10 **SECTION 5.1.(b)** Decreases in Federal Fund Availability. – If the United
 11 States Congress reduces federal fund availability in the Social Services Block Grant
 12 below the amounts appropriated in this section, then the Department of Health and
 13 Human Services shall allocate these decreases giving priority first to those direct
 14 services mandated by State or federal law, then to those programs providing direct
 15 services that have demonstrated effectiveness in meeting the federally and
 16 State-mandated services goals established for the Social Services Block Grant. The
 17 Department shall not include transfers from TANF for specified purposes in any
 18 calculations of reductions to the Social Services Block Grant.

19 If the United States Congress reduces the amount of TANF funds below the
 20 amounts appropriated in this section after the effective date of this act, then the
 21 Department shall allocate the decrease in funds after considering any underutilization of
 22 the budget and the effectiveness of the current level of services. Any TANF Block
 23 Grant fund changes shall be reported to the Senate Appropriations Committee on Health
 24 and Human Services, the House of Representatives Appropriations Subcommittee on
 25 Health and Human Services, and the Fiscal Research Division.

26 Decreases in federal fund availability shall be allocated for the Maternal and

 29 services.

30 **SECTION 5.1.(c)** Increases in Federal Fund Availability. – Any block grant
 31 funds appropriated by the United States Congress in addition to the funds specified in
 32 this act shall be expended by the Department of Health and Human Services, with the
 33 approval of the Office of State Budget and Management, provided the resultant
 34 increases are in accordance with federal block grant requirements and are within the
 35 scope of the block grant plan approved by the General Assembly.

36 **SECTION 5.1.(d)** Changes to the budgeted allocations to the block grants
 37 appropriated in this act shall be reported immediately to the Senate Appropriations
 38 Committee on Health and Human Services, the House of Representatives
 39 Appropriations Subcommittee on Health and Human Services, and the Fiscal Research
 40 Division.

41 **SECTION 5.1.(e)** Limitations on Preventive Health Services Block Grant
 42 Funds. – Twenty-five percent (25%) of funds allocated for Rape Prevention and Rape
 43 Education shall be allocated as grants to nonprofit organizations to provide rape
 44 prevention and education programs targeted for middle, junior high, and high school
 45 students.

46 If federal funds are received under the Maternal and Child Health Block
 47 Grant for abstinence education, pursuant to section 912 of Public Law 104-193 (42
 48 U.S.C. § 710), for the 2001-2002 fiscal year, then those funds shall be transferred to the
 49 State Board of Education to be administered by the Department of Public Instruction.
 50 The Department of Public Instruction shall use the funds to establish an Abstinence
 51 Until Marriage Education Program and shall delegate to one or more persons the
 52 responsibility of implementing the program and G.S. 115C-81(e1)(4). The Department

1 of Public Instruction shall carefully and strictly follow federal guidelines in
2 implementing and administering the abstinence education grant funds.

3 **SECTION 5.1.(f)** The Department of Health and Human Services, Division
4 of Social Services, shall do the following:

8 longitudinal employment data. Assessment periods shall include six
9 and 18 months following closure of the case.
- 10 (2) Continue the current evaluation of the Work First Program to profile
11 the State's child-only caseload to include indicators of economic and

 - 48 b. Reduce quality of treatment or increase nonadherence by the
49 patient to appropriate medication regimens.

52 newly approved innovative drugs that offer clear medical
53 benefits that exceed the benefits of standard therapy.

1 d. Have a differential impact upon racial and ethnic minorities and

7 other factors with similar results have occurred.

8 (2) Decrease supplies of prescription drugs to 34-day supplies for some or
9 all drugs.

46 convert them to other use. The Department of Correction may also consider converting
47 some of the units recommended for closing from medium security to minimum security,

50 lease from any of the minimum standards adopted by the Secretary of Health and
51 Human Services pursuant to G.S. 153A-221 for the housing of adult prisoners that

27 the reasons for the anticipated cost increase and the source of funds the Department
28 intends to use to cover those additional needs to the Joint Legislative Commission on

33 Department of Correction may use funds available during the 2001-2002 fiscal year for
34 the purchase of prescription drugs for inmates if expenditures are projected to exceed
35 the Department's inmate medical continuation budget for prescription drugs. The
36 Department shall consult with the Joint Legislative Commission on Governmental
37 Operations prior to exceeding the continuation budget amount.

38 The Department of Administration, Purchase and Contract Division, and the
39 Department of Correction shall review the current statewide contract for purchase of
40 prescription drugs as it applies to the Department of Correction's purchases for inmates
41 to determine if the Department is receiving the lowest rate available and to determine
42 whether the Department should be authorized to issue a request for proposals for a
43 separate vendor or purchasing consortium for the provision of prescription drugs for
44 inmates. The Departments shall report on their findings to the Joint Legislative

6 **STRUCTURED SENTENCING STUDY**

7 **SECTION 25.8.(a)** The North Carolina Sentencing and Policy Advisory
8 Commission shall exercise its statutory responsibility under Article 4 of Chapter 164 of
9 the General Statutes to monitor and review the criminal justice and corrections system
10 as follows. The Commission is directed to study and review the State's sentencing laws
11 in order to develop options for slowing the anticipated increase in incarceration over the
12 next 10 years. Areas of review may include the classification of offenses and offenders,
13 the relationship of the sentence and the sentence length to the offense, and the sentence
14 dispositions available to judges. The Commission shall also analyze the parole-eligible
15 population in terms of offense committed, sentence, and time served in comparison to
16 structured sentencing inmates. The options shall be consistent with the purposes of
17 sentencing as stated in G.S. 15A-1340.12. The Commission's options, and any
18 recommendations, should balance the need to ensure that sentencing laws appropriately
19 penalize offenders for the nature and degree of harm caused by the offense with the
20 need to consider the potential impact on correctional resources of the growth in the
21 prison population.

22 **SECTION 25.8.(b)** The North Carolina Sentencing and Policy Advisory
23 Commission shall report its findings to the 2001 General Assembly no later than the
24 convening of the 2002 Regular Session of the 2001 General Assembly.

34 and regulations legally adopted for the government thereof. Any sentence to
35 imprisonment in any unit of the State prison system, or to jail to be assigned to work

37 terms of imprisonment as the court may direct, to the custody of the Secretary of
38 Correction or his authorized representative, who shall designate the places of
39 confinement within the State prison system where the sentences of all such persons shall
40 be served. The authorized agents of the Secretary shall have all the authority of peace
41 officers for the purpose of transferring prisoners from place to place in the State as their
42 duties might require and for apprehending, arresting, and returning to prison escaped

44 special officers for returning escaped prisoners or other fugitives from justice from
45 outside the State, when such persons have been extradited or voluntarily surrendered.
46 Employees of departments, institutions, agencies, and political subdivisions of the State
47 hiring prisoners to perform work outside prison confines may be designated as the
48 authorized agents of the Secretary of Correction for the purpose of maintaining control
49 and custody of prisoners who may be placed under the supervision and control of such
50 employees, including guarding and transferring such prisoners from place to place in the
51 State as their duties might require, and apprehending and arresting escaped prisoners
52 and returning them to prison. The governing authorities of the State prison system are
53 authorized to determine by rules and regulations the manner of designating these agents

1 and placing prisoners under their supervision and control, which rules and regulations
2 shall be established in the same manner as other rules and regulations for the
3 government of the State prison system.

4 The Secretary of Correction may extend the limits of the place of confinement of a

6 authorizing him, under prescribed conditions, to leave the confines of that place
7 unaccompanied by a custodial agent for a prescribed period of time to

9 (2) Secure a suitable residence for use when released on parole or upon
10 discharge; or

11 (3) Obtain medical services not otherwise available; or

12 (4) Participate in a training program in the community; or

13 (5) Visit or attend the funeral of a spouse, child (including stepchild,
14 adopted child or child as to whom the prisoner, though not a natural
15 parent, has acted in the place of a parent), parent (including a person

17 or sister; or

18 (6) Participate in community-based programs of rehabilitation, including,
19 but not limited to the existing community volunteer and home-leave
20 programs, pre-release and after-care programs as may be provided for

25 county departments of social services are expected to cooperate with
26 officials at the North Carolina Correctional Center for Women to
27 coordinate prenatal care, financial services, and placement of the ~~child~~
28 child; or

29 (8) Receive palliative care, only in the case of a terminally ill inmate or a
30 permanently and totally disabled inmate that the Secretary finds no
31 longer poses a threat to society, and only after consultation with any
32 victims of the inmate or the victims' families. For purposes of this
33 subdivision, the term "terminally ill" describes an inmate who, as
34 determined by a licensed physician, has an incurable condition caused
35 by illness or disease that will likely produce death within 12 months.
36 For purposes of this subdivision, the term "permanently and totally
37 disabled" describes an inmate who, as determined by a licensed
38 physician, suffers from permanent and irreversible physical
39 incapacitation as a result of an existing physical or medical condition.

40 The willful failure of a prisoner to remain within the extended limits of his confinement,
41 or to return within the time prescribed to the place of confinement designated by the
42 Secretary of Correction, shall be deemed an escape from the custody of the Secretary of
43 Correction punishable as provided in G.S. 148-45."

3 **SUPPLEMENTAL FUNDING IN LOW-WEALTH COUNTIES**

4 **SECTION 28.6.(a)** Funds for Supplemental Funding. – The General
5 Assembly finds that it is appropriate to provide supplemental funds in low-wealth
6 counties to allow those counties to enhance the instructional program and student
7 achievement; therefore, funds are appropriated to State Aid to Local School
8 Administrative Units for the 2001-2002 fiscal year and the 2002-2003 fiscal year to be
9 used for supplemental funds for schools.

10 **SECTION 28.6.(b)** Use of Funds for Supplemental Funding. – All funds

17 (25%) of the funds received pursuant to this section to improve the academic
18 performance of children who are performing at Level I or II on either reading or
19 mathematics end-of-grade tests in grades 3-8 and children who are performing at Level
20 I or II on the writing tests in grades 4 and 7. Local boards of education shall report to
21 the State Board of Education on an annual basis on funds used for this purpose, and the
22 State Board shall report this information to the Joint Legislative Education Oversight
23 Committee. These reports shall specify how these funds were targeted and used to
24 implement specific improvement strategies of each local school administrative unit and
25 its schools, such as teacher recruitment, closing the achievement gap, improving student
26 accountability, addressing the needs of at-risk students, and establishing and
27 maintaining safe schools.

51 sum of all anticipated total county revenue availability divided by the
52 average daily membership for the State.

- 1 (5) "Average daily membership" means average daily membership as
2 defined in the North Carolina Public Schools Allotment Policy

8 a. Subtract the present-use value of agricultural land, horticultural
9 land, and forestland in the county, as defined in G.S. 105-277.2,
10 from the total assessed real property valuation of the county,
11 b. Adjust the resulting amount by multiplying by a weighted
12 average of the three most recent annual sales assessment ratio
13 studies,
14 c. Add to the resulting amount the:
15 1. Present-use value of agricultural land, horticultural land,
16 and forestland, as defined in G.S. 105-277.2,

- 24 (8) "County wealth as a percentage of State average wealth" shall be
25 computed as follows:

27 the State per capita income and weight the resulting percentage
28 by a factor of five-tenths,
29 b. Compute the percentage that the anticipated total county
30 revenue availability per student is of the anticipated State
31 average revenue availability per student and weight the
32 resulting percentage by a factor of four-tenths,
33 c. Compute the percentage that the county-adjusted property tax
34 base per square mile is of the State-adjusted property tax base
35 per square mile and weight the resulting percentage by a factor
36 of one-tenth,
37 d. Add the three weighted percentages to derive the county wealth
38 as a percentage of the State average wealth.
- 39 (9) "Effective county tax rate" means the actual county tax rate multiplied
40 by a weighted average of the three most recent annual sales assessment
41 ratio studies.

47 Government Commission pursuant to G.S. 115C-447.
- 48 (11) "Per capita income" means the average for the most recent three years
49 for which data are available of the per capita income according to the
50 most recent report of the United States Department of Commerce,
51 Bureau of Economic Analysis, including any reported modifications
52 for prior years as outlined in the most recent report.

3 (13) "State average current expense appropriations per student" means the
4 most recent State total of county current expense appropriations to
5 public schools, as reported by local boards of education in the audit
6 report filed with the Secretary of the Local Government Commission
7 pursuant to G.S. 115C-447.
8 (14) "State average adjusted property tax base per square mile" means the
9 sum of the county-adjusted property tax bases for all counties divided
10 by the number of square miles of land area in the State.

12 appropriations from one fiscal year to the next fiscal year.
13 (15) "Weighted average of the three most recent annual sales assessment
14 ratio studies" means the weighted average of the three most recent
15 annual sales assessment ratio studies in the most recent years for which
16 county current expense appropriations and adjusted property tax
17 valuations are available. If real property in a county has been revalued
18 one year prior to the most recent sales assessment ratio study, a
19 weighted average of the two most recent sales assessment ratios shall
20 be used. If property has been revalued the year of the most recent sales
21 assessment ratio study, the sales assessment ratio for the year of
22 revaluation shall be used.

23 **SECTION 28.6.(d)** Eligibility for Funds. – Except as provided in subsection
24 (h) of this section, the State Board of Education shall allocate these funds to local school
25 administrative units located in whole or in part in counties in which the county wealth
26 as a percentage of the State average wealth is less than one hundred percent (100%).

27 **SECTION 28.6.(e)** Allocation of Funds. – Except as provided in subsection
28 (g) of this section, the amount received per average daily membership for a county shall
29 be the difference between the State average current expense appropriations per student
30 and the current expense appropriations per student that the county could provide given
31 the county's wealth and an average effort to fund public schools. (To derive the current
32 expense appropriations per student that the county could be able to provide given the
33 county's wealth and an average effort to fund public schools, multiply the county wealth
34 as a percentage of State average wealth by the State average current expense
35 appropriations per student.)

36 The funds for the local school administrative units located in whole or in part
37 in the county shall be allocated to each local school administrative unit, located in
38 whole or in part in the county, based on the average daily membership of the county's
39 students in the school units.

40 If the funds appropriated for supplemental funding are not adequate to fund
41 the formula fully, each local school administrative unit shall receive a pro rata share of
42 the funds appropriated for supplemental funding.

43 **SECTION 28.6.(f)** Formula for Distribution of Supplemental Funding
44 Pursuant to This Section Only. – The formula in this section is solely a basis for
45 distribution of supplemental funding for low-wealth counties and is not intended to
46 reflect any measure of the adequacy of the educational program or funding for public
47 schools. The formula is also not intended to reflect any commitment by the General
48 Assembly to appropriate any additional supplemental funds for low-wealth counties.

49 **SECTION 28.6.(g)** Minimum Effort Required. – Counties that had effective
50 tax rates in the 1996-97 fiscal year that were above the State average effective tax rate
51 but that had effective rates below the State average in the 1997-98 fiscal year or
52 thereafter shall receive reduced funding under this section. This reduction in funding
53 shall be determined by subtracting the amount that the county would have received

1 pursuant to Section 17.1(g) of Chapter 507 of the 1995 Session Laws from the amount
2 that the county would have received if qualified for full funding and multiplying the
3 difference by ten percent (10%). This method of calculating reduced funding shall
4 apply one time only.

5 This method of calculating reduced funding shall not apply in cases in which
6 the effective tax rate fell below the statewide average effective tax rate as a result of a
7 reduction in the actual property tax rate. In these cases, the minimum effort required
8 shall be calculated in accordance with Section 17.1(g) of Chapter 507 of the 1995
9 Session Laws.

10 If the county documents that it has increased the per student appropriation to
11 the school current expense fund in the current fiscal year, the State Board of Education
12 shall include this additional per pupil appropriation when calculating minimum effort
13 pursuant to Section 17.1(g) of Chapter 507 of the 1995 Session Laws.

14 **SECTION 28.6.(h) Nonsupplant Requirement.** – A county in which a local
15 school administrative unit receives funds under this section shall use the funds to
16 supplement local current expense funds and shall not supplant local current expense
17 funds. For the 2001-2003 fiscal biennium, the State Board of Education shall not
18 allocate funds under this section to a county found to have used these funds to supplant
19 local per student current expense funds. The State Board of Education shall make a
20 finding that a county has used these funds to supplant local current expense funds in the
21 prior year, or the year for which the most recent data are available, if:

- 22 (1) The current expense appropriation per student of the county for the
23 current year is less than ninety-five percent (95%) of the average of the
24 local current expense appropriations per student for the three prior
25 fiscal years; and
- 26 (2) The county cannot show (i) that it has remedied the deficiency in
27 funding, or (ii) that extraordinary circumstances caused the county to
28 supplant local current expense funds with funds allocated under this
29 section.

30 The State Board of Education shall adopt rules to implement this section.

31 **SECTION 28.6.(i) Reports.** – The State Board of Education shall report to
32 the Joint Legislative Education Oversight Committee prior to May 1, 2002, if it
33 determines that counties have supplanted funds.

34 **SECTION 28.6.(j) Department of Revenue Reports.** – The Department of
35 Revenue shall provide to the Department of Public Instruction a preliminary report for
36 the current fiscal year of the assessed value of the property tax base for each county
37 prior to March 1 of each year and a final report prior to May 1 of each year. The reports
38 shall include for each county the annual sales assessment ratio and the taxable values of
39 (i) total real property, (ii) the portion of total real property represented by the
40 present-use value of agricultural land, horticultural land, and forestland as defined in
41 G.S. 105-277.2, (iii) property of public service companies determined in accordance
42 with Article 23 of Chapter 105 of the General Statutes, and (iv) personal property.

43

45 **SMALL SCHOOL SYSTEM SUPPLEMENTAL FUNDING**

46 **SECTION 28.7.(a) Funds for Small School Systems.** – Except as provided
47 in subsection (b) of this section, the State Board of Education shall allocate funds
48 appropriated for small school system supplemental funding (i) to each county school
49 administrative unit with an average daily membership of fewer than 3,175 students and
50 (ii) to each county school administrative unit with an average daily membership of from
51 3,175 to 4,000 students if the county in which the local school administrative unit is
52 located has a county-adjusted property tax base per student that is below the
53 State-adjusted property tax base per student and if the total average daily membership of

1 all local school administrative units located within the county is from 3,175 to 4,000
2 students. The allocation formula shall:

- 3 (1) Round all fractions of positions to the next whole position.
- 4 (2) Provide five and one-half additional regular classroom teachers in
5 counties in which the average daily membership per square mile is
6 greater than four, and seven additional regular classroom teachers in
7 counties in which the average daily membership per square mile is
8 four or fewer.
- 9 (3) Provide additional program enhancement teachers adequate to offer
10 the standard course of study.
- 11 (4) Change the duty-free period allocation to one teacher assistant per 400
12 average daily membership.
- 13 (5) Provide a base for the consolidated funds allotment of at least four
14 hundred sixty-six thousand dollars (\$466,000) excluding textbooks.
- 15 (6) Allot vocational education funds for grade 6 as well as for grades 7-12.

16 If funds appropriated for each fiscal year for small school system
17 supplemental funding are not adequate to fund fully the program, the State Board of
18 Education shall reduce the amount allocated to each county school administrative unit
19 on a pro rata basis. This formula is solely a basis for distribution of supplemental
20 funding for certain county school administrative units and is not intended to reflect any
21 measure of the adequacy of the educational program or funding for public schools. The
22 formula is also not intended to reflect any commitment by the General Assembly to
23 appropriate any additional supplemental funds for such county administrative units.

24 **SECTION 28.7.(b)** Nonsupplant Requirement. – A county in which a local
25 school administrative unit receives funds under this section shall use the funds to
26 supplement local current expense funds and shall not supplant local current expense
27 funds. For the 2001-2003 fiscal biennium, the State Board of Education shall not
28 allocate funds under this section to a county found to have used these funds to supplant
29 local per student current expense funds. The State Board of Education shall make a
30 finding that a county has used these funds to supplant local current expense funds in the
31 prior year, or the year for which the most recent data are available, if:

- 32 (1) The current expense appropriation per student of the county for the
33 current year is less than ninety-five percent (95%) of the average of the
34 local current expense appropriations per student for the three prior
35 fiscal years; and
- 36 (2) The county cannot show (i) that it has remedied the deficiency in
37 funding, or (ii) that extraordinary circumstances caused the county to
38 supplant local current expense funds with funds allocated under this
39 section.

40 The State Board of Education shall adopt rules to implement this section.

41 **SECTION 28.7.(c)** Phase-Out Provisions. – If a local school administrative
42 unit becomes ineligible for funding under this formula solely because of an increase in
43 the county-adjusted property tax base per student of the county in which the local school
44 administrative unit is located, funding for that unit shall be phased out over a two-year
45 period. For the first year of ineligibility, the unit shall receive the same amount it
46 received for the prior fiscal year. For the second year of ineligibility, it shall receive
47 one-half of that amount.

48 If a local school administrative unit becomes ineligible for funding under this
49 formula solely because of an increase in the population of the county in which the local
50 school administrative unit is located, funding for that unit shall be continued for five
51 years after the unit becomes ineligible.

52 **SECTION 28.7.(d)** Definitions. – As used in this section:

- 1 (1) "Average daily membership" means within two percent (2%) of the
 2 average daily membership as defined in the North Carolina Public
 3 Schools Allotment Policy Manual, adopted by the State Board of
 4 Education.
 5 (2) "County-adjusted property tax base per student" means the total
 6 assessed property valuation for each county, adjusted using a weighted
 7 average of the three most recent annual sales assessment ratio studies,
 8 divided by the total number of students in average daily membership
 9 who reside within the county.
 10 (2a) "Local current expense funds" means the most recent county current
 11 expense appropriations to public schools, as reported by local boards
 12 of education in the audit report filed with the Secretary of the Local
 13 Government Commission pursuant to G.S. 115C-447.
 14 (3) "Sales assessment ratio studies" means sales assessment ratio studies
 15 performed by the Department of Revenue under G.S. 105-289(h).
 16 (4) "State adjusted property tax base per student" means the sum of all
 17 county adjusted property tax bases divided by the total number of
 18 students in average daily membership who reside within the State.
 19 (4a) "Supplant" means to decrease local per student current expense
 20 appropriations from one fiscal year to the next fiscal year.
 21 (5) "Weighted average of the three most recent annual sales assessment
 22 ratio studies" means the weighted average of the three most recent
 23 annual sales assessment ratio studies in the most recent years for which
 24 county current expense appropriations and adjusted property tax
 25 valuations are available. If real property in a county has been revalued
 26 one year prior to the most recent sales assessment ratio study, a
 27 weighted average of the two most recent sales assessment ratios shall
 28 be used. If property has been revalued during the year of the most
 29 recent sales assessment ratio study, the sales assessment ratio for the
 30 year of revaluation shall be used.

31 **SECTION 28.7.(e) Reports.** – The State Board of Education shall report to
 32 the Joint Legislative Education Oversight Committee prior to May 1, 2002, if it
 33 determines that counties have supplanted funds.

34 **SECTION 28.7.(f) Use of Funds.** – Local boards of education are
 35 encouraged to use at least twenty percent (20%) of the funds they receive pursuant to
 36 this section to improve the academic performance of children who are performing at
 37 Level I or II on either reading or mathematics end-of-grade tests in grades 3-8 and
 38 children who are performing at Level I or II on the writing tests in grades 4 and 7.
 39 Local boards of education shall report to the State Board of Education on an annual
 40 basis on funds used for this purpose and the State Board shall report this information to
 41 the Joint Legislative Education Oversight Committee. These reports shall specify how
 42 these funds were targeted and used to implement specific improvement strategies of
 43 each local school administrative unit and its schools such as teacher recruitment, closing
 44 the achievement gap, improving student accountability, addressing the needs of at-risk
 45 students, and establishing and maintaining safe schools.

 51 fiscal year to provide incentive funding for schools that met or exceeded the projected
 52 levels of improvement in student performance during the 2000-2001 school year, in

1 accordance with the ABCs of Public Education Program. In accordance with State
2 Board of Education policy:

- 3 (1) Incentive awards in schools that achieve higher than expected

19 **STUDENTS WITH LIMITED ENGLISH PROFICIENCY**

20 **SECTION 28.9.(a)** The State Board of Education shall develop guidelines
21 for identifying and providing services to students with limited proficiency in the English
22 language.

23 The State Board shall allocate these funds to local school administrative units
24 and to charter schools under a formula that takes into account the average percentage of
25 students in the units or the charters over the past three years who have limited English
26 proficiency. The State Board shall allocate funds to a unit or a charter school only if (i)
27 average daily membership of the unit or the charter school includes at least 20 students
28 with limited English proficiency or (ii) students with limited English proficiency
29 comprise at least two and one-half percent (2 1/2%) of the average daily membership of
30 the unit or charter school. For the portion of the funds that is allocated on the basis of
31 the number of identified students, the maximum number of identified students for whom
32 a unit or charter school receives funds shall not exceed ten and six-tenths percent
33 (10.6%) of its average daily membership.

34 Local school administrative units shall use funds allocated to them to pay for
35 classroom teachers, teacher assistants, tutors, textbooks, classroom

27 **SECTION 28.17.(a)** The State Board of Education shall provide the Joint
28 Legislative Education Oversight Committee with a detailed analysis of the current
29 resources allocated to meet the needs of all students subject to the Statewide Student
30 Accountability Standards, and in addition, shall submit recommendations regarding
31 other resources that would best assist students in meeting these new standards.

32 **SECTION 28.17.(b)** G.S. 115C-288(a) reads as rewritten:

33 "(a) To Grade and Classify Pupils. – The principal shall have authority to grade
34 and classify ~~pupils except a pupils~~. In determining the appropriate grade for a pupil who
35 is already attending a public school, the principal shall consider the pupil's classroom
36 work and grades, the pupil's scores on standardized tests, and the best educational
37 interests of the pupil. The principal shall not make the decision solely on the basis of
38 standardized test scores. If a principal's decision to retain a child in the same grade is
39 partially based on the pupil's scores on standardized tests, those test scores shall be
40 verified as accurate.

41 A principal shall not require additional testing of a student entering a public school
42 from a school governed under Article 39 of this Chapter if test scores from a nationally

44 determine the appropriate placement of the child are available."

45 **SECTION 28.17.(c)** G.S. 115C-47 is amended by adding a new subdivision
46 to read:

47 "**§ 115C-47. Powers and duties generally.**

4 to have an advocate present at the hearing, the right to ask questions of
5 school officials, the right to obtain records and information from the
6 school, and the right to present information and evidence on behalf of
7 the child."

8 **SECTION 28.17.(d)** The State Board of Education shall study the benefits
9 of providing students' parents or guardians with copies of tests administered to their

13 Oversight Committee by March 31, 2002.

14 **SECTION 28.17.(e)** Part 3 of Article 8B of Chapter 115C of the General

17 **personal education plans.**

18 Local school administrative units shall identify students in all grades who have been
19 placed at risk for academic failure and implement a personal education plan for
20 academic improvement with focused intervention and performance benchmarks.
21 Identification shall occur as early as can reasonably be done and can be based on grades,
22 observations, State assessments, and other factors that teachers and administrators
23 consider appropriate, without having to await the results of end-of-grade or end-of-
24 course tests. At the beginning of the school year, a personal education plan shall be
25 developed for any student not performing at least at grade level, as identified by the
26 State end-of-grade test; if, however, a student's performance appears to be falling below
27 State proficiency standards at any time during the school year, a personal education plan
28 shall be developed. Focused intervention and acceleration activities may include, among
29 other things, summer school, Saturday school, and extended days. Local school
30 administrative units shall provide these activities and transportation free of charge to
31 students."

32 **SECTION 28.17.(f)** G.S. 115C-174.12(a) reads as rewritten:

33 "(a) ~~The State Board of Education shall review the tests being administered~~
34 ~~through State and local testing programs and shall select the tests that it believes are~~
35 ~~necessary to provide the best measures of the levels of academic achievement attained~~
36 ~~by students in various subject areas. The State Board of Education shall also establish~~
37 ~~policies and guidelines necessary for minimizing the time students spend taking tests~~
38 ~~administered through State and local testing programs and for otherwise carrying out the~~
39 ~~provisions of this Article. The State Board of Education's policies regarding the testing~~
40 ~~of children with disabilities shall (i) provide broad accommodations and alternate~~

47 ~~adoption."~~

48 **SECTION 28.17.(g)** Schools shall devote no more than two days of
49 instructional time per year to the taking of practice tests that do not have the primary
50 purpose of assessing current student learning.

51 **SECTION 28.17.(h)** Students in a local school shall not be subject to field
52 tests or national tests during the two-week period preceding the administration of the
53 end-of-grade tests, end-of-course tests, or the school's regularly scheduled final exams.

1 No school shall participate in more than two field tests at any one grade level during a
2 school year.

3 **SECTION 28.17.(i)** The Joint Legislative Education Oversight Committee
4 shall study the State's testing program. As part of this study, the Committee shall
5 consider:

- 6 (1) The number of tests currently mandated at the State level and the
7 process and cost of developing, validating, and scoring them.
- 8 (2) Whether the State should consider the use of nationally developed tests
9 as a substitute to State-developed testing. In particular, the Committee
10 shall determine whether this use would (i) affect the ABCs Program,
11 (ii) adequately measure student achievement and performance, (iii)
12 provide more than minimum levels of achievement, (iv) provide a
13 better comparison to student achievement and performance in other
14 states, (v) be practical for high school courses or higher level courses,
15 (vi) reduce the need for field testing, and (vii) offer any cost savings to
16 the State.
- 17 (3) The number of grades in which State tests are given. The Committee
18 shall determine the necessity for testing all grades in third through
19 eighth grades, whether a reduction in the grades tested would affect the
20 receipt of federal money, and the extent to which a reduction would
21 impair the State's ability to identify schools under the ABCs Program.
- 22 (4) The high school courses for which State tests are given and whether
23 there is an appropriate distribution of tests across grades nine through
24 12 and that test an appropriate array of the minimum courses required
25 for admission to the constituent institutions of The University of North
26 Carolina. In addition, the Committee shall examine whether students
27 who take higher level courses and students in 12th grade are held
28 accountable for their academic growth and performance.
- 29 (5) The advantages and disadvantages of using a composite of
30 end-of-course tests or other tests such as the SAT, AP tests, or other
31 nationally standardized tests in high school rather than developing a
32 high school exit exam. If the Committee finds a high school exit exam
33 is preferable, then it shall determine whether it must be administered to
34 all students or limited to certain students, for example, those who don't
35 take the SAT or a certain number of courses for which there are
36 end-of-course tests.
- 37 (6) The extent to which additional testing, including field testing, practice
38 testing, and locally mandated testing, is occurring and whether this
39 should be limited or prohibited.
- 40 (7) Any other issue the Committee considers relevant.

41 The Committee shall report its findings and any recommendations, including
42 recommended legislation, to the 2002 Regular Session of the 2001 General Assembly.

43 **SECTION 28.17.(j)** The State Board of Education shall develop and report
44 to the Joint Legislative Education Oversight Committee on its objectives for the
45 Statewide Testing Program and on the implementation of that Program. The report shall
46 include:

- 47 (1) A statement of the relationship between these objectives and the tests
48 currently administered under the Program;
- 49 (2) An analysis of whether the current tests appropriately achieve these
50 objectives;
- 51 (3) A statement of any actions that may be needed to coordinate the
52 objectives and the tests more effectively; and

- 1 (4) Strategies for communicating the objectives of the Program, the tests
2 administered under the Program, and the relationship between these
3 objectives and tests to principals, teachers, parents, and students
4 throughout the State.

13 Funds allocated for mentors in these units shall be used only for teachers and
14 instructional support personnel assigned to newly certified teachers, second-year
15 teachers who were assigned mentors during the prior school year, or as authorized by
16 Section 28.3 of this act, and entry-level instructional support personnel who have not
17 previously been teachers. These funds shall be used only for:

- 18 (1) Salary supplements to teachers and instructional support personnel
19 who are serving as mentors. The amount of the salary supplement shall
20 not be based on the number of teachers or instructional support
21 personnel to whom the mentor is assigned; or
22 (2) Payments to teachers or instructional support personnel who are
23 employed solely to serve as mentors. An individual employed solely to
24 serve as a mentor shall receive a payment for each individual, up to 15
25 individuals, to whom the mentor is assigned. The amount of each such
26 payment shall be the same as the amount of the salary supplement for a
27 mentor.

28 **SECTION 28.18.(b)** The Charlotte-Mecklenburg Board of Education and
29 the Wake County Board of Education shall report to the State Board of Education on an
30 annual basis on the impact that the mentor program has had on retention of teachers.

35 **STUDY OF PROGRAMS FOR INITIALLY CERTIFIED TEACHERS**

36 **SECTION 28.19.** The State Board of Education shall study the mentor
37 program and the performance-based licensure program to determine whether these
38 programs provide adequate support for initially certified teachers and enhance their
39 professional development. In the course of the study, the State Board shall consider:

- 40 (1) The effectiveness of the current programs;
41 (2) The need for modifications to or enhancements of the current
42 programs;
43 (3) Alternative ways to deliver services to initially certified teachers and
44 to provide them with the resources they need to develop as
45 professionals;
46 (4) Strategies or alternatives for improving teacher retention rates through
47 the administration of these programs; and
48 (5) The adequacy of funding for programs for initially certified teachers.

49 The State Board shall report the results of this study to the Joint Legislative

PHASE IN ADM REDUCTIONS DUE TO CHARTER SCHOOLS

SECTION 28.20.(a) If a local school administrative unit experiences a loss in projected average daily membership of greater than five percent (5%) due to the opening of a new charter school within the unit, the State Board of Education may use funds from the Reserve for Average Daily Membership Adjustments to assure that the funding loss to the local school administrative unit does not exceed five percent (5%) in the first fiscal year of the charter school's operation.

The State Board of Education shall phase out this special allotment in subsequent fiscal years by decreasing the amount of the special allotment each year by the amount of the prior year's funding loss.

SECTION 28.20.(b) A local school administrative unit that received funds for the 2000-2001 fiscal year pursuant to Section 8.5 of S.L. 2000-67 to reduce the loss of funds due to shifts of enrollment to charter schools shall continue to receive funds for the 2001-2002 fiscal year in the amount of one hundred percent (100%) of the 2000-2001 allotment and for the 2002-2003 fiscal year in the amount of fifty percent (50%) of the 2000-2001 allotment.

MEDICAID OUTREACH

SECTION 28.21. If a claim for Medicaid outreach reimbursement that was submitted by a local school administrative unit and paid by a federal agency is later found by that agency to be inappropriate, the Department of Public Instruction shall request that the federal agency offset the overpaid amount against the next quarterly reimbursement due to the local school administrative unit. If the federal agency does not allow the offset, the Department of Public Instruction shall request repayment from the local school administrative unit, as provided for in agreements between the Department of Public Instruction and the local school administrative unit or, in the case of a local interagency agreement, agreements among local school administrative units. If the local school administrative unit that received the overpayment fails to repay the overpaid moneys within the time permitted under such agreements, the Department of Public Instruction may withhold the overpaid amount from State funds allocated for the central office of the local school administrative unit.

41 Education Board's Academic Common Market at the graduate program level. The

4 entitled to pay in-State tuition as long as the student is enrolled in that graduate
5 program. The Board of Governors shall report the success of the Academic Common
6 Market program to the Joint Legislative Education Oversight Committee by December
7 31, 2003, and by January 31, 2005, and the Committee may recommend changes, if any

44 Carolina for the purposes of these programs. The Board of Governors shall also make
45 any regulations as necessary to ensure that these funds are used directly for instruction

7 **"§ 116-40.20. Legislative findings.**

8 (a) The General Assembly finds that The University of North Carolina and its
9 constituent institutions is one of the State's most valuable assets. The General Assembly
10 further finds that to provide the best benefit to North Carolina, the constituent
11 institutions of The University of North Carolina need special budgeting flexibility in
12 order to maximize resources, to enhance competitiveness with other peer institutions
13 regionally, nationally, and internationally, and to provide the strongest educational and
14 economic opportunity for the citizens of North Carolina.

15 (b) To ensure the continued preeminence of The University of North Carolina
16 and its constituent institutions, it is the intent of the General Assembly to strengthen and
17 improve these assets. The General Assembly commits to responsible stewardship and
18 improvement of The University of North Carolina and its constituent institutions as
19 provided by this Part.

20 **"§ 116-40.21. Board of Governors may authorize management flexibility.**

21 The Board of Governors of The University of North Carolina may authorize
22 management flexibility for any special responsibility constituent institution as provided
23 by this Part. The procedure for that authorization is the same as that to designate a
24 constituent institution a special responsibility constituent institution under G.S. 116-
25 30.1.

26 **"§ 116-40.22. Management flexibility.**

27 (a) Definition. – For purposes of this section, the term 'institution' means a

34 any person having permanent tenure at that institution. No later than September 30,
35 2001, the Board of Governors shall adopt policies, compensation structures, and pay
36 ranges concerning the appointment and compensation of senior personnel appointed by
37 the Board of Trustees pursuant to this section. Compensation for senior personnel fixed
38 by the Board of Trustees pursuant to this section shall be consistent with the

41 General Statutes to the contrary, in addition to any tuition and fees set by the Board of
42 Governors pursuant to G.S. 116-11(7), the Board of Trustees of the institution may

19 his or her compensation reduced as a result of this subdivision.
20 Further, an employee who has achieved career State employee status,
21 as defined by G.S. 126-1.1 by the date management flexibility is

32 suspended, demoted, otherwise disciplined, or discharged, to hear
33 employee grievances, or to undertake any other duties relating to
34 personnel administration that the Board of Trustees may direct.

43 institution. These policies and rules shall include provisions for development of
44 specifications, advertisement, and negotiations with owners for acquisition by purchase,
45 gift, lease, or rental, but not by condemnation or exercise of eminent domain on behalf
46 of the institution. This section does not authorize the Board of Trustees to encumber real
47 property. The Board of Trustees shall submit all initial policies and rules adopted
48 pursuant to this subsection to the State Property Office for review upon adoption by the
49 Board of Trustees. Any subsequent changes to these policies and rules adopted by the
50 Board of Trustees shall be submitted to the State Property Office for review. Any
51 comments by the State Property Office shall be submitted to the Chancellor of that
52 institution. After review by the Attorney General as to form and after the consummation
53 of any such acquisition, the institution shall promptly file a report concerning the

2 dispositions of any interest in real property pursuant to this section shall not be subject
3 to the provisions of Article 36 of Chapter 143 of the General Statutes or the provisions
4 of Chapter 146 of the General Statutes. The policies and rules adopted pursuant to this
5 subsection shall apply to all property allocated to, acquired by, or otherwise under the

11 property requirements of the institution. These policies and rules shall provide for
12 requests for proposals; competitive bidding or purchasing by means other than
13 competitive bidding; contract negotiations; contract awards for purchasing supplies,
14 materials, equipment, and services that are necessary and appropriate to fulfill the
15 teaching, educational, research, and community service missions of the institution and
16 surplus property disposal. The Board of Trustees shall submit all initial policies and
17 rules adopted pursuant to this subsection to the Division of Purchase and Contract for
18 review upon adoption by the Board of Trustees. Any subsequent changes to these
19 policies and rules adopted by the Board of Trustees shall be submitted to the Division of
20 Purchase and Contract for review. Any comments by the Division of Purchase and
21 Contract shall be submitted to the Chancellor of the institution.

39 **procedures, and rules.**

40 The Board of Trustees of a special responsibility constituent institution authorized to
41 have management flexibility under this Part shall report to the Board of Governors any
42 policies, procedures, and rules adopted pursuant to G.S. 116-40.22 prior to
43 implementation. The report shall be submitted at least 30 days before the next regularly
44 scheduled meeting of the Board of Governors and shall become effective immediately
45 following that same meeting unless otherwise provided for by the Board of Trustees.
46 Any subsequent changes to the policies, procedures, or rules adopted by the Board of
47 Trustees pursuant to G.S. 116-40.22 shall be reported to the Board of Governors in the
48 same manner. Failure of the Board of Governors to accept, review, or otherwise

40 (a) An Optional Retirement Program provided for in this section is authorized
 41 and established and shall be implemented by the North Carolina Community Colleges
 42 System, ("System"). The Optional Retirement Program shall be underwritten by the
 43 purchase of annuity contracts, which may be both fixed and variable contracts or a
 44 combination thereof, or financed through the establishment of a trust, for the benefit of
 45 the presidents of the community colleges all of whom are appointed after the
 46 implementation of the Program and who elect membership as required by subsection (b)
 47 of this section. Under the Optional Retirement Program, the State and the participant
 48 shall contribute, to the extent authorized or required, toward the purchase of such
 49 contracts or deposited in such trust on the participant's behalf.

2 Optional Retirement Program shall at the same time of entering upon
3 eligible employment elect (i) to join the Retirement System in

10 irrevocable. An eligible employee failing to elect to participate in the
11 Optional Retirement Program at the time of entry into eligible service
12 shall automatically be enrolled as a member of the Retirement System.
- 13 (3) No election by an eligible employee of the Optional Retirement

18 Optional Retirement Program leaves the employ of the System and
19 either retires or commences employment with an employer not having
20 a retirement program with the same company underwriting the

41 and this employer contribution shall not be subject to any State tax if made under the
42 Optional Retirement Program or, otherwise, by salary reduction.

43 (d) The System shall designate the company or companies from which contracts
44 are to be purchased or the trustee responsible for the investment of contributions under
45 the Optional Retirement Program and shall approve the form and contents of such
46 contracts or trust agreement. In making this designation and giving such approval, the
47 Board shall give due consideration to the following:

- 48 (1) The nature and extent of the rights and benefits to be provided by these
49 contracts or trust agreement for participants and their beneficiaries;

51 to be made;

- 1 (3) The suitability of these rights and benefits to the needs of the
 2 participants and the interest of the institutions of the System in
 3 recruiting and retaining faculty in a national market; and
 4 (4) The ability of the designated company or companies underwriting the
 5 annuity contracts or trust agreement to provide these suitable rights
 6 and benefits under such contracts or trust agreement for these
 7 purposes.

 9 and flexible Program, the System may designate the company or companies designated
 10 for the Optional Retirement Program for State institutions of higher education as
 11 prescribed in G.S. 135-5.1(d).

 17 the Optional Retirement Program and may perform or authorize the performance of all
 18 functions necessary for its administration.

19 (f) Any eligible employee electing to participate in the Optional Retirement
 20 Program is ineligible for membership in the Retirement System so long as he or she
 21 remains employed in any eligible position within the System, and, in this event, he or
 22 she shall continue to participate in the Optional Retirement Program.

23 (g) No retirement benefit, death benefit, or other benefit under the Optional
 24 Retirement Program shall be paid by the State of North Carolina, or the System, or the
 25 Board of Trustees of the Teachers' and State Employees' Retirement System with
 26 respect to any employee selecting and participating in the Optional Retirement Program
 27 or with respect to any beneficiary of that employee. Benefits shall be payable to

- 16 (14) Billing and collection services.
- 17 (15) Charges for bad checks or late payments.
- 18 (d) Bundled Services. – When a taxable telecommunications service is bundled
19 with a service that is not taxable, the tax applies to the gross receipts from the taxable
20 service in the bundle as follows:
- 21 (1) If the service provider offers all the services in the bundle on an
22 unbundled basis, tax is due on the unbundled price of the taxable
23 service, less the discount resulting from the bundling. The discount for
24 a service as the result of bundling is the proportionate price decrease of
25 the service, determined on the basis of the total unbundled price of all
26 the services in the bundle compared to the bundled price of the
27 services.
- 28 (2) If the service provider does not offer one or more of the services in the
29 bundle on an unbundled basis, tax is due on the taxable service based
30 on a reasonable allocation of revenue to that service. If the service
31 provider maintains an account for revenue from a taxable service, the
32 service provider's allocation of revenue to that service for the purpose
33 of determining the tax due on the service must reflect its accounting
34 allocation of revenue to that service.
- 35 (e) Interstate Private Line. – The gross receipts derived from interstate private
36 telecommunications service are taxable as follows:
- 37 (1) One hundred percent (100%) of the charge imposed at each channel
38 termination point in this State.
- 39 (2) One hundred percent (100%) of the charge imposed for the total
40 channel mileage between each channel termination point in this State.
- 41 (3) Fifty percent (50%) of the charge imposed for the total channel
42 mileage between the first channel termination point in this State and
43 the nearest channel termination point outside this State.
- 44 (f) Call Center Cap. – The gross receipts tax on interstate telecommunications
45 service that originates outside this State, terminates in this State, and is provided to a
46 call center that has a direct pay certificate issued by the Department under G.S.
47 105-164.27A may not exceed fifty thousand dollars (\$50,000) a calendar year. This cap
48 applies separately to each legal entity.
- 49 (g) Credit. – A taxpayer who pays a tax legally imposed by another state on a
50 telecommunications service taxable under this section is allowed a credit against the tax
51 imposed in this section.
- 52 (h) Definitions. – The following definitions apply in this section:
- 53 (1) Call center. – Defined in G.S. 105-164.27A.

- 1 (2) Interstate telecommunications service. – Telecommunications service
 2 that originates or terminates in this State, but does not both originate
 3 and terminate in this State, and is charged to a service address in this
 4 State.
- 5 (3) Intrastate telecommunications service. – Telecommunications service
 6 that both originates and terminates in this State.
- 7 (4) Local telecommunications service. – Telecommunications service that
 8 provides access to a local telephone network and enables a user to
 9 communicate with substantially everyone who has a telephone or
 10 radiotelephone station that is part of the local telephone network.
- 11 (5) Mobile telecommunications service. – Defined in G.S. 105-164.3.
- 12 (6) Private telecommunications service. – Telecommunications service
 13 that entitles a subscriber of the service to exclusive or priority use of a

- 17 (9) Toll telecommunications service. – Any of the following:
- 18 a. A service for which there is a toll charge that varies in amount
 19 with the distance or elapsed transmission time of each
 20 individual communication.
- 21 b. A service that entitles the subscriber, upon payment of a
 22 periodic charge, determined as a flat amount or on the basis of
 23 total elapsed transmission time, to an unlimited number of
 24 communications to or from all or a substantial portion of those
 25 who have a telephone or radiotelephone station in an area
 26 outside the local telephone network."

27 **SECTION 34.4.(g)** G.S. 105-164.16(c) reads as rewritten:

 39 with an estimated monthly return if the ~~utility-retailer~~ timely pays at least ninety-five
 40 percent (95%) of the amount due with a monthly return and includes the underpayment
 41 with the ~~company's~~ ~~retailer's~~ return for the third month in the same quarter."

42 **SECTION 34.4.(h)** G.S. 105-164.20 reads as rewritten:

53 **SECTION 34.4.(i)** G.S. 105-164.27A reads as rewritten:

1 **"§ 105-164.27A. Direct pay certificate permit.**

2 (a) ~~Requirements. Tangible Personal Property.~~ – A direct pay permit for tangible
3 personal property authorizes its holder to purchase any tangible personal property
4 without paying tax to the seller and authorizes the seller to not collect any tax on a sale
5 to the permit holder. A person who purchases tangible personal property under a direct
6 pay permit issued under this subsection is liable for use tax due on the purchase. The tax
7 is payable when the property is placed in use. A direct pay permit issued under this
8 subsection does not apply to taxes imposed under G.S. 105-164.4(a)(1f) or G.S.
9 105-164.4(a)(4a).

10 A person who purchases tangible personal property whose tax status cannot be
11 determined at the time of the purchase because of one of the reasons listed below may
12 apply to the Secretary for a direct pay ~~certificate~~ permit for tangible personal property:

- 13 (1) The place of business where the property will be used is not known at
14 the time of the purchase and a different tax consequence applies
15 depending on where the property is used.
16 (2) The manner in which the property will be used is not known at the
17 time of the purchase and one or more of the potential uses is taxable
18 but others are not taxable.

19 (b) ~~Procedure.~~ – An application for a direct pay certificate Secretary and contain
20 the information required by the Secretary. The Secretary may grant the application if the
21 Secretary finds that the applicant complies with the sales and use tax laws and that the
22 applicant's compliance burden will be greatly reduced by use of the certificate.

23 (c) ~~Effect.~~ – A direct pay certificate authorizes its holder to purchase any tangible
24 personal property without paying tax to the seller and authorizes the seller to not collect
25 any tax on a sale to the certificate holder. A person who purchases tangible personal
26 property under a direct pay certificate is liable for use tax due on the purchase. The tax
27 is payable when the property is placed in use. A direct pay certificate does not apply to
28 taxes imposed under G.S. 105-164.4(a)(1f) or G.S. 105-164.4(a)(4a).

29 (b) ~~Telecommunications Service.~~ – A direct pay permit for telecommunications
30 service authorizes its holder to purchase telecommunications service without paying tax
31 to the seller and authorizes the seller to not collect any tax on a sale to the permit holder.
32 A person who purchases telecommunications service under a direct pay permit must file
33 a return and pay the tax due monthly to the Secretary. A direct pay permit issued under
34 this subsection does not apply to any tax other than the tax on telecommunications
35 service.

36 A call center that purchases interstate telecommunications service that originates
37 outside this State and terminates in this State may apply to the Secretary for a direct pay
38 permit for telecommunications service. A call center is a business that is primarily

50 file a sales and use tax return on time, does not pay sales and use on time, or otherwise
51 fails to comply with the sales and use tax laws."

52 **SECTION 34.4.(j)** Part 8 of Article 5 of Chapter 105 of the General Statutes
53 is amended by adding a new section to read:

"§ 105-164.44F. Distribution of part of telecommunications taxes to cities.

(a) Amount. – The Secretary must distribute to the cities part of the taxes imposed by G.S. 105-164.4(a)(4c) on telecommunications service. The Secretary must make the distribution within 75 days after the end of each calendar quarter. The amount the Secretary must distribute is eighteen and sixty-two hundredths percent (18.62%) of the net proceeds of the taxes collected during the quarter, minus two million six hundred twenty thousand nine hundred forty-eight dollars (\$2,620,948). This deduction is one-fourth of the annual amount by which the distribution to cities of the gross receipts franchise tax on telephone companies, imposed by former G.S. 105-120, was required to be reduced beginning in fiscal year 1995-1996 as a result of the 'freeze deduction'. The Secretary must distribute the specified percentage of the proceeds, less the 'freeze deduction' among the cities in accordance with this section.

(b) Share of Cities Incorporated on or After January 1, 2001. – The share of a city incorporated on or after January 1, 2001, is its per capita share of the amount to be distributed to all cities incorporated on or after this date. This amount is the proportion of the total to be distributed under this section that is the same as the proportion of the population of cities incorporated on or after January 1, 2001, compared to the population of all cities. In making the distribution under this subsection, the Secretary must use the most recent annual population estimates certified to the Secretary by the State Planning Officer.

(c) Share of Cities Incorporated Before January 1, 2001. – The share of a city incorporated before January 1, 2001, is its proportionate share of the amount to be distributed to all cities incorporated before this date. A city's proportionate share for a quarter is based on the amount of telephone gross receipts franchise taxes attributed to the city under G.S. 105-116.1 for the same quarter that was the last quarter in which taxes were imposed on telephone companies under repealed G.S. 105-120. The amount to be distributed to all cities incorporated before January 1, 2001, is the amount determined under subsection (a) of this section, minus the amount distributed under subsection (b) of this section.

The following changes apply when a city incorporated before January 1, 2001, alters its corporate structure. When a change described in subdivision (2) or (3) of this subsection occurs, the resulting cities are considered to be cities incorporated before January 1, 2001, and the distribution method set out in this subsection rather than the method set out in subsection (b) of this section applies.

(1) If a city dissolves and is no longer incorporated, the proportional shares of the remaining cities incorporated before January 1, 2001, must be recalculated to adjust for the dissolution of that city.

(2) If two or more cities merge or otherwise consolidate, their proportional shares are combined.

(3) If a city divides into two or more cities, the proportional share of the city that divides is allocated among the new cities on a per capita basis.

(d) Ineligible Cities. – An ineligible city is disregarded for all purposes under this section. A city incorporated on or after January 1, 2000, is not eligible for a distribution under this section unless it meets both of the following requirements:

(1) It is eligible to receive funds under G.S. 136-41.2.

(2) A majority of the mileage of its streets are open to the public."

SECTION 34.4.(k) G.S. 105-116.1 reads as rewritten:

"§ 105-116.1. Distribution of gross receipts taxes to cities.

(a) Definitions. – The following definitions apply in this section:

(1) Freeze deduction. – The amount by which the percentage distribution amount of a city was required to be reduced in fiscal year 1995-96 in determining the amount to distribute to the city.

1 (2) Percentage distribution amount. – Three and nine hundredths percent
2 (3.09%) of the gross receipts derived by an electric power company
3 ~~and a telephone company~~ from sales within a city that are taxable
4 ~~under G.S. 105-116 or G.S. 105-120.~~ G.S. 105-116.

5 (b) Distribution. – The Secretary must distribute to the cities part of the taxes
6 collected under this Article on electric power ~~companies and telephone~~ companies. Each
7 city's share for a calendar quarter is the percentage distribution amount for that city for
8 that quarter minus one-fourth of the city's hold-back amount and one-fourth of the city's
9 proportionate share of the annual cost to the Department of administering the
10 distribution. The Secretary must make the distribution within 75 days after the end of
11 each calendar quarter.

12 (c) Limited Hold-Harmless Adjustment. – The hold-back amount for a city that,
13 in the 1995-96 fiscal year, received from gross receipts taxes on electric power
14 companies and natural gas companies less than ninety-five percent (95%) of the amount
15 it received in the 1990-91 fiscal year but at least sixty percent (60%) of the amount it
16 received in the 1990-91 fiscal year is the amount determined by the following
17 calculation:

- 18 (1) Adjust the city's 1995-96 distribution by adding the city's freeze
19 deduction attributable to receipts from electric power companies and
20 natural gas companies to the amount distributed to the city for that
21 year.
- 22 (2) Compare the adjusted 1995-96 amount with the city's 1990-91
23 distribution.
- 24 (3) If the adjusted 1995-96 amount is less than or equal to the city's
25 1990-91 distribution, the hold-back amount for the city is zero.
- 26 (4) If the adjusted 1995-96 amount is more than the city's 1990-91
27 distribution, the hold-back amount for the city is the city's freeze
28 deduction attributable to receipts from electric power companies and
29 natural gas companies minus the difference between the city's 1990-91
30 distribution and the city's 1995-96 distribution.

31 (c1) Additional Limited Hold-Harmless Adjustment. – The hold-back amount for
32 a city that, in the 1995-96 fiscal year, received from gross receipts taxes on electric
33 power companies and natural gas companies less than sixty percent (60%) of the
34 amount it received in the 1990-91 fiscal year is the amount determined by the following
35 calculation:

- 36 (1) Adjust the city's 1999-2000 distribution by adding the city's freeze
37 deduction attributable to receipts from electric power companies and
38 natural gas companies to the amount distributed to the city for that
39 year.
- 40 (2) Compare the adjusted 1999-2000 amount with the city's 1990-91
41 distribution.
- 42 (3) If the adjusted 1999-2000 amount is less than or equal to the city's
43 1990-91 distribution, the hold-back amount for the city is zero.
- 44 (4) If the adjusted 1999-2000 amount is more than the city's 1990-91
45 distribution, the hold-back amount for the city is the city's freeze
46 deduction attributable to receipts from electric power companies and
47 natural gas companies minus the difference between the city's 1990-91
48 distribution and the city's 1999-2000 distribution.

49 (d) Allocation of Hold-Harmless Adjustment. – The hold-back amount for a city
50 that, in the 1995-96 fiscal year, received from gross receipts taxes on electric power
51 companies and natural gas companies at least ninety-five percent (95%) of the amount it
52 received in the 1990-91 fiscal year is the amount determined by the following
53 calculation:

- 1 (1) Determine the amount by which the freeze deduction attributable to
 2 receipts from electric power companies and natural gas companies is
 3 reduced for all cities whose hold-back amount is determined under
 4 subsections (c) and (c1) of this section. This amount is the total
 5 hold-harmless adjustment.
- 6 (2) Determine the amount of gross receipts taxes that would be distributed
 7 for the quarter to cities whose hold-back amount is determined under
 8 this subsection if these cities received their percentage distribution
 9 amount minus one-fourth of their freeze ~~deduction~~ deduction
 10 attributable to receipts from electric power companies and natural gas
 11 companies.
- 12 (3) For each city included in the calculation in subdivision (2) of this
 13 subsection, determine that city's percentage share of the amount
 14 determined under that subdivision.
- 15 (4) Add to the city's freeze deduction attributable to receipts from electric
 16 power companies and natural gas companies an amount equal to the
 17 city's percentage share under subdivision (3) of this subsection
 18 multiplied by the total hold-harmless adjustment.
- 19 (e) Disqualification. – No municipality may receive any funds under this section
 20 if it was incorporated with an effective date of on or after January 1, 2000, and is
 21 disqualified from receiving funds under G.S. 136-41.2. No municipality may receive
 22 any funds under this section, incorporated with an effective date on or after January 1,
 23 2000, unless a majority of the mileage of its streets are open to the public. The previous
 24 sentence becomes effective with respect to distribution of funds on or after July 1,
 25 1999."

26 **SECTION 34.4.(l)** G.S. 105-120 is repealed.

27 **SECTION 34.4.(m)** G.S. 105-467 is amended by adding a new subdivision

20 **REVIEW ALL TAX CREDITS PERIODICALLY**

21 **SECTION 34.11.(a)** The General Assembly finds that tax credits are
22 enacted from time to time to encourage or reward behavior that is beneficial to the State.
23 These tax credits are tax expenditures that, like appropriations, spend public funds for
24 the benefit of certain businesses, interest groups, and other taxpayers. Unlike
25 appropriations, however, these tax credits may continue in perpetuity, costing the public
26 millions of dollars each year without periodic review by the General Assembly. In
27 order to allow the General Assembly the opportunity to consider each tax credit on its
28 merits from time to time to determine whether it continues to serve a public purpose that
29 justifies its cost to the public, each tax credit should be sunset every three years. After
30 enactment of this section, those businesses, interest groups, and other taxpayers who
31 benefit from these tax credits are encouraged to demonstrate the continued need for
32 each tax credit. It is the intent of the General Assembly to review these tax credits and
33 renew all that continue to serve a valid public purpose.

27 **SECTION 35.4.** G.S. 147-86.22 reads as rewritten:

28 "§ 147-86.22. **Statewide accounts receivable program.**

29 (a) Program. – The State Controller shall implement a statewide accounts
30 receivable program. As part of this program, the State Controller shall do all of the
31 following:

- 32 (1) Monitor the State's accounts receivable collection efforts.
- 33 (2) Coordinate information, systems, and procedures between State
34 agencies to maximize the collection of past-due accounts receivable.
- 35 (3) Adopt policies and procedures for the management and collection of
36 accounts receivable by State agencies.
- 37 (4) Establish procedures for writing off accounts receivable and for
38 determining when to end efforts to collect accounts receivable after
39 they have been written off.

40 (b) Electronic Payment. – Notwithstanding the provisions of G.S. 147-86.20 and
41 G.S. 147-86.21, this subsection applies to debts owed a community college, a local
42 school administrative unit, an area mental health, developmental disabilities, and
43 substance abuse authority, and the Administrative Office of the Courts, and to debts
44 payable to or through the office of a clerk of superior court or a magistrate, as well as to
45 debts owed to other State agencies as defined in G.S. 147-86.20.

46 The State Controller shall establish policies that allow accounts receivable to be
47 payable under certain conditions by electronic payment. These policies shall be
48 established with the concurrence of the State Treasurer. In addition, any policies that
49 apply to debts payable to or through the office of a clerk of superior court or a
50 magistrate shall be established with the concurrence of the Administrative Officer of the
51 Courts. The Administrative Officer of the Courts may also establish policies otherwise
52 authorized by law that apply to these debts as long as those policies are not inconsistent
53 with the Controller's policies.

1 A condition of payment by electronic payment is receipt by the appropriate State
2 agency of the full amount of the account receivable owed to the State agency. A debtor
3 who pays by electronic payment may be required to pay any fee or charge associated
4 with the use of electronic payment. Fees associated with processing electronic payments
5 may be paid out of the General Fund and Highway Fund if the payment of the fee by the
6 State is economically beneficial to the State and the payment of the fee by the State has
7 been approved by the State Controller and State Treasurer.

8 The State Controller and State Treasurer shall consult with the Joint Legislative
9 Commission on Governmental Operations before establishing policies that allow
10 accounts receivable to be payable by electronic payment and before authorizing fees
11 associated with electronic payment to be paid out of the General Fund and Highway
12 Fund. A State agency must also consult with the Joint Legislative Commission on
13 Governmental Operations before implementing any program to accept payment under
14 the policies established pursuant to this subsection.

15 A payment of an account receivable that is made by electronic payment and is not
16 honored by the issuer of the card or the financial institution offering electronic funds
17 transfer does not relieve the debtor of the obligation to pay the account receivable.

18 (c) Collection Techniques. – The State Controller, in conjunction with the Office
19 of the Attorney General, shall establish policies and procedures to govern techniques for
20 collection of accounts receivable. These techniques may include use of collection
21 agencies, credit reporting bureaus, judicial remedies authorized by law, and
22 administrative setoff by a reduction of an individual's tax refund pursuant to the Setoff
23 Debt Collection Act, Chapter 105A of the General Statutes, or a reduction of another
24 payment, other than payroll, due from the State to a person to reduce or eliminate an
25 account receivable that the person owes the State.

26 No later than January 1, 1999, the State Controller shall negotiate a contract with a
27 third party to perform an audit and collection process of inadvertent overpayments by
28 State agencies to vendors as a result of pricing errors, neglected rebates and discounts,
29 miscalculated freight charges, unclaimed refunds, erroneously paid excise taxes, and
30 related errors. The third party shall be compensated only from funds recovered as a
31 result of the audit. Savings realized in excess of costs shall be transferred from the
32 agency to the Office of State Budget and Management and placed in a special reserve
33 account for future direction by the General Assembly. Any disputed savings shall be
34 settled by the State Controller. This paragraph does not apply to the purchase of medical
35 services by State agencies or payments used to reimburse or otherwise pay for health
36 care services.

37 (d) Fee. – A collection assistance fee is imposed on a past due debt that remains
38 unpaid 30 days or more after the required fee notice is mailed to the debtor. In order to
39 impose a collection assistance fee on a past due debt, the agency must notify the debtor
40 that the fee will be imposed if the past due debt is not paid in full within 30 days after
41 the date the fee notice was mailed to the debtor. The fee is collectible as part of the debt.
42 The amount of the collection assistance fee is twenty percent (20%) of the amount of
43 the overdue debt. If the state agency collects only part of the overdue debt, the amount
44 collected is allocated proportionally between the collection assistance fee and the debt.
45 The fee is a receipt of the agency and must be applied to the costs of collecting past due
46 debts. The proceeds of the fee must be credited to a special account within the agency
47 and may be expended only as provided in this subsection. The agency may apply the
48 proceeds of the fee to pay contractors for collecting debts under this subsection."

48 deficiencies within a reasonable time, it is not reasonably
49 probable that the licensee will be able to remain in

52 c. The Department finds that the licensee has failed to comply
53 with the provisions of Articles 1 and 3 of Chapter 131D of the

1 General Statutes and the rules adopted pursuant to these
2 Articles, and the failure to comply endangered the health,
3 safety, or welfare of the patients in the facility.

4 The Department may also issue a provisional license to a facility,
5 pursuant to rules adopted by the Medical Care Commission, for
6 substantial failure to comply with the provisions of this section or rules
7 adopted pursuant to this section. Any facility wishing to contest the
8 issuance of a provisional license shall be entitled to an administrative
9 hearing as provided in the Administrative Procedure Act, Chapter
10 150B of the General Statutes. A petition for a contested case shall be
11 filed within 30 days after the Department mails written notice of the
12 issuance of the provisional license."
