

§ 15A-534.6. Bail in cases of manufacture of methamphetamine.

In all cases in which the defendant is charged with any violation of G.S. 90-95(b)(1a) or G.S. 90-95(d1)(2)b., in determining bond and other conditions of release, the magistrate, judge, or court shall consider any evidence that the person is in any manner dependent upon methamphetamine or has a pattern of regular illegal use of methamphetamine. A rebuttable presumption that no conditions of release on bond would assure the safety of the community or any person therein shall arise if the State shows by clear and convincing evidence both:

- (1) The person was arrested for a violation of G.S. 90-95(b)(1a) or G.S. 90-95(d1)(2)b., relating to the manufacture of methamphetamine or possession of an immediate precursor chemical with knowledge or reasonable cause to know that the chemical will be used to manufacture methamphetamine.
- (2) The person is in any manner dependent upon methamphetamine or has a pattern of regular illegal use of methamphetamine, and the violation referred to in subdivision (1) of this section was committed or attempted in order to maintain or facilitate the dependence or pattern of illegal use in any manner.
