§ 7A-304. Costs in criminal actions.

(a) In every criminal case in the superior or district court, wherein the defendant is convicted, or enters a plea of guilty or nolo contendere, or when costs are assessed against the prosecuting witness, the following costs shall be assessed and collected. No costs may be assessed when a case is dismissed. Only upon entry of a written order, supported by findings of fact and conclusions of law, determining that there is just cause, the court may (i) waive costs assessed under this section or (ii) waive or reduce costs assessed under subdivision (7), (8), (8a), (11), (12), or (13) of this section. No court may waive or remit all or part of any court fines or costs without providing notice and opportunity to be heard by all government entities directly affected. The court shall provide notice to the government entities directly affected of (i) the date and time of the hearing and (ii) the right to be heard and make an objection to the remission or waiver of all or part of the order of court costs at least 15 days prior to hearing. Notice shall be made to the government entities affected by first-class mail to the address provided for receipt of court costs paid pursuant to the order. In all cases where the judgment is rendered in facilities provided by a municipality, the facilities fee shall be paid to the municipality. Funds derived from the facilities fees shall be used exclusively by the county or municipality for providing, maintaining, and constructing adequate courtroom and related judicial facilities, including: adequate space and furniture for judges, district attorneys, public defenders and other personnel of the Office of Indigent Defense Services, magistrates, juries, and other court related personnel; office space, furniture and vaults for the clerk; jail and juvenile detention facilities; free parking for jurors; and a law library (including books) if one has heretofore been established or if the governing body hereafter decides to establish one. In the event the funds derived from the facilities fees exceed what is needed for these purposes, the county or municipality may use any or all of the excess to retire outstanding indebtedness incurred in the construction of the facilities, or to reimburse the county or municipality for funds expended in constructing or renovating the facilities (without incurring any indebtedness) within a period of two years before or after the date a district court is established in such county, or to supplement the operations of the General Court of Justice in the county.
