(b) Notwithstanding G.S. 47-14 and G.S. 47-17, obvious description errors in a recorded instrument affecting title to real property may be cured by recording a curative affidavit with the register of deeds in every county where the real property is situated.

(c) Prior to recording a curative affidavit as described in subsection (b) of this section, the authorized attorney seeking to record the affidavit shall serve a notice of intent and a copy of the unsigned proposed curative affidavit on the persons identified in this subsection. Service of the notice of intent and copy of the unsigned proposed curative affidavit shall be made in any manner prescribed for the service of a summons in accordance with Rule 4(j) or Rule 4(j)5) of the North Carolina Rules of Civil Procedure. The persons entitled to service of the notice of intent and a copy of the unsigned proposed curative affidavit pursuant to this subsection are as follows:

In the case of a deed of trust, the parties to the instrument shall include the grantor or trustor named in the deed of trust, the beneficiary of record, and any assignee of the beneficiary known to the party filing the curative affidavit or its authorized attorney, but need not include the trustee named in the deed of trust or any substitute trustee.

- (6) The current record owners of all adjoining properties that may be adversely affected by the recording of the curative affidavit, the current record holders of any mineral or timber rights that may be adversely affected by the recording of the curative affidavit, and the record holders of any easement rights that may be adversely affected by the recording of the curative affidavit.

(d) Each person served with the notice of intent and a copy of the unsigned proposed curative affidavit described in subsection (c) of this section that wishes to object to the recordation of the proposed curative affidavit or dispute the facts recited in the proposed curative affidavit must do so in a writing sent in any manner provided for under subsection (e) of this section to the authorized attorney within 30 days after the service of the documents upon that person. The authorized attorney may sign and record the proposed curative affidavit at any time after more than 45 days have elapsed since the last person to be served was served with the notice of intent and a copy of the unsigned proposed curative affidavit. However, the authorized attorney may not record the proposed curative affidavit if, at any time before recording the proposed curative affidavit, the authorized attorney receives a written objection to the recordation of the proposed curative affidavit or a written statement disputing the facts recited in the proposed curative affidavit from any person served with the notice of intent and a copy of the unsigned proposed curative affidavit.

(e) In complying with any requirement for objecting to the recordation of the proposed curative affidavit or disputing the facts recited in the proposed curative affidavit pursuant to this section, the objection or document disputing the facts must be addressed to the authorized attorney and shall be delivered by at least one of the following methods:

- (1) Delivering a copy to the authorized attorney by handing it to the authorized attorney, or by leaving it at the authorized attorney's office with a partner or employee of the authorized attorney.

- (f) An affidavit is sufficient as a curative affidavit if it does all of the following:
- (1) Contains a statement that the curative affidavit should be indexed as a "subsequent instrument" pursuant to G.S. 161-14.1.

- (2) Contains a statement that the curative affidavit is recorded pursuant to this section to correct an obvious description error contained in a previously recorded instrument.
- (3) Contains a statement that the affiant is an attorney licensed to practice law in North Carolina and is an authorized attorney pursuant to subdivision (1) of subsection (a) of this section.
- (4) Identifies each instrument subject to the curative affidavit by stating the title of the instrument, the parties to the instrument, and the recording data for the instrument.
- (5) Identifies the obvious description error contained in each instrument subject to the curative affidavit.
- (6) Corrects the obvious description error by stating the correct property description.
- (7) Contains a statement that the affiant served a copy of the notice of intent required by subsection (c) of this section and a copy of the unsigned proposed curative affidavit on all persons entitled to notice pursuant to subsection (c) of this section and that service on each such person was properly effected in a manner prescribed for the service of a summons in accordance with Rule 4(j) or Rule 4(j5) of the North Carolina Rules of Civil Procedure.
- (8) Contains a statement that more than 45 days have elapsed since the last person to be served was served, and that before signing and recording the curative affidavit, the affiant did not receive from any person so served any written objection to the recordation of the curative affidavit or any written statement disputing the facts recited in the curative affidavit.
- (9) Provides the name, telephone number, e-mail address (if available), facsimile number (if available), and mailing address of the affiant.
- (10) Is signed and sworn to or affirmed by the authorized attorney as affiant before a notary public, with an appropriate jurat completed by the notary public that conforms to the requirements of Chapter 10B of the General Statutes.

(g) A curative affidavit recorded pursuant to this section in the office of the register of deeds in the county where the real property is located shall operate as a correction of the instrument being corrected that relates back to, and is effective as of, the date the instrument being corrected was originally recorded in the office of the register of deeds, with the same effect as if the description of the property was correct when the instrument was first recorded, and all parties to the instrument being corrected shall be bound by the terms contained in the recorded curative affidavit and the instrument being corrected.

(h) Upon payment of the appropriate recordation fee, the register of deeds shall accept a curative affidavit for recording unless the curative affidavit (i) is submitted by a method or in a medium not authorized for registration by the register of deeds under applicable law, (ii) is not signed by the affiant and sworn to or affirmed as required by law for an affidavit or affirmation, or (iii) lacks a proper jurat. A copy of the previously recorded instrument to which the curative affidavit applies may be attached to or recorded with the curative affidavit and need not be a certified copy. The register of deeds shall not be required to verify or make inquiry concerning (i) the truth of the matters stated in any curative affidavit or (ii) the authority of the person executing any curative affidavit to do so. The register of deeds shall index the curative affidavit in the name of the affiant and in the names of the various parties, other than a trustee or substitute trustee named in a deed of trust, to each instrument being corrected as both grantees and grantors, irrespective of their designation in the instrument being corrected. The costs associated with the recording of a curative affidavit pursuant to this section shall be paid by the party submitting the affidavit to the register of deeds.

(i) A curative affidavit recorded in compliance with this section shall be prima facie evidence of the facts stated therein. Any person who wrongfully or erroneously records a curative affidavit is liable for actual damages sustained by any party as a result of the recordation, including reasonable attorneys' fees and costs.

(j) The remedies prescribed by this section are not exclusive and do not abrogate any rights or remedies otherwise available under the laws of this State, including any rights or remedies under G.S. 47-36.1.

(k) No particular phrasing is required for a curative affidavit. A curative affidavit in substantially the following form, when properly completed, is sufficient to satisfy the requirements of subsection (f) of this section:

"NOTICE OF INTENT TO CORRECT AN OBVIOUS DESCRIPTION ERROR

This is an important legal document that requires your immediate attention. Your property rights may be affected, and you may need to respond to this notice in writing.

I am an attorney licensed to practice law in North Carolina. My contact information is as follows:

Insert the name, telephone number, email address (if available), facsimile number (if available), and mailing address of the authorized attorney issuing the notice.

I have discovered or have been advised of an error in the description of real property contained in one or more instruments recorded as part of a real estate-related transaction. A copy of a proposed Curative Affidavit accompanies this notice. The proposed Curative Affidavit identifies the previously recorded instrument or instruments that contain the description errors that I plan to correct, the description error or errors that require correction, and the correct description of the real property. If I sign and record the proposed Curative Affidavit, it will have the legal effect of correcting the erroneous property description in the listed instrument or instruments that contain the description errors.

Real property you own may be affected if I correct the erroneous description of the real property in the instrument or instruments identified in the proposed Curative Affidavit. You should consult with your attorney and your title insurance company, if known, promptly to determine whether and the extent to which my correction of the legal description in the instrument or instruments that need to be corrected will impact your property or property rights.

IF YOU WISH TO OBJECT TO MY SIGNING AND RECORDING THE PROPOSED CURATIVE AFFIDAVIT OR DISPUTE THE FACTS RECITED IN THE PROPOSED CURATIVE AFFIDAVIT, YOU MUST DO SO IN A WRITING SENT OR DELIVERED TO ME WITHIN 30 DAYS AFTER THE DATE YOU WERE SERVED WITH THIS NOTICE AND THE PROPOSED CURATIVE AFFIDAVIT.

Your writing must be sent or delivered to me by one of the following methods:

- (5) Depositing a copy prepaid with a designated delivery service authorized pursuant to 26 U.S.C. § 7502(f)(2) addressed to the mailing address provided in this notice of intent.

I am not permitted to sign or record the Curative Affidavit if, at any time before I actually sign and record it, I receive a written objection to my signing and recording the Curative Affidavit or a written statement disputing the facts contained in the Curative Affidavit from any person served

with this notice and a copy of the unsigned proposed Curative Affidavit. However, assuming I do not receive any such objection or statement disputing the facts, Section 47-36.2 of the North Carolina General Statutes permits me to sign and record the Curative Affidavit at any time after more than 45 days have elapsed since the last person to be served was served with this notice and a copy of the unsigned proposed Curative Affidavit, and I intend to do so.

If you object to my signing and recording the Curative Affidavit or dispute the facts recited in the proposed Curative Affidavit, you need to send or deliver your written objection or written statement disputing the facts recited in the proposed Curative Affidavit to me promptly using one of the methods described above. While I encourage you to call me if you have questions, your telephone call will not be sufficient – you must write to me if you dispute the facts recited in the proposed Curative Affidavit or object to my signing and recording the Curative Affidavit.
