; c. 1001, s. 1; 1971, c. 568; 1973, c. 822, s. 1; c. 1214; 1977, c. 514, s. 1; 1979, c. 619, s. 1; 1989, c. 643, s. 2; 1991 (Reg. Sess., 1992), c. 944, s. 13; 2000-70, s. 1.)

§ 153A-274.1. Flood control activities under stormwater management programs.

(a) Findings. – The General Assembly finds that it is in the best interest of the residents of North Carolina to promote and fund the implementation of stormwater management programs to control and manage water quantity and flow in order to reduce the chances of loss of life and damage to property due to flooding. The General Assembly also finds that a county has an integral role in furthering this public purpose by promoting and funding implementation of stormwater

management programs within the county's territorial jurisdiction to reduce reliance on emergency response services, to reduce negative financial impacts on the community and the public from flooding, including the cost of public infrastructure repairs, to decrease the number of flood-prone homes and businesses, to increase infiltration of stormwater into the ground, and to reduce pollutants from entering the streams.

(b) Scope. – For purposes of operating a public enterprise under this Article, a county is authorized to do any of the following activities within its stormwater management program:

- (1) Purchase property for the purpose of demolishing flood-prone buildings.
- (2) Implement flood damage reduction techniques that result in improvements to private property in accordance with subsection (c) of this section, to include:
 - a. Elevating structures or their associated components.
 - b. Demolishing flood-prone structures.
 - c. Retrofitting flood-prone structures.

(c) Policy Document. – The county may engage in the activities listed in subdivision (2) of subsection (b) of this section only under the circumstances contained in a policy document approved by the board of county commissioners. The policy document shall, at a minimum, establish, and may elaborate on, the following:

- (1) Private property owner's written consent must be obtained prior to implementation of flood reduction improvements on the owner's property.
- (2) The county has determined that improving the stormwater system is not practically feasible or cost-effective, and the activities in subdivision (2) of subsection (b) provide savings to the stormwater fund.
- (3) The improvements to private property are the minimum necessary to accomplish the stormwater benefit.
- (4) Funding provided by the county, above a certain amount, to the property owner or expended upon improvements to the property shall be reimbursed to the county if the property is sold within five years of the completion of the flood reduction improvement project. The amount of reimbursement due to the county may be calculated as the difference between the established premitigation fair market value and the sale price of the property, not to exceed the total funding provided by the county.
- (5) The minimum financial contribution the private property owner must make to the project.

(d) Advisory Committee. – An existing stormwater advisory committee established by the board of commissioners and having specific charges, duties, and representation as set forth by the board of county commissioners must review and approve projects that implement flood damage reduction techniques under subdivision (2) of subsection (b) of this section. The committee shall submit an annual report to the board of county commissioners for its review.

(e) Application. – This section applies only to counties with a population of 910,000 or greater according to the most recent annual population estimates certified by the State Budget Officer. (2014-14, s. 1.)

§ 153A-275. Authority to operate public enterprises.

(a) A county may acquire, lease as lessor or lessee, construct, establish, enlarge, improve, extend, maintain, own, operate, and contract for the operation of public enterprises in order to

furnish services to the county and its citizens. A county may acquire, construct, establish, enlarge, improve, maintain, own, and operate outside its borders any public enterprise.

(b) A county may adopt adequate and reasonable rules to protect and regulate a public enterprise belonging to or operated by it. The rules shall be adopted by ordinance, shall apply to the public enterprise system both within and outside the county, and may be enforced with the remedies available under any provision of law. (1955, c. 370; 1957, c. 266, s. 3; 1961, c. 514, s. 1; c. 1001, s. 1; 1967, c. 462; 1971, c. 568; 1973, c. 822, s. 1; 1991 (Reg. Sess., 1992), c. 836, s. 2.)

§ 153A-276. Financing public enterprises.

Subject to the restrictions, limitations, procedures, and regulations otherwise provided by law, a county may finance the cost of a public enterprise by levying taxes, borrowing money, and appropriating any other revenues, and by accepting and administering gifts and grants from any source. (1973, c. 822, s. 1.)

§ 153A-277. Authority to fix and enforce rates.

(a) A county may establish and revise from time to time schedules of rents, rates, fees, charges, and penalties for the use of or the services furnished or to be furnished by a public enterprise. Schedules of rents, rates, fees, charges, and penalties may vary for the same class of service in different areas of the county and may vary according to classes of service, and different schedules may be adopted for services provided outside of the county. A county may include a fee relating to subsurface discharge wastewater management systems and services on the property tax bill for the real property where the system for which the fee is imposed is located.

- (a1) (1) Before it establishes or revises a schedule of rates, fees, charges, or penalties for stormwater management programs and structural and natural stormwater and drainage systems under this section, the board of commissioners shall hold a public hearing on the matter. A notice of the hearing shall be given at least once in a newspaper having general circulation in the area, not less than seven days before the public hearing. The hearing may be held concurrently with the public hearing on the proposed budget ordinance.
- (2) The fees established under this subsection must be made applicable throughout the area of the county outside municipalities. Schedules of rates, fees, charges, and penalties for providing stormwater management programs and structural and natural stormwater and drainage system service may vary according to whether the property served is residential, commercial, or industrial property, the property's use, the size of the property, the area of impervious surfaces on the property, the quantity and quality of the runoff from the property, stormwater control measures in use by the property, the characteristics of the watershed into which stormwater from the property drains, and other factors that affect the stormwater drainage system. Rates, fees, and charges imposed under this subsection may not exceed the county's cost of providing a stormwater management program and a structural and natural stormwater and drainage system. The county's cost of providing a stormwater management program and a structural and natural stormwater and drainage system includes any costs necessary to assure that all aspects of stormwater quality and quantity are managed in accordance with federal and State laws, regulations, and rules.

- (3) No stormwater utility fee may be levied under this subsection whenever two or more units of local government operate separate stormwater management programs or separate structural and natural stormwater and drainage system services in the same area within a county. However, two or more units of local government may allocate among themselves the functions, duties, powers, and responsibilities for jointly operating a stormwater management program and structural and natural stormwater and drainage system service in the same area within a county, provided that only one unit may levy a fee for the service within the joint service area. For purposes of this subsection, a unit of local government shall include a regional authority providing stormwater management programs and structural and natural stormwater and drainage system services.
- (4) A county shall not impose a stormwater utility fee on a runway or taxiway located on military property.
- (5) For all airports other than those covered by the exemption in subdivision (4) of this subsection, a county shall list separately the amount of a stormwater utility fee levied on airport runways and taxiways from the amount levied on the remainder of the airport property. An airport shall be exempt from paying a stormwater utility fee levied on its runways and taxiways. To qualify for an exemption under this subdivision, an airport shall use the amount of savings realized from this exemption for attracting business to the airport and shall provide certification to the county that the savings realized shall be used for this purpose. Except as otherwise prohibited under federal law, and upon request, an airport shall provide the levying county with evidence that the full amount of savings realized from the exemption authorized under this subdivision has been used or encumbered for the purpose set forth in this subdivision. Any amount of savings realized from the exemption authorized under this subdivision that is not used or encumbered for the purpose set forth in this subdivision shall be remitted to the county to be used in accordance with applicable law governing the use of stormwater utility fee proceeds. Savings realized from the exemption authorized under this subdivision shall be in addition to, and not in lieu of, any local funding provided by the county to the airport.

(a2) A county may require system development fees only in accordance with Article 8 of Chapter 162A of the General Statutes.

(b) A county may collect delinquent accounts by any remedy provided by law for collecting and enforcing private debts, and may specify by ordinance the order in which partial payments are to be applied among the various enterprise services covered by a bill for the services. A county may also discontinue service to a customer whose account remains delinquent for more than 10 days. If a delinquent customer is not the owner of the premises to which the services are delivered, the payment of the delinquent account may not be required before providing services at the request of a new and different tenant or occupant of the premises. If water or sewer services are discontinued for delinquency, it is unlawful for a person other than a duly authorized agent or employee of the county to reconnect the premises to the water or sewer system.

(b1) A county shall not do any of the following in its debt collection practices:

- (1) Suspend or disconnect service to a customer because of a past-due and unpaid balance for service incurred by another person who resides with the customer

after service has been provided to the customer's household, unless one or more of the following apply:

- a. The customer and the person were members of the same household at a different location when the unpaid balance for service was incurred.
- b. The person was a member of the customer's current household when the service was established, and the person had an unpaid balance for service at that time.
- c. The person is or becomes responsible for the bill for the service to the customer.

(2) Require that in order to continue service, a customer must agree to be liable for the delinquent account of any other person who will reside in the customer's household after the customer receives the service, unless one or more of the following apply:

- a. The customer and the person were members of the same household at a different location when the unpaid balance for service was incurred.
- b. The person was a member of the customer's current household when the service was established, and the person had an unpaid balance for service at that time.

(b2) Notwithstanding the provisions of subsection (b1) of this section, if a customer misrepresents his or her identity in a written or verbal agreement for service or receives service using another person's identity, the county shall have the power to collect a delinquent account using any remedy provided by subsection (b) of this section from that customer.

(c) Rents, rates, fees, charges, and penalties for enterprisory services are in no case a lien upon the property or premises served and, except as provided in subsection (d) of this section, are legal obligations of the person contracting for them, provided that no contract shall be necessary in the case of structural and natural stormwater and drainage systems.

(d) Rents, rates, fees, charges, and penalties for enterprisory services are legal obligations of the owner of the property or premises served when:

- (1) The property or premises is leased or rented to more than one tenant and services rendered to more than one tenant are measured by the same meter; or
- (2) Charges made for use of a sewerage system are billed separately from charges made for the use of a water distribution system. (1961, c. 1001, s. 1; 1973, c. 822, s. 1; 1991, c. 591, s. 2; 1991 (Reg. Sess., 1992), c. 932, s. 3; c. 1007, s. 45; 2000-70, s. 2; 2009-302, s. 2; 2017-132, s. 1; 2017-138, s. 3; 2023-137, s. 3(b).)

§ 153A-278. Joint provision of enterprisory services.

Two or more counties, cities, or other units of local government may cooperate in the exercise of any power granted by this Article according to the procedures and provisions of Chapter 160A, Article 20, Part 1. (1961, c. 1001, s. 1; 1973, c. 822, s. 1.)

§ 153A-279. Limitations on rail transportation liability.

(a) As used in this section:

- (1) "Claim" means a claim, action, suit, or request for damages, whether compensatory, punitive, or otherwise, made by any person or entity against:
 - a. The County, a railroad, or an operating rights railroad; or

- b. An officer, director, trustee, employee, parent, subsidiary, or affiliated corporation as defined in G.S. 105-130.2, or agent of: the County, a railroad, or an operating rights railroad.
- (2) "Operating rights railroad" means a railroad corporation or railroad company that, prior to January 1, 2001, was granted operating rights by a State-Owned Railroad Company or operated over the property of a State-owned railroad company under a claim of right over or adjacent to facilities used by or on behalf of the County.
- (3) "Passenger rail services" means the transportation of rail passengers by or on behalf of the County and all services performed by a railroad pursuant to a contract with the County in connection with the transportation of rail passengers, including, but not limited to, the operation of trains; the use of right-of-way, trackage, public or private roadway and rail crossings, equipment, or station areas or appurtenant facilities; the design, construction, reconstruction, operation, or maintenance of rail-related equipment, tracks, and any appurtenant facilities; or the provision of access rights over or adjacent to lines owned by the County or a railroad, or otherwise occupied by the County or a railroad, pursuant to charter grant, fee-simple deed, lease, easement, license, trackage rights, or other form of ownership or authorized use.
- (4) "Railroad" means a railroad corporation or railroad company, including a State-Owned Railroad Company as defined in G.S. 124-11, that has entered into any contracts or operating agreements of any kind with the County concerning passenger rail services.

(b) Contracts Allocating Financial Responsibility Authorized. – The County may contract with any railroad to allocate financial responsibility for passenger rail services claims, including, but not limited to, the execution of indemnity agreements, notwithstanding any other statutory, common law, public policy, or other prohibition against same, and regardless of the nature of the claim or the conduct giving rise to such claim.

(c) Insurance Required. –

- (1) If the County enters into any contract authorized by subsection (b) of this section, the contract shall require the County to secure and maintain, upon and after the commencement of the operation of trains by or on behalf of the county, a liability insurance policy covering the liability of the parties to the contract, a State-Owned Railroad Company as defined in G.S. 124-11 that owns or claims an interest in any real property subject to the contract, and any operating rights railroad for all claims for property damage, personal injury, bodily injury, and death arising out of or related to passenger rail services. The policy shall name the parties to the contract, a State-Owned Railroad Company as defined in G.S. 124-11 that owns or claims an interest in any real property subject to the contract, and any operating rights railroad as named insureds and shall have policy limits of not less than two hundred million dollars (\$200,000,000) per single accident or incident, and may include a self-insured retention in an amount of not more than five million dollars (\$5,000,000).
- (2) If the County does not enter into any contract authorized by subsection (b) of this section, upon and after the commencement of the operation of trains by or on behalf of the County, the County shall secure and maintain a liability

insurance policy, with policy limits and a self-insured retention consistent with subdivision (1) of this subsection, for all claims for property damage, personal injury, bodily injury, and death arising out of or related to passenger rail services.

(d) **Liability Limit.** – The aggregate liability of the County, the parties to the contract or contracts authorized by subsection (b) of this section, a State-Owned Railroad Company as defined in G.S. 124-11, and any operating rights railroad for all claims arising from a single accident or incident related to passenger rail services for property damage, personal injury, bodily injury, and death is limited to two hundred million dollars (\$200,000,000) per single accident or incident or to any proceeds available under any insurance policy secured pursuant to subsection (c) of this section, whichever is greater.

(e) **Effect on Other Laws.** – This section shall not affect the damages that may be recovered under the Federal Employers' Liability Act, 45 U.S.C. § 51, et seq., (1908); or under Article 1 of Chapter 97 of the General Statutes.

(f) **Applicability.** – This section shall apply only to counties that have entered into a transit governance interlocal agreement with, among other local governments, a city with a population of more than 500,000 persons. (2002-78, s. 2; 2012-79, s. 1.14(e).)

§ 153A-280. Public enterprise improvements.

(a) **Authorization.** – A county may contract with a developer or property owner, or with a private party who is under contract with the developer or property owner, for public enterprise improvements that are adjacent or ancillary to a private land development project. Such a contract shall allow the county to reimburse the private party for costs associated with the design and construction of improvements that are in addition to those required by the county's land development regulations. Such a contract is not subject to Article 8 of Chapter 143 of the General Statutes if the public cost will not exceed two hundred fifty thousand dollars (\$250,000) and the county determines that: (i) the public cost will not exceed the estimated cost of providing for those improvements through either eligible force account qualified labor or through a public contract let pursuant to Article 8 of Chapter 143 of the General Statutes; or (ii) the coordination of separately constructed improvements would be impracticable. A county may enact ordinances and policies setting forth the procedures, requirements, and terms for agreements authorized by this section.

(b) **Property Acquisition.** – The improvements may be constructed on property owned or acquired by the private party or on property owned or acquired by the county. The private party may assist the county in obtaining easements in favor of the county from private property owners on those properties that will be involved in or affected by the project. The contract between the county and the private party may be entered into before the acquisition of any real property necessary to the project. (2005-426, s. 8(e).)

Part 2. Special Provisions for Water and Sewer Services.

§ 153A-283. Nonliability for failure to furnish water or sewer services.

In no case may a county be held liable for damages for failure to furnish water or sewer services. (1961, c. 1001, s. 1; 1973, c. 822, s. 1.)

§ 153A-284. Power to require connections.

(a) A county may require the owner of developed property on which there are situated one or more residential dwelling units or commercial establishments located so as to be served by a water line or sewer collection line owned, leased as lessee, or operated by the county or on behalf of the county to connect the owner's premises with the water or sewer line and may fix charges for these connections.

(b) In the case of improved property that would qualify for the issuance of a building permit for the construction of one or more residential dwelling units or commercial establishments and where the county has installed water or sewer lines or a combination thereof directly available to the property, the county may require payment of a periodic availability charge, not to exceed the minimum periodic service charge for properties that are connected.

(c) In accordance with G.S. 87-97.1, when developed property is located so as to be served by a county water line and the property owner has connected to that water line, the property owner may continue to use any private water well located on the property for nonpotable purposes as long as the water well is not interconnected to the county water line and the county shall not require the owner of any such water well to abandon, cap, or otherwise compromise the integrity of the water well.

(d) The owner of real property subject to an agreement under Article 20 of Chapter 160A of the General Statutes that is denied connection to water or sewer by a county may, notwithstanding the agreement, seek to obtain water or sewer from any other unit of local government. If a court order impacts the provision of water or sewer to real property, the owner of real property denied the provision of water or sewer shall have standing to petition the court for an order for appropriate relief and the court shall, as promptly as possible, set any such petition for hearing. For purposes of this subsection, "impacts" shall include any effect or ramification that prevents the owner of real property from seeking voluntary annexation by a city capable of providing water or sewer to that real property. (1963, c. 985, s. 1; 1965, c. 969, s. 2; 1973, c. 822, s. 1; 1979, c. 619, s. 13; 1995, c. 511, s. 3; 2015-246, s. 3.5(e); 2022-49, s. 5(b); 2023-90, s. 10(b); 2023-108, s. 12(b); 2023-137, s. 50.)

§ 153A-284.1. Notes or deeds of trust to reserve wastewater treatment capacity unenforceable if capacity unused.

No note or deed of trust granted to a county for the purpose of securing or reserving wastewater treatment capacity is valid or enforceable if that capacity is not utilized by the maker or grantor. (2013-386, s. 6.)

§ 153A-285: Repealed by Session Laws 1993, c. 348, s. 4.

§ 153A-286. Law with respect to riparian rights not changed.

(1961, c. 1001, s. 1; 1973, c. 822, s. 1.)

§ 153A-289. Reserved for future codification purposes.

§ 153A-290. Reserved for future codification purposes.

Part 3. Special Provisions for Solid Waste Collection and Disposal.

§ 153A-291. Cooperation between the Department of Transportation and any county in establishing or operating solid waste disposal facilities.

A county and the Department of Transportation may enter into an agreement under which the Department of Transportation will make available to the county the use of equipment and prison and other labor in order to establish or operate solid waste disposal facilities within the county. The county shall reimburse the Department of Transportation for the cost of providing the equipment and labor. The agreement shall specify the work to be done thereunder and shall set forth the basis for reimbursement. (1967, c. 707; 1973, c. 507, s. 5; c. 822, s. 1; 1977, c. 464, s. 34.)

§ 153A-292. County collection and disposal facilities.

(a) The board of county commissioners of any county may establish and operate solid waste collection and disposal facilities in areas outside the corporate limits of a city. The board may by ordinance regulate the use of a disposal facility provided by the county subject to the limitations of G.S. 130A-291, the nature of the solid wastes disposed of in a facility, and the method of disposal. The board may contract with any city, individual, or privately owned corporation to collect and dispose of solid waste in the area. Counties and cities may establish and operate joint collection and disposal facilities. A joint agreement shall be in writing and executed by the governing bodies of the participating units of local government.

(b) The board of county commissioners may impose a fee for the collection of solid waste. The fee may not exceed the costs of collection.

The board of county commissioners may impose a fee for the use of a disposal facility provided by the county. Except as provided in this subsection, the fee for use may not exceed the cost of operating the facility. The fee may exceed those costs if the county enters into a contract with another local government located within the State to accept the other local government's solid waste and the county by ordinance levies a surcharge on the fee. The fee authorized by this paragraph may only be used to cover the costs of operating the facility. The surcharge authorized by this paragraph may be used for any purpose for which the county may appropriate funds. A fee under this paragraph may be imposed only on those who use the facility. The fee for use may vary based on the amount, characteristics, and form of recyclable materials present in solid waste brought to the facility for disposal. A county may not impose a fee for the use of a disposal facility on a city located in the county or a contractor or resident of the city unless the fee is based on a schedule that applies uniformly throughout the county.

The board of county commissioners may impose a fee for the availability of a disposal facility provided by the county. A fee for availability may not exceed the cost of providing the facility and may be imposed on all improved property in the county that benefits from the availability of the

facility. A county may not impose an availability fee on property whose solid waste is collected by a county, a city, or a private contractor for a fee if the fee imposed by a county, a city, or a private contractor for the collection of solid waste includes a charge for the availability and use of a disposal facility provided by the county. Property served by a private contractor who disposes of solid waste collected from the property in a disposal facility provided by a private contractor that provides the same services as those provided by the county disposal facility is not considered to benefit from a disposal facility provided by the county and is not subject to a fee imposed by the county for the availability of a disposal facility provided by the county. To the extent that the services provided by the county disposal facility differ from the services provided by the disposal facility provided by a private contractor in the same county, the county may charge an availability fee to cover the costs of the additional services provided by the county disposal facility.

In determining the costs of providing and operating a disposal facility, a county may consider solid waste management costs incidental to a county's handling and disposal of solid waste at its disposal facility, including the costs of the methods of solid waste management specified in G.S. 130A-309.04(a) of the Solid Waste Management Act of 1989. A fee for the availability or use of a disposal facility may be based on the combined costs of the different disposal facilities provided by the county.

(b1) The collection, disposal, and availability fees authorized by this section may be used to cover the cost of waste management programs in the jurisdiction, including the collection of waste and the collection of litter along public roadways.

(c) The board of county commissioners may use any suitable vacant land owned by the county for the site of a disposal facility, subject to the permit requirements of Article 9 of Chapter 130A of the General Statutes. If the county does not own suitable vacant land for a disposal facility, it may acquire suitable land by purchase or condemnation. The board may erect a gate across a highway that leads directly to a disposal facility operated by the county. The gate may be erected at or in close proximity to the boundary of the disposal facility. The county shall pay the cost of erecting and maintaining the gate.

(d), (e) Repealed by Session Laws 1991, c. 652, s. 1.

(f) This section does not prohibit a county from providing aid to low-income persons to pay all or part of the cost of solid waste management services for those persons. (1961, c. 514, s. 1; 1971, c. 568; 1973, c. 535; c. 822, s. 2; 1981, c. 919, s. 22; 1989 (Reg. Sess., 1990), c. 1009, s. 3; 1991, c. 652, s. 1; 1995 (Reg. Sess., 1996), c. 594, s. 27; 2007-550, s. 10(a); 2013-413, s. 59.4(a); 2014-115, s. 60; 2017-209, s. 17(c).)

§ 153A-293. (See editor's note) Collection of fees for solid waste disposal facilities and solid waste collection services.

A county may adopt an ordinance providing that any fee imposed under G.S. 153A-292 may be billed with property taxes, may be payable in the same manner as property taxes, and, in the case of nonpayment, may be collected in any manner by which delinquent personal or real property taxes can be collected. If an ordinance states that delinquent fees can be collected in the same manner as delinquent real property taxes, the fees are a lien on the real property described on the bill that includes the fee. (1989, c. 591; 1989 (Reg. Sess., 1990), c. 905, c. 938, c. 940, c. 974, c. 1017; 1991, c. 652, s. 2; 1991 (Reg. Sess., 1992), c. 1007, s. 26.)

§ 153A-294. Solid waste defined.

As used in this Article, "solid waste" means nonhazardous solid waste, that is, solid waste as defined in G.S. 130A-290 but not including hazardous waste. (1991 (Reg. Sess., 1992), c. 1013, s. 4.)

Article 16.

County Service Districts; County Research and Production Service Districts; County Economic Development and Training Districts.

Part 1. County Service Districts.

§ 153A-300. Title; effective date.

This Article may be cited as "The County Service District Act of 1973," and is enacted pursuant to Article V, Sec. 2(4) of the Constitution of North Carolina, effective July 1, 1973. (1973, c. 489, s. 1; c. 822, s. 2.)

§ 153A-301. Purposes for which districts may be established.

(a) The board of commissioners of any county may define any number of service districts in order to finance, provide, or maintain for the districts one or more of the following services, facilities and functions in addition to or to a greater extent than those financed, provided or maintained for the entire county:

- (1) Beach erosion control and flood and hurricane protection works.
- (2) Fire protection.
- (3) Recreation.
- (4) Sewage collection and disposal systems of all types, including septic tank systems or other on-site collection or disposal facilities or systems.
- (5) Solid waste collection and disposal systems.
- (6) Water supply and distribution systems.
- (7) Ambulance and rescue.
- (8) Watershed improvement projects, including but not limited to watershed improvement projects as defined in Chapter 139 of the General Statutes; drainage projects, including but not limited to the drainage projects provided for by Chapter 156 of the General Statutes; and water resources development projects, including but not limited to the federal water resources development projects provided for by Article 21 of Chapter 143 of the General Statutes.
- (9) Cemeteries.
- (10) Law enforcement if all of the following apply:
 - a. The population of the county is (i) over 900,000 according to the most recent federal decennial census, and (ii) less than ten percent (10%) of the population of the county is in an unincorporated area according to the most recent federal decennial census.

- b. The county has an interlocal agreement or agreements with a municipality or municipalities for the provision of law enforcement services in the unincorporated area of the county.
 - c. Repealed by Session Laws 2008-134, s. 76(c), effective July 28, 2008.
- (11) Services permitted under Article 24 of this Chapter if the district is subject to G.S. 153A-472.1.

(b) The General Assembly finds that coastal-area counties have a special problem with lack of maintenance of platted rights-of-way, resulting in ungraded sand travelways deviating from the original rights-of-way and encroaching on private property, and such cartways exhibit poor drainage and are blocked by junk automobiles.

(c) To address the problem described in subsection (b), the board of commissioners of any coastal-area county as defined by G.S. 113A-103(2) may define any number of service districts in order to finance, provide, or maintain for the districts one or more of the following services, facilities and functions in addition to or to a greater extent than those financed, provided or maintained for the entire county:

- (1) Removal of junk automobiles; and
- (2) Street maintenance.

(d) The board of commissioners of a county that contains a protected mountain ridge, as defined by G.S. 113A-206(6), may define any number of service districts, composed of subdivision lots within one or more contiguous subdivisions that are served by common public roads, to finance for the district the maintenance of such public roads that are either located in the district or provide access to some or all lots in the district from a State road, where some portion of those roads is not subject to compliance with the minimum standards of the Board of Transportation set forth in G.S. 136-102.6. The service district or districts created shall include only subdivision lots within the subdivision, and one or more additional contiguous subdivisions, where the property owners' association, whose purpose is to represent these subdivision lots, agrees to be included in the service district. For subdivision lots in an additional contiguous subdivision or for other adjacent or contiguous property to be annexed according to G.S. 153A-303, the property owners' association representing the subdivision or property to be annexed must approve the annexation. For the purposes of this subsection: (i) "subdivision lots" are defined as either separate tracts appearing of record upon a recorded plat, or other lots, building sites, or divisions of land for sale or building development for residential purposes; and (ii) "public roads" are defined as roads that are in actual open use as public vehicular areas, or dedicated or offered for dedication to the public use as a road, highway, street, or avenue, by a deed, grant, map, or plat, and that have been constructed and are in use by the public, but that are not currently being maintained by any public authority.

(e) The board of commissioners of a county that adjoins or contains a lake, river, or tributary of a river or lake that has an identified noxious aquatic weed problem may define any number of noxious aquatic weed control service districts composed of property that is contiguous to the water or that provides direct access to the water through a shared, certified access site to the water. As used in this subsection, the term "noxious aquatic weed" is any plant organism identified by the Secretary of Environmental Quality under G.S. 113A-222 or regulated as a plant pest by the Commissioner of Agriculture under Article 36 of Chapter 106 of the General Statutes. (1973, c. 489, s. 1; c. 822, s. 2; c. 1375; 1979, c. 595, s. 1; c. 619, s. 6; 1983 (Reg. Sess., 1984), c. 1078, s. 1; 1989, c. 620; 1993, c. 378, s. 1; 1995, c. 354, s. 1; c. 434, s. 1; 1997-456, s. 24; 2005-433, s. 10(b); 2005-440, s. 1; 2008-134, s. 76(c); 2011-100, s. 1; 2015-241, s. 14.30(v).)

§ 153A-302. Definition of service districts.

(a) Standards. – In determining whether to establish a proposed service district, the board of commissioners shall consider all of the following:

- (1) The resident or seasonal population and population density of the proposed district.
- (2) The appraised value of property subject to taxation in the proposed district.
- (3) The present tax rates of the county and any cities or special districts in which the district or any portion thereof is located.
- (4) The ability of the proposed district to sustain the additional taxes necessary to provide the services planned for the district.
- (5) If it is proposed to furnish water, sewer, or solid waste collection services in the district, the probable net revenues of the projects to be financed and the extent to which the services will be self-supporting.
- (6) Any other matters that the commissioners believe to have a bearing on whether the district should be established.

(a1) Findings. – The board of commissioners may establish a service district if, upon the information and evidence it receives, the board finds that all of the following apply:

- (1) There is a demonstrable need for providing in the district one or more of the services listed in G.S. 153A-301.
- (2) It is impossible or impracticable to provide those services on a countywide basis.
- (3) It is economically feasible to provide the proposed services in the district without unreasonable or burdensome annual tax levies.
- (4) There is a demonstrable demand for the proposed services by persons residing in the district.

Territory lying within the corporate limits of a city or sanitary district may not be included unless the governing body of the city or sanitary district agrees by resolution to such inclusion.

(b) Report. – Before the public hearing required by subsection (c), the board of commissioners shall cause to be prepared a report containing:

- (1) A map of the proposed district, showing its proposed boundaries;
- (2) A statement showing that the proposed district meets the standards set out in subsection (a); and
- (3) A plan for providing one or more of the services listed in G.S. 153A-301 to the district.

The report shall be available for public inspection in the office of the clerk to the board for at least four weeks before the date of the public hearing.

(c) Hearing and Notice. – The board of commissioners shall hold a public hearing before adopting any resolution defining a new service district under this section. Notice of the hearing shall state the date, hour, and place of the hearing and its subject, and shall include a map of the proposed district and a statement that the report required by subsection (b) is available for public inspection in the office of the clerk to the board. The notice shall be published at least once not less than one week before the date of the hearing. In addition, it shall be mailed at least four weeks before the date of the hearing by any class of U.S. mail which is fully prepaid to the owners as shown by the county tax records as of the preceding January 1 (and at the address shown thereon) of all property located within the proposed district. The person designated by the board to mail the

notice shall certify to the board that the mailing has been completed and his certificate is conclusive in the absence of fraud.

(d) **Effective Date.** – The resolution defining a service district shall take effect at the beginning of a fiscal year commencing after its passage, as determined by the board of commissioners.

(e) **Exceptions For Countywide District.** – The following requirements do not apply to a board of commissioners that proposes to create a law enforcement service district pursuant to G.S. 153A-301(a)(10) that covers the entire unincorporated area of the county:

- (1) The requirement that the district cannot be created unless the board makes the finding in subdivision (a1)(2) of this section.
- (2) The requirement in subsection (c) of this section to notify each property owner by mail, if the board publishes a notice of its proposal to establish the district, once a week for four successive weeks before the date of the hearing required by that subsection.

(f) **Exceptions for Article 24 District.** – The following requirements do not apply to a board of commissioners that proposes to create a service district pursuant to G.S. 153A-301(a)(11) that covers the entire unincorporated area of the county:

- (1) The requirement that the district cannot be created unless the board makes the finding in subdivision (a1)(2) of this section.
- (2) The requirement in subsection (c) of this section to notify each property owner by mail, if the board publishes a notice of its proposal to establish the district, once a week for two successive weeks before the date of the hearing required by that subsection. (1973, c. 489, s. 1; c. 822, s. 2; 1981, c. 53, s. 1; 1995, c. 354, s. 2; 2005-433, s. 10(c).)

§ 153A-303. Extension of service districts.

(a) **Standards.** – The board of commissioners may by resolution annex territory to any service district upon finding that:

- (1) The area to be annexed is contiguous to the district, with at least one eighth of the area's aggregate external boundary coincident with the existing boundary of the district; and
- (2) That the area to be annexed requires the services of the district.

(b) **Annexation by Petition.** – The board of commissioners may also by resolution extend by annexation the boundaries of any service district when one hundred percent (100%) of the real property owners of the area to be annexed have petitioned the board for annexation to the service district.

(c) Territory lying within the corporate limits of a city or sanitary district may not be annexed to a service district unless the governing body of the city or sanitary district agrees by resolution to such annexation.

(d) **Report.** – Before the public hearing required by subsection (e), the board shall cause to be prepared a report containing:

- (1) A map of the service district and the adjacent territory, showing the present and proposed boundaries of the district;
- (2) A statement showing that the area to be annexed meets the standards and requirements of subsections (a), (b), and (c); and
- (3) A plan for extending services to the area to be annexed.

The report shall be available for public inspection in the office of the clerk to the board for at least two weeks before the date of the public hearing.

(e) Hearing and Notice. – The board shall hold a public hearing before adopting any resolution extending the boundaries of a service district. Notice of the hearing shall state the date, hour and place of the hearing and its subject, and shall include a statement that the report required by subsection (d) is available for inspection in the office of the clerk to the board. The notice shall be published at least once not less than one week before the date of the hearing. In addition, the notice shall be mailed at least four weeks before the date of the hearing to the owners as shown by the county tax records as of the preceding January 1 of all property located within the area to be annexed. The notice may be mailed by any class of U.S. mail which is fully prepaid. The person designated by the board to mail the notice shall certify to the board that the mailing has been completed, and his certificate shall be conclusive in the absence of fraud.

(f) Effective Date. – The resolution extending the boundaries of the district shall take effect at the beginning of a fiscal year commencing after its passage, as determined by the board. (1973, c. 489, s. 1; c. 822, s. 2; 1981, c. 53, s. 2.)

§ 153A-303.1. Removal of territory from service districts.

(a) Standards. – A board of commissioners may by resolution remove territory from a service district upon finding that:

- (1) One hundred percent (100%) of the owners of real property in the territory to be removed have petitioned for removal.
- (2) The territory to be removed no longer requires the services, facilities, or functions financed, provided, or maintained for the district.
- (3) The service district was created only to provide the services listed in G.S. 153A-301(a)(4) or G.S. 153A-301(a)(6) or both.
- (4) The service district does not have any obligation or expense related to the issuance of bonds.

(b) Report. – Before the public hearing required by subsection (c) of this section, the board shall cause to be prepared a report containing:

- (1) A map of the district highlighting the territory proposed to be removed, showing the present and proposed boundaries of the district; and
- (2) A statement showing that the territory to be removed meets the standards and requirements of subsection (a) of this section.

The report shall be available for public inspection in the office of the clerk to the board for at least 10 days before the date of the public hearing.

(c) Hearing and Notice. – The board shall hold a public hearing before adopting any resolution reducing the boundaries of a district. Notice of the hearing shall state the date, hour, and place of the hearing and its subject and shall include a statement that the report required by subsection (b) of this section is available for inspection in the office of the clerk to the board. The notice shall be published at least once not less than seven days before the hearing. In addition, the notice shall be mailed at least two weeks before the date of the hearing by any class of U.S. mail which is fully prepaid to the owners as shown by the county tax records as of the preceding January 1 (and at the address shown thereon) of all property located within the territory to be removed. The person designated by the board to mail the notice shall certify to the board that the mailing has been completed, and the certificate shall be conclusive in the absence of fraud.

(d) Effective Date. – The resolution reducing the boundaries of the district shall take effect at the beginning of a fiscal year commencing after its passage, as determined by the board. (2013-402, s. 1.)

§ 153A-304. Consolidation of service districts.

(a) The board of commissioners may by resolution consolidate two or more service districts upon finding that:

- (1) The districts are contiguous or are in a continuous boundary;
- (2) The services provided in each of the districts are substantially the same; or
- (3) If the services provided are lower for one of the districts, there is a need to increase those services for that district to the level of that enjoyed by the other districts.

(b) Report. – Before the public hearing required by subsection (c), the board of commissioners shall cause to be prepared a report containing:

- (1) A map of the districts to be consolidated;
- (2) A statement showing the proposed consolidation meets the standards of subsection (a); and
- (3) If necessary, a plan for increasing the services for one of the districts so that they are substantially the same throughout the consolidated district.

The report shall be available in the office of the clerk to the board for at least two weeks before the public hearing.

(c) Hearing and Notice. – The board of commissioners shall hold a public hearing before adopting any resolution consolidating service districts. Notice of the hearing shall state the date, hour, and place of the hearing and its subject, and shall include a statement that the report required by subsection (b) is available for inspection in the office of the clerk to the board. The notice shall be published at least once not less than one week before the date of the hearing. In addition, the notice shall be mailed at least four weeks before the hearing to the owners as shown by the county tax records as of the preceding January 1 of all property located within the consolidated district. The notice may be mailed by any class of U.S. mail which is fully prepaid. The person designated by the board to mail the notice shall certify to the board that the mailing has been completed, and his certificate shall be conclusive in the absence of fraud.

(d) Effective Date. – The consolidation of service districts shall take effect at the beginning of a fiscal year commencing after passage of the resolution of consolidation, as determined by the board. (1973, c. 489, s. 1; c. 822, s. 2; 1981, c. 53, s. 2.)

§ 153A-304.1. Reduction in district after annexation.

(a) When the whole or any portion of a county service district organized for fire protection purposes under G.S. 153A-301(2) has been annexed by a municipality furnishing fire protection to its citizens, and the municipality had not agreed to allow territory within it to be within the county service district under G.S. 153A-302(a), then such county service district or the portion thereof so annexed shall immediately thereupon cease to be a county service district or a portion of a county service district; and such district or portion thereof so annexed shall no longer be subject to G.S. 153A-307 authorizing the board of county commissioners to levy and collect a tax in such district for the purpose of furnishing fire protection therein.

(b) Nothing in this section prevents the board of county commissioners from levying and collecting taxes for fire protection in the remaining portion of a county service district not annexed by a municipality.

(c) When all or part of a county service district is annexed, and the effective date of the annexation is a date other than a date in the month of June, the amount of the county service district tax levied on property in the district for the fiscal year in which municipal taxes are prorated under G.S. 160A-58.10 shall be multiplied by the following fraction: the denominator shall be 12 and the numerator shall be the number of full calendar months remaining in the fiscal year following the day on which the annexation becomes effective. For each owner, the product of the multiplication is the prorated fire protection payment. The finance officer of the city shall obtain from the assessor or tax collector of the county where the annexed territory was located a list of the owners of property on which fire protection district taxes were levied in the territory being annexed, and the city shall, no later than 90 days after the effective date of the annexation, pay the amount of the prorated fire protection district payment to the owners of that property. Such payments shall come from any funds not otherwise restricted by law.

(d) Whenever a city is required to make fire protection district tax payments by subsection (c) of this section, and the city has paid or has contracted to pay to a rural fire department funds under G.S. 160A-58.57, the county shall pay to the city from funds of the county service district an amount equal to the amount paid by the city (or to be paid by the city) to a rural fire department under G.S. 160A-58.57 on account of annexation of territory in the county service district for the number of months in that fiscal year used in calculating the numerator under subsection (c) of this section; provided that the required payments by the county to the city shall not exceed the total of fire protection district payments made to taxpayers in the district on account of that annexation. (1987, c. 711, s. 1; 2008-134, s. 76(b); 2017-102, s. 14.4(b).)

§ 153A-304.2. Reduction in district after annexation to Chapter 69 fire district.

(a) When the whole or any portion of a county service district organized for fire protection purposes under G.S. 153A-301(2) has been annexed into a fire protection district created under Chapter 69 of the General Statutes, then such county service district or the portion thereof so annexed shall immediately thereupon cease to be a county service district or a portion of a county service district; and such district or portion thereof so annexed shall no longer be subject to G.S. 153A-307 authorizing the board of county commissioners to levy and collect a tax in such district for the purpose of furnishing fire protection therein.

(b) Nothing in this section prevents the board of county commissioners from levying and collecting taxes for fire protection in the remaining portion of a county service district not annexed into a fire protection district. This section does not affect the rights or liabilities of the county, a taxpayer, or other person concerning taxes previously levied. (1989, c. 622.)

§ 153A-304.3. Changes in adjoining service districts.

(a) Changes. – The board of county commissioners may by resolution relocate the boundary lines between adjoining county service districts if the districts were established for substantially similar purposes. The boundary lines may be changed in accordance with a petition from landowners or may be changed in any manner the board deems appropriate. Upon receipt of a request to change service district boundaries, the board of county commissioners shall set a date and time for a public hearing on the request prior to taking action on the request.

(b) Report. – Before the public hearing required by subsection (a) of this section, the board of county commissioners shall cause to be prepared a report containing all of the following:

- (1) A map of the service district and the adjacent territory showing the current and proposed boundaries of the district.
- (2) A statement indicating that the proposed boundary relocation meets the requirements of subsection (a) of this section.
- (3) A plan for providing service to the area affected by the relocation of district boundaries.
- (4) The effect that the changes in the amount of taxable property will have on the ability of the district to provide services or to service any debt.

The report shall be available for public inspection in the office of the clerk of the board for at least two weeks before the date of the public hearing.

(c) Notice and Hearing. – The board shall hold a public hearing before adopting any resolution relocating the boundaries of a service district. Notice of the hearing shall state the date, hour, and place of the hearing and its subject, and shall include a statement that the report required by subsection (b) of this section is available for inspection in the office of the clerk to the board. The notice shall be published at least once not less than one week before the date of the hearing.

(d) Effective Date. – The resolution changing the boundaries of the districts shall take effect at the beginning of a fiscal year commencing after its passage, as determined by the board. (2005-136, s. 1.)

§ 153A-304.4. Reduction in law enforcement service district after annexation.

When any portion of a county law enforcement service district organized under G.S. 153A-301(10) is annexed by a municipality, and the effective date of the annexation is a date other than a date in the month of June, the amount of the county law enforcement service district tax levied on each parcel of real property in the district for the fiscal year in which municipal taxes are prorated under G.S. 160A-58.10 shall be multiplied by the following fraction: the denominator shall be 12 and the numerator shall be the number of full calendar months remaining in the fiscal year following the day on which the annexation becomes effective. For each parcel of real property in the portion of the district that is annexed, the product of the multiplication is the amount of the law enforcement service district tax to be refunded if the taxes have been paid, or released if the taxes have not been paid. The finance officer of the county shall obtain from the assessor or tax collector of the county a list of the owners of the real property on which law enforcement service district taxes were levied in the territory annexed, and the county shall pay the refund amount, if applicable, to the owner as shown on the records of the tax assessor of the real property as of the January 1 immediately preceding the date of the refund. Refund payments shall come from any funds not otherwise restricted by law. (2008-134, s. 76(a).)

§ 153A-305. Required provision or maintenance of services.

(a) New District. – When a county defines a new service district, it shall provide, maintain, or let contracts for the services for which the residents of the district are being taxed within a reasonable time, not to exceed one year, after the effective date of the definition of the district.

(b) Extended District. – When a county annexes territory to a service district, it shall provide, maintain, or let contracts for the services provided or maintained throughout the district to the residents of the area annexed to the district within a reasonable time, not to exceed one year, after the effective date of the annexation.

(c) Consolidated District. – When a county consolidates two or more service districts, one of which has had provided or maintained a lower level of services, it shall increase the services within that district (or let contracts therefor) to a level comparable to those provided or maintained elsewhere in the consolidated district within a reasonable time, not to exceed one year, after the effective date of the consolidation. (1973, c. 489, s. 1; c. 822, s. 2.)

§ 153A-306. Abolition of service districts.

Upon finding that there is no longer a need for a particular service district and that there are no outstanding bonds or notes issued to finance projects in the district, the board of commissioners may by resolution abolish that district. The board shall hold a public hearing before adopting a resolution abolishing a district. Notice of the hearing shall state the date, hour and place of the hearing, and its subject, and shall be published at least once not less than one week before the date of the hearing. The abolition of any service district shall take effect at the end of a fiscal year following passage of the resolution, as determined by the board. (1973, c. 489, s. 1; c. 822, s. 2.)

§ 153A-307. Taxes authorized; rate limitation.

A county may levy property taxes within defined service districts in addition to those levied throughout the county, in order to finance, provide or maintain for the districts services provided therein in addition to or to a greater extent than those financed, provided or maintained for the entire county. In addition, a county may allocate to a service district any other revenues whose use is not otherwise restricted by law.

Property subject to taxation in a newly established district or in an area annexed to an existing district is that subject to taxation by the county as of the preceding January 1.

Property taxes may not be levied within any district established pursuant to this Article in excess of a rate on each one hundred dollars (\$100.00) value of property subject to taxation which, when added to the rate levied countywide for purposes subject to the rate limitation, would exceed the rate limitation established in G.S. 153A-149(c), unless the portion of the rate in excess of this limitation is submitted to and approved by a majority of the qualified voters residing within the district. Any referendum held pursuant to this paragraph shall be held and conducted as provided in G.S. 153A-149. (1973, c. 489, s. 1; c. 822, s. 2.)

§ 153A-308. Bonds authorized.

A county may issue its general obligation bonds under the Local Government Bond Act to finance services, facilities, or functions provided within a service district. If a proposed bond issue is required by law to be submitted to and approved by the voters of the county, and if the proceeds of the proposed bond issue are to be used in connection with a service that is or, if the bond issue is approved, will be provided only for one or more service districts or at a higher level in service districts than countywide, the proposed bond issue must be approved concurrently by a majority of those voting throughout the entire county and by a majority of the total of those voting in all of the affected or to-be-affected service districts. (1973, c. 489, s. 1; c. 822, s. 2.)

§ 153A-309. EMS services in fire protection districts.

(a) If a service district is established under this Article for fire protection purposes under G.S. 153A-301(2), (including a district established with a rate limitation under G.S. 153A-309.2), and it was not also established under this Article for ambulance and rescue purposes under G.S. 153A-301(7), the board of county commissioners may, by resolution, permit the service district to

provide emergency medical, rescue, and/or ambulance services, and may levy property taxes for such purposes under G.S. 153A-307, but if the district was established under G.S. 153A-309.2, the rate limitation established under that section shall continue to apply.

(b) The resolution expanding the purposes of the district under this section shall take effect at the beginning of a fiscal year commencing after its passage. (1983, c. 642; 1989, c. 559.)

§ 153A-309.1. Reserved for future codification purposes.

§ 153A-309.2. Rate limitation in certain districts – Alternative procedure for fire protection service districts.

(a) In connection with the establishment of a service district for fire protection as provided by G.S. 153A-301(2) [G.S. 153A-301(a)(2)], if the board of commissioners adopts a resolution within 90 days prior to the public hearing required by G.S. 153A-302(c) but prior to the first publication of notice required by subsection (b) of this section, which resolution states that property taxes within a district may not be levied in excess of a rate of fifteen cents (15¢) on each one hundred dollars (\$100.00) of property subject to taxation, then property taxes may not be levied in that service district in excess of that rate.

(b) Whenever a service district is established under this section, instead of the procedures for hearing and notice under G.S. 153A-302(c), the board of commissioners shall hold a public hearing before adopting any resolution defining a new service district under this section. Notice of the hearing shall state the date, hour and place of the hearing and its subject, and shall include a map of the proposed district and a statement that the report required by G.S. 153A-302(b) is available for public inspection in the office of the clerk to the board. The notice shall be published at least twice, with one publication not less than two weeks before the hearing, and the other publication on some other day not less than two weeks before the hearing. (1985, c. 724.)

§ 153A-309.3. Rate limitation in certain districts – Fire protection service districts for industrial property.

(a) Any area in a service district for fire protection established pursuant to G.S. 153A-301(a)(2) may be removed from that district by resolution of the county board of commissioners and a new service district simultaneously created for the area so removed if the area is an industrial facility (and appurtenant land and structures):

- (1) Subject to a contract not to annex by a municipality under which the owner of the industrial property is obligated to make payments in lieu of taxes equal to or in excess of fifty percent (50%) of the taxes such industry would pay if it were annexed and is current in making such payments.
- (2) Actively served by an industrial fire brigade which meets the standards of the National Fire Protection Association and the requirements of the North Carolina Occupational Safety and Health Standards for General Industry (Title 29 Code of Federal Regulations Part 1910 incorporated by reference in 13 NCAC 07F.0101) for industrial fire brigades.

(b) Prior to removing such area from the service district and simultaneously creating a new district of that same area, the board shall hold a public hearing. Notice of the hearing shall state the date, hour, and place of the hearing and its subject. The notice shall be published at least once not less than one week before the date of the hearing. In addition, the notice shall be mailed at least two weeks before the date of the hearing to the owners as shown by the county tax records as of the

preceding January 1 of all property located within the area to be removed and a new district created. The notice may be mailed by any class of U.S. mail which is fully prepaid. The person designated by the board to mail the notice shall certify to the board that the mailing has been completed, and his certificate shall be conclusive in the absence of fraud.

(c) In any district created under this section from area removed from an existing district, the county may not levy or collect property taxes for the purpose of financing fire protection pursuant to this Article in excess of a rate of three and one-half cents (3.5¢) on each one hundred dollars (\$100.00) of property valuation subject to taxation.

(d) If any district established under this section ceases to meet the tests established by subdivisions (a)(1) and (a)(2) of this section, the board of commissioners may by resolution abolish that district and annex that territory to the district from which it was removed after a public hearing under the same provisions as set out in subsection (b) of this section.

(e) Any resolutions adopted under this section become effective the first day of July following their adoption. (2005-281, s. 1.)

§ 153A-310. Rate limitation in certain districts – Alternative procedure for ambulance and rescue districts.

(a) In connection with the establishment of a service district for ambulance and rescue as provided by G.S. 153A-301(7) [G.S. 153A-301(a)(7)], if the board of commissioners adopts a resolution within 90 days prior to the public hearing required by G.S. 153A-302(c) but prior to the first publication of notice required by subsection (b) of this section, which resolution states that property taxes within a district may not be levied in excess of a rate of five cents (5¢) on each one hundred dollars (\$100.00) of property subject to taxation, then property taxes may not be levied in that service district in excess of that rate.

(b) Whenever a service district is established under this section, instead of the procedures for hearing and notice under G.S. 153A-302(c), the board of commissioners shall hold a public hearing before adopting any resolution defining a new service district under this section. Notice of the hearing shall state the date, hour and place of the hearing and its subject, and shall include a map of the proposed district and a statement that the report required by G.S. 153A-302(b) is available for public inspection in the office of the clerk to the board. The notice shall be published at least twice, with one publication not less than two weeks before the hearing, and the other publication on some other day not less than two weeks before the hearing. (1985, c. 430, s. 1.)

Part 2. County Research and Production Service Districts and Urban Research Service Districts.

§ 153A-311. Purposes for which districts may be established.

The board of commissioners of any county may define a county research and production service district in order to finance, provide, and maintain for the district any service, facility, or function that a county or a city is authorized by general law to provide, finance, or maintain. Such a service, facility, or function shall be financed, provided, or maintained in the district either in addition to or to a greater extent than services, facilities, or functions are financed, provided, or maintained for the entire county. (1985, c. 435, s. 1.)

§ 153A-312. Definition of research and production service district.

(a) Standards. – The board of commissioners may by resolution establish a research and production service district for any area of the county that, at the time the resolution is adopted, meets the following standards:

- (1) All (i) real property in the district is being used for or is subject to covenants that limit its use to research; or scientifically-oriented production, technology, education; or associated commercial, residential, or institutional purposes; or for other purposes specifically authorized pursuant to the terms and conditions of the covenants, or (ii) if all the real property in the district is part of a multijurisdictional industrial park that satisfies the criteria of G.S. 143B-437.08(h), all such real property in the district is subject to covenants that limit its use to research or scientifically oriented production, associated commercial or institutional purposes, or other industrial and associated commercial and institutional uses.
- (2) The district (i) contains at least 4,000 acres or (ii) satisfies the criteria of G.S. 143B-437.08(h).
- (3) The district (i) includes research and production facilities that in combination employ at least 5,000 persons or (ii) satisfies the criteria of G.S. 143B-437.08(h).
- (4) Repealed by Session Laws 2012-73, s.1, effective June 26, 2012.
- (5) A petition requesting creation of the district signed by at least fifty percent (50%) of the owners of real property in the district who own at least fifty percent (50%) of total area of the real property in the district has been presented to the board of commissioners. In determining the total area of real property in the district and the number of owners of real property, there shall be excluded (1) real property exempted from taxation and real property classified and excluded from taxation and (2) the owners of such exempted or classified and excluded property.
- (6) Repealed by Session Laws 2012-73, s.1, effective June 26, 2012.
- (7) There exists in the district an association of owners and tenants, to which at least seventy-five percent (75%) of the owners of nonresidential real property belong, which association can make the recommendations provided for in G.S. 153A-313. This subdivision shall not apply to a research and production service district that satisfies the criteria of G.S. 143B-437.08(h).
- (8) There exist deed-imposed conditions, covenants, restrictions, and reservations that apply to all real property in the district, provided that the covenants, restrictions, and reservations shall not be effective against the United States as long as it owns or leases property in the district but shall apply to any subsequent owner or lessee of such property.
- (9) No part of the district lies within the boundaries of any incorporated city or town.

The Board of Commissioners may establish a research and production service district if, upon the information and evidence it receives, the Board finds that:

- (1) The proposed district meets the standards set forth in this subsection; and
- (2) It is impossible or impracticable to provide on a countywide basis the additional or higher levels of services, facilities, or functions proposed for the district; and
- (3) It is economically feasible to provide the proposed services, facilities, or functions to the district without unreasonable or burdensome tax levies.

(a1) Additional Uses. – A developer of a research and production service district established prior to June 1, 2012, may amend the covenants that limit the use of real property in the district to

include any of the following uses: research; or scientifically-oriented production, technology, education; or associated commercial, residential, or institutional purposes; or for other purposes specifically authorized pursuant to the terms and conditions of the covenants. A research and production service district is presumed to be in compliance with the standards in subsection (a) of this section if the district met the standards in subsection (a) of this section, as that subsection was enacted at the time of the establishment of the district.

(b) Multi-County Districts. – If an area that meets the standards for creation of a research and production service district lies in more than one county, the boards of commissioners of those counties may adopt concurrent resolutions establishing a district, even if that portion of the district lying in any one of the counties does not by itself meet the standards. Each of the county boards of commissioners shall follow the procedure set out in this section for creation of a district.

If a multi-county district is established, as provided in this subsection, the boards of commissioners of the counties involved shall jointly determine whether the same appraisal and assessment standards apply uniformly throughout the district, or, in the case of a multijurisdictional industrial park that satisfies the criteria of G.S. 143B-437.08(h), whether there is a current need in each participating county to levy a tax, which determination shall be made by each participating county's board of commissioners. This determination shall be set out in concurrent resolutions of the boards. If the same appraisal and assessment standards apply uniformly throughout the district, the boards of commissioners of all the counties shall levy the same rate of tax for the district, so that a uniform rate of tax is levied for district purposes throughout the district. If the boards determine that the same standards do not apply uniformly throughout the district, the boards shall agree on the extent of divergence between the counties and on the resulting adjustments of tax rates that will be necessary in order that an effectively uniform rate of tax is levied for district purposes throughout the district. In the event that one or more of the boards of commissioners in one or more of the counties participating in a multijurisdictional industrial park that satisfies the criteria of G.S. 143B-437.08(h) determines that there is no current need to levy a tax for all or part of the property meeting said requirements within its jurisdictional boundaries, then that county or those counties shall be under no obligation to do so. That county or those counties participating in a multijurisdictional industrial park that satisfies the criteria of G.S. 143B-437.08(h) that choose to levy a tax for all or part of the property meeting said requirements within its jurisdictional boundaries may do so without setting an effectively uniform rate of tax as described above, provided such rate shall not exceed the rate allowed in G.S. 143B-317(b).

The boards of commissioners of the counties establishing a multi-county district pursuant to this subsection may, by concurrent resolution, provide for the administration of services within the district by one or more counties on behalf of all the establishing counties.

(c) Report. – Before the public hearing required by subsection (d), the board of commissioners shall cause to be prepared a report containing:

- (1) A map of the proposed district, showing its proposed boundaries;
- (2) A statement showing that the proposed district meets the standards set out in subsection (a); and
- (3) A plan for providing one or more services, facilities, or functions to the district.

The report shall be available for public inspection in the office of the clerk to the board for at least four weeks before the date of the public hearing.

(d) Hearing and Notice. – The board of commissioners shall hold a public hearing before adopting any resolution defining a district under this section. Notice of the hearing shall state the date, hour, and place of the hearing and its subject, and shall include a map of the proposed district

and a statement that the report required by subsection (c) is available for public inspection in the office of the clerk to the board. The notice shall be published at least once not less than one week before the date of the hearing. In addition, it shall be mailed at least four weeks before the date of the hearing by any class of U.S. mail which is fully prepaid to the owners as shown by the county tax records as of the preceding January 1 (and at the address shown thereon) of all property located within the proposed district. The person designated by the board to mail the notice shall certify to the board that the mailing has been completed and his certificate is conclusive in the absence of fraud.

(e) Effective Date. – The resolution defining a district shall take effect at the beginning of a fiscal year commencing after its passage, as determined by the board of commissioners. (1985, c. 435, s. 1; 2009-523, s. 3(a); 2012-73, s. 1.)

§ 153A-313. Research and production service district advisory committee.

Such a committee shall have at least 10 members, serving terms as set forth in the resolution; one member shall be the representative of the developer of the research and production park established as a research and production service district. The resolution shall provide for the appointment or designation of a chair. The board of commissioners or, in the case of a multi-county district, the boards of commissioners shall appoint the members of the advisory committee. If a multi-county district is established, the concurrent resolutions establishing the district shall provide how many members of the advisory committee are to be appointed by each board of commissioners. Before making the appointments, the appropriate board shall request the association of owners and tenants, required by G.S. 153A-312(a), to submit a list of persons to be considered for appointment to the committee; the association shall submit at least two names for each appointment to be made. Except as provided in the next two sentences, the board of commissioners shall make the appointments to the committee from the list of persons submitted. In addition, the developer of the research and production park shall appoint one person to the advisory committee as the developer's representative on the committee. In addition, in a single county district, the board of commissioners may make two additional appointments of such other persons as the board of commissioners deems appropriate, and in a multi-county district, each board of county commissioners may make one additional appointment of such other person as that board of commissioners deems appropriate. Whenever a vacancy occurs on the committee in a position filled by appointment by the board of commissioners, the appropriate board, before filling the vacancy, shall request the association to submit the names of at least two persons to be considered for the vacancy; and the board shall fill the vacancy by appointing one of the persons so submitted, except that if the vacancy is in a position appointed by the board of commissioners under the preceding sentence of this section, the board of commissioners making that appointment shall fill the vacancy with such person as that board of commissioners deems appropriate.

Each year, before adopting the budget for the district and levying the tax for the district, the board or boards of commissioners shall request recommendations from the advisory committee as to the level of services, facilities, or functions to be provided for the district for the ensuing year. The board or boards of commissioners shall, to the extent permitted by law, expend the proceeds of any tax levied for the district in the manner recommended by the advisory committee.

(b) In the event that the research and production service district satisfies the criteria of G.S. 143B-437.08(h), the board of directors for the nonprofit corporation which owns the industrial

park shall serve as the advisory committee described in subsection (a) of this section. (1985, c. 435, s. 1; 2009-523, s. 3(b); 2012-73, s. 1.)

In addition, a county may allocate to a district any other revenues whose use is not otherwise restricted by law. The proceeds of taxes only within a district may be expended only for services provided for the district.

Property subject to taxation in a newly established district or in an area annexed to an existing district is that subject to taxation by the county as of the preceding January 1.

(b) Limit. – Such additional property taxes may not be levied within any district established pursuant to this Article in excess of a rate of ten cents (10¢) on each one hundred dollars (\$100.00) value of property subject to taxation or, in the event that the research and production service district satisfies the criteria of G.S. 143B-437.08(h), such additional property taxes may not be levied within said district in excess of a rate of twenty cents (20¢) on each one hundred dollars (\$100.00) value of property subject to taxation.

(c) Public Transportation. – For the purpose of constructing, maintaining, or operating public transportation as defined by G.S. 153A-149(c)(27), in addition to the additional property taxes levied under subsections (a) and (b) of this section, a county, upon recommendation of the advisory committee established pursuant to G.S. 153A-313, may levy additional property taxes within any district established pursuant to this Article not in excess of a rate of ten cents (10¢) on each one hundred dollars (\$100.00) value of property subject to taxation. Such property taxes for public transportation may only be used within the district, or to provide for public transportation from the district to other public transportation systems or to other places outside the district including airports. (1985, c. 435, s. 1; 2009-523, s. 3(c); 2009-527, s. 6; 2012-73, s. 1.)

Only those services that cities are authorized by law to provide may be provided. In addition, a county may allocate to a URSD any other revenue not otherwise restricted by law.

(b) Rate. – Property subject to taxation in a newly established URSD or in an area annexed to an existing URSD is that subject to taxation by the county as of the preceding January. The maximum tax rate set forth in G.S. 153A-317 shall not apply to the URSD. The additional property taxes within any URSD may not be levied in excess of the rate levied in the prior year by a city that:

- (1) Is the largest city in population that is contiguous to the county research and production service district where the URSD is located.
- (2) Is located primarily within the same county the URSD is located.

(c) Use. – The proceeds of taxes levied within a URSD may be expended only for the benefit of the URSD. The taxes levied for the URSD may be used for debt service on any debt issued by the county that is used wholly or partly for capital projects located within the URSD, but not in greater proportion than expense of projects located within the URSD bear to the entire expense of capital projects financed by that borrowing of the county. For the purpose of this subsection, "debt" includes (i) general obligation bonds and notes issued under Chapter 159 of the General Statutes, (ii) revenue bonds issued under Chapter 159 of the General Statutes, (iii) financing agreements under Article 8 of Chapter 159 of the General Statutes, and (iv) special obligation bonds issued by the county. Part 3. Economic Development and Training Districts.

§ 153A-317.11. Purpose and nature of districts.

The board of commissioners of any county may define a county economic development and training district, as provided in this Part, to finance, provide, and maintain for the district a skills training center in cooperation with its community college branch in or for the county to prepare residents of the county to perform manufacturing, research and development, and related service and support jobs in the pharmaceutical, biotech, life sciences, chemical, telecommunications, and electronics industries, and allied, ancillary, and subordinate industries, to provide within the district any of the education, training, and related services, facilities, or functions that a county or a city is authorized by general law to provide, finance, or maintain, and to promote economic development in the county. The skills training center and related services shall be financed, provided, or maintained in the district either in addition to or to a greater extent than training facilities and services are financed, provided, or maintained in the entire county. A district created under this Part is a special tax area under Section 2(4) of Article V of the North Carolina Constitution. (2003-418, s. 1; 2004-170, s. 38.)

§ 153A-317.12. Definition of economic development and training district.

(a) Standards. – The board of commissioners may by resolution establish an economic development and training district for an area or areas of the county that, at the time the resolution is adopted, meet the following standards:

- (1) All of the real property in the district primarily is being used for, or is subject to, a declaration of covenants, conditions, and restrictions that limits its use primarily to biotech processing, chemical manufacturing, pharmaceutical manufacturing, electronics manufacturing, telecommunications manufacturing, and any allied, ancillary, or subordinate uses including, without limitation, any research and development facility, headquarters or office, temporary lodging facility, restaurant, warehouse, or transportation or distribution facility.
- (2) The district includes at least two pharmaceuticals manufacturing or bioprocessing facilities occupying sites in the district containing in the aggregate at least 425 acres owned by publicly held corporations.

- (3) The bioprocessing and pharmaceuticals manufacturing facilities in the district employ in the aggregate at least 1,600 persons.
- (4) The district includes an industrial park consisting of at least 60 acres within a noncontiguous parcel of at least 625 acres now or formerly owned by an airport authority.
- (5) The district's zoning classifications permit the uses listed in this section.
- (6) All real property in the district is either zoned for or is being used primarily for pharmaceutical, biotech, life sciences, chemical, telecommunications, or electronics manufacturing or processing or allied, ancillary, or subordinate uses.
- (7) The district shall include a skills training center situated on a tract containing not less than eight acres, which facility shall be designed and staffed to provide relevant training to prepare existing or prospective employees of targeted industries for jobs in one or more of the pharmaceutical, biotech, life sciences, chemical, telecommunications, and electronics industries and allied, ancillary, or subordinate industries. The training center shall be completed within a reasonable period after the creation of the district.
- (8) At the date of creation, no part of the district lies within the boundaries of any incorporated city or town.
- (9) There exists a uniform set of covenants, conditions, restrictions, and reservations that applies to all real property in the district other than property owned by the federal, State, or local government.
- (10) There exists in the district an association of owners and tenants to which owners of real property representing at least fifty percent (50%) of the assessed value of real property in the district belong, which association can make the recommendations provided for in G.S. 153A-317.13.
- (11) A petition requesting creation of the district signed by owners of real property in the district who own real and personal property representing at least fifty percent (50%) of the total assessed value of the real and personal property in the district has been presented to the board of commissioners. In determining the assessed value of real and personal property in the district and the owners of real property, there shall be excluded: (i) real property exempted from taxation and real property classified and excluded from taxation and (ii) the owners of such exempted or classified and excluded property. Assessed value shall mean the most recent values determined by the county for the imposition of taxes on real and personal property.

(b) Findings. – The board of commissioners may establish an economic development and training district if, upon the information and evidence it receives, the board determines that:

- (1) The proposed district meets the standards set forth in subsection (a) of this section;
- (2) Economic development of the county will be served by providing selected skills training in a facility designed specifically to address the needs of targeted industries such as pharmaceuticals, biotech processing, telecommunications, electronics, and allied, ancillary, or subordinate supplies or services to induce existing industries and targeted industries to improve and expand their facilities and new industries to locate facilities in the district, thereby providing employment opportunities for the residents of the county;

- (3) It is impossible or impractical to provide training facilities and services on a countywide basis to all existing and future employers in the county to the same extent as such training services are intended to be furnished within the district; and
 - (4) It is economically feasible to provide the proposed training facilities and services in the district without unreasonable or burdensome tax levies.
- (c) Report. – Before the public hearing required by subsection (d) of this section, the board of commissioners shall cause to be prepared a report containing all of the following:
- (1) A map of the proposed district showing its proposed boundaries.
 - (2) A statement showing that the proposed district meets the standards set out in subsection (a) of this section.
 - (3) A plan for providing the skills training center and training services to the district.

The report shall be available for public inspection in the office of the clerk to the board for at least four weeks before the date of the public hearing.

(d) Hearing and Notice. – The board of commissioners shall hold a public hearing before adopting any resolution defining a district under this section. The abolition of any district shall take effect at the end of a fiscal year following passage of the resolution, as determined by the board. (2003-418, s. 1.)

§ 153A-317.17. Taxes authorized; rate limitation.

A county may levy property taxes within an economic development and training district, in addition to those levied throughout the county, for the purposes listed in G.S. 153A-317.11 within the district in addition to or to a greater extent than the same purposes provided for the entire county. In addition, a county may allocate to a district any other revenues whose use is not otherwise restricted by law. The proceeds of taxes within a district may be expended only to pay annual debt service on up to one million two hundred thousand dollars (\$1,200,000) of the capital costs of a skills training center provided for the district and any other services or facilities provided by a county in response to a recommendation of an advisory committee.

As used in this Article, the term "solid waste" means nonhazardous solid waste, that is, solid waste as defined in G.S. 130A-290 but not including hazardous waste. In addition to the meaning set out in G.S. 130A-290, the term "unit of local government" means the Eastern Band of the Cherokee Indians in North Carolina.

(b) This Article shall not be construed to authorize any authority created pursuant to this Article to regulate or manage hazardous waste. An authority created under this Article may manage sludges, other than a sludge that is a hazardous waste, under rules of the Commission for Public Health and criteria established by the Department of Environmental Quality for the management of sludge.

(c) Any two or more units of local government may create a regional solid waste management authority by adopting substantially identical resolutions to that effect in accordance with the provisions of this Article. The resolutions creating a regional solid waste management authority and any amendments thereto are referred to in this Article as the "charter" of the regional solid waste management authority. Units of local government which participate in the creation of a regional solid waste management authority are referred to in this Article as "members".

(d) As used in G.S. 153A-427(a)(24), the term "transferred" means placed at or delivered to any (i) place normally and customarily used by the authority for the collection of solid waste, (ii) other place agreed upon by the generator or owner of recyclable materials and the authority, or (iii) facility owned, operated, or designated by the authority. (1989 (Reg. Sess., 1990), c. 888, s. 1.)

§ 153A-423. Membership; board; delegates.

All of the rights and privileges of membership in a regional solid waste management authority shall be exercised on behalf of the member units of local government by a board composed of delegates to the authority who shall be appointed by and shall serve at the pleasure of the governing boards of their respective units of local government. A vacancy on the

board shall be filled by appointment by the governing board of the unit of local government having the original appointment.

(b) Any delegate appointed by a member unit of local government to an authority created pursuant to this Article who is a county commissioner or city or town alderman or commissioner serves on the board of the authority in an ex officio capacity and such service shall not constitute the holding of an office for the purpose of determining dual office holding under Section 9 of Article VI of the Constitution of North Carolina or of Article 1 of Chapter 128 of the General Statutes. (1989 (Reg. Sess., 1990), c. 888, s. 1.)

- (3) Establish the number of delegates to represent the member units of local government and prescribe the compensation and allowances, if any, to be paid to delegates;
- (4) Set out the method of determining the financial support that will be given to the authority by each member unit of local government; and
- (5) Establish a method for amending the charter, and for dissolving the authority and liquidating its assets and liabilities.

(b) The charter of a regional solid waste management authority may, but need not, contain rules for the conduct of authority business and any other matter pertaining to the organization, powers, and functioning of the authority that the member units of local government deem appropriate. (1989 (Reg. Sess., 1990), c. 888, s. 1.)

The governing board of a regional solid waste management authority shall hold an initial organizational meeting at such time and place as is agreed upon by its member units of local government and shall elect a chairman and any other officers that the charter may specify or the delegates may deem advisable. The authority shall then adopt bylaws for the conduct of its business. All meetings of regional solid waste management authorities shall be subject to the provisions of Article 33C of Chapter 143 of the General Statutes. (1989 (Reg. Sess., 1990), c. 888, s. 1.)

§ 153A-426. Withdrawal from an authority.

If the authority has no outstanding indebtedness, any member may withdraw from a regional solid waste management authority effective at the end of the current fiscal year by giving at least six months notice in writing to each of the other members. Withdrawal of a member shall not dissolve the authority if at least two members remain. (1989 (Reg. Sess., 1990), c. 888, s. 1.)

§ 153A-427. Powers of an authority.

(a) The charter may confer on the regional solid waste management authority any or all of the following powers:

Article 23.

Miscellaneous Provisions.

§ 153A-435. Liability insurance; damage suits against a county involving governmental functions.

(a) A county may contract to insure itself and any of its officers, agents, or employees against liability for wrongful death or negligent or intentional damage to person or property or against absolute liability for damage to person or property caused by an act or omission of the county or of any of its officers, agents, or employees when acting within the scope of their authority and the course of their employment. The board of commissioners shall determine what liabilities and what officers, agents, and employees shall be covered by any insurance purchased pursuant to this subsection.

Purchase of insurance pursuant to this subsection waives the county's governmental immunity, to the extent of insurance coverage, for any act or omission occurring in the exercise of a governmental function. Participation in a local government risk pool pursuant to Article 23 of General Statute Chapter 58 shall be deemed to be the purchase of insurance for the purposes of this section. By entering into an insurance contract with the county, an insurer waives any defense based upon the governmental immunity of the county.

If a county uses a funded reserve instead of purchasing insurance against liability for wrongful death, negligence, or intentional damage to personal property, or absolute liability for damage to person or property caused by an act or omission of the county or any of its officers, agents, or employees acting within the scope of their authority and the course of their employment, the county board of commissioners may adopt a resolution that deems the creation of a funded reserve to be the same as the purchase of insurance under this section. Adoption of such a resolution waives the county's governmental immunity only to the extent specified in the board's resolution, but in no event greater than funds available in the funded reserve for the payment of claims.

(b) If a county has waived its governmental immunity pursuant to subsection (a) of this section, any person, or if he dies, his personal representative, sustaining damages as a result of an act or omission of the county or any of its officers, agents, or employees, occurring in the exercise of a governmental function, may sue the county for recovery of damages. To the extent of the coverage of insurance purchased pursuant to subsection (a) of this section, governmental immunity may not be a defense to the action. Otherwise, however, the county has all defenses available to private litigants in any action brought pursuant to this section without restriction, limitation, or other effect, whether the defense arises from common law or by virtue of a statute.

Despite the purchase of insurance as authorized by subsection (a) of this section, the liability of a county for acts or omissions occurring in the exercise of governmental functions does not attach unless the plaintiff waives the right to have all issues of law or fact relating to insurance in the action determined by a jury. The judge shall hear and determine these issues without resort to a jury, and the jury shall be absent during any motion, argument, testimony, or announcement of findings of fact or conclusions of law relating to these issues unless the defendant requests a jury trial on them. (1955, c. 911, s. 1; 1973, c. 822, s. 1; 1985 (Reg. Sess., 1986), c. 1027, s. 27; 2003-175, s. 2.)

§ 153A-436. Photographic reproduction of county records.

(a) A county may provide for the reproduction, by photocopy, photograph, microphotograph, or any other method of reproduction that gives legible and permanent copies, of instruments, documents, and other papers filed with the register of deeds and of any other county

records. The county shall keep each reproduction of an instrument, document, paper, or other record in a fire-resistant file, vault, or similar container. If a duplicate reproduction is made to provide a security-copy, the county shall keep the duplicate in a fire-resistant file, vault, or similar container separate from that housing the principal reproduction.

If a county has provided for reproducing records, any custodian of public records of the county may cause to be reproduced any of the records under, or coming under, his custody.

(b) If a county has provided for reproducing some or all county records, the custodian of any instrument, document, paper, or other record may permit it to be removed from its regular repository for up to 24 hours in order to be reproduced. An instrument, document, paper or other record may be removed from the county in order to be reproduced. The board of commissioners may permit an instrument, document, paper, or other record to be removed for longer than 24 hours if a longer period is necessary to complete the process of reproduction.

(c) The original of any instrument, document, or other paper received by the register of deeds and reproduced pursuant to this Article shall be filed, maintained, and disposed of in accordance with G.S. 161-17 and G.S. 121-5. The original of any other county record that is reproduced pursuant to this Article may be kept by the county or disposed of pursuant to G.S. 121-5.

(d) If an instrument, document, or other paper received by the register of deeds is reproduced pursuant to this Article, the recording of the reproduction is a sufficient recording for all purposes.

(e) A reproduction, made pursuant to this Article, of an instrument, document, paper, or other record is as admissible in evidence in any judicial or administrative proceeding as the original itself, whether the original is extant or not. An enlargement or other facsimile of the reproduction is also admissible in evidence if the original reproduction is extant and available for inspection under the direction of the court or administrative agency.

(f) The provisions of this section shall apply to records stored on any form of permanent, computer-readable media, such as a CD-ROM, if the medium is not subject to erasure or alteration. Nonerasable, computer-readable storage media may be used for preservation duplicates, as defined in G.S. 132-8.2, or for the preservation of permanently valuable records as provided in G.S. 121-5(d). (1945, c. 286, ss. 1-7; c. 944; 1951, c. 19, ss. 1-6; 1953, c. 675, ss. 23, 24; 1957, c. 330, s. 3; 1973, c. 822, s. 1; 1999-131, s. 4; 1999-456, s. 47(d); 2011-326, s. 13(d).)

The local law enforcement agency of any county that uses the services of the State Bureau of Investigation or the North Carolina State Crime Laboratory to analyze a recording covered by G.S. 132-1.4A shall, at no cost, provide access to a method to view and analyze the recording upon request of the State Bureau of Investigation or the North Carolina State Crime Laboratory. (2016-88, s. 2(a).)

§ 153A-437. Assistance to historical organizations.

(a) A county or city may appropriate revenues not otherwise limited as to use by law to a local historical or preservation society, museum, or other similar organization. Before such an appropriation may be made, the recipient organization shall adopt and present to the county or city a resolution requesting the funds and describing the intended use of the funds. The funds may be used for preserving historic sites, buildings, structures, areas, or objects; for recording and publishing materials relating to the history of the area; for establishing or maintaining historical

museums or projects; for paying salaries of personnel employed in such museums or projects; for the costs of acquiring, recording, and maintaining materials and equipment; and for any other purposes that are approved by the county or city and that contribute to the preservation of historic sites, buildings, structures, areas, or objects, or historic materials. The ordinance making the appropriation shall state specifically what the appropriation is to be used for, and the governing board of the county or city shall require that the recipient account for the appropriation at the close of the fiscal year.

(b) A county or city, a board of education, or the board of trustees of a public library may make available space in a building under its control to a local historical society, historical museum, or other historical organization.
