

§ 130A-449. Asbestos containing material removal permits.

No person shall engage in asbestos abatement involving more than 35 cubic feet, 160 square feet, or 260 linear feet per job of asbestos containing material without an asbestos containing material removal permit issued by the Department. The Commission shall adopt rules governing such permits. Such rules may provide for exemption from the requirements of this section. (1989, c. 724, s. 1.)
