

Part 3. Customer Information Safeguards.

§ 58-39-130. Purpose.

The purpose of this Part is to establish standards for developing and implementing administrative, technical, and physical safeguards to protect the security, confidentiality, and integrity of customer information, as required by sections 501, 505(b), and 507 of the federal Gramm-Leach-Bliley Act (Public Law 106-102), codified as 15 U.S.C. §§ 6801, 6805(b), and 6807. The purpose of this Part is also to provide privacy and security protection consistent with federal regulations governing the privacy and security of medical records when this Part is consistent with those federal regulations. In those instances in which this Part and the federal regulations are inconsistent and this Part provides privacy and security protection beyond that offered by the federal regulations, the purpose of this Part is to provide that additional privacy and security protection.
