

**GENERAL ASSEMBLY OF NORTH CAROLINA  
SESSION 2009**

**SESSION LAW 2009-52  
SENATE BILL 381**

**AN ACT ESTABLISHING A DOMESTIC VIOLENCE FATALITY PREVENTION AND PROTECTION REVIEW TEAM.**

Whereas, the General Assembly finds that it is the public policy of this State to prevent domestic violence fatalities; and

Whereas, the General Assembly further finds that the prevention of these fatalities is a community responsibility, and professionals from disparate disciplines have expertise that can promote the safety and well-being of victims of domestic violence; and

Whereas, multidisciplinary reviews of these deaths can lead to a greater understanding of the causes and methods of preventing these deaths; and

Whereas, according to the North Carolina Coalition Against Domestic Violence, there were 81 domestic violence-related homicides in the State in 2008; and

Whereas, according to the Charlotte Mecklenburg Police Department, there were 11 domestic violence-related homicides in Charlotte, North Carolina, in 2008; and

Whereas, the Charlotte Mecklenburg area is a leader throughout the State with its innovative domestic violence programming and services, yet there remains a disconnect when it comes to the rate of domestic violence-related homicides; and

Whereas, there is a need to increase safety of citizens with one strategy mitigating the effect of abuse by increasing the safety of victims of domestic violence, exploring circumstances from a strengths perspective to allow professionals to gain clarity in the continued needs of the community; and

Whereas, precedence has been established in this area as similar statutes are already in existence, such as the North Carolina Child Fatality Prevention System, which outlines the course of action for a statewide disciplinary team to review child fatalities; and

Whereas, establishing a Domestic Violence Fatality Prevention and Protection Review Team will be modeled after the North Carolina Child Fatality Prevention Team, with potential members representing a cross section of community service providers, including health, mental health, social services, law enforcement, courts, school professionals, and other domestic violence service providers; and

Whereas, by creating legislation that protects professionals from confidentiality violations in specific cases where domestic violence-related homicides have occurred, the effectiveness of this project will be increased; Now, therefore,

The General Assembly of North Carolina enacts:
