- (1) That the street improvement project does not exceed 2,000 linear feet; and
- (2) That such street or part thereof is unsafe for vehicular traffic, and it is in the public interest to make such improvements; or
- (3) That it is in the public interest to connect two streets, or portions of a street already improved; or
- (4) That it is in the public interest to widen a street, or part thereof, which is already improved, provided that assessments for widening any street or portion of street without a petition shall be limited to the cost of widening and otherwise improving such streets in accordance with the street classification and improvement standards established by the Town's thoroughfare or major street plan for the particular street or part thereof to be widened and improved under the authority granted by this Article.

(c) For the purpose of this Article, the term "street improvement" shall include grading, regrading, surfacing, resurfacing, widening, paving, repaving, the acquisition of right-of-way, and the construction or reconstruction of curbs, gutters, and street drainage facilities.

(d) In addition to any authority which is now or may hereafter be granted by general law to the Town for making sidewalk improvements, the Board is hereby authorized without the necessity of a petition, to make or to order to be made sidewalk improvements or repairs according to standards and specifications of the Town, and to assess the total cost thereof against abutting property owners, according to one or more of the assessment bases set forth in

G.S. 160A-216 et seq.; provided however, that regardless of the assessment basis or bases employed, the Town may order the cost of sidewalk improvements made only on one side of a street to be assessed against property owners abutting both sides of such street.

(e) In ordering street and sidewalk improvements without a petition and assessing the cost thereof under authority of this Article, the Board shall comply with the procedure provided by G.S. 160A-216 et seq., except those provisions relating to the petition of property owners and the sufficiency thereof.

The Town, when seeking to acquire such property or rights or easements therein or thereto, shall have the right and authority, at its option and election, to use the provisions and procedures as authorized and provided in G.S. 136-66(c) and G.S. 136-103 et seq., for any of such purposes without being limited to streets constituting a part of the State highway system; provided, however, that the provisions of this section shall not apply with regard to properties owned by a private condemnor except as permitted by G.S. 40A-5(b).

"ARTICLE VI. NUISANCES.

"Sec. 6.2. **Chronic Nuisance Violators.** The Town may notify a chronic violator of the Town's public nuisance ordinance that, if the violator's property is found to be in violation of the ordinance, the Town shall, without further notice in the calendar year in which notice is given, take action to remedy the violation and the expense of the action shall become a lien upon the property and shall be collected as unpaid taxes. The initial annual notice shall be served by registered or certified mail. A chronic violator is a person who owns property whereupon, in the previous calendar year, the Town of Fremont gave notice of violation at least two times under any provision of the public nuisance ordinance.
