**SENATE BILL 179**

Short Title: Sterilization Compensation. (Public)

Sponsors: Senator Shaw.

Referred to: Appropriations/Base Budget.

February 17, 2009

A BILL TO BE ENTITLED  
AN ACT TO PROVIDE COMPENSATION TO THE PERSONS STERILIZED THROUGH  
THE STATE'S EUGENIC STERILIZATION PROGRAM.

Whereas, during the early part of the 20<sup>th</sup> century, social reformers advocated eugenic sterilization as a solution to problems such as mental retardation and mental illness; and

Whereas, in 1907, Indiana was the first state to pass a eugenic sterilization program, and eventually more than 30 states passed these laws, with North Carolina following in 1929; and

Whereas, from 1933 to 1974, North Carolina's Eugenics Board reviewed petitions for sterilizations, and sterilizations were ordered in more than 90% of the cases before the Board; and

Whereas, researchers estimate that more than 7,600 people were sterilized in North Carolina between 1929 and 1974, ranking North Carolina third among the states operating eugenic sterilization programs; and

Whereas, while most states sharply curtailed their sterilization programs after World War II, nearly four-fifths of sterilizations in North Carolina were performed after 1945, and by the late 1960s, more than 60% of those persons sterilized in the State were black, and 99% were female; and

Whereas, the governors of Virginia, Oregon, South Carolina, and North Carolina have issued apologies for these forced sterilizations, and Governor Michael F. Easley established a committee to investigate the eugenics program and consider compensation or counseling services for these persons; and

Whereas, the General Assembly finds that persons sterilized as a result of the State's eugenics sterilization program should be compensated; Now, therefore, The General Assembly of North Carolina enacts:

**SECTION 1.(a)** Any person who, as a result of the eugenic sterilization program in this State, was sterilized between the years 1929 and 1975 shall receive compensation as provided for in this section if the person submits a claim before June 30, 2012.

18 cost of providing health care, counseling, and educational assistance required as a result of  
19 sterilization under the State's eugenic sterilization program, to those persons who are eligible  
20 for compensation under this act. The Department shall report the result of its findings to the  
21 House of Representatives Appropriations Subcommittee on Health and Human Services, the  
22 Senate Appropriations Committee on Health and Human Services, and the Fiscal Research  
23 Division on or before January 1, 2010.

24           **SECTION 3.(b)** It is the intent of the General Assembly after receiving cost
