

§ 12-3.1. Fees and charges by agencies.

(a) Authority. – Only the General Assembly has the power to authorize an agency to establish or increase a fee or charge for the rendering of any service or fulfilling of any duty to the public. In the construction of a statute, unless that construction would be inconsistent with the manifest intent of the General Assembly or repugnant to the context of the statute, the legislative grant of authority to an agency to adopt rules shall not be construed as a grant of authority to the agency to establish by rule a fee or a charge for the rendering of any service or fulfilling of any duty to the public, unless the statute expressly provides for the grant of authority to establish a fee or charge for that specific service. Notwithstanding any other law, a rule adopted by an agency to establish or increase a fee or charge shall not go into effect until the agency has consulted with the Joint Legislative Commission on Governmental Operations on the amount and purpose of the fee or charge to be established or increased. Where a rule provides for a periodic automatic adjustment to a fee, the agency that adopts the rule is not required to consult with the Commission every time the fee automatically adjusts. The agency shall submit a request for consultation to all members of the Commission, the Commission Assistant, and the Fiscal Research Division of the General Assembly on the same date the notice of text of the rule is published. The request for consultation shall consist of a written report stating (i) the amount of the current fee or charge, if applicable, (ii) the amount of the proposed new or increased fee or charge, (iii) the statutory authority for the fee or charge, and (iv) a detailed explanation of the need for the establishment or increase of the fee or charge.

(a1) If the Commission does not hold a meeting to hear the consultation required by subsection (a) of this section within 90 days after the notice of text of the rule has been published and the consultation request required by subsection (a) of this section has been submitted, the consultation requirement is satisfied.

(b) Definitions. – The following definitions apply in this section:

(1) Agency. – Every agency, institution, board, commission, bureau, department, division, council, member of the Council of State, or officer of the legislative, executive or judicial branches of State government. The term does not include counties, cities, towns, villages, other municipal corporations or political subdivisions of the State or any agencies of these subdivisions, the University of North Carolina, community colleges, hospitals, county or city boards of education, other local public districts, units, or bodies of any kind, or private corporations created by act of the General Assembly.

(2) Rule. – Every rule, regulation, ordinance, standard, and amendment thereto adopted by any agency, including rules and regulations regarding substantive matters, standards for products, procedural rules for complying with statutory or regulatory authority or requirements and executive orders of the Governor.

(1) Rules establishing fees or charges to State, federal or local governmental units.

(2) A reasonable fee or charge for copying, transcripts of public hearings, State publications, or mailing a document or other item.

(3) Reasonable registration fees covering the cost of a conference or workshop.
