

§ 143B-1209.52. Criminal record checks of applicants for licensure as dietitian/nutritionists or nutritionists.

The State Bureau of Investigation may provide to the North Carolina Board of Dietetics/Nutrition a criminal history record from the State and National Repositories of Criminal Histories for applicants for licensure by the Board. Along with a request for criminal history records, the Board shall provide to the Bureau the fingerprints of the applicant or subject, a form signed by the applicant consenting to the criminal history record check and use of the fingerprints and other identifying information required by the Repositories, and any additional information required by the Bureau. The fingerprints shall be used for a search of the State's criminal history record file, and the Bureau shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The Board shall keep all information obtained pursuant to this section confidential. The Bureau may charge a fee to offset the cost incurred by the Bureau to conduct a criminal history record check under this section, but the fee shall not exceed the actual cost of locating, editing, researching, and retrieving the information.
