

§ 115C-433. Amendments to the budget resolution; budget transfers.

(a) Subject to the provisions of subsection (b) of this section, the board of education may amend the budget resolution at any time after its adoption, in any manner, so long as the resolution as amended continues to satisfy the requirements of G.S. 115C-425 and 115C-432.

(b) If the board of county commissioners allocates part or all of its appropriations pursuant to G.S. 115C-429(b), the board of education must obtain the approval of the board of county commissioners for an amendment to the budget that (i) increases or decreases expenditures from the capital outlay fund for projects listed in G.S. 115C-426(f)(1) or (2), or (ii) increases or decreases the amount of county appropriation allocated to a purpose or function by twenty-five percent (25%) or more from the amount contained in the budget ordinance adopted by the board of county commissioners: Provided, that at its discretion, the board may in its budget ordinance specify a lesser percentage, so long as such percentage is not less than ten percent (10%).

(c) The board of education may by appropriate resolution authorize the superintendent to transfer moneys from one appropriation to another within the same fund, subject to such limitations and procedures as may be prescribed by the board of education or State or federal law or regulations. Any such transfers shall be reported to the board of education at its next regular meeting and shall be entered in the minutes.

(d) The board of education may amend the budget to transfer money to or from the capital outlay fund to or from any other fund, with the approval of the board of county commissioners, to meet emergencies unforeseen and unforeseeable at the time the budget resolution was adopted. When such an emergency arises, the board of education may adopt a resolution requesting approval from the board of commissioners for the transfer of a specified amount of money to or from the capital outlay fund to or from some other fund. The resolution shall state the nature of the emergency, why the emergency was not foreseen and was not foreseeable when the budget resolution was adopted, what specific objects of expenditure will be added or increased as a result of the transfer, and what objects of expenditure will be eliminated or reduced as a result of the transfer. A certified copy of this resolution shall be transmitted to the board of county commissioners for (its) approval and to the boards of education of all other local school administrative units in the county for their information. The board of commissioners shall act upon the request within 30 days after it is received by the clerk to the board of commissioners or the chairman of the board of commissioners, after having afforded the boards of education of all other local school administrative units in the county an opportunity to comment on the request. The board of commissioners may either approve or disapprove the request as presented. Upon either approving or disapproving the request, the board of commissioners shall forthwith so notify the board of education making the request and any other board of education that exercised its right to comment thereon. Upon receiving such notification, the board of education may proceed to amend the budget resolution in the manner indicated in the request. Failure of the board of county commissioners to act within the time allowed for approval or disapproval shall be deemed approval of the request. The time limit for action by the board of county commissioners may be extended by mutual agreement of the board of county commissioners and the board of education making the request. A budget resolution amended in accordance with this subsection need not comply with G.S. 115C-430. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)
