

§ 20-363. Removal and replacement of obstructions.

All obstructions, including mailboxes, traffic signals, signs, and utility lines will be removed immediately prior to and replaced immediately after the move at the expense of the mover. Any property, real or personal, to be removed, which is not located in the right-of-way, shall not be removed until the owner is notified and arrangements for and approval from the owner are obtained. (1977, c. 720, s. 8; 2008-89, s. 3.)
