35 **SECTION 7.6.(d)** Eligibility for Funds. – Except as provided in subsection (h) of
36 this section, the State Board of Education shall allocate these funds to local school
37 administrative units located in whole or in part in counties in which the county wealth as a
38 percentage of the State average wealth is less than one hundred percent (100%).

39 **SECTION 7.6.(e)** Allocation of Funds. – Except as provided in subsection (g) of
40 this section, the amount received per average daily membership for a county shall be the
41 difference between the State average current expense appropriations per student and the current
42 expense appropriations per student that the county could provide given the county's wealth and
43 an average effort to fund public schools. (To derive the current expense appropriations per
44 student that the county could be able to provide given the county's wealth and an average effort
45 to fund public schools, multiply the county wealth as a percentage of State average wealth by
46 the State average current expense appropriations per student.) The funds for the local school
47 administrative units located in whole or in part in the county shall be allocated to each local
48 school administrative unit located in whole or in part in the county based on the average daily
49 membership of the county's students in the school units. If the funds appropriated for
50 supplemental funding are not adequate to fund the formula fully, each local school

1 administrative unit shall receive a pro rata share of the funds appropriated for supplemental
2 funding.

3 **SECTION 7.6.(f)** Formula for Distribution of Supplemental Funding Pursuant to
4 This Section Only. – The formula in this section is solely a basis for distribution of
5 supplemental funding for low-wealth counties and is not intended to reflect any measure of the
6 adequacy of the educational program or funding for public schools. The formula is also not
7 intended to reflect any commitment by the General Assembly to appropriate any additional
8 supplemental funds for low-wealth counties.

9 **SECTION 7.6.(g)** Minimum Effort Required. – Counties that had effective tax
10 rates in the 1996-1997 fiscal year that were above the State average effective tax rate but that
11 had effective rates below the State average in the 1997-1998 fiscal year or thereafter shall
12 receive reduced funding under this section. This reduction in funding shall be determined by
13 subtracting the amount that the county would have received pursuant to Section 17.1(g) of
14 Chapter 507 of the 1995 Session Laws from the amount that the county would have received if
15 qualified for full funding and multiplying the difference by ten percent (10%). This method of
16 calculating reduced funding shall apply one time only. This method of calculating reduced
17 funding shall not apply in cases in which the effective tax rate fell below the statewide average
18 effective tax rate as a result of a reduction in the actual property tax rate. In these cases, the
19 minimum effort required shall be calculated in accordance with Section 17.1(g) of Chapter 507
20 of the 1995 Session Laws. If the county documents that it has increased the per student
21 appropriation to the school current expense fund in the current fiscal year, the State Board of
22 Education shall include this additional per pupil appropriation when calculating minimum
23 effort pursuant to Section 17.1(g) of Chapter 507 of the 1995 Session Laws.

24 **SECTION 7.6.(h)** Nonsupplant Requirement. – A county in which a local school
25 administrative unit receives funds under this section shall use the funds to supplement local
26 current expense funds and shall not supplant local current expense funds. For the 2009-2011
27 fiscal biennium, the State Board of Education shall not allocate funds under this section to a
28 county found to have used these funds to supplant local per student current expense funds. The
29 State Board of Education shall make a finding that a county has used these funds to supplant
30 local current expense funds in the prior year, or the year for which the most recent data are
31 available, if:

- 32 (1) The current expense appropriation per student of the county for the current
33 year is less than ninety-five percent (95%) of the average of the local current
34 expense appropriations per student for the three prior fiscal years; and
35 (2) The county cannot show: (i) that it has remedied the deficiency in funding or
36 (ii) that extraordinary circumstances caused the county to supplant local
37 current expense funds with funds allocated under this section. The State
38 Board of Education shall adopt rules to implement this section.

39 **SECTION 7.6.(i)** Reports. – The State Board of Education shall report to the Joint
40 Legislative Education Oversight Committee prior to May 1, 2010, if it determines that counties
41 have supplanted funds.

42 **SECTION 7.6.(j)** Department of Revenue Reports. – The Department of Revenue
43 shall provide to the Department of Public Instruction a preliminary report for the current fiscal
44 year of the assessed value of the property tax base for each county prior to March 1 of each
45 year and a final report prior to May 1 of each year. The reports shall include for each county the
46 annual sales assessment ratio and the taxable values of (i) total real property, (ii) the portion of
47 total real property represented by the present-use value of agricultural land, horticultural land,
48 and forestland as defined in G.S. 105-277.2, (iii) property of public service companies
49 determined in accordance with Article 23 of Chapter 105 of the General Statutes, and (iv)
50 personal property.
51

SMALL SCHOOL SYSTEM SUPPLEMENTAL FUNDING

SECTION 7.7.(a) Funds for Small School Systems. – Except as provided in subsection (b) of this section, the State Board of Education shall allocate funds appropriated for small school system supplemental funding (i) to each county school administrative unit with an average daily membership of fewer than 3,175 students and (ii) to each county school administrative unit with an average daily membership from 3,175 to 4,000 students if the county in which the local school administrative unit is located has a county-adjusted property tax base per student that is below the State-adjusted property tax base per student and if the total average daily membership of all local school administrative units located within the county is from 3,175 to 4,000 students. The allocation formula shall:

- (1) Round all fractions of positions to the next whole position.
- (2) Provide five and one-half additional regular classroom teachers in counties in which the average daily membership per square mile is greater than four, and seven additional regular classroom teachers in counties in which the average daily membership per square mile is four or fewer.
- (3) Provide additional program enhancement teachers adequate to offer the standard course of study.
- (4) Change the duty-free period allocation to one teacher assistant per 400 average daily membership.
- (5) Provide a base for the consolidated funds allotment of at least seven hundred forty thousand seventy-four dollars (\$740,074), excluding textbooks for the 2009-2010 fiscal year and a base of seven hundred forty thousand seventy-four dollars (\$740,074) for the 2010-2011 fiscal year.
- (6) Allot vocational education funds for grade 6 as well as for grades 7-12. If funds appropriated for each fiscal year for small school system supplemental funding are not adequate to fully fund the program, the State Board of Education shall reduce the amount allocated to each county school administrative unit on a pro rata basis. This formula is solely a basis for distribution of supplemental funding for certain county school administrative units and is not intended to reflect any measure of the adequacy of the educational program or funding for public schools. The formula is also not intended to reflect any commitment by the General Assembly to appropriate any additional supplemental funds for such county administrative units.

SECTION 7.7.(b) Nonsupplant Requirement. – A county in which a local school administrative unit receives funds under this section shall use the funds to supplement local current expense funds and shall not supplant local current expense funds. For the 2009-2011 fiscal biennium, the State Board of Education shall not allocate funds under this section to a county found to have used these funds to supplant local per student current expense funds. The State Board of Education shall make a finding that a county has used these funds to supplant local current expense funds in the prior year, or the year for which the most recent data are available, if:

- (1) The current expense appropriation per student of the county for the current year is less than ninety-five percent (95%) of the average of the local current expense appropriations per student for the three prior fiscal years; and
- (2) The county cannot show: (i) that it has remedied the deficiency in funding or (ii) that extraordinary circumstances caused the county to supplant local current expense funds with funds allocated under this section. The State Board of Education shall adopt rules to implement this section.

SECTION 7.7.(c) Phase-Out Provisions. – If a local school administrative unit becomes ineligible for funding under this formula because of (i) an increase in the population of the county in which the local school administrative unit is located or (ii) an increase in the

1 county-adjusted property tax base per student of the county in which the local school
2 administrative unit is located, funding for that unit shall be continued for five years after the
3 unit becomes ineligible.

4 **SECTION 7.7.(d)** Definitions. – As used in this section:

- 5 (1) "Average daily membership" means within two percent (2%) of the average
6 daily membership as defined in the North Carolina Public Schools Allotment
7 Policy Manual adopted by the State Board of Education.
- 8 (2) "County-adjusted property tax base per student" means the total assessed
9 property valuation for each county, adjusted using a weighted average of the
10 three most recent annual sales assessment ratio studies, divided by the total
11 number of students in average daily membership who reside within the
12 county.
- 13 (2a) "Local current expense funds" means the most recent county current expense
14 appropriations to public schools, as reported by local boards of education in
15 the audit report filed with the Secretary of the Local Government
16 Commission pursuant to G.S. 115C-447.
- 17 (3) "Sales assessment ratio studies" means sales assessment ratio studies
18 performed by the Department of Revenue under G.S. 105-289(h).
- 19 (4) "State-adjusted property tax base per student" means the sum of all
20 county-adjusted property tax bases divided by the total number of students in
21 average daily membership who reside within the State.
- 22 (4a) "Supplant" means to decrease local per student current expense
23 appropriations from one fiscal year to the next fiscal year.
- 24 (5) "Weighted average of the three most recent annual sales assessment ratio
25 studies" means the weighted average of the three most recent annual sales
26 assessment ratio studies in the most recent years for which county current
27 expense appropriations and adjusted property tax valuations are available. If
28 real property in a county has been revalued one year prior to the most recent
29 sales assessment ratio study, a weighted average of the two most recent sales
30 assessment ratios shall be used. If property has been revalued during the year
31 of the most recent sales assessment ratio study, the sales assessment ratio for
32 the year of revaluation shall be used.

33 **SECTION 7.7.(e)** Reports. – The State Board of Education shall report to the Joint
34 Legislative Education Oversight Committee prior to May 1, 2010, if it determines that counties
35 have supplanted funds.

36 **SECTION 7.7.(f)** Use of Funds. – Local boards of education are encouraged to use
37 at least twenty percent (20%) of the funds they receive pursuant to this section to improve the
38 academic performance of children who are performing at Level I or II on either reading or
39 mathematics end-of-grade tests in grades 3-8 and children who are performing at Level I or II
40 on the writing tests in grades 4 and 7. Local boards of education shall report to the State Board
41 of Education on an annual basis on funds used for this purpose, and the State Board shall report
42 this information to the Joint Legislative Education Oversight Committee. These reports shall
43 specify how these funds were targeted and used to implement specific improvement strategies
44 of each local school administrative unit and its schools such as teacher recruitment, closing the
45 achievement gap, improving student accountability, addressing the needs of at-risk students,
46 and establishing and maintaining safe schools.

47
48 **DISADVANTAGED STUDENT SUPPLEMENTAL FUNDING**

49 **SECTION 7.8.(a)** Funds are appropriated in this act to address the capacity needs
50 of local school administrative units to meet the needs of disadvantaged students. Each local
51 school administrative unit shall use funds allocated to it for disadvantaged student supplemental

1 funding to implement a plan jointly developed by the unit and the LEA Assistance Program
2 team. The plan shall be based upon the needs of students in the unit not achieving grade level
3 proficiency. The plan shall detail how these funds shall be used in conjunction with all other
4 supplemental funding allotments such as Low-Wealth, Small County, At-Risk Student
5 Services/Alternative Schools, and Improving Student Accountability, to provide instructional
6 and other services that meet the educational needs of these students. Prior to the allotment of
7 disadvantaged student supplemental funds, the plan shall be approved by the State Board of
8 Education.

9 Funds received for disadvantaged student supplemental funding shall be used,
10 consistent with the policies and procedures adopted by the State Board of Education only to:

- 11 (1) Provide instructional positions or instructional support position and/or
12 professional development;
- 13 (2) Provide intensive in-school and/or after-school remediation;
- 14 (3) Purchase diagnostic software and progress monitoring tools; and
- 15 (4) Provide funds for teacher bonuses and supplements. The State Board of
16 Education shall set a maximum percentage of the funds that may be used for
17 this purpose.

18 The State Board of Education may require districts receiving funding under the Disadvantaged
19 Student Supplemental Fund to purchase the Education Value Added Assessment System in
20 order to provide in-depth analysis of student performance and help identify strategies for
21 improving student achievement. This data shall be used exclusively for instructional and
22 curriculum decisions made in the best interest of children and for professional development for
23 their teachers and administrators.

24 **SECTION 7.8.(b)** Funds appropriated to a local school administrative unit for
25 disadvantaged student supplemental funding shall be allotted based on: (i) the local school
26 administrative unit's eligible DSSF population and (ii) the difference between a
27 teacher-to-student ratio of 1:21 and the following teacher-to-student ratios:

- 28 (1) For counties with wealth greater than ninety percent (90%) of the statewide
29 average, a ratio of 19:9;
- 30 (2) For counties with wealth not less than eighty percent (80%) and not greater
31 than ninety percent (90%) of the statewide average, a ratio of 1:19.4;
- 32 (3) For counties with wealth less than eighty percent (80%) of the statewide
33 average, a ratio of 1:19.1; and
- 34 (4) For LEAs receiving DSSF funds in 2005-2006, a ratio of 1:16. These LEAs
35 shall receive no less than the DSSF amount allotted in 2006-2007.

36 For the purpose of this subsection, wealth shall be calculated under the low-wealth
37 supplemental formula.

38 **STUDENTS WITH LIMITED ENGLISH PROFICIENCY**

39 **SECTION 7.9.(a)** The State Board of Education shall develop guidelines for
40 identifying and providing services to students with limited proficiency in the English language.

41 The State Board shall allocate these funds to local school administrative units and to
42 charter schools under a formula that takes into account the average percentage of students in
43 the units or the charters over the past three years who have limited English proficiency. The
44 State Board shall allocate funds to a unit or a charter school only if (i) average daily
45 membership of the unit or the charter school includes at least 20 students with limited English
46 proficiency or (ii) students with limited English proficiency comprise at least two and one-half
47 percent (2.5%) of the average daily membership of the unit or charter school. For the portion of
48 the funds that is allocated on the basis of the number of identified students, the maximum
49 number of identified students for whom a unit or charter school receives funds shall not exceed
50 ten and six-tenths percent (10.6%) of its average daily membership.
51

1 Local school administrative units shall use funds allocated to them to pay for
2 classroom teachers, teacher assistants, tutors, textbooks, classroom materials/instructional
3 supplies/equipment, transportation costs, and staff development of teachers for students with
4 limited English proficiency. A county in which a local school administrative unit receives funds
5 under this section shall use the funds to supplement local current expense funds and shall not
6 supplant local current expense funds.

7 **SECTION 7.9.(b)** The Department of Public Instruction shall prepare a current
8 head count of the number of students classified with limited English proficiency by December
9 1 of each year. Students in the head count shall be assessed at least once every three years to
10 determine their level of English proficiency. A student who scores "superior" on the standard
11 English language proficiency assessment instrument used in this State shall not be included in
12 the head count of students with limited English proficiency.

13 14 **AT-RISK STUDENT SERVICES/ALTERNATIVE SCHOOLS**

15 **SECTION 7.10.** The State Board of Education may use up to two hundred
16 thousand dollars (\$200,000) of the funds in the Alternative Schools/At-Risk Student allotment
17 each year for the 2009-2010 fiscal year and for the 2010-2011 fiscal year to implement
18 G.S. 115C-12(24).

19 20 **SCHOOL CONNECTIVITY INITIATIVE**

21 **SECTION 7.11.(a)** Up to three hundred thousand dollars (\$300,000) may be
22 transferred to the Office of the Governor for NC Virtual (NCV) within the Education Cabinet.
23 These funds may be used for services to coordinate e-learning activities across all State
24 educational agencies.

25 **SECTION 7.11.(b)** Of the funds allocated for the School Connectivity Initiative,
26 the sum of two hundred fifty thousand dollars (\$250,000) may be used to sustain the Education
27 E-Learning Portal.

28 **SECTION 7.11.(c)** Funds allocated to the School Connectivity Initiative shall
29 carry forward to the next fiscal year until the project is fully implemented by June 30, 2010.

30 31 **LITIGATION RESERVE FUNDS**

32 **SECTION 7.12.** The State Board of Education may expend up to five hundred
33 thousand dollars (\$500,000) each year for the 2009-2010 and 2010-2011 fiscal years from
34 unexpended funds for certified employees' salaries to pay expenses related to pending
35 litigation.

36 37 **REPLACEMENT SCHOOL BUSES FUNDS**

38 **SECTION 7.13.(a)** The State Board of Education may impose any of the following
39 conditions on allotments to local boards of education for replacement school buses:

- 40 (1) The local board of education shall use the funds only to make the first,
41 second, third, or fourth year's payment on a financing contract entered into
42 pursuant to G.S. 115C-528.
- 43 (2) The term of a financing contract entered into under this section shall not
44 exceed four years.
- 45 (3) The local board of education shall purchase the buses only from vendors
46 selected by the State Board of Education and on terms approved by the State
47 Board of Education.
- 48 (4) The Department of Administration, Division of Purchase and Contract, in
49 cooperation with the State Board of Education, shall solicit bids for the
50 direct purchase of school buses and activity buses and shall establish a
51 statewide term contract for use by the State Board of Education. Local

boards of education and other agencies shall be eligible to purchase from the statewide term contract. The State Board of Education shall also solicit bids for the financing of school buses.

(5) A bus financed pursuant to this section shall meet all federal motor vehicle safety regulations for school buses.

(6) Any other condition the State Board of Education considers appropriate.

SECTION 7.13.(b) Any term contract for the purchase or lease-purchase of school buses or school activity buses shall not require vendor payment of the electronic procurement transaction fee of the North Carolina E-Procurement Service.

DISCREPANCIES BETWEEN ANTICIPATED AND ACTUAL ADM

SECTION 7.14.(a) If the State Board of Education does not have sufficient resources in the ADM Contingency Reserve line item to make allotment adjustments in accordance with the Allotment Adjustments for ADM Growth provisions of the North Carolina Public Schools Allotment Policy Manual, the State Board of Education may use funds appropriated to State Aid for Public Schools for this purpose.

SECTION 7.14.(b) If the higher of the first or second month average daily membership in a local school administrative unit is at least two percent (2%) or 100 students lower than the anticipated average daily membership used for allotments for the unit, the State Board of Education shall reduce allotments for the unit. The reduced allotments shall be based on the higher of the first or second month average daily membership plus one-half of the number of students overestimated in the anticipated average daily membership.

The allotments reduced pursuant to this subsection shall include only those allotments that may be increased pursuant to the Allotment Adjustments for ADM Growth provisions of the North Carolina Public Schools Allotment Policy Manual.

CHARTER SCHOOL EVALUATION

SECTION 7.15.(a) The State Board of Education may spend up to fifty thousand dollars (\$50,000) a year from State Aid to Local School Administrative Units for the 2009-2010 and 2010-2011 fiscal years to evaluate charter schools. In particular, the State Board of Education shall consider the extent to which charter schools have accomplished the following six objectives, which are set out in G.S. 115C-238.29A:

- (1) Improve student learning;
- (2) Increase learning opportunities for all students, with special emphasis on expanded learning experiences for students who are identified as at risk of academic failure or academically gifted;
- (3) Encourage the use of different and innovative teaching methods;
- (4) Create new professional opportunities for teachers, including the opportunities to be responsible for the learning program at the school site;
- (5) Provide parents and students with expanded choices in the types of educational opportunities that are available within the public school system; and
- (6) Hold the schools established under this Part accountable for meeting measurable student achievement results and provide the schools with a method to change from rule-based to performance-based accountability systems.

SECTION 7.15.(b) The State Board of Education shall report the results of its evaluation to the Joint Legislative Education Oversight Committee and the Fiscal Research Division.

MENTOR TEACHER FUNDS

1 **SECTION 7.16.(a)** The State Board of Education shall allot funds for mentoring
2 services to local school administrative units based on the highest number of employees in the
3 preceding three school years who (i) are paid with State, federal, or local funds and (ii) are
4 either teachers paid on the first or second steps of the teacher salary schedule or instructional
5 support personnel paid on the first step of the instructional support personnel salary schedule.

6 Local school administrative units shall use these funds to provide mentoring support
7 to eligible employees in accordance with a plan approved by the State Board of Education. The
8 plan shall include information on how all mentors in the local school administrative unit will be
9 adequately trained to provide mentoring support.

10 **SECTION 7.16.(b)** The State Board of Education shall grant flexibility to a local
11 board of education regarding the use of mentor funds to provide mentoring support, provided
12 the local board submits a detailed plan on the use of the funds to the State Board and the State
13 Board approves that plan. The plan shall include information on how all mentors in the local
14 school administrative unit have been or will be adequately trained to provide mentoring
15 support.

16 Local boards of education shall use funds allocated for mentor teachers to provide
17 mentoring support to all State-paid newly certified teachers, second-year teachers who were
18 assigned mentors during the prior school year, and entry-level instructional support personnel
19 who have not previously been teachers.

20 **SECTION 7.16.(c)** Each local board of education with a plan approved pursuant to
21 subsection (b) of this section shall report to the State Board on the impact of its mentor
22 program on teacher retention. The State Board shall analyze these reports to determine the
23 characteristics of mentor programs that are most effective in retaining teachers and shall report
24 its findings to the Joint Legislative Education Oversight Committee by October 15 of each year
25 of the biennium.

26 **SECTION 7.16.(d)** In addition to the report required in subsection (c) of this
27 section, the State shall also evaluate the effectiveness of a representative sample of local
28 mentor programs and report on its findings to the Joint Legislative Education Oversight
29 Committee and the Fiscal Research Division by December 15 of each year of the biennium.
30 The evaluation shall focus on quantitative evidence, quality of service delivery, and satisfaction
31 of those involved. The report shall include the results of the evaluation and recommendations
32 both for improving mentor programs generally and for an appropriate level of State support for
33 mentor programs.

34 **LEARN AND EARN HIGH SCHOOLS**

35 **SECTION 7.17.(a)** Funds are appropriated in this act for the Learn and Earn high
36 school workforce development program. The purpose of the program is to create rigorous and
37 relevant high school options that provide students with the opportunity and assistance to earn
38 an associate degree or two years of college credit by the conclusion of the year after their senior
39 year in high school. The State Board of Education shall work closely with the Education
40 Cabinet and the New Schools Project in administering the program.

41 **SECTION 7.17.(b)** These funds shall be used to establish new high schools in
42 which a local school administrative unit, two- and four-year colleges and universities, and local
43 employers work together to ensure that high school and postsecondary college curricula operate
44 seamlessly and meet the needs of participating employers. Funds shall not be allotted until
45 Learn and Earn high schools are certified as operational.

46 **SECTION 7.17.(c)** During the first year of its operation, a high school established
47 under G.S. 115C-238.50 shall be allotted a principal regardless of the number of State-paid
48 teachers assigned to the school or the number of students enrolled in the school. The budget
49 flexibility authorized by G.S. 115C-105.25 does not apply to these positions.
50

1 **SECTION 7.17.(d)** The State Board of Education, in consultation with the State
2 Board of Community Colleges and The University of North Carolina Board of Governors, shall
3 conduct an annual evaluation of this program. The evaluation shall include measures as
4 identified in G.S. 115C-238.55. It shall also include: (i) an accounting of how funds and
5 personnel resources were utilized and their impact on student achievement, retention, and
6 employability; (ii) recommended statutory and policy changes; and (iii) recommendations for
7 improvement of the program. The State Board of Education shall report the results of this
8 evaluation to the Office of State Budget and Management, the Joint Legislative Education
9 Oversight Committee, and the Fiscal Research Division by January 15 of each fiscal year.

10 **SECTION 7.17.(e)** Enrollment fees and tuition for The University of North
11 Carolina courses in which Learn and Earn students are enrolled are allowable uses of these
12 funds. Tuition costs may include laboratory fees assessed to all students enrolled in the course
13 or a similar course.

14 **SECTION 7.17.(f)** Textbooks required for college courses in which Learn and
15 Earn students are enrolled may be purchased with these funds.

16 **SECTION 7.17.(g)** Payment of fees from these funds by local school
17 administrative units to partnering community colleges and universities are restricted to
18 technology or course fees. Funds appropriated in this act shall not be used to support the cost of
19 athletic or other student activity or campus fees not required by enrollment in a specific course.

20 **SECTION 7.17.(h)** The State Board of Education shall allot funds for university
21 enrollment, tuition and fees, and textbooks on the basis of and after verification of the credit
22 hour enrollment of Learn and Earn students in university courses. The State Board of Education
23 shall allot funds for community college fees and textbooks on the basis of and after verification
24 of the credit hour enrollment of Learn and Earn students in community college courses.
25

26 **MORE AT FOUR PROGRAM AND OFFICE OF SCHOOL READINESS**

27 **SECTION 7.18.(a)** The Department of Public Instruction shall continue the
28 implementation of the More at Four prekindergarten program for at-risk four-year-olds who are
29 at risk of failure in kindergarten. The program is available statewide to all counties that choose
30 to participate, including underserved areas. The goal of the program is to provide quality
31 prekindergarten services to a greater number of at-risk children in order to enhance
32 kindergarten readiness for these children. The program shall be consistent with standards and
33 assessments established jointly by the Department of Health and Human Services and the
34 Department of Public Instruction. The program shall include:

- 35 (1) A process and system for identifying children at risk of academic failure.
- 36 (2) A process and system for identifying children who are not being served in
37 formal early education programs, such as child care, public or private
38 preschools, Head Start, Early Head Start, early intervention programs, or
39 other such programs, who demonstrate educational needs, and who are
40 eligible to enter kindergarten the next school year, as well as children who
41 are underserved.
- 42 (3) A curriculum or several curricula that are research-based and/or built on
43 sound instructional theory. These curricula shall: (i) focus primarily on oral
44 language and emergent literacy; (ii) engage children through key
45 experiences and provide background knowledge requisite for formal learning
46 and successful reading in the early elementary years; (iii) involve active
47 learning; (iv) promote measurable kindergarten language-readiness skills
48 that focus on emergent literacy and mathematical skills; and (v) develop
49 skills that will prepare children emotionally and socially for kindergarten.
- 50 (4) An emphasis on ongoing family involvement with the prekindergarten
51 program.

- 1 (5) Evaluation of child progress through a statewide evaluation, as well as
2 ongoing assessment of the children by teachers.
- 3 (6) Guidelines for a system to reimburse local school boards and systems,
4 private child care providers, and other entities willing to establish and
5 provide prekindergarten programs to serve at-risk children.
- 6 (7) A system built upon existing local school boards and systems, private child
7 care providers, and other entities that demonstrate the ability to establish or
8 expand prekindergarten capacity.
- 9 (8) A quality-control system. Participating providers shall comply with
10 standards and guidelines as established by the Department of Health and
11 Human Services and the Department of Public Instruction. The Department
12 may use the child care rating system to assist in determining program
13 participation.
- 14 (9) Standards for minimum teacher qualifications. A portion of the classroom
15 sites initially funded shall have at least one teacher who is certified or
16 provisionally certified in birth-to-kindergarten education.
- 17 (10) A local contribution. Programs must demonstrate that they are accessing
18 resources other than More at Four.
- 19 (11) A system of accountability to include a yearly review. The Department shall
20 contract with an independent research organization to produce an annual
21 report to include longitudinal review of the program and academic,
22 behavioral, and other child-specific outcomes. The review shall include a
23 quasi-experimental research design of a representative sample of children
24 who complete the More at Four program every year and shall report on their
25 sustained progress until the end of grade 9. The review shall also study a
26 representative sample of children who do not enter the More at Four
27 program but who are of the same grade level and demographic as those who
28 complete the program and their sustained progress shall also be reviewed
29 until the end of grade 9. The review shall be presented to the Joint
30 Legislative Education Oversight Committee by January 31 of every year.
- 31 (12) Consideration of the reallocation of existing funds. In order to maximize
32 current funding and resources, the Department of Health and Human
33 Services and the Department of Public Instruction shall consider the
34 reallocation of existing funds from State and local programs that provide
35 prekindergarten-related care and services.

36 **SECTION 7.18.(b)** The Department of Public Instruction, in collaboration with the
37 Department of Health and Human Services, shall implement a plan to expand More at Four
38 program standards within existing resources to include four- and five-star-rated centers and
39 schools serving four-year-olds and develop guidelines for these programs. The "NC
40 Prekindergarten Program Standards" initiative shall recognize four- and five-star-rated centers
41 that choose to apply and meet equivalent More at Four program standards as high quality
42 prekindergarten classrooms. Classrooms meeting these standards shall have access to training
43 and workshops for More at Four programs. Whenever expansion slots are available, these
44 classrooms shall have first priority to receive them.

45 The More at Four program shall review the number of slots filled by counties on a
46 monthly basis and shift the unfilled slots to counties with waiting lists. The shifting of slots
47 shall occur through January 31 of each year, at which time any remaining funds for slots
48 unfilled shall be used to meet the needs of the waiting list for subsidized child care.

49 **SECTION 7.18.(c)** The Department of Public Instruction shall submit a report by
50 February 1, 2010, to the Joint Legislative Commission on Governmental Operations, the Joint
51 Legislative Education Oversight Committee, the Senate Appropriations Committee on

1 Education, the House of Representatives Appropriations Subcommittee on Education, and the
2 Fiscal Research Division. This final report shall include the following:

- 3 (1) The number of children participating in the program.
- 4 (2) The number of children participating in the program who have never been
5 served in other early education programs, such as child care, public or
6 private preschool, Head Start, Early Head Start, or early intervention
7 programs.
- 8 (3) The expected expenditures for the programs and the source of the local
9 match for each grantee.
- 10 (4) The location of program sites and the corresponding number of children
11 participating in the program at each site.
- 12 (5) A comprehensive cost analysis of the program, including the cost per child
13 served by the program.
- 14 (6) The status of the NC prekindergarten initiatives as outlined in this section.

15 **SECTION 7.18.(d)** For the 2009-2010 and the 2010-2011 fiscal years, the More at
16 Four program shall establish income eligibility requirements for the program not to exceed
17 seventy-five percent (75%) of the State median income. Up to twenty percent (20%) of children
18 enrolled may have family incomes in excess of seventy-five percent (75%) of median income if
19 they have other designated risk factors."

20 **SECTION 7.18.(e)** The More at Four program funding shall not supplant any
21 funding for classrooms serving four-year-olds as of the 2005-2006 fiscal year. Support of
22 existing four-year-old classrooms with More at Four program funding shall be permitted when
23 current funding is eliminated, reduced, or redirected as required to meet other specified federal
24 or State educational mandates."

25 **SECTION 7.18.(f)** If a county is unable to increase More at Four slots because of a
26 documented lack of available resources necessary to provide the required local contribution for
27 the additional slots allocated to the county for the 2009-2010 fiscal year or the 2010-2011 fiscal
28 year, the contract agency for that county may appeal to the Office of School Readiness for an
29 exception to the required local amount for those additional slots. The Office of School
30 Readiness may grant an exception and allot funds to pay up to ninety percent (90%) of the full
31 cost of the additional slots for that county if it finds that (i) there is in fact a documented lack of
32 available resources in the county and (ii) granting the exception will not reduce access
33 statewide to More at Four slots."

34 35 **DROPOUT PREVENTION GRANTS**

36 **SECTION 7.19.(a)** Dropout Prevention Grants. – The Committee on Dropout
37 Prevention, as reestablished in Section 7.14 of S.L. 2008-107, shall select grant recipients as
38 follows:

- 39 (1) Using the process for the review of grant applications in 2007, the
40 Committee shall establish a cutoff score and award grants to applicants that
41 meet the cutoff score.
- 42 (2) From the recipients of grants awarded under S.L. 2008-107, the Committee
43 may establish a process to award additional funds to those grantees.
- 44 (3) Using the process outlined in Section 7.32(d) of S.L. 2007-323 consistent
45 with subsection (b) of this section, the Committee may award grants to new
46 applicants that did not apply for funding under that act.

47 **SECTION 7.19.(b)** Criteria for Dropout Prevention Grants. – The following
48 criteria apply to all types of dropout prevention grants approved by the Committee:

- 49 (1) Grants shall be issued in varying amounts up to a maximum of one hundred
50 fifty thousand dollars (\$150,000).

- 1 (2) These grants shall be provided to innovative programs and initiatives that
2 target students at risk of dropping out of school and that demonstrate the
3 potential to (i) be developed into effective, sustainable, and coordinated
4 dropout prevention and reentry programs in middle schools and high schools
5 and (ii) serve as effective models for other programs.
- 6 (3) Priority shall be given to new programs and initiatives or to those that have
7 begun within the last five school years.
- 8 (4) Grants shall be distributed geographically throughout the State and
9 throughout the eight educational districts as defined in G.S. 115C-65. No
10 more than three grants shall be awarded in any one county under this section
11 in a single fiscal year.
- 12 (5) Grants may be made to local school administrative units, schools, local
13 agencies, or nonprofit organizations.
- 14 (6) Grants shall be to programs and initiatives that hold all students to high
15 academic and personal standards.
- 16 (7) Grant applications shall state (i) how grant funds will be used, (ii) what, if
17 any, other resources will be used in conjunction with the grant funds, (iii)
18 how the program or initiative will be coordinated to enhance the
19 effectiveness of existing programs, initiatives, or services in the community,

30 Department shall submit all reports regarding functionality, schedule, and cost in the next
31 regular cycle of reporting identified in subsections (c) and (d) of this section. The Department
32 shall ensure that the solution developed in the Reporting and Analytics Project supports the
33 capability, in its initial implementation, to interface with the North Carolina State Health Plan
34 for Teachers and State Employees. The costs for this capability shall be negotiated prior to the
35 award of the Reporting and Analytics contract. The Reporting and Analytics solution must be

15 approved policies and the State Plan. Nothing in sub-subdivision b.
16 or c. of this subdivision shall be interpreted to modify the scope of
17 practice of any service provider, practitioner, or licensee, nor to
18 modify or attenuate any collaboration or supervision requirement
19 related to the professional activities of any service provider,
20 practitioner, or licensee. Nothing in sub-subdivision b. or c. of this
21 subdivision shall be interpreted to require any private health insurer

23 to any service provider, practitioner, or licensee.

24 Notwithstanding G.S. 150B-21.1(a), the Department of Health and Human
25 Services may adopt temporary rules in accordance with Chapter 150B of the
26 General Statutes further defining the qualifications of providers and referral
27 procedures in order to implement this subdivision. Coverage policy for
28 services defined by the Division of Mental Health, Developmental
29 Disabilities, and Substance Abuse Services under sub-subdivisions a. and
30 b.2. of this subdivision shall be established by the Division of Medical
31 Assistance.

32 **SECTION 10.15.(e) Provider Performance Bonds and Visits. –**

33 (1) Subject to the provisions of this subdivision, the Department may require
34 Medicaid-enrolled providers to purchase a performance bond in an amount
35 not to exceed one hundred thousand dollars (\$100,000) naming as
36 beneficiary the Department of Health and Human Services, Division of
37 Medical Assistance, or provide to the Department a validly executed letter of
38 credit or other financial instrument issued by a financial institution or agency
39 honoring a demand for payment in an equivalent amount. The Department
40 may require the purchase of a performance bond or the submission of an
41 executed letter of credit or financial instrument as a condition of initial
42 enrollment, reenrollment, or reinstatement if:

- 43 a. The provider fails to demonstrate financial viability,
44 b. The Department determines there is significant potential for fraud
45 and abuse,
46 c. The Department otherwise finds it is in the best interest of the
47 Medicaid program to do so.

48 The Department shall specify the circumstances under which a performance
49 bond or executed letter of credit will be required.

- 1 (1a) The Department may waive or limit the requirements of this paragraph for
2 individual Medicaid-enrolled providers or for one or more classes of
3 Medicaid-enrolled providers based on the following:
4 a. The provider's or provider class's dollar amount of monthly billings
5 to Medicaid.
6 b. The length of time an individual provider has been licensed,
7 endorsed, certified, or accredited in this State to provide services.
8 c. The length of time an individual provider has been enrolled to
9 provide Medicaid services in this State.
10 d. The provider's demonstrated ability to ensure adequate record
11 keeping, staffing, and services.
12 e. The need to ensure adequate access to care.

13 In waiving or limiting requirements of this paragraph, the Department shall
14 take into consideration the potential fiscal impact of the waiver or limitation
15 on the State Medicaid Program. The Department shall provide to the affected
16 provider written notice of the findings upon which its action is based and
17 shall include the performance bond requirements and the conditions under
18 which a waiver or limitation apply. The Department may adopt temporary
19 rules in accordance with G.S. 150B-21.1 as necessary to implement this
20 provision.

- 21 (2) Reimbursement is available for up to 30 visits per recipient per fiscal year
22 for the following professional services: hospital outpatient providers,
23 physicians, nurse practitioners, nurse midwives, clinics, health departments,
24 optometrists, chiropractors, and podiatrists. The Department of Health and
25 Human Services shall adopt medical policies in accordance with
26 G.S. 108A-54.2 to distribute the allowable number of visits for each service
27 or each group of services consistent with federal law. In addition, the
28 Department shall establish a threshold of some number of visits for these
29 services. The Department shall ensure that primary care providers or the
30 appropriate CCNC network are notified when a patient is nearing the
31 established threshold to facilitate care coordination and intervention as
32 needed.

33 Prenatal services, all EPSDT children, emergency room visits, and
34 mental health visits subject to independent utilization review are exempt
35 from the visit limitations contained in this subdivision. Subject to
36 appropriate medical review, the Department may authorize exceptions when
37 additional care is medically necessary. Routine or maintenance visits above
38 the established visit limit will not be covered unless necessary to actively
39 manage a life threatening disorder or as an alternative to more costly care
40 options.

41 **SECTION 10.15.(f)** Exceptions and Limitations on Services; Authorization of
42 Co-Payments and Other Services. –

- 43 (1) Exceptions to service limitations, eligibility requirements, and payments. –
44 Service limitations, eligibility requirements, and payment bases in this
45 section may be waived by the Department of Health and Human Services,
46 with the approval of the Director of the Budget, to allow the Department to
47 carry out pilot programs for prepaid health plans, contracting for services,
48 managed care plans, or community-based services programs in accordance
49 with plans approved by the United States Department of Health and Human
50 Services or when the Department determines that such a waiver will result in
51 a reduction in the total Medicaid costs for the recipient.

- 1 (2) Co-payment for Medicaid services. – The Department of Health and Human
2 Services may establish co-payments up to the maximum permitted by federal
3 law and regulation.

4 **SECTION 10.15.(g) Rules, Reports, and Other Matters. –**

- 5 (1) Rules. – The Department of Health and Human Services may adopt
6 temporary or emergency rules according to the procedures established in
7 G.S. 150B-21.1 and G.S. 150B-21.1A when it finds that these rules are
8 necessary to maximize receipt of federal funds within existing State
9 appropriations, to reduce Medicaid expenditures, and to reduce fraud and
10 abuse. The Department of Health and Human Services shall adopt rules
11 requiring providers to attend training as a condition of enrollment and may
12 adopt temporary or emergency rules to implement the training requirement.

13 Prior to the filing of the temporary or emergency rules authorized under
14 this subsection with the Rules Review Commission and the Office of
15 Administrative Hearings, the Department shall consult with the Office of
16 State Budget and Management on the possible fiscal impact of the temporary
17 or emergency rule and its effect on State appropriations and local
18 governments.

- 19 (2) Changes to Medicaid program; reports. – The Department shall report on
20 any change it anticipates making in the Medicaid program that impacts the
21 type or level of service, reimbursement methods, or waivers, any of which
22 require a change in the State Plan or other approval by the Centers for
23 Medicare and Medicaid Services (CMS). The reports shall be provided at the
24 same time they are submitted to CMS for approval. In addition to the entities
25 listed in subdivision (a)(4) of this section, the report shall be submitted to the
26 Joint Legislative Health Care Oversight Committee.

27
28 **DMA CONTRACT SHORTFALL**

29 **SECTION 10.16.(a)** Budget approval is required by the Office of State Budget and
30 Management prior to the Department of Health and Human Services, Division of Medical
31 Assistance, entering into any new contract or the renewal or amendment of existing contracts
32 that exceed the current contract amounts.

33 **SECTION 10.16.(b)** The Division of Medical Assistance shall make every effort to
34 effect savings within its operational budget and use those savings to offset its contract shortfall.
35 Notwithstanding G.S. 143C-6-4(b)(3), the department may use funds appropriated in this act to
36 the department to cover the contract shortfall in the Division of Medical Assistance if
37 insufficient funds exist within the division.

38
39 **MEDICAID COST-CONTAINMENT ACTIVITIES**

40 **SECTION 10.17.** The Department of Health and Human Services may use up to
41 five million dollars (\$5,000,000) in the 2009-2010 fiscal year and up to five million dollars
42 (\$5,000,000) in the 2010-2011 fiscal year in Medicaid funds budgeted for program services to
43 support the cost of administrative activities when cost-effectiveness and savings are
44 demonstrated. The funds shall be used to support activities that will contain the cost of the
45 Medicaid Program, including contracting for services, hiring additional staff, or providing
46 grants through the Office of Rural Health and Community Care to plan, develop, and
47 implement cost-containment programs.

48 Medicaid cost-containment activities may include prospective reimbursement
49 methods, incentive-based reimbursement methods, service limits, prior authorization of
50 services, periodic medical necessity reviews, revised medical necessity criteria, service
51 provision in the least costly settings, plastic magnetic stripped Medicaid identification cards for

1 issuance to Medicaid enrollees, fraud detection software or other fraud detection activities,
2 technology that improves clinical decision making, credit balance recovery and data mining
3 services, and other cost-containment activities. Funds may be expended under this section only
4 after the Office of State Budget and Management has approved a proposal for the expenditure
5 submitted by the Department. Proposals for expenditure of funds under this section shall
6 include the cost of implementing the cost-containment activity and documentation of the
7 amount of savings expected to be realized from the cost-containment activity. The Department
8 shall provide a copy of proposals for expenditures under this section to the House of
9 Representatives Appropriations Subcommittee on Health and Human Services, the Senate
10 Appropriations Committee on Health and Human Services, and the Fiscal Research Division.

11 12 **MEDICAID SPECIAL FUND TRANSFER**

13 **SECTION 10.18.** Of the funds transferred to the Department of Health and Human
14 Services for Medicaid programs pursuant to G.S. 143C-9-1, there is appropriated from the
15 Medicaid Special Fund to the Department of Health and Human Services the sum of forty-three
16 million dollars (\$43,000,000) for the 2009-2010 fiscal year and the sum of forty-three million
17 dollars (\$43,000,000) for the 2010-2011 fiscal year. These funds shall be allocated as
18 prescribed by G.S. 143C-9-1(b) for Medicaid programs. Notwithstanding the prescription in
19 G.S. 143C-9-1(b) that these funds not reduce State general revenue funding, these funds shall
20 replace the reduction in general revenue funding effected in this act. The Department may also
21 use funds in the Medicaid Special Fund to fund the settlement of the Disproportionate Share
22 Hospital payment audit issues between the Department of Health and Human Services and the
23 federal government related to fiscal years 1997-2002, and funds are appropriated from the Fund
24 for the 2009-2010 fiscal year for this purpose.

25 26 **EXTEND IMPLEMENTATION OF COMMUNITY ALTERNATIVES PROGRAMS** 27 **REIMBURSEMENT SYSTEM**

28 **SECTION 10.19.** Full implementation for the Community Alternatives Programs
29 reimbursement system shall be not later than 12 months after the date on which the replacement
30 Medicaid Management Information System becomes operational and stabilized.

31 32 **FAMILIES PAY PART OF THE COST OF SERVICES UNDER THE CAP-MR/DD** 33 **PROGRAM AND THE CAP-CHILDREN'S PROGRAM BASED ON FAMILY** 34 **INCOME**

35 **SECTION 10.20.(a)** Subject to approval from the Centers for Medicare and
36 Medicaid Services (CMS), the Department of Health and Human Services, Division of Medical
37 Assistance, shall, in consultation with the Division of Mental Health, Developmental
38 Disabilities, and Substance Abuse Services, and Community Alternatives Program (CAP)
39 stakeholders, develop a schedule of cost-sharing requirements for families of children with
40 incomes above the Medicaid allowable limit to share in the costs of their child's Medicaid
41 expenses under the CAP-MR/DD (Community Alternatives Program for Mental Retardation
42 and Developmentally Disabled) Program and the CAP-C (Community Alternatives Program for
43 Children). The cost-sharing amounts shall be based on a sliding scale of family income and
44 shall take into account the impact on families with more than one child in the CAP programs.
45 In developing the schedule, the Department shall also take into consideration how other states
46 have implemented cost-sharing in their CAP programs. The Division of Medical Assistance
47 may establish monthly deductibles as a means of implementing this cost-sharing. The
48 Department shall provide for at least one public hearing and other opportunities for individuals
49 to comment on the imposition of cost-sharing under the CAP program schedule.

50 **SECTION 10.20.(b)** The Division of Medical Assistance shall also, in
51 collaboration with the Controller's Office of the Department of Health and Human Services, the

1 Division of Information Resource Management (DIRM), and the new vendor of the
2 replacement Medicaid Management Information System, develop business rules, program
3 policies and procedures, and define relevant technical requirements.

4 **SECTION 10.20.(c)** Prior to seeking approval from CMS, but not later than
5 October 1, 2009, the Department shall report to the Joint Legislative Oversight Committee on
6 Mental Health, Developmental Disabilities, and Substance Abuse Services and Bridge Funding

8 of Representatives Appropriations Subcommittee on Health and Human Services, and the
9 Fiscal Research Division. The report shall include a summary of comments the Department
10 has received at the public hearing, business rules, policies and procedures, and technical
11 requirements of the initiative and shall also indicate any barriers to implementing the
12 cost-sharing.

17 **SECTION 10.21.** The Department of Health and Human Services shall continue its
18 efforts to expand the scope of Community Care of North Carolina care management model to
19 recipients of Medicaid and dually eligible individuals with a chronic condition and long-term
20 care needs. In expanding the scope, the Department shall focus on the aged, blind, and
21 disabled, and CAP-DA populations for improvement in management, cost-effectiveness, and
22 local coordination of services through Community Care of North Carolina and in collaboration
23 with local providers of care. The Department shall target personal care services, private duty
24 nursing, home health, durable medical equipment, ancillary professional services, specialty
25 care, residential services, including skilled nursing facilities, home infusion therapy, pharmacy,
26 and other services determined target-worthy by the Department.

27 28 **MEDICAID PROVIDER AND RECIPIENT APPEALS**

29 **SECTION 10.22.(a)** For the purpose of expediting the resolution of community
30 support provider appeals and thereby saving State and federal funds that are paid for services
31 that are found to be unnecessary or otherwise ineligible for payment, the Department shall
32 implement on a temporary basis a community support provider appeals process. The process
33 shall be a substitute for informal provider appeals at the Department level and formal provider
34 appeals by the Office of Administrative Hearings. The community support provider appeals
35 process shall apply to a community support services provider:

- 36 (1) Who is aggrieved by a decision of the Department to reduce, deny, recoup,
37 or recover reimbursement for community support services, or to deny,
38 suspend, or revoke a provider agreement to provide community support
39 services.
- 40 (2) Whose endorsement has been withdrawn or whose application for
41 endorsement has been denied by a local management entity.

42 **SECTION 10.22.(b)** The community support provider appeals process shall be
43 developed and implemented as follows:

- 44 (1) A hearing under this section shall be commenced by filing a petition with the
45 chief hearings clerk of the Department within 30 days of the mailing of the
46 notice by the Department of the action giving rise to the contested case. The
47 petition shall identify the petitioner, be signed by the party or representative
48 of the party, and shall describe the agency action giving rise to the contested
49 case. As used in this section, "file or filing" means to place the paper or item
50 to be filed into the care and custody of the chief hearings clerk of the
51 Department and acceptance thereof by the chief hearings clerk, except that

1 the hearing officer may permit the papers to be filed with the hearing officer,
2 in which event the hearing officer shall note thereon the filing date. The
3 Department shall supply forms for use in these contested cases.

4 (2) If there is a timely request for an appeal, the Department shall promptly
5 designate a hearing officer who shall hold an evidentiary hearing. The
6 hearing officer shall conduct the hearing according to applicable federal law
7 and regulations and shall ensure that:

8 a. Notice of the hearing is given not less than 15 days before the
9 hearing. The notice shall state the date, hour, and place of the hearing
10 and shall be deemed to have been given on the date that a copy of the
11 notice is mailed, via certified mail, to the address provided by the
12 petitioner in the petition for hearing.

13 b. The hearing is held in Wake County, except that the hearing officer
14 may, after consideration of the numbers, locations, and convenience
15 of witnesses and in order to promote the ends of justice, hold the
16 hearing by telephone or other electronic means or hold the hearing in
17 a county in which the petitioner resides.

18 c. Discovery is no more extensive or formal than that required by
19 federal law and regulations applicable to the hearings. Prior to and
20 during the hearing, a provider representative shall have adequate
21 opportunity to examine the provider's own case file. No later than
22 five days before the date of the hearing, each party to a contested
23 case shall provide to each other party a copy of any documentary
24 evidence that the party intends to introduce at the hearing and shall
25 identify each witness that the party intends to call.

26 (3) The hearing officer shall have the power to administer oaths and
27 affirmations, subpoena the attendance of witnesses, rule on prehearing
28 motions, and regulate the conduct of the hearing. The following shall apply
29 to hearings held pursuant to this section:

30 a. At the hearing, the parties may present such sworn evidence, law,
31 and regulations as are relevant to the issues in the case.

32 b. The petitioner and the respondent agency each have a right to be
33 represented by a person of his choice, including an attorney obtained
34 at the party's own expense.

35 c. The petitioner and the respondent agency shall each have the right to
36 cross-examine witnesses as well as make a closing argument
37 summarizing his view of the case and the law.

38 d. The appeal hearing shall be recorded. If a petition for judicial review
39 is filed pursuant to subsection (f) of this section, a transcript will be
40 prepared and made part of the official report and shall be prepared at
41 no cost to the appellant. In the absence of the filing of a petition for a
42 judicial review, no transcript will be prepared unless requested by a
43 party, in which case each party shall bear the cost of the transcript or
44 part thereof or copy of the transcript or part thereof requested by the
45 party. The recording of the appeal hearing may be erased or
46 otherwise destroyed 180 days after the final decision is mailed as
47 provided in G.S. 108A-79(i)(5).

48 (4) The hearing officer shall decide the case based upon a preponderance of the
49 evidence, giving deference to the demonstrated knowledge and expertise of
50 the agency as provided in G.S. 150B-34(a). The hearing officer shall prepare
51 a proposal for the decision, citing relevant law, regulations, and evidence,

- 1 which shall be served upon the petitioner or the petitioner's representative by
2 certified mail, with a copy furnished to the respondent agency.
- 3 (5) The petitioner and the respondent agency shall have 15 days from the date of
4 the mailing of the proposal for decision to present written arguments in
5 opposition to or in support of the proposal for decision to the designated
6 official of the Department who will make the final decision. If neither
7 written arguments are presented, nor extension of time granted by the final
8 agency decision maker for good cause, within 15 days of the date of the
9 mailing of the proposal for decision, the proposal for decision becomes final.
10 If written arguments are presented, such arguments shall be considered and
11 the final decision shall be rendered. The final decision shall be rendered not
12 more than 90 days from the date of the filing of the petition. This time limit
13 may be extended by agreement of the parties or by final agency decision
14 maker, for good cause shown, for an additional period of up to 30 days. The
15 final decision shall be served upon the petitioner or the petitioner's
16 representative by certified mail, with a copy furnished to the respondent
17 agency. In the absence of a petition for judicial review filed pursuant to
18 subsection (f) of this section, the final decision shall be binding upon the
19 petitioner and the Department.
- 20 (6) A petitioner who is dissatisfied with the final decision of the Department
21 may file, within 30 days of the service of the decision, a petition for judicial
22 review in the Superior Court of Wake County or of the county from which
23 the case arose. The judicial review shall be conducted according to Article 4
24 of Chapter 150B of the General Statutes.
- 25 (7) In the event of a conflict between federal law or regulations and State law or
26 regulations, federal law or regulations shall control. This section applies to
27 all petitions that are filed by a Medicaid community support services
28 provider on or after July 1, 2008, and for all Medicaid community support
29 services provider petitions that have been filed at the Office of
30 Administrative Hearings previous to July 1, 2008, but for which a hearing on
31 the merits has not been commenced prior to that date. The requirement that
32 the agency decision must be rendered not more than 90 days from the date of
33 the filing of the petition for hearing shall not apply to (i) community support
34 services provider petitions that were filed at the Office of Administrative
35 Hearings or (ii) requests for a hearing under the Department's informal
36 settlement process prior to the effective date of this act. The Office of
37 Administrative Hearings shall transfer all cases affected by this section to
38 the Department of Health and Human Services within 30 days of the
39 effective date of this section. This act preempts the existing informal appeal
40 process and reconsideration review process at the Department of Health and
41 Human Services and the existing appeal process at the Office of
42 Administrative Hearings with regard to all appeals filed by Medicaid
43 community support services providers under the Medical Assistance
44 program.

45 **SECTION 10.22.(c)** Notwithstanding any other provision of law to the contrary,
46 the Department of Health and Human Services may, pursuant to its statutory authority or
47 federal Medicaid requirements, suspend the endorsement or Medicaid participation of a
48 provider of community support services pending a final agency decision based on a fair hearing
49 of the provider's appeal filed with the Department under its community support provider appeal
50 process. A provider of community support services whose endorsement, Medicaid
51 participation, or services have been suspended is not entitled to payment during the period the

1 appeal is pending, and the Department shall make no such payment to the provider during that
2 period. If the final agency decision is in favor of the provider, the Department shall remove the
3 suspension, commence payment for provider services, and reimburse the provider for payments
4 withheld during the period of appeal. Contracts between the Department or a local
5 management entity and the provider shall contain a provision indicating the circumstances
6 under which a provider may appeal an agency decision and giving notice of the suspension of
7 payments to the provider while the appeal is pending. This subsection applies to community
8 support provider appeals pending in the Department of Health and Human Services or the
9 Office of Administrative Hearings, as applicable, on and after July 1, 2008.

10 **SECTION 10.22.(d)** The Department's community support provider appeals
11 process established under this section shall expire July 1, 2010. The Department shall report to
12 the House of Representatives Appropriations Subcommittee on Health and Human Services,
13 the Senate Appropriations Committee on Health and Human Services, the Joint Legislative
14 Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse
15 Services, and the Fiscal Research Division on October 1, 2009, and March 1, 2010, on the
16 effectiveness and efficiency of the community support provider appeals process.

9 this section control.
- 10 (2) Simple Procedures. – Notwithstanding any other provision of Article 3 of
11 Chapter 150B of the General Statutes, the chief administrative law judge
12 may limit and simplify the procedures that apply to a contested Medicaid
13 case involving a Medicaid applicant or recipient in order to complete the
14 case as quickly as possible. To the extent possible, the Hearings Division
15 shall schedule and hear contested Medicaid cases within 45 days of
16 submission of a request for appeal. The simplified procedure may include
17 requiring that all prehearing motions be considered and ruled on by the
18 administrative law judge in the course of the hearing of the case on the
19 merits. An administrative law judge assigned to a contested Medicaid case
20 shall make reasonable efforts in a case involving a Medicaid applicant or
21 recipient who is not represented by an attorney to assure a fair hearing and
22 to maintain a complete record of the hearing. The administrative law judge may
23 allow brief extensions of the time limits contained in this section for good
24 cause and to ensure that the record is complete. Good cause includes delays
25 resulting from untimely receipt of documentation needed to render a
26 decision and other unavoidable and unforeseen circumstances.
- 27 (3) Mediation. – Upon receipt of an appeal request form as provided by
28 subdivision (e)(4) of this section or other clear request for a hearing by a
29 Medicaid applicant or recipient, the chief administrative law judge shall
30 immediately notify the Mediation Network of North Carolina which shall
31 within five days contact the petitioner to offer mediation in an attempt to
32 resolve the dispute. If mediation is accepted, the mediation must be
33 completed within 25 days of submission of the request for appeal. If
34 mediation is successful, the mediator shall inform the Hearings Division,
35 which shall confirm with the agency that a settlement has been achieved, and
36 the case shall be dismissed. If the petitioner rejects the offer of mediation or
37 the mediation is unsuccessful, the mediator shall notify the Hearings
38 Division that the case will proceed to hearing. Nothing in this subdivision
39 shall restrict the right to a contested case hearing.
- 40 (4) Burden of proof. – The petitioner has the burden of proof to show
41 entitlement to a requested benefit or the propriety of requested agency action
42 when the agency has denied the benefit or refused to take the particular
43 action. The agency has the burden of proof when the appeal is from an
44 agency determination to impose a penalty or reduce, terminate, or suspend a
45 benefit previously granted. The party with the burden of proof on any issue
46 has the burden of going forward, and the administrative law judge shall not
47 make any ruling on the preponderance of evidence until the close of all
48 evidence.
- 49 (5) Decision. – The administrative law judge assigned to a contested Medicaid
50 case shall hear and decide the case without unnecessary delay. The Hearings
51 Division shall send a copy of the audiotape or diskette of the hearing to the

1 agency within five days of completion of the hearing. The judge shall
2 prepare a written decision and send it to the parties. The decision must be
3 sent together with the record to the agency within 20 days of the conclusion
4 of the hearing.

5 **SECTION 10.22.(g)** Nothing in this act shall prevent the Department of Health and
6 Human Services from engaging in an informal review of the case with the applicant or recipient
7 prior to issuing a notice of adverse determination as provided by subsection (e) of this section.

8 **SECTION 10.22.(h)** The appeals process for Medicaid applicants and recipients
9 established under this section shall expire July 1, 2010. The Department of Health and Human
10 Services and the Office of Administrative Hearings shall each report to the House of
11 Representatives Appropriations Subcommittee on Health and Human Services, the Senate
12 Appropriations Subcommittee on Health and Human Services, the Joint Legislative Oversight
13 Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services, and
14 the Fiscal Research Division on October 1, 2009, and March 1, 2010, on the costs,
15 effectiveness, and efficiency of the appeals process for Medicaid applicants and recipients and
16 make recommendations regarding the continuation of the process.

17 **SECTION 10.22.(i)** The Department of Health and Human Services, Division of
18 Medical Assistance, shall adopt a policy reducing the maximum allowable hours for
19 community support services to eight hours per week. This subsection does not apply to
20 community support services offered under a Medicaid managed care, capitated at-risk waiver.

21 **CLARIFYING CHANGES TO STATE MEDICAID RESPONSIBILITIES**

22 **SECTION 10.23.** Consistent with Sections 31.16.1(c) and (d) of S.L. 2007-323
23 that requires the State to assume responsibility for the nonfederal share of the costs of medical
24 services provided under the Medicaid Program starting June 1, 2009, the counties shall neither
25 bear any responsibility for settlement payments to providers or refunds of expenditure for
26 program service claims paid on or before June 1, 2009. Counties will continue to participate in
27 their share of administrative costs.
28

29 **DMA REDUCTION OPTION FLEXIBILITY**

30 **SECTION 10.24.(a)** The Department of Health and Human Services, Division of
31 Medical Assistance, shall, in consultation with provider groups and other interested parties,
32 review ways to improve health care quality, ensure appropriate use of services, improve clinical
33 outcomes, and reduce the cost of care for beneficiaries with medically complex conditions as
34 well as to strengthen fraud and abuse oversight efforts. In the review the Division shall explore
35 all viable options to improve the quality of care and to control health care costs, including, but
36 not limited to, the following options:
37

- 38 (1) Increasing utilization review and management practices to improve value
39 and quality internally or with private vendors with proven records in other
40 states' Medicaid programs;
- 41 (2) Expanding and enhancing programs that increase Aged, Blind, and Disabled
42 (ABD) Medicaid eligibles participation within CCNC's medical home efforts
43 and/or encourage single physician care management;
- 44 (3) Developing and enhancing incentives for increased provider participation in
45 CCNC;
- 46 (4) Requiring inpatient and outpatient care management for select Medicaid
47 enrollees;
- 48 (5) Adopting specific network and physician performance and compliance
49 standards within the Community Care of NC (CCNC) that are tied to any
50 enhanced reimbursement structure;

- 1 (6) Initiative to address State nursing home payment methods and to offer
2 incentives in payment methods to achieve certain quality and cost goals;
- 3 (7) Initiative to control drug cost and utilization as well as to maximize
4 collection of supplemental rebates;
- 5 (8) Increasing third-party recovery and/or cost avoidance efforts, including
6 enhancing Medicaid fraud and abuse oversight initiatives;
- 7 (9) Reducing or eliminating the occurrence of hospital "never events" –
8 nonreimbursement for serious and costly errors in the provision of health
9 care services that should never happen.

10 **SECTION 10.24.(b)** In order to consider all proposals prior to preparing
11 adjustments to the fiscal year 2010-2011 budget, the Division shall report its recommendations
12 on methods to better manage and save Medicaid costs to the Governor's Office by January 15
13 of 2010. All proposals shall include the steps necessary for implementation, including time
14 frames, and the amount of projected savings over a five-year period.

15 **CO-PAYMENTS FOR TICKET TO WORK**

16 **SECTION 10.25.** G.S. 108A-54.1 reads as rewritten:

17 **"§ 108A-54.1. Medicaid buy-in for workers with disabilities.**

18 (a) Title. – This act may be cited as the Health Coverage for Workers with Disabilities
19 Act. The Department shall implement a Medicaid buy-in eligibility category as permitted under
20 P.L. 106-170, Ticket to Work and Work Incentives Improvement Act of 1999. The Department
21 shall establish rules, policies, and procedures to implement this act in accordance with this
22 section.
23

24 (b) Definitions. – As used in this section, unless the context clearly requires otherwise:

- 25 (1) "FPG" means the federal poverty guidelines.
- 26 (2) "HCWD" means Health Coverage for Workers With Disabilities.
- 27 (3) "SSI" means Supplemental Security Income.
- 28 (4) "Ticket to Work" means the Ticket to Work and Work Incentives
29 Improvement Act of 1999.

30 (c) Eligibility. – An individual is eligible for HCWD if:

- 31 (1) The individual is at least 16 years of age and is less than 65 years of age;
- 32 (2) The individual meets Social Security Disability criteria, or the individual has
33 been enrolled in HCWD and then becomes medically improved as defined in
34 Ticket to Work and as further specified by the Department. An individual
35 shall be determined to be eligible under this section without regard to the
36 individual's ability to engage in, or actual engagement in, substantial gainful
37 activity as defined in section 223 of the Social Security Act (42 U.S.C. §
38 423(d)(4)). In conducting annual redetermination of eligibility, the
39 Department may not determine that an individual participating in HCWD is
40 no longer disabled based solely on the individual's participation in
41 employment or earned income;
- 42 (3) The individual's unearned income does not exceed one hundred fifty percent
43 (150%) of FPG, and countable resources for the individual do not exceed the
44 resource limit for the minimum community spouse resource standard under
45 42 U.S.C. § 1396r, and as further determined by the Department. In
46 determining an individual's countable income and resources, the Department
47 may not consider income or resources that are disregarded under the State
48 Medical Assistance Plan's financial methodology, including the
49 sixty-five-dollar (\$65.00) disregard, impairment-related work expenses,
50 student earned-income exclusions, and other SSI program work incentive
51 income disregards; and

1 (4) The individual is engaged in a substantial and reasonable work effort
2 (employed) as provided in this subdivision and as further defined by the
3 Department and allowable under federal law. For purposes of this
4 subsection, "engaged in substantial and reasonable work effort" means all of
5 the following:

- 6 a. Working in a competitive, inclusive work setting, or self-employed.

8 c. Having monthly earnings above the SSI basic sixty-five-dollar
9 (\$65.00) earned-income disregard.
10 d. Being able to provide evidence of paying applicable Medicare, Social
11 Security, and State and federal income taxes.

12 The Department may impose additional earnings requirements in
13 defining "engaged in substantial and reasonable work effort" for individuals
14 who are eligible for HCWD based on medical improvement.

15 Individuals who participate in HCWD but thereafter become
16 unemployed for involuntary reasons, including health reasons, shall have
17 continued eligibility in HCWD for up to 12 months from the time of
18 involuntary unemployment, so long as the individual (i) maintains a
19 connection with the workforce, as determined by the Department, (ii) meets
20 all other eligibility criteria for HCWD during the period, and (iii) pays
21 applicable fees, premiums, and co-payments.

22 (d) Fees, Premiums, and Co-Payments. – Individuals who participate in HCWD and
23 have countable income greater than one hundred fifty percent (150%) of FPG shall pay an
24 annual enrollment fee of fifty dollars (\$50.00) to their county department of social services.
25 Individuals who participate in HCWD and have countable income greater than or equal to two
26 hundred percent (200%) of FPG shall pay a monthly premium in addition to the annual fee. The
27 Department shall set a sliding scale for premiums, which is consistent with applicable federal
28 law. An individual with countable income equal to or greater than four hundred fifty percent
29 (450%) of FPG shall pay not less than one hundred percent (100%) of the cost of the premium,
30 as determined by the Department. The premium shall be based on the experience of all
31 individuals participating in the Medical Assistance Program. Individuals who participate in
32 HCWD are subject to co-payments equal to those required under the ~~North Carolina Health~~
33 ~~Choice Program. Medical Assistance Program.~~"

34 35 ACCOUNTING FOR MEDICAID RECEIVABLES AS NONTAX REVENUE

36 **SECTION 10.26.(a)** Receivables reserved at the end of the 2009-2010 and
37 2010-2011 fiscal years shall, when received, be accounted for as nontax revenue for each of
38 those fiscal years.

39 **SECTION 10.26.(b)** For the 2009-2010 fiscal year, the Department of Health and
40 Human Services shall deposit from its revenues one hundred twenty-four million nine hundred
41 ninety four thousand nine hundred fifty four dollars (\$124,994,954) with the Department of
42 State Treasurer to be accounted for as nontax revenue. For the 2010-2011 fiscal year, the
43 Department of Health and Human Services shall deposit from its revenues one hundred million
44 dollars (\$100,000,000) with the Department of State Treasurer to be accounted for as nontax
45 revenue. Any revenue collected in each of the fiscal years in excess of one of the amounts
46 listed above shall be reserved by the State Treasurer in the Department's account for future
47 appropriations by the General Assembly. These deposits shall represent the return of General
48 Fund appropriations provided to the Department of Health and Human Services to provide
49 indigent care services at State-owned and operated mental hospitals. The treatment of any
50 revenue derived from federal programs shall be in accordance with the requirements specified
51 in the Code of Federal Regulations, Volume 2, Part 225.

PREFERRED DRUG LIST PROGRAM

SECTION 10.27.(a) In the event insufficient savings are realized from enhancing the utilization management of the Prescription Advantage List, increasing the utilization of generic drugs in place of brand-name drugs and increasing rebate collections on generic drugs, the Department of Health and Human Services shall establish and implement a preferred drug list program under the Division of Medical Assistance. The Department shall submit a medical assistance State Plan amendment to the Centers for Medicare and Medicaid Services (CMS) of the United States Department of Health and Human Services to implement the program.

SECTION 10.27.(b) The pharmaceutical and therapeutics committee of the Physician's Advisory Group (PAG) shall provide ongoing review of the preferred drug list. Members of the committee shall submit conflict of interest disclosure statements to the Department and shall have an ongoing duty to disclose conflicts of interest not included in the original disclosure.

SECTION 10.27.(c) The Department, in consultation with the PAG, shall adopt and publish policies and procedures relating to the preferred drug list, including:

- (1) Guidelines for the presentation and review of drugs for inclusion on the preferred drug list,
- (2) The manner and frequency of audits of the preferred drug list for appropriateness of patient care and cost effectiveness,
- (3) An appeals process for the resolution of disputes, and
- (4) Such other policies and procedures as the Department deems necessary and appropriate.

The Department and the pharmaceutical and therapeutics committee shall consider all therapeutic classes of prescription drugs for inclusion on the preferred drug list, except medications for treatment of human immunodeficiency virus or acquired immune deficiency syndrome, shall not be subject to consideration for inclusion on the preferred drug list.

The Department shall maintain an updated preferred drug list in electronic format and shall make the list available to the public on the Department's Internet Web site.

The Department shall: (i) enter into a multistate purchasing pool; (ii) negotiate directly with manufacturers or labelers; or (iii) contract with a pharmacy benefit manager for negotiated discounts or rebates for all prescription drugs under the medical assistance program in order to achieve the lowest available price for such drugs under such program.

The Department may negotiate supplemental rebates from manufacturers that are in addition to those required by Title XIX of the federal Social Security Act. The committee shall consider a product for inclusion on the preferred drug list if the manufacturer provides a supplemental rebate. The Department may procure a sole source contract with an outside entity or contractor to conduct negotiations for supplemental rebates.

SECTION 10.27.(d) This section becomes effective if the Department cannot demonstrate by June 1, 2010, that twenty million seven hundred ninety-one thousand two hundred sixty-four dollars (\$20,791,264) in prescription drug savings have been realized by employing the methods outlined in subsection (a) of this section.

MEDICAID MANAGEMENT INFORMATION SYSTEM (MMIS) FUNDS

SECTION 10.28. The sum of eleven million seventy-one thousand five hundred two dollars (\$11,071,502) for fiscal year 2009-2010 and nine million eight hundred twenty thousand six hundred eighty-nine dollars (\$9,820,689) for fiscal year 2010-2011 is appropriated from prior year earned revenues received by the Department of Health and Human Services for the Medicaid Management Information System (MMIS) replacement project. These funds shall be deposited to the Department's information technology budget code and will be used to match federal funds for the procurement, design, development, and implementation of the new

1 MMIS system and to fund the central management of the project. In the event that prior year
2 earned revenue is not received in these amounts, the Department is authorized with approval of
3 the Office of State Budget and Management to use other over-realized receipts to the level
4 appropriated in this section for MMIS expenditures.

6 MEDICAID FALSE CLAIMS

7 **SECTION 10.29.(a)** G.S. 108A-70.11(5) reads as rewritten:

9 established pursuant to G.S. 108A-54 and includes the North Carolina
10 Division of Medical Assistance and or its fiscal agent."

11 **SECTION 10.29.(b)** G.S. 108A-70.12(a) reads as rewritten:

16 Program a false or fraudulent claim for payment or ~~approval; or approval.~~

21 fraudulent claim allowed or paid.
- 22 (4) Knowingly make, use, or cause to be made or used, a false record or
23 statement to conceal, avoid, or decrease an obligation to pay or transmit
24 money or property to the Medical Assistance Program. Each claim presented
25 or caused to be presented in violation of this section is a separate violation."

26 **SECTION 10.29.(c)** G.S. 108A-70.12(b)(1) reads as rewritten:

27 "(b) Damages. –

- 28 (1) Except as provided in subdivision (2) of this subsection, a court shall assess
29 against any provider of medical assistance under the Medical Assistance
30 Program who violates this section a civil penalty of not less than five
31 thousand five hundred dollars (~~\$5,000~~)(\$5,500) and not more than ~~ten~~
32 ~~thousand~~ dollars (~~\$10,000~~)(eleven thousand) dollars (\$11,000) plus three
33 times the amount of damages which the ~~Medicaid~~ Medical Assistance
34 Program sustained because of the act of the provider."

35 **SECTION 10.29.(d)** Article 2 of Chapter 108A of the General Statutes is amended
36 by adding the following new Part to read:

37 "Part 7A. Civil Action by Private Persons for Provider False Claims.

38 "§ 108A-70.17. Civil action filed by private persons.

39 (a) A person may initiate a civil action for a violation of G.S. 108A-70.12 on behalf of
40 the person and the State. The action shall be brought in the name of the State. The action may
41 be dismissed prior to service of the complaint upon the defendant under subsection (c) of this
42 section only if the court and the Attorney General have given written consent to the dismissal
43 and their reasons for consenting.

44 (b) A copy of the complaint and written disclosure of substantially all material evidence
45 and information the person possesses shall be served on the State. The complaint shall be filed
46 in camera, shall remain under seal for at least 120 days, and shall not be served on the
47 defendant until the court so orders. The State may elect to intervene and proceed with the
48 action within 120 days after it receives both the complaint and the material evidence and
49 information. The State may, for good cause shown, move the court for a partial lifting of the
50 seal to facilitate the investigative process or settlement.

1 (c) The State may, for good cause shown, move the court for extensions of the time
2 during which the complaint remains under seal. Any of these motions may be supported by
3 affidavits or other submission in camera. The time period to respond to any complaint filed
4 under this section shall commence 21 days after the complaint is unsealed and served upon the
5 defendant.

6 (d) Before the expiration of the 120-day period or any extensions obtained under
7 subsection (c) of this section, the State shall either proceed with the action, in which case the
8 action shall be conducted by the State, or notify the court that it declines to take over the action,
9 in which case the person initiating the action shall have the right to prosecute the action.

10 (e) When a person initiates an action under this section, no person other than the State
11 may intervene or bring a related action based on the facts underlying the pending action. If
12 another action is filed based on the facts underlying the pending action while the complaint is
13 sealed under subsections (b) and (c) of this section, the court may consolidate the actions or
14 dismiss the subsequent action.

15 **"§ 108A-70.17A. Rights of private plaintiff and State.**

16 (a) If the State proceeds with the action, it shall have the primary responsibility for
17 prosecuting the action and shall not be bound by any act of the person initiating the action. The
18 person bringing the action shall have the right to continue as a party to the action, subject to the
19 limitations of this section.

20 (b) The State may dismiss the action notwithstanding the objections of the person
21 initiating the action if the person has been notified by the State of the filing of the motion, and
22 the court has provided the person with an opportunity for a hearing on the motion.

23 (c) The State may settle the action with the defendant notwithstanding the objections of
24 the person initiating the action if the court determines, after a hearing, that the proposed
25 settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of
26 good cause, such hearing may be held in camera.

27 (d) If the State proceeds with the action, the court may, in its discretion, impose
28 limitations on the person's participation in the litigation as set forth in subsection (e) of this
29 section. Such limitations must be imposed after any of the following:

30 (1) A showing by the State that unrestricted participation during the course of
31 the litigation by the person initiating the action would interfere with or
32 unduly delay the State's prosecution of the case, or would be repetitious,
33 irrelevant, or for purposes of harassment.

34 (2) A showing by the defendant that unrestricted participation during the course
35 of the litigation by the person initiating the action would be for purposes of
36 harassment or would cause the defendant undue burden or unnecessary
37 expense.

38 (e) Limitations on participation of the person initiating the action shall include all of the
39 following:

40 (1) Limiting the number of witnesses the person may call.

41 (2) Limiting the length of the testimony of such witnesses.

42 (3) Limiting the person's cross-examination of witnesses.

43 (4) Other limits on the participation by the person initiating the action in the
44 litigation as the court deems appropriate.

45 (f) If the State elects not to proceed with the action, the person who initiated the action
46 shall have the right to conduct the action. If the State so requests, it shall be served with copies
47 of all pleadings filed in the action and shall be supplied with copies of all deposition transcripts
48 at the State's expense. When a person initiating the action proceeds with the action, the court,
49 without limiting the status and rights of the person initiating the action, may nevertheless
50 permit the State to intervene at a later date upon a showing of good cause.

1 (g) Whether or not the State proceeds with the action, upon a showing by the State that
2 certain actions of discovery by the person initiating the action would interfere with the State's
3 investigation or prosecution of a criminal or civil matter arising out of the same facts, the court
4 may stay the discovery for a period of not more than 60 days. The showing by the State shall be
5 conducted in camera. The court may extend the 60-day period upon a further showing in
6 camera that the State has pursued the criminal or civil investigation or proceedings with
7 reasonable diligence and any proposed discovery in the civil action will interfere with the
8 ongoing criminal or civil investigation or prosecution of the criminal or civil matter.

9 (h) Notwithstanding G.S. 108A-70.17(b), the State may elect to pursue its claim
10 through any alternate remedy available to the State, including any administrative proceeding to
11 determine a civil money penalty. Any finding of fact or conclusion of law made in the alternate
12 proceeding that has become final shall be conclusive on all parties to an action under this Part.
13 For purposes of this subsection, a finding or conclusion is final if it has been finally determined
14 on appeal by a court of competent jurisdiction of the State, if the time for filing an appeal with
15 respect to the finding or conclusion has expired, or if the finding or conclusions are not subject
16 to judicial review.

17 **"§ 108A-70.17B. Award to qui tam plaintiff.**

18 (a) Except as otherwise provided in this section, if the State proceeds with an action
19 brought by a person under G.S. 108A-70.17, the person shall receive at least fifteen percent
20 (15%) but not more than twenty-five percent (25%) of the proceeds of the action or settlement
21 of the claim, if any, depending upon the extent to which the person substantially contributed to
22 the prosecution of the action. The plaintiff's share in the proceeds of the action or settlement is
23 administrative costs of the action. A share of the proceeds of an action or settlement of the
24 claim shall not be awarded to the person initiating the action in State court under this Part if the
25 person has received or may receive a share of the proceeds or settlement of an action or claim
26 on the same facts brought in federal court. Where the action is one that the court finds to be
27 based primarily on disclosures of specific information, other than information proved by the
28 person initiating the action, relating to allegations or transactions in a criminal, civil, or
29 administrative hearing, in a legislative, administrative, or State Auditor's report, hearing, audit,
30 or investigation, or from the news media, the court may reduce the award under this subsection
31 to such sums as it considers appropriate, but in no case more than ten percent (10%) of the
32 proceeds of the action, taking into account the significance of the information and the role of
33 the person initiating the action in advancing the case to litigation.

34 (b) If the State does not proceed with an action, the person initiating the action or
35 settling the claim shall receive an amount that the court decides is reasonable for collecting the
36 civil penalty and damages, if awarded. The amount shall be not less than twenty-five percent
37 (25%) and not more than thirty percent (30%) of the proceeds of the action or settlement and
38 shall be paid out of the proceeds.

39 (c) Notwithstanding subsections (a) and (b) of this section, if the person initiating the
40 action is a person who primarily planned and initiated the violation of G.S. 108A-70.12 upon
41 which the action was brought, that person shall be dismissed as a qui tam plaintiff and shall not
42 receive any share of the proceeds of the action. If the person initiating the action is convicted of
43 criminal conduct arising from the person's role in the violation of G.S. 108A-70.12, that person
44 shall be dismissed from the civil action and shall not receive any share of the proceeds of the
45 action. The dismissal shall not prejudice the right of the State to continue the action.

46 (d) If the State does not proceed with the action and the person initiating the action
47 conducts the action, the court may award to the defendant its reasonable attorneys' fees and
48 expenses if the defendant prevails in the action and if the court finds that the claim of the
49 person bringing the action was clearly frivolous, clearly vexatious, or brought primarily for
50 purposes of harassment.

51 **"§ 108A-70.17C. Certain actions barred.**

1 (a) No court shall have jurisdiction over an action brought under this Part based on
2 information discovered by a present or former employee of the State or a political subdivision
3 of the State during the course of the present or former employee's employment unless that
4 employee first, in good faith, exhausted existing internal procedures for reporting and seeking
5 recovery of the falsely claimed sums through official channels, and unless the State or political
6 subdivision failed to act on the information provided within a reasonable period of time.

7 (b) In no event may a person bring an action under this Part that is based upon
8 allegations or transactions that are the subject of a criminal action, civil action, or an
9 administrative proceeding in which the State is already a party.

10 (c) No court shall have jurisdiction over an action under this Part based upon the public
11 disclosure of allegations or transactions in a criminal, civil, or administrative hearing, in a
12 legislative, administrative, or State Auditor's report, hearing, audit, or investigation, or from the
13 news media, unless the action is brought by the Attorney General, or the person initiating the
14 action is an original source of the information. For purposes of this section, "original source"
15 means an individual who has direct and independent knowledge of the information on which
16 the allegations are based and has voluntarily provided the information to the State before filing
17 an action under this Part that is based on the information.

18 (d) The State is not liable for expenses a person incurs in bringing an action under this
19 Part.

19 20 **STATE-COUNTY SPECIAL ASSISTANCE**

21 **SECTION 10.51.(a)** The eligibility of Special Assistance recipients residing in
22 adult care homes on August 1, 1995, shall not be affected by an income reduction in the Special
23 Assistance eligibility criteria resulting from adoption of the Rate Setting Methodology Report
24 and Related Services, providing these recipients are otherwise eligible. The maximum monthly
25 rate for these residents in adult care home facilities shall be one thousand two hundred
26 thirty-one dollars (\$1,231) per month per resident.

27 **SECTION 10.51.(b)** Effective January 1, 2009, the maximum monthly rate for
28 residents in adult care home facilities shall be one thousand two hundred seven dollars (\$1,207)
29 per month per resident unless adjusted by the Department in accordance with subsection (d) of
30 this section.

31 **SECTION 10.51.(c)** The maximum monthly rate for residents in
32 Alzheimer/Dementia special care units shall be one thousand five hundred fifteen dollars
33 (\$1,515) per month per resident unless adjusted by the Department in accordance with
34 subsection (d) of this section.

35 **SECTION 10.51.(d)** Notwithstanding any other provision of this section, the
36 Department of Health and Human Services shall review activities and costs related to the
37 provision of care in adult care homes and shall determine what costs may be considered to
38 properly maximize allowable reimbursement available through Medicaid personal care services
39 for adult care homes (ACH-PCS) under federal law. As determined, and with any necessary
40 approval from the Centers for Medicare and Medicaid Services (CMS), and the approval of the
41 Office of State Budget and Management, the Department may transfer necessary funds from
42 the State-County Special Assistance program within the Division of Social Services to the
43 Division of Medical Assistance and may use those funds as State match to draw down federal
44 matching funds to pay for such activities and costs under Medicaid's personal care services for
45 adult care homes (ACH-PCS), thus maximizing available federal funds. The established rate for
46 State-County Special Assistance set forth in subsections (b) and (c) of this section shall be
47 adjusted by the Department to reflect any transfer of funds from the Division of Social Services
48 to the Division of Medical Assistance and related transfer costs and responsibilities from
49 State-County Special Assistance to the Medicaid personal care services for adult care homes
50 (ACH-PCS). Subject to approval by the Centers for Medicare and Medicaid Services (CMS)
51 and prior to implementing this section, the Department may disregard a limited amount of

1 income for individuals whose countable income exceeds the adjusted State-County Special
2 Assistance rate. The amount of the disregard shall not exceed the difference between the
3 Special Assistance rate prior to the adjustment and the Special Assistance rate after the
4 adjustment and shall be used to pay a portion of the cost of the ACH-PCS and reduce the
5 Medicaid payment for the individual's personal care services provided in an adult care home. In
6 no event shall the reimbursement for services through the ACH-PCS exceed the average cost of
7 the services as determined by the Department from review of cost reports as required and
8 submitted by adult care homes. The Department shall report any transfers of funds and
9 modifications of rates to the House of Representatives Appropriations Subcommittee on Health
10 and Human Services, the Senate Appropriations Committee on Health and Human Services,
11 and the Fiscal Research Division.

12 **SECTION 10.51.(e)** The Department of Health and Human Services shall
13 recommend rates for State-County Special Assistance and for Adult Care Home Personal Care
14 Services. The Department may recommend rates based on appropriate cost methodology and
15 cost reports submitted by adult care homes that receive State-County Special Assistance funds
16 and shall ensure that cost reporting is done for State-County Special Assistance and Adult Care
17 Home Personal Care Services to the same standards as apply to other residential service
18 providers.

19 **SPECIAL ASSISTANCE IN-HOME**

20 **SECTION 10.52.** The Department of Health and Human Services may use funds
21 from the existing State-County Special Assistance for Adults budget to provide Special
22 Assistance payments to eligible individuals in in-home living arrangements. These payments
23 may be made for up to 1,500 individuals during the 2009-2010 fiscal year and the 2010-2011
24 fiscal year. The standard monthly payment to individuals enrolled in the Special Assistance
25 in-home program shall be seventy-five percent (75%) of the monthly payment the individual
26 would receive if the individual resided in an adult care home and qualified for Special
27 Assistance, except if a lesser payment amount is appropriate for the individual as determined
28 by the local case manager. For State fiscal year 2009-2010, qualified individuals shall not
29 receive payments at rates less than they would have been eligible to receive in State fiscal year
30 2008-2009. The Department shall implement Special Assistance in-home eligibility policies
31 and procedures to assure that in-home program participants are those individuals who need and,
32 but for the in-home program, would seek placement in an adult care home facility. The
33 Department's policies and procedures shall include the use of a functional assessment. The
34 Department shall make this in-home option available to all counties on a voluntary basis. To
35 the maximum extent possible, the Department shall consider geographic balance in the
36 dispersion of payments to individuals across the State.

37 **STUDY THE AVAILABILITY OF COMMUNITY MH/DD/SA SERVICES FOR** 38 **MILITARY FAMILIES**

39 **SECTION 10.53.** Funds appropriated in this act to the Department of Health and

41 availability of Medicaid and State-funded mental health, developmental disability, and
42 substance abuse services to active duty, reserve, and veteran members of the military and
43 National Guard. The study should discuss the current availability of services, the extent of use,
44 and any gaps in services. The NCIOM shall submit a report of its findings and any
45 recommended legislation to the Governor's Office, the Joint Legislative Commission on

FILLING SERVICE GAPS

SECTION 10.58. Funds appropriated in this act for mental health services and supported employment shall be allocated to local management entities such that each local management entity receives a percentage of the total allocation that is equal to that local management entity's percentage of the State's total population that is below the federal poverty level. Funds appropriated to the Department of Health and Human Services for the 2009-2010 and 2010-2011 fiscal years for mental health services, substance abuse services, and crisis services and allocated based on the poverty level shall continue to be allocated by the Department to local management entities such that each local management entity receives a percentage of the total allocation that is equal to that local management entity's percentage of the State's total population that is below the federal poverty level.

INCREASE AVAILABILITY OF SUBSTANCE ABUSE TREATMENT

SECTION 10.59.(a) Consistent with G.S. 122C-2, the General Assembly strongly encourages LMEs to use a portion of the funds appropriated for substance abuse treatment services to support prevention and education activities.

SECTION 10.59.(b) An LME may use up to one percent (1%) of funds allocated to it for substance abuse treatment services to provide nominal incentives for consumers who achieve specified treatment benchmarks, in accordance with the federal substance abuse and mental health services administration best practice model entitled Contingency Management.

SECTION 10.59.(c) In providing treatment and services for adult offenders and increasing the number of TASC case managers, local management entities shall consult with TASC to improve offender access to substance abuse treatment and match evidence-based

1 interventions to individual needs at each stage of substance abuse treatment. Special emphasis
2 should be placed on intermediate punishment offenders, community punishment offenders at
3 risk for revocation, and DOC releasees who have completed substance abuse treatment while in
4 custody.

5 In addition to the funds appropriated in this act to the Department of Health and
6 Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse
7 Services, to provide substance abuse services for adult offenders and to increase the number of
8 TASC case managers, the Department shall allocate up to three hundred thousand dollars
9 (\$300,000) to Treatment Accountability for Safer Communities (TASC). These funds shall be
10 allocated to TASC before funds are allocated to local management entities for mental health
11 services, substance abuse services, and crisis services.

12 **SECTION 10.59.(d)** In providing Drug Treatment Court services, local
13 management entities shall consult with the local drug treatment court team and shall select a
14 treatment provider that meets all provider qualification requirements and the drug treatment
15 court's needs. A single treatment provider may be chosen for non-Medicaid-eligible participants
16 only. A single provider may be chosen who can work with all of the non-Medicaid-eligible
17 drug treatment court participants in a single group. During the 52-week Drug Treatment Court
18 program, participants shall receive an array of treatment and aftercare services that meets the
19 participant's level of need, including step-down services that support continued recovery.

20 **SECTION 10.59.(e)** Not later than October 1, 2009, the Department of Health and
21 Human Services shall complete the development of a Uniform Screening Tool (UST) to
22 determine the mental health of any individual admitted to any long-term care facility. The
23 Department shall report on the status of UST development on or before, January 1, 2010, to the
24 Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and
25 Substance Abuse Services.

26 **SECTION 10.59.(f)** Notwithstanding G.S. 143C-9-2(b) requiring allocation of
27 funds to area programs, the Department of Health and Human Services may use up to one
28 million five hundred thousand dollars (\$1,500,000) in each of the 2009-2010 and 2010-2011
29 fiscal years from the Trust Fund for Mental Health, Developmental Disabilities, and Substance
30 Abuse Services and Bridge Funding Needs for the purposes authorized under
31 G.S. 143C-9-2(b)(1), (3), and (4).

32 **MENTAL HEALTH CHANGES**

33 **SECTION 10.60.(a)** For the purpose of mitigating cash-flow problems that many
34 non-single-stream local management entities (LMEs) experience at the beginning of each fiscal
35 year, the Department of Health and Human Services, Division of Mental Health,
36 Developmental Disabilities, and Substance Abuse Services, shall adjust the timing and method
37 by which allocations of service dollars are distributed to each non-single-stream LME. To this
38 end, the allocations shall be adjusted such that at the beginning of the fiscal year the
39 Department shall distribute not less than one-twelfth of the LME's continuation allocation and
40 subtract the amount of the adjusted distribution from the LME's total reimbursements for the
41 fiscal year.

42 **SECTION 10.60.(b)** Of the funds appropriated for substance abuse services to the
43 Department of Health and Human Services, Division of Mental Health, Developmental
44 Disabilities, and Substance Abuse Services, for the 2009-2010 and 2010-2011 fiscal years, the
45 sum of at least eight million dollars (\$8,000,000) shall be allocated for regionally purchased
46 locally hosted substance abuse services. These funds shall be used to support LMEs in
47 establishing additional regionally purchased and locally hosted substance abuse programs.
48 Funds appropriated shall be for the purpose of developing and enhancing the American Society
49 of Addiction Medicine (ASAM) continuum of care at the community level. The Department of
50 Health and Human Services shall work with LMEs in establishing these programs. LMEs shall
51

1 report to the Department of Health and Human Services on the LMEs' use of the funds.
2 Reporting dates and frequency shall be as determined by the Department.

3 **SECTION 10.60.(c)** The Department shall encourage the conversion of the
4 remaining non-single-stream LMEs to single-stream funding as soon as possible. The
5 Department shall develop prompt-pay guidelines as part of single-stream funding requirements.
6 The Department shall also develop standards for the removal of single-stream designation for
7 those LMEs that do not continue to comply with the applicable requirements for single-stream
8 funding, except that the Department's requirements shall allow for LMEs in the first year of
9 single-stream funding to have a six-month grace period to comply with the requirements from
10 the time the LME begins single-stream funding. For its report on performance measures, the
11 Department shall include a matrix by LME and performance measure of those LMEs that are
12 not meeting the performance measure.

13 **SECTION 10.60.(d)** The Department shall perform a services gap analysis of the
14 Mental Health, Developmental Disabilities, and Substance Abuse Services System. The
15 Department of Health and Human Services shall involve LMEs in performing the gap analysis.
16 The Department shall not contract with an independent entity to perform the gap analysis. The
17 Department shall report the results of its analysis to the House of Representatives
18 Appropriations Subcommittee on Health and Human Services, the Senate Appropriations
19 Committee on Health and Human Services, the Fiscal Research Division, and the Joint
20 Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance
21 Abuse Services not later than January 1, 2010.

22 **SECTION 10.60.(e)** Onetime funds appropriated in this act for the Department of
23 Health and Human Services shall be used to support the temporary operation of the Central
24 Regional Hospital Wake Unit on the Dorothea Dix campus. The Department shall evaluate the
25 need to continue the temporary operation of the Wake Unit for one additional year and provide
26 a recommendation to the Governor no later than February 15, 2010. Notwithstanding any other
27 provision of law to the contrary, the Office of State Budget and Management shall establish the
28 positions for the Central Regional Hospital Wake Unit on the Dorothea Dix campus as
29 time-limited positions.

30 **SECTION 10.60.(f)** Of the funds appropriated in this act to the Department of
31 Health and Human Services, Division of Mental Health, Developmental Disabilities, and
32 Substance Abuse Services, for mobile crisis teams, the sum of five million seven hundred
33 fifty-five thousand dollars (\$5,755,000) shall be distributed to LMEs to support 30 mobile
34 crisis teams. The new mobile crisis units shall be distributed across the State according to need
35 as determined by the Department.

36 **SECTION 10.60.(g)** Of the funds appropriated in this act to the Department of
37 Health and Human Services, Division of Mental Health, Developmental Disabilities, and
38 Substance Abuse Services, the sum of eight million one hundred twenty-one thousand six
39 hundred forty-four dollars (\$8,121,644) shall be allocated for the purchase of local inpatient
40 psychiatric beds or bed days. These beds or bed days shall be distributed across the State
41 according to need as determined by the Department. The Department shall enter into contracts
42 with the LMEs and community hospitals for the management of these beds or bed days. Local
43 inpatient psychiatric beds or bed days shall be managed and controlled by the LME, including
44 the determination of which local or State hospital the individual should be admitted to pursuant
45 to an involuntary commitment order. Funds shall not be allocated to LMEs but shall be held in
46 a statewide reserve at the Division of Mental Health, Developmental Disabilities, and
47 Substance Abuse Services to pay for services authorized by the LMEs and billed by the
48 hospitals through the LMEs. LMEs shall remit claims for payment to the Division within 15
49 working days of receipt of a clean claim from the hospital and shall pay the hospital within 10
50 working days of receipt of payment from the Division. If the Department determines (i) that an
51 LME is not effectively managing the beds or bed days for which it has responsibility, as

1 evidenced by beds or bed days in the local hospital not being utilized while demand for services
2 at the State psychiatric hospitals has not reduced, or (ii) the LME has failed to comply with the
3 prompt payment provisions of this subsection, the Department may contract with another LME
4 to manage the beds or bed days, or, notwithstanding any other provision of law to the contrary,
5 may pay the hospital directly. The Department shall develop reporting requirements for LMEs
6 regarding the utilization of the beds or bed days. Funds appropriated in this section for the
7 purchase of local inpatient psychiatric beds or bed days shall be used to purchase additional
8 beds or bed days not currently funded by or through LMEs and shall not be used to supplant
9 other funds available or otherwise appropriated for the purchase of psychiatric inpatient
10 services under contract with community hospitals, including beds or bed days being purchased
11 through Hospital Pilot funds appropriated in S.L. 2007-323.

12 **SECTION 10.60.(h)** Of the funds appropriated in this act to the Department of
13 Health and Human Services, Division of Mental Health, Developmental Disabilities, and
14 Substance Abuse Services, the sum of one million eight hundred seventy-six thousand two
15 hundred forty-three dollars (\$1,876,243) shall be allocated for the START crisis model for
16 developmental disability services. These funds shall be distributed to LMEs to support six
17 crisis teams. The new crisis teams shall be distributed across the State according to need as
18 determined by the Department.

19 **SECTION 10.60.(i)** Funds appropriated in this act in the amount of one million
20 eighty thousand nine hundred ninety-two dollars (\$1,080,992) for start-up and ongoing support
21 of respite beds for individuals with developmental disabilities shall be distributed across the
22 State by the Department according to need.

23 **SECTION 10.60.(j)** Of the funds appropriated in this act to the Department of
24 Health and Human Services, Division of Mental Health, Developmental Disabilities, and
25 Substance Abuse Services, the sum of six million one hundred thirteen thousand nine hundred
26 forty-seven dollars (\$6,113,947) shall be allocated for walk-in crisis and immediate psychiatric
27 aftercare and shall be distributed to the LMEs to support 30 psychiatrists and related support
28 staff. Of these funds, the sum of one million six hundred fifty thousand dollars (\$1,650,000)
29 shall be used for telepsychiatry equipment to be owned by the LMEs and shall be distributed
30 across the State according to need as determined by the Department.

31 **SECTION 10.60.(k)** The independent and supportive living apartments for persons
32 with disabilities constructed from funds appropriated in this act for that purpose shall be
33 affordable to persons with incomes at the Supplemental Security Income (SSI) level.

34 **SECTION 10.60.(l)** The Department of Health and Human Services, Division of
35 Mental Health, Developmental Disabilities, and Substance Abuse Services, shall implement the
36 tiered CAP-MR/DD waiver program in accordance with Section 10.49(dd) of S.L. 2007-323.
37 The Department shall implement the program with four tiers: (i) up to seventeen thousand five
38 hundred dollars (\$17,500); (ii) between seventeen thousand five hundred one dollars (\$17,501)
39 and forty-five thousand dollars (\$45,000); (iii) between forty-five thousand one dollars
40 (\$45,001) and seventy-five thousand dollars (\$75,000); and (iv) between seventy-five thousand
41 one dollars (\$75,001) and one hundred thousand dollars (\$100,000). The Department shall
42 review on a case-by-case basis tier funding in excess of one hundred thousand dollars
43 (\$100,000) and may authorize the excess amount based on standards adopted by the
44 Department.

45 **SECTION 10.60.(m)** Of the funds appropriated in this act to the Department of
46 Health and Human Services, Division of Medical Assistance, for the 2009-2010 fiscal year for
47 CAP-MR/DD slots, a portion of these funds shall be allocated for slots managed under the
48 North Carolina CAP-MR/DD 1915(c) Medicaid waiver and shall be used for tier one slots as
49 described under Section 10.15(n) of S.L. 2008-107. In addition, a portion of these funds shall
50 be allocated to fund CAP-MR/DD slots statewide to fund a combination of slots managed

1 under the North Carolina CAP-MR/DD 1915(c) Medicaid waiver and slots managed under the
2 North Carolina Piedmont Behavioral Health Care 1915(b) and (c) Medicaid waiver.

3 **SECTION 10.60.(n)** The Department of Health and Human Services shall
4 implement a plan to catch up Piedmont Behavioral Health (PBH) CAP-MR/DD slots to the
5 State average such that one percent (1%) of the funds for turnover CAP-MR/DD slots shall be
6 transferred each year to PBH until PBH CAP-MR/DD slots reach the State per capita average
7 of slots.

8 **SECTION 10.60.(o)** The Department of Health and Human Services shall ensure
9 that veterans and their families comprise one of the target populations for mental health,
10 developmental disabilities, and substance abuse services in order that this population is eligible
11 for existing funding.

12 **SECTION 10.60.(p)** The Department of Health and Human Services shall develop
13 a plan to return the service authorization, utilization review, and utilization management
14 functions to LMEs for all clients. Not later than July 1, 2009, utilization review, utilization
15 management, and service authorization for publicly funded mental health, developmental
16 disabilities, and substance abuse services shall be returned to LMEs representing in total at
17 least thirty percent (30%) of the State's population. An LME must be accredited for national
18 accreditation under behavioral health care standards by a national accrediting entity approved
19 by the Secretary and must demonstrate readiness to meet all requirements of the existing
20 vendor contract with the Department for such services in order to provide service authorization,
21 utilization review, and utilization management to Medicaid recipients in the LME catchment
22 area. The Department shall comply with the requirements of S.L. 2007-323, Section 10.49(ee).
23 The Department shall not contract with an outside vendor for service authorization, utilization
24 review, or utilization management functions, or otherwise obligate the State for these functions
25 beyond September 30, 2010. The Department shall require LMEs to include in their service
26 authorization, utilization management, and utilization review, a review of assessments, as well
27 as person-centered plans and random or triggered audits of services and assessments. The
28 Department may also develop and implement a plan to return plan authorization for
29 CAP-MR/DD slots to LMEs.

30 31 **IMPROVE THE QUALITY OF CARE PROVIDED BY DIRECT CARE STAFF**

32 **SECTION 10.61.** To enhance the quality of care provided to clients of the
33 Division's State facilities by improving the recruitment and retention of direct care staff, the
34 Department shall partner with the Office of State Personnel to study the turnover rate and
35 salaries of health care technicians. The collaboration should result in the development of a
36 career plan that links compensation to the demonstration of skills and competencies in those
37 position classifications.

38 39 **TRANSITION OF UTILIZATION MANAGEMENT OF COMMUNITY-BASED 40 SERVICES TO THE LOCAL MANAGEMENT ENTITIES**

41 **SECTION 10.62.** Consistent with the findings of the Mercer evaluation of Local
42 Management Entities (LMEs), the Department of Health and Human Services shall collaborate
43 with LMEs to enhance their administrative capabilities to assume utilization management
44 responsibilities for the provision of community-based mental health, developmental disabilities,
45 and substance abuse services. The Department may, with approval of the Office of State
46 Budget and Management, use funds available to implement this section.

47 48 **SENIOR CENTER OUTREACH**

16 **SECTION 10.64.(b)** Changes in Federal Fund Availability. – If the Congress of
17 the United States increases the federal fund availability for any of the Block Grants
18 administered by the Department of Health and Human Services from the amounts appropriated
19 in this section, the Department shall allocate the increase proportionally across the program and
20 activity appropriations identified for that Block Grant in this section. In allocating an increase
21 in federal fund availability, the Department shall not propose funding for new programs or
22 activities not appropriated in this section.

23 If the Congress of the United States decreases the federal fund availability for any of
24 the Block Grants administered by the Department of Health and Human Services from the
25 amounts appropriated in this section, the Department shall reduce State administration by at
26 least the percentage of the reduction in federal funds. After determining the State
27 administration, the remaining reductions shall be allocated proportionately across the program
28 and activity appropriations identified for that Block Grant in this section.

29 Prior to allocating the change in federal fund availability, the proposed allocation
30 must be approved by the Office of State Budget and Management. If the Department adjusts the
31 allocation of any Block Grant due to changes in federal fund availability, then a report shall be
32 made to the Joint Legislative Commission on Governmental Operations, the House of
33 Representatives Appropriations Subcommittee on Health and Human Services, the Senate
34 Appropriations Committee on Health and Human Services, and the Fiscal Research Division.

42 for review prior to implementing the changes. All changes to the budgeted allocations to the
43 Block Grant shall be reported immediately to the House of Representatives Appropriations
44 Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health
45 and Human Services, and the Fiscal Research Division. This subsection does not apply to

- 28 (6) Lower the number of hours a parent must be working in order to be eligible
29 for subsidy to assist parents who are continuing to work but at reduced
30 hours.

31 These principles shall apply to persons receiving subsidy prior to September 30,

43 **"§ 105-130.3. Corporations.**

44 (a) Tax. – A tax is imposed on the State net income of every C Corporation doing
45 business in this State. An S Corporation is not subject to the tax levied in this section. The tax
46 is a percentage of the taxpayer's State net income computed as follows:

In 1999 7%

If the corporation is not required to apportion income to this State, the applicable exemption amount is the amount provided in the table below based on the corporation's State net income. If the corporation is required to apportion income to this State, the applicable exemption amount is the product of the corporation's apportionment fraction determined under G.S. 105-130.4(i) multiplied by the amount provided in the table below based on the corporation's State net income.

<u>State Net Income</u>	<u>Exemption Amount</u>

FOUNDER'S CREDIT

SECTION 24.3.(a) G.S. 105-130.5(b) is amended by adding a new subdivision to read:

"(b) The following deductions from federal taxable income shall be made in determining State net income:

- ...
- (23) The amount of any exclusion of gain for qualified businesses allowed under Part 5 of this Article, to the extent included in federal taxable income, less the amount of the credits recaptured pursuant to G.S. 105-163.021; provided however, that a taxpayer is not required to claim this exclusion."

SECTION 24.3.(b) G.S. 105-134.6(b) is amended by adding a new subdivision to read:

"(b) Deductions. – The following deductions from taxable income shall be made in calculating North Carolina taxable income, to the extent each item is included in taxable income:

- ...
- (19) The amount of the exclusion of gain for qualified businesses allowed under Part 5 of this Article, less the amount of the credits recaptured pursuant to G.S. 105-163.021; provided however, that a taxpayer is not required to claim this exclusion."

SECTION 24.3.(c) Part 5 of Article 4 of Chapter 105 of the General Statutes is amended by adding the following sections:

"§ 105-163.020. Exclusion of gain allowed.

(a) Election. – A taxpayer may elect to exclude from the taxpayer's income taxable under this Article any gain or other taxable income recognized for federal income tax purposes from the sale or exchange of qualified securities.

1 (b) Pass-Through Entity. – Except as provided in subsection (c) of this section, a
2 taxpayer that is an owner of a pass-through entity may exclude from the taxpayer's income
3 taxable under this Article an amount equal to the taxpayer's allocated share of the exclusion for
4 which the pass-through entity is eligible under subsection (a) of this section.

5 (c) Qualified Grantee Pass-Through Entity. – If a taxpayer is an owner of a
6 pass-through entity that was a qualified grantee business at the time of the taxpayer's
7 investment in the pass-through entity, the taxpayer may exclude from the taxpayer's income
8 taxable under this Article an amount equal to the gain or other taxable income recognized as a
9 result of the taxpayer's ownership in the pass-through entity, multiplied by a fraction, the
10 numerator of which is the total amount invested by the pass-through entity in qualified
11 businesses and the denominator of which is the total amount invested by the pass-through
12 entity. For purposes of this subsection, the amounts invested by a pass-through entity shall be
13 the amounts invested immediately before the pass-through entity's sale or exchange producing
14 the gain or taxable income excluded under this subsection.

15 **"§ 105-163.021. Recapture of credit.**

16 If a taxpayer claims an exclusion of gain from income pursuant to G.S. 105-163.020, the
17 income tax of the taxpayer for the tax year for which the exclusion is claimed shall be increased
18 by the amount of all credits previously claimed by the taxpayer pursuant to G.S. 105-163.011
19 with respect to qualified securities that (i) have been sold or exchanged and (ii) the gain from
20 which has been excluded pursuant to G.S. 105-163.020.

21 **"§ 105-163.022. Qualified securities.**

22 (a) Qualified Security. – Except as otherwise provided in this section, any equity
23 security or subordinated debt instrument issued by a qualified business is a qualified security if
24 it satisfies all of the following conditions:

- 25 (1) It is originally issued by the business on or after January 1, 2010.
- 26 (2) As of the date of issuance, the issuing business is a qualified business.
- 27 (3) The security or instrument is acquired by the taxpayer at its original issue in
28 exchange for any tangible or intangible property or benefit to the business,
29 including cash, promissory notes, services performed, contracts for services
30 to be performed, or other equity securities of the business.
- 31 (4) It is held by the taxpayer for a continuous period of more than one year.
- 32 (5) No broker's fee or commission or other similar remuneration is paid or given
33 directly or indirectly for soliciting the purchase.
- 34 (6) If the security or instrument was purchased by a pass-through entity, the
35 entity met the requirements of G.S. 105-163.011(b1) at the time of purchase.

36 (b) Registration. – Securities of a qualified business acquired before the effective date
37 of its registration are not qualified securities. Revocation of the registration of a qualified
38 business pursuant to G.S. 105-163.010A does not affect the exclusion of gain from qualified
39 securities acquired while the registration was in effect if all conditions for registration are
40 satisfied.

41 (c) Effect of Redemptions and Other Distributions. – An equity security or subordinated
42 debt instrument is not a qualified security to the extent the taxpayer purchased it with the
43 proceeds of a redemption, dividend, or distribution made by the business that issued the
44 security or instrument. For the purpose of this subsection, when a business makes a redemption,
45 dividend, or distribution during the four-year period beginning two years before the issuance of
46 securities or instruments to a taxpayer, the taxpayer is considered to have used the proceeds of
47 the redemption, dividend, or distribution toward the purchase of the securities or instruments. A
48 redemption, dividend, or distribution occurs when the business issuing the security or
49 instrument does either of the following:

- 1 (1) Purchases, directly or indirectly, any of its outstanding equity securities or
2 subordinated debt, other than qualified securities, from the taxpayer or a
3 related person.
- 4 (2) Declares a dividend or makes a distribution with respect to any of its
5 outstanding equity securities or subordinated debt, other than qualified
6 securities, to the taxpayer or a related person. This subdivision does not
7 apply, however, to a distribution in connection with one of the following:
- 8 a. The reimbursement to the taxpayer of the reasonable costs of
9 forming, syndicating, managing, and operating the business.
- 10 b. An increase in the taxpayer's taxes, penalties, or interest to the extent
11 the increase is caused by the allocation to the taxpayer of income of
12 the business.

13 The repayment of principal on subordinated debt is a purchase of the debt except to the
14 extent the repayment is repayment of principal due on the subordinated debt at its maturity
15 pursuant to the terms of the subordinated debt instrument. If a transaction is treated under
16 section 304(a) of the Code as a distribution in redemption of the equity securities of a business,
17 that business has, for the purpose of this subsection, purchased an amount of its equity
18 securities equal to the amount treated as such a distribution under section 304(a) of the Code.

19 (d) Exception for Certain Transactions. – The following transactions are not treated as a
20 redemption or distribution for the purposes of subsection (c) of this section:

- 21 (1) Any deemed liquidation of a business pursuant to section 708(b)(1)(A) of
22 the Code by reason of the business becoming a disregarded entity for federal
23 tax purposes, to the extent there is not actual distribution of money or other
24 property to the taxpayer of a related person.
- 25 (2) Any deemed distribution or redemption by reason of a technical termination
26 of a business pursuant to section 708(b)(1)(B) of the Code to the extent there
27 is no actual distribution of money or other property to the taxpayer or a
28 related person.

29 (e) Conversion of Other Securities. – Any equity security or subordinated debt
30 instrument issued by a business and acquired by the taxpayer solely through the conversion of
31 another equity security or subordinated debt instrument that was issued by the business and was
32 a qualified security in the hands of the taxpayer is considered, for the purpose of this section, a
33 qualified security in the hands of the taxpayer and acquired by the taxpayer on the date the
34 taxpayer acquired the converted qualified security.

35 (f) Transfers. – In the case of a transfer by gift, by death, or from a pass-through entity
36 to one of its owners, the transferee is considered, for the purpose of this section, to have
37 acquired the qualified security in the same manner as the transferor and to have held it during
38 any continuous period immediately preceding the transfer during which it was held or treated as
39 held by the transferor.

40 In the case of a transaction described in section 351 or 721 of the Code or a reorganization
41 described in section 368 of the Code, if qualified securities are exchanged for other securities,
42 the other securities are considered, for the purpose of this section, qualified securities acquired
43 on the date the exchanged qualified securities were acquired. In the case of a transaction
44 described in section 351 or 721 of the Code, the newly acquired securities are considered
45 qualified securities, however, only if, immediately after the transaction, the business issuing the
46 securities owns, directly or indirectly, securities representing control, within the meaning of
47 section 368(c) of the Code, of the business whose securities were exchanged.

48 **"§ 105-163.023. Limitations.**

49 (a) Contributions and Exchanges of Property. – In the case of a transaction described in
50 section 351 or 721 of the Code or a reorganization described in section 368 of the Code, if a

1 taxpayer contributes property to or exchanges property with a qualified business, the following
2 rules apply:

- 3 (1) Qualified securities exchanged for property. – Except as otherwise provided
4 in subdivision (3) of this subsection, a taxpayer who transfers property to a
5 business in exchange for qualified securities in the business must, for
6 purposes of determining North Carolina taxable income, recognize gain
7 equal to the amount by which the fair market value of the property exceeded
8 the taxpayer's basis in the property on the date the property was exchanged
9 for the qualified securities. This gain must be recognized for the years for
10 which the taxpayer claims an exclusion of gain under this Part with respect
11 to the disposition of qualified securities received in exchange for the
12 property.
- 13 (2) Contributions to capital. – Except as otherwise provided in subdivision (3) of
14 this subsection, if the adjusted basis of a qualified security is adjusted due to
15 a contribution to capital after the date the qualified security was issued
16 originally, for purposes of determining North Carolina taxable income, the
17 taxpayer must recognize gain equal to the amount by which the fair market
18 value of the contributed property exceeded the taxpayer's basis in the
19 property on the date the property was contributed. This gain must be
20 recognized for the years for which the taxpayer claims an exclusion of gain
21 under this Part with respect to the disposition of the qualified securities.
- 22 (3) Disposition of contributed property. – If a qualified business disposes of
23 property contributed to it, the disposition occurs before the taxpayer who
24 contributed the property claims an exclusion of gain pursuant to this Part
25 with respect to qualified securities affected by the contribution, and the
26 taxpayer recognizes gain from the disposition, then for purposes of
27 subdivisions (1) and (2) of this subsection, the taxpayer's basis in the
28 contributed property is increased by any gain the taxpayer recognized from
29 the disposition.

30 (b) Transactions That Substantially Reduce the Risk of Loss. – If a taxpayer has entered
31 into any transaction that substantially reduces the risk of loss from holding the qualified
32 securities, there is no exclusion of gain under this Part from the sale or exchange of the
33 qualified securities unless the taxpayer entered into the transaction on or after January 1, 2010,
34 and elects to recognize gain as if the qualified securities were sold at fair market value on the
35 date the taxpayer first entered into that transaction. The following are examples of a transaction
36 that substantially reduces the risk of loss from holding the qualified securities:

- 37 (1) The taxpayer or a related person has made a short sale of substantially
38 identical property.
- 39 (2) The taxpayer or a related person has acquired an option to sell substantially
40 identical property at a fixed price."

43 **EARNED INCOME TAX CREDIT**

44 **SECTION 24.4.(a)** G.S. 105-151.31(a) reads as rewritten:

46 under section 32 of the Code is allowed a credit against the tax imposed by this Part equal to
47 ~~five percent (5%)~~ six and one-half percent (6.5%) of the amount of credit the individual
48 qualified for under section 32 of the Code. A nonresident or part-year resident who claims the
49 credit allowed by this section must reduce the amount of the credit by multiplying it by the
50 fraction calculated under G.S. 105-134.5(b) or (c), as appropriate."

1 **SECTION 24.4.(b)** This section is effective for taxable years beginning on or after
2 January 1, 2010.

5 **SECTION 24.5.** G.S. 105-113.35 reads as rewritten:

6 "**§ 105-113.35. Tax on tobacco products other than cigarettes; use of proceeds.**

7 (a) Tax. – An excise tax is levied on tobacco products other than cigarettes at the rate of
8 ~~ten percent (10%)~~ twenty-eight percent (28%) of the cost price of the products. This tax does
9 not apply to the following:

10 (1) A tobacco product sold outside the State.

11 (2) A tobacco product sold to the federal government.

12 (3) A sample tobacco product distributed without charge.

13 (b) Primary Liability. – The wholesale dealer or retail dealer who first acquires or
14 otherwise handles tobacco products subject to the tax imposed by this section is liable for the
15 tax imposed by this section. A wholesale dealer or retail dealer who brings into this State a
16 tobacco product made outside the State is the first person to handle the tobacco product in this
17 State. A wholesale dealer or retail dealer who is the original consignee of a tobacco product
18 that is made outside the State and is shipped into the State is the first person to handle the
19 tobacco product in this State.

20 (c) Secondary Liability. – A retail dealer who acquires non-tax-paid tobacco products
21 subject to the tax imposed by this section from a wholesale dealer is liable for any tax due on
22 the tobacco products. A retail dealer who is liable for tax under this subsection may not deduct
23 a discount from the amount of tax due when reporting the tax.

24 (d) Manufacturer's Option. – A manufacturer who is not a retail dealer and who ships
25 tobacco products other than cigarettes to either a wholesale dealer or retail dealer licensed
26 under this Part may apply to the Secretary to be relieved of paying the tax imposed by this
27 section on the tobacco products. Once granted permission, a manufacturer may choose not to
28 pay the tax until otherwise notified by the Secretary. To be relieved of payment of the tax
29 imposed by this section, a manufacturer must comply with the requirements set by the
30 Secretary.

31 Permission granted under this subsection to a manufacturer to be relieved of paying the tax
32 imposed by this section applies to an integrated wholesale dealer with whom the manufacturer
33 is an affiliate. A manufacturer must notify the Secretary of any integrated wholesale dealer with
34 whom it is an affiliate when the manufacturer applies to the Secretary for permission to be
35 relieved of paying the tax and when an integrated wholesale dealer becomes an affiliate of the
36 manufacturer after the Secretary has given the manufacturer permission to be relieved of
37 paying the tax.

38 If a person is both a manufacturer of cigarettes and a wholesale dealer of tobacco products
39 other than cigarettes and the person is granted permission under G.S. 105-113.10 to be relieved
40 of paying the cigarette excise tax, the permission applies to the tax imposed by this section on
41 tobacco products other than cigarettes. A cigarette manufacturer who becomes a wholesale
42 dealer after receiving permission to be relieved of the cigarette excise tax must notify the
43 Secretary of the permission received under G.S. 105-113.10 when applying for a license as a
44 wholesale dealer.

45 (e) Use. – Of the funds collected pursuant to this section, the Secretary shall deposit an
46 amount equal to ~~three percent (3%)~~ twenty-one percent (21%) of the cost price of the products
47 to the General Fund, and the Secretary shall remit the remainder of the funds to the University

16 **SECTION 25.3.(b)** Where the actual costs are different from the estimated costs
17 under subsection (a) of this section, the Department may adjust the allocations among projects
18 as needed. If any projects funded under subsection (a) of this section are delayed and the
19 budgeted State funds cannot be used during the 2009-2010 fiscal year, or if the projects funded
20 under subsection (a) of this section are accomplished at a lower cost, the Department may use
21 the resulting fund availability to fund any of the following:

- 22 (1) U.S. Army Corps of Engineers project feasibility studies.
- 23 (2) U.S. Army Corps of Engineers projects whose schedules have advanced and
24 require State-matching funds in fiscal year 2009-2010.
- 25 (3) State-local water resources development projects.

26 Funds not expended or encumbered for these purposes shall revert to the General Fund at the
27 end of the 2010-2011 fiscal year.

28 **SECTION 25.3.(c)** The Department shall make semiannual reports on the use of
29 these funds to the Joint Legislative Commission on Governmental Operations, the Fiscal
30 Research Division, and the Office of State Budget and Management. Each report shall include
31 all of the following:

- 32 (1) All projects listed in this section.
- 33 (2) The estimated cost of each project.
- 34 (3) The date that work on each project began or is expected to begin.
- 35 (4) The date that work on each project was completed or is expected to be
36 completed.
- 37 (5) The actual cost of each project.

38 The semiannual reports shall also show those projects advanced in schedule, those
39 projects delayed in schedule, and an estimate of the amount of funds expected to revert to the
40 General Fund.

41 42 **PROCEDURES FOR DISBURSEMENT OF CAPITAL FUNDS**

43 **SECTION 25.4.** The appropriations made by the 2009 General Assembly for
44 capital improvements shall be disbursed for the purposes provided by this act. Expenditure of
45 funds shall not be made by any State department, institution, or agency until an allotment has
46 been approved by the Governor as Director of the Budget. The allotment shall be approved
47 only after full compliance with the State Budget Act, Chapter 143C of the General Statutes.
48 Prior to the award of construction contracts for projects to be financed in whole or in part with
49 self-liquidating appropriations, the Director of the Budget shall approve the elements of the
50 method of financing of those projects including the source of funds, interest rate, and
51 liquidation period. Provided, however, that if the Director of the Budget approves the method

1 of financing a project, the Director shall report that action to the Joint Legislative Commission
2 on Governmental Operations at its next meeting.

3 Where direct capital improvement appropriations include the purpose of furnishing
4 fixed and movable equipment for any project, those funds for equipment shall not be subject to
5 transfer into construction accounts except as authorized by the Director of the Budget. The
6 expenditure of funds for fixed and movable equipment and furnishings shall be reviewed and
7 approved by the Director of the Budget prior to commitment of funds.

8 Capital improvement projects authorized by the 2009 General Assembly shall be
9 completed, including fixed and movable equipment and furnishings, within the limits of the
10 amounts of the direct or self liquidating appropriations provided, except as otherwise provided
11 in this act.

12 **BIOMEDICAL RESEARCH IMAGING CENTER**

13 **SECTION 25.5.(a)** The General Assembly finds that continuing the construction
14 of the Biomedical Research Imaging Center at the University of North Carolina at Chapel Hill
15 is a vital component of the State's efforts to improve the health and wellness of its citizens. The
16 General Assembly also finds that the construction of the Center will generate significant
17 economic benefits to the State and its people, including more than 7,800 jobs and more than
18 five hundred million dollars (\$500,000,000) in total economic impact.

19 **SECTION 25.5.(b)** In addition to ten million dollars (\$10,000,000) appropriated
20 herein for FY 2009-2010, it is the intention of the General Assembly to authorize a total of two
21 hundred twenty-nine million five hundred thousand dollars (\$229,500,000) of debt financing in
22 subsequent years to complete the Biomedical Research Imaging Center. Debt repayment will
23 be shared, with the General Fund providing seventy percent (70%) of debt service, the
24 University of North Carolina at Chapel Hill providing fifteen percent (15%), and UNC
25 Hospitals providing fifteen percent (15%) of debt service. In order to meet the cash flow
26 requirements for construction of the project, it is anticipated that the following debt issuance
27 schedule will be required:
28

29

30 Fiscal Year	31 Amount
32 2010-2011	33 \$85,000,000
34 2011-2012	35 \$55,000,000
36 2012-2013	37 \$85,000,000
38 2013-2014	39 \$4,500,000

40 **SECTION 25.5.(c)** In order to maximize savings in the construction market, the
41 General Assembly authorizes UNC-Chapel Hill and UNC Health Care to use interim financing
42 to keep this project on schedule, in an amount not to exceed twenty-five million dollars
43 (\$25,000,000), from funds available to the University of North Carolina at Chapel Hill from
44 gifts, grants, receipts, self-liquidating indebtedness, Medicare reimbursements for education
45 costs, or other funds, or any combination of these funds, but not including funds received for
46 tuition or appropriated from the General Fund of the State. This financing will be subject to the
47 approval of the President and the Board of Governors of the University of North Carolina. All
48 interim debt will be reimbursed to the UNC-Chapel Hill and UNC Health Care from the
49 proceeds of permanent indebtedness issued by the State pursuant to the schedule of issuance
50 authorized in this provision and will be accomplished within 60 days of issuance.
51

52 **BIOMEDICAL RESEARCH IMAGING CENTER INCOME FROM PATENTS**

53 **SECTION 25.6.** In light of the significant financial support that the State provides
54 to the Biomedical Research Imaging Center (BRIC), it is fitting for the State to share in any
55 financial opportunities made possible by the State's support. To this end, the State shall receive

1 ten percent (10%) of the gross royalties derived from licensing or income from assignment or
2 sale of any patent resulting from research or other activities conducted at, by or under the
3 auspices of the BRIC, or developed with the aid of the BRIC's facilities, staff, or funds. This
4 provision shall supersede any other provision, statute, policy, rule, or regulation regarding
5 income from patents related to the BRIC.

6 7 **CAPITAL IMPROVEMENT PROJECTS UTILIZING FEDERAL RECOVERY FUNDS**

8 **SECTION 25.7.(a)** Notwithstanding the provisions of Article 8 of Chapter 143C of
9 the General Statutes, the Director of the Budget may authorize the construction of a capital
10 improvement project not specifically authorized by the General Assembly if such project is to
11 be funded by the American Recovery and Reinvestment Act of 2009. The Director of the
12 Budget shall report to the Joint Legislative Commission on Governmental Operations on any
13 capital project authorization made under this subsection no later than 30 days after making the
14 authorization.

15 Prior to authorizing the construction of a capital improvement project with an
16 estimated cost greater than two million dollars (\$2,000,000), the Director shall consult with the
17 Joint Legislative Commission on Governmental Operations. If the Commission does not hold a
18 meeting to hear the consultation within 30 days of receiving the submission of the report, the
19 consultation requirement is satisfied.

20 **SECTION 25.7.(b)** Effective Date – This section is effective when it becomes law.
