

Article 33.

Rail Transportation Corridor Authority.

§ 160A-880. Title and purpose.

This Article shall be known and may be cited as the "Rail Transportation Corridor Authority Act." The purpose of this Article is to authorize the creation of an Authority to establish, construct, purchase, maintain, equip, and operate any structure, facility, or improvement to aid commerce, public transportation, and any other rail services associated with rail corridors. (2024-45, s. 19.4(a).)
