

§ 116-350.5. University of North Carolina Health Care System.

(a) Establishment of System. – Effective November 1, 1998, the University of North Carolina Health Care System is established. The System is a State agency and political subdivision governed and administered as an affiliated enterprise of The University of North Carolina in accordance with the provisions of this Article. The System shall provide patient care; facilitate the education of physicians and other health care providers in partnership with the University of North Carolina at Chapel Hill School of Medicine and other health sciences schools affiliated with the constituent institutions of The University of North Carolina System; conduct research collaboratively with the health sciences schools of the University of North Carolina at Chapel Hill and other institutions; facilitate clinical collaboration with and financial sustainability of the University of North Carolina at Chapel Hill School of Medicine; render other services designed to promote the health and well-being of the citizens of North Carolina; and drive innovation and transformation in health care services delivery.

(b) Transfer of Rights. – As of November 1, 1998, all of the rights, privileges, liabilities, and obligations of the Board of the University of North Carolina Hospitals at Chapel Hill, not inconsistent with the provisions of this Article, shall be transferred to and assumed by the Board of the System.

(c) Governance. – The Board of the System shall govern and administer The University of North Carolina Hospitals at Chapel Hill, the clinical patient care programs established or maintained by the School of Medicine of the University of North Carolina at Chapel Hill, and such other entities and functions as (i) the General Assembly may assign to the System or (ii) the Board may decide, within the limitations of its statutory powers and duties, to establish, administer, or acquire for the purpose of rendering services designed to promote the health and well-being of the citizens of North Carolina.

(d) [Authority to Adopt Certain Policies. –] With respect to G.S. 116-350.30, 116-350.35, 116-350.40, 116-350.45, and 116-350-65, the Board may adopt policies that make the authorities and responsibilities established by one or more of said sections applicable to the University of North Carolina Hospitals at Chapel Hill, to the clinical patient care programs of the School of Medicine of the University of North Carolina at Chapel Hill, to both, or to other persons or entities affiliated with or under the control of the University of North Carolina Health Care System. (2023-134, s. 4.10(b).)
