(a) Judges of the district court and judges of the superior court who have not reached the mandatory retirement age specified in G.S. 7A-40.1 and G.S. 7A-140.1, respectively, but who have retired under the provisions of G.S. 7A-51, or under the Uniform Judicial Retirement Act after having completed five years of creditable service, may apply as provided in G.S. 7A-53 to become emergency judges of the court from which they retired. From the commissioned emergency district, superior, and special superior court judges, the Chief Justice of the Supreme Court shall create two lists of active emergency judges and two lists of inactive emergency judges. For emergency superior and special superior court judges, the active list shall be limited to a combined total of 10 emergency judges; all other emergency superior and special superior court judges shall be on an inactive list. For emergency district court judges, the active list shall be limited to 25 emergency judges; all other emergency district court judges shall be on an inactive list. There is no limit to the number of emergency judges on either inactive list. In the Chief Justice's discretion, emergency judges may be added or removed from their respective active and inactive lists, as long as the respective numerical limits on the active lists are observed. An emergency judge assigned to hear and decide complex business cases pursuant to this subsection shall be designated by the Chief Justice as a senior business court judge and shall be eligible to serve in that capacity for five years from the issuance date of the judge's commission under G.S. 7A-53 or until the judge's commission expires, whichever occurs first. Order of assignment shall be in writing and entered upon the minutes of the court to which such emergency judge is assigned. An emergency judge assigned to hear and decide complex business cases shall not be counted in the combined total of active emergency superior and special superior court judges described in subsection (a) of this section.
