

§ 163-82.19. Voter registration at drivers license offices; coordination on data interface.

(a) Voter Registration at Drivers License Offices. – The Division of Motor Vehicles shall, pursuant to the rules adopted by the State Board of Elections, modify its forms so that any eligible person who applies for original issuance, renewal or correction of a drivers license, or special identification card issued under G.S. 20-37.7 may, on a part of the form, complete an application to register to vote, or to update the voter's registration if the voter has changed his or her address or moved from one precinct to another or from one county to another. The person taking the application shall ask if the applicant is a citizen of the United States. If the applicant states that the applicant is not a citizen of the United States, or declines to answer the question, the person taking the application shall inform the applicant that it is a felony for a person who is not a citizen of the United States to apply to register to vote. The application shall state in clear language the penalty for violation of this section. The necessary forms shall be prescribed by the State Board of Elections. The form must ask for the previous voter registration address of the voter, if any. If a previous address is listed, and it is not in the county of residence of the applicant, the appropriate county board of elections shall treat the application as an authorization to cancel the previous registration and also process it as such under the procedures of G.S. 163-82.9. If a previous address is listed and that address is in the county where the voter applies to register, the application shall be processed as if it had been submitted under G.S. 163-82.9.

Registration shall become effective as provided in G.S. 163-82.7. Applications to register to vote accepted at a drivers license office under this section until the deadline established in G.S. 163-82.6(d)(2) shall be treated as timely made for an election, and no person who completes an application at that drivers license office shall be denied the vote in that election for failure to apply earlier than that deadline.

All applications shall be forwarded by the Department of Transportation to the appropriate board of elections not later than five business days after the date of acceptance, according to rules which shall be promulgated by the State Board of Elections. Those rules shall provide for a paperless, instant, electronic transfer of applications to the appropriate board of elections.

(b) Any person who willfully and knowingly and with fraudulent intent gives false information on the application [described in subsection (a) of this section] is guilty of a Class I felony.

(c) Coordination on Data Interface. – The Department of Transportation jointly with the State Board of Elections shall develop and operate a computerized interface to match information in the database of the statewide voter registration system with the drivers license information in the Division of Motor Vehicles to the extent required to enable the State Board of Elections and the Department of Transportation to verify the accuracy of the information provided on applications for voter registration, whether the applications were received at drivers license offices or elsewhere. The Department of Transportation and the State Board shall implement the provisions of this subsection so as to comply with section 303 of the Help America Vote Act of 2002. The Department of Transportation shall enter into an agreement with the Commissioner of Social Security so as to comply with section 303 of the Help America Vote Act of 2002.
