

§ 58-7-65. Conversion to foreign insurer.

Any domestic insurer may, upon the approval of the Commissioner, transfer its domicile to any other state in which it is licensed to transact the business of insurance. Upon such a transfer such insurer shall cease to be a domestic insurer and shall be licensed in this State, if qualified, as a foreign insurer. The Commissioner shall approve any such proposed transfer unless he determines that such transfer is not in the interest of the policyholders of this State. (1987, c. 752, s. 10.)
