## § 130A-453.10. Standards to ensure elimination of hazards; consumer information.

- (a) Standards. The Commission shall establish standards to ensure that inspections, risk assessments, and abatements performed under this Article result in the elimination of lead-based paint hazards. An inspection, risk assessment, or abatement performed under this Article must be performed in accordance with these standards.
- (b) Information. The Department shall prepare a fact sheet on abatement for distribution to consumers. The sheet shall list the various measures for abatement of a child-occupied facility or target housing and give the relative cost of each measure. A person who is certified under this Article shall give a copy of the sheet to a person for whom the certified person performs an abatement. (1997-523, s. 1.)
