EXTRAORDINARY MEASURES TO ADDRESS THE POTENTIAL LOSS OF FEDERAL FUNDS

SECTION 2.3.(a) The General Assembly finds that:

- (1) Upon enactment of the State's 2010-2011 fiscal year budget, the Congress of the United States had considered but not authorized the extension of the enhanced federal Medical Assistance Percentage (FMAP), as initially authorized under the American Recovery and Reinvestment Act of 2009 (Public Law 111-5).
- (2) The modifications to the 2010-2011 budget set out in this act include the use of these anticipated federal receipts to offset General Fund appropriations to the Department of Health and Human Services.

- (3) The potential loss of these funds, which may total up to five hundred eighteen million eight hundred ninety-five thousand eight hundred forty-six dollars (\$518,895,846), would create a substantial shortfall in the State's General Fund further straining the General Assembly's efforts to (i) increase economic development activities and job creation, (ii) maintain critical funds for education, and (iii) maintain health care and services for the State's most vulnerable citizens.

SECTION 2.3.(b) If the Congress does not act to authorize all or part of these enhanced FMAP funds prior to January 1, 2011, the General Assembly directs the Director of the Budget, in conjunction with the State Treasurer, State Controller, and other State officials, to effectuate the following extraordinary budget adjustments to the extent necessary to backfill the funds, in priority order:

(1) Transfer from the Disaster Relief Reserve Fund established in S.L. 2005-1	\$ (30,000,000)
(2) Transfer of unclaimed lottery prize money and excess receipts	(35,000,000)
(3) Use of interest from all other funds	(50,000,000)
(4) Use of balance in General Fund Availability	(23,469,157)
(5) Reduction of Medicaid Provider rates	(26,618,975)
(6) Use of funds from the Savings Reserve Fund	(37,307,714)
(7) Reduction in Retirement System contributions	(139,000,000)
(8) One percent (1%) Management Flexibility Reduction	(177,500,000)

TOTAL **\$ (518,895,846)**

SECTION 2.3.(c) If it is necessary to implement the budget adjustment set out in subdivision (b)(2) of this section:

- (1) Notwithstanding G.S. 18C-162(c)(1), the Office of State Budget and Management shall transfer fiscal year 2010-2011 unclaimed lottery prize money which would otherwise enhance prizes to the State Controller to be deposited in Nontax Budget Code 18878 (Intrastate Transfers) or the appropriate budget code as determined by the State Controller.
- (2) Notwithstanding G.S. 18C-164(f) and Section 5.1 of this act, the Office of State Budget and Management shall transfer fiscal year 2009-2010 lottery receipts in excess of four hundred nineteen million four hundred sixty-three thousand two hundred seventy-two dollars (\$419,463,272) to the State Controller to be deposited in Nontax Budget Code 18878 (Intrastate Transfers) or the appropriate budget code as determined by the State Controller.
- (3) The Director of the Budget and the Lottery Commission shall hold in reserve the funds referenced in subdivisions (1) and (2) of this subsection to ensure proper implementation of this section.

SECTION 2.3.(d) If it is necessary to implement the budget adjustment set out in subdivision (b)(3) of this section, notwithstanding any other provision of law, and unless it is inconsistent with a federal law, grant agreement, or other federal requirement, or with the terms of a gift or settlement agreement, the State Controller shall credit to the General Fund for the 2010-2011 fiscal year the sum of fifty million dollars (\$50,000,000) from the 2010-2011 interest earnings from all governmental and proprietary funds, except for the Highway Fund and the Highway Trust Fund.

SECTION 2.3.(e) If it is necessary to implement the budget adjustment set out in subdivision (b)(4) of this section, the Director of the Budget shall use the unappropriated balance in the General Fund to offset the reduction in federal fund availability, and such funds are hereby appropriated for this purpose. If it is not necessary to expend all of these funds in accordance with subdivision (b)(4) of this section, the State Controller shall transfer the remaining funds to the Savings Reserve Account.

SECTION 2.3.(f) If it is necessary to implement the budget adjustment set out in subdivision (b)(5) of this section, notwithstanding Section 10.68A(a)(8) of S.L. 2009-451, as amended by Section 5A of S.L. 2009-575 and Section 10.35 of this act, the Department of

Health and Human Services shall reduce reimbursement rates paid to service providers in the Medicaid program to generate savings of twenty-six million six hundred eighteen thousand nine hundred seventy-five dollars (\$26,618,975).

The rate reduction authorized in this section shall not apply to: federally qualified health clinics, rural health centers, State institutions, hospital inpatient, pharmacies, and the noninflationary components of the case-mix reimbursement system for nursing facilities.

SECTION 2.3.(h) Section 6(c) of S.L. 2009-16, as amended by Section 26.20(b) of S.L. 2009-451, reads as rewritten:

"SECTION 6.(c) Effective July 1, 2010, the State's employer contribution rates budgeted for reserves, retirement and related benefits as percentage of covered salaries for the 2010-2011 fiscal year are: (i) ~~ten and fifty one hundredths percent (10.51%)~~ nine and fifteen hundredths percent (9.15%) – Teachers and State Employees; plus one and thirty-six hundredths percent (1.36%) to a reserve in the Office of State Budget and Management to be transferred to the Retirement System only if not needed as an adjustment as required by Section 2.3(b)(7) of Senate Bill 897, 2009 Regular Session; (ii) ~~fifteen and fifty one hundredths percent (15.51%)~~ fourteen and fifteen hundredths percent (14.15%) – State Law Enforcement Officers; plus one and thirty-six hundredths percent (1.36%) to a reserve in the Office of State Budget and Management to be transferred to the Retirement System only if not needed as an adjustment as required by Section 2.3(b)(7) of Senate Bill 897, 2009 Regular Session; (iii) twelve and twenty-six hundredths percent (12.26%) – University Employees' Optional Retirement System; (iv) twelve and twenty-six hundredths percent (12.26%) – Community College Optional Retirement Program; (v) twenty and one hundredths percent (20.01%) – Consolidated Judicial Retirement System; and (vi) four and ninety hundredths percent (4.90%) – Legislative Retirement System. The rates for Teachers and State Employees and State Law Enforcement Officers include sixteen-hundredths percent (0.16%) for the Death Benefits Plan. The rate for State Law Enforcement Officers includes five percent (5%) for Supplemental Retirement Income."

SECTION 2.3.(i) If it is necessary to implement the budget adjustment set out in subdivision (b)(8) of this section, the Director of the Budget shall implement a one percent (1%) annualized management flexibility reduction. Notwithstanding any other provision of law, and unless it is inconsistent with a federal law, grant agreement, or other federal requirement, or with the terms of a gift or settlement agreement, the Director of the Budget may use funds appropriated for any purpose or program and from any governmental or proprietary funds for this purpose.

Effective July 1, 2010, agency heads shall immediately take steps in preparation for a potential one percent (1%) reduction.

SECTION 2.3.(j) If on or after January 1, 2011, Congress passes legislation that restores any portion of the enhanced FMAP funding, these funds shall be used to reverse any of the actions taken pursuant to this section in reverse of the priority order in which the adjustments were made in subsection (b) of this section.

PROBATIONARY TEACHERS

SECTION 7.14.(a) G.S. 115C-325(c)(5) reads as rewritten:

"(5) Consecutive Years of Service. –

a. If a probationary teacher in a full-time permanent position does not work for at least 120 workdays in a school year because the teacher is on sick leave, disability leave, or both, that school year shall not be deemed to constitute (i) a consecutive year of service for the teacher or (ii) a break in the continuity in consecutive years of service for the teacher.

b. If a probationary teacher in a full-time permanent position is nonrenewed because of a decrease in the number of positions due to decreased funding, decreased enrollment, or a district reorganization, and is subsequently rehired by the same school system within three years, the intervening years when the teacher was not employed by the local school administrative unit shall not be deemed to constitute (i) a consecutive year of service for the teacher or (ii) a break in the continuity of years of service. However, if at the time of the teacher's nonrenewal for the reasons described in this subsection, the teacher was eligible for career status after being employed four consecutive years pursuant to G.S. 115C-325(c)(1), or one year pursuant to G.S. 115C-325(c)(2), and the board subsequently rehires the teacher within three years, the teacher will be eligible for a career status decision after one additional year of employment. Unless the superintendent unilaterally grants a teacher the benefit set forth in this subsection pursuant to a policy adopted by the board of education for this purpose, the teacher is entitled to such benefit only

if the teacher notifies the head of human resources for the local school administrative unit in writing within 60 calendar days after the first day of employment upon being rehired that the teacher was nonrenewed because of a decrease in the number of positions triggered by decreased funding, decreased enrollment, or a district reorganization, and therefore the teacher's nonrenewal did not constitute a break in service for purposes of determining eligibility for career status. The local school administrative unit shall notify the teacher of the 60-day deadline as described herein in the employment application, contract, or in some other method reasonably calculated to provide the teacher actual notice within 30 calendar days after the first day of employment for the rehired teacher. The burden is on the teacher to submit information establishing that the teacher was nonrenewed because of a decrease in the number of positions triggered by decreased funding, decreased enrollment, or a district reorganization. If the local school administrative unit fails to provide notice to the teacher within this 30-day period, then the teacher's obligation to notify the local school administrative unit within 60 days does not commence until such time that the teacher is notified of the 60-day deadline.

The superintendent or designee will inform the teacher on whether the teacher qualifies for the benefit of this subsection within a reasonable period of time after receiving the information submitted by the teacher. This decision is final and the teacher has no right to a hearing or appeal except that the teacher may petition the board in writing within 10 calendar days after receiving the decision of the superintendent or designee, and the board or board panel shall review the matter on the record and provide the teacher a written decision. Notwithstanding any other provision of law, no appeal to court or otherwise is permitted in regard to the benefits provided under this subsection. This subsection creates no private right of action or basis for any liability on the part of the school system, nor does it create any reemployment rights for a nonrenewed probationary teacher.

The provisions of this subsection also shall apply to a probationary teacher in a full-time permanent position who resigns effective the end of the school year in good standing after receiving documentation that the teacher's position may be eliminated because of a decrease in the number of positions triggered by decreased funding, decreased enrollment, or a district reorganization, and is subsequently rehired by the same school system."

SECTION 7.14.(b) This section is effective when it becomes law and applies to probationary teachers rehired by the same school district beginning in the 2010-2011 school year.

UNIFORM BUDGET FORMAT

In addition, the appropriation or use of fund balance or interest income by a local school administrative unit shall not be construed as a local current expense appropriation.~~

Each local school administrative unit shall maintain those funds shown in the uniform budget format that are applicable to its operations."

SECTION 7.17.(b) Any local school administrative unit (i) that did not fully comply with the provisions of G.S. 115C-238.29H(b) prior to the effective date of this section and (ii) that is subject to a judgment, court order, or binding settlement agreement arising from that noncompliance may make payments required thereunder over a period not to exceed three years.

SECTION 7.17.(c) Subsection (a) of this section applies beginning with the 2010-2011 school year.

PART IX. UNIVERSITIES

REPEAL ESCHEAT FUND APPROPRIATION FOR MILLENNIUM TEACHING SCHOLARSHIP LOAN PROGRAM

SECTION 9.1. Section 9.1.(c) of S.L. 2009-451 is repealed.

STUDY FINANCIAL AID CONSOLIDATION

SECTION 9.2.(a) The State Education Assistance Authority, The University of North Carolina, the North Carolina Community College System, and the Fiscal Research Division of the General Assembly shall establish a work group to study jointly the simplification and consolidation of State-funded financial aid for students. North Carolina Independent Colleges and Universities, Inc., shall also be included as a joint member of the work group if it chooses to participate in the study. The State Education Assistance Authority shall be the lead agency for the work group and study.

SECTION 9.2.(b) The purpose of the study is to develop recommendations and options for simplifying and consolidating the delivery of, administration of, and access to State-funded financial aid for students. In conducting the study, the work group shall consider the State's current student financial aid programs and how to consolidate those programs into two categories of State-funded student aid programs: one program that consolidates the State's major need-based programs and one program that consolidates many of the State's scholarship and forgivable loan programs currently available to students who plan to earn degrees and pursue careers in certain professional areas. More specifically the work group shall do the following:

- (1) Design a unified need-based financial aid program that combines at a minimum the following three programs into a single need-based financial aid program: The University of North Carolina Need-Based Grant program, the North Carolina Community College Grant program, and the North Carolina Education Lottery Scholarship program established under Article 35A of Chapter 115C of the General Statutes. Currently each of these programs has its own award criteria, formulas, target populations, and funding sources (Escheat Fund, General Fund, and Lottery Funds). As part of its study, the work group shall determine what the appropriate parameters may be for such a unified program by using models that take into account income, expected family contribution, college expenses, type of college attended, and any other factors the work group deems relevant. In designing the program, the work group shall address the issue of proportionality of funding and shall take into account all of the following in its consideration of that issue: the proportionality of funding that currently exists among The University of North Carolina, the North Carolina Community College System, and the North Carolina private colleges and universities; funding sources; accounting for student enrollment change; monetary differences between certain categories of students and whether based on those monetary differences student financial aid should be based on cost of attendance or tuition and fees. The work group may also consider whether it is appropriate to redefine "need" for purposes of student financial aid and to develop a common formula for the distribution of financial aid and the consequences of any proposed modifications if the decision is made to redefine "need" and develop a common formula. The program shall be designed to: (i) distribute funds in a manner that is consistent with legislative intent, but more easily understood by potential students, and (ii) retain the ability to track lottery funds.
- (2) Design a "forgivable loans for service" program that combines at a minimum the following existing programs into one consolidated program that focuses

on loans for services: the Nurse Educators of Tomorrow; Nurse Scholars Program; Nurse Education Scholarship Loan Program; Board of Governors Medical Scholarship Loans; Board of Governors Dental Scholarship Loans; Health, Science and Mathematics Student Loan Program; Prospective Teacher Scholarship Loan Program; and the Teacher Assistant Scholarship Program. This single consolidated program shall initially focus on two high area needs: teaching and health professions (including nursing, allied health and medical, dental, and pharmacy careers). In designing this program, the work group may consider the current allocation of funds among the various scholarship and forgivable loan programs, whether it would be appropriate to allow the reallocation and award of funds not distributed as forgivable loans in a specific service area to be awarded as forgivable loans in a different service area, and, if so, what procedure and methodology would be appropriate to trigger the reallocation of funds and provide for the distribution of those funds as awards in a different service area.

SECTION 9.2.(c) In addition to the considerations set out in subsection (b) of this section, the work group shall also consider all of the following:

- (1) The time period required to phase out student loans from any of the programs affected by the program consolidation.
- (2) How federal funding may affect student financial aid services.
- (3) How to deal with current recipients of funds from programs affected by the consolidation.
- (4) How to deal with recipients who are paying back loans made through programs affected by the consolidation.
- (5) Whether the State Education Assistance Authority should be authorized to extend the repayment period for forgivable loans in hardship circumstances when a good faith effort has been made to repay the loan in a timely manner, and if so, what the appropriate procedure may be for making that determination and extending the repayment period.
- (6) Whether there are, and if so how to address, any significant abuses of the financial aid system, particularly by persons who intentionally apply for and receive financial aid but who intend to drop out of school after securing financial aid funds.
- (7) Any other issues the work group deems relevant to this study.

MEDICAID POLICY CHANGES

SECTION 10.22.(a) Section 10.58.(d) of S.L. 2009-451 reads as rewritten:

"SECTION 10.58.(d) Services and Payment Bases. – The Department shall spend funds appropriated for Medicaid services in accordance with the following schedule of services and payment bases. All services and payments are subject to the language at the end of this subsection. Unless otherwise provided, services and payment bases will be as prescribed in the State Plan as established by the Department of Health and Human Services and may be changed with the approval of the Director of the Budget.

...
(28) Drugs. – Reimbursements. Reimbursements shall be available for prescription drugs as allowed by federal regulations plus a professional services fee per month, excluding refills for the same drug or generic equivalent during the same month. Payments for drugs are subject to the provisions of this subdivision or in accordance with the State Plan adopted by the Department of Health and Human Services, consistent with federal reimbursement regulations. Payment of the professional services fee shall be made in accordance with the State Plan adopted by the Department of Health and Human Services, consistent with federal reimbursement regulations. The professional services fee shall be five dollars and sixty cents (\$5.60) per prescription for generic drugs and four dollars (\$4.00) per prescription for brand-name drugs. Adjustments to the professional services fee shall be established by the General Assembly. In addition to the professional services fee, the Department may pay an enhanced fee for pharmacy services.

Limitations on quantity. – The Department of Health and Human Services may establish authorizations, limitations, and reviews for specific drugs, drug classes, brands, or quantities in order to manage effectively the Medicaid pharmacy program, ~~except that the Department shall not impose limitations on brand-name medications for which there is a generic equivalent in cases where the prescriber has determined, at the time the drug is prescribed, that the brand-name drug is medically necessary and has written on the prescription order the phrase "medically necessary."~~program. The Department may impose prior authorization requirements on brand-name drugs for which the phrase "medically necessary" is written on the prescription.

Dispensing of generic drugs. – Notwithstanding G.S. 90-85.27 through G.S. 90-85.31, or any other law to the contrary, under the Medical Assistance Program (Title XIX of the Social Security Act), and except as otherwise provided in this subsection for drugs listed in the narrow therapeutic index, a prescription order for a drug designated by a trade or brand name shall be considered to be an order for the drug by its established or generic name, except when the prescriber has determined, at the time the drug is prescribed, that the brand-name drug is medically necessary and has written on the prescription order the phrase "medically necessary." An initial prescription order for a drug listed in the narrow therapeutic drug index that does not contain the phrase "medically necessary" shall be considered an order for the drug by its established or generic name, except that a pharmacy shall not substitute a generic or established name prescription drug for subsequent brand or trade name prescription orders of the same prescription drug without explicit oral or written approval of the prescriber given at the time the order is filled. Generic drugs shall be dispensed at a lower cost to the Medical Assistance Program rather than trade or brand-name drugs. Notwithstanding this subdivision to the contrary, the Secretary of Health and Human Services may prevent substitution of a generic equivalent drug, including a generic equivalent that is on the State maximum allowable cost list, when the net cost to the State of the brand-name drug, after consideration of all rebates, is less than the cost of the generic equivalent. As used in this subsection, "brand name" means the proprietary name the manufacturer places upon a drug product or on its container, label, or

wrapping at the time of packaging; and "established name" has the same meaning as in section 502(e)(3) of the Federal Food, Drug, and Cosmetic Act, as amended, 21 U.S.C. § 352(e)(3).

Prior authorization. – The Department of Health and Human Services shall not impose prior authorization requirements or other restrictions under the State Medical Assistance Program on medications prescribed for Medicaid recipients for the treatment of (i) mental illness, including, but not limited to, medications for schizophrenia, bipolar disorder, major depressive disorder or (ii) HIV/AIDS, ~~except that the Department of Health and Human Services shall continually review utilization of medications under the State Medical Assistance Program prescribed for Medicaid recipients for the treatment of mental illness, including, but not limited to, medications for schizophrenia, bipolar disorder, or major depressive disorder. The Department may, however, with respect to drugs to treat mental illnesses, develop guidelines and measures to ensure appropriate usage of these medications, including FDA approved indications and dosage levels.~~ (ii) HIV/AIDS. Medications prescribed for the treatment of mental illness shall be included on the Preferred Drug List (PDL). The Department of Health and Human Services, Division of Medical Assistance, may initiate prior authorization for the prescribing of drugs specified for the treatment of mental illness by providers who fail to prescribe those drugs in accordance with indications and dosage levels approved by the federal Food and Drug Administration. The Department may also require retrospective clinical justification for the use of multiple psychotropic drugs for a Medicaid patient. For individuals 18 years of age and under who are prescribed three or more psychotropic medications, the Department shall implement clinical edits that target inefficient, ineffective, or potentially harmful prescribing patterns. When such patterns are identified, the Medical Director for the Division of Medical Assistance and the Chief of Clinical Policy for the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services shall require a peer-to-peer consultation with the target prescribers. Alternatives discussed during the peer-to-peer consultations shall be based upon:

- a. Evidence-based criteria available regarding efficacy or safety of the covered treatments; and
- b. Policy approval by a majority vote of the North Carolina Physicians Advisory Group (NCPAG).

The target prescriber has final decision-making authority to determine which prescription drug to prescribe or refill.

...
(30) Experimental or trial procedures. – Coverage is limited to procedures that are recognized or approved by the National Institutes of Health (NIH).

(31) Medicaid as secondary payer claims. – The Department shall apply Medicaid medical policy to recipients who have primary insurance other than Medicare, Medicare Advantage, and Medicaid. The Department shall pay an amount up to the actual coinsurance or deductible or both, in accordance with the State Plan, as approved by the Department of Health and Human Services. The Department may disregard application of this policy in cases where application of the policy would adversely affect patient care."

SECTION 10.22.(b) Section 10.58.(e) of S.L. 2009-451 reads as rewritten:

"SECTION 10.58.(e) Provider Performance Bonds and Visits. –

- (1) Subject to the provisions of this subdivision, the Department may require Medicaid-enrolled providers to purchase a performance bond in an amount not to exceed one hundred thousand dollars (\$100,000) naming as beneficiary the Department of Health and Human Services, Division of Medical Assistance, or provide to the Department a validly executed letter of credit or other financial instrument issued by a financial institution or agency honoring a demand for payment in an equivalent amount. The Department

may require the purchase of a performance bond or the submission of an executed letter of credit or financial instrument as a condition of initial enrollment, reenrollment, or reinstatement if:

- a. The provider fails to demonstrate financial viability,
- b. The Department determines there is significant potential for fraud and abuse,
- c. The Department otherwise finds it is in the best interest of the Medicaid program to do so.

The Department shall specify the circumstances under which a performance bond or executed letter of credit will be required.

(1a) The Department may waive or limit the requirements of this paragraph for individual Medicaid-enrolled providers or for one or more classes of Medicaid-enrolled providers based on the following:

- a. The provider's or provider class's dollar amount of monthly billings to Medicaid.
- b. The length of time an individual provider has been licensed, endorsed, certified, or accredited in this State to provide services.
- c. The length of time an individual provider has been enrolled to provide Medicaid services in this State.
- d. The provider's demonstrated ability to ensure adequate record keeping, staffing, and services.
- e. The need to ensure adequate access to care.

In waiving or limiting requirements of this paragraph, the Department shall take into consideration the potential fiscal impact of the waiver or limitation on the State Medicaid Program. The Department shall provide to the affected provider written notice of the findings upon which its action is based and shall include the performance bond requirements and the conditions under which a waiver or limitation apply. The Department may adopt temporary rules in accordance with G.S. 150B-21.1 as necessary to implement this provision.

(2) Reimbursement is available for up to 30 visits per recipient per fiscal year for the following professional services: ~~hospital-outpatient providers,~~ physicians, nurse practitioners, nurse midwives, clinics, health departments, optometrists, chiropractors, and podiatrists. The Department of Health and Human Services shall adopt medical policies in accordance with G.S. 108A-54.2 to distribute the allowable number of visits for each service or each group of services consistent with federal law. In addition, the Department shall establish a threshold of some number of visits for these services. The Department shall ensure that primary care providers or the appropriate CCNC network are notified when a patient is nearing the established threshold to facilitate care coordination and intervention as needed.

Prenatal services, all EPSDT children, emergency room visits, and mental health visits subject to independent utilization review are exempt from the visit limitations contained in this subdivision. Subject to appropriate medical review, the Department may authorize exceptions when additional care is medically necessary. Routine or maintenance visits above the established visit limit will not be covered unless necessary to actively manage a life threatening disorder or as an alternative to more costly care options."

SPECIALTY DRUG PROVIDER NETWORK

SECTION 10.23. The Department of Health and Human Services shall work with specialty drug providers, manufacturers of specialty drugs, Medicaid recipients who are prescribed specialty drugs, and the medical professionals that treat Medicaid recipients who are prescribed specialty drugs to develop ways to ensure that best practices and the prevention of overutilization are maintained in the delivery and utilization of specialty drugs.

STATEWIDE EXPANSION OF CAPITATED 1915(B)/(C) BEHAVIORAL HEALTH WAIVERS

SECTION 10.24.(a) The Department of Health and Human Services (Department) shall select up to two additional Local Management Entities (LMEs) to implement the capitated 1915 (b)/(c) Medicaid waiver as a demonstration program during the 2010-2011 fiscal year. The waiver program shall include all Medicaid-covered mental health, developmental disabilities, and substance abuse services. Expansion of the waiver to additional LMEs shall be contingent upon approval by the Centers for Medicare and Medicaid Services.

SECTION 10.24.(b) The Department shall conduct an evaluation of the capitated 1915(b)/(c) Medicaid waiver demonstration program sites to determine the programs' impact on consumers with developmental disabilities. The evaluation shall include a satisfaction survey of consumers. The Department shall consider the impact on ICF/MR facilities included in the waiver to determine and, to the extent possible, minimize potential inconsistencies with the DMA-ICF/MR rate plan and the requirements of G.S. 131E-176 and G.S. 131E-178 without negatively impacting the viability and success of the waiver program. The Department shall consult with stakeholders and evaluate all other waiver options, including the possibility of a waiver without a 1915(b)/(c) combination. The Department shall report to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services, and the Fiscal Research Division no later than April 1, 2012, after which time the Department may expand the capitated 1915(b)/(c) Medicaid waiver to additional LMEs.

The Department shall not approve any expansion of the Piedmont Behavioral Healthcare LME (PBH) beyond its existing catchment area until after the Department has completed its evaluation and made its report pursuant to this subsection.

STUDY MEDICAID PROVIDER RATES

SECTION 10.25.(a) The Department of Health and Human Services, Division of Medical Assistance, shall initiate a study or contract out for a study of reimbursement rates for Medicaid providers and program benefits. The study shall include the following information:

SECTION 10.25.(b) The Department shall report its initial findings to the Governor, the Senate Appropriations Committee on Health and Human Services, the House of Representatives Appropriations Subcommittee on Health and Human Services, and the Fiscal Research Division by April 1, 2011.

SECTION 10.25.(c) Funds appropriated to the Department of Health and Human Services may be used to complete this study.

MEDICAID FRAUD PREVENTION

SECTION 10.26.(a) The Department of Health and Human Services (Department) is authorized to create a fraud prevention program that uses information, lawfully obtained, from State and private databases to develop a fraud risk analysis of Medicaid providers and recipients. This analysis would be used to prevent fraud before it takes place and to achieve cost avoidance savings. For the purposes of the fraud prevention program created pursuant to this subsection, State agencies shall provide the Department with access to their databases, and the Department shall comply with all necessary security measures and restrictions to ensure that access to any specific information held confidential under federal and State law is limited to authorized persons.

SECTION 10.26.(b) The information obtained by the Department pursuant to subsection (a) of this section shall be privileged and confidential, is not a public record pursuant to G.S. 132-1, and may only be used for investigative or evidentiary purposes related to violations of State or federal law and regulatory activities. The Department shall release data collected pursuant to this section to the following persons only:

- (1) An individual who requests the individual's own Medicaid recipient information.
- (2) A provider who requests the provider's Medicaid provider information.
- (3) The Office of the Attorney General, a county department of social services for investigative or evidentiary purposes related to violations of State or federal law by Medicaid recipients, and the Medicaid Fraud Investigations Unit of the Office of the Attorney General of North Carolina for investigative or evidentiary purposes related to violations of State or federal law by Medicaid providers.
- (4) To a court pursuant to a lawful court order in a criminal action.

The Department may provide data to public or private entities for statistical, research, or educational purposes only after removing information that could be used to identify individual recipients or providers of Medicaid services.

SECTION 10.26.(c) Notwithstanding any other provision of law to the contrary, the Department may modify or extend existing contracts to achieve Medicaid fraud prevention savings in a timely manner, subject to review and approval by the Secretary of the Department of Administration. The requirements of G.S. 143-59 apply to contracts entered into, modified, or extended pursuant to this section.

SECTION 10.26.(d) The Department shall report on the activities conducted under this section, including actions taken relating to compliance with G.S. 143-59 and any contract modifications or extensions that are approved pursuant to this section to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, the Office of State Budget and Management, and the Fiscal Research Division on or before April 1, 2011.

SECTION 10.26.(e) The authority granted to the Department to modify or extend existing contracts in subsection (c) of this section expires one year following the effective date of this section. The Department shall destroy all records and information obtained pursuant to this section after five years unless there has been criminal, civil, or administrative action involving the records and information obtained. Any records or information turned over to the Office of the Attorney General, a county department of social services, the Medicaid Fraud Investigation Unit of the Office of the Attorney General, or a court of competent jurisdiction shall not be subject to the destruction requirements of this subsection.

STUDY HIV MEDICAID WAIVER

SECTION 10.27. By November 1, 2010, the Department of Health and Human Services, Divisions of Medical Assistance and Public Health, shall jointly study and report to the Senate Appropriations Committee on Health and Human Services, the House of Representatives Appropriations Subcommittee on Health and Human Services, and the Fiscal Research Division on the financial and programmatic feasibility of reducing the waiting list for the AIDS Drug Assistance Program (ADAP) by expanding eligibility for Medicaid to HIV-positive individuals with incomes at or below one hundred thirty-three percent (133%) of the federal poverty level. The study shall include an assessment of the cost-effectiveness of using State dollars to expand Medicaid eligibility to this population as compared to using State dollars for ADAP. The study may also consider any planning and coordination benefits the State may derive from expanding Medicaid eligibility to HIV-positive individuals, in preparation for the expansion of Medicaid eligibility in calendar year 2014 to all individuals with incomes at or below one hundred thirty-three percent (133%) of the federal poverty level. If, as a result of the study, the Divisions of Medical Assistance and Public Health conclude that expanding Medicaid eligibility to HIV-positive individuals with incomes at or below one hundred thirty-three percent (133%) of the federal poverty level is a cost-effective means for the State to eliminate its ADAP waiting list, then the Division of Medical Assistance shall apply to the Centers for Medicare and Medicaid Services (CMS) for an appropriate waiver to implement this expansion in Medicaid eligibility. If approved by CMS, the Division shall not implement the waiver except as authorized by an act of the General Assembly appropriating funds for this purpose.

ELIMINATE REIMBURSEMENT OF "NEVER EVENTS"

SECTION 10.28. The Department of Health and Human Services, Division of Medical Assistance, shall modify its Medicaid State Plan, as detailed by the Centers for

Medicare and Medicaid Services in its July 31, 2008, letter to State Medicaid Directors, to ensure that inpatient hospital reimbursement is not provided for Hospital-Acquired Conditions (HACs) that are identified as nonpayable by Medicare. The State Plan Amendment addressing this "Never Event" modification shall apply to all Medicaid reimbursement provisions in section 4.19A of the North Carolina Medicaid State Plan governing inpatient hospital reimbursement, including Medicaid supplemental or enhanced payments and Medicaid disproportionate share hospital payments.

recipient shall request a hearing within 30 days of the mailing of the notice required by subsection (c) of this section by sending an appeal request form to OAH and the Department. Where a request for hearing concerns the reduction, modification, or termination of Medicaid services, including the failure to act upon a timely request for reauthorization with reasonable promptness, upon the receipt of a timely appeal, the Department shall reinstate the services to the level or manner prior to action by the Department as permitted by federal law or regulation. The Department shall immediately forward a copy of the notice to OAH electronically. The information contained in the notice is confidential unless the recipient appeals. The Department shall make a final decision in the case within 20 days of receipt of the decision and record from the administrative law judge and promptly notify the recipient of the final decision and of the right to judicial review of the decision pursuant to Article 4 of Chapter 150B of the General Statutes.

"§ 108A-70.9B. Contested Medicaid cases.

(a) Application. – This section applies only to contested Medicaid cases commenced by Medicaid recipients under G.S. 108A-70.9A. Except as otherwise provided by G.S. 108A-70.9A and this section governing time lines and procedural steps, a contested Medicaid case commenced by a Medicaid recipient is subject to the provisions of Article 3 of Chapter 150B of the General Statutes. To the extent any provision in this section or G.S. 108A-70.9A conflicts with another provision in Article 3 of Chapter 150B of the General Statutes, this section and G.S. 108A-70.9A control.

(b) Simple Procedures. – Notwithstanding any other provision of Article 3 of Chapter 150B of the General Statutes, the chief administrative law judge may limit and simplify the procedures that apply to a contested Medicaid case involving a Medicaid recipient in order to complete the case as quickly as possible.

- (1) To the extent possible, OAH shall schedule and hear contested Medicaid cases within 55 days of submission of a request for appeal.
- (2) Hearings shall be conducted telephonically or by video technology with all parties, however the recipient may request that the hearing be conducted in person before the administrative law judge. An in-person hearing shall be conducted in Wake County, however, for good cause shown, the in-person hearing may be conducted in the county of residence of the recipient or a nearby county. Good cause shall include, but is not limited to, the recipient's impairments limiting travel or the unavailability of the recipient's treating professional witnesses. The Department shall provide written notice to the recipient of the use of telephonic hearings, hearings by video conference, and in-person hearings before the administrative law judge, and how to request a hearing in the recipient's county of residence.
- (3) The simplified procedure may include requiring that all prehearing motions be considered and ruled on by the administrative law judge in the course of the hearing of the case on the merits. An administrative law judge assigned to a contested Medicaid case shall make reasonable efforts in a case

- involving a Medicaid recipient who is not represented by an attorney to assure a fair hearing and to maintain a complete record of the hearing.
- (4) The administrative law judge may allow brief extensions of the time limits contained in this section for good cause and to ensure that the record is complete. Good cause includes delays resulting from untimely receipt of documentation needed to render a decision and other unavoidable and unforeseen circumstances. Continuances shall only be granted in accordance with rules adopted by OAH and shall not be granted on the day of the hearing, except for good cause shown. If a petitioner fails to make an appearance at a hearing that has been properly noticed via certified mail by OAH, OAH shall immediately dismiss the contested case, unless the recipient moves to show good cause within three business days of the date of dismissal.
- (5) The notice of hearing provided by OAH to the recipient shall include the following information:
- a. The recipient's right to examine at a reasonable time before the hearing and during the hearing the contents of the recipient's case file and documents to be used by the Department in the hearing before the administrative law judge.
 - b. The recipient's right to an interpreter during the appeals process.
 - c. Circumstances in which a medical assessment may be obtained at agency expense and be made part of the record. Qualifying circumstances include those in which (i) a hearing involves medical issues, such as a diagnosis, an examining physician's report, or a medical review team's decision; and (ii) the administrative law judge considers it necessary to have a medical assessment other than that performed by the individual involved in making the original decision.

(c) Mediation. – Upon receipt of an appeal request form as provided by G.S. 108A-70.9A(e) or other clear request for a hearing by a Medicaid recipient, OAH shall immediately notify the Mediation Network of North Carolina, which shall contact the recipient within five days to offer mediation in an attempt to resolve the dispute. If mediation is accepted, the mediation must be completed within 25 days of submission of the request for appeal. Upon completion of the mediation, the mediator shall inform OAH and the Department within 24 hours of the resolution by facsimile or electronic messaging. If the parties have resolved matters in the mediation, OAH shall dismiss the case. OAH shall not conduct a hearing of any contested Medicaid case until it has received notice from the mediator assigned that either: (i) the mediation was unsuccessful, or (ii) the petitioner has rejected the offer of mediation, or (iii) the petitioner has failed to appear at a scheduled mediation. Nothing in this subsection shall restrict the right to a contested case hearing.

(d) Burden of Proof. – The recipient has the burden of proof to show entitlement to a requested benefit or the propriety of requested agency action when the agency has denied the benefit or refused to take the particular action. The agency has the burden of proof when the appeal is from an agency determination to impose a penalty or to reduce, terminate, or suspend a previously granted benefit. The party with the burden of proof on any issue has the burden of going forward, and the administrative law judge shall not make any ruling on the preponderance of evidence until the close of all evidence.

(e) New Evidence. – The recipient shall be permitted to submit evidence regardless of whether obtained prior to or subsequent to the Department's actions and regardless of whether the Department had an opportunity to consider the evidence in making its adverse determination. When the evidence is received, at the request of the Department, the administrative law judge shall continue the hearing for a minimum of 15 days and a maximum of 30 days to allow for the Department's review of the evidence. Subsequent to review of the evidence, if the Department reverses its original decision, it shall immediately inform the administrative law judge.

(f) Issue for Hearing. – For each adverse determination, the hearing shall determine whether the Department substantially prejudiced the rights of the recipient and if the Department, based upon evidence at the hearing:

- (1) Exceeded its authority or jurisdiction.
- (2) Acted erroneously.

- (3) Failed to use proper procedure.
- (4) Acted arbitrarily or capriciously.
- (5) Failed to act as required by law or rule.

(g) Decision. – The administrative law judge assigned to a contested Medicaid case shall hear and decide the case without unnecessary delay. OAH shall send a copy of the audiotape or diskette of the hearing to the agency within five days of completion of the hearing. The judge shall prepare a written decision and send it to the parties. The decision shall be sent together with the record to the agency within 20 days of the conclusion of the hearing.

"§ 108A-70.9C. Informal review permitted.

Nothing in this Part shall prevent the Department from engaging in an informal review of a contested Medicaid case with a recipient prior to issuing a notice of adverse determination as provided by G.S. 108A-70.9A(c)."

SECTION 10.30.(b) Section 10.15A.(h3) of S.L. 2008-107, as amended by Section 3.13.(b) of S.L. 2008-118, reads as rewritten:

OAH shall continue the Memorandum of Agreement (MOA) with the Department for mediation services provided for Medicaid recipient appeals and contracted services necessary to conduct the appeals process. The MOA will facilitate the Department's ability to draw down federal Medicaid funds to support this administrative function. Upon receipt of invoices from OAH for covered services rendered in accordance with the MOA, the Department shall transfer the federal share of Medicaid funds drawn down for this purpose."

SECTION 10.30.(c) Not later than October 1, 2011, the Department of Health and Human Services and the Office of Administrative Hearings (OAH) shall submit a report to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Subcommittee on Health and Human Services, the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services, and the Fiscal Research Division on the number, status, and outcome of contested Medicaid cases handled by OAH pursuant to the appeals process established in Part 6A of Article 2 of Chapter 108A of the General Statutes. The report shall include information on the number of contested Medicaid cases resolved through mediations and through formal hearings, the outcome of settled and withdrawn cases, and the number of incidences in which the Division of Medical Assistance (DMA) reverses the decision of an administrative law judge along with DMA's rationale for the reversal.

 3. Prior to the implementation date of the new IHCC and IHCA programs, all recipients in the PCS and PCS-Plus programs shall be notified pursuant to 42 C.F.R. § 431.220(b) and discharged, and the Department shall no longer provide services under the PCS and PCS-Plus programs, which shall terminate. GENERAL PROVISIONS

SECTION 10.37.(b) Information to Be Included in Block Grant Plans. – The Department of Health and Human Services shall submit a separate plan for each Block Grant received and administered by the Department, and each plan shall include the following:

- (1) A delineation of the proposed allocations by program or activity, including State and federal match requirements.
- (2) A delineation of the proposed State and local administrative expenditures.
- (3) An identification of all new positions to be established through the Block Grant, including permanent, temporary, and time-limited positions.

- (4) A comparison of the proposed allocations by program or activity with two prior years' program and activity budgets and two prior years' actual program or activity expenditures.
- (5) A projection of current year expenditures by program or activity.
- (6) A projection of federal Block Grant funds available, including unspent federal funds from the current and prior fiscal years.

SECTION 10.37.(c) Changes in Federal Fund Availability. – If the Congress of the United States increases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this section, the Department shall allocate the increase proportionally across the program and activity appropriations identified for that Block Grant in this section. In allocating an increase in federal fund availability, the Office of State Budget and Management shall not approve funding for new programs or activities not appropriated in this section.

If the Congress of the United States decreases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this section, the Department shall reduce State administration by at least the percentage of the reduction in federal funds. After determining the State administration, the remaining reductions shall be allocated proportionately across the program and activity appropriations identified for that Block Grant in this section. The Office of State Budget and Management shall report on these changes.

Prior to allocating the change in federal fund availability, the proposed allocation must be approved by the Office of State Budget and Management. If the Department adjusts the allocation of any Block Grant due to changes in federal fund availability, then a report shall be made to the Joint Legislative Commission on Governmental Operations, the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division.

SECTION 10.37.(d) Appropriations from federal Block Grant funds are made for the fiscal year ending June 30, 2011, according to the schedule enacted for State fiscal year 2010-2011 or until a new schedule is enacted by the General Assembly.

SECTION 10.37.(e) All changes to the budgeted allocations to the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services that are not specifically addressed in this section shall be approved by the Office of State Budget and Management, and the Office of State Budget and Management shall consult with the Joint Legislative Commission on Governmental Operations for review prior to implementing the changes. The report shall include an itemized listing of affected programs, including associated changes in budgeted allocations. All changes to the budgeted allocations to the Block Grants shall be reported immediately to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division. This subsection does not apply to Block Grant changes caused by legislative salary increases and benefit adjustments.

Information furnished by providers and facilities regarding their usual and customary charges under this section is deemed as a matter of law to meet all the conditions of G.S. 132-1.2(1). The limitation on payment for inmate medical services under this subsection shall not apply to reimbursement rates the Department of Correction has otherwise contracted for under contracts in effect as of June 30, 2010.

This subsection applies to all medical and facility services provided outside the correctional facility, including hospitalizations, professional services, medical supplies, and other medications provided to any inmate confined in a correctional facility.

SECTION 19.6.(b) The Department of Correction shall make every effort to contain inmate medical costs by making use of its own hospital and health care facilities to provide health care services to inmates. To the extent that the Department of Correction must utilize other facilities and services to provide health care services to inmates, the Department shall make reasonable efforts to make use of hospitals or other providers with which it has a contract or, if none is reasonably available, hospitals with available capacity or other health care facilities in a region to accomplish that goal. The Department shall make reasonable efforts to equitably distribute inmates among all hospitals or other appropriate health care facilities.

With respect to any single hospital, the Department of Correction shall make best efforts to seek admission of the number of inmates representing no more than five percent (5%) of all inmates requiring hospitalization or hospital services on an annual basis, unless the failure to do so would jeopardize the health of an inmate or unless a higher level is agreed to by contract.

The Department shall also give preference to those hospitals or other health care facilities in the same county or an adjoining county to the correctional facility where an inmate requiring hospitalization is incarcerated.

SECTION 19.6.(c) The Department of Correction shall consult with the Division of Medical Assistance in the Department of Health and Human Services to develop protocols for prisoners who would be eligible for Medicaid if they were not incarcerated to access

Medicaid while in custody or under extended limits of confinement. The Department shall seek reimbursement from Medicaid for those health care costs incurred by the Department in those instances when an inmate's Medicaid eligibility has been temporarily reinstated due to a hospitalization. The Department of Correction shall also work with the Division of Medical Assistance to determine the feasibility of applying for a Medicaid waiver to cover the inmate population.

SECTION 19.6.(d) The Department of Correction, in consultation with the Office of State Budget and Management, shall study the impact on inmate medical costs resulting from the measures set forth in subsections (a), (b), and (c) of this section. The Department shall present its findings by March 1, 2011, to the Chairs of the House of Representatives and Senate Appropriations Subcommittees on Justice and Public Safety and to the Joint Legislative Corrections, Crime Control, and Juvenile Justice Oversight Committee.

SECTION 19.6.(e) The Department of Correction shall make every effort to explore other cost containment methods not expressly outlined in this section. These methods may include the following:

- (1) Contracting with a private third party to manage and provide all inmate medical services;
- (2) Partnering with the federal government to allow for treatment of State inmates in federal correctional hospitals; and
- (3) Purchasing a fixed number of beds at a hospital.

SECTION 19.6.(f) The Department of Correction shall report to the Joint Legislative Corrections, Crime Control, and Juvenile Justice Oversight Committee no later than October 1, 2010, on:

- (1) The Department's progress with the RFP process initiated pursuant to Section 19.20(b) of S.L. 2009-451, as rewritten by Section 15A of S.L. 2009-575, to contract for claims processing, medical management services, and the development and management of a medical professional and facility provider network.
- (2) The anticipated effects on medical care provided to inmates as a result of the new hospital at Central Prison and the updated facilities at the North Carolina Correctional Institute for Women, as well as any other new medical services capacity within the Department. Specifically, the Department shall report on:
 - a. The types and volumes of services that the new and updated facilities will provide that previously would have been provided by community providers; and
 - b. The projected types and volumes of services that will still be referred to community providers.

The report shall also address changes in statewide inmate custody that are needed to maximize the utilization of the new facilities and the Department's ability to contract with community providers with the available capacity throughout the State.

SECTION 19.6.(g) The Department of Correction shall report to the Joint Legislative Commission on Governmental Operations no later than October 1, 2010, and quarterly thereafter on:

- (1) The volume of services provided by community medical providers that can be scheduled in advance and, of that volume, the percentage of those services that are provided by contracted providers; and
- (2) The volume of services provided by community medical providers that cannot be scheduled in advance and, of that volume, the percentage of those services that are provided by contracted providers.

SECTION 19.6.(h) Section 19.20(a) of S.L. 2009-451, as amended by Section 15A of S.L. 2009-575, is repealed.

FURLOUGHS AUTHORIZED/PUBLIC SCHOOLS

SECTION 29.1.(a) The General Assembly finds that:

- (1) North Carolina's citizens and businesses are suffering from the effects of a significant State financial crisis.
- (2) The financial crisis has resulted in large reductions in revenues projected to be available to fund the State's budget for the 2010-2011 fiscal year.
- (3) Each local school administrative unit is required to reduce its budget and should attempt to protect employees when possible.
- (4) The implementation of furloughs may be necessary to balance local school administrative unit budgets for the 2010-2011 fiscal year.

SECTION 29.1.(b) In accordance with Section 7.13 of this act, local boards of education may implement furloughs of State-funded public school employees to offset the LEA funding flexibility adjustment.

SECTION 29.1.(c) The following definitions apply in this section:

- (1) Furlough. – A temporary period of leave from employment without pay that (i) is ordered by a local board of education and (ii) is not in connection with a demotion or other disciplinary action.
- (2) Public school employee. – Any person employed by a local school administrative unit. The term includes public officers.

SECTION 29.1.(d) The provisions of Section 26.14E(b) and (c) of S.L. 2009-451 apply to public school employees furloughed pursuant to the section.

SECTION 29.1.(e) Local school administrative units shall cooperate with the Department of Public Instruction in the implementation of a furlough, if required.

SECTION 29.1.(f) As soon as practicable, and no more than 30 calendar days from the effective date of this section, the State Board of Education shall adopt rules for the implementation of this section in accordance with G.S. 150B-21.1A, except that notwithstanding G.S. 150B-21.1A(d), those emergency rules may remain in effect until the expiration of this section. These rules shall be applied by local boards of education in designating the times public school employees may be subject to furlough. These rules shall provide, at a minimum, that:

- (1) Employees who work only on instructional days shall not be subject to furlough.
- (2) Employees who earn an annual salary of thirty-two thousand dollars (\$32,000) or less shall not be subject to furlough.
- (3) A furlough for other employees shall be for the same number of days for all such employees and shall be for a maximum of two days.
- (4) No teacher shall be subject to a furlough on an instructional day or a protected work day.
- (5) A local board of education shall have a public hearing and shall disclose the local school administrative unit's finances before the local board implements a furlough.
- (6) The local school administrative unit shall cut all bonus pay before it imposes a furlough.
- (7) A local school administrative unit may spread the salary or wage reduction for furloughed employees over the contract period in order to lessen the impact on the employees.

- (8) All savings realized as a result of a furlough shall be used to offset the LEA funding flexibility adjustment.
- (9) A county in which a local school administrative unit implements a furlough pursuant to this section shall not supplant existing local current expense funds for schools.
- (10) Each local board of education shall report to the State Board of Education on the details of any furlough implemented by the local school administrative unit and certify that the furlough complied with the provisions of this section and the rules adopted by the State Board.

SECTION 29.1.(h) A furlough as implemented by this section does not constitute a demotion pursuant to Part 3 of Article 22 of Chapter 115C of the General Statutes or under any other personnel law or policy.

SECTION 29.1.(i) Notwithstanding G.S. 115C-273, 115C-285(b), 115C-302.1(h), and 115C-316(b), or any other provision of law, public school employees who are not paid out of State funds shall receive the same reduction in pay applicable to State-paid employees in the event a furlough is enacted by a local school administrative unit.

The beginning classification for principals in alternative schools and in cooperative innovative high school programs shall be the Principal III level. Principals in alternative schools who supervise 33 or more teachers shall be classified according to the number of teachers supervised.

SECTION 29.3.(c) A principal shall be placed on the step on the salary schedule that reflects total number of years of experience as a certificated employee of the public schools and an additional step for every three years of experience as a principal. Provided, however, a principal who acquires an additional step for the 2009-2010 or 2010-2011 fiscal years shall not receive a corresponding increase in salary during the 2009-2011 fiscal biennium. A principal or assistant principal shall also continue to receive any additional State-funded percentage increases earned for the 1997-1998, 1998-1999, and 1999-2000 school years for improvement in student performance or maintaining a safe and orderly school.

SECTION 29.3.(d) Principals and assistant principals with certification based on academic preparation at the six-year degree level shall be paid a salary supplement of one hundred twenty-six dollars (\$126.00) per month and at the doctoral degree level shall be paid a salary supplement of two hundred fifty-three dollars (\$253.00) per month.

SECTION 29.3.(e) Longevity pay for principals and assistant principals shall be as provided for State employees under the State Personnel Act.

SECTION 29.3.(f) If a principal is reassigned to a higher job classification because the principal is transferred to a school within a local school administrative unit with a larger number of State-allotted teachers, the principal shall be placed on the salary schedule as if the principal had served the principal's entire career as a principal at the higher job classification.

If a principal is reassigned to a lower job classification because the principal is transferred to a school within a local school administrative unit with a smaller number of State-allotted teachers, the principal shall be placed on the salary schedule as if the principal had served the principal's entire career as a principal at the lower job classification.

This subsection applies to all transfers on or after the effective date of this section, except transfers in school systems that have been created, or will be created, by merging two or more school systems. Transfers in these merged systems are exempt from the provisions of this subsection for one calendar year following the date of the merger.

SECTION 29.3.(g) Participants in an approved full-time master's in school administration program shall receive up to a 10-month stipend at the beginning salary of an assistant principal during the internship period of the master's program. For the 2006-2007 fiscal year and subsequent fiscal years, the stipend shall not exceed the difference between the beginning salary of an assistant principal plus the cost of tuition, fees, and books and any fellowship funds received by the intern as a full-time student, including awards of the Principal Fellows Program. The Principal Fellows Program or the school of education where the intern participates in a full-time master's in school administration program shall supply the Department of Public Instruction with certification of eligible full-time interns.

SECTION 29.3.(h) During the 2010-2011 fiscal year, the placement on the salary schedule of an administrator with a one-year provisional assistant principal's certificate shall be at the entry-level salary for an assistant principal or the appropriate step on the teacher salary schedule, whichever is higher.

FURLOUGHS AUTHORIZED/UNC

SECTION 29.4.(a) Findings. – The General Assembly finds that:

- (1) North Carolina's citizens and businesses are suffering from the effects of a significant State financial crisis.
- (2) The financial crisis has resulted in large reductions in revenues projected to be available to fund the State's budget for the 2010-2011 fiscal year.
- (3) The University of North Carolina and its constituent institutions are required to reduce their budgets and should attempt to protect university employees when possible.
- (4) The implementation of furloughs may be necessary to balance The University of North Carolina's and its constituent institutions' budgets for the 2010-2011 fiscal year.

SECTION 29.4.(b) The President of The University of North Carolina may implement furloughs of university employees or delegate furlough authority to a chancellor of a constituent institution to offset the UNC Management Flexibility Reduction.

These policies shall be applied by the President and the constituent institutions in implementing a furlough of university employees. These policies shall provide, at a minimum, that:

- (1) The President may establish a salary threshold below which university employees shall not be subject to furlough. In no event may any full-time university employee, prorated for any part-time employee, earning an annual salary of thirty-two thousand dollars (\$32,000) or less be subject to furlough.
- (2) The scheduling of any furlough period shall be at the discretion of the President or the chancellor of the constituent institution when delegated.
- (3) Paid leave shall not be used to offset all or any portion of a furlough.
- (4) If a holiday falls during the mandatory furlough period, the university employee must be paid for the holiday.
- (5) All savings realized as a result of a furlough shall be used to offset the Management Flexibility Reduction for The University of North Carolina.

...
(3) ~~Operators of hotels, motels, tourist homes, tourist camps, and similar type businesses and persons who rent private residences and cottages to transients are considered retailers under this Article. A tax at the general rate of tax is levied on the gross receipts derived by these retailers from the rental of any rooms, lodgings, or accommodations furnished to transients for a consideration. This tax does not apply to any private residence or cottage that is rented for less than 15 days in a calendar year or to any room, lodging, or accommodation supplied to the same person for a period of 90 or more continuous days.~~

~~As used in this subdivision, the term "persons who rent to transients" means (i) owners of private residences and cottages who rent to transients and (ii) rental agents, including "real estate brokers" as defined in G.S. 93A-2, who rent private residences and cottages to transients on behalf of the owners. The tax does not apply to a private residence or cottage that is rented for fewer than 15 days in a calendar year or to an accommodation rented to the same person for a period of 90 or more continuous days.~~

~~Gross receipts derived from the rental of an accommodation include the sales price of the rental of the accommodation. A facilitator must report to the retailer with whom it has a contract the sales price a consumer pays to the facilitator for an accommodation rental marketed by the facilitator. A retailer must notify a facilitator when an accommodation rental marketed by the facilitator is completed and, within three business days of receiving the notice, the facilitator must send the retailer the portion of the sales price the facilitator owes the retailer and the tax due on the sales price. A facilitator that does not send the retailer the tax due on the sales price is liable for the amount of tax the facilitator fails to send. A facilitator is not liable for tax sent to a retailer but not remitted by the retailer to the Secretary. Tax payments received by a retailer from a facilitator are held in trust by the retailer for remittance to the Secretary. A retailer that receives a tax payment from a facilitator must remit the amount received to the Secretary. A retailer is not liable for tax due but not received from a facilitator. The requirements imposed by this subdivision on a retailer and a facilitator are considered terms of the contract between the retailer and the facilitator.~~

~~A person who, by written contract, agrees to be the rental agent for the provider of an accommodation is considered a retailer under this Article and is liable for the tax imposed by this subdivision. The liability of a rental agent for the tax imposed by this subdivision relieves the provider of the accommodation from liability. If a taxable accommodation is furnished as part of a package, the bundled transaction provisions in G.S. 105-164.4D apply in determining the sales price of the taxable accommodation. If those provisions do not address the type of package offered, the ~~operator~~ person offering the package may determine an allocated price for each item in the package based on a reasonable allocation of revenue that is supported by the operator's person's business records kept in the ordinary course of business and ~~collect~~ calculate tax on the allocated price of the taxable accommodation.

If those provisions do not address the type of package offered, the ~~operator~~ person offering the package may determine an allocated price for each item in the package based on a reasonable allocation of revenue that is supported by the operator's person's business records kept in the ordinary course of business and ~~collect~~ calculate tax on the allocated price of the taxable accommodation.

"§ 105-130.6. Subsidiary and affiliated corporations.

The net income of a corporation doing business in this State that is a parent, subsidiary, or affiliate of another corporation shall be determined by eliminating all payments to or charges by the parent, subsidiary, or affiliated corporation in excess of fair compensation in all intercompany transactions of any kind whatsoever. If the Secretary finds as a fact that a report by a corporation does not disclose the true earnings of the corporation on its business carried on in this State, the Secretary may require the corporation to file a consolidated return of the entire operations of the parent corporation and of its subsidiaries and affiliates, including its own operations and income. The Secretary shall determine the true amount of net income earned by such corporation in this State. The combined net income of the corporation and of its parent, subsidiaries, and affiliates shall be apportioned to this State by use of the applicable apportionment formula required to be used by the corporation under G.S. 105-130.4. The return shall include in the apportionment formula the property, payrolls, and sales of all corporations for which the return is made. For the purposes of this section, a corporation is considered a subsidiary of another corporation when, directly or indirectly, it is subject to control by the other corporation by stock ownership, interlocking directors, or by any other means whatsoever exercised by the same or associated financial interests, whether the control is direct or through one or more subsidiary, affiliated, or controlled corporations. The secretary may require a consolidated return under this section regardless of whether the parent or controlling corporation or interests or its subsidiaries or affiliates, other than the taxpayer, are or are not doing business in this State.

If a consolidated return required by this section is not filed within 60 days after it is demanded, then the corporation is subject to the penalties provided in G.S. 105-230 and G.S. 105-236.

The parent, subsidiary, or affiliated corporation must incorporate in its return required under this section information needed to determine the net income taxable under this Part, and must furnish any additional information the Secretary requires. If the return does not contain the information required or the additional information requested is not furnished within 30 days after it is demanded, the corporation is subject to the penalties provided in G.S. 105-230 and G.S. 105-236.

If the Secretary finds that the determination of the income of a parent, subsidiary, or affiliated corporation under a consolidated return will produce a greater or lesser figure than the amount of income earned in this State, the Secretary may readjust the determination by reasonable methods of computation to make it conform to the amount of income earned in this State. If the corporation contends the figure produced is greater than the earnings in this State, it must file with the Secretary within 30 days after notice of the determination a statement of its objections and of an alternative method of determination. The Secretary must consider the

statement in determining the income earned in this State. The findings and conclusions of the Secretary shall be presumed to be correct and shall not be set aside unless shown to be plainly wrong.

In order to provide clarity for taxpayers, the Secretary may adopt rules in accordance with G.S. 105-262 that describe facts and circumstances under which the Secretary will require a corporation to file a consolidated or combined return. The adoption of these rules does not limit the Secretary's authority to require a consolidated or combined return under sets of facts and circumstances not described in the rules when the Secretary finds as a fact that a report by a corporation does not disclose the true earnings of the corporation on its business carried on in this State."
