13 accompany a federal write-in absentee ballot under the Uniformed and Overseas Citizens  
14 Absentee Voting Act, section 103, 42 U.S.C. § 1973ff-2, as modified to be consistent with this

17 part of all balloting materials for which the declaration is required.

18 **§ 163-258.5. Overseas voter's registration address.**

19       In registering to vote, an overseas voter who is eligible to vote in this State shall use and

27 Citizens Absentee Voting Act, section 101(b)(2), 42 U.S.C. § 1973ff(b)(2), or the application's  
28 electronic equivalent, to apply to register to vote.

29       (b) A covered voter may use the declaration accompanying the federal write-in absentee  
30 ballot, as prescribed under the Uniformed and Overseas Citizens Absentee Voting Act, section  
31 103, 42 U.S.C. § 1973ff-2, to apply to register to vote simultaneously with the submission of  
32 the federal write-in absentee ballot.

34 described in G.S. 163-258.4(c) is capable of accepting both a federal postcard application and

36 The voter may use the electronic transmission system or any other approved method to register  
37 to vote.

38       (d) A covered voter's registration to vote by any method authorized by this section may  
39 be received at any time prior to the primary or election, but no later than 5:00 P.M. on the day  
40 before the primary or election.

41 **§ 163-258.7. Methods of applying for military-overseas ballot.**

42       (a) A covered voter who is registered to vote in this State may apply for a  
43 military-overseas ballot using either the regular application provided by Article 20 of this  
44 Chapter or the federal postcard application, as prescribed under the Uniformed and Overseas  
45 Citizens Absentee Voting Act, section 101(b)(2), 42 U.S.C. § 1973ff(b)(2), or the application's  
46 electronic equivalent.

47       (b) A covered voter who is not registered to vote in this State may use the federal  
48 postcard application or the application's electronic equivalent simultaneously to apply to  
49 register to vote under G.S. 163-258.6 and to apply for a military-overseas ballot.

50       (c) The State Board of Elections shall ensure that the electronic transmission system  
51 described in G.S. 163-258.4(c) is capable of accepting the submission of both a federal

1 postcard application and any other approved electronic military-overseas ballot application sent  
2 to the appropriate election official. The voter may use the electronic transmission system or any  
3 other approved method to apply for a military-overseas ballot.

4 (d) A covered voter may use the declaration accompanying the federal write-in absentee  
5 ballot, as prescribed under the Uniformed and Overseas Citizens Absentee Voting Act, section  
6 103, 42 U.S.C. § 1973ff-2, as an application for a military-overseas ballot simultaneously with  
7 the submission of the federal write-in absentee ballot, if the declaration is received by the  
8 appropriate election official no later than 5:00 P.M. on the day before the election.

9 (e) To receive the benefits of this Article, a covered voter shall inform the appropriate  
10 election official that the voter is a covered voter. Methods of informing the appropriate election  
11 official that a voter is a covered voter include any of the following:

12 (1) The use of a federal postcard application or federal write-in absentee ballot.

13 (2) The use of an overseas address on an approved voter registration application  
14 or ballot application.

15 (3) The inclusion on an approved voter registration application or ballot  
16 application of other information sufficient to identify the voter as a covered  
17 voter.

18 (f) This Article does not preclude a covered voter from voting an absentee ballot under  
19 Article 20 of this Chapter.

20 **"§ 163-258.8. Timeliness and scope of application for military-overseas ballot.**

21 An application for a military-overseas ballot is timely if received by the appropriate  
22 election official by 5:00 P.M. of the day before the election or primary. An application from a  
23 covered voter for a military-overseas ballot shall be considered a valid absentee ballot request  
24 for any election covered under G.S. 163-258.3 held during the calendar year in which the  
25 application was received.

26 **"§ 163-258.9. Transmission of unvoted ballots.**

27 (a) Not later than 60 days before the statewide general election in even-numbered years  
28 and not later than 50 days before any other election, the county board of elections shall transmit  
29 a ballot and balloting materials to all covered voters who by that date submit a valid  
30 military-overseas ballot application, except for a second primary. However, in the case of  
31 municipal elections, absentee ballots shall be made available no later than 30 days before an  
32 election. For a second primary which includes a candidate for federal office, the county board  
33 of elections shall transmit a ballot and balloting material to all covered voters who by that date  
34 submit a valid military-overseas ballot application no later than 45 days before the second  
35 primary. For a second primary which does not include a candidate for federal office, the  
36 transmission of the ballot and ballot materials shall be as soon as practicable, and shall be  
37 transmitted electronically no later than three business days and by mail no later than 15 days  
38 from the date the appropriate board of elections orders that the second primary be held pursuant  
39 to G.S. 163-111. If additional offices are added to the ballot to fill a vacancy occurring after the  
40 deadline provided by this subsection, those ballots shall be transmitted as soon as practicable.

41 (b) A covered voter who requests that a ballot and balloting materials be sent to the  
42 voter by electronic transmission may choose facsimile transmission or electronic mail delivery,  
43 or, if offered by the voter's jurisdiction, Internet delivery. The election official in each  
44 jurisdiction charged with distributing a ballot and balloting materials shall transmit the ballot  
45 and balloting materials to the voter using the means of transmission chosen by the voter.

46 (c) If a ballot application from a covered voter arrives after the jurisdiction begins  
47 transmitting ballots and balloting materials to voters, the official charged with distributing a  
48 ballot and balloting materials shall transmit them to the voter not later than two business days  
49 after the application arrives.

50 **"§ 163-258.10. Timely casting of ballot.**

1 To be valid, a military-overseas ballot shall either be received by the appropriate county  
2 board of elections no later than the close of the polls or the covered voter shall submit the ballot  
3 for mailing, electronic transmission, or other authorized means of delivery not later than 12:01  
4 A.M., at the place where the voter completes the ballot, on the date of the election.

5 **"§ 163-258.11. Federal write-in absentee ballot.**

6 A covered voter may use the federal write-in absentee ballot, in accordance with the  
7 Uniformed and Overseas Citizens Absentee Voting Act, section 103, 42 U.S.C. § 1973ff-2, to  
8 vote for all offices and ballot measures in a covered election.

9 **"§ 163-258.12. Receipt of voted ballot.**

10 (a) A valid military-overseas ballot cast in accordance with G.S. 163-258.10 shall be  
11 counted if it is delivered to the address that the appropriate State or local election office has  
12 specified by the end of business on the business day before the canvass conducted by the  
13 county board of elections held pursuant to G.S. 163-182.5 to determine the final official results.

14 (b) If the ballot is timely received, it may not be rejected on the basis that it has a late  
15 postmark, an unreadable postmark, or no postmark.

16 **"§ 163-258.13. Declaration.**

17 Each military-overseas ballot shall include or be accompanied by a declaration signed by  
18 the voter declaring that a material misstatement of fact in completing the document may be  
19 grounds for a conviction of perjury under the laws of the United States or this State.

20 **"§ 163-258.14. Confirmation of receipt of application and voted ballot.**

21 The State Board of Elections, in coordination with local election officials, shall implement  
22 an electronic free-access system by which a covered voter may determine by telephone,  
23 electronic mail, or Internet whether:

24 (1) The voter's federal postcard application or other registration or  
25 military-overseas ballot application has been received and accepted; and

26 (2) The voter's military-overseas ballot has been received and the current status  
27 of the ballot.

28 **"§ 163-258.15. Use of voter's electronic mail address.**

29 (a) The county board of elections shall request an electronic-mail address from each  
30 covered voter who registers to vote after January 1, 2012. An electronic-mail address provided  
31 by a covered voter is not a public record under Chapter 132 of the General Statutes. The  
32 address may be used only for official communication with the voter about the voting process,  
33 including transmitting military-overseas ballots and election materials if the voter has requested  
34 electronic transmission, and verifying the voter's mailing address and physical location, as  
35 needed. The request for an electronic-mail address shall describe the purposes for which the  
36 electronic-mail address may be used and include a statement that any other use or disclosure of  
37 the electronic-mail address is prohibited.

38 (b) A covered voter who provides an electronic-mail address may request that the  
39 voter's application for a military-overseas ballot be considered a standing request for electronic  
40 delivery of a ballot for all elections held through December 31 of the year following the  
41 calendar year of the date of the application or another shorter period the voter specifies,  
42 including for any runoff elections that occur as a result of such elections. An election official  
43 shall provide a military-overseas ballot to a voter who makes a request for each election to  
44 which the request is applicable. A covered voter entitled to receive a military-overseas ballot  
45 for a primary election under this subsection is also entitled to receive a military-overseas ballot  
46 for the general election.

47 **"§ 163-258.16. Publication of election notice.**

48 (a) Not later than 100 days before a regularly scheduled election to which this Article  
49 applies, and as soon as practicable in the case of an election or vacancy election not regularly  
50 scheduled, each county board of elections shall prepare an election notice for that jurisdiction  
51 to be used in conjunction with the federal write-in absentee ballot described in

1 G.S. 163-258.11. For a second primary required by G.S 163-111, the county board of elections  
2 shall prepare, no later than the day following the date the appropriate board of elections orders  
3 that a second primary be held, an election notice for that jurisdiction to be used in conjunction  
4 with the federal write-in absentee ballot. The election notice shall contain a list of all of the  
5 ballot measures and federal, State, and local offices that as of that date the official expects to be  
6 on the ballot on the date of the election. The notice also shall contain specific instructions for  
7 how a voter is to indicate on the federal write-in absentee ballot the voter's choice for each  
8 office to be filled and for each ballot measure to be contested.

9 (b) A covered voter may request a copy of an election notice. The official charged with  
10 preparing the election notice shall send the notice to the voter by facsimile, electronic mail, or  
11 regular mail, as the voter requests.

12 (c) As soon as ballot styles are printed, the county board of elections shall update the  
13 notice with the certified candidates for each office and ballot measure questions and make the  
14 updated notice publicly available.

15 (d) A county board of elections that maintains an Internet Web site shall make updated  
16 versions of its election notices regularly available on the Web site.

17 **"§ 163-258.17. Prohibition of nonessential requirements.**

18 (a) If a voter's mistake or omission in the completion of a document under this Article  
19 does not prevent determining whether a covered voter is eligible to vote, the mistake or  
20 omission does not invalidate the document. Failure to satisfy a nonessential requirement, such  
21 as using paper or envelopes of a specified size or weight, does not invalidate a document  
22 submitted under this Article. In any write-in ballot authorized by this Article or in any vote for  
23 a write-in candidate on a regular ballot, if the intention of the voter is discernable under this  
24 State's uniform definition of what constitutes a vote, as required by the Help America Vote Act,  
25 42 U.S.C. § 15481(a)(6), an abbreviation, misspelling, or other minor variation in the form of  
26 the name of a candidate or a political party shall be accepted as a valid vote.

27 (b) An authentication, other than the declaration specified in G.S. 163-278.13 or the  
28 declaration on the federal postcard application and federal write-in absentee ballot, is not  
29 required for execution of a document under this Article. The declaration and any information in  
30 the declaration may be compared against information on file to ascertain the validity of the  
31 document.

32 **"§ 163-258.18. Issuance of injunction or other equitable relief.**

33 A court may issue an injunction or grant other equitable relief appropriate to ensure  
34 substantial compliance with, or enforce, this Article on application by:

35 (1) A covered voter alleging a grievance under this Article; or

36 (2) An election official in this State.

37 **"§ 163-258.19. Uniformity of application and construction.**

38 In applying and construing this uniform act, consideration shall be given to the need to  
39 promote uniformity of the law with respect to its subject matter among states that enact it.

40 **"§ 163-258.20. Relation to Electronic Signatures in Global and National Commerce Act.**

41 This Article modifies, limits, and supersedes the federal Electronic Signatures in Global and  
42 National Commerce Act, 15 U.S.C. § 7001, et seq., but does not modify, limit, or supersede  
43 section 101(c) of that act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the  
44 notices described in section 103(b) of that act, 15 U.S.C. § 7003(b)."

45 **SECTION 2.** Article 21 of Chapter 163 of the General Statutes is repealed, except  
46 that G.S. 163-251, 253, 254, 255, 256, and 258 are recodified as G.S. 163-258.21 through  
47 G.S. 163-258.26, respectively, and as such read as rewritten:
