

§ 156-11. Expense of repairs apportioned.

Besides the damages which the commissioners may assess against the petitioner for the privilege of cutting into such canal or ditch, they shall assess and apportion the labor which the petitioner and defendants shall severally contribute towards repairing the canal or ditch into or through which the petitioner drains the water from his lands, and report the same to court; which, when confirmed, shall stand as a judgment of the court against each of the parties, his executors and administrators, heirs and assigns.
