

§ 106-549.55. Labeling standards; false and misleading labels.

(a) All poultry products inspected at any official establishment under the authority of this Article and found to be not adulterated, shall at the time they leave the establishment bear, in distinctly legible form, on their shipping containers and immediate containers as the Commissioner may require, the information required under subdivision (17) of G.S. 106-549.51. In addition, the Commissioner whenever he determines such action is practicable and necessary for the protection of the public, may require nonconsumer packaged carcasses at the time they leave the establishment to bear directly thereon in distinctly legible form any information required under such subdivision (17).

(b) The Board, whenever it determines such action is necessary for the protection of the public, may prescribe:

- (1) The styles and sizes of type to be used with respect to material required to be incorporated in labeling to avoid false or misleading labeling in marking or otherwise labeling any articles or poultry subject to this Article;
- (2) Definitions and standards of identity or composition for articles subject to this Article and standards of fill of container for such articles not inconsistent with any such standards established under the Federal Food, Drug and Cosmetic Act, or under the Federal Poultry Products Inspection Act, and there shall be consultation between the Commissioner or his authorized representative and the Secretary of Agriculture of the United States prior to the issuance of such standards to avoid inconsistency between such standards and the federal standards.

(c) No article subject to this Article shall be sold or offered for sale by any person in intrastate commerce, under any name or other marking or labeling which is false or misleading, or in any container of a misleading form or size, but established trade names and other marking and labeling and containers which are not false or misleading and which are approved by the Commissioner, are permitted.

(d) If the Commissioner has reason to believe that any marking or labeling or the size or form of any container in use or proposed for use with respect to any article subject to this Article is false or misleading in any particular, he may direct that such use be withheld unless the marking, labeling, or container is modified in such manner as he may prescribe so that it will not be false or misleading. A person who uses or proposes to use the marking, labeling, or container and who does not accept the determination of the Commissioner may commence a contested case under G.S. 150B-23. If directed by the Commissioner, the marking, labeling, or container may not be used pending a final decision. (1971, c. 677, s. 8; 1973, c. 1331, s. 3; 1987, c. 827, s. 36; 1989, c. 770, s. 26.)
