1 A HOUSE RESOLUTION HONORING THE USO OF NORTH CAROLINA FOR  
2 PROVIDING EXCEPTIONAL PROGRAMS AND SERVICES TO OUR MILITARY  
3 TROOPS AND THEIR FAMILIES.

4 Whereas, the United Service Organizations (USO) was established in 1941 to  
5 provide civilian support for military personnel during World War II; and

6 Whereas, the first USO facility opened in Fayetteville, North Carolina, in 1941 and  
7 was soon followed by other facilities, including one in Jacksonville; and

8 Whereas, the Jacksonville facility has operated for 70 years and is the longest  
9 continuously operating USO facility in the world; and

10 Whereas, the USO of North Carolina provides essential services to the many men  
11 and women in the military based in our State, which is home to 11% of the U.S. military's  
12 active duty forces, seven major military installations, and the fourth largest demographic of  
13 active and reserve duty components in the country; and

14 Whereas, in 2010, the USO of North Carolina served over 320,000 troops in five  
15 centers across the State, including two travel-based centers at Charlotte Douglas International  
16 Airport and Raleigh-Durham International Airport, two installation-based centers in  
17 Fayetteville/Fort Bragg and Jacksonville/Camp Lejeune, and a mobile unit that travels  
18 statewide to support troops and their families in remote locations; and

19 Whereas, in 2010, an average of 8,750 people each month visited the travel-based  
20 centers, which are staffed by volunteers and provide comfortable settings, Internet and phone  
21 access, refreshments, play areas for children, and other entertainment options for military  
22 personnel and their families; and

23 Whereas, in 2010, the travel-based centers through their "Honors Support Team"  
24 performed over 70 plane-side dignified returns and aided nearly 1,100 family members of  
25 fallen service members over the course of that year; and

26 Whereas, the USO of North Carolina will open another travel-based center in the  
27 Fayetteville Airport and an information desk in the New Bern Airport in 2011; and

28 Whereas, the two installation-based centers serve an average of 50,000 troops and  
29 their families, providing assistance with Rack Packs, care packages, deployments, and  
30 homecomings and serving as recreation centers; and

31 Whereas, the USO of North Carolina helps family members stay connected with  
32 deployed service members with their "Smiles Over Miles" program, which allows family  
33 members in North Carolina to make videos at the centers and send them to deployed loved  
34 ones, and "United Through Reading," which gives service members the opportunity to read a

1 story on video before they are deployed and then have it delivered to their children while they  
2 are away; and

3       Whereas, the USO of North Carolina sponsors other programs, including surprise  
4 birthday cakes for military members, wounded warrior support, seasonal and special programs  
5 for the children of deployed service members, holiday meals, and a food pantry for members in  
6 need; and

7       Whereas, the USO of North Carolina is constantly adapting to meet the needs of  
8 today's service members and their families, such as providing reading and study skills seminars  
9 for parents and children and establishing college campus satellite locations on or near USO  
10 facilities to provide resource information and peer-to-peer contacts for veterans attending  
11 college in our State; and

12       Whereas, with multiple deployments, financial challenges, mental health issues,  
13 nuclear family disruptions, adjustments to injuries, and transitions to civilian life, it is more  
14 important than ever that our military personnel receive the benefits and services provided by  
15 the USO of North Carolina; and

16       Whereas, the USO of North Carolina and its more than 700 volunteers should be  
17 commended for the outstanding support the organization provides to our service men and  
18 women and their families; Now, therefore,

19 Be it resolved by the House of Representatives:

20       **SECTION 1.** The House of Representatives wishes to extend its appreciation to the  
21 USO of North Carolina for providing programs and services to our military troops and their  
22 families.

23       **SECTION 2.** The Principal Clerk shall transmit a certified copy of this resolution  
24 to the USO of North Carolina.

25       **SECTION 3.** This resolution is effective upon adoption.
