

§ 7B-2107. Nontestimonial identification order at request of juvenile.

A juvenile in custody for or charged with an offense which if committed by an adult would be a felony offense may request that nontestimonial identification procedures be conducted. If it appears that the results of specific nontestimonial identification procedures will be of material aid to the juvenile's defense, the judge to whom the request was directed must order the State to conduct the identification procedures.
