

§ 50A-378. Order for child support.

If a court has issued an order providing for grant of caretaking authority under this Part, or an agreement granting caretaking authority has been executed under Part 2 of this Article, the court may enter a temporary order for child support consistent with the laws of this State regarding child support if the court has jurisdiction under the Uniform Interstate Family Support Act under Chapter 52C of the General Statutes. (2013-27, s. 3.)
