

Article 20.

Occupational Health.

§ 130A-455. Reportable diseases, illnesses, and injuries.

The Commission shall adopt rules establishing a list of serious and preventable occupational injuries that occur while working on a farm, and serious and preventable occupational diseases and illnesses to be reported to the Department. Occupational diseases and illnesses are defined as those diseases and illnesses which result from exposure to a health hazard in the workplace. The Commission shall adopt rules establishing the specific information to be submitted when making a report required by this Article, time limits for reporting, and the form of the report. The rules adopted by the Commission shall avoid duplication of reporting and minimize the cost to the physicians, medical facilities, laboratories, or other persons reporting under this act. (1993, c. 486.)
