

§ 160A-506. Creation of a county redevelopment commission.

If the board of county commissioners of a county by resolution declares that blighted areas do exist in said county, and the redevelopment of such areas is necessary in the interest of public health, safety, morals, or welfare of the residents of such county, the county commissioners of said county are hereby authorized to create a separate and distinct body corporate and politic to be known as the redevelopment commission of said county by passing a resolution to create such a commission to function in the territorial limits of said county. Provided, however, that notice of the intent to consider passage of such a resolution or ordinance shall be published at least 10 days prior to the meeting of the board of county commissioners for such purposes, and further provided that the redevelopment commission shall not function in an area where such a commission exists or in the corporate limits of a municipality without resolution of agreement by said municipality.

All of the provisions of Article 22, Chapter 160A of the General Statutes, shall be applicable to county redevelopment commissions, including the formation, appointment, tenure, compensation, organization, interest and powers as specified therein. (1969, c. 1208, s. 2; 1973, c. 426, s. 75.)
