

§ 105-228.37. Refund of overpayment of tax.

(a) Refund Request. – A taxpayer who pays more tax than is due under this Article may request a refund of the overpayment by filing a written request for a refund with the board of county commissioners of the county where the tax was paid. The request must be filed within six months after the date the tax was paid and must explain why the taxpayer believes a refund is due.

(a1) Refunds for Overpayment. – The board of county commissioners may, by resolution, authorize either or both of the county manager or the county finance officer to grant a request for a refund of a tax paid under this Article that is filed within six months after the date the tax was paid. If a refund is granted pursuant to such authority, the refund will be processed in the same manner as if granted by the board of county commissioners as set forth in this section. A taxpayer who requests but is not granted a refund from a county manager or county finance officer may file a written request with the board of county commissioners pursuant to the procedures set forth in this section.

(b) Hearing by County. – A board of county commissioners must conduct a hearing on a request for refund. Within 60 days after a timely request for a refund has been filed and at least 10 days before the date set for the hearing, the board must notify the taxpayer in writing of the time and place at which the hearing will be conducted. The date set for the hearing must be within 90 days after the timely request for a hearing was filed or at a later date mutually agreed upon by the taxpayer and the board. The board must make a decision on the requested refund within 90 days after conducting a hearing under this subsection.

(c) Process if Refund Granted. – If the board of commissioners decides that a refund is due, it must refund the overpayment, together with any applicable interest, to the taxpayer and inform the Department of the refund. The Department may assess the taxpayer for the amount of the refund in accordance with G.S. 105-241.9 if the Department disagrees with the board's decision.

(d) Process if Refund Denied. – If the board of commissioners finds that no refund is due, the written decision of the board must inform the taxpayer that the taxpayer may request a departmental review of the denial of the refund in accordance with the procedures set out in G.S. 105-241.11.

(e) Recording Correct Deed. – Before a tax is refunded, the taxpayer must record a new instrument reflecting the correct amount of tax due. If no tax is due because an instrument was recorded in the wrong county, then the taxpayer must record a document stating that no tax was owed because the instrument being corrected was recorded in the wrong county. The taxpayer must include in the document the names of the grantors and grantees and the deed book and page number of the instrument being corrected.

When a taxpayer records a corrected instrument, the taxpayer must inform the register of deeds that the instrument being recorded is a correcting instrument. The taxpayer must give the register of deeds a copy of the decision granting the refund that shows the correct amount of tax due. The correcting instrument must include the deed book and page number of the instrument being corrected. The register of deeds must notify the county finance officer and the Secretary when the correcting instrument has been recorded.

(f) Interest. – An overpayment of tax bears interest at the rate established in G.S. 105-241.21 from the date that interest begins to accrue. Interest begins to accrue on an overpayment 30 days after the request for a refund is filed by the taxpayer with the board of county commissioners.
