A BILL TO BE ENTITLED

AN ACT TO REQUIRE PERSONS FURNISHING LABOR OR MATERIALS IN CONNECTION WITH CERTAIN IMPROVEMENTS TO REAL PROPERTY TO GIVE WRITTEN NOTICE TO THE DESIGNATED LIEN AGENT OF THE OWNER OF THE IMPROVED REAL PROPERTY TO PRESERVE THEIR LIEN RIGHTS.

The General Assembly of North Carolina enacts:

**SECTION 1.** G.S. 44A-7 is amended by adding new subdivisions to read:

"§ 44A-7. **Definitions.**

Unless the context otherwise requires in this Article:

...

(2a) Lien agent. – A title insurance company or title insurance agency designated by an owner pursuant to G.S. 44A-11.1.

...

(4a) Inspection department. – Any city or county building inspection department authorized by Chapter 160A or Chapter 153A of the General Statutes.

...

(6a) Potential lien claimant. – Any person entitled to claim a lien for improvements to real property under this Article who is subject to G.S. 44A-11.1."

**SECTION 2.** Article 2 of Chapter 44A of the General Statutes is amended by adding new sections to read:

"§ 44A-11.1. **Lien agent; designation and duties.**

(a) With regard to any improvements to real property to which this Article is applicable for which the costs of the undertaking at the time that the original building permit is issued is thirty thousand dollars \$30,000 or more, the owner shall designate a lien agent no later than the time the owner first contracts with any person to improve the real property. The owner shall deliver written notice of designation to its designated lien agent by any method authorized in G.S. 44A-11.2(f), and shall include in its notice the street address, tax map lot and block number, reference to recorded instrument, or any other description that reasonably identifies the real property for the improvements to which the lien agent has been designated. Designation of a lien agent pursuant to this section does not make the lien agent an agent of the owner for purposes of receiving a Notice of Claim of Lien upon Funds or for any purpose other than the receipt of notices to the lien agent required under G.S. 44A-11.2.

\* S 4 2 - V - 4 \*

1       (b) The lien agent shall be chosen from among the list of registered lien agents  
2 maintained by the Department of Insurance pursuant to G.S. 58-26-41.

3       (c) Upon receipt of written notification of designation by an owner pursuant to  
4 subsection (a) of this section, the lien agent shall have the duties as set forth in  
5 G.S. 58-26-41(b).

6       (d) In the event that the lien agent revokes its consent to serve as lien agent or is  
7 removed by the owner, or otherwise becomes unable or unwilling to serve before the  
8 completion of all improvements to the real property, the owner shall within three business days  
9 of notice of such event do all of the following:

10           (1) Designate a successor lien agent and provide written notice of designation to  
11 the successor lien agent pursuant to subsection (a) of this section.

12           (2) Provide the contact information for the successor lien agent to the inspection  
13 department that issued any required building permit and to any persons who  
14 requested information relating to the predecessor lien agent.

15           (3) Display the contact information for the successor lien agent on the building  
16 permit or attachment thereto posted on the improved property or, if no  
17 building permit was required, on a sign complying with G.S. 44A-11.2(e).

18       (e) Until such time as the owner has fully complied with subsection (d) of this section,  
19 notice transmitted to the predecessor lien agent shall be deemed effective notice,  
20 notwithstanding the fact that the lien agent may have resigned or otherwise become unable or  
21 unwilling to serve.

22       (f) Any attorney who, in connection with a transaction involving improved real  
23 property subject to this section for which the attorney is serving as the closing attorney,  
24 contacts the lien agent and requests copies of the notices received by the lien agent relating to  
25 the real property not more than five business days prior to the date of recordation of a deed or  
26 deed of trust on the real property, shall be deemed to have fulfilled the attorney's professional  
27 obligation as closing attorney to check such notices to lien agent and shall have no further duty  
28 to request that the lien agent provide information pertaining to notices received subsequently by  
29 the lien agent.

30 **"§ 44A-11.2. Identification of lien agent; notice to lien agent; effect of notice.**

31       (a) As used in this section, the term "contact information" shall mean the name,  
32 physical and mailing address, telephone number, facsimile number, and electronic mail address  
33 of the lien agent designated by the owner pursuant to G.S. 44A-11.1.

34       (b) Within seven days of receiving a written request by a potential lien claimant by any  
35 delivery method specified in subsection (f) of this section, the owner shall provide a notice to  
36 the potential lien claimant containing the contact information for the lien agent, by the same  
37 delivery method used by the potential lien claimant in making the request. A potential lien  
38 claimant making a request pursuant to this subsection who has not furnished labor at the site of  
39 the improvements, or who did so prior to the posting of the contact information for the lien  
40 agent pursuant to subsection (d) or (e) of this section, shall have no obligation to give notice to  
41 the lien agent under this section until the potential lien claimant has received the contact  
42 information from the owner.

43       (c) A contractor or subcontractor for improvements to real property subject to  
44 G.S. 44A-11.1 shall, within three business days of contracting with a lower-tier subcontractor  
45 who is not required to furnish labor at the site of the improvements, provide the lower-tier  
46 subcontractor with a written notice containing the contact information for the lien agent  
47 designated by the owner. Noncompliance with the notice requirements of this subsection shall  
48 constitute an unfair trade practice subjecting the noncomplying contractor or subcontractor to a  
49 claim for violation of G.S. 75-1.1 by any lower-tier subcontractor entitled to the notice who  
50 suffers actual harm as a result of the noncompliance.

1 (d) For any improvement to real property subject to G.S. 44A-11.1, any building permit  
2 issued pursuant to G.S. 160A-417(d) or G.S. 153A-357(e) shall be conspicuously and  
3 continuously posted on the property for which the permit is issued until the completion of all  
4 construction.

5 (e) For any improvement to real property subject to G.S. 44A-11.1, a sign disclosing  
6 the contact information for the lien agent shall be conspicuously and continuously posted on the  
7 property until the completion of all construction if the contact information for the lien agent is  
8 not contained in a building permit or attachment thereto posted on the property.

9 (f) In complying with any requirement for written notice pursuant to this section, the  
10 notice shall be addressed to the person required to be provided with the notice and shall be  
11 delivered by any of the following methods:

- 12 (1) Certified mail, return receipt requested.
- 13 (2) Signature confirmation as provided by the United States Postal Service.
- 14 (3) Physical delivery and obtaining a delivery receipt from the lien agent.
- 15 (4) Facsimile with a facsimile confirmation.
- 16 (5) Depositing with a designated delivery service authorized pursuant to 26  
17 U.S.C. § 7502(f)(2).
- 18 (6) Electronic mail, with delivery receipt.

19 As used in this subsection, "delivery receipt" includes an electronic or facsimile confirmation.  
20 A return receipt or other receipt showing delivery of the notice to the addressee or written  
21 evidence that such notice was delivered by the postal service or other carrier to but not accepted  
22 by the addressee shall be prima facie evidence of receipt.

23 (g) When a lien agent is identified in a contract for improvements to real property  
24 consisting of a single-family residence entered into between an owner and a contractor for the  
25 improvements to the property, the contractor will be deemed to have met the requirement of  
26 notice under subsections (k) and (l) of this section on the date of the lien agent's receipt of the  
27 owner's notice of designation. The owner shall provide written notice to the lien agent  
28 containing the information pertaining to the contractor required in a notice to lien agent  
29 pursuant to subdivisions (1) through (4) of subsection (h) of this section, by any method of  
30 delivery authorized in G.S. 44A-11.2(f). The lien agent shall include the contractor in its  
31 response to any persons requesting information relating to persons who have given notice to the  
32 lien agent pursuant to this section.

33 (h) The form of the notice to be given under this section shall be substantially as  
34 follows:

35 "NOTICE TO LIEN AGENT"

- 36 (1) Potential lien claimant's name, mailing address, telephone number, fax  
37 number (if available), and electronic mailing address (if available):

Potential Lien Claimant"

(i) The service of the Notice to Lien Agent does not satisfy the service or filing requirements applicable to a Notice of Claim of Lien upon Funds under Part 2 of Article 2 of this Chapter.

(j) The notice to lien agent shall not be filed with the clerk of superior court. An inaccuracy in the description of the improved real property provided in the notice shall not bar a person from claiming a lien under this Article or otherwise perfecting or enforcing a claim of lien as provided in this Article, if the improved real property can otherwise reasonably be identified from the information contained in the notice.

(k) Except as otherwise provided in this section, a potential lien claimant may perfect a claim of lien on real property only if any of the following conditions is met:

(1) The lien agent identified in accordance with this section has received notice from the potential lien claimant no later than 15 days after the first furnishing of labor or materials by the potential lien claimant.

(2) Any of the following conditions is met:

a. The lien agent identified in accordance with this section has received notice from the potential lien claimant prior to the date of recordation of a conveyance of the property interest in the real property to a bona fide purchaser for value protected under G.S. 47-18 who is not an affiliate, relative, or insider of the owner.

b. The potential lien claimant has filed a claim of lien pursuant to G.S. 44A-12 prior to the recordation of a conveyance of the property interest in the real property to a bona fide purchaser for value protected under G.S. 47-18 who is not an affiliate, relative, or insider of the owner.

As used in this subdivision, the terms "affiliate," "relative," and "insider" shall have the meanings as set forth in G.S. 39-23.1.

(l) Except as otherwise provided in this section, the claim of lien on real property of a potential lien claimant that is not filed prior to the recordation of any mortgage or deed of trust shall be subordinate to the previously recorded mortgage or deed of trust unless any of the following conditions is met:

(1) The lien agent identified in accordance with this section has received notice from the potential lien claimant within 15 days after the first furnishing of labor or materials by the potential lien claimant.

(2) The lien agent identified in accordance with this section has received notice from the potential lien claimant prior to the date of recordation of the mortgage or deed of trust for the benefit of one who is not an affiliate, relative, or insider of the owner.

(m) With regard to an improvement to real property subject to G.S. 44A-11.1, a potential lien claimant shall not be required to comply with this section if the lien agent contact information is neither contained in the building permit or attachment thereto or sign posted on the improved property pursuant to subsection (d) or (e) of this section at the time when the potential lien claimant was furnishing labor at the site of the improvements, nor timely provided by the owner in response to a written request by the potential lien claimant made pursuant to subsection (b) of this section. The lien rights of a potential lien claimant who is given erroneous information by the owner regarding the identity of the lien agent will not be extinguished under subsection (k) of this section nor subordinated under subsection (l) of this section.

(n) Except as provided in subsections (k) and (l) of this section, nothing contained in this section shall affect a claim of lien upon funds pursuant to G.S. 44A-18.

1       (o) A potential lien claimant may provide the notice to lien agent required under this  
2 section regardless of whether the improvements for which the potential lien claimant is  
3 responsible are contracted, started, in process, or completed at the time of submitting the  
4 notice."

34 agent has not been designated as the lien agent, provide written notice to the  
35 potential lien claimant that it is not the designated lien agent for the  
36 improved property, by the same method used by the potential lien claimant
