

§ 159D-15. Construction contracts.

The agency may agree with the prospective operator that all contracts relating to the acquisition, construction, installation and equipping of a project shall be solicited, negotiated, awarded and executed by the prospective operator and its agents subject only to such approval by the agency as the agency may require in such agreement. Such agreement may provide that the agency may, out of the proceeds of bonds, make advances to or reimburse the operator for all or a portion of its costs incurred in connection with such contracts.
