Require Disclaimer on Local Government Geographic Information System (GIS) Tools – North Carolina Farm Act of 2024.

SL 2024-32 (S355), Sec. 13

Section 13 of S.L. 2024-32 requires counties and cities that offer a geographic information system (GIS) tool to the public to provide a disclaimer notifying the user that the data offered by the tool is provided without warranty and that the user should consult public primary information sources, such as recorded deeds and plats, to verify the accuracy of the data provided. The disclaimer must be displayed prominently on a splash screen or interstitial webpage that the user must affirmatively acknowledge before accessing the tool.

This section becomes effective January 1, 2025.

Completing Access to Broadband Program – Require ICE Cooperation & Budget Adjustments.

SL 2024-55 (H10), Sec. 10.1

Section 10.1 of S.L. 2024-55 makes the following changes to the Completing Access to Broadband (CAB) Program:

- Directs the Department of Information Technology (DIT) to utilize up to \$190 million of funds appropriated to the CAB Program, to provide the county project cost responsibility for the 37 counties that had committed, as of May 1, 2024, to both participate in the CAB Program and provide the county's cost share match.
- Requires broadband service providers selected for a project under the CAB Program to provide at least 30% of the total estimated project cost.
- Eliminates the requirement that county governments provide at least 35% of the total estimated project costs.
- Eliminates the requirement that county governments provide DIT its portion of total estimated project costs upon executing an agreement with a broadband service provider.

This bill was vetoed by the Governor on September 20, 2024, and that veto was overridden by the General Assembly on November 20, 2024. This section of the act became effective July 1, 2024, and applies to grant funding requests submitted on or after that date.

BEAD Deployment – Require ICE Cooperation & Budget Adjustments.

SL 2024-55 (H10), Sec. 10.2

Section 10.2 of S.L. 2024-55 makes various changes to the laws that relate to broadband deployment and the Department of Information Technology (DIT), which include:

- Establishing the Growing Rural Economies with Access to Technology for Broadband Equity, Access, and Deployment Fund (GREAT 3.0 Fund), as a special revenue fund in DIT, to pay for infrastructure costs of projects designed to extend broadband service to unserved and underserved areas and to community anchor institutions.
- Directing the Broadband Infrastructure Office in DIT to implement a competitive subgrantee selection process in conformance with the Broadband Equity, Access, and Deployment (BEAD) Program from the Infrastructure Investment and Jobs Act (P.L. 117-58).
- Requiring DIT to submit annual and periodic reports concerning the implementation of the GREAT 3.0 Program to the Joint Legislative Oversight Committee on Information Technology and the Fiscal Research Division.
- Appropriating to DIT up to \$23 million in federal funds received for digital literacy from the State Digital Equity Capacity Grant Program under the Infrastructure Investment and Jobs Act (P.L. 117-58), to be used in accordance with the North Carolina Digital Equity Plan.

- Eliminating the sunset provision for the Broadband Pole Replacement Program, which is set to expire on December 31, 2024.

This bill was vetoed by the Governor on September 20, 2024, and that veto was overridden by the General Assembly on November 20, 2024. This section of the bill became effective July 1, 2024.
