A BILL TO BE ENTITLED  
AN ACT TO MAKE TECHNICAL, CLARIFYING, AND ADMINISTRATIVE CHANGES  
TO THE TAX AND RELATED LAWS.

The General Assembly of North Carolina enacts:

**SECTION 1.** The introductory language to G.S. 105-113.40A reads as rewritten:  
"The Secretary must credit the net proceeds of the tax collected under this ~~Article~~ Part as follows:".

**SECTION 2.** G.S. 105-129.16D(b1) reads as rewritten:  
"(b1) Alternative Production Credit. – In lieu of the credit allowed under subsection (b) of this section, a taxpayer that constructs and places in service in this State three or more commercial facilities for processing renewable fuel and that invests a total amount of at least four hundred million dollars (\$400,000,000) in the facilities is allowed a credit equal to thirty-five percent (35%) of the cost to the taxpayer of constructing and equipping the facilities. In order to claim the credit, the taxpayer must obtain a written determination from the Secretary of Commerce that the taxpayer is expected to invest within a five-year period a total amount of at least four hundred million dollars (\$400,000,000) in three or more facilities. The credit must be taken in seven equal annual installments beginning with the taxable year in which the first facility is placed in service. If, in one of the years in which the installment of credit accrues, a facility with respect to which the credit was claimed is disposed of or taken out of service and the investment requirements of this subsection are no longer satisfied, the credit expires and the taxpayer may take any remaining installment of the credit only to the extent allowed under subsection (b) of this section. The taxpayer may, however, take the portion of an installment under this subsection that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.17. Notwithstanding the provisions of G.S. 105-129.17, a taxpayer may carry forward unused portions of the credit allowed under this subsection for the succeeding 10 years.

If a taxpayer that claimed a credit under this subsection fails to meet the requirements of this subsection but meets the requirements of subsection (b) of this section, the taxpayer forfeits the difference between the alternative credit claimed under this subsection and the credit allowed under subsection (b) of this section. A taxpayer that forfeits part of the alternative credit under this subsection is liable for the additional taxes avoided plus interest at the rate established under ~~G.S. 105-241.1(i)~~, G.S. 105-241.21, computed from the date the additional taxes would have been due if the credit had not been allowed. The additional taxes and interest are due 30 days after the date the credit is forfeited. A taxpayer that fails to pay the additional taxes and interest by the due date is subject to penalties provided in G.S. 105-236."

**SECTION 3.** G.S. 105-159.1(a) reads as rewritten:

"(a) Every individual whose income tax liability for the taxable year is three dollars (\$3.00) or more may designate on his or her income tax return that three dollars (\$3.00) of the tax shall be credited to the North Carolina Political Parties Financing Fund for the use of the political party designated by the taxpayer. In the case of a married couple filing a joint return whose income tax liability for the taxable year is six dollars (\$6.00) or more, each spouse may designate on the income tax return that three dollars (\$3.00) of the tax shall be credited to the North Carolina Political Parties Financing Fund for the use of the political party designated by the taxpayer. Amounts credited to the Fund shall be allocated among the political parties according to the designation of the taxpayer. Where any taxpayer elects to designate but does not specify a particular political party, those funds shall be distributed among the political parties on a pro rata basis according to their respective party voter registrations as determined by the most recent certification of the State Board of Elections. As used in this section, the term "political party" has the same meaning as defined in G.S. 163-96, ~~means one of the following that has at least one percent (1%) of the total number of registered voters in the State:~~

- (1) ~~A political party that at the last preceding general State election received at least ten percent (10%) of the entire vote cast in the State for Governor or for presidential electors.~~
- (2) ~~A group of voters who by July 1 of the preceding calendar year, by virtue of a petition as a new political party, had duly qualified as a new political party within the meaning of Chapter 163 of the General Statutes."~~

"(23) A public library created pursuant to an act of the General Assembly."

**SECTION 4.(b)** This section becomes effective July 1, 2008, and applies to purchases made on or after that date.

9 assessment. The notice of a proposed assessment must contain the following information:

10 (1) The basis for the proposed assessment. The statement of the basis for the

13 assessment. The amount for each of these must be stated separately.

14 (2a) The date a failure to pay penalty will apply to the proposed assessment if the

50 expected to be due with the report or return, interest, at the rate established pursuant to

4 "(b) Filing. – A request for a Departmental review of a proposed denial of a refund or a
