A BILL TO BE ENTITLED

AN ACT RELATING TO THE ORGANIZATION, AUTHORITY, AND RESPONSIBILITIES OF THE NORTH CAROLINA CENTER FOR GEOGRAPHIC INFORMATION ANALYSIS AND THE GEOGRAPHIC INFORMATION COORDINATING COUNCIL, AS RECOMMENDED BY THE JOINT LEGISLATIVE OVERSIGHT COMMITTEE ON INFORMATION TECHNOLOGY.

The General Assembly of North Carolina enacts:

**SECTION 1.** G.S. 143-725 reads as rewritten:

**"§ 143-725. Council established; role of the Center for Geographic Information and Analysis.**

(a) Council Established. – The North Carolina Geographic Information Coordinating Council ("Council") is established to develop policies regarding the utilization of geographic information, geographic information systems (GIS), ~~GIS systems~~, and other related technologies. The Council shall be responsible for the following:

- (1) Strategic planning.
- (2) Resolution of policy and technology issues.
- (3) Coordination, direction, and oversight of State, local, and private GIS efforts.
- (4) Advising the Governor, the General Assembly, and the State Chief Information Officer as to needed directions, responsibilities, and funding regarding geographic information.

The purpose of this statewide geographic information coordination effort shall be to further cooperation among State, federal, and local government agencies; academic institutions; and the private sector to improve the quality, access, cost-effectiveness, and utility of North Carolina's geographic information and to promote geographic information as a strategic resource in the State. The Council shall be located in the Office of the ~~Governor~~ State Chief Information Officer for organizational, budgetary, and administrative purposes.

(b) Role of CGIA. – The Center for Geographic Information and Analysis (CGIA) shall staff the Geographic Information and Coordinating Council and its committees. CGIA shall manage and distribute digital geographic information about North Carolina maintained by numerous State and local government agencies. It shall operate a statewide data clearinghouse and provide Internet access to State geographic information. CGIA shall be located in the Office of the State Chief Information Officer for organizational, budgetary, and administrative purposes. The State Chief Information Officer shall coordinate a professional services component for geographic information systems with the Center for Geographic Information and Analysis. CGIA shall monitor and approve all new GIS-related information technology

1 projects and expansion budget requests. All State agencies shall coordinate any GIS initiatives  
2 through the CGIA to ensure that they are not duplicating an existing function."

3 **SECTION 2.** G.S. 143-726 reads as rewritten:

4 **"§ 143-726. Council membership; organization.**

5 (a) Members. – The Council shall consist of up to ~~35~~37 members, or their designees, as
