§ 90A-32. Certification of distribution operators.

The Board of Certification shall have the authority to establish certification programs for personnel who operate the distribution portion of a water treatment facility. The Board may provide for voluntary of mandatory certification and may provide requirements for training, education, and experience of personnel to be certified. The owner of a water treatment facility shall have three years to obtain certification or the services of appropriately certified distribution personnel after the effective date of mandatory certification. (1989, c. 227, s. 7.)
