

§ 143-151.53. Notification to applicant following evaluation of application.

If the Board finds that the applicant has not met fully the requirements for licensing, the Board shall refuse to issue the license and shall notify in writing the applicant of the denial, stating the grounds of the denial. The application may also be denied for any reason for which a license may be suspended or revoked or not renewed under G.S. 143-151.56. Within 30 days after service of the notification, the applicant may make a written demand upon the Board for a review to determine the reasonableness of the Board's action. The review shall be completed without undue delay, and the applicant shall be notified promptly in writing as to the outcome of the review. Within 30 days after service of the notification as to the outcome, the applicant may make a written demand upon the Board for a hearing under Article 3A of Chapter 150B of the General Statutes if the applicant disagrees with the outcome.
