CERTAIN RECORDS AND TO APPROPRIATE ONE HUNDRED THOUSAND
DOLLARS FOR THIS PURPOSE.

The General Assembly of North Carolina enacts:

Section 1. Chapter 7A of the General Statutes is amended by adding the following new section to read:

"§ 7A-675.1. Disclosure in child fatality or near fatality cases.

(a) The following definitions apply in this section:

(1) 'Child fatality' means the death of a child from suspected abuse, neglect, or maltreatment.

(2) 'Near fatality' means a case in which a physician determines that a child is in serious or critical condition as the result of sickness or injury caused by suspected abuse, neglect, or maltreatment.

(3) 'Public agency' means any agency of State government or its subdivisions as defined in G.S. 132-1(a).

(4) 'Findings and information' means a written summary, as allowed by subsections (c) through (f) of this section, of actions taken or services

1 rendered by a public agency following receipt of information that a
2 child might be in need of protection. The written summary shall include
3 any of the following information the agency is able to provide:

4 a. The dates, outcomes, and results of any actions taken or services
5 rendered.

6 b. The results of any review by the State Child Fatality Prevention
7 Team, a local child fatality prevention team, a local community
8 child protection team, the Child Fatality Task Force, or any
9 public agency.

10 c. Confirmation of the receipt of all reports, accepted or not
11 accepted by the county department of social services, for
12 investigation of suspected child abuse, neglect, or maltreatment,
13 including confirmation that investigations were conducted, the
14 results of the investigations, a description of the conduct of the
15 most recent investigation and the services rendered, and a
16 statement of basis for the department's decision.

17 (b) Notwithstanding any other provision of law and subject to the provisions of
18 subsections (c) through (f) of this section, a public agency shall disclose to the public,
19 upon request, the findings and information related to a child fatality or near fatality if:

20 (1) A person is criminally charged with having caused the child fatality or
21 near fatality; or

22 (2) The district attorney has certified that a person would be charged with
23 having caused the child fatality or near fatality but for that person's prior
24 death.

25 (c) Nothing herein shall be deemed to authorize access to the confidential records
26 in the custody of a public agency, or the disclosure to the public of the substance or
27 content of any psychiatric, psychological, or therapeutic evaluations or like materials or
28 information pertaining to the child or the child's family unless directly related to the
29 cause of the child fatality or near fatality, or the disclosure of information that would
30 reveal the identities of persons who provided information related to the suspected abuse,
31 neglect, or maltreatment of the child.

32 (d) Within five working days from the receipt of a request for findings and
33 information related to a child fatality or near fatality, a public agency shall consult with
34 the appropriate district attorney and provide the findings and information unless the
35 agency has a reasonable belief that release of the information:

36 (1) Is not authorized by subsections (a) and (b) of this section;

37 (2) Is likely to cause mental or physical harm or danger to a minor child
38 residing in the deceased or injured child's household;

39 (3) Is likely to jeopardize the State's ability to prosecute the defendant;

40 (4) Is likely to jeopardize the defendant's right to a fair trial;

41 (5) Is likely to undermine an ongoing or future criminal investigation; or

42 (6) Is not authorized by federal law and regulations.

1 (e) Any person whose request is denied may apply to the appropriate district court
2 for an order compelling disclosure of the findings and information of the public agency.
3 The application shall set forth, with reasonable particularity, factors supporting the
4 application. The district court shall have jurisdiction to issue such orders. Actions
5 brought pursuant to this section shall be set down for immediate hearing, and subsequent
6 proceedings in such actions shall be accorded priority by the appellate courts. After the
7 court has reviewed the specific findings and information, in camera, the court shall issue
8 an order compelling disclosure unless the court finds that one or more of the
9 circumstances in subsection (d) of this section exist.

10 (f) Access to criminal investigative reports and criminal intelligence information
11 of public law enforcement agencies, and confidential information in the possession of the
12 State Child Fatality Prevention Team, the local teams, and the Child Fatality Task Force,
13 shall be governed by G.S. 132-1.4 and G.S. 143-578 respectively.

14 (g) Any public agency or its employees acting in good faith in disclosing or
15 declining to disclose information pursuant to this section shall be immune from any
16 criminal or civil liability that might otherwise be incurred or imposed for such action.

17 (h) Nothing herein shall be deemed to narrow or limit the definition of 'public
18 records' as set forth in G.S. 132-1(a)."

19 Section 2. G.S. 7A-675(h) reads as rewritten:

21 ~~authorized agencies.~~The chief district court judge in each district shall designate by
22 standing order certain agencies in the district as 'agencies authorized to share
23 information'. Agencies so designated shall share with one another, upon request,
24 information that is in their possession that is relevant to any case in which a petition is
25 filed alleging that a juvenile is abused, neglected, or dependent, and shall continue to do
26 so until the juvenile is no longer subject to the juvenile jurisdiction of the court.
27 Agencies that may be designated as 'agencies authorized to share information' include

35 preclude any other necessary sharing of information among agencies."

36 Section 3. Of the funds appropriated from the General Fund to the Department
37 of Human Resources for the Division of Social Services, the sum of one hundred
