February 12, 2009

A BILL TO BE ENTITLED
AN ACT DIRECTING THE STATE BOARD OF EDUCATION TO REQUIRE ONE ARTS
EDUCATION CREDIT FOR GRADUATION FROM HIGH SCHOOL AS
RECOMMENDED BY THE JOINT SELECT COMMITTEE ON ARTS EDUCATION.

Whereas, North Carolina's economy needs a workforce that is not only educated but
able to excel in innovation and creativity; and

Whereas, arts education has been demonstrated to increase the skills and knowledge
required for graduation; and

Whereas, arts education can close achievement gaps, improve academic skills in
reading and language development, and support the math and science curriculum; and

Whereas, arts education accelerates student performance, teaches discipline and
teamwork, improves self-esteem, and gives students a reason to stay in school; and

Whereas, arts education provides a comprehensive, rigorous, and balanced
education for all children in North Carolina's schools; Now, therefore,
The General Assembly of North Carolina enacts:

SECTION 1. The State Board of Education shall modify the State high school
graduation requirements to include one required credit in arts education. The credit must be
earned in one of the four disciplines in arts education: theatre, music, visual arts, or dance. The
course must be taken at the high school level and must be taught by a licensed arts educator
using the standard course of study.

The State Board of Education shall implement this high school arts education
requirement beginning with students entering the ninth grade in 2009.

SECTION 2. This act is effective when it becomes law.
