35 application with the Commissioner. The application shall be in the form required by the
36 Commissioner and shall contain such information as the Commissioner requires, set forth in
37 sufficient detail to enable the Commissioner to evaluate the applicant's satisfaction of the
38 criteria set forth in G.S. 53C-3-4. The applicant shall pay a nonrefundable application fee as
39 provided by rule at the time of filing the application.

40 (b) Upon receipt of an application, the Commissioner shall conduct an examination of
41 the applicant and any other matters deemed relevant by the Commissioner. The Commissioner
42 may require additional information and may require the amendment of the application in the
43 course of the examination. An applicant's failure to furnish all required information or to pay
44 the required fee within 30 days after filing the application may be considered an abandonment
45 of the application.

46 **"§ 53C-3-2. Permission to organize a bank.**

47 (a) With the approval of the Commissioner, the organizers may file articles of
48 incorporation for the proposed bank with the Secretary of State. The Commissioner shall
49 authorize the organization of the proposed bank if the Commissioner is satisfied that each of
50 the following conditions is met:

51 (1) The application is complete.

1 (2) The Commissioner's examination as provided for in G.S. 53C-3-1 indicates
2 that the requirements for the issuance of a charter to the applicant are
3 reasonably probable of satisfaction.

4 (3) The proposed name of the proposed bank is not likely to mislead the public
5 as to its character or purpose and is not the same as a name already adopted
6 by an existing depository institution or trust institution operating in this
7 State.

8 (b) If the Commissioner approves the organization of the proposed bank, the
9 Commissioner shall issue a certificate to the Secretary of State. The Secretary of State shall
10 transmit to the Commissioner a certified copy of the filed articles of incorporation of the
11 proposed bank.

12 (c) Unless and until the Commissioner issues a charter to the proposed bank:

13 (1) The proposed bank shall not transact any business except such as is
14 incidental and necessary to its organization or the application for a charter or
15 preparation for commencing the business of banking.

16 (2) All funds paid for shares of the proposed bank shall be placed in escrow
17 under a written escrow with a third-party escrow agent satisfactory to the
18 Commissioner.

19 (3) All funds for shares placed into escrow, and all dividends or interest on such
20 funds, may be removed from escrow only with the Commissioner's approval
21 except to the extent that such funds are refunded to subscribers or as
22 otherwise required by law.

23 (d) A proposed bank is subject to the jurisdiction of the Commissioner.

24 **§ 53C-3-3. Articles of incorporation of a proposed bank.**

25 (a) The articles of incorporation of a proposed bank shall be signed and acknowledged
26 by or on behalf of an organizer and shall contain the following:

27 (1) The information required to be set forth in articles of incorporation under
28 Chapter 55 of the General Statutes.

29 (2) Any provision consistent with Chapter 55 of the General Statutes and other
30 applicable law that the organizers elect to set forth for the regulation of the
31 internal affairs of the proposed bank and that the Commissioner authorizes
32 or requires.

33 (3) Any provision the Commissioner requires or authorizes as a substitute for a
34 provision that otherwise would be required by Chapter 55 of the General
35 Statutes.

36 (b) Before the chartering of a proposed bank, the articles of incorporation filed under
37 the provisions of G.S. 53C-3-2 shall be sufficient certification to the FDIC that the proposed
38 bank is a legal entity.

39 **§ 53C-3-4. Commissioner's approval of charter issuance.**

40 (a) The Commissioner may approve a charter for a proposed bank only when the
41 Commissioner has determined that all the following requirements have been satisfied or are
42 reasonably probable to be satisfied within a reasonable period of time specified by the
43 Commissioner in the order of approval:

44 (1) The proposed bank has solicited or will solicit subscriptions for purchases of
45 shares sufficient to provide an amount of required capital satisfactory to the
46 Commissioner for the commencement of the business of banking.

47 (2) All prior public solicitations for purchases of shares and all future
48 solicitations will be solicited with appropriate disclosure, taking into account
49 all the circumstances of the public solicitation, including a prominent
50 statement in any solicitation document to the effect that the solicitation has

1 not been approved by the Commissioner or the Commission and that a
2 representation to the contrary is a criminal offense.

3 (3) All payments for purchases of shares in a bank in organization are made in
4 United States currency.

5 (4) The proposed bank has an operational expense fund from which to pay
6 organizational expenses, in an amount determined by the Commissioner to
7 be sufficient for the safe and sound operation of the proposed bank while the
8 charter application is pending.

9 (5) The proposed bank has been formed for legitimate and lawful business
10 purposes.

11 (6) The character, competence, and experience of the organizers, proposed
12 directors, proposed officers, and initial holders of more than ten percent
13 (10%) of the voting securities of the proposed bank will command the
14 confidence of the public.

15 (7) The proposed officers and directors, as a group, have degrees of character,
16 competence, and experience sufficient to justify a belief that the proposed
17 bank will be free from improper or unlawful influence and otherwise will
18 operate safely, soundly, and in compliance with law.

19 (8) The anticipated volume and nature of business of the proposed bank
20 projected in the application are reasonable and indicate a reasonable
21 probability of safe, sound, and profitable operation of the proposed bank.

22 (9) If the proposed bank intends to conduct "trust business," as defined by
23 G.S. 53C-1-4(70), it appears that trust powers should be granted based on
24 consideration of the various factors set forth in Article 24 of Chapter 53 of
25 the General Statutes for considering applications and setting capital for a
26 State trust company.

27 (b) The Commissioner's determination that the requirements described in subsection (a)
28 are reasonably probable of satisfaction may be based on partial satisfaction of the requirements
29 at a level set by the Commissioner as a prerequisite for approval of the charter, and also may be
30 based on presentation of a plan for the full satisfaction of the requirements.

31 (c) If it appears to the Commissioner that the proposed bank has satisfied or is
32 reasonably probable to satisfy the requirements for issuance of a charter, the Commissioner
33 shall issue an order approving the application for a charter and such order shall be submitted to
34 the Commission for its review at a public hearing. The Commissioner may, in the order
35 approving the proposed bank's charter, impose other reasonable conditions or restrictions upon
36 the proposed bank or the new bank, consistent with this Chapter.

37 (d) If it appears to the Commissioner that the proposed bank has not satisfied and is not
38 reasonably probable of satisfying the requirements for issuance of a charter, the Commissioner
39 shall issue an order denying approval of the application. The applicant may, within 10 days of
40 issuance of the order, give notice of appeal of this decision to the Commission pursuant to
41 G.S. 53C-2-6.

42 **"§ 53C-3-5. Notice; public hearing.**

43 (a) Not less than 30 days before the public hearing of the Commission to review the
44 Commissioner's approval of an application, the applicant shall cause to be published a public
45 notice containing the following:

46 (1) A statement that the application has been filed with the Commissioner.

47 (2) The name of the community where the proposed bank intends to locate its
48 principal office.

49 (3) A statement that a public hearing will be held to review the Commissioner's
50 approval of the application.

1 (4) A statement that any interested person may file a written statement either
2 favoring or protesting the chartering of the proposed bank. The statement
3 shall note that, in order to be considered at the public hearing, all written
4 statements from interested persons must be filed with the Commission
5 within 30 days of the date of publication of the public notice.

6 (b) At the public hearing, the Commission shall consider the findings and order of the
7 Commissioner and shall hear such testimony as the Commissioner may wish to give or be
8 called upon to give. To the extent that the Commission deems the information and testimony
9 relevant to its review of the Commissioner's order, the Commission shall receive information
10 and hear testimony from the organizers and shall hear from any other interested persons.

11 **"§ 53C-3-6. Commission decision.**

12 (a) The Commission shall consider the findings and order of the Commissioner, oral
13 testimony, and any other information and evidence, either written or oral, that comes before it
14 at the public hearing to review the Commissioner's approval of an application for a charter. The
15 Commission may adjourn and reconvene the public hearing in unusual circumstances. The
16 Commission shall affirm or reverse the Commissioner's order. The Commission may adopt the
17 Commissioner's recommendation with respect to conditions for issuance of a charter, or it may
18 modify the conditions recommended by the Commissioner. The Commission shall render its
19 decision at the public hearing, unless unusual circumstances require postponement of the
20 decision. The Commission's review shall be limited to a determination of whether the criteria
21 set forth in G.S. 53C-3-4 have been met and whether the provisions of this Article have been
22 followed.

23 (b) If the Commission denies an application for a charter or if the Commission approves
24 an application with conditions not set forth in the Commissioner's approval, the applicant may
25 appeal the denial or approval containing such conditions, as provided in G.S. 53C-2-6.

26 **"§ 53C-3-7. Issuance of charter.**

27 (a) A proposed bank shall not engage in business except as allowed under
28 G.S. 53C-3-2(c)(1), until it receives a charter issued by the Commissioner. The Commissioner
29 shall not issue the charter until the Commissioner is satisfied that the proposed bank has done
30 each of the following:

31 (1) Received payment in United States currency for the purchase of shares and
32 will have satisfactory required capital upon commencing business, in each
33 case in at least the amount required by the Commission's order approving the

41 discretion of the Commissioner upon a pre-opening examination.

42 (b) The charter issued by the Commissioner shall set forth any trust powers of the bank
43 that may be full or partial trust powers.

44 (c) If a bank does not open and engage in the business of banking within six months
45 after the date its charter is issued or within such longer period as may be permitted by the
46 Commissioner, the Commissioner shall revoke the charter.

47 (d) If the Commissioner determines that a charter should not be issued following
48 Commission approval, the applicant may appeal that decision to the Commission as provided in
49 G.S. 53C-2-6.

50 (e) Following the exhaustion of all appeals, the Commissioner may dissolve and
51 liquidate the proposed bank as provided in G.S. 53C-9-301, or order the organizers to dissolve

1 and liquidate the proposed bank pursuant to G.S. 53C-9-201, if any one of the following
2 occurs:

- 3 (1) The Commissioner does not recommend the issuance of a charter.
- 4 (2) The Commission denies approval of a charter.
- 5 (3) The charter is revoked by the Commissioner pursuant to subsection (c) of
6 this section or other applicable law.

13 Federal Housing Administration, Secretary of Housing and Urban
14 Development, or Veterans Administration, or in obligations of a national

45 Commissioner may require. Unless the Commissioner, within 30 days following receipt of the
46 notice, notifies the bank or bank operating subsidiary that the Commissioner objects to the
47 proposed investment, the bank or bank operating subsidiary may complete the investment.
48 However, the Commissioner may extend the period within which to object to the proposed
49 investment if the Commissioner determines that it raises issues that require additional
50 information or additional time for analysis. While the objection period is so extended, the bank
51 or bank operating subsidiary may not proceed with respect to the proposed investment.

- 1 (f) The prior notice requirement provided by subsection (e) of this section shall not

12 federal bank supervisory authority is required.
- 13 (3) A bank that makes an investment pursuant to the exception created by this
14 subsection shall nevertheless notify the Commissioner in writing of the
15 investment within 30 days thereafter.
- 16 (g) Any bank, out-of-state bank, national bank, or any subsidiary thereof that engages in
17 an activity subject to licensure and/or regulation under the laws of this State, other than this
18 Chapter, shall be subject to licensure and/or regulation on a basis that does not arbitrarily
19 discriminate by the appropriate regulatory agency which licenses and/or regulates nonbanks
20 that engage in the same activity.
- 21 (h) The Commissioner shall monitor the impact of investment activities of banks and
22 their subsidiaries under this section on the safety and soundness of such banks. Any securities

24 public or private sale within six months after the date of acquiring the securities and, if not so
25 disposed of, they shall be charged to profit and loss account and no longer carried on the books
26 as an asset. The limit of time in which securities shall be disposed of or charged off the books
27 of the bank may be extended by the Commissioner if in the Commissioner's judgment it is for
28 the best interest of the bank that the extension be granted, provided that the limitations imposed
29 in this section on the ownership of shares or other equity ownership interest in companies are
30 suspended only to the extent that any bank operating under the supervision of the
31 Commissioner may subscribe for and purchase shares and other equity ownership interests in,
32 or debentures, bonds, or other types of securities of, any company organized under the laws of
33 the United States for the purposes of insuring the depositors a part or all of their funds on

45 five years after it is acquired unless, upon application by the bank, the
46 Commissioner extends the time within which the sale shall be made.
- 47 (j) A bank's investment in any bonds or other debt obligations of any one person, other
48 than obligations of the United States government or an agency thereof, or other obligations

25 free from the control of all other persons except creditors. A minor who obtains a deposit
26 account from a bank under this subsection, whether individually or together with others, is
27 bound by the terms of the deposit account agreement to the same extent as if the minor were of
28 full age and legal capacity.

29 (b) Any bank may lease a safe deposit box to a minor or to two or more individuals, one
30 or more of whom are minors. With respect to any such lease, a bank may deal with the minor in
31 all regards as if the minor were of full age and legal capacity. A minor entering a lease
32 agreement with a bank under this subsection, whether individually or together with others, is
33 bound by the terms of the safe deposit box agreement to the same extent as if the minor were of
34 full age and legal capacity.

35 (c) If a minor with a deposit account, other than a joint account with right of
36 survivorship or a Payable on Death account, dies, a parent or legal guardian of the minor may
37 access and withdraw the funds on deposit, and the bank is discharged to the extent of any
38 withdrawal. If a minor with a safe deposit box dies, the provisions of G.S. 28A-15-13 shall
39 control the opening, inventory, and release of contents of the safe deposit box.

40 (d) This section shall not affect the law governing transactions with minors in cases
41 outside the scope of this section, including transactions that constitute an extension of credit to
42 the minor.

43 **"§ 53C-6-5. Reserved for future codification purposes.**

44 **"§ 53C-6-6. Joint accounts.**

45 (a) Any two or more individuals may establish a joint deposit account by written
46 contract. The deposit account shall be held for them as joint tenants. The account also may be
47 held pursuant to G.S. 41-2.1 of the General Statutes and have the incidents set forth in that
48 section. If the account is held pursuant to G.S. 41-2.1, the contract shall set forth that fact.

49 (b) Unless the individuals establishing a joint account have agreed with the bank that
50 withdrawals require more than one signature, payment by the bank to, or at the direction of, any

1 joint tenant designated in the contract authorized by this section shall be a total discharge of the
2 bank's obligation as to the amount so paid.

3 (c) Funds in a joint account established with right of survivorship shall belong to the
4 surviving joint tenant or tenants upon the death of a joint tenant, and the funds shall be subject
5 only to the personal representative's right of collection as set forth in G.S. 28A-15-10(a)(3), or
6 as provided in G.S. 41-2.1 if the account is established pursuant to the provisions of that
7 section. Payment by the bank of funds in the joint account to a surviving joint tenant or tenants
8 shall terminate the personal representative's authority under G.S. 28A-15-10(a)(3) to collect
9 against the bank for the funds so paid, but the personal representative's authority to collect such
10 funds from the surviving joint tenant or tenants is not terminated.

11 (d) A pledge of a joint account by any one or more of the joint tenants, unless otherwise
12 specifically agreed between the bank and all joint tenants in writing, shall be a valid pledge and
13 transfer of the account or of the amount so pledged, shall be binding upon all joint tenants, shall
14 not operate to sever or terminate the joint ownership of all or any part of the account, and shall
15 survive the death of any joint tenant.

16 (e) A bank is not liable to joint tenants for complying in good faith with a writ of
17 execution, garnishment, attachment, levy, or other legal process that appears to have been
18 issued by a court or other authority of competent jurisdiction and seeks funds held in the name
19 of any one or more of the joint tenants.

20 (f) Persons establishing a joint account with right of survivorship under this section
21 shall sign a statement showing their election of the right of survivorship in the account and
22 containing language set forth in a conspicuous manner and substantially similar to the
23 following:

24 "BANK (or name of institution)
25 JOINT ACCOUNT WITH RIGHT OF SURVIVORSHIP
26 G.S. 53C-6-6

27 We understand that by establishing a joint account under the provisions of North Carolina
28 General Statute 53C-6-6 that:

- 29 (1) The bank (or name of institution) may pay the money in the account to, or on
30 the order of, any person named as a joint holder of the account unless we
31 have agreed with the bank that withdrawals require more than one signature;
32 and
- 33 (2) Upon the death of one joint owner, the money remaining in the account will
34 belong to the surviving joint owners and will not pass by inheritance to the
35 heirs of the deceased joint owner or be controlled by the deceased joint
36 owner's will.

37 _____
38 _____"

39 (g) This section does not repeal or modify any provision of law relating to estate taxes.

40 (h) Any joint tenant may terminate a joint account.

41 (i) Where a joint account is held by two or more individuals and a joint tenant does not
42 wish for the account to be terminated but requests to be removed from the account, the bank
43 shall remove the joint tenant from the account. The joint account shall continue in the names of
44 the remaining tenant or tenants. Any joint tenant who requested to be removed from an account
45 remains liable for any debts incurred in connection with the joint account during the period in
46 which the individual was a named joint tenant.

47 (j) Any joint account created under the provisions of G.S. 53-146.1 as it existed prior to
48 the effective date of this section shall for all purposes be governed by the provisions of this
49 section after the effective date of this section, and any reference to G.S. 53-146.1 in any
50 statement electing a right of survivorship shall be deemed a reference to this section.

1 (k) This section shall not be deemed exclusive. Deposit accounts not conforming to this
2 section shall be governed by other applicable provisions of the General Statutes or the common
3 law, as appropriate.

4 **"§ 53C-6-7. Payable on Death accounts.**

5 (a) If any natural person establishing a deposit account shall execute a written
6 agreement with the bank containing a statement that it is executed pursuant to the provisions of
7 this section and providing for the account to be held in the name of the natural person as owner
8 for one or more beneficiaries, the account and any balance thereof shall be held as a Payable on
9 Death account. The account shall have the following incidents:

10 (1) Any owner during the owner's lifetime may change any designated
11 beneficiary by a written direction to the bank.

12 (2) If there are two or more owners of a Payable on Death account, the owners
13 shall own the account as joint tenants with right of survivorship and, except
14 as otherwise provided in this section, the account shall have the incidents set
15 forth in G.S. 53C-6-6.

16 (3) Any owner may withdraw funds by writing checks or otherwise, as set forth
17 in the account contract, and receive payment in cash or check payable to the
18 owner's personal order.

19 (4) If the beneficiary is a natural person, there may be one or more beneficiaries,
20 and the following shall apply:

21 a. If only one beneficiary is living and of legal age at the death of the
22 last surviving owner, the beneficiary shall be the owner of the
23 account and payment by the bank to the owner shall be a total
24 discharge of the bank's obligation as to the amount paid. If two or
25 more beneficiaries are living at the death of the last surviving owner,
26 they shall be owners of the account as joint tenants with right of
27 survivorship as provided in G.S. 53C-6-6, and payment by the bank
28 to the owners or any of the owners shall be a total discharge of the
29 bank's obligation as to the amount paid.

30 b. If only one beneficiary is living and that beneficiary is not of legal
31 age at the death of the last surviving owner, the bank shall transfer
32 the funds in the account to the general guardian or guardian of the
33 estate, if any, of the minor beneficiary. If no guardian of the minor
34 beneficiary has been appointed, the bank shall hold the funds in a
35 similar interest-bearing account in the name of the minor until the
36 minor reaches the age of majority or until a duly appointed guardian
37 withdraws the funds.

38 (5) If the beneficiary is an entity other than a natural person, there shall be only
39 one beneficiary.

40 (6) If one or more owners survive the last surviving beneficiary who was a
41 natural person, or if a beneficiary who is an entity other than a natural person
42 should cease to exist before the death of the owner, the account shall become
43 an individual account of the owner, or a joint account with right of
44 survivorship of the owners, and shall have the legal incidents of an
45 individual account in a case of a single owner or a joint account with right of
46 survivorship, as provided in G.S. 53C-6-6, in the case of multiple owners.

47 (7) Prior to the death of the last surviving owner, no beneficiary shall have any
48 ownership interest in a Payable on Death account. Funds in a Payable on
49 Death account established pursuant to this subsection shall belong to the
50 beneficiary or beneficiaries upon the death of the last surviving owner, and
51 the funds shall be subject only to the personal representative's right of

1 collection as set forth in G.S. 28A-15-10(a)(1). Payment by the bank of
 2 funds in the Payable on Death account to the beneficiary or beneficiaries
 3 shall terminate the personal representative's authority under
 4 G.S. 28A-15-10(a)(1) to collect against the bank for the funds so paid, but
 5 the personal representative's authority to collect such funds from the
 6 beneficiary or beneficiaries is not terminated.

7 The natural person establishing an account under this subsection shall sign a statement
 8 containing language set forth in a conspicuous manner and substantially similar to the language
 9 set out below. The language may be on a signature card or in an explanation of the account that
 10 is set out in a separate document whose receipt is acknowledged by the person establishing the
 11 account:

12 "BANK (or name of institution)
 13 PAYABLE ON DEATH ACCOUNT
 14 G.S. 53C-6-7

15 I (or we) understand that by establishing a Payable on Death account under the provisions
 16 of North Carolina General Statute 53C-6-7 that:

- 17 1. During my (or our) lifetime I (or we), individually or jointly, may withdraw
 18 the money in the account.
- 19 2. By written direction to the bank (or name of institution) I (or we),
 20 individually or jointly, may change the beneficiary or beneficiaries.
- 21 3. Upon my (or our) death, the money remaining in the account will belong to
 22 the beneficiary or beneficiaries, and the money will not be inherited by my
 23 (or our) heirs or be controlled by will.

24 "
 25 (b) This section shall not be deemed exclusive. Deposit accounts not conforming to this
 26 section shall be governed by other applicable provisions of the General Statutes or the common
 27 law, as appropriate.

28 (c) No addition to the accounts, nor any withdrawal, payment, or change of beneficiary,
 29 shall affect the nature of the account as Payable on Death accounts or affect the right of any
 30 owner to terminate the account.

31 (d) This section does not repeal or modify any provisions of law relating to estate taxes.

32 **"§ 53C-6-8. Personal agency accounts.**

33 (a) Any person may establish a personal agency account by written contract containing
 34 a statement that it is executed pursuant to the provisions of this section. A personal agency
 35 account may be any type of deposit account. The written contract shall name an agent who
 36 shall have authority to act on behalf of the depositor in the manner set out in this subsection.
 37 The agent shall have the authority to do the following:

- 38 (1) Make, sign, or execute checks drawn on the account or otherwise make
 39 withdrawals from the account.
- 40 (2) Endorse checks made payable to the principal for deposit only into the
 41 account.
- 42 (3) Deposit cash or negotiable instruments, including instruments endorsed by
 43 the principal, into the account.

44 (b) A person establishing an account under this section shall sign a statement containing
 45 language substantially similar to the following in a conspicuous manner:

46 "BANK (or name of institution)
 47 PERSONAL AGENCY ACCOUNT
 48 G.S. 53C-6-8

49 The undersigned understands that by establishing a personal agency account under the
 50 provisions of North Carolina General Statute 53C-6-8, the agent named in the account may:

- 51 1. Sign checks drawn on the account.

1 records may turn over control of the account to the minor at any time, either
2 before or after the minor reaches the age of majority.

3 (3) If the custodian has not already transferred control, then after the minor
4 beneficiary reaches the age of majority, the beneficiary may instruct the
5 bank to transfer control to the beneficiary and remove the named custodian.

6 (4) If the custodian or, if more than one custodian is on the account, the last of
7 the custodians to survive dies before the minor reaches the age of majority,
8 the minor's parent or the minor's legal guardian may act as custodian or
9 name another custodian on the account.

10 (b) This section shall not be deemed exclusive. Accounts not conforming to this section
11 shall be governed by other applicable provisions of the General Statutes, including Chapter
12 33A, the North Carolina Uniform Transfers to Minors Act, or the common law, as appropriate.

13 **"§ 53C-6-10. Payment of balance of deceased person or person under disability to**
14 **personal representative or guardian.**

15 (a) A bank may pay any balance on deposit to the credit of any deceased individual to
16 the duly qualified personal representative, collector, or public administrator of the decedent
17 who is qualified as such under the laws of any state.

18 (b) A bank may pay any balance on deposit to the credit of any individual judicially
19 declared incompetent or otherwise under a legal disability to the duly qualified personal
20 representative, guardian, curator, conservator, or committee of the person declared incompetent
21 or under disability who is qualified as such under the laws of any state.

22 (c) The presentation of a letter of qualification as personal representative, collector,
23 public administrator, guardian, curator, conservator, or committee of the person issued or
24 certified by the appointing court shall be conclusive proof of the jurisdiction of the court
25 issuing the same and sufficient authority for the payment.

26 (d) Payment by a bank in good faith under the authority of this section discharges the
27 liability of the bank to the extent of the payment.

28 **"§ 53C-6-11. Powers of attorney; notice of revocation; payment after notice.**

29 (a) Any bank may continue to recognize any act of an attorney-in-fact or other agent
30 until the bank receives actual notice of the principal's death or a written notice of revocation
31 signed by the principal who granted the authority or, in the case of a company, evidence
32 satisfactory to the bank of the revocation. Payment by the bank to or at the direction of an
33 attorney-in-fact or other agent before receipt of the notice is a total discharge of the bank's
34 obligation as to the amount so paid.

35 (b) Notwithstanding that a bank has received written notice of revocation of the
36 authority of an attorney-in-fact or other designated agent, a bank may, until 10 days after
37 receipt of notice, pay any item made, drawn, accepted, or endorsed by the attorney-in-fact or
38 agent prior to the revocation, provided that the item is otherwise properly payable.

39 **"§ 53C-6-12. Account statements to be rendered annually or on request.**

40 (a) Every bank shall render an account statement for each deposit account at least
41 annually to the depositor; provided, however, the statements are not required for time deposits.
42 Every bank shall render a statement of account for each deposit account, including time
43 deposits upon receipt of an appropriate request reasonably made by a depositor.

44 (b) For purposes of this section, an account statement is deemed to have been
45 "rendered" to a depositor as of the earlier of the date the statement is mailed to the depositor's
46 address as shown on bank records and the date the account is posted to the bank's Web site in a
47 manner and a form ensuring the statement to be readily available to the depositor; provided
48 however, the bank and the depositor may agree that an account statement may be rendered by
49 other means.

1 (c) Nothing in this section shall be construed to relieve the depositor from the duty of
2 exercising due diligence in the review of an account statement rendered by the bank and of
3 timely notification to the bank upon discovery of any error.

4 **"§ 53C-6-13. Safe deposit boxes; unpaid rentals; procedure; escheats.**

5 (a) If the rental due on a safe deposit box is 90 days or more past due, the lessor bank
6 may send a notice by registered mail or certified mail, return receipt requested, to the last
7 known address of the lessee or by another means agreed to in writing by the lessor bank and the
8 lessee, stating that the safe deposit box will be opened and its contents stored at the expense of
9 the lessee unless payment of the rental is made within 30 days of the date of the mailing of the
10 notice or the date such notice is given by the means otherwise previously agreed to in writing
11 by the lessor bank and the lessee. If the rental is not paid within the stated period, the box may
12 be opened in the presence of an officer of the bank and of a notary public who is not a director,
13 officer, employee, or shareholder of the bank. The contents shall be sealed in a package by the
14 notary public, who shall write on the outside the name of the lessee and the date of the opening.
15 The notary public shall execute a certificate reciting the name of the lessee, the date of the
16 opening of the box, and a list of its contents. The certificate shall be included in the package,
17 and a copy of the certificate shall be sent by registered mail or certified mail, return receipt
18 requested, to the last known address of the lessee or by the means otherwise previously agreed
19 to in writing by the lessor bank and the lessee. The package then shall be placed in the general
20 vaults of the bank at a rental not exceeding the rental previously charged for the box.

21 (b) If the contents of the safe deposit box have not been claimed within two years of the
22 mailing or other permissible delivery of the copy of the certificate to the lessee, the bank may
23 send a further notice to the last known address of the lessee by registered mail or certified mail,
24 return receipt requested, to the last known address of the lessee or by a means otherwise
25 previously agreed to in writing by the lessor bank and the lessee, stating that unless the
26 accumulated charges are paid within 30 days of the date of the mailing of the notice, the
27 contents of the box will be delivered to the State Treasurer as abandoned property under the
28 provisions of Chapter 116B of the General Statutes.

29 (c) The bank shall submit to the State Treasurer a verified inventory of all of the
30 contents of the safe deposit box upon delivery of the contents of the box or such part thereof as
31 shall be required by the State Treasurer under G.S. 116B-55, but the bank may deduct from any
32 cash of the lessee in the safe deposit box an amount equal to accumulated charges for rental and
33 shall submit to the State Treasurer a verified statement of the charges and deduction. If there is
34 no cash or insufficient cash to pay accumulated charges in the safe deposit box, the bank may
35 submit to the State Treasurer a verified statement of accumulated charges or balance of the
36 accumulated charges due, and the State Treasurer shall remit to the bank the charges or balance
37 due, up to the value of the property in the safe deposit box delivered to the State Treasurer, less
38 any costs or expenses of sale; but if the charges or balance due exceeds the value of the
39 property, the State Treasurer shall remit only the value of the property, less costs or expenses of
40 sale. Any accumulated charges for safe deposit box rental paid by the State Treasurer to the
41 bank shall be deducted from the value of the property of the lessee delivered to the State
42 Treasurer.

43 (d) Any property, including documents or writings of a private nature, that has little or
44 no apparent financial value need not be sold but may be destroyed by the bank if the State
45 Treasurer declines to receive the property under G.S. 116B-69(a).

46 (e) An explanation of the contractual provisions pertaining to default, together with
47 reference to this section, shall be printed on every contract for rental of a safe deposit box.

48 **"§ 53C-6-14. Reproduction and retention of records; admissibility of copies in evidence;**
49 **disposition of originals; record production generally.**

50 (a) Any bank may cause any or all records kept by it to be recorded, copied, or
51 reproduced by any photographic, reproduction, electronic, or digital process or method, or by

1 any other records retention technology approved by rule or order of the Commissioner, of a
2 kind that is capable of accurately converting the records into tangible form within a reasonable
3 time. Each such converted tangible form of record also shall be deemed a record.

4 (b) Any tangible form of a record shall be deemed for all purposes to be an original
5 record and shall be admissible in evidence in all courts and administrative agencies in this
6 State, if otherwise admissible, and the bank may destroy or otherwise dispose of the original
7 form of the record; provided, however, that a bank shall retain either the originals or
8 convertible form of its records for such period as may be required by law or by rule or order of
9 the Commissioner. Any bank may dispose of any original or convertible form of a record that
10 has been retained for the period prescribed by law or by rule or order of the Commissioner for
11 its class.

12 (c) Originals and converted tangible forms of records shall not be held inadmissible in
13 any court action or proceeding on the grounds that they lack certification, identification, or
14 authentication and shall be received as evidence if otherwise admissible in any court or
15 quasi-judicial proceeding if they have been identified and authenticated by the live testimony of
16 a competent witness or if the records are accompanied by a certificate substantially in the
17 following form:

18 "CERTIFICATE REGARDING BANK RECORDS

- 23 3. This certificate is issued pursuant to G.S. 53C-6-14.

25 foregoing statements are true and correct.

33 (d) This section supplements and does not supersede G.S. 8-45.1.

34 **"§ 53C-6-15. Establishment of branches.**

35 (a) A bank may establish one or more branches in this State, whether de novo or by
36 acquisition of existing branches of another depository institution, with the prior written
37 approval of the Commissioner. The Commissioner's approval may be given or withheld, in the
38 Commissioner's discretion, in accordance with the provisions of subsection (c) of this section.

39 (b) A bank may establish branches in another state, whether de novo or by acquisition
40 of existing branches of another depository institution, in accordance with the provisions of
41 applicable federal law and the laws of the other state, upon prior written approval of the
42 Commissioner. The Commissioner's approval may be given or withheld in the Commissioner's
43 discretion in accordance with the provisions of subsection (c) of this section.

44 (c) A bank seeking authority to establish a branch shall make application to the
45 Commissioner in a form acceptable to the Commissioner. Not more than 30 days before nor
46 less than 10 days after the filing of the application with the Commissioner, the applicant shall
47 publish public notice of the filing of the application. The public notice shall contain all of the
48 following:

- 49 (1) A statement that the application has been filed with the Commissioner.
- 50 (2) The physical address or location of the proposed branch, including street and
51 city or town.

1 (3) A statement that any interested person may make written comment on the
2 application to the Commissioner and that comments received by the
3 Commissioner within 14 days of the date of publication of the public notice
4 shall be considered. The public notice shall provide the then current mailing
5 address of the Commissioner.

6 (d) A bank may conduct any activities at a branch in another state authorized under this
7 section that are permissible for a bank chartered by the other state where the branch is located,
8 except to the extent the activities are expressly prohibited by the laws of this State or by any
9 rule or order of the Commissioner applicable to the bank.

10 (e) Upon receipt of an application to establish a branch, the Commissioner shall
11 conduct an examination of the pertinent facts and information and may request such additional
12 information as the Commissioner deems necessary to make a decision on the application. In
13 deciding whether to approve a branch application, the Commissioner shall take into account
14 such factors as the financial condition and history of the applicant; the adequacy of its capital;
15 the applicant's future earnings prospects; the character, competency, and experience of its
16 management; the probable impact of the branch on the condition of the applicant bank and
17 existing depository institutions in the community to be served; and the convenience and needs
18 of the community the proposed branch is to serve.

19 "**§ 53C-6-16. Change of location of a branch or principal office.**"

20 (a) A bank may change the location of its principal office or a branch with the prior
21 written approval of the Commissioner. A request to relocate the principal office or a branch of
22 a bank shall be made in a form acceptable to the Commissioner and shall include information
23 regarding the reason for the proposed relocation, the distance and direction of the move, and
24 such other information as the Commissioner may require in order to reach a decision in the
25 matter.

26 (b) Not more than 30 days before nor less than 10 days after filing a request to relocate
27 the principal office or a branch of a bank, the applicant shall publish public notice of the
28 request. The public notice shall contain all of the following:

29 (1) A statement that the request has been filed with the Commissioner.

30 (2) The physical address of the principal office or branch to be relocated and the
31 physical address of the proposed new location.

32 (3) A statement that any interested person may make written comment on the
33 request to the Commissioner and that comments received by the
34 Commissioner within 14 days of the date of publication of the public notice
35 will be considered. The statement shall provide the then current mailing
36 address of the Commissioner.

37 (c) The Commissioner shall approve a request to relocate the principal office or a
38 branch of a bank if the relocation is to a site within the same vicinity as the original location, or
39 does not result in a material change in the primary service area of the principal office or branch,
40 or is considered important to the economic viability of the bank or the branch, or is otherwise
41 found not to be inconsistent with the public need and convenience.

42 "**§ 53C-6-17. Branch closings.**"

43 A bank may close a branch upon providing written notice to the Commissioner and the
44 customers of the branch at least 90 days prior to the proposed closing. The notice shall include
45 the date the branch will close and posting, in a conspicuous manner on the branch premises for
46 a period of 30 days prior to the proposed closing date, a notice of its intent to close the branch.
47 The consolidation of two or more branches into a single location in the same vicinity shall not
48 be considered a closure subject to the 90-day and 30-day notice requirements of this section. To
49 be considered a consolidation, the bank shall request consolidation treatment from the
50 Commissioner, who shall decide, in his or her discretion, whether the branches to be

1 consolidated are considered to be in the same vicinity, with due consideration to the distance
2 between the branches and the nature of the market in which the branches are situated.

3 **"§ 53C-6-18. Non-branch bank business offices.**

4 (a) A bank may establish one or more non-branch bank business offices as defined by
5 G.S. 53C-1-4(46).

6 (1) If a proposed non-branch bank business office will offer a product, service,
7 or other type of business not previously engaged in by the bank, the bank
8 shall provide the Commissioner with written notification of the intent to
9 open the office. The notification shall include the proposed location of the
10 office and a description of the business to be conducted at the office. If the
11 Commissioner does not request additional information or object to its
12 establishment within 10 days of the date of receipt of the notification, the
13 non-branch bank business office shall be deemed approved. In deciding
14 whether to object to the establishment of a non-branch bank business office,
15 the Commissioner shall consider, without limitation, whether the business
16 proposed to be conducted at the non-branch bank business office is
17 permissible for a bank, the costs of its establishment and ongoing operation
18 and the impact of the costs on the bank's capital and profitability, and the
19 ability of the bank's management to conduct the proposed business.

20 (2) If a proposed non-branch bank business office will offer only products,
21 services, or other types of business already engaged in by the bank, the bank
22 shall provide the Commissioner with written notification of the intent to
23 open the office.

24 (b) An out-of-state bank may establish and operate a non-branch bank business office in
25 this State upon written notice to the Commissioner.

46 "Part 1. Change in Control.

47 **"§ 53C-7-101. Control transactions.**

48 (a) Except as otherwise expressly permitted by this section, a person shall not engage in
49 a control transaction, as defined by G.S. 53C-1-4(22), involving a bank without the prior
50 approval of the Commissioner. A person may contract to engage in a control transaction with
51 the consummation of such control transaction being subject to receipt of the approval of the

1 Commissioner. Each bank shall report to the Commissioner any changes in its directors,
2 president, chief executive officer, chief financial officer, chief loan officer, or chief credit
3 officer by the close of the second day on which the holding company is open for business
4 following such change.

5 (b) The Commissioner may require a person who is obligated to file an application
6 under this Part to appoint an agent resident in this State for service of process upon the filing of
7 such notice or as a condition to the acceptance of such application for review. The application
8 for approval shall be in a form required by the Commissioner and shall be accompanied by
9 such fee as may be required by rule.

10 (c) The following transactions shall not constitute a control transaction requiring the
11 prior approval of the Commissioner:

12 (1) The acquisition of control over voting securities in connection with securing,
13 collecting, or satisfying a debt previously contracted for in good faith and
14 not for the purpose of acquiring control of the bank, if the acquiring person
15 files a notice with the Commissioner, in the form required by the
16 Commissioner, describing such transaction at least 10 days before the
17 acquiring person first votes or directs the voting of the voting securities.

18 (2) The acquisition of control over voting securities by a person who has
19 previously engaged in a control transaction with respect to the bank after
20 receiving the approval of the Commissioner under this Article, which
21 approval permits the acquisition of control over additional voting securities,
22 or any person who is an affiliate of the person previously engaging in the
23 approved control transaction with the permission and who is identified in the
24 application submitted for the approval, if the acquiring person files a notice
25 with the Commissioner, in the form required by the Commissioner,
26 describing the transaction at least 10 days before the acquiring person or
27 affiliate thereof first votes or directs the voting of the voting securities.

28 (3) An acquisition of control over voting securities by operation of law, will, or
29 intestate succession, if the acquiring person files a notice with the
30 Commissioner, in the form required by the Commissioner, describing the
31 acquisition or transfer at least 10 days before the acquiring person first votes
32 or directs the voting of the voting securities.

33 (4) Bona fide gifts.

34 (5) A transaction exempted by rules, orders, or declaratory rulings of the
35 Commissioner issued because approval of such a transaction is not necessary
36 to achieve the objectives of this Chapter.

37 (6) An acquisition of control over voting securities in a transaction subject to
38 approval under section 3 of the Bank Holding Company Act, as amended
39 (12 U.S.C. § 1842).

40 (d) Upon receipt of a notice described in subsection (c), the Commissioner may, before
41 the 10th day following the receipt, notify the acquiring person of the Commissioner's objection
42 to the exercise of control over the voting securities or may require the acquiring party to submit
43 further information before exercising control over the voting securities. An acquiring person
44 receiving a notice of objection shall be required to submit an application for approval of a
45 control transaction. An acquiring person receiving a notice to submit further information may
46 be required to provide any information that would be included in an application for approval of
47 a control transaction. In the event such an acquiring person is comprised of a group of persons,
48 the Commissioner may require each member of the group to submit relevant information.

49 (e) All voting securities over which control has been acquired by an acquiring person
50 shall not be voted on any matter submitted to a vote of the holders of the outstanding voting

1 securities of the bank and shall be deemed authorized but unissued for purposes of determining
2 the presence of a quorum of holders of voting securities until such time as follows:

- 3 (1) The Commissioner has approved an application for approval of a control
4 transaction with respect to the voting securities.
- 5 (2) The transaction is one listed in subsection (c) of this section that does not
6 require the filing of a notice with the Commissioner.
- 7 (3) The transaction is one listed in subsection (c) of this section that requires a
8 notice to be filed with the Commissioner and the Commissioner has not
9 issued an objection to the notice and any requirement of the Commissioner
10 for the filing of further information has been determined by the
11 Commissioner to have been satisfied.

12 **"§ 53C-7-102. Application regarding a control transaction.**

13 (a) A person seeking approval of a control transaction involving a bank under this
14 Article shall file the following with the Commissioner:

- 15 (1) An application in the form prescribed by the Commissioner.
- 16 (2) All filing fees required by a rule of the Commissioner.
- 17 (3) Such information as is required by a rule of the Commissioner or as is
18 deemed by the Commissioner to achieve the objectives of this Chapter.

19 (b) In the event a person submitting an application is a group of persons, the
20 Commissioner may require each member of the group to submit information relevant to the
21 application.

22 (c) Notwithstanding any laws to the contrary, information about the character,
23 competence, or experience of an acquiring person or its proposed management personnel or
24 affiliates shall be deemed a record of the Commissioner and subject to G.S. 53C-2-8.

25 **"§ 53C-7-103. Public notice.**

26 A person filing an application for approval of a control application shall publish a public
27 notice of the filing of the application not more than 30 days before nor more than 10 days after
28 the filing of the application with the Commissioner. The public notice shall contain the
29 following:

- 30 (1) A statement that the application has been filed with the Commissioner.
- 31 (2) The name of the applicable bank and the address of its principal office.
- 32 (3) A statement that any interested person may make written comment on the
33 proposed control transaction and that comments received by the
34 Commissioner within 14 days of the date of the publication of the public
35 notice shall be considered. The public notice shall provide the current
36 mailing address of the Commissioner.

37 **"§ 53C-7-104. Actions on control transaction applications.**

38 (a) The Commissioner shall examine the proposed control transaction, including the
39 character, competence, and experience of the acquiring person and its proposed management
40 personnel, to determine whether the interests of the customers and communities served by the
41 bank would be adversely affected by the proposed control transaction. Not later than the 60th
42 day following receipt of a completed application for approval of a control transaction, unless
43 extraordinary circumstances require a longer period of review, the Commissioner shall approve
44 or deny the application.

45 (b) The Commissioner may deny an application for approval of a control transaction for
46 any of the following reasons:

- 47 (1) The financial condition of the person seeking approval of a control
48 transaction could jeopardize the financial stability of the bank or the
49 financial interests of its customers.
- 50 (2) An examination of the character, competence, and experience of any
51 acquiring person or of any of the proposed management personnel shows

1 that it would not be in the interest of the depositors of the bank, or in the
2 interest of the public, to permit the person to control the bank.

3 (3) The plans or proposals of the person seeking approval with respect to
4 exercising control over the bank would not be in the best interests of the
5 bank's customers.

6 (4) Upon the effective date of such proposed control transaction, the bank would
7 not be solvent, have inadequate capital, or not be in compliance with this
8 Chapter or rules of the Commissioner.

9 (5) The application for approval is incomplete.

10 (6) If the acquiring person solicits votes for the approval of or consents to the
11 control transaction from the holders of the voting securities of the bank,
12 adequate and complete disclosures of all material information about the
13 proposed control transaction, together with a prominent statement that
14 neither the control transaction nor any solicitation of the holders' votes or
15 consents have been approved by the Commissioner and that any
16 representation to the contrary is a criminal offense, have not been made to
17 the holders.

18 (c) If an application filed under this Part is approved by the Commissioner, the control
19 transaction may become effective. All conditions to approval set forth in the order of the
20 Commissioner shall be enforceable against the person, and each member of a group of persons,
21 receiving the approval.

22 **"§ 53C-7-105. Appeal.**

23 Any order of the Commissioner denying an application for approval of a control transaction
24 may be appealed to the Commission by the person filing the application denied, as provided in
25 G.S. 53C-2-6.

26 "Part 2. Combinations.

27 **"§ 53C-7-201. Combination authority.**

28 With the approval of the Commissioner, a bank may combine with one or more depository
29 institutions or non-depository institutions, provided that the bank is the surviving entity in any
30 combination with a non-depository institution. The application for approval shall be in the form
31 required by the Commissioner and shall be accompanied by a fee as set forth by rule.

32 **"§ 53C-7-202. Combination application and investigation.**

33 (a) A bank seeking approval of a combination shall file with the Commissioner an
34 application for approval, copies of the agreement under which the bank proposes to effect the
35 combination, and such additional information as the Commissioner shall require by rule or as is
36 required by the Commissioner in connection with the application in order to achieve the
37 objectives of this Chapter.

38 (b) A bank filing an application for approval of a combination shall publish a public
39 notice of the filing of the application not more than 30 days before nor more than 10 days after
40 the filing of the application with the Commissioner. The public notice shall contain the
41 following:

42 (1) A statement that the application has been filed with the Commissioner.

43 (2) The names of the parties to the proposed combination and the addresses of
44 their principal offices.

45 (3) A statement that any interested person may make written comment on the
46 proposed combination and that comments received by the Commissioner
47 within 14 days of the date of the publication of the public notice shall be
48 considered. The public notice shall contain the current mailing address of the
49 Commissioner.

50 (c) The Commissioner shall examine the proposed combination, including the
51 character, competency, and experience of the proposed directors and executive officers of the

1 surviving party of the combination, to determine whether the interests of the customers of and
2 communities served by the parties to the combination would be adversely affected by the
3 proposed combination.

4 (d) Notwithstanding any laws to the contrary, information about the character,
5 competence, or experience of the directors and executive officers of the parties to a
6 combination received by the Commissioner shall be subject to G.S. 53C-2-7(b).

7 **"§ 53C-7-203. Decision on application.**

8 Based on the application and the Commissioner's examination, the Commissioner shall
9 enter an order approving or denying approval of the proposed combination not later than the
10 60th day following the date the Commissioner notifies the parties that the application is
11 complete, unless extraordinary circumstances require a longer period of review.

12 **"§ 53C-7-204. Interim banks.**

13 The Commissioner may approve an application to organize an interim bank solely for the
14 purpose of effecting a combination under this Article. No interim bank shall transact any
15 business except as is incidental and necessary to its organization and the combination. The
16 Commissioner may set forth in the order approving the organization such additional conditions
17 with respect to the interim bank as the Commissioner deems necessary.

18 **"§ 53C-7-205. Fiduciary powers and liabilities of North Carolina financial institutions**
19 **combining or transferring assets and liabilities.**

20 Whenever any North Carolina financial institution or federally chartered institution doing
21 business in this State shall combine with or shall sell to and transfer its assets and liabilities to
22 any other bank, trust institution, savings institution, or other company, as provided by the laws
23 of this State or the United States, all the then existing fiduciary rights, powers, duties, and
24 liabilities of the combining transferring institution, including the rights, powers, duties, and
25 liabilities as executor, administrator, guardian, trustee, and/or any other fiduciary capacity,
26 whether under appointment by order of court, will, deed, or other instrument, shall, upon the
27 effective date of the combination or sale and transfer, vest in, devolve upon, and thereafter be
28 performed by the surviving or transferee company, and such latter institution shall be deemed
29 substituted for and shall have all the rights and powers of the transferring institution.

30 **"§ 53C-7-206. Combination with federally chartered institution.**

31 A combination by a bank with a federally chartered institution in which the federally
32 chartered institution will be the surviving party shall be subject to approval by the chartering
33 authority of the federally chartered institution in accordance with the laws of the United States.

34 **"§ 53C-7-207. Combination with a subsidiary.**

35 (a) With the approval of the Commissioner, a bank may do any one the following:

- 36 (1) Combine with a subsidiary, so long as a bank is the resulting entity of the
37 combination.
38 (2) Combine a subsidiary with another company, if a subsidiary is the resulting
39 entity.
40 (3) Combine two or more subsidiaries of two or more banks under common
41 control of the same holding company.

42 The approval of the Commissioner is not required for a combination of a subsidiary and
43 another company when a subsidiary is not the resulting entity, which shall be effected in
44 accordance with organizational law applicable to each, or for a combination of two or more
45 subsidiaries of the same bank.

46 (b) The bank seeking approval of the combination shall file with the Commissioner an
47 application for approval and such additional information as the Commissioner shall require by
48 rule or as is required by the Commissioner in connection with the application in order to
49 achieve the objectives of this Chapter. The bank shall pay to the Commissioner a fee as set
50 forth by rule.

1 (c) The Commissioner shall examine the proposed combination to determine whether
2 the customers and communities served by the bank would be adversely affected by the
3 combination, the combination would cause the bank to not be solvent, have inadequate capital,
4 or not be in compliance with this Chapter or the rules of the Commissioner, or the combination
5 would present other risks to the safe and sound operation of the bank deemed unacceptable by
6 the Commissioner.

7 **"§ 53C-7-208. Fiduciary powers and liabilities of combining banks.**

8 Whenever any bank shall combine with another depository institution and the other
9 depository institution shall be the resulting institution, all the then existing fiduciary rights,
10 powers, duties, and liabilities of the combining bank, including its rights, powers, duties, and
11 liabilities as a fiduciary, shall, upon the effective date of the combination, vest in the resulting
12 depository institution, and the resulting depository institution shall be deemed substituted for
13 the combining bank for all fiduciary purposes.

14 **"§ 53C-7-209. Appeal.**

15 Any order of the Commissioner denying an application for approval of a combination may
16 be appealed to the Commission by a party to the combination as provided in G.S. 53C-2-6.

17 "Part 3. Charter Conversion.

18 **"§ 53C-7-301. Conversion to a North Carolina bank charter.**

19 (a) Any depository institution that is not a bank may apply to the Commissioner for
20 permission to convert into a bank and for certification of related amendments to its
21 organizational documents necessary to effect the conversion. The application for approval shall
22 be in the form required by the Commissioner and shall be accompanied by a fee as set forth by
23 rule.

24 (b) A plan of conversion shall be submitted as a part of the application filed with the
25 Commissioner. The Commissioner may require amendment of the plan.

26 (c) The Commissioner shall approve the plan of conversion, as amended if applicable,

29 manner with adequate capital, liquidity, reserves, asset composition, and
30 earnings prospects.

31 (2) The directors and officers of the converting institution are qualified by
32 character, competency, and experience to control and operate the resulting

36 conversion.

37 (4) The plan of conversion is not in violation of the converting institution's
38 applicable organizational law.

39 (5) Adequate written disclosure of the material terms of the plan of conversion
40 and other relevant material information has been or will be made to the
41 converting institution's equity ownership interest holders as required by the
42 converting institution's organizational law, including a statement in any such
43 written disclosure that any materials used to solicit the votes of the holders
44 have not been approved by the Commission or the Commissioner and that
45 any representation to the contrary is a criminal offense.

46 (d) Following approval of the plan of conversion, the Commissioner shall supervise and
47 monitor the conversion process in order to determine compliance by the converting institution
48 with the plan of conversion and applicable law.

49 (e) The Commissioner shall authorize by order the consummation of the conversion,
50 issue a charter, and permit the converting institution to file with the Secretary of State and other
51 public officials such documents as are necessary to effect the conversion when the

1 Commissioner determines the conversion process complied with the organizational law
2 applicable to the converting institution and the plan of conversion was approved, if required by
3 applicable organizational law, by such vote of the converting institution's equity ownership
4 interest holders as is required under the organizational law.

5 (f) The Commissioner may provide in the order authorizing the consummation of
6 conversion for the resulting bank to do the following:

7 (1) Wind up any activities legally engaged in by the converting institution at the
8 time of conversion but not permitted to banks.

9 (2) Return any assets and deposit liabilities legally held by the converting
10 institution at the time of the conversion but not permitted to be held by
11 banks.

12 The length, terms, and conditions of the transitional periods described in this subsection
13 shall be subject to the discretion of the Commissioner.

14 (g) Upon the effective date of the conversion, the converting institution shall continue
15 in existence as a bank, and all rights, liabilities, and obligations of whatever kind of the
16 converting institution shall continue and remain in its new form of organization. Except as may
17 be authorized by the Commissioner pursuant to subsection (f) of this section, the bank shall
18 have only those rights, powers, and duties authorized for or imposed upon banks by the laws of
19 this State and the United States. All actions and proceedings to which the converting institution
20 was party prior to conversion shall be unaffected by the conversion and shall proceed as if the
21 conversion had not been effected.

22 **"§ 53C-7-302. Appeal.**

23 Any order of the Commissioner denying an application for approval of a conversion to a
24 bank may be appealed to the Commission by the party filing the application as provided in
25 G.S. 53C-2-6.

26 **"§ 53C-7-303. Conversion by North Carolina bank.**

27 (a) A bank may convert to another form of depository institution under the laws of this
28 State, of another state, or the United States in accordance with applicable law.

29 (b) Upon the effective date of the conversion, the depository institution shall notify the
30 Commissioner of the effective date and file with the Commissioner a copy of its authorization
31 to operate as a depository institution certified by the applicable federal regulator or financial
32 institution regulator.

33 (c) Upon the effective date of the conversion, the resulting depository institution shall
34 cease to be a bank.

35 (d) Upon the effective date of the conversion, all rights, liabilities, and obligations of
36 whatever kind of the bank shall continue and remain in its new form of organization as a
37 depository institution organized under the laws of this State, another state, or the United States.
38 All actions and proceedings to which the bank was party prior to conversion shall be unaffected
39 by the conversion and shall proceed as if the conversion had not been effected.

42 **"§ 53C-8-1. Commissioner has authority to supervise banks.**

43 (a) Every bank shall be under the supervision of the Commissioner. It shall be the
44 Commissioner's duty to enforce the banking laws through the employees and agents of the
45 OCOB. All banks shall conduct their business in a manner consistent with the banking laws.

46 (b) The Commissioner may enter into written agreements, cease and desist order
47 stipulations, cease and desist orders, consent orders, and similar arrangements with banks and
48 their holding companies, or either of them; may request resolutions be approved by boards of
49 directors of banks and their holding companies, or either of them; and may take other similar
50 corrective actions.

1 (c) Upon written request, the Commissioner may, notwithstanding any other provision
2 of law to the contrary, issue letters of interpretation, advisory opinions, or written guidance on
3 any laws under the Commissioner's jurisdiction, provided that the interpretations, opinions, and
4 guidance shall not have the force and effect of rules of law.

5 **"§ 53C-8-2. Assessments and fees.**

6 Banks shall pay the following assessments and fees into the OCOB within 10 days after
7 receipt of an invoice:

8 (1) Annual assessments. – Each bank shall pay a cumulative assessment based
9 on its total assets as shown on its report of condition made to the
10 Commissioner as of December 31 each year or the date most nearly
11 approximating the same, not to exceed the amount determined by applying
12 the following schedule:

13 a. On the first fifty million dollars (\$50,000,000) of assets, or fraction
14 thereof, ten thousand dollars (\$10,000).

15 b. On assets greater than fifty million dollars (\$50,000,000) but not
16 more than two hundred fifty million dollars (\$250,000,000), fourteen
17 dollars (\$14.00) per hundred thousand dollars (\$100,000), or fraction
18 thereof.

19 c. On assets greater than two hundred fifty million dollars
20 (\$250,000,000), but not more than five hundred million dollars
21 (\$500,000,000), eleven dollars (\$11.00) per hundred thousand dollars
22 (\$100,000), or fraction thereof.

23 d. On assets greater than five hundred million dollars (\$500,000,000),
24 but not more than one billion dollars (\$1,000,000,000), seven dollars
25 (\$7.00) per hundred thousand dollars (\$100,000), or fraction thereof.

26 e. On assets greater than one billion dollars (\$1,000,000,000), but not
27 more than ten billion dollars (\$10,000,000,000), four dollars (\$4.00)
28 per hundred thousand dollars (\$100,000), or fraction thereof.

29 f. On assets greater than ten billion dollars (\$10,000,000,000), two
30 dollars (\$2.00) per hundred thousand dollars (\$100,000), or fraction
31 thereof.

32 (2) Assessments on trust assets. – Each bank shall pay an assessment on trust
33 assets held by it in the amount of one dollar (\$1.00) per hundred thousand
34 dollars (\$100,000) of trust assets, or fraction thereof, except that banks are
35 not required to pay assessments on real estate held as trust assets.

36 (3) Special assessments. – If the Commissioner determines that the financial
37 condition or manner of operation of a bank warrants further examination or
38 an increased level of supervision, or in the event of a combination or
39 conversion, the Commissioner may charge, and the institutions shall pay, an
40 assessment equal to the reasonable cost of further examination, increased
41 level of supervision, or supervision with regard to the combination or
42 conversion. The Commissioner's determination of the cost of further
43 examination shall be, in the absence of manifest error, dispositive of the
44 issue of reasonableness.

45 (4) In the first half of each calendar year, the Commission shall review the
46 estimated cost of maintaining each division of the OCOB for the next fiscal
47 year. If the estimated assessments provided for under this Chapter for any
48 division shall exceed the estimated cost of maintaining that division for the
49 next fiscal year, then the Commission may reduce by a uniform percentage
50 any assessments provided for in this Chapter for that division. If the
51 estimated assessments provided for in this Chapter for any division shall be

1 less than the estimated cost of maintaining that division for the next fiscal
2 year, then the Commission may increase by a uniform percentage any
3 assessments provided for in this Chapter for that division to an amount that
4 will increase the amount of assessments to be collected to an amount at least
5 equal to the estimated cost of maintaining that division of the OCOB for the
6 next fiscal year.

7 **"§ 53C-8-3. Reports required of banks.**

8 (a) Each bank shall file the following with the Commissioner, at such times, on such
9 forms, and in such formats as the Commissioner may require:

11 (2) Periodic reports for interim periods within a year, not less than monthly in
12 any case.

13 (b) In addition to the reports filed pursuant to subsection (a) of this section, each bank
14 shall provide to the Commissioner copies of all applications and reports of condition filed by it
15 under applicable federal law contemporaneously with the filing of such application and reports
16 by the bank with its primary federal regulator.

17 (c) Nothing in this section shall be interpreted to limit the authority of the
18 Commissioner to request and obtain other information that the Commissioner may deem
19 necessary to discharge the duties of the Commissioner under this Chapter.

20 **"§ 53C-8-4. Examination by Commissioner.**

21 (a) The Commissioner may examine everything relating to the business of a bank or its
22 holding company, and may appoint examiners to make such examination. The examiners shall
23 file with the Commissioner a full report of the findings resulting from the examination,
24 including any violation of law or any unauthorized or unsafe practices of the bank or the
25 holding company disclosed by the examination.

26 (b) Examinations under subsection (a) of this section shall be conducted pursuant to
27 practices and procedures established by the OCOB, provided the Commissioner may take into
28 consideration the guidelines and requirements for such activity of the primary federal
29 supervisor of the bank or holding company.

30 (c) The Commissioner shall furnish a copy of the report of examination to the bank or
31 the holding company examined and may, upon request, furnish a copy of the report to the
32 primary federal regulator of the bank or its holding company and to the FDIC if not the bank's
33 primary federal regulator.

34 **"§ 53C-8-5. Examination of affiliates.**

35 The Commissioner, at his or her discretion, may examine the affiliates of a bank to the
36 extent it is necessary to safeguard the interest of depositors and creditors of the bank and of the
37 general public, and to enforce the provisions of this Chapter. The Commissioner may conduct
38 the examination in conjunction with any examination of the bank or an affiliate thereof
39 conducted by any other state or federal regulatory authority.

40 **"§ 53C-8-6. Access to books and records; right to issue subpoenas, administer oaths, and**
41 **examine witnesses.**

42 (a) The Commissioner and the Commissioner's examiners and agents:

43 (1) Shall have free access to all books and records of a bank, its holding
44 company, and their affiliates that relate to the business of the bank or the
45 holding company, and the books and records kept by an officer, agent, or
46 employee of the bank or holding company relating to or upon which any
47 record is kept.

48 (2) May subpoena witnesses and administer oaths or affirmations in the
49 examination of any director, officer, agent, or employee of the bank, its
50 holding company, or their affiliates or of any other person in relation to

1 affairs, transactions, and conditions of the bank, its holding company, or
2 their affiliates.

3 (3) May require the production of the records, books, papers, contracts, and
4 other documents of a bank, its holding company, and their affiliates.

5 (4) May order that improper entries be corrected on the books and records of a
6 bank, its holding company, and the bank's affiliates.

7 (b) The Commissioner may issue subpoenas duces tecum.

8 (c) If a person fails to comply with a subpoena so issued or a party or witness refuses to
9 testify on any matters, a court of competent jurisdiction, on the application of the
10 Commissioner, may compel compliance by proceedings for contempt as in the case of
11 disobedience of the requirements of a subpoena issued from the court or a refusal to testify in
12 the court.

13 **"§ 53C-8-7. Examiner making false report.**

14 If any bank examiner shall knowingly and willfully make any false or fraudulent report of
15 the condition of any bank that the examiner has examined with the intent to aid or abet the bank
16 or its affiliates in committing violations of any provision of this Chapter, or if any examiner
17 shall keep or accept any bribe or gratuity given for the purpose of inducing the examiner not to
18 file any report of examination of any bank, or if any examiner shall neglect to make an
19 examination of any bank by reason of having received or accepted any bribe or gratuity, the
20 examiner shall be guilty of a Class H felony.

21 **"§ 53C-8-8. Examiner disclosing confidential information.**

22 If any examiner or other employee of the OCOB fails to keep secret the facts and
23 information obtained in the course of an examination of a bank except as permitted or required
24 by this Chapter, the examiner shall be guilty of a Class 1 misdemeanor.

25 **"§ 53C-8-9. Loans or gratuities forbidden.**

26 (a) No bank, or any officer, director, employee, or affiliate thereof, shall make an
27 extension of credit or grant any gratuity to the Commissioner, any deputy commissioner, or any
28 bank examiner. Any person violating this provision shall be guilty of a Class 1 misdemeanor
29 and may be fined a sum equal to the amount of the extension made or the gratuity given. If the
30 Commissioner, any deputy commissioner, or any bank examiner accepts an extension of credit
31 or gratuity from any bank, or from any officer, director, employee, or affiliate thereof, that
32 individual shall be guilty of a Class 1 misdemeanor and may be fined a sum equal to the
33 extension of credit made or the gratuity given.

34 (b) Notwithstanding the provisions of subsection (a) of this section, the Commissioner
35 may exempt from the application of subsection (a) any deputy commissioner or any bank
36 examiner with respect to any extension of credit existing upon the hiring of the deputy
37 commissioner or bank examiner by the OCOB and any extension of the term or renewal of such
38 extension of credit made thereafter, so long as the extension of term or renewal has terms and
39 conditions generally available to customers of the applicable bank having generally the same
40 creditworthiness as the deputy commissioner or bank examiner.

41 **"§ 53C-8-10. Willfully and maliciously making derogatory reports.**

42 Any person who shall willfully and maliciously make, circulate, transmit, or otherwise
43 communicate any statement, rumor, or suggestion to one or more other persons that is directly
44 or by inference false and derogatory to the financial condition, or affects the solvency or
45 financial standing, of any bank, or who shall counsel, aid, procure, or induce another to make,
46 circulate, transmit, or otherwise communicate any such statement or rumor, shall be guilty of a
47 Class 1 misdemeanor.

48 **"§ 53C-8-11. Misapplication, embezzlement of funds.**

49 (a) Any person who, with intent to defraud or injure a bank or any other person or with

51 affairs of the bank, commits any of the following acts shall be guilty of a felony:

- 7 (3) Makes or permits to be made a false entry in a record of a bank, or conceals
8 or permits to be concealed, by any means or manner, the true and correct
9 entries in a record of a bank.
- 10 (4) Knowingly makes an extension of credit, or permits an extension of credit,
11 by a bank to any insolvent person or to a person who has ceased to exist, or

13 of an insolvent or nonexistent person.
- 14 (5) Makes or publishes, or knowingly permits to be made or published, a false
15 report, statement, or certificate as to the true financial condition of a bank.

16 (b) If an offense committed under this section involves money, funds, credit, or
17 property with a value of one hundred thousand dollars (\$100,000) or more, it is a Class C
18 felony. If an offense committed under this section involves money, funds, credit, or property
19 with a value of less than one hundred thousand dollars (\$100,000), it is a Class H felony.

20 **"§ 53C-8-12. Enforcement of the banking laws.**

21 (a) When the Commissioner believes that a violation of the banking laws has occurred
22 or is continuing, the Commissioner may order an examination or investigation of the facts and
23 circumstances relating to the suspected violation.

24 (b) Every bank failing to make and transmit any report that the Commissioner is
25 authorized to require by this Chapter, and in and according to the form prescribed by the
26 Commissioner, within 10 business days after the receipt of a request or requisition therefor, or
27 within the extension of time granted by the Commissioner, shall be notified by the
28 Commissioner, and if the failure continues for five business days after the receipt of the notice,
29 the delinquent bank shall be subject to a penalty of up to one thousand dollars (\$1,000). The
30 penalty provided by this section shall be recovered in a civil action in any court of competent
31 jurisdiction, and it shall be the duty of the Attorney General to prosecute all such actions.

32 (c) In addition to any other powers conferred by this Chapter, the Commissioner shall
33 have the power to do the following:

- 34 (1) Order any bank, trust company, or subsidiary thereof, or any director,
35 officer, or employee, or any other person the Commissioner is authorized to
36 regulate, to cease and desist violating any provision of this Chapter or any
37 lawful rule issued thereunder.
- 38 (2) Order any bank, trust company, or subsidiary thereof, or any director,
39 officer, or employee, or any other person the Commissioner is authorized to
40 regulate, to cease and desist from a course of conduct that is unsafe or
41 unsound and that is likely to cause insolvency or dissipation of assets or is
42 likely to jeopardize or otherwise seriously prejudice the interests of a
43 depositor.

44 (d) Consistent with Article 3A of Chapter 150B of the General Statutes, notice and
45 opportunity for hearing shall be provided before any of the actions authorized by this section
46 shall be undertaken by the Commissioner. In cases involving extraordinary circumstances
47 requiring immediate action, the Commissioner may take such action but shall promptly afford a
48 subsequent hearing upon application to rescind the action taken.

49 (e) The Commissioner shall have the power to subpoena witnesses, compel their
50 attendance, require the production of evidence, administer oaths, and examine any person under

1 oath in connection with any subject related to a duty imposed or a power vested in the
2 Commissioner.

3 (f) The Commissioner may impose a civil money penalty of not more than one
4 thousand dollars (\$1,000) for each violation by any bank, trust company, or subsidiary thereof,
5 or any director, officer, or employee, or any other person the Commissioner is authorized to
6 regulate, of an order issued under subdivision (1) of subsection (c) of this section. The
7 Commissioner may impose a civil money penalty of not more than five hundred dollars
8 (\$500.00) per day for each day that a bank, trust company, or subsidiary thereof, or any
9 director, officer, or employee, or any other person the Commissioner is authorized to regulate,
10 violates a cease and desist order issued under subdivision (2) of subsection (c) of this section.
11 The proceeds of civil money penalties imposed pursuant to this subsection, net of documented
12 expenses of examination and enforcement, shall be remitted to the Civil Penalty and Forfeiture
13 Fund in accordance with G.S. 115C-457.2.

14 (g) Administrative orders issued by the Commissioner and civil money penalties
15 imposed for violation of such orders shall be subject to review by the Commission, which shall
16 have power to amend, modify, or disapprove the same at any regular or special meeting.

17 (h) Notwithstanding any penalty imposed by the Commissioner, the Commission may,
18 after notice of and opportunity for hearing, impose, enter judgment for, and enforce, by
19 appropriate process, a penalty of not more than ten thousand dollars (\$10,000) against any
20 bank, trust company, or subsidiary thereof, or against any of its directors, officers, or
21 employees, or any other person the Commissioner is authorized to regulate, for violating any
22 lawful order of the Commission or Commissioner. The proceeds of civil money penalties
23 imposed pursuant to this subsection, net of documented expenses of examination and
24 enforcement, shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with
25 G.S. 115C-457.2.

26 (i) If the Commissioner believes that a violation of a criminal statute has occurred, the
27 Commissioner may refer the matter to the appropriate prosecutorial agency.

28 **"§ 53C-8-13. Immediate action orders.**

29 (a) In the event that the Commissioner determines that a bank has inadequate capital or
30 insufficient capital or determines that immediate action is necessary to cause a bank to conduct
31 its business in a safe and sound manner or to cause a bank or any of its directors, officers, or
32 employees to cease from an act or course of conduct that threatens, or is reasonably probable of
33 threatening, the financial integrity of the bank, the commissioner may order, as applicable, the
34 bank to take such corrective action as the Commissioner deems necessary or may order the
35 bank, director, officer, or employee to immediately cease such conduct, act, or course of
36 conduct and to refrain therefrom in the future.

37 (b) Any order made under this section shall be effective upon issuance, provided,
38 however, that the Commissioner shall promptly afford a subsequent hearing upon the order as
39 provided in G.S. 53C-2-6.

40 **"§ 53C-8-14. Supervisory control.**

41 (a) Whenever the Commissioner determines that a bank has insufficient capital and is
42 conducting its business in an unsafe or unsound manner or in any fashion that threatens the
43 financial integrity of the bank, the Commissioner may serve a notice of charges on the bank,
44 requiring it to show cause why it should not be placed under supervisory control. The notice of
45 charges shall specify the grounds for supervisory control and set the time and place for a
46 hearing. A hearing before the Commissioner shall be held no earlier than seven days and no
47 later than 15 days after issuance of the notice of charges.

48 (b) If, after the hearing provided in subsection (a) of this section, the Commissioner
49 determines that supervisory control of the bank is necessary to protect the bank's customers,
50 creditors, or the general public, the Commissioner shall issue an order taking supervisory
51 control of the bank. The board of directors of the bank in office on the date of the issuance of

1 the order may appeal the order of the Commissioner to the Commission pursuant to
2 G.S. 53C-2-6 no later than 10 days after the date of the issuance of the order.

3 (c) The Commissioner may appoint an agent to supervise and monitor the operations of
4 the bank during the period of supervisory control. During the period of supervisory control, the
5 bank shall act in accordance with any instructions and directions as may be given by the
6 Commissioner, directly or through the agent, and shall not act or fail to act except when to do
7 so would violate an outstanding order of its federal bank supervisory agent or the FDIC if the
8 FDIC is not its primary federal regulator.

9 (d) Within 180 days of the date of the order taking supervisory control, the
10 Commissioner shall issue an order approving a plan for the termination of supervisory control
11 on the 30th day following the issuance of the order. The plan may provide for the following:

12 (1) The issuance by the bank of debt instruments or shares.

13 (2) The appointment or removal of one or more officers and/or one or more
14 directors.

15 (3) The reorganization or combination of the bank.

16 (4) A control transaction with respect to the bank.

17 (5) The dissolution and liquidation of the bank.

18 (e) The reasonable costs of the Commissioner under this section shall be paid by the
19 bank. The Commissioner's determination of the costs shall be, in the absence of manifest error,
20 dispositive of the issue of reasonableness.

21 **"§ 53C-8-15. Removal of directors, officers, and employees.**

22 (a) If the Commissioner determines that a director, officer, or employee of a bank has
23 participated in or consented to any violation of this Chapter or an order of the Commissioner,
24 or has engaged in any unsafe or unsound business practice in the operation of the bank, or has
25 been dishonest, incompetent, or reckless in the management of the affairs of the bank, or has
26 persistently violated the laws of this State, or repeatedly violated or failed to comply with any
27 of the bank's organizational documents, and that as a result, a situation exists requiring prompt
28 corrective action in order to protect the bank, its customers, or the public, the Commissioner
29 may issue an order temporarily removing the director, officer, or employee pending a hearing
30 that shall occur not less 10 days after removal. The order shall state that it is a "Temporary
31 Order of Removal" and shall further state the grounds upon which it was issued together with
32 the date, time, and location of a hearing on the matter. For good cause shown, the
33 Commissioner may grant the director, officer, or employee subject to the order a 10-day
34 extension of the hearing date, but the temporary removal order shall remain in full force and
35 effect. Upon a hearing before the Commissioner within the prescribed time, the temporary
36 removal order may be dissolved or made permanent in whole or in part.

37 (b) Any removal under this section is effective in all respects as if the removal had been
38 made by the shareholders of the bank in question.

39 (c) Without the prior written approval of the Commissioner, no director, officer, or
40 employee subject to an order under this section shall be eligible to be elected, reelected, or
41 appointed any position as a director, officer, or employee of that bank or any other North
42 Carolina financial institution during the period of the order's effect.

43 (d) An individual who is the subject of an order of the Commissioner under this section
44 may appeal the order to the Commission pursuant to G.S. 53C-2-6 no later than 10 days after
45 the date of issuance of the order.

46 **"§ 53C-8-16. Emergency powers.**

47 In the event of a natural disaster or other national, regional, state, or local emergency, the
48 Commissioner may temporarily waive or suspend requirements for compliance by one or more
49 banks with any provisions of this Chapter.

50 **"§ 53C-8-17. Interstate regulatory agreements.**

The Commissioner may enter into cooperative, coordinating, and information sharing agreements with (i) any bank supervisory agency having jurisdiction over an out-of-state bank that operates one or more branches in this State and (ii) any bank supervisory agency of another state in which a bank operates one or more branches with respect to the periodic examination or other supervision of the branches of the out-of-state bank operating in this State or the branches of the bank operating in such other state.

"Article 9.

"Supervisory Liquidation; Voluntary Dissolution and Liquidation.

"Part 1. General Provisions.

"§ 53C-9-101. Supervisory combinations.

Notwithstanding any other provision of this Chapter, in order to protect the public, including depositors and creditors of a bank, the Commissioner, upon making a finding that a bank is unable to operate in a safe and sound manner and is not reasonably likely to be able to resume safe and sound operations, may authorize or require a combination of the bank, a control transaction, or any other transaction, whether or not the Commissioner has taken supervisory control pursuant to G.S. 53C-8-14. In ordering any such combination, control transaction, or other transaction, the Commissioner may order that a vote of the bank's shareholders shall not be required to effect the combination, control transaction, or other transactions.

"§ 53C-9-102. Distributions; assignments restricted.

A bank that is in the process of involuntary or voluntary dissolution pursuant to this Article may not make or pay distributions to its shareholders unless the bank has the prior written approval of the Commissioner. No bank shall make any general assignment for the benefit of its creditors except by surrendering possession of its assets to the Commissioner for dissolution and liquidation pursuant to G.S. 53-9-301, and any other purported assignment by the bank for the benefit of its creditors shall be void.

"§ 53C-9-103. Cancellation of charter.

Whenever a combination, dissolution, or other transaction occurs by which a bank ceases to exist or ceases to be eligible for a charter, the Commissioner shall by order cancel the bank's charter and shall publish the order in accordance with G.S. 53-1-4(59). A copy of the order shall be filed by the Commissioner with the Secretary of State. The bank shall continue to exist under Chapter 55 of the General Statutes for the purpose of dissolving and liquidating its business and affairs.

"Part 2. Voluntary Dissolution and Liquidation.

"§ 53C-9-201. Voluntary dissolution prior to receipt of charter.

A bank in formation may, prior to issuance of its charter, give notice to the Commissioner and, with the Commissioner's consent, abandon its application to the Commissioner and dissolve and liquidate by a majority vote of its board of directors and as provided under Chapter 55 of the General Statutes.

"§ 53C-9-202. Voluntary dissolution.

(a) With the approval of the Commissioner, a bank may engage in a voluntary dissolution and liquidation.

(b) If, by a majority vote, the board of directors of a bank should determine that in their judgment the bank should be dissolved and liquidated, then the board of directors shall submit immediately to the Commissioner the following documents, certified by an appropriate officer of the bank:

- (1) The board of directors' resolution.
- (2) The bank's proposed articles of dissolution.
- (3) The board of directors' plan for liquidation.
- (4) Any notices or proxy solicitation materials proposed to be sent to shareholders.

1 (c) The Commissioner shall examine the documents submitted under subsection (b) of
2 this section and such other matters as the Commissioner deems relevant and may issue an order
3 authorizing the bank and its board of directors to proceed with dissolution and liquidation as
4 provided in G.S. 53C-9-203. Examination by the Commissioner of the materials referred to in
5 subsection (b)(4) of this section shall not be deemed to be approval of the documents for any
6 purpose.

7 (d) At any annual or special meeting of shareholders called for the purpose of voting
8 upon a proposal for voluntary dissolution of a bank, the shareholders of the bank may, by an
9 affirmative vote, in person or by proxy, of the holders of shares representing at least two-thirds
10 of the votes entitled to be cast on such matters, resolve to dissolve and liquidate the bank in
11 accordance with the order of the Commissioner issued under subsection (c) of this section.

12 (e) If a majority of the board of directors of a bank should determine that in its best
13 judgment the bank should be dissolved and liquidated but deems it impractical or otherwise
14 inadvisable to proceed with a vote upon voluntary dissolution by the shareholders, then the
15 board of directors shall immediately forward a certified copy of its resolution to the
16 Commissioner and the Commissioner shall place the bank in receivership pursuant to
17 G.S. 53C-9-301.

18 **"§ 53C-9-203. Voluntary dissolution and liquidation procedure.**

19 (a) At the appropriate time, the Commissioner shall do the following:

20 (1) Inform the FDIC and the bank's federal supervisory agency if other than the
21 FDIC.

22 (2) Select and appoint a receiver or receiver in liquidation, just as if the
23 liquidation were involuntary under G.S. 53C-9-301.

24 (3) Attach a certificate of approval to the articles of dissolution, and the bank
25 shall then file the certified articles with the Secretary of State.

26 (b) Upon the filing of the articles of dissolution with the Secretary of State, it shall be
27 unlawful for the bank to accept any additional deposit accounts or additions to deposit accounts
28 or make any additional extensions of credit, but all its income and receipts in excess of actual
29 expenses of liquidation of the bank shall be applied to the discharge of its liabilities.

30 (c) The persons charged with liquidation of the bank in the approved plan of dissolution
31 shall cause to be published a public notice stating the bank has closed and will dissolve and
32 liquidate and notifying its depositors and creditors to present their claims for payment,
33 specifying the method for doing so.

34 (d) The bank may pay reasonable compensation, subject to the approval of the
35 Commissioner, to the persons charged with its liquidation.

36 (e) Any bank in the process of voluntary dissolution and liquidation shall be subject to
37 examination by the Commissioner and shall furnish any reports required by the Commissioner.

38 (f) If the Commissioner determines at any time that the voluntary liquidation plan is not
39 working, the Commissioner may place the bank in receivership pursuant to G.S. 53C-9-301.

40 "Part 3. Receivership; Involuntary Dissolution.

41 **"§ 53C-9-301. Receivership.**

42 (a) The Commissioner may take custody of the books, records, and assets of every kind
43 and character of any bank in the instances established in Part 2 of this Article or if it reasonably
44 appears from one or more examinations made by the Commissioner that any of the following
45 conditions exist:

46 (1) The directors or officers of the bank, or the liquidators of the bank subject to
47 a voluntary plan of liquidation, have neglected, failed, or refused to take
48 action that the Commissioner deems necessary for the protection of the bank.

49 (2) The directors, officers, or liquidators of the bank have impeded or obstructed
50 an examination.

- 1 (3) The business of the bank is being conducted in a fraudulent, illegal, or
2 unsafe manner.
- 3 (4) The bank is in an unsafe or unsound condition to transact business and it is
4 not reasonably probable that it will be able to return to a safe and sound
5 condition.
- 6 (5) The capital of the bank is impaired such that the likely realizable value of its
7 assets is insufficient to pay and satisfy the claims of all depositors and all
8 creditors.
- 9 (6) The directors or officers of the bank, or the liquidators of a bank subject to a
10 voluntary plan of liquidation, have assumed duties or performed acts in
11 excess of those authorized by applicable statutes or regulations, by the bank's
12 organizational documents or plan of liquidation, or without supplying the
13 required bond.
- 14 (7) The bank is insolvent or is in imminent danger of insolvency or has
15 suspended its ordinary business transactions due to insufficient funds.
- 16 (8) The bank is unable to continue operations.

17 (b) Unless the Commissioner reasonably finds that an emergency exists that requires
18 that the Commissioner take custody immediately, the Commissioner shall first give written
19 notice to the board of directors of the bank specifying which of those circumstances listed in
20 subdivisions (1) through (8) of subsection (a) have been determined to exist and shall allow a
21 reasonable time in which corrections may be made before a receiver of the bank will be
22 appointed as outlined in subsections (c) and (d) of this section. For these purposes, "written
23 notice" shall be deemed to include any report of examination or other confidential or
24 nonconfidential written communication that is either directly from the Commissioner or is
25 joined in by the Commissioner.

26 (c) The Commissioner shall appoint as receiver or coreceivers one or more qualified
27 persons for the purpose of receivership and liquidation of the bank of which the Commissioner
28 has taken custody under subsection (a) of this section, which receiver shall furnish a bond in
29 such form and amount, and with such surety, as the Commissioner may require.

30 (d) The Commissioner may appoint the FDIC or its nominee as the receiver, and the
31 receiver shall be permitted to serve without posting bond. In the event of such an appointment,
32 the Commissioner shall thereafter be forever relieved of any and all responsibility and liability
33 in respect to the receivership and the liquidation of the bank.

34 (e) In the event the Commissioner takes custody of a bank and then appoints a receiver
35 for the bank, the Commissioner shall serve personally at the bank's principal office through the
36 officer who is present and appears to be in charge, the Commissioner's order taking possession
37 and, if applicable, the Commissioner's order appointing a receiver for the bank in liquidation.
38 The Commissioner shall also mail a certified copy of the order taking possession and the
39 appointing order by certified mail or by express delivery to any previous receiver or other legal
40 custodian of the bank and to the Clerk of Superior Court of Wake County. The Commissioner
41 shall give notice to the public of the Commissioner's actions by posting a notice summarizing
42 the Commissioner's actions near the entrance to each branch of the bank, and the Commissioner
43 shall issue a similar public notice as defined in G.S. 53C-1-4(59).

44 (f) Whenever a receiver for a bank is duly appointed and qualified under subsection (c)
45 or (d) of this section:

- 46 (1) The receiver, by operation of law and without any conveyance or other
47 instrument, act, or deed, shall succeed to all the rights, titles, powers, and
48 privileges of the bank, its shareholders, officers, and directors, or any of
49 them, and to the titles to the books, records, and assets of every description
50 of any previous receiver or other legal custodian of the bank. Neither the
51 shareholders, officers, or directors, nor any of them, shall thereafter, except

1 as expressly provided in this section, have or exercise any rights, powers, or
2 privileges or act in connection with any assets or property of any nature of
3 the bank in receivership.

4 (2) The Commissioner may, at any time, direct the receiver (unless it is the
5 FDIC) to return the bank to its previous or a newly constituted management
6 and its shareholders.

7 (3) A receiver, other than the FDIC, may, at any time during the receivership
8 and before final liquidation, be removed and a replacement appointed by the
9 Commissioner.

10 (g) A receiver may perform any of the following acts:

11 (1) Demand, sue for, collect, receive, and take into possession all the goods and
12 chattels, rights and credits, moneys and effects, lands and tenements, books,
13 papers, choses in action, bills, instruments, notes, intangible interests, and
14 property of every description of the bank.

15 (2) Foreclose mortgages, deeds of trust, and other liens granted to the bank to
16 the extent the bank would have the right to do so.

17 (3) Seek injunctions and institute suits for the recovery of any property,
18 damages, or demands existing in favor of the bank, and shall, upon the
19 receiver's own application, be substituted as party plaintiff in the place of the
20 bank in any suit or proceeding pending at the time of the receiver's
21 appointment.

22 (4) Sell, convey, and assign any or all of the property rights and interests owned
23 by the bank.

24 (5) Appoint agents and engage independent contractors.

25 (6) Examine papers and investigate persons.

26 (7) Make and carry out agreements with the FDIC for the payment or
27 assumption of the bank's liabilities, in whole or in part, and to sell, convey,
28 transfer, pledge, or assign assets as security or otherwise and to make
29 guarantees in connection therewith.

30 (8) Perform all other acts that might be done by the employees, officers, and
31 directors of the bank.

32 These powers shall be continued in effect until liquidation of the bank or until return of the
33 bank to its prior or newly constituted management.

34 (h) The Commissioner may, unless the FDIC has been appointed as receiver, determine
35 that the receivership proceedings of a bank should be discontinued and the possession of the
36 bank returned to newly constituted management. The Commissioner shall then remove the
37 receiver and restore all the rights, powers, and privileges of the bank's depositors, shareholders,
38 customers, employees, officers, and directors. The return of a bank to a newly constituted
39 management from the possession of a receiver shall, by operation of law and without any
40 conveyance or other instrument, act, or deed, vest in the bank the title to all property held by
41 the receiver in the capacity as receiver for the bank.

42 (i) Claims against a bank in receivership shall have the following order of priority for
43 payment:

44 (1) Costs, expenses, and debts of the bank incurred on or after the date of the
45 appointment of the receiver, including compensation for the receiver and a
46 reasonable sum for the time of employees and agents of the OCOB.

47 (2) Claims of holders of deposit accounts.

48 (3) Claims of secured creditors in such order of priority as is established by
49 applicable law or regulation.

50 (4) Claims of general creditors.

46 Commissioner.

47 **"§ 53C-10-102. Holding company control transaction.**

48 (a) Except as otherwise expressly permitted by this section, a person shall not engage in
49 a control transaction to which a holding company formed under the laws of this State and
50 having a bank as a subsidiary is a party without the prior approval of the Commissioner. A

1 person may contract to engage in a control transaction with the consummation of the control
2 transaction being subject to receipt of the approval of the Commissioner.

3 (b) The Commissioner may require a person who is obligated to file a notice or an
4 application under this section to appoint an agent resident in this State for service of process
5 upon the filing of the notice or application or as a condition to the acceptance of the notice or
6 application for review. An application for approval shall be in a form required by the
7 Commissioner and shall be accompanied by such fee as may be required by rule.

8 (c) The following transactions shall not constitute a control transaction under this
9 section requiring the prior approval of the Commissioner:

10 (1) The acquisition of control over voting securities by a person who has
11 previously engaged in a control transaction with respect to the holding
12 company after receiving the approval of the Commissioner under this
13 Article, which approval permits the acquisition of control over additional
14 voting securities, or any person who is an affiliate of the person previously
15 engaging in the approved control transaction with such permission and who
16 is identified in the application submitted for the approval, if the acquiring
17 person files a notice with the Commissioner, in the form required by the
18 Commissioner, describing the transaction at least 10 days before the
19 acquiring person or affiliate thereof first votes or directs the voting of the
20 voting securities.

21 (2) An acquisition of control over voting securities by operation of law, will, or
22 intestate succession, if the acquiring person files a notice with the

25 or directs the voting of the voting securities.

26 (3) Bona fide gifts.

27 (4) A transaction exempted by rules, orders, or declaratory rulings of the
28 Commissioner, issued because approval of the transaction is not necessary to
29 achieve the objectives of this Chapter.

30 (5) An acquisition of control over voting shares exempt from the prior approval
31 requirements set forth in section 3 of the Bank Holding Company Act, as
32 amended (12 U.S.C. § 1842), pursuant to the exceptions described in items

34 (d) Upon receipt of a notice described in subsection (c) of this section, the
35 Commissioner may, before the 10th day following the receipt, notify the acquiring person of
36 the Commissioner's objection to the exercise of control over the voting securities or may
37 require the acquiring party to submit further information before exercising control over the
38 voting securities. An acquiring person receiving a notice of objection shall be required to
39 submit an application for approval of a control transaction. An acquiring person receiving a
40 notice to submit further information may be required to provide any information that would be
41 included in an application for approval of a control transaction. In the event such an acquiring
42 person is comprised of a group of persons, the Commissioner may require each member of the
43 group to submit relevant information.

44 (e) All voting securities over which control has been acquired by an acquiring person
45 shall not be voted on any matter submitted to a vote of the holders of the outstanding voting
46 securities of the holding company of a bank and shall be deemed authorized but unissued for
47 purposes of determining the presence of a quorum of holders of voting securities until such
48 time as follows:

49 (1) The Commissioner has approved an application for approval of a control
50 transaction with respect to the voting securities.

- 1 (2) The transaction is one listed in subsection (c) of this section that does not
2 require the filing of a notice with the Commissioner.
- 3 (3) The transaction is one listed in subsection (c) of this section that requires a
4 notice to be filed with the Commissioner and the Commissioner has not
5 issued an objection to the notice and any requirement of the Commissioner
6 for the filing of further information had been determined by the
7 Commissioner to have been satisfied.

8 **"§ 53C-10-103. Application regarding a control transaction.**

9 (a) A person seeking approval of a control transaction to which a holding company of a
10 bank is a party under this Article shall file the following with the Commissioner:

- 11 (1) An application in the form prescribed by the Commissioner.
12 (2) All filing fees required by rule of the Commissioner.
13 (3) Any other information required by a rule of the Commissioner or deemed by
14 the Commissioner to achieve the objectives of this Chapter.

15 (b) In the event a person submitting an application is a group of persons, the
16 Commissioner may require each member of the group to submit information relevant to the
17 application.

18 (c) Notwithstanding any laws to the contrary, information about the character,
19 competence, or experience of an acquiring person or its proposed management personnel or
20 affiliates shall be deemed a confidential record of the Commissioner subject to
21 G.S. 53C-2-7(b).

22 **"§ 53C-10-104. Public notice.**

23 A person filing an application for approval of a control transaction shall publish a public
24 notice of the filing of the application not more than 30 days before nor more than 10 days after
25 the filing of the application with the Commissioner. The public notice shall contain the
26 following:

- 27 (1) A statement that the application has been filed with the Commissioner.
28 (2) The name of the applicable holding company and the address of its principal
29 office.
- 30 (3) A statement that any interested person may make written comment on the
31 proposed control transaction and that comments received by the
32 Commissioner within 14 days of the publication of the public notice shall be
33 considered. The public notice shall provide the current mailing address of
34 the Commissioner.

35 **"§ 53C-10-105. Actions on control transaction applications.**

36 (a) The Commissioner shall examine the proposed control transaction, including the
37 character, competence, and experience of the acquiring person and its proposed management
38 personnel, to determine whether the financial stability of the holding company or the interests
39 of the customers served by one or more bank subsidiaries of the holding company would be
40 adversely affected by the proposed control transaction. Not later than the 60th day following
41 receipt of a completed application for approval of a control transaction unless extraordinary
42 circumstances require a longer period of review, the Commissioner shall approve or deny the
43 application.

44 (b) The Commissioner may deny an application for approval of a control for any of the
45 following reasons:

- 46 (1) The financial condition of the person seeking approval of a control
47 transaction could jeopardize the financial stability of the holding company,
48 one or more bank subsidiaries of the holding company, or the financial
49 interests of the bank's customers.
- 50 (2) An examination of the character, competence, or experience of any acquiring
51 person or of any of the proposed management personnel of the holding

1 company shows that it would not be in the interest of the customers of one or
2 more of the bank subsidiaries of the holding company or in the interest of the
3 public to permit the person to control the holding company.

4 (3) The plans or proposals of the person seeking approval with respect to
5 exercising control over the holding company would not be in the best
6 interests of the customers of one or more bank subsidiaries of the holding
7 company.

8 (4) Upon the effective date of the proposed control transaction, one or more of
9 the bank subsidiaries of the holding company would not be solvent, have
10 inadequate capital, or not be in compliance with this Chapter or rules of the
11 Commissioner.

12 (5) The application for approval is incomplete.

13 (6) If the acquiring person solicits votes for the approval of or consents to the
14 control transaction from the holders of the voting securities of the holding
15 company, adequate and complete disclosures of all material information
16 about the proposed control transaction, together with a prominent statement
17 that neither the control transaction nor any solicitation of such holders' votes
18 or consents has been approved by the Commissioner and that any
19 representation to the contrary is a criminal offense, have not been made to
20 the holders.

21 (c) If an application filed under this Part is approved by the Commissioner, the control
22 transaction may become effective. All conditions to approval set forth in the order of the
23 Commissioner shall be enforceable against the person, and each member of a group of persons,
24 receiving the approval.

25 **"§ 53C-10-106. Appeal.**

26 Any order of the Commissioner denying an application for approval of a control transaction
27 may be appealed to the Commission by the person filing the application denied, as provided in
28 G.S. 53C-2-6.

29 "Part 2. Combinations.

30 **"§ 53C-10-201. Combination authority.**

31 With the approval of the Commissioner, a holding company of a bank may combine with
32 one or more other holding companies or other companies. The application for approval shall be
33 in the form required by the Commissioner and shall be accompanied by such fee as may be
34 required by rule.

35 **"§ 53C-10-202. Combination application and investigation.**

36 (a) A holding company of a bank seeking approval of a combination shall file with the
37 Commissioner an application for approval, copies of the agreement under which the holding
38 company proposes to effect the combination, and any additional information that the
39 Commissioner shall require by rule or as is required by the Commissioner in connection with
40 the application in order to achieve the objectives of this Chapter.

41 (b) A holding company filing an application for approval of a combination shall publish
42 a public notice of the filing of the application not more than 30 days before nor more than 10
43 days after the filing of the application with the Commissioner. The public notice shall contain
44 the following:

45 (1) A statement that the application has been filed with the Commissioner.

46 (2) The names of the parties to the proposed combination and the addresses of
47 its principal offices.

48 (3) A statement that any interested person may make written comment on the
49 proposed combination and that comments received by the Commissioner
50 within 14 days of the publication of the public notice shall be considered.

The public notice shall provide the current mailing address of the Commissioner.

(c) The Commissioner shall examine the proposed combination, including the character, competency, and experience of the proposed directors and executive officers of the surviving party of the combination, to determine whether the interests of the customers and communities served by the banks controlled by the parties to the combination would be adversely affected by the proposed combination.

(d) Notwithstanding any laws to the contrary, information about the character, competence, and experience of the directors and executive officers of the parties to a combination received by the Commissioner shall be deemed a confidential record of the Commissioner subject to G.S. 53C-2-7(b).

"§ 53C-10-203. Decision on application.

Based on the application and the Commissioner's examination, the Commissioner shall enter an order approving or denying approval of the proposed combination not later than the 60th day following the date the Commissioner notifies the parties that the application is complete, unless extraordinary circumstances require a longer period of review.

"§ 53C-10-204. Appeal.

Any order of the Commissioner denying an application for approval of a combination may be appealed to the Commission by a party to the combination, as provided in G.S. 53C-2-6.

"Part 3. General Authority.

"§ 53C-10-301. Cease and desist order.

Upon a finding that any action of a holding company subject to this Article may be in violation of any banking laws, the Commissioner, after a reasonable notice to the holding company and an opportunity for it to be heard, shall have the authority to order it to cease and desist from such action. If the holding company fails to appeal the decision within 10 days of the date of the issuance of the order in accordance with G.S. 53C-2-6, and continues to engage in the action in violation of the Commissioner's order to cease and desist such action, it shall be subject to a civil money penalty of twenty thousand dollars (\$20,000) for each day it remains in violation of the order. The penalty provision of this section shall be in addition to and not in lieu of any other provision of law applicable to a holding company's failure to comply with an order of the Commissioner. The clear proceeds of the civil money penalty shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

"§ 53C-10-302. Other control changes.
