

**§ 115C-218.33. School technology.**

(a) A charter school shall adopt a policy requiring the evaluation of technology costs considerations adopted by the State Board of Education pursuant to G.S. 115C-102.10.

(b) A charter school shall report annually to the State Board of Education on the break/fix rate of school technology devices used in the school in accordance with G.S. 115C-102.11. (2025-46, s. 1.1(f).)
