H140 - Dental Plans Provider Contracts/Transparency. (SL 2017-205)

S.L. 2017-205 makes entities that write stand-alone dental insurance subject to the disclosure and notification provisions for fee schedules, reimbursement policies, and claim submission policies contained in G.S. 58-3-227. It clarifies that "household property" for the purposes of single interest credit property insurance includes household furniture, furnishings, appliances, and other personal property of a debtor, not including an automobile. It also requires credit insurance rate standards to be set every third year beginning January 1, 2018.

This bill was vetoed by the Governor on July 27, 2017. The veto was overridden on August 30, 2017. This act becomes effective October 1, 2017.
