3 THE JOB DEVELOPMENT INVESTMENT GRANT PROGRAM.

4 The General Assembly of North Carolina enacts:

5 SECTION 1. G.S. 143B-437.52 reads as rewritten:

6 "§ 143B-437.52. Job Development Investment Grant Program.

7 (a) Program. – There is established the Job Development Investment Grant Program to
8 be administered by the Economic Investment Committee. In order to foster job creation and
9 investment in the economy of this State, the Committee may enter into ~~negotiated~~-agreements
10 with businesses to provide grants in accordance with the provisions of this Part. The
11 Committee, in consultation with the Attorney General, shall develop criteria to be used in
12 determining whether the conditions of this section are satisfied and whether the project
13 described in the application is otherwise consistent with the purposes of this Part. Before
14 entering into an agreement, the Committee must find that all the following conditions are met:

- 15 (1) The project proposed by the business will create, during the term of the
16 agreement, a net increase in employment in this State by the business.
17 (2) The project will benefit the people of this State by increasing opportunities
18 for employment and by strengthening this State's economy by, for example,
19 providing worker training opportunities, constructing and enhancing critical
20 infrastructure, increasing development in strategically important industries,
21 or increasing the State and local tax base.
22 (3) The project is consistent with economic development goals for the State and
23 for the area where it will be located.
24 (4) A grant under this Part is necessary for the completion of the project in this
25 State.
26 (5) The total benefits of the project to the State outweigh its costs and render the
27 grant appropriate for the project.

28 (b) Cap. – The maximum number of ~~agreements~~-grants the Committee may enter
29 into ~~into~~ award in each calendar year is 25.

30 (c) Ceiling. – ~~Except as provided in this section, the~~ The maximum amount of total
31 annual liability for grants ~~for agreements entered into~~ awarded in any single calendar year,
32 including amounts transferred to the Utility Account pursuant to G.S. 143B-437.61, may not
33 exceed fifteen million dollars (\$15,000,000). ~~The maximum amount of total annual liability for~~
34 ~~grants for agreements entered into in 2006, including amounts transferred to the Utility~~
35 ~~Account pursuant to G.S. 143B-437.61, may not exceed thirty million dollars (\$30,000,000).~~

36 No agreement may be entered into that, when considered together with other existing

1 agreements entered into during that calendar year, could cause the State's potential total annual
2 liability for grants entered into in that calendar year to exceed this amount.

3 (d) Measuring Employment. – For the purposes of subdivision (a)(1) of this section and
4 G.S. 143B-437.51(5), 143B-437.51(7), and 143B-437.57(a)(11), the Committee may designate
5 that the increase or maintenance of employment is measured at the level of a division or
6 another operating unit of a business, rather than at the business level, if both of the following
7 conditions are met:

- 8 (1) The Committee makes an explicit finding that the designation is necessary to
9 secure the project in this State.
- 10 (2) The agreement contains terms to ensure that the business does not create
11 eligible positions by transferring or shifting to the project existing positions
12 from another project of the business or a related member of the business."

13 **SECTION 2.** G.S. 143B-437.55 reads as rewritten:
