**"§ 163-258.5. Overseas voter's registration address.**

In registering to vote, an overseas voter who is eligible to vote in this State shall use and shall be assigned to the precinct of the address of the last place of residence of the voter in this State, or, in the case of a voter described by G.S. 163-258.2(1)e., the address of the last place of residence in this State of the parent or legal guardian of the voter. If that address is no longer a recognized residential address, the voter shall be assigned an address for voting purposes.

**"§ 163-258.6. Methods of registering to vote.**

(a) In addition to any other approved method for registering to vote, a covered voter may use a federal postcard application, as prescribed under the Uniformed and Overseas Citizens Absentee Voting Act, section 101(b)(2), 42 U.S.C. § 1973ff(b)(2), or the application's electronic equivalent, to apply to register to vote.

The voter may use the electronic transmission system or any other approved method to register to vote.

**"§ 163-258.8. Timeliness and scope of application for military-overseas ballot.**

An application for a military-overseas ballot is timely if received by the appropriate election official by 5:00 P.M. of the day before the election or primary. An application from a covered voter for a military-overseas ballot shall be considered a valid absentee ballot request for any election covered under G.S. 163-258.3 held during the calendar year in which the application was received.

**"§ 163-258.9. Transmission of unvoted ballots.**

(a) Not later than 60 days before the statewide general election in even-numbered years and not later than 50 days before any other election, the county board of elections shall transmit a ballot and balloting materials to all covered voters who by that date submit a valid military-overseas ballot application, except for a second primary. However, in the case of municipal elections, absentee ballots shall be made available no later than 30 days before an election. For a second primary which includes a candidate for federal office, the county board of elections shall transmit a ballot and balloting material to all covered voters who by that date submit a valid military-overseas ballot application no later than 45 days before the second primary. For a second primary which does not include a candidate for federal office, the transmission of the ballot and ballot materials shall be as soon as practicable and shall be transmitted electronically no later than three business days and by mail no later than 15 days from the date the appropriate board of elections orders that the second primary be held pursuant to G.S. 163-111. If additional offices are added to the ballot to fill a vacancy occurring after the deadline provided by this subsection, those ballots shall be transmitted as soon as practicable.

(b) A covered voter who requests that a ballot and balloting materials be sent to the voter by electronic transmission may choose facsimile transmission or electronic mail delivery, or, if offered by the voter's jurisdiction, Internet delivery. The election official in each jurisdiction charged with distributing a ballot and balloting materials shall transmit the ballot and balloting materials to the voter using the means of transmission chosen by the voter.

(c) If a ballot application from a covered voter arrives after the jurisdiction begins transmitting ballots and balloting materials to voters, the official charged with distributing a ballot and balloting materials shall transmit them to the voter not later than two business days after the application arrives.

**"§ 163-258.10. Timely casting of ballot.**

To be valid, a military-overseas ballot shall either be received by the appropriate county board of elections no later than the close of the polls, or the covered voter shall submit the ballot for mailing, electronic transmission, or other authorized means of delivery not later than 12:01 A.M., at the place where the voter completes the ballot, on the date of the election.

**"§ 163-258.11. Federal write-in absentee ballot.**

A covered voter may use the federal write-in absentee ballot, in accordance with the Uniformed and Overseas Citizens Absentee Voting Act, section 103, 42 U.S.C. § 1973ff-2, to vote for all offices and ballot measures in a covered election.

**"§ 163-258.12. Receipt of voted ballot.**

(a) A valid military-overseas ballot cast in accordance with G.S. 163-258.10 shall be counted if it is delivered to the address that the appropriate State or local election office has specified by the end of business on the business day before the canvass conducted by the county board of elections held pursuant to G.S. 163-182.5 to determine the final official results.

(b) If the ballot is timely received, it may not be rejected on the basis that it has a late postmark, an unreadable postmark, or no postmark.

**"§ 163-258.13. Declaration.**

Each military-overseas ballot shall include or be accompanied by a declaration signed by the voter declaring that a material misstatement of fact in completing the document may be grounds for a conviction of perjury under the laws of the United States or this State.

**"§ 163-258.14. Confirmation of receipt of application and voted ballot.**

The State Board of Elections, in coordination with local election officials, shall implement an electronic free access system by which a covered voter may determine by telephone, electronic mail, or Internet whether:

- (1) The voter's federal postcard application or other registration or military-overseas ballot application has been received and accepted; and
- (2) The voter's military-overseas ballot has been received and the current status of the ballot.

**"§ 163-258.15. Use of voter's electronic mail address.**

(a) The county board of elections shall request an electronic mail address from each covered voter who registers to vote after January 1, 2012. An electronic mail address provided by a covered voter is not a public record under Chapter 132 of the General Statutes. The address may be used only for official communication with the voter about the voting process, including transmitting military-overseas ballots and election materials if the voter has requested electronic transmission, and verifying the voter's mailing address and physical location, as needed. The request for an electronic mail address shall describe the purposes for which the

electronic mail address may be used and include a statement that any other use or disclosure of the electronic mail address is prohibited.

(b) A covered voter who provides an electronic mail address may request that the voter's application for a military-overseas ballot be considered a standing request for electronic delivery of a ballot for all elections held through December 31 of the year following the calendar year of the date of the application or another shorter period the voter specifies, including for any runoff elections that occur as a result of such elections. An election official shall provide a military-overseas ballot to a voter who makes a request for each election to which the request is applicable. A covered voter entitled to receive a military-overseas ballot for a primary election under this subsection is also entitled to receive a military-overseas ballot for the general election.

**"§ 163-258.16. Publication of election notice.**

(a) Not later than 100 days before a regularly scheduled election to which this Article applies, and as soon as practicable in the case of an election or vacancy election not regularly scheduled, each county board of elections shall prepare an election notice for that jurisdiction to be used in conjunction with the federal write-in absentee ballot described in G.S. 163-258.11. For a second primary required by G.S. 163-111, the county board of elections shall prepare, no later than the day following the date the appropriate board of elections orders that a second primary be held, an election notice for that jurisdiction to be used in conjunction with the federal write-in absentee ballot. The election notice shall contain a list of all of the ballot measures and federal, State, and local offices that, as of that date, the official expects to be on the ballot on the date of the election. The notice also shall contain specific instructions for how a voter is to indicate on the federal write-in absentee ballot the voter's choice for each office to be filled and for each ballot measure to be contested.

(b) A covered voter may request a copy of an election notice. The official charged with preparing the election notice shall send the notice to the voter by facsimile, electronic mail, or regular mail, as the voter requests.

(c) As soon as ballot styles are printed, the county board of elections shall update the notice with the certified candidates for each office and ballot measure questions and make the updated notice publicly available.

(d) A county board of elections that maintains an Internet Web site shall make updated versions of its election notices regularly available on the Web site.

**"§ 163-258.17. Prohibition of nonessential requirements.**

(a) If a voter's mistake or omission in the completion of a document under this Article does not prevent determining whether a covered voter is eligible to vote, the mistake or omission does not invalidate the document. Failure to satisfy a nonessential requirement, such as using paper or envelopes of a specified size or weight, does not invalidate a document submitted under this Article. In any write-in ballot authorized by this Article or in any vote for a write-in candidate on a regular ballot, if the intention of the voter is discernable under this State's uniform definition of what constitutes a vote, as required by the Help America Vote Act, 42 U.S.C. § 15481(a)(6), an abbreviation, misspelling, or other minor variation in the form of the name of a candidate or a political party shall be accepted as a valid vote.

(b) An authentication, other than the declaration specified in G.S. 163-258.13 or the declaration on the federal postcard application and federal write-in absentee ballot, is not required for execution of a document under this Article. The declaration and any information in the declaration may be compared against information on file to ascertain the validity of the document.

**"§ 163-258.18. Issuance of injunction or other equitable relief.**

A court may issue an injunction or grant other equitable relief appropriate to ensure substantial compliance with, or enforce, this Article on application by:

- (1) A covered voter alleging a grievance under this Article; or
- (2) An election official in this State.

**"§ 163-258.19. Uniformity of application and construction.**

**"§ 163-258.20. Relation to Electronic Signatures in Global and National Commerce Act.**

This Article modifies, limits, and supersedes the federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. § 7001, et seq., but does not modify, limit, or supersede

section 101(c) of that act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices described in section 103(b) of that act, 15 U.S.C. § 7003(b)."

**SECTION 2.** Article 21 of Chapter 163 of the General Statutes is repealed, except that G.S. 163-251, 253, 254, 255, 256, and 258 are recodified as G.S. 163-258.21 through G.S. 163-258.26, respectively, and as such read as rewritten:

**SECTION 7.** G.S. 163-234(2) reads as rewritten:

"(2) The county board of elections shall meet at 5:00 p.m. on election day in the board office or other public location in the county courthouse for the purpose of counting all absentee ballots except those which have been challenged before 5:00 p.m. on election day and those received pursuant to G.S. 163-231(b)(ii) or (iii). Any elector of the county shall be permitted to attend the meeting and allowed to observe the counting process, provided the elector shall not in any manner interfere with the election officials in the discharge of their duties.

Provided, that the county board of elections is authorized to begin counting absentee ballots issued under Article 21A of this Chapter between the hours of 9:00 A.M. and 5:00 P.M. and to begin counting all absentee ballots between the hours of 2:00 p.m. and 5:00 p.m. upon the adoption of a resolution at least two weeks prior to the election wherein the hour and place of counting absentee ballots shall be stated. Such resolution also may provide for an additional meeting following the day of the election and prior to the day of canvass to count absentee ballots received pursuant to G.S. 163-231(b)(ii) or (iii) as provided in subdivision (10) of this section. A copy of the resolutions shall be published once a week for two weeks prior to the election, in a newspaper having general circulation in the county. Notice may additionally be made on a radio or television station or both, but such notice shall be in addition to the newspaper and other required notice. The count shall be continuous until completed and the members shall not

separate or leave the counting place except for unavoidable necessity, except that if the count has been completed prior to the time the polls close, it shall be suspended until that time pending receipt of any additional ballots. Nothing in this section shall prohibit a county board of elections from taking preparatory steps for the count earlier than the times specified in this section, as long as the preparatory steps do not reveal to any individual not engaged in the actual count election results before the times specified in this subdivision for the count to begin. By way of illustration and not limitation, a preparatory step for the count would be the entry of tally cards from direct record electronic voting units into a computer for processing. The board shall not announce the result of the count before 7:30 p.m."

**SECTION 8.** G.S. 163-239 reads as rewritten:

"§ 163-239. Article 21-21A relating to absentee voting by servicemen and certain civilians military and overseas voters not applicable.

"(a) Official Record. – The State voter registration system is the official voter registration list for the conduct of all elections in the State. The State Board of Elections and the county board of elections may keep copies of voter registration data, including voter registration applications, in any medium and format expressly approved by the Department of Cultural Resources pursuant to standards and conditions established by the Department and mutually agreed to by the Department and the State Board of Elections. A completed and signed registration application form, if available, described in G.S. 163-82.3, once approved by the county board of elections, becomes backup to the official registration record of the voter. Cumulative data based on those items of information may be publicly disclosed as long as information about any individual cannot be discerned from the disclosed data. Disclosure of information in violation of this subsection shall not give rise to a civil cause of action. This limitation of liability does not apply to the disclosure of information in violation of this subsection as a result of gross negligence, wanton conduct, or intentional wrongdoing that would otherwise be actionable. The signature of the voter, either on the paper application or an electronically captured image of it, may be viewed by the public but may not be copied or traced except by election officials for election administration purposes. Any such copy or tracing is not a public record."
