

**§ 7A-147. Specialized judgeships.**

(a) Prior to January 1 of each year in which elections for district court judges are to be held, the Administrative Officer of the Courts may, with the approval of the chief district judge, designate one or more judgeships in districts having three or more judgeships, as specialized judgeships, naming in each case the specialty. Designations shall become effective when filed with the State Board of Elections. Nominees for the position or positions of specialist judge shall be made in the ensuing primary and the position or positions shall be filled at the general election thereafter. The State Board of Elections shall prepare primary and general election ballots to effectuate the purposes of this section.

(b) The designation of a specialized judgeship shall in no way impair the right of the chief district judge to arrange sessions for the trial of specialized cases and to assign any district judge to preside over these sessions. A judge elected to a specialized judgeship has the same powers as a regular district judge.

(c) The policy of the State is to encourage specialization in juvenile cases by district court judges who are qualified by training and temperament to be effective in relating to youth and in the use of appropriate community resources to meet their needs. The Administrative Office of the Courts is therefore authorized to encourage judges who hear juvenile cases to secure appropriate training whether or not they were elected to a specialized judgeship as provided herein. This training shall be provided within the funds available to the Administrative Office of the Courts for this training, and judges attending the training shall be reimbursed for travel and subsistence expenses at the same rate as is applicable to other State employees.

The Administrative Office of the Courts shall develop a plan whereby a district court judge may be better qualified to hear juvenile cases by reason of training, experience, and demonstrated ability. Any district court judge who completes the training under this plan, which shall include trauma-informed training on recognizing and mitigating adverse childhood experiences and adverse community environments, shall receive a certificate to this effect from the Administrative Office of the Courts. In districts where there is a district court judge who has completed this training as herein provided, the chief district judge shall give due consideration in the assignment of juvenile cases where practical and feasible.
